Carol: Yep. Vince we can't hog all the fun. Lets let everyone get a shot.

Vince: You read my mind honey. Come on in guys!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I played on the flute and summoned the Grey Wolf, Black Wolf and Arctic Wolf Wild Zords and they went and blasted Volans Zodiarts all over with lasers.

Blurr: Save some for us!

Me: You got it!

Armada Blurr Powerlinked with his Minicon, Incinerator and he got awesome blasters from his sides!

They did so and formed into THE STAR SABER!

Me: STAR SABER!

Armada Blurr: Here we go!

Me and Armada Blurr: STAR FORCE BLAST!

We fired a wave of energy and it hit Volans Zodiarts and she exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was down and I caught the switch and purified it and it turned into a sword of Volans and I went over and picked up Vayra and she was going to be okay.

Vayra: (Groans) What a headache!

Me: But you're safe now.

Vince: That was so AWESOME!

Carol: Yeah it was!

Me: Glad you guys had fun. But the day is not over yet.

Nico: Now it's time for our mission.

Blurr: Man, I haven't used my Armada powers in a long time!

Me: No you sure haven't. But that was awesome!

Qin: Yeah it was!

Elise Lenoir Sallenkova: Yeah it was!

Sakura Valencia: It sure was!

We later went back to the estate and got ready for our mission after we cleaned up everything.

---

We were getting ready.

Clawful: I didn't eat any seafood, FYI.

Me: We know Clawful.

Nico: I have just the mission for us all. We're going to meet Howl and Sophie and the awesome moving castle in the world of Howl's Moving Castle.

Qin: Awesome I love that movie.

Carol: Me too!

Vince: Good choice.

Nico: Yep.

Then Whiplash, Drakkon, Vulture, Robo Blaze, Whiger, Griffin, Beetle, Brain Freezer, Mercurymon, and Villamax appeared.

Whiplash: Can we watch with you guys?

Nico: You sure can.

Robo-Blaze: Oh Vince and Carol, Happy Wedding-Birthiversary.

Carol: Thanks guys.

Vince: Thanks.

Robo-Blaze: You're welcome.

We got to watching the movie.

Sophie, a young milliner and eldest of three sisters, encounters a wizard named Howl on her way to visit her sister Lettie. Upon returning home, she meets the Witch of the Waste, who transforms her into a ninety-year-old woman. Seeking to break the curse, Sophie leaves home and sets off through the countryside. She meets a living scarecrow, whom she calls "Turnip Head". He leads her to Howl's moving castle where she enters without invitation. She subsequently meets Howl's young apprentice Markl and a fire demon named Calcifer, the source of the castle's magic and movement. Calcifer makes a deal with Sophie, agreeing to break her curse if she breaks his link with Howl. When Howl appears, Sophie announces that she has "hired herself" as a cleaning lady.

Meanwhile, Sophie's nation is caught up in a war with a neighboring kingdom, which is searching for its missing prince. The King summons Howl to fight in the war. However, Howl decides to send Sophie to the King, under the pretense of being his mother, to tell him that Howl is too much of a coward to fight. Before leaving, he gives Sophie a charmed ring that leads her to Calcifer and guarantees her safety. Sophie meets Suliman, the king's head sorceress, and also the Witch of the Waste, whom Suliman punishes by draining all of her power and reverting her to her true age, that of a harmless old woman. Suliman warns Sophie that Howl will meet the same fate if he does not fight for the king. Howl then arrives to rescue Sophie. Suliman tries to trap him by turning him into a monster, but with Sophie's help he remembers himself and just barely avoids death. The duo escapes along with the former Witch of the Waste and Suliman's dog Heen. In the meantime, soldiers from each kingdom break into the homes of both Jenkins and Pendragon (Howl's aliases in those kingdoms). However, the men only find an empty courtyard and warehouse, as the castle's magic nature allows travel between 4 separate residences.

Sophie learns that Howl's life is somehow bound to Calcifer's and that Howl has been transforming into a bird-like creature to interfere with both sides in the war, but each transformation makes it more difficult for him to return to human form. Howl then has the castle magically linked to Sophie's home, parking the castle itself on the town's outskirts. A few days later, the town is bombed by enemy aircraft and Suliman's henchmen attack the house and Sophie's hat shop. Howl heads out to protect the group. Sophie then moves everyone out of the house and removes Calcifer from the fireplace, which collapses the castle. The Witch of the Waste realizes that Calcifer has Howl's heart and grabs the fire demon, setting herself on fire. Sophie panics and pours water onto the Witch, which douses Calcifer. The remainder of the castle then splits in two; Sophie falls down a chasm and is separated from the group.

Following the charmed ring, Sophie wanders into a scene from the past, where she sees a young Howl catch a falling star - Calcifer - and give him his heart. Sophie calls for them to find her in the future as she is teleported away. She returns to the present, finds Howl, and they reunite with the others. The Witch returns Howl's heart, and Sophie places it back inside Howl, reviving him and freeing Calcifer, though he decides to stay. Sophie's curse is broken, though her hair remains white. After she kisses Turnip Head on the cheek, he returns to human form revealing himself to be Justin, the missing prince from the enemy kingdom. He reveals that only his true love's kiss can break his curse. After seeing Sophie's affection lies with Howl, he promptly heads for home to cease the war, but promises he will see them again. Suliman, watching through a crystal globe, also decides to end the war. Sometime later, bombers fly under dark skies over a recovered and green countryside headed to another war, while Sophie, Howl, and the others travel in the opposite direction in a new flying castle.

We were amazed with Howl's awesome castle and it was incredible! When it was done we cheered wildly!

Me: That was so awesome!

Nico: Yeah it was!

Me: But that's our mission. We're going after the soldiers who were responsible causing all that destruction in that stupid war.

Nico: Yeah that was a stupid reason to start a war.

Qin: What does it say about Madame Suliman?

Me: Lets see.

I pulled up her info.

---

Madame Suliman is the main antagonist of Studio Ghibli's 14th full-length animated feature film, Howl's Moving Castle.

She is voiced by Haruko Kato in the original Japanese version and Bythe Danner in the English version.

History

She is the King's Royal Sorceress and former teacher of Howl. Suliman admitted Howl was a gifted student and hoped that one day he would replace her. But he never finished his training as his heart was consumed by Calcifer.

She starts recruiting wizards and witches for the King to fight the war that was taking place due to the prince of the neighboring kingdom gone missing. However, the Witch of the Waste was consumed by a demon of greed years ago and Howl's heart was consumed by Calcifer. She refused to turn a blind eye on either and tricks the Witch of the Waste to the castle and removes her powers.

She then tells Sophie (posing as Howl's mother) about Howl's heart and says if he takes part she would help him get his heart back, but if not, would suffer the same fate as the Witch of the Waste. Sophie then stands up to Suliman and the strength of her words temporarily removes her age curse, making Suliman realize Sophie is in love with Howl and now knows his weakness. Howl shows up in disguise as the King, but Suliman doesn't buy it and almost exposes his bird form with her magic until Sophie covers his eyes. Howl, Sophie, the Witch of the Waste, and Suliman's dog, Heen, escape the castle. Suliman gets a hold of Sophie's hat and decides to use her to find him.

Suliman forces Sophie's mother to plant a peeping bug in Howl's castle, but the Witch of the Waste grabs it and destroys it by feeding it to Calcipher, which makes him sick.

At the end of the movie, Heen is able to show Suliman that the Prince of the neighboring country is found and Howl got his heart back and found his true love. Suliman says the game is over and tries to help put an end to the war.

---

Nico: Whoa man! But it looks like she can't do anything because she is disabled and in a wheelchair.

Me: Yeah.

Whiplash: Me, Drakkon, Vulture, Robo Blaze, Whiger, Griffin, Beetle, Brain Freezer, Mercurymon, and Villamax are going with you guys.

Nico: We know you are and it's awesome you guys are coming with too.

Me: Yeah but I'm really happy that Howl and Sophie are a couple.

Elsa: And Sophie looks really amazing with hair like mine.

Anna: She sure does.

Laney: I think so too.

Lana: Yeah! What year does it take place though?

Me: It says it takes place in the late 19th Century in the fictitious country of Ingary. Which is located somewhere in the Swiss Alps from the looks of it.

Nico: Neat.

Catzi: Nico, which Gene Slammer do you think you'll meet next?

Nico: Lets see. How about a Hisuian Braviary next.

Me: Ooh that's a new one.

Ash: We never saw one like that before.

Pikachu: Pika.

Me: That is gonna be an interesting one.

Qin: It sure is.

Vulture: Shall we get going?

Nico: Lets shall.

Vince: Yeah!

Carol: YEAH!

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure was: it was none other than Demon Shimmer, The Demon Sun of Equestria, and she's really furious that MaloMyotismon, Death Adder, and Kurdock have been put down and they failed to destroy us, and now, she's heading here to destroy us all and get her revenge. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is Demon Shimmer on the move?

Lincoln: You guessed it, Nico, and that sadistic, power-hungry, evil demon is absolutely furious that MaloMyotismon, Death Adder, and Kurdock have been put down and they failed to destroy us, and now, she's heading here to destroy us all and get her revenge.

Tarra Taiyou: So, Demon Shimmer's finally on the move. Finally, now we can put her down for good.

Sunset Shimmer: She's finally going to pay for what she's done to me, and this time, she's never going to come back from the dead again.

Lincoln: Yeah, we're going to make sure the Demon Sun of Equestria is finally extinguished for all eternity, and there will be no way for her to come back from the dead. But, before that, I'm going to make her suffer in truly unimaginable ways for what she did to you, Sunset.

Phoenix Shimmer: Yeah, what that monster forced you to do, Mom, that just crossed one line too many times. So, Dad, show Demon Shimmer absolutely no mercy whatsoever.

Lincoln: Like I'd ever show Demon Shimmer any mercy after what she's done, she deserves to die a cruel and horrible death for what she's done, but nothing's more cruel than The Black Gates.

Nico: Now, you're talking, Linc. Alright, guys, let's go, time to stop a war that's been caused for a stupid reason.

Lincoln: Causing war for a stupid reason, that's really asking for trouble, and you better be ready for later on today, Demon Shimmer, we're putting an end to you for good, and you're going to pay big time for putting Sunset Shimmer through Hell!

Me: And her Past will NEVER be today!

Sunset Shimmer: You got that right!

We were off to 19th Century Europe in the world of Howl's Moving Castle.

---

We later arrived at Ingary in the year 1896.

Me: Here we are.

Nico: Ingary in 1896.

Eli: It's amazing. It's like Austria and Switzerland together.

Nico: Yeah.

Sissi Delmas: Where's the Schönbrunn Palace here?

Me: That's too far from here and we're actually in Switzerland here in this world.

Sissi Delmas: Oh.

Nico: Lets see if I were the moving castle it would have to be…

We then saw the moving castle!

Me: There!

Eli: Wow!

Varie: That is so cool!

Nico: Yeah it is!

Whiger: That's actually not too far.

Nico: It sure is awesome.

Me: To be honest, I love Calcifer because he is an anthropomorphic flame.

Qin: That is cool huh.

Me: I wonder what makes it go like that?

Qin: Some form of magic I think.

Allie Wilde: No idea.

Tyzonn: We should probably get up there.

We went to the castle and we flew into it.

Me: Wow! This is amazing!

Sunny Starscout: Boy it sure is!

Twilight Sparkle: I think it's amazing that this castle even moves like this.

Hester Shaw: Just like a Mortal Engine but smaller.

Me: Yeah.

Beetle: Anyone in here?

Me: Lets see. Anyone home!?

Then a woman came and it was Sophie!

Sophie: (British Accent) Oh hello there to you.

Me: Oh hello. You must be Sophie. Sorry to come in like this. We are Team Loud Phoenix Storm.

Sophie: Oh my it's an honor to meet you all.

Me: Pleasure too. We are actually from the 21st Century in another timeline. It's complex.

Nico: Yeah.

Howl then came.

Howl: Oh wow Team Loud Phoenix Storm it's an honor to meet you.

Me: You too Howl and it's awesome to meet you as well.

Family Guy Penelope: Nice accent. It's quite like mine.

Vambre: (British Accent) And it's like mine.

Sophie: Oh why thank you.

Nico: It's really nice.

Lola: Yeah.

Howl: So what brings you all here?

Me: To help you stop this stupid war going on.

Howl: Oh good. We could use your help.

Laney: This war going on is preposterous.

Mercurymon: Tell me. How many people have died because of this war?

Howl: Too many.

Me: From the looks of it quite a lot.

Qin: Yeah.

Nico: That's why we're not going after Madame Suliman. We're going after the soldiers.

Sophie: Do you really think you can destroy them?

Me: We're the most powerful force in the entire universe. That's never stopped us before.

Meowth: And it's not like the soldiers are that powerful anyway.

Me: Nope.

Qin: Yeah we are practically the most powerful army.

Nico: Yeah in a way.

Laney: And we're always ready for them.

Varie: Yeah.

Joe Swanson: Suliman we can talk into surrendering peacefully.

Nico: That's a good idea.

Qin: Yeah.

Nico: Besides, Suliman just needs to show no more abuse of power.

Metal Man: Where's Suliman located anyway?

Nico: She lives in a castle in Wales.

Metal Man: All the way over there? Wow.

Lola: Yeah.

Camie: That is far but awesome.

Brain Freezer: This castle can be steered, right?

Howl: Yes it can.

Qin: Then we need to get going.

Nico: You read my mind.

Me: She sure did.

Camie: Time for us to kick some soldier butt.

Burst Man: Okay. How do you steer this thing?

Howl: It's controlled by magic.

Twilight Sparkle: I got this.

She used her magic and then commanded the castle to go to Wales.

Nico: Oh wow.

Qin: That is cool!

Allie Wilde: It sure is awesome.

Griffin: Can I fly ahead of you guys?

Nico: Go for it.

Griffin flew ahead.

Me: Stay alert guys.

Nico: Okay.

Doofenshmirtz: I got my best inators ready.

Nico: Great. This is gonna be awesome and cool.

Eli: Yep. And I sense there are thousands of them.

Lola: We're going to be in for quite a battle.

Camie: We sure are.

Sakura Valencia: But we'll be ready for them.

Robo Blaze: Tronics! Get ready!

He summoned a massive army of Tronics.

Laney: Okay we're set.

Nico: Yep.

But then we heard explosions up ahead.

Nico: Battlezone ahead.

Arpeggio: (British Accent) I do believe it's time to make an entrance.

Nico: Lets do it.

We went for the soldiers who were fighting.

Then as they were fighting, the spirits of fighter planes appeared and they blasted numerous planes down and then they converged and then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off and a phoenix cry was heard and we came out and were blasting the soldiers all over into dust.

Me: Take that!

Nico: This war must stop!

Drakkon: Suliman, this needs to end!

Suliman: I'm sorry. But this war is out of my hands now.

Me: But we need to stop this war! It's totally pointless!

Laney: I agree! This war needs to stop or more and more people are going to die!

But then Greiger, New Wave, Living Laser, Harpymon, Deadwood, Toiletnator, Fixer, Xiao Fung, Mr. Mittens, and Leonard appeared.

Nico: Greiger, New Wave, Living Laser, Harpymon, Deadwood, Toiletnator, Fixer, Xiao Fung, Mr. Mittens, and Leonard.

Greiger: Most of the soldiers are down.

New Wave: We should have time for the usual battles now.

Living Laser: Got that right.

Me: Perfect.

Harpymon: (to Nico) We heard you destroyed MaloMyotismon.

Nico: Yep/

Deadwood: This time for good.

Me: Yep. Thanks to the Spirit Bomb.

Nico: Yep. And I'm finally done with my past.

Deadwood: Wow.

?: (French Accent) Oui that is amazing.

A figure came out and it was ARTISIMOLE from episode 8 of season 3 of Mighty Morphin!

---

When Mrs. Hart announces that she intends to move to Paris to be with her new artist boyfriend, Kimberly begins to worry about being forced to leave the Power Rangers. Her fears manifest as a French caricature dubbed the Artistmole, who torments her with images of her Mighty Morphin Pink Ranger identity leaving. However, Rita

Repulsa and Lord Zedd have been watching through a device of Finster's and are impressed enough that they order him pull the Artistmole into the real world. With help from Rito and the Tenga Warriors, Finster is able to scan her mind and recreate the Artistmole. Now real, the monster aligns with the Evil Space Aliens and is told to use his special powers to steal the Power Rangers' life-force helpless and easy to destroy.

Zordon alerts the Power Rangers but Kimberly is looking for her Communicator after Rito slapped it off earlier so they have to morph without her. The Rangers confront the Artistmole but the monster is completely immune to all of their attacks as they pass right through him. After striking all of them down, the Artistmole blasts all five down and drains their colors which leave them weak and open to destruction. Outmatched, the Rangers summon Ninjor but he is unable to do any damage to the Artistmole. Before he can however, Kimberly arrives and steals his paintbrush which she then smashes and blasts the Artistmole with her Blade Blaster. Weakened and helpless, the monster retreats which restores the Rangers' colors and life-force. Rita and Zedd then enlarge the Artistmole, but Kimberly has overcome her fear of leaving so he is now tangible. The Rangers form the Ninja Megazord whilst Ninjor grows giant and Ninjor soon turns into Ninjor Battle Mode. After Ninjor blasts the shocked monster with a fireball, the Rangers form the Ninja MegaFalconzord which finishes Artistmole with the Power Punch. Kimberly's fears are later abated when her mother moves to France but Kimberly is allowed to stay with Aisha and her family.

---

Kimberly: Artisimole!

Me: I remember you! You tormented Kim with images of her Pink Ranger Identity leaving her.

Artisimole: Oui oui zat's right.

William: Your French accent is really cool.

Artisimole: Why, merci monsieur.

Qin: Cool.

We got the battles underway.

Rainbow Dash: He sure did and it was awesome.

Scootaloo: And her story is cool too.

---

Rosa Espada De Fuego: (Spanish Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Rosa, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Rosa Espada De Fuego: (Spanish Accent) That's incredible.

Nico: It sure is. So, Rosa, what's the story on why you hate Chandler with a blazing passion?

Rosa Espada De Fuego: (Spanish Accent) You're not going to like this one bit. One day, Lincoln and I were training with wooden swords at my house, but then, Lincoln caught the stench of sewage in the air, and we then saw who it was that had the stench of sewage: it was Chandler and his goons, and they were here to kill Lincoln again. But, using what he's learned from our training sessions and from what the other Guardian Angels have taught him, he fought back and he knocked down Chandler's goons, and then, all that was left was Chandler, and he was boiling mad, and he ran at Lincoln hoping to kill him. But, Lincoln fought him with the wooden sword and Chandler got bruises all over him, and he got knocked down by Lincoln, but they were now extremely pissed off big time, but then, I jumped in and left them with broken teeth, broken noses, and broken arms and legs. We called the cops and told them everything, and Chandler and his goons were taken to the hospital, and then, straight to jail, and his mom and sister were really mad at him this time. Chandler and his goons got grounded for two months, and then, during our training sessions, Lincoln kissed me on the lips to show his thanks to me.

We cheered wildly for what they did to Chandler and his goons.

Nico: Chandler and his goons should've known better than to mess with someone who's the cousin of Tyris Flare.

Me: Yep, but that bloodthirsty murderous prick, Dark Chandler, refused to give up.

Lincoln: You got that right, J.D., Dark Chandler's a monster who doesn't care about anyone except for himself, and if anyone gets in his way, he'll kill them. He's just like the Evil Sasukes we've killed over the years.

Nico: Yeah, that's true, Linc.

FLASHBACK ENDS

Harpymon: Wow! All that sword use really came in handy and I'm amazed she is Tyris Flare's cousin.

a baby was born and it caused a little stir

No blue buzzard, no three eyed frog,

just a feline-canine little CatDog

CatDog, Catdog, alone in the world was a little CatDog

A lunatic dog and a frustrated cat

opposite this and opposite that

Internal struggle for two-in-one brothers

Scratchin' and bitin' and lovin' each other

CatDog, Catdog, nothin' in the world like a little CatDog

CatDog (CatDog) Catdog (CatDog) nothin' in the world like a little CatDog

Guitar solo

Harmonica Solo

Over the river and through the muck

Hot on the trail of the garbage truck

Friends to the end through good and bad weather

But life is complicated when you're always together!

CatDog, Catdog, nothin' in the world like a little CatDog

Out on the road or back in town

all kinds of critters puttin' CatDog down

Gotta rise above it, gotta try to get along

Gotta walk together, gotta sing this song

CatDog, Catdog, alone in the world was a little CatDog

CatDog, Catdog, alone in the world was a little CatDog

CatDog (CatDog) Catdog (CatDog) alone in the world was a little CatDog

They danced and fired waves of earth, rock, apples and crystal and smashed him down.

Sunset Shimmer: I should've known there's no mistaking that malice-filled voice from anywhere, you can come out now, Demon

Shimmer.

A figure was heading straight for us with demonic rage in her eyes, but Sunset Shimmer kicked the figure away, and we saw who the figure was: it was none other than Demon Shimmer.

Lincoln: Just the demon we were looking for.

Nico: Demon Shimmer, I should've known you'd show up here!

Ratchet: So, that's Demon Shimmer.

Sunset Shimmer: Yep, the very demon that put my life through Hell, thanks to Grogar's dark magic.

Demon Shimmer: You all have ruined every last one of my plans, I could've finally gotten rid of all of you, but no, those idiots were weak to do anything! Now, I will kill all of you and reduce Equestria to nothing but ashes!

Demon Shimmer went charging at us again, but Lincoln grabbed her by the neck and he tossed her into a nearby wall with his immense and brute superhuman strength. She got out, but she was really mad.

Sunset Shimmer: Whoa, you've really made her really mad now, Linky.

Demon Shimmer went after us again, but she was shield bashed in the head by Tarra Taiyou who had her Elemental Shield of Harmony.

Demon Shimmer: Who do you even think you are to get in my way, pathetic mortal?!

Tarra Taiyou: Someone who refuses to stand here and let you hurt my friends and who's had about enough of you, you sadistic power-hungry demon. (Orange energy aura flares up) I am Tarra Taiyou, the Champion of Sunset Shimmer, The Alicorn Princess of Forgiveness and one of the 27 girls chosen by The Elements of Harmony to be The Champion of Forgiveness.

This horrified Demon Shimmer badly.

Demon Shimmer: Impossible, The Champions of Harmony have returned?!

Suddenly, Tarra Taiyou's jade green eyes turned neon jade green, and she was then surrounded by a red and yellow energy aura with Alicorns, flames, suns, and magic, she unholstered her massive her Sword of The Champion of Harmony, and as she approached Demon Shimmer, she left red and yellow energy, flames, suns, magic, and Alicorns with every step.

Tarra Taiyou: Demon Shimmer, I will never forgive you for the crimes that you've committed against Equestria in the name of the Devil Incarnate of Equestria, Grogar, and for putting Sunset Shimmer's life through Hell. You are nothing more than a plague to ponies and mankind, and I will see to it that you receive the ultimate punishment for your crimes: death!

Suddenly, Tarra Taiyou was surrounded by a massive vortex of red and yellow energy with flames, magic, and suns surrounding it, there's an Alicorn flying around the vortex, and inside the vortex is an orange phoenix. Then, as the vortex faded, Tarra Taiyou emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Tarra Taiyou grew to 6'11" in height, she has the body of a goddess, she has red and yellow highlights in the bangs of her long flowing orange hair, she has neon jade green eyes and a red and yellow energy aura with Alicorns, flames, suns, and magic surrounding her, she has an Alicorn along with Sunset Shimmer's cutie mark on its horn emblazoned on her forehead, she has on Alicorn earrings with orange gems for eyes and the Forgiveness and Eternity Kanjis in its hooves, she has on her Crystal Necklace of The Buddha with orange gems on the gold sun links and orange crystal links and an orange Alicorn-shaped Element of Harmony and on the bottom of The Element of Harmony is an Alicorn with orange gems for eyes and holding the Forgiveness and Eternity Kanjis in its horn for the pendant. Tarra Taiyou has on a sleeveless orange midriff top with the tattoo of the Elements of Harmony on her right arm, orange skirt, red pants, red sneakers, and sleeveless long red trenchcoat with flames and suns on the coattails, and an Alicorn on the back surrounded by flames and on top of its horn is the Elements of Harmony. Suddenly, Tarra Taiyou felt a sharp pain on her back, and then, massive orange angel wings with red and yellow tips on the large orange feathers, grew and sprouted out from her back. Tarra Taiyou has on her Ring of the Phoenix with large red gem and heart-shaped gem embedded in it on her right ring finger and Red Lantern ring on her left ring finger.

Suddenly, Tarra Taiyou's massive Sword of The Champion of Harmony and all of the swords she'd gotten began merging together, and they were surrounded by a kaleidoscope of red and yellow energy, suns, flame, magic, and Alicorns, and when it emerged, it was transformed into Sunset Shimmer's Alicorn Greatsword of Magical Forgiveness and Fiery Justice, it's a brand-new massive greatsword with a 7'0" massive, wide, double-edged orange blade with the cutie mark of Sunset Shimmer etched on the blade, large yellow Alicorn heads for the crossguard, large red and yellow gem embedded in the rainguard, longer black handle, and large yellow Alicorn heads with orange gems for eyes and a large red gem on the bottom of the heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with orange gems on her wrists, her Belt of Elemental Bravery with an Alicorn for the belt buckle and orange gems for the eyes and a large red and yellow gem in its collar for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a yellow kanji below the Alicorn that said, "Tarra Taiyou, Champion of Sunset Shimmer, The Champion of Forgiveness, One of The Twenty-Seven Champions of Harmony, Destroyer of Demon Shimmer and The Doomsday 23, Defender of Equestria, Ponyville, and Canterlot, Member of The Knights of The Friendship Table, and Master of The Powers of Fire and Forgiveness"

終末 23 の破壊者、エクエストリア、ポニービル、およびキャンタロット の擁護者、友情のテーブルの騎士 のメンバー、火と許しの力のマスター

Tarra Taiyou has transformed into SUPER ANGEL-ALICORN ETERNITY INFINITY FIRESTORM SUN ALICORN ANGEL OF ETERNAL FORGIVENESS AND ETERNAL SUN LOVE!

We were amazed by Tarra Taiyou's Super Angel-Alicorn Eternity Infinity transformation, but when Demon Shimmer saw it, the demon went mad with rage and fired a blast of fire to kill her, but Tarra absorbed the blast of fire and it made her stronger than ever, and Tarra fired a powerful orange energy blast with flames, suns, Alicorns, and magic, and it hit her and sent her flying into a wall, and it pissed her off even more.

Nico: Wow, now Tarra Taiyou's transformed, that's so awesome.

Ken Knudson: This is going to be a fight between the Fires of Forgiveness and The Demon Sun of Equestria.

Tarra Taiyou: (Divine Echoing Cosmic Voice of The Firestorm Alicorn and Divine Sun Forgiveness Love) **But, I'm not doing this alone, Ken.**

Me: That's right.

Lincoln: Yep. You ready, Sunset?

Sunset Shimmer: I'm so going to enjoy kicking her butt after everything she and Grogar put me through.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope and Sunset Shimmer unholsters her massive Sunset Shimmer's Firestorm Alicorn Greatsword of The Sun's Forgiveness and transforms into Super Angel-Alicorn Eternity Infinity Firestorm Sun Alicorn Angel of Eternal Forgiveness and Eternal Sun love, and they joined Tarra Taiyou.

Sunset Shimmer: (Divine Echoing Cosmic Voice of The Firestorm Alicorn and Divine Forgiveness Love) **Better be ready, Demon Shimmer.**

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **You're going to pay for putting Sunset's life through Hell, you monster!**

Tarra Taiyou, Sunset Shimmer, and Lincoln went after Demon Shimmer, who continued firing blasts of fire at them, but they kept absorbing the blasts of fire and it made them even stronger than ever, and they fired powerful blasts of rainbow energy, red and yellow energy, suns, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, rainbow lighting, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, and Angels at Demon Shimmer, and they exploded with incredible power as they hit her, and she was being burned badly by The Magic of Friendship. Then, they attack her with their massive greatswords and they left painful scars on her, and because of the purity of the attacks, it burned her badly, and the wounds she suffered would never heal. Then, Sunset and Tarra slashed off Demon Shimmer's wings and Lincoln grabbed her by the neck and he began sucking out and absorbing all of her hatred and fire powers and he and the rest of us made them our own, and when Lincoln was done, Demon Shimmer was weakened to such a degree she couldn't even stand.

This allowed Tarra Taiyou, Sunset Shimmer, and Lincoln to finish Demon Shimmer by firing powerful energy beams and they overwhelm Demon Shimmer and they exploded with incredible power, killing her for good. We cheered wildly for what Tarra Taiyou, Sunset Shimmer, and Lincoln did to Demon Shimmer as they holstered their massive greatswords on their backs and powered down, and Tarra Taiyou's new body, clothes, weapons, jewelry, and massive angel wings are permanent.

Then, as Demon Shimmer's spirit appeared, the cutie marks of The

Mane 9 on the massive Celtic Cross cutie mark tattoo on Lincoln's wider and more muscular back glowed, along with the cutie marks of The Mane 12 and the Elements of Harmony on my massive greatsword, and Mean Pinkie Pie's spirit was surrounded by a magic circle with the cutie marks of The Mane 12 that formed on the ground, and she was chained up by chains of magic and rainbow energy, and the energy images of The Mane 12 appeared from the cutie marks on the circle, and they found her guilty of her crimes, and the energy images of The Mane 12 aimed their horns at Demon Shimmer and Lincoln aimed his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds at Demon Shimmer.

Lincoln: Demon Shimmer, for the crimes that you've committed against Equestria and all ponies and for what you've done to Sunset Shimmer, you have been found guilty, and the punishment for your crimes is death.

This horrified Demon Shimmer, as she soon saw her days of havoc and chaos are about to end.

Lincoln: MANE 12 HARMONIOUS CUTIE MARK FINAL JUDGEMENT!

Lincoln fires a very powerful barrage of rainbow energy beams with Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, rainbow super lightning, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, and Angels from his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds and the energy images of The Mane 12 fired colored magic energy beams from their horns, and as they hit Demon Shimmer's spirit, they exploded with incredible power and her spirit was condemned to The Black Gates, and she was fading away.

Demon Shimmer: No, you can't do this. Sunset, you need me!

Sunset Shimmer: No, Demon Shimmer, it's because of Grogar's evil misdeeds that you made me turn against my friend, Twilight Sparkle, and you'd turned me into a sadistic, power-hungry monster. But, Twilight and her friends saved me, and I've now become The Alicorn Princess of Forgiveness and The Fire Skylanders. You're not going to hurt me anymore, you cloven-hoofed monster.

Lincoln: You've hurt my future wife for far too long, it's time for you to be forgotten forever, Demon Shimmer.

Demon Shimmer: DAMN YOU ALL, TEAM LOUD PHOENIX STORM! (FADES AWAY)

Demon Shimmer's spirit was eventually erased from existence by the spirits of all those she's hurt, and she would never return again. Then, Sunset Shimmer ran up to Lincoln, and she wrapped her arms around Lincoln's thick muscular neck, as her chest pressed against Lincoln's massive and wide muscular pecs, and she cried hard into Lincoln's bare chest. Lincoln wrapped his abnormally massive and powerful muscular arms around her waist, and he hugged her.

Lincoln: (Soothing Voice) It's okay, Sunset, it's over now. Demon Shimmer's gone and she's never coming back.

Phoenix Shimmer saw her mom break down, and her dad was there hugging and comforting her.

Phoenix Shimmer: Mom.

Then, Phoenix Shimmer went up to her parents, and she also joined in the hug.

Me: Grogar, you really are nothing more than The Devil Incarnate of Equestria.

Twilight Sparkle: What that monster did in corrupting my friend and turning her into a monster, he can never be forgiven.

Nico: Yeah. But, now that Demon Shimmer's gone, that dark part of Sunset Shimmer's past is now a forgotten memory.

Sunset Shimmer: That's right, and the same went with Grogar's evil for good, and Lincoln, there's a little something I want to give you.

Suddenly, Sunset Shimmer wrapped her arms around Lincoln's thick muscular neck, as her chest pressed against Lincoln's massive and wide muscular pecs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned his face down to Sunset Shimmer's face, they kissed passionately as Sunset Shimmer's left arm was still wrapped around Lincoln's thick muscular neck, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Alicorn, and Angel flying in the air, and a herd of Buffalo running across the field, along with elemental forces and flames raging around them and we cheered wildly and Lincoln and Sunset Shimmer sucked in the flames.

Phoenix Shimmer: Alright, way to go, Mom and Dad.

Nico: Alright, that's the seventh member of The Doomsday 23 put down for good, and only 15 more to go.

Lincoln: Which means, the next member of The Doomsday 23 to take down tomorrow is Mean Twilight Sparkle.

Starlight Glimmer: And that means you, Emily Yumiko, and I are going to take her down tomorrow, Linky. She's going to pay for trying to ruin Twilight's good name.

Emily Yumiko: Yeah, we'll show her that The Magic of Friendship is FAR MORE superior than that of The Magic of Enemies.

Toiletnator: Another war has been ended.

Fixer: The soldiers have been punished.

Me: Yep.

Xiao Fung: And Suliman is now in a retirement home.

Nico: Absolutely. She needed it too.

Mr. Mittens: And now, this world can now live in peace.

Leonard: Overall, it's been a good day.

Me: Yes it has. And we got rid of Demon Shimmer too.

Qin: Yeah no kidding.

Nico: Yep. But great job today everyone.

Sophie: Thank you so much for everything you've done for us.

Leafshade an Earth Elf, Aira Windwhistler an Air Elf and Naida Riverheart a Water Elf. And we're going to help them out and battle many of Noctura's evil minions and we're also going battle Another Pesky Dust. And we're going to meet a gene-slammer for a Hisuian Braviary and her name is Fyora Valencia and she is Sakura's sister. She is not a Succubus however but she is one of Nico's friends. Fyora is Nico's friend from Airplane Club and she is a great pilot of airplanes and even can fly with angel wings too. She hates bullies with a vengeance.

Before Nico's rescue however I'm going on an awesome dream rescue with Misty Tredwell, The Hernandez Sisters and Natilee to the ruins of the abandoned city where we had our battle with All For One and we're going there to help Himiko who was just thrown out by her family and forced to live out on the streets. Also we're going to battle the Zodiarts for Pavu the peacock.

The match-up scene is for Emily Yumiko, Starlight Glimmer, and Lincoln, and they're going to destroy the next member of The Doomsday 23, Mean Twilight Sparkle

For Lincoln's rescue tomorrow, Lincoln and his group are heading to Ooo, and Lincoln and his group are going to destroy Patience St. Pim, the deranged Ice Elemental who's come back from the dead wanting revenge on us for destroying her, and the resurrection of Patience St. Pim will point to one person who was responsible for this: Mean Twilight Sparkle. And they're going to meet a Battlin Boxer Lead Yoke Gene-Slammer named Kalea Pahupahuahi, who's not only Lincoln's Guardian Angel from Hawaii, but also his classmate in Art, and she has also taken an interest in the Martial Arts. Her last name, Pahupahuahi means Fire Boxer in Hawaiian. It was Kalea who taught Lincoln how to do boxing in three different styles. She outright hates bullies, in fact, she protects Lincoln from them and when she saw Chandler, his goons, and Lynn bullying Lincoln, she beat the crap out of them and left them with broken teeth, noses, arms and legs. She even punched Lynn all the way into a massive pile of dirty socks in Gym, P.U.! To show thanks, Lincoln took Kalea to a beach where they kissed and after that, they had fun together. She's also the cousin of Blaze Fielding, and she hates Lynn with a burning passion.

Get ready for an awesome and mystical adventure as we head to New York City and meet the Grace Twins Jared and Simon and their sister Mallory and we are going to battle the evil king of the goblins Mulgarath and we're going to make that monster pay.

See you all tomorrow!

# SPIDERWICK'S WORLD OF MAGIC

In the Early Morning hours at 1:21 A.M., I was fast asleep in my room with Varie and all my Harem. As I was sleeping I had a really awesome dream. I was in the ruined city where we battled All For One on April 7th and it was like something out of a post-apocalyptic movie. But it wasn't just me there I also had Natilee and Misty Tredwell with me.

Misty Tredwell: I remember this city. This is where we battled All For One on April 7th.

Natilee: Yeah that was a really harrowing and brutal battle. I can't believe that a bunch of villains like Tomura and his minions and cohorts can cause so much damage to the world. Especially All For One.

Me: I know and if we ever face evil versions of them that are not in our frenemies we'll give them the Black Gates for sure.

Natilee: No kidding dad. But I wonder why we're here in this world in your dream?

Me: I guess we'll find out.

As we walked around we saw that the city was completely deserted and no one was there. It was like something out of a post-apocalyptic movie.

Me: I hope we aren't the only ones here.

Misty Tredwell: Yeah.

But then my ultrasonic hearing picked up what sounded like crying in a school.

Me: I hear crying coming from that school there.

I pointed to a building.

Natilee: We better go check it out.

We went to the school and we went in and we heard the crying getting closer and in a classroom that was run down and abandoned we saw Himiko and she was really sad and crying.

Himiko: (Crying hard) What is wrong with me!? Why am I killing people!? I don't want to do that! (CRYING HARD)

Me: (In my head) Oh man. Himiko is still having problems with her demons.

I went over to Himiko.

Me: Himiko?

Himiko saw me, Misty and Natilee.

Himiko: J.D., Misty and Natilee? What are you guys doing here?

Me: We heard you crying Himiko. But remember I'm also a dreamwalker. I have the power to walk in dreams. This is your dream Himiko. You can do anything you want in here.

Himiko: Really? Wow. But I don't know what to do. I keep getting haunted by these visions of what I was like before you all cured me.

Me: Himiko listen, that monster wasn't you. It was because of your old quirk that it was destroying you. It wasn't making you who you are.

Himiko: But how can I face my demons in me? I don't know if I can do that.

Me: You have to find the answer to that question on your own. Himiko I know your life has been a living hell because of your quirk, but those feelings will only get stronger if you let them. The darkness in your heart is what lead to those feelings in the first place. You've got to reach deep into your heart and erase all those feelings from your past. I know your past has been one helluva nightmare but you have to move on and erase that very darkness that plagued you. You are not that person anymore.

Misty Tredwell: That's right Himiko. J.D. has done so much for you as well as helped reunite you with your biological family. And he has also done so much good for not just you but also so many people as well. He reunited me with my brother and even helped cure you of your unstable quirk and gave you a new one.

Natilee: My dad has done a lot for not just you Himiko. He has done so much good for many people.

Me: Himiko I know this isn't easy but you have to learn from the past and move on.

Himiko: But how? How can I remember so many of the good times I've had with so many people when all I have done was nothing but evil because of my old quirk?

Me: You have to remember who you are. You are not a sadistic, bloodthirsty killer that has so much hatred towards the world. You are a kind, loving, gentle, compassionate, hopeful, caring, adventurous and beautiful girl that loves to help others and help save the lives of so many people around the world and the universe. And you have so many awesome friends and you are smart, sincere and reliable to the entire team and your friends. That is who you really are Himiko. You are that kind of person.

Himiko began to realize that I was right and she had let her old quirk control her for her entire life. Now she realizes that it's not the quirk that makes you who you are. It's your soul, heart and spirit that defines you and your friends and loved ones are those that you should care for the most and not let your quirk tell you otherwise!

Himiko: You're right J.D. My old quirk was making me into a monster and a shell of my REAL self! I am not Himiko Toga the Blood Sucker. I am HIMIKO TOGA A.K.A. LADY ELEMENTA, PROUD MEMBER OF TEAM LOUD PHOENIX STORM AND MASTER OF THE ELEMENTAL FORCES OF NATURE!

Then a blob of darkness left her and then was sucked into the black gates forever! Her soul was completely purified!

Me: Way to go Himiko!

Misty Tredwell: How do you feel?

Himiko: I feel totally better. In fact I feel better than ever. Thank you so much guys. I don't know what I would do without you all. You have helped me more than anything in getting my life back together after everything I did.

Me: It was our pleasure Himiko.

Natilee: That was awesome though. Wait I sense a force here.

We went outside and then we saw a figure appear and it was a new zodiart and I recognized the Constellation on it. It was the Zodiarts for Pavo the Peacock, another Southern Hemisphere Constellation!

Me: The Pavo Zodiarts! You are for Pavo the Peacock in the Southern Hemisphere.

Pavo Zodiarts: (In a girls voice) That's right J.D.

Me: I know that voice.

She reverted back and it was a girl with long blueish green hair and blue clothes and blue angel wings and she had long blue peacock tailfeathers as well as the symbol for the constellation of Pavo on her arm and the stars for the constellation on her skirt.

Me: Talia Pavo.

Talia Pavo: Awesome to see you again J.D.

Me: Same to you.

Natilee: Another friend from Space Camp dad?

Me: Yep and me and Talia studied the moons and clouds of the planet Uranus. We found out all about how Uranus got so tilted and how many moons it has and all that. It was really awesome.

Talia Pavo: Good times there.

Me: They sure were. Also I didn't know that Zodiarts can appear in the dream world.

Talia Pavo: Actually only I'm capable of doing that. I am also a dreamwalker.

Natilee: Whoa! So you have the power to walk in dreams like dad, Lincoln and Princess Luna and me.

Talia Pavo: That's right. Nice to know there are more Dreamwalkers.

Himiko: That is so awesome.

Talia Pavo: I think so too. Shame we have to fight.

Me: I know. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON ?!

She changed into Pavo Zodiarts!

Me: This is gonna be so awesome. (ACTIVATES LEFOU'S RIDEWATCH)

(GERMAN POLKA MUSIC PLAYS)

Me and Himiko danced to it and fired waves of blue fire and lightning and blasted Pavo Zodiarts all over the place and smashed her down and she exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was back to normal and I caught the switch and purified it and it formed into a sword of Pavo.

We went over and helped her up.

Talia Pavo: (Groans) What a headache.

Me: At least you're all right.

Natilee: That was awesome though.

Me: Yep.

We later went back home.

---

At 8:10 A.M., I woke up and saw Himiko on my bed.

Me: Oh morning Himiko.

Himiko: Morning J.D. I saw you in my dream and you saved me from my demons forever.

Me: I'm glad I did.

I got up and went and got dressed.

Me: Shall we go get some breakfast?

Himiko: We shall.

We went to the table.

Nico: Morning guys.

Me: Morning Nico.

Nico: Himiko and Misty told me everything that happened and I'm amazed that you did all that and even faced a Zodiart in the dream world. That is so cool.

Qin: Boy it sure is. Awesome job.

Nico: I was just about to say the same thing. Well done.

Me: Thanks.

We got to eating breakfast and we had pancakes and eggs and bacon.

Laney: Wow so this is Elvendale!

Fluttershy: Oh it's so beautiful and the creatures here are really amazing.

Eli: They sure are. And it's in the Lego World.

Arrietty: I think this is absolutely awesome and cool.

Me: It sure is and you guys are going to love meeting my penpal Emily Jones. She and her sister come here all the time and it's so awesome how they team up with the Elves of the 4 Elemental Forces to take down the evil forces of darkness here.

Nico: This is gonna be so awesome.

Eli: Yeah it sure is.

Yusei: What are the elves names?

Me: Azari Firedancer a Fire Elf, Farran Leafshade an Earth Elf, Aira Windwhistler an Air Elf and Naida Riverheart a Water Elf.

Laney: That is cool.

Nico: Thanks for coming with me, Yusei.

Yusei: Not a problem Nico. It's gonna be so awesome helping you out.

Nico: You'll love it.

Qin: You sure will.

Himiko: This is so awesome that we're here in Elvendale though. To be honest I loved watching this show when the rest of the villains weren't looking.

Me: That's awesome Himiko.

Wendy Sapphira: It sure is.

Sakura Valencia: I think it's so awesome that your friend Emily goes to this place.

Me: Yeah it sure is Sakura.

Himiko: I agree there as well.

Nico: Yusei, I'll never forget the day we met you and your team.

Yusei: I know. That was so awesome.

Me: And that was when we first went into the Duel Monster World.

Eli: That was so awesome and cool.

Brittney: That was so much fun.

Lola: We saw many duel monsters there too.

Laney: Yeah it was awesome.

Nicole: And we learned so much about what the Signers do and how massive of a huge responsibility they have to the world.

Yusei: That's right.

Me: I should know.

I revealed my Phoenix Mark of The Signer on my right arm.

Camie: Wow you're a Signer?

Me: Yep.

Yusei revealed his mark on he right arm. He had the head of the Crimson Dragon.

Camie: So the Signers are recognized by the mark of the dragon on their arms.

Yusei: That's right.

Nico: Let's not forget that one of the Dark Singers is Jack's wife.

Yusei: That's right.

Qin: Yeah and Carly is so awesome. So is Misty.

Nico: Yeah and that was so awesome that Misty went with J.D. during his dream rescue.

Me: That was really cool.

Himiko: It sure was.

Nicole: Yeah I thought it was cool too. And it's amazing they fought a Zodiart that's also a Dreamwalker.

Nico: Very unexpectedly shocking.

Eli: Yeah.

Me: But it was really terrible that before the Dark Signers became some of our frenemies that they were completely hellbent on getting revenge for crimes that the Signers never even did to them.

Qin: Yeah no kidding!

Yusei: I know. It was awful.

Brittney: Yeah. Minus Misty and Carly the rest of the Dark Signers before they became the archenemies of me and the Goths wanted nothing more than to kill us.

Laney: No kidding.

Me: Yeah. But the Marks they have on their right arms are very awesome and symbolic. The Nazca Lines have been one of the biggest mysteries in all of South American history. We don't even know how they even got there. But the satellite images taken of them are really incredible.

Laney: Boy they sure are.

Camie: They are amazing. Hopefully we'll figure out the mystery someday.

Qin: Yeah.

Laney: Yeah it's only a matter of time.

Nico: J.D., How the Hell did one of the Zodiarts get in your dream anyway?

Me: Talia Pavo is a dreamwalker herself. But I think Gamou might have teleported her into my dream when I was asleep.

Nico: That does make sense. That is really awesome that you faced her in your dream.

Wendy Sapphira: It sure is.

Sakura Valencia: And it was awesome that you helped Himiko get over her demons.

Me: Yeah it sure is. Himiko was still being haunted by bad memories of the past so me, Misty and Natilee went and helped her.

Himiko: And thanks to J.D., Misty and Natilee, I realized that I am not Himiko Toga the Blood Sucker, I am Himiko Toga A.K.A. Lady Elementa, Proud Member of Team Loud Phoenix Storm and Master of The Elemental Forces of Nature.

Nico: That is awesome and great vigor and courageous hope there.

Lincoln: Nico, if you have a problem with-

Nico: Lincoln, even if Rex didn't give me a talking to, I would still be okay with it because of a Zodiart's appearance.

Lincoln: Good.

Me: I still think all the Zodiarts are awesome because all the constellations are neat and lets not forget that the Kyurangers each represent the Constellations themselves.

Nico: That is true. And I agree there too.

Laney: Me too.

Himiko: I agree there too.

Sakura Valencia: J.D. has always been fascinated with the stars and the constellations. I like them too.

Nicole: I like them too Sakura. It's awesome.

Nico: It sure is. So J.D. tell us all about Emily.

Me: I will be glad to.

I went over Emily's history.

---

Emily's grandmother was one of the five legendary sisters. She was chosen to go to earth and guard the portal from that side. In doing so, she lost her immortality, and eventually passed away.

Shortly after inheriting her grandmother's amulet, Emily found herself transported through the portal to Elvendale. With the help of four elves, Naida Riverheart, Azari Firedancer, Aira Windwhistler and Farran Leafshade, she got back home safely. She now often visits them in Elvendale.

---

Nico: Whoa that is awesome!

Lola: So she is friends with the Elves of the Elemental Forces of Nature.

Me: Yep. Water, Fire, Wind and Earth and even light.

Nico: That is so awesome. And do they battle all kinds of bad guys?

Me: They sure do. The most evil of them all is Noctura. She is a Darkness Elf.

Eli: What can you tell us about her?

Me: You will not like her one bit.

I went over her history.

---

Noctura is a bat-themed shape-shifter elf who is introduced in the season four story-arc. She has a number of bat-minions who aid Noctura in her wicked schemes. This dark witch hails from the Shadow World.

Since the elf Noctura was banished from Elvendale to the Shadow World by Lumia, the Guardian of Light, she has spent her life planning her escape and revenge on Lumia. Finally, with the help of her loyal bat minions, she has managed to steal the four elemental shards from the four guardian statues. Now she just needs to capture all the four Elemental Guardians themselves and harness their powers. Before long, she will become stronger and more powerful than ever. Her time has finally come to break out of the Shadow World and rule all of Elvendale.

Noctura was banished to the Shadow World by her closest friend, Lumia, and can now only speak through the waters of Shadow Fountain to Ragana. Supposedly, Lumia created the Shadow World as a "gift" for Noctura, when in reality it was nothing more than a trap. Noctura has been banished for so long that she is thought to be nothing more than a myth. "The Legend of Noctura" is a tale that elves tell children to frighten them. But as Noctura prepares to put her schemes into motion, Elvendale will soon realize that this dangerous foe is all too real.

---

When I was done everyone was shocked!

Nico: Whoa man! She is bad news!

Me: Yeah. One of these days we'll have a mission here. But for now we meet Emily and her friends and destroy her minions.

Qin: Yeah.

Maria: Where does she live around here?

Me: It's right up here.

We arrived at a treehouse and it was beautiful.

Me: Wow just like what Emily said.

Nico: It's beautiful.

Me: Hello? Anyone here?

Emily and the elves came and saw us.

Emily Jones: (Gasp) J.D.!

Me: Hey Em!

We went and hugged.

Me: It's awesome to see you again. Everyone meet Emily Jones, she is the Guardian of Love.

Nico: Awesome to meet you Emily.

Emily Jones: Nico it's such and honor and Team Loud Phoenix Storm it's awesome to see you.

Qin: Awesome to meet you too Emily.

Sakura Valencia: J.D. told us so much about you.

Maria: It's really nice to meet you.

Emily Jones: Same to you all. It's an honor.

Then Emily's friends and sister came.

Sophie Jones: Wow! Team Loud Phoenix Storm. What an honor.

Me: Sophie wow you are getting big.

Azari Firedancer: It's an honor to have you all here. I'm Azari Firedancer and I'm the Elf of Fire.

Naida Riverheart: I'm Naida Riverheart and I'm the Elf of Water.

Aira Windwhistler: I'm Aira Windwhistler and I'm the Elf of Air.

Farran Leafshade: And I'm Farran Leafshade and I'm the Elf of Earth.

Nico: Awesome to meet you all.

Aylene C.: We heard so much about you all and it's an honor.

Emily Jones: I'm glad you all came. A bunch of goblins have been trying to steal my amulet.

Me: Oh great. Is Cronan Darkroot still causing trouble?

Emily Jones: Not as bad as he was before.

Nico: Who is Cronan Darkroot?

Me: You would not like this guy one bit.

I went over his history and it was terrible.

---

Cronan Darkoot is the main antagonist of the fantasy adventure series LEGO Elves: Secrets of Elvendale.

Cronan is the son of Quartzine Darkroot, who was among the elemental Elven sisters who had tasked themselves with being guardians of the dimensional portals to Earth and the Shadow realm. When the magic of the portals kill her in her attempt to control it, Cronan tries to access them to revive her and becomes power hungry in the process of finding methods.

He was voiced by Riley Murdock.

Cronan's mother, Quartzine had attempted to harness the portal's power in a show of hunger for power and control over the sister's duties. Her attempt to access the portal overwhelms her with magical energy, killing her. Her young son Cronan witnesses this and believes that he can revive her using the sister's enchanted amulets.

Years later, Cronan befriends the main characters and charms them to gain their trust, a ruse to get Emily Jones' amulet, and combine it's magic with his to reopen the hostile portal to the dimension Quartzine accessed. In the past he falls in love with the water elemental elf Rosalyn, but abandons it to deforest her territory. He starts hewing enchanted crystals, presumably to build the portal, and it begins to corrupt the docile animals in the forest making them primal and aggressive. He also magically torments and enslaves his dragon mount Ashwing and injures Rosalyn's dragon Sapphire (although in his version he hadn't done anything wrong and that in his mind Rosalyn went insane and attacked him for no reason).

Cronan makes many attempts to steal Emily's amulet and mistakenly captures her younger sister Sophie, who has already doubted Cronan. He keeps her imprisoned in his castle to use her against Emily, who finds out too late. She and the other elves travel towards the castle and meet Rosalyn, gaining her trust by helping her heal a dying Sapphire. During this Sophie sees how cruelly Cronan treats the goblins and adores torturing them when he loses his temper. The water elf Naida also attempts to visit him hoping there's a misunderstood side to him, where he discloses his dead mother.

When the goblins fail in abducting Emily, he sends a Shadow beast (parasitic predators from the Shadow realm who were previously banished). Sophie actually manages to escape and unite with Emily, who is taken by the beast thus giving Cronan her amulet. Rosalyn risks her life fighting the brainwashed Ashwing and manages to cure him with a potion, in time to stop Cronan from opening the unstable portal to Earth. During the opening he has a vision seeing his mother's spirit, with her telling him to stop and that if he continues the dark magic will kill him too, and that she has to be let go. Realizing that releasing the Shadow creatures into Elvendale will destroy it, he aborts and uses the magic to contain the Shadow beast and close both portals.

He gives Emily the amulet back and apologizes grievously for his actions, and is relieved to see Rosalyn still alive. They reconcile and take a joyride on their dragons.

---

When I was done everyone was shocked.

Nico: Oh man! But as long as we're present we're not letting him get it.

Eli: But I think we found our big mission here later on in the future.

Qin: Yeah. And that's to destroy Cronan.

Me: Yeah. I helped Emily and her friends out from time to time when we aren't on missions. But he's not the main threat. Noctura is.

Nico: Oh. So it's to destroy Noctura.

Me: Yep.

May: Later in the year, we'll help kill her.

Me: Yeah we still have big missions ahead though.

Eli: But don't worry we'll get her. (Senses something) Uh oh. Girls get down!

They ducked and Eli fired a blast of Force Lightning and blasted some goblins that were about to fire a net cannon at Emily and the elves and it electrocuted them all over and destroyed the cannon.

Eli: Nice try you pint-size menaces!

The goblins were burned and they babbled.

Lincoln: Fluttershy?

Fluttershy went and used her stare on them!

Farran Leafshade: What's she doing to them?

Me: It's her most powerful weapon, the Stare.

Nico: It's something that is never to be underestimated.

Fluttershy: Just who do you think you are, capturing others that are much bigger than you?

Goblins: (Dismayed Babbling)

Fluttershy: You should be ashamed of yourself. I have a mind to find your mother and tell her what you've been up to, young men. Now you go over there, and apologize to my friends for trying to capture them so and don't ever let me catch you doing this again. Do you understand me?

They whimpered.

Sophie Jones: Do they even have a mother?

I shrugged.

The goblins ran back to where they came from.

Nico: That was awesome though.

Me: They better learn never to mess with us especially when Fluttershy has the stare.

Eli: Yeah.

Lincoln: That's my Alicorn Princess of Kindness.

Qin: Fluttershy's stare is something that is never to be underestimated. It's like you're seeing into the eyes of a demonic force.

Sophie Jones: Whoa.

Me: Yeah.

Naida Riverheart: That is really amazing.

Aira Windwhistler: Yeah and genius too.

May: Wasn't that a little TOO easy?

Me: Well from what I read in my books, goblins are very persistent little buggers. They'll be back.

Nico: Then we'll be ready for them.

Me: Yep. And I know just what to do. (SNAPS FINGERS)

I teleported the entire land of Elvendale to Gotham Royal York it was on a sky island over the city with the waterfalls flowing into Lake Huron and the World tree of Gotham Royal York watching over it.

Sophie Jones: Whoa is that your estate?

Qin: That's it. Now those peabrained Goblins are going to think twice with messing with you guys now that we're placing you under our protection.

Nico: That's right. As of right now all of Elvendale is hereby placed under the protection of Team Loud Phoenix Storm.

Emily Jones: Awesome!

Naida Riverheart: And we have so much to learn about in your world now.

Me: We'll gladly teach you all.

Eli: Yeah. But I sense another force coming.

Yusei: What is it?

We then saw a black version of Pesky Dust! It was Another Pesky Dust!

Me: Whoa! Another Pesky Dust!

Nico: Oh wow!

Maria: (Gasp) (SQUEALS) She is so cute!

She hugged the Black Pesky Dust.

Me: (LAUGHS) That is so funny.

Another Pesky Dust: (In a girls voice) (British Accent) I know I am cute but can you please let go of me?

Me: (Gasp) Elizabeth Windsor XX

Another Pesky Dust: Good to see you again J.D.

Emily Jones: What's going on here? How do you know that thing?

Me: Really long story. But her name is Elizabeth Windsor XX and she is the direct descendant of Elizabeth I of England and she is a princess.

Nico: Wow! A princess of England.

Me: Yep. Emily, we'll tell you and your friends all about it later.

Albedo turned into Negative Pesky Dust.

Negative Pesky Dust: This form might be small. But it shouldn't underestimated.

Me: No way. Elizabeth what did Swartz promise you even though he is dead?

Another Pesky Dust: He promised to bring my ancestors the Tudors back to life as well as restore the Tudor Dynasty.

Me: Its been 419 years since the Tudor Dynasty dissolved. When Queen Elizabeth I died so did the Tudors.

Nico: Yeah Swartz wouldn't know anything about bringing the dead back to life. So that was a big time lie there.

Himiko: That's true.

Another Pesky Dust: You're right on that and he lied to me.

Me: I know. He lied to MANY others. Sorry we have to fight. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into Wolf Moon 🌙!

Himiko: Just like in that dream! So awesome!

Nico: Wait you turned into Wolf Moon in your dream?

Me: Against the Pavo Zodiarts.

Nico: Neat!

Me: Yep. First time doing that in the dream world actually.

Nico: (takes out Evil Green Ranger's Ridewatch) Let's start things off!

Nico activated it.

(THE SIGN BY ACE OF BASE PLAYS)

Nico: (SINGING DIVINELY AS GREEN FLAMES AND LIGHTNING SWIRLS AROUND HIM)

Shock!

I, I got a new life

You would hardly recognize me

I'm so glad

How can a person like me care for you?

(Ah) Why do I bother

When you're not the one for me

Is enough enough?

I saw the sign and it opened up my eyes

I saw the sign

Life is demanding without understanding

I saw the sign and it opened up my eyes

I saw the sign

No one's gonna drag you up

To get into the light where you belong

But where do you belong?

Under the pale moon

For so many years I've wondered who you are

How could a person like you bring me joy

Under the pale moon

Where I see a lot of stars

Is enough enough?

I saw the sign and it opened up my eyes

I saw the sign

Life is demanding without understanding

I saw the sign and it opened up my eyes

I saw the sign

No one's gonna drag you up

To get into the light where you belong

But where do you belong?

Oh, oh, oh, oh

I saw the sign and it opened up my mind

And I am happy now

Living without you

I've left you, oh oh oh

I saw the sign and it opened up my eyes

I saw the sign

No one's gonna drag you up

To get into the light where you belong

I saw the sign, I saw the sign

I saw the sign

I saw the sign, I saw the sign

I saw the sign, I saw the sign

I saw the sign and it opened up my eyes

I saw the sign

Nico fired waves of fire and blasted Another Pesky Dust down.

Nico: YEAH!

Me: You guys can help out too.

Naida Riverheart: Awesome! First me.

She held out her hands and fired a wave of water and it drenched Another Pesky Dust.

Maria: Awesome! You'll make a great member of the Neptune Crusaders.

Naida Riverheart: I'll have to see what that's like.

Azari Firedancer: Now for me.

She held out her hands and fired a wave of fire and blasted Another Pesky Dust all over.

Me: Fire is awesome.

Lola: Yeah it is!

Aira Windwhistler: My turn.

She fired a wave of wind and spun Another Pesky Dust in a tornado.

Me: Wow that is cool!

Farran Leafshade: And now for me.

He held out his hands and vines grew and they grabbed Another Pesky Dust and tied her up.

Me: Cool!

Qin: That is awesome! You guys have an awesome mastery over the elements.

Aira Windwhistler: We sure do.

Me: Yeah!

Emily Jones: I wish I could do all the awesome things you can do.

Me: You can Emily. The power is deep down inside you. You just got to find it.

Emily Jones: I'll try and find it.

She then concentrated and held out her hands and then she glowed and fired a blast of lightning and it hit Another Pesky Dust and electrocuted her!

Nico: WHOA!

Emily saw this and she was amazed!

Emily Jones: (GASP) How did I do that!?

Me: You found the power. Yours is lightning.

Kaito: (takes out Boukenger gear) You think that's impressive?

Zocks: (gets out Magiranger gear) Wait until you see this!

Kaito got an Operation Overdrive Drive Lance and Zocks got a Magistaff.

Nico: Yeah!

Laney: Watch this one. (ACTIVATES ANTI-WANDA'S RIDEWATCH)

(Fairy Night Songs by Gary Stadler plays)

Laney: (SINGING DIVINELY AS LEAVES, FLOWERS, GRASS

AND NATURE SWIRLS AROUND HER)

Dancing a spiral we sing unaware

On fairy night wings our songs fill the air

Making a circle of magic and light

Watched silently by the Fey of the night

Our hearts full of love and our arms open wide

We hold the key to the fairies delight

Song in our hearts belong in the air

The words of our wisdom we bring forth to share

The songs in the night

As we dance 'round the flame

The Fairy Nightsongs are never the same

The words from our lips as we sing for the night

Impart to the Fey our hearts truest sight

Sounds of the forest in sweet harmony

We give the gift of our song to the fairy

Dancing a spiral we sing unaware

The fairy night wings our song fill the air

The songs in the night

As we dance 'round the flame

The Fairy Nightsongs are never the same

The words from our lips as we sing for the night

Impart to the Fey our hearts truest sight

Ahh…

Dancing a spiral we sing unaware

On fairy night wings our songs fill the air

Making a circle of magic and light

Watched silently by the Fey of the night

The songs in the night

As we dance 'round the flame

The Fairy Nightsongs are never the same

The words from our lips as we sing for the night

Impart to the Fey our hearts truest sight

Our hearts full of love and our arms open wide

We hold the key to the fairies delight

Song in our hearts belong in the air

The words of our wisdom we bring forth to share

The songs in the night

As we dance 'round the flame

The Fairy Nightsongs are never the same

The words from our lips as we sing for the night

Impart to the Fey our hearts truest sight

Sounds of the forest in sweet harmony

We give the gift of our song to the fairy

Dancing a spiral we sing unaware

The fairy night wings our song fill the air

Laney danced and fired waves of leaves and blasted Another Pesky Dust all over.

Ferran Leafshade: That was amazing!

Qin: Yeah it was!

Sougo: (gets out Wizard Infinity Style Ridewatch) Now, it's our turn!

Armor Time! Kagayake! Wizard Infinity! Infinity!

Sougo got WizardInfinityStyleArmor.

Geiz: (gets out Baron Ridewatch) Yeah! Don't leave us out!

Armor Time! (Baron's Sengoku Driver standby music) Come On! Baron!

Geiz got BaronArmor.

Nico: Yeah!

Emily Jones then felt a sharp pain in her back and then she sprouted beautiful neon electric blue angel wings!

Emily Jones: OUCH! What was that!? Why is my back suddenly very heavy?

Me: Your wings came in!

Emily gasped and she saw her wings!

Emily Jones: WHAT!? Where did these wings come from!?

Me: It's one of our many powers. One of our most well known traits is that we can fly with wings like those of an angel.

Nico: It's true. J.D. and all of his team are gods among man and they all have amazing powers including those that are like those of an angel.

Qin: It's true.

Emily Jones: Wow!

Me: Yeah and as your powers evolve you will get stronger and stronger with each new level of training.

Another Pesky Dust: That is so cool!

Sakura Valencia: It sure is.

Emily Jones: I have a lot to learn with you guys.

Aira Windwhistler: We all do but this is amazing!

Sophie Jones: My big sis is now an angel.

Me: But you have to remember Emily. That with great power comes great responsibility.

Emily Jones: I'll remember that.

Yusei: My turn!

Yusei activated Mysterio's Ridewatch.

Yusei: Which Heartless Robots should I summon?

Me: Hmm. How about Chill Ripper Heartless?

Yusei: Good idea.

He summoned robots of said Heartless.

Nico: Awesome choice.

Aira Windwhistler: Whoa! What are those?

Me: Long story Aira. But we'll fill you in on it all as best as we can later on.

Naida Riverheart: Okay then.

(TWO WORLDS BY PHIL COLLINS PLAYS)

Yusei: (SINGING DIVINELY AS STARS SWIRL AROUND HIM)

Put your faith in what you most believe in

Two worlds, one family

Trust your heart

Let fate decide

To guide these lives we see

A paradise untouched by man

Within this world blessed with love

A simple life, they live in peace

Softly tread the sand below your feet now

Two worlds, one family

Trust your heart

Let fate decide

To guide these lives we see

Beneath the shelter of the trees

Only love can enter here

A simple life, they live in peace

Raise your head up

Lift high the load

Take strength from those that need you

Build high the walls

Build strong the beams

A new life is waiting

But danger's no stranger here

No words describe a mother's tears

No words can heal a broken heart

A dream is gone, but where there's hope

Somewhere something is calling for you

Two worlds, one family

Trust your heart

Let fate decide

To guide these lives we see

He fired waves of stars and blasted Another Pesky Dust all over.

Me: YEAH!

Yusei: Lets see how they like this. I summon STARDUST DRAGON!

He summoned his signature monster!

Me: Stardust Dragon Time!

Yusei: ATTACK! COSMIC FLARE!

Stardust Dragon fired a wave of star fire and blasted Another Pesky Dust down.

Sougo and Geiz charged at Another Pesky Dust.

They smashed her down.

But the a Braviary appeared!

Me: A Braviary!

Nico: Wow!

Me: Wait it's a white one so that one must be a Hisuian Braviary.

Nico: Cool!

It fired blades of energy from its claws and smashed down Another Pesky Dust and it reverted back and I caught the ridewatch and purified it and went over to Elizabeth. She was a blue hair girl dressed in a beautiful dress.

Hisuian Braviary: (In a girls voice) That was awesome.

Nico: Fyora Valencia!

Sakura Valencia: Sister!

She reverted back and she was a girl with blond hair and yellow clothes and she had golden angel wings.

Sakura Valencia: Oh sister!

She went and hugged her.

Fyora Valencia: You're still wearing that pink bikini? Wow.

Sakura Valencia: It's now permanent.

Fyora Valencia: But you still look great.

I picked up Elizabeth.

Elizabeth Tudor XX: (Groans) What a headache.

Me: But at least you're back to normal.

I picked her up.

Nico: It's awesome to see you again Fyora.

Fyora Valencia: Same to you Nico.

Nico: Another Omnitrix Alien Ridewatch purified.

Me: That's right.

Himiko: But that was so awesome.

Qin: It sure was.

Fyora Valencia: And I'm reunited with my sister. Our so-called mom and dad separated us. I was left in the mountains to freeze to death while they turned Sakura into a Succubus.

Nico: Whoa! Now we're really glad they are dead.

Lola: Thank goodness.

Azari Firedancer: What did that do?

Me: Ugly story.

Nico: Yeah.

Yusei: So what's your favorite memory of Nico?

Fyora Valencia: I have a lot of them. And many of them are in Airplane Club. Me and Nico were working on making an awesome new airplane idea when we saw a bully beat up a nerd and me and Nico put a chain hook on his pants and then I flew into the air and dropped him over a sewage pool and dropped him into it.

We laughed!

Nico: That was funny!

Qin: (Laughs) I remember that one. That was funny.

Nico: Yeah.

Nico and Fyora hugged.

Nico: I really missed you.

Fyora Valencia: Me too Nico. Me too.

Emily Jones: This was really awesome.

Laney: It sure was cool.

We later went back home.

After Nico's rescue, Lincoln, Me, Ken Knudson, Nico, Eli, Nicole Knudson, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, The Dynasty Warriors, The Samurai Warriors, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, The Demon Slayer Corps, and Lok are heading to Ooo, and not only is Lincoln going to rescue the six girls here, but we got word that the deranged Ice Elemental, Patience St. Pim, has returned from the dead and wants revenge on us for destroying her.

Lincoln: Wow, we're here in Ooo, and I know what we're going to do here, not only am I going to rescue the six girls here, but we got word that the deranged Ice Elemental, Patience St. Pim, has returned from the dead and wants revenge on us for destroying her.

Me: There's no way that deranged Ice Elemental could've come back on her own, someone else had a hand in this.

Nico: Yeah, and if Patience St. Pim thinks she can get away with trying to cause trouble again, then, she really is insane.

Lincoln: This'll be the last time we ever have to deal with her, this time, she's getting The Black Gates and she's never coming back. And thanks for joining us, Lok.

Lok: You're welcome, Lincoln.

Suddenly, Lincoln's massive white angel wings changed from white to the colors of Starlight Glimmer, but the orange and aurora-colored tips remained the same.

Starlight Glimmer: Oh no, if your angel wings turned into my colors, this must mean… !

Lincoln: Mean Twilight was the one who brought her back from the dead.

Emily Jones: That monster.

Twilight Sparkle: Should've known she was behind this.

Suddenly, Lincoln heard the sound of six girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the six girls, but they've been cornered by Patience St. Pim, and she's going to kill them.

Lincoln: Let's get over there at once, guys, I found the six girls, but they've been cornered by Patience St. Pim, and she's going to kill them.

?: (Girl's voice) That deranged Ice Elemental, let's get her.

Suddenly, we saw the Duel Monster, Battlin Boxer Lead Yoke, appear before us.

Nico: That's the Duel Monster, Battlin Boxer Lead Yoke, and it looks ready for a match against that deranged Ice Elemental.

Lincoln: And there's no mistaking that voice from anywhere, I knew it was you, Kalea Pahupahuahi, but we'll talk later, we've got a deranged old enemy from our past to get rid of.

We rushed on over, and Lincoln fired powerful rainbow energy balls and elemental forces at Patience St. Pim, and that allowed the six girls to get to safety and Lincoln put up an energy field to protect them from Patience St. Pim. When Patience St. Pim saw us, especially Lola, she was enraged.

Patience St. Pim: You are all going to pay for ruining my plans to awaken the Elementals' "true selves" and take over all of Ooo!

Lincoln: Your "plan" caused all of Ooo to descend into chaos, and what you did to the Princesses can never be forgiven, and you deserved to be destroyed years ago. Now, we're going to make sure you never rise again!

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, The Dynasty Warriors and Samurai Warriors got out their weapons, Lincoln's sisters transformed into their Super Angel Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Greatsword of Elemental Justice and Eternal Bravery from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Supergirl, The Demon Slayer Corps, The Ghostforce, The Louds' Ancestors, The L-ementals, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their weapons, Rayman unholstered his massive Celtic Dream Glade's Greatsword of Celtic Dream Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Celtic Dream Glade Angel of Moonlight Justice and Celtic Dream Hope, and Me, Ken, Nico, Nicole, and Eli unholstered our massive swords and we transformed, and we went after Patience St. Pim, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, steel orbs, throwing axes, elemental forces, and mythological animals, and they exploded with incredible power as they hit her.

Patience St. Pim fired powerful blasts of ice at us, but Lincoln fired blasts of rainbow fire and melted them, and then, he formed a massive Rasenshuriken made of Rainbow Fire and the flames crackled like crazy. Then, he threw the massive Rasenshuriken and it slams into Patience St. Pim, and it then heads up into the skies and it exploded and she was caught in a massive inferno of rainbow fire and she was destroyed and erased by The Black Gates. We cheered wildly as we holster our weapons and powered down.

Lincoln: That's it for you and your insane schemes, Patience St. Pim. (To Kalea Pahupahuahi) And it's so good to see you again, Kalea Pahupahuahi.

Kalea Pahupahuahi reverted back to normal, and she's a beautiful girl with long flowing orange hair, orange eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has massive beautiful orange angel wings, and she reigned in the power of Battlin Boxer Lead Yoke, and she's dressed in a sleeveless orange jersey top, orange gym shorts, socks, orange sneakers, and long sleeveless orange trenchcoat with fire and boxing gloves on the coattails, and Battlin Boxer Lead Yoke on the back, and holstered on her back is a large Battlin Boxer Lead Yoke-themed greatsword with Battlin Boxer Lead Yoke etched on the 7'0" massive, wide, double-edged orange blade, orange angel wings for the crossguard, large orange gem embedded in the rainguard, longer black handle, and a large orange gem surrounded by angel wings for the pommel.

Kalea Pahupahuahi: You too, Lincoln, it's been a long time.

Lincoln went up to Kalea Pahupahuahi and they hugged, and Kalea Pahupahuahi is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw his vampire fangs and his massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers.

Lincoln: It sure has, I haven't seen you when you were thirteen, and as you can see, I really grew a lot since then.

Kalea Pahupahuahi: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you also have vampire fangs and massive white angel wings, that's amazing.

Nico: Whoa, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Kalea Pahupahuahi, she's not only my Guardian Angel from Hawaii, but also his classmate in Art, and she has also taken an interest in the Martial Arts. Her last name, Pahupahuahi, means Fire Boxer in Hawaiian. It was Kalea who taught me how to do boxing in three different styles. She outright hates bullies, in fact, she protects me from them and when she saw Chandler, his goons, and Lynn bullying me, she beat the crap out of them and left them with broken teeth, noses, arms and legs. She even punched Lynn all the way into a massive pile of dirty socks in Gym!

FOGHORN SOUND!

Me: P.U.!

Nico: Getting punched all the way into a massive pile of dirty socks in Gym?! That really stinks!

Lincoln: Yep, Lynn stunk so bad, we had to throw her in the shower at home and she was forced to get clean, and to show my thanks, I took Kalea to a beach where we kissed and after that, we had fun together.

Luna: It was really awesome, dude, and what she did to Lynn, it was too hilarious, but like Lincoln said, when she got home smelling like dirty socks, we threw her in the shower and she was forced to get clean.

Lincoln: Yep, and I also found out that she's also the cousin of Blaze Fielding.

We gasped.

Ronnie Anne: And if I remember right, Blaze is definitely skilled when it comes to using her fists and martial arts, and Kalea is a skilled boxer.

Blaze Fielding: That's right, and it's so good to see you again, Kalea.

Kalea Pahupahuahi: You too, Blaze.

Eli: And I'm going to guess that since Lynn's not here with us today, Kalea hates Lynn with a burning passion.

Lincoln: Yep. She hasn't forgotten about what Lynn did one bit.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared around Kalea Pahupahuahi's neck with orange gems on the gold thunderbolt links and orange crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Elemental Thunderbird Necklace of Eternal Love, and her new Elemental Thunderbird Choker of Eternal Love appeared on her neck.

Kalea Pahupahuahi: (Surprised) Lincoln, is this…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means that just like your cousin, you're part of my harem and one of my many future wives, Kalea.

Kalea Pahupahuahi had a smile on her face and tears in her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around Kalea Pahupahuahi's waist and Kalea Pahupahuahi wrapped her left arm around Lincoln's thick muscular neck, and he leaned down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the six girls, and when Lincoln saw them, he recognized them immediately. The six girls are Kaoru Akashi, Aoi Nogami, Shiho Sannomiya, Hotaru Nowaki, Natsuko Tokiwa, and Fujiko Tsubomi from Psychic Squad.

Lincoln: Oh wow, it's Kaoru Akashi, Aoi Nogami, Shiho Sannomiya, Hotaru Nowaki, Natsuko Tokiwa, and Fujiko Tsubomi from Psychic Squad.

Nico: Awesome.

Lincoln: Are you girls okay?

Kaoru Akashi: Yes, we're okay, thanks to you.

Then, when Kaoru Akashi and the other five girls saw who it was that saved them from that deranged Ice Elemental Patience St. Pim, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book

Kaoru Akashi: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made five clones of himself, and he and the five clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Kaoru Akashi: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, six Thunderbird Necklaces of Eternal Love appeared on the necks of Kaoru Akashi, Aoi Nogami, Shiho Sannomiya, Hotaru Nowaki, Natsuko Tokiwa, and Fujiko Tsubomi with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, and they also have on their new Elemental Thunderbird Chokers of Eternal Love on their necks too.

We returned to the World Tree Estate and we told everyone what happened, and they were shocked when they found out the villain we went after was Patience St. Pim, the deranged Ice Elemental, who came back from the dead and wanted revenge on us for destroying her, and the one who brought her back was Mean Twilight Sparkle.

But, when Lincoln showed what we all did in destroying her for good, everyone cheered for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Kalea Pahupahuahi have a lot of catching up to do now that she's back in town, and now, we're finally rid of Patience St. Pim for good and she's never coming back.

Maria: I can't believe Mean Twilight brought Patience St. Pim back.

Lincoln: But, we put a stop to that insane Ice Elemental and put her down for good. Now, we just have to put down Mean Twilight later on today.

Emily Yumiko: That's right, and we'll be the ones to put her down for good.

Starlight Glimmer: Yep, you, me, and Lincoln, Emily, we'll show her The Magic of Friendship is more powerful than The Magic of Enemies, and she'll pay for her crimes.

Lincoln: Yeah.

* * *

After destroying Patience St. Pim and this time for good, we were training intensely in the gym, this time, doing 500,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Kalea Pahupahuahi saw Lincoln working out like crazy, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Kalea Pahupahuahi: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Kalea, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Kalea Pahupahuahi: That's incredible.

Nico: It sure is. So, Kalea, what's the story on why you hate Lynn with a burning passion?

Kalea Pahupahuahi: You're not going to like it one bit. One day, Lincoln and I were in Gym and we were playing dodgeball, luckily, Lincoln and I also had Girl Jordan, Mollie, and Brunhilde Ildsverd on our team. But, our opposing team were made up of Margo, Paula, and Polly, but we also had some big trouble: Lynn arrived to cause trouble, and the same went with Chandler and his goons, who were looking forward to killing Lincoln and all of us again. But, we stood our ground and won, but Lynn was acting like the sore loser she was, was furious that we won, and Chandler and his goons still wanted blood, and they ran to attack Lincoln, but I got in the way and I beat the crap out of Lynn, Chandler, and Chandler's goons and left them with broken teeth, noses, arms, and legs, and I punched Lynn all the way into a massive pile of dirty socks, and when we told the coach of what Chandler and his goons and Lynn tried to do to Lincoln and all of us, Lynn got suspended for five weeks and Chandler and his goons got suspended for a month.

We cheered wildly for what Kalea did to Lynn, Chandler, and Chandler's goons.

Nico: Sheesh.

Lori: Before we got rid of Dark Lynn, Lynn acted like a sore winner and a sore loser, and if anyone got her mad, she could easily do physical harm to someone, and she makes good on her threats.

Me: Yeah, but her reign of terror finally came to an end when Lincoln gave her The Black Gates, after he and the others taught that brute a lesson.

Lincoln: After putting me and my family through Hell, along with trying to kill me, she's been asking to die for a very long time.

We got a shower afterwards, but then, the alarm sounded and Lincoln checked the computer, and when he checked to see, he saw who it was that sounded the alarm: it was R.E.G.I.S. Mark V, yet another one of Coop's enemies, and this robot's causing havoc.

Coop: Oh man, it's R.E.G.I.S. Mark V!

Lincoln: I've heard about this robot, this thing is a powerful robot that can integrate metal into itself and become stronger.

Kiva Andru: Yes, it was locked up to be delivered to a black hole but was accidently released.

Nico: What weaknesses does this robot have?

Coop: R.E.G.I.S. Mark V needs solar energy to stay active. Wait a second, are you suggesting…?

Lincoln: Create some clouds to block out the Sun, that's perfect. Alright, gang, let's go, we've got a rogue robot to stop.

We flew out of the World Tree Estate and Lincoln fired powerful rainbow energy balls and elemental forces at R.E.G.I.S. Mark V and Lincoln also created clouds to block the Sun's rays. When R.E.G.I.S. Mark V saw us, it was furious.

Pulsar: Great, another enemy that doesn't speak, but it won't matter for long.

Suddenly, Pulsar's brown eyes turned neon brown and she was surrounded by a yellow energy aura with hearts, rocks, Earth, and angels, and as she approached R.E.G.I.S. Mark V, she left yellow energy, hearts, rocks, Earth, and angels with every step. Suddenly, Pulsar was surrounded by a massive vortex of yellow energy with rocks and hearts surrounding it, there's an angel flying around the vortex, and in the vortex is a black phoenix. Then, as the vortex faded, Pulsar emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Pulsar grew to 6'11" in height, she has the body of a goddess, she has yellow highlights in the bangs of her short neck length black hair, she has neon brown eyes and a yellow energy aura with hearts, rocks, Earth, and angels surrounding her, she has an angel with a heart in its hands emblazoned on her forehead, she has on angel earrings with yellow gems for eyes and holding the Earth and Eternity Kanjis in its hands, she also has an angel with yellow gems for eyes and the Earth and Eternity Kanjis in its hands for the second pendant on the bottom of her yellow angel-shaped Element of Harmony, along with the gold Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with yellow crystal links from her merged Crystal Necklace of the Buddha and yellow gems on the gold lightning bolts, and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Pulsar has on her white leotard with yellow collar that has three stripes on it, light yellow shoulder pads, yellow skirt, along with a yellow bow on the chest and the back and yellow knee-high boots with a white border at the triangular top, and long sleeveless yellow trenchcoat with hearts and Earth on the coattails, and on the back is an angel with Earth surrounding it. Suddenly, Pulsar felt a sharp pain on her back, and then, massive black angel wings with yellow tips on the feathers, grew and sprouted out from her back, she has on a Ring of The Phoenix with yellow gem and heart shaped gem embedded in it on her right ring finger and Star Sapphire ring on her left ring finger.

Pulsar has a brand-new massive greatsword in her hand called Ultra-Cadet's Yellow Earthquake Earth Greatsword of Earthquake Justice, it's a brand-new massive greatsword with the symbol of The Ultra-Cadets etched on the 7'0" massive, wide, double-edged yellow blade, large yellow angel heads for the crossguard, large yellow gem embedded in the rainguard, longer black handle, four large angel heads and on the bottom of the heads is a large yellow gem for the pommel, she has on her new brand-new large gold cuff

There's a black kanji below the angel that said, "Pulsar, Member of The Ultra-Cadets, Friend of Coop and His Friends, Team Member of Nova, Galaxia, and Comet, Loving Future Wife of Lincoln Loud, Defender of the Universe, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Earth, Hearts, and Angels"

パルサー、ウルトラカデッツのメンバー、コープとその仲間たちの友、ノヴァ、ギャラクシア、コメットのチームメンバー、リンカーン・ラウドの愛する未来の妻、宇宙の擁護者、悪のスレイヤー、混乱した、殺人的、無慈悲、そしてサディスティックろくでなし、素晴らしく強力な教師の素晴らしく強力な生徒、そして地球、心、そして天使のマスター

Pulsar has transformed into SUPER ANGEL ETERNITY INFINITY PINK HEART EARTHQUAKE ANGEL OF DIVINE PINK EARTH HEART JUSTICE AND DIVINE EARTH HEART ANGEL LOVE!

We were amazed by Pulsar's Super Angel Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding. But, when R.E.G.I.S. Mach V saw it, the robot fell into a rage and tried to attack her, but Pulsar fired a powerful yellow energy blast with earth, rocks, hearts, and angels, and it hit the robot, but it's not out yet.

Nova: Whoa, now Pulsar's transformed, this is going to be really awesome.

Lincoln: You said it, Nova, and Pulsar, you look beautiful. How do you feel?

Pulsar: (Divine Echoing Cosmic Voice of The Earthquake Heart Angel and Earth Heart Love) I feel incredible, Linky. Now, shall we take care of R.E.G.I.S. Mark V once and for all?

Lincoln: (Smiles) With pleasure, Pulsar.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Pulsar.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) Let's turn that robot into scrap metal.

Pulsar and Lincoln went after R.E.G.I.S. Mark V, and they fired powerful blasts of rainbow energy, yellow energy, hearts, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, rainbow lightning, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, and Angels at R.E.G.I.S. Mark V, and they exploded with incredible power as they hit him. Then, they attacked him with their massive greatswords, leaving tears and scars on him, and they were deep, but its nanite manipulation healed it, and it became a bit larger.

Then, Lincoln had an idea: he grabbed R.E.G.I.S. Mark V, and then, he absorbed it into his body, and he assimilated all of R.E.G.I.S. Mark V's powers. Then, an energy card with R.E.G.I.S. Mark V's soul inside it appeared in Lincoln's large left hand, and when the kanji appeared on its forehead, it was erased by The Black Gates. We cheered wildly for what Pulsar and Lincoln did as they holstered their massive greatswords on their backs and powered down, and Pulsar's new body, clothes, weapons, jewelry, and massive angel wings are permanent.

Pulsar: That'll teach that mechanical menace. Thank you for helping me take down and destroy R.E.G.I.S. Mark V, Linky.

Lincoln: (Smiles Warmly) You're welcome, Pulsar.

Suddenly, Pulsar wrapped her arms around Lincoln's thick muscular neck, as her chest pressed against Lincoln's massive and wide muscular pecs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned his face down to Pulsar's face, they kissed passionately as Pulsar's left arm is still wrapped around Lincoln's thick muscular neck, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, and Angel flying in the air, and we saw a herd of Buffalo across the field, along with elemental forces and mountains forming behind them, and we cheered wildly and they came back to us.

Nico: Whoo, that was one awesome fight!

Nova: And now, we're rid of another one of Coop's enemies. Plus, you did an awesome thing with absorbing R.E.G.I.S. Mark V into your body and you assimilated and acquired its powers, Linky.

Lincoln: This was due to my ability to absorb advanced tech into my body and in the process, I also gain new weapons and gadgets, along with powers.

Kiva Andru: That thing was a dangerous threat to everything on Earth, but now, we're rid of it for good.

Lincoln: And I did find out something when I absorbed R.E.G.I.S. Mark V: it seems that Mean Twilight was the one who sent that robot here to destroy us.

We gasped in shock.

Nico: Why, that… !

Emily Yumiko: Now, she's gone way too far, she's going to get it big time.

Starlight Glimmer: For her to get away with something like that, now she's really asking for it.

Lincoln: She's going to pay.

We headed back to The World Tree Estate, and we're rid of R.E.G.I.S. Mark V, but we still got Mean Twilight Sparkle to deal with later on today, but Emily Yumiko, Starlight Glimmer, and Lincoln are going to make sure that Mean Twilight Sparkle pays for her crimes later on today.

---

We were later at the park and it was such a beautiful day. Emily Jones was really learning fast in flying. She was having lots of fun flying.

Emily Jones: WOOHOO!

She was flying all over!

Nico: She sure is learning fast.

Bart: (Dressed in a bedsheet ghost costume) (Eerie Moan) I died when Homer sat on me! (Season 20 Episode 12)

Homer: WHY YOU LITTLE! (STRANGLES BART)

ZZZZZZAAAAAAAAAAAAAAAAAAAAAPPPPPPPPPPPP!

Lily zapped Homer.

He fell to the ground.

Sakura Valencia: That always cracks me up.

Nico: Yeah.

Ryoga Shindai: Kouta, I believe you and Lillian are next for bonding time.

Kouta: Cool!

Qin: It's gonna be awesome for you and Lillian.

Lillian: I'm looking forward to this.

Naida Riverheart: This is really cool being here on Earth.

Aira Windwhistler: It sure is cool.

Lumia: It's also an honor to join you all too.

Me: Same here Lumia.

Kouta: Lillian, I just want to say that it's an honor being in you and Cornelia's family.

Lillian: It sure is and it's awesome that we helped you guys destroy Yggdrasill.

Kouta: Yeah t sure was cool.

Me: Yeah That was awesome. Yggdrasill had it coming.

Qin: It sure did.

Nico: Yeah those monsters got what was coming to them. Especially for teaming up with the last members of the Vengeful 6.

Ecco: Lillian, you're actually the youngest ambassador out of all of us.

Lillian: Boy I sure am. That is so awesome and amazing.

Cornelia: Yeah you have grown so quickly.

Aira Windwhistler: I'm happy for her.

Lumia: We all are. I've heard so much about Team Loud Phoenix Storm's achievements and that is amazing.

Himiko: We don't like to brag but yeah it's awesome.

Kaito Kumon: Paul reminded me of my earlier days. Except more vile.

Me: He always was a heartless monster and a freak.

Qin: Yeah.

Himiko: Yeah no kidding.

Camie: Yeah the Vengeful 6 deserved to be destroyed.

Laney: Yeah no kidding.

Wendy Sapphira: He had it coming. They all did.

Kaito Kumon: And he had the nerve to turn into an Another Rider version of my Lord Baron form?

Me: Yeah no shit.

Qin: I hope Paul enjoys the Black Gates when that curse kills him on November 7th.

Lola: Yeah he had it coming.

Ash: You know I was intending on Pikachu's Thunderbolt to kill him, right?

Me: Yeah we know that. But it's best to let nature take its course on things.

Qin: He's right.

Twilight Sparkle: Yeah.

Varie: Besides we just have to wait and then Paul will be gone forever.

Nico: I agree there.

Harry: (grins) (British Accent) At least I finally got rid of Malfoy!

Me: So is the rest of the world. Now the world can rest easy without Voldemort and his twisted racist views on killing everyone.

Varie: Thank goodness.

Himiko: No kidding.

Sakura Valencia: Yeah I heard about that. What a monster.

Lola: Yeah he deserved it.

Sam Witwicky: (to Numbuh One) Dude, I told you not to use the grapple hook against Harvey.

Numbuh One: It was a complete accident. I was aiming for a blaster.

Sam Witwicky: Oh okay then.

Qin: Besides Harvey is now in a place where he can't hurt anyone.

Xenia: Yeah good riddance.

Numbuh 1: Thank goodness for that.

Lola: Yeah.

Numbuh One: It's a miracle he survived the grenade explosion.

Me: No kidding there.

Laney: Yeah.

Eli: Uh oh. We got company.

We saw a figure coming and it was a new Zodiart. We saw that it was a fly Zodiart and I recognized the constellation on it. It was for Musca the Fly in the Southern Hemisphere!

Me: The Zodiarts for Musca the Fly, another Southern Hemisphere Constellation.

Nico: Boy this one is wicked.

Musca Zodiarts: (In a girls voice) Yeah I don't like flies to tell you the truth.

She reverted back and it was a girl with green hair and she had green clothes and she had the symbol of Musca the Fly on her right arm and the constellation of Musca on her skirt.

Me: Katie Musca!

Katie Musca: Long time no see J.D.

Me: It sure has been a while.

Nico: You know her?

Me: Yes and she is one of my friends from school and she also is a rich girl that is known for dumping a pile of stink bombs on Peter Griffin.

Katie Musca: Yeah that was funny. I threw them into Peter's car and when he was driving to work he exploded and smelled like filthy skunks for weeks.

We laughed at that.

Nico: (LAUGHS) That was so funny!

Nightbird: That must've been hilarious!

Me: Oh it sure was!

I pulled up the clip on the internet on my phone.

Me: We called it Stinkbomb Peterfucker.

I played it and it showed Peter's car exploding and he was coughing, gagging and vomiting all over and he smelled so bad that he even made people around him throw up.

When it was done everyone was laughing hysterically!

Nico: (LAUGHS) So awesome and funny!

Qin: That was awesome!

Laney: (LAUGHS) That was great!

Katie Musca: Yeah good times.

Lincoln: Boy that testicle-chinned freak had it coming.

Lana: YEAH! Lucky.

Nico: That was funny though.

Himiko: That was really hilarious!

Me: Yep. Sorry we have to fight Katie.

Katie Musca: No worries.

Me: KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Katie turned into her Musca Zodiarts form.

Me: This is gonna be awesome. (Activates Firefly's Ridewatch)

I danced to Fire Music and fired waves of blue flames and blasted the Musca Zodiarts down and she exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught the Zodiarts Switch and purified it and it formed into a Sword of Musca and I picked up Katie.

Katie Musca: (Groans) What a headache.

Me: But at least you're back to normal.

Arcee: You have to teach us that prank!

Katie Musca: It's a deal.

Me: We'll use that for some of our humiliations.

Qin: It's really funny.

Krabappel: You got that right. HA!

Me: We'll start with Homer's former father in the nuthouse.

Katie Musca: Good idea.

Emily Jones: That was really funny though.

---

We went back to the estate and we were getting ready.

Arixam: What's our next mission?

Nico: You guys will love it. I've had this mission planned for a long time and it's for The Spiderwick Chronicles.

Me: Oh wow! I love that movie!

Laney: That was a great book!

Nico: Yep. First we're going to watch the movie and then we're going to get the mission started.

Varie: I'm really looking forward to this one.

Me: So we're going after the goblins in the movie.

Nico: Yep.

Then Greiger, New Wave, Living Laser, Harpymon, Deadwood, Toiletnator, Fixer, Xiao Fung, Mr. Mittens, and Leonard appeared.

Greiger: Can we watch with you?

Nico: You guys are more than welcome to watch.

New Wave: Awesome. I love The Spiderwick Chronicles. That was a great book.

Nico: Yep.

We got to watching the movie.

In 1928, Arthur Spiderwick writes a field guide about the many fairies he has encountered. After finishing the Book, he hides it away for fear of Mulgarath, a shapeshifting ogre who plans to use the Book's secrets for evil.

Eighty years later, recently divorced Helen Grace inherits and moves into the abandoned Spiderwick estate with her children, daughter Mallory and twin sons Jared and Simon. Jared is angry about the move and would rather live with his father. After uncovering a hidden dumbwaiter, Jared discovers Arthur's study where he finds the Field Guide. When Jared explains his discovery of the Book and the existence of magical creatures, his family doesn't believe him.

The next morning, Jared meets a brownie named Thimbletack, who is initially angry with Jared for having opened the book that Thimbletack was supposed to be protecting from the shape-shifting ogre Mulgarath. Jared placates him with crackers and honey, and Thimbletack gives Jared a holed stone that allows Jared to see the normally invisible faeries by looking through it. Thimbletack tells him about the protective mushroom circle surrounding the house.

Jared witnesses Simon's abduction by goblins, led by Redcap. Simon is taken to the goblins' campsite where he is confronted by Mulgarath who is disguised as an old man. Jared sneaks into the campsite where he meets Hogsqueal, a hobgoblin, who gives Jared the ability to see faeries without the stone by spitting in his eyes so that he can help him get revenge on Mulgarath for killing his family. Mulgarath releases Simon so he can fetch the Book for him. Jared finds Simon and both fight over the book before they are chased by the goblins. The twins flee back to the house, and Mallory fights them off with her fencing sabre.

The children decide to visit Arthur's daughter, their great-aunt Lucinda Spiderwick, for advice. While Simon distracts the goblins, Mallory and Jared escape through an underground tunnel. Chased by a troll sent by Redcap, they narrowly escape when it is struck and killed by an oncoming truck. Jared and Mallory meet the elderly Lucinda in the psychiatric hospital where she lives, surrounded by sprites. She tells the children that they need to find her father and have him destroy the book and that, for eighty years, Arthur has been held captive by the sylphs. At that moment, Redcap and his goblins attack them through the window and manage to tear off several pages from the book before being driven off. Among the stolen pages, Mulgarath is pleased to find information on how to break the protective circle.

While Helen is driving home, she and Jared argue over her disbelief; Jared angrily tells Helen that he hates her and doesn't want to live with her anymore. Later, Hogsqueal, having overheard Mulgarath's plan, informs the children. Jared, Simon, and Mallory use the book to summon a griffin, which takes them to the sylphs' realm. There, they meet Arthur, who has not aged and is unaware of the time he has spent there. Jared asks him to destroy the book only to find out that Thimbletack had switched the pages and kept the real Book. Arthur is relieved until Jared tells him that Mulgarath knows how to break the protective circle. Arthur informs Jared that the sylphs won't allow them to leave as they, like him, know too much about the faeries. Arthur helps them escape by distracting the sylphs with the fake book.

At home, the children finally convince Helen of the truth. Meanwhile, the goblins finish spreading their potion, which successfully breaks the circle as the full moon rises. The family defend themselves with kitchen knives and tomato sauce/salt bombs (ingredients deadly to goblins), and manage to kill the goblins in an explosion of tomato sauce. Suddenly, the children's father, Richard, appears; however, Jared stabs him, revealing him to be Mulgarath in disguise. Mulgarath pursues Jared and the Book throughout the house before cornering him on the roof. Jared tosses the Book and Mulgarath transforms into a raven to catch it, but he is suddenly grabbed and eaten by Hogsqueal. Afterwards, Jared and his mother reconcile.

Several weeks later, the family brings Lucinda to visit the house. The sylphs arrive with Arthur, allowing him to briefly visit now that the Book is safe. However, Arthur cannot stay long as he will turn to dust if he remains. Lucinda asks to go with him and is transformed back into a child. The Grace family watch as the sylphs spirit Arthur and Lucinda away.

When it was done we cheered wildly!

Qin: That is always so awesome and fun!

Nico: Yeah!

New Wave: Just as awesome as the book.

Me: Yep.

Lola: So awesome.

Toiletnator: Me, Greiger, New Wave, Living Laser, Harpymon, Deadwood, Fixer, Xiao Fung, Mr. Mittens, and Leonard are definitely going with you guys.

Numbuh 4: Right on Uncle Lou!

Me: Awesome.

Living Laser: By the way J.D. we heard you saved Himiko from her inner demons.

Me: Yeah it was great. My dream rescue was to save Himiko from herself.

She snuggled my arm.

Himiko: My hero.

Nico: So awesome.

Me: Also on Nico's rescue we met my penpal Emily Jones and her friends.

Emily Jones: Awesome to meet you all.

Living Laser: Hey awesome to meet you too.

Harpymon: Same here. We saw a floating island in orbit around the world tree. Is that new?

Me: It sure is.

Nico: Yep.

Nico told them everything about it and it was cool.

Harpymon: Wow that is awesome.

Eli: It sure is.

Lusamine: Nico, which Gene Slammer do you think you'll meet next?

Nico: Oh gosh. I'm hoping for Destiny HERO - Dreadmaster next.

Me: Ooh that's an interesting one. That one is based on the awesome story The Man In The Iron Mask.

Laney: That's one of my favorites about the Legendary 3 Musketeers.

Me: Yep and King Louis XIII of France back in the 17th Century.

Camie: That was a great story there.

Himiko: It sure was awesome.

Sakura Valencia: That's a great one.

New Wave: Shall we get going?

Nico: Lets shall.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure was: it was none other than Mean Twilight Sparkle, and she's really furious that Patience St. Pim and R.E.G.I.S. Mark V have been put down and they failed to destroy us, and now, she's heading here to destroy us all and get her revenge. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is Mean Twilight Sparkle on the move?

Lincoln: You guessed it, Nico, and she's really furious that Patience St. Pim and R.E.G.I.S. Mark V have been put down and they failed to destroy us, and now, she's heading here to destroy us all and get her revenge.

Emily Yumiko: So, Mean Twilight Sparkle's finally on the move. Finally, now we can put her down for good.

Starlight Glimmer: That monster's going to pay big time for what she's done, and we'll show her that The Magic of Friendship is far more powerful than The Magic of Enemies.

Lincoln: She's going to pay for trying to ruin Twilight's good name.

Starburst Aurora: Yeah, she's going to pay for ruining Aunt Twilight's good name.

Fireheart Flame: And I know Mom's going to transform as well, just like what happened to Aunts Rainbow Dash, Fluttershy, and Pinkie Pie, while Aunts Sunset Shimmer and Rarity got their transformations during their missions with Ratchet and Clank and the Kiramagers.

Starlight Glimmer: That's right, Fireheart, and Twilight's saving hers for when she, Emily Magica, and Lincoln get after Tirek, and make the Lord of Evil pay with his life.

Twilight Sparkle: You got that right, Starlight. What that monster's done can never be forgiven and I won't be surprised if Linky drains him and turns him into a desiccated corpse.

Lincoln: I'll decide on how to kill Tirek when he shows up, Twilight, but that's not a bad idea on how to kill him, and I'll start with Mean Twilight.

Nico: Uh oh, looks like you've got his thirst for blood up and running, Twilight. Alright, gang, let's go help Jared, Simon, and Mallory Grace destroy Mulgarath for good.

Lincoln: The evil King of The Goblins will pay for what he's done, and so will you, Mean Twilight. For trying to ruin my future wife's good name and causing havoc in Equestria, you deserve to suffer the consequences of your misdeeds in full.

With that we were off to New York City.

We were flying over a suburb of New York.

Bounce Man: Their house should be here somewhere.

Me: There it is!

We saw a Victorian House.

Twilight Sparkle: Ooh that's a beautiful house.

Me: I always loved those Victorian Style homes. They are beautiful.

Nico: They sure are.

We went and landed.

Me: Wow. The Spiderwick Estate.

New Wave: It's just as beautiful as it is in the movie and in the book.

Laney: It sure is.

Qin: Yeah.

We went up to the door and knocked on it and answering it was Mallory Grace.

Me: Hello there are you Mallory Grace?

Mallory Grace: Wow! Team Loud Phoenix Storm! What an honor.

Harpymon: (laughs) I knew we'd run into you first!

Mallory: Well yeah and Harpymon you are one of my favorite Digimon. Man I wish I had you as a partner.

Me: You sure do have a lot of spirit. But I think that can be arranged. (SNAPS FINGERS)

I snapped fingers and a white light appeared and then it landed into her hands and then an Indigo Blue D-Arc appeared.

Harpymon: Wow!

Mallory: My own Digivice!

Harpymon: My partner.

Nico: That was awesome! But Harpymon also has a job in the M.O.E.

Mallory: I understand.

Me: Mind if we come in to talk?

Mallory: Sure.

We went inside.

Astro Man: Are your brothers home?

Mallory: They sure are. Hey guys we have guests!

Jared Grace: Tell them to go away!

Me: Tch. Rude. Wait that's Jared. He still is harboring some ill feelings because of moving here.

Mallory: Yes he is.

Me: Oh man. I know how he is feeling.

Mallory: Really?

Me: Yeah.

We went and met the twins Jared and Simon Grace.

Simon Grace: Wow! Team Loud Phoenix Storm!

Jared Grace: Oh man! I'm sorry guys! I'm still going through some anger.

Simon Grace: But it's an honor to meet you.

Me: Same to you boys.

Xiao Fung: Now, what about your parents? Are they home as well?

Mallory: Just my mom.

Helen Grace came in.

Helen Grace: Oh Team Loud Phoenix Storm! It's truly an honor.

Nico: You too Mrs. Grace.

Me: Sorry to drop by like this.

Helen Grace: No worries.

Me: I was just about to tell your son Jared that I know what he is going through with moving away.

Helen Grace: Oh.

Me: Jared, I know what you are going through right now. When me and my family won that massive $75,000,000,000 jackpot in the lottery and moved to Michigan 6 and a half years ago I was upset and angry that I would be leaving my friends too.

Jared Grace: Really?

Me: Yeah. I was upset that I would be hundreds of miles away. But I know they would always remember me and I would too. But I know you miss your friends but they will still remember you. Just like I will remember you. Give the same thing you felt from your friends to your new friends here in New York City.

Jared Grace: Oh you're right J.D. Thank you. I'm sorry I was rude.

Me: It's all right.

Leonard: But this area isn't really that bad.

Me: No it isn't. And this house is so beautiful.

Nico: It sure is. Also I take it you know that this is the Spiderwick Estate?

Jared Grace: I sure do. I was reading this book.

Me: That book is the field guide of the great Arthur Spiderwick.

New Wave: And the evil shapeshifting ogre Mulgarath is after it.

Me: That's who we're after on this mission. Our mission here is to kill Mulgarath.

Jared Grace: Wow!

Nico: Yep. Let me tell you guys all about him.

He went over his history.

---

Mulgarath is the main antagonist of the bestselling book series The Spiderwick Chronicles by Tony DiTerlizzi and Holly Black. He is an evil, gigantic ogre whose goal throughout the series was to steal Arthur Spiderwick's Field Guide to become more powerful. He is the archenemy of Jared Grace.

In the 2008 film adaptation, he was both voiced and portrayed by Nick Nolte in his human form and ogre form, who also played Vincent in Over the Hedge, Frank Stockburn in The Ridiculous Six, Burt Johnson in Arthur, Inspector Thomas Cray in Nightwatch, and David Banner in Hulk. In his disguise as Richard Grace, he was portrayed by Andrew McCarthy.

Mulgarath is the main antagonist of the series, despite only appearing in the fourth and fifth book. He is first mentioned (but does not appear) in the third book when Lucinda Spiderwick mentions that he tortured her for information about the Field Guide, causing her to be committed to an asylum as it was wrongly believed she was self-harming. In the fourth book, the dwarf Lord Korting states that Mulgarath the Ogre is gathering an army of Goblins. In the fourth book he tricks the Dwarves into stealing the Field Guide and making weapons for his army, saying that when he rules the Earth, he will remake it in gold, silver, copper, and iron, playing on the Dwarves' love of metal. He also uses his shapeshifting powers to assume the form of Simon and steal the

Field Guide which the Dwarves fail to do. Jared, Simon, and Mallory see Mulgarath at the climax of the book and watch him and his Goblin army collect their weapons from the Dwarves. Declaring that he has no further use for the Dwarves, Mulgarath orders the Goblins to kill them. Jared, Simon, and Mallory watch in horror as the Dwarves are viciously murdered.

In the last book of the series, the Grace children learn that Mulgarath has sent his minions to ransack their house and kidnap their mother. Together with Byron the Griffin, Thimbletack the Brownie and Hogsqueal the Hobgoblin, they journey to Mulgarath's palace of corrugated iron in the junkyard where they discover that he is breeding an army of Dragons with which he plans to conquer the world. Simon remorsefully kills the baby dragons (Salamanders) as Byron battles the mother. They then infiltrate the palace and find their parents held captive in the tower. Their father proves to be Mulgarath in disguise and he grabs Simon and Mallory. Jared, remembering that Arthur told him that ogres think a lot of themselves and like to talk, keeps Mulgarath talking while Thimbletack attempts to tie a chain around the ogre's ankle. Mulgarath notices and kicks Thimbletack across the room. Enraged at nearly being tricked, the ogre throws Simon and Mallory out of the window but they grab onto chains and hang on for their lives. Jared stabs Mulgarath in the foot with Mallory's sword and knocks him out of the window. The murderous ogre transforms into a dragon and attempts to climb up one of the chains back to the balcony, but Jared cuts through the chain. As Mulgarath falls toward the pit, however, he transforms again, this time into a swallow bird. He flies out of the pit and is about to summon his army of Goblins, when Hogsqueal suddenly arrives and bites off the bird's head.

Mulgarath is slightly different in the movie. In the book, Mulgarath is regal and dresses in the tattered remains of clothes from a bygone era. In the film, he has no clothes and some branches and weeds. Also in the book he usually relies on his great intelligence to battle his enemies, despite the immense strength he possesses. At the end of the film, Mulgarath chases Jared around the house all the way to the roof. With no other option, Jared tosses the field guide high into the air, Mulgarath transforms into his raven form, grabs the book and flies away. However, as Mulgarath flies away, Hogsqueal (who had been hiding in a tree) grabs the evil ogre and eats him before he has time to transform again.

When Nico was done we were shocked.

Laney: He is pure evil.

Qin: Yeah.

Jared Grace: That's terrible.

Lola: Yeah it is.

Me: You know the funny thing is that in his human form he looked so much like Hulk's dead father David Banner.

Nico: Yeah he sure did.

Hulk: Hulk think that funny.

Mr. Mittens: Purrfect!

Me: They are amazing.

Laney: But we're not going to let Mulgarath get away with his crimes.

Eli: I sense that he is in the forest.

Qin: And without a doubt he is up to something.

Tyrone McGee: What if some of his goons are in here?

Me: I know just the creatures to flush them out.

Jared Grace: What are you gonna do?

Me: Watch.

I formed a flame in my hands and with Chernabog's powers I formed flame women spirits and had them go search for goblins of

Mulgarath and they searched and then 7 of them came running out with their butts on fire!

Mallory Grace: Wow that was cool! How did you do that?

Me: You would be amazed with how many powers we know.

Fixer: And now to take them out!

Emily Jones, Azari Firedancer and Eli blasted the Goblins with fire and lightning and destroyed them in an instant,

Nico: That did it!

Jared Grace: That was so awesome!

Nico: Yeah it was and that was really clever using Chernabog's powers for that.

Me: The only way to fight evil goblins like that is to use creatures tiny enough to find them.

Eli: Good idea.

The Fire Women vanished.

Crash Man: Tiny creatures fighting us? They're roadkill!

Me: Yeah but Mulgarath is a human size goblin.

Nico: Yep. Lets get ready guys. Mallory, Jared, Simon, Helen would you like to help us out?

Helen Grace: We would be honored. That monster will pay for kidnapping me.

Eli: We'll gladly help you get retribution.

Volcana: And he will burn big time.

Me: If he morphs into David Banner, let me and Hulk smash his ugly face in first.

Nico: Nice.

Nico then pulled out a scroll and unsealed machine guns, bows and arrows, swords and more

Mallory: I don't like David Banner either.

Deadwood: Because he abused Bruce?

Mallory: Because he also ripped off Absorbing Man!

Nico: Nice to know you and Carl have good tastes.

Me: Yeah Absorbing Man would be proud.

Nico: Choose your weapons and lets lock and load.

Qin: Yeah.

They chose their weapons and they were ready.

Me: All right..

Lady Deathstrike: (Japanese Accent) They're gonna die in pools of their own blood.

Nico: They sure will.

Mallory Grace: You got that right.

Me: Yep.

Nico: All right are we all set?

We nodded.

Nico: Lets head out.

We were off to the forest.

We were ready for them.

Living Laser: (to the viewers) Shh. (Imitating Elmer Fudd) Be vewy

vewy quiet. We're hunting Mulgarath. (Laughs like Fudd)

Me: Good imitation.

We were creeping through the forest.

We were being quiet.

We then saw in a grove Mulgarath.

Borth: There he is!

Majar: Time for entrance.

Nico: Lets do it.

We went at him.

Mulgarath was getting ready and then the spirits of the flames of justice appeared and swirled around him and then they converged and then…

KRABBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off in front of him and fireballs rained down and torched some of his goblin minions and then a phoenix cry was heard and we came out.

Me: Mulgarath your reign of terror ends now!

Mulgarath: Who are you!?

Me: Your worst nightmare!

Greiger: You don't know how much trouble you're in!

Mulgarath: Oh I don't huh?

He then turned into DAVID BANNER!

Me: Big mistake buddy!

I fired waves of fire and energy and blasted him all over.

Nico: Nice try though.

Hulk punched and smashed him into dust and then threw him into a tree and smashed him down.

But then Chillyfish, Thundermon, Vanitas, Carly Atlas, Moonstone, El Diablo, Manta Bayarsh, Hank Scorpio, Taskmaster, and Gator Ghoul appeared.

Nico: Chillyfish, Thundermon, Vanitas, Carly Atlas, Moonstone, El Diablo, Manta Bayarsh, Hank Scorpio, Taskmaster, and Gator Ghoul.

Chillyfish: Congrats on becoming Mallory's partner, Harpymon.

Harpymon: Thanks, guys!

Thundermon: I wish I could have a partner.

Vanitas: Now, don't get ahead of yourselves. You two are still on our team.

Me: We'll think of something for that when given the opportunity.

Carly Atlas: (to Nico) We heard you met J.D.'s friend Emily.

Nico: We sure did/

Moonstone: How did that go?

Me: It was awesome. Emily and her friends are now all part of the team.

Emily Jones: We sure are and it's so awesome.

Aira Windwhistler: Yeah it's cool.

Naida Riverheart: Yep.

?: That is cool.

---

Mechaterpillar was created by Prince Gasket using Jerome Stone's Mechaterpillar 3000, a fishing tool. It was later summoned by Prince Gasket and did battle against the Super Zeo Megazord. The monster was winning until the Red Battlezord came to the rescue. It separated segments of itself and each have their own method of attacking the Rangers. It then used its Dance Breath on both the Red Battlezord and the Super Zeo Megazord, causing both Zords to dance uncontrollably and fall down. The Mechaterpillar caused massive havoc, attacking from all sides and devastating the Zord. After the monster reassembled himself, he attacked the Rangers with his Forehead Laser and Dance Breath. However, Jason came to their aid in the nick of time and destroys the monster with Pyramidas.

Mechaterpillar: Trust me. I'm a caterpillar monster.

Me: It's awesome though.

Nico: Yep.

Me: Jared, Simon, Mallory, Helen, you guys are in for a great show.

We got the battles underway.

But, our opposing team were made up of Margo, Paula, and Polly, but we also had some big trouble: Lynn arrived to cause trouble, and the same went with Chandler and his goons, who were looking forward to killing Lincoln and all of us again. But, we stood our ground and won, but Lynn was acting like the sore loser she was, was furious that we won, and Chandler and his goons still wanted blood, and they ran to attack Lincoln, but I got in the way and I beat the crap out of Lynn, Chandler, and Chandler's goons and left them with broken teeth, noses, arms, and legs, and I punched Lynn all the way into a massive pile of dirty socks, and when we told the coach of what Chandler and his goons and Lynn tried to do to Lincoln and all of us, Lynn got suspended for five weeks and Chandler and his goons got suspended for a month.

We cheered wildly for what Kalea did to Lynn, Chandler, and Chandler's goons.

Nico: Sheesh.

Lori: Before we got rid of Dark Lynn, Lynn acted like a sore winner and a sore loser, and if anyone got her mad, she could easily do physical harm to someone, and she makes good on her threats.

Me: Yeah, but her reign of terror finally came to an end when Lincoln gave her The Black Gates, after he and the others taught that brute a lesson.

Lincoln: After putting me and my family through Hell, along with trying to kill me, she's been asking to die for a very long time.

Starlight Glimmer: I should've known there's no mistaking that malice-filled voice from anywhere. You can come out now, Mean Twilight.

A figure was heading straight for us with demonic rage in her eyes, but Starlight Glimmer kicked the figure away, and we saw who the figure was: it was none other than Mean Twilight Sparkle.

Nate Adams: Whoa, so that's… !

Twilight Sparkle: Yep, that's Mean Twilight, she's a clone that was created by Queen Chrysalis and she represents The Magic of Enemies whereas I represent The Magic of Friendship.

Mean Twilight Sparkle: You all have ruined every last one of my plans, I could've finally gotten rid of all of you, but no, those idiots were weak to do anything! Now, I will kill all of you and Equestria will be destroyed forever!

Mean Twilight Sparkle charged up her horn to blast us, but Lincoln grabbed her horn and hoisted her up with his immense and brute superhuman strength and he tossed her into a nearby wall. She got out, but she was really mad.

Starlight Glimmer: Whoa, you've really made her really mad now, Linky.

Mean Twilight Sparkle went after us again, but she was shield bashed in the head by Emily Yumiko who had her Elemental Shield of Harmony.

Mean Twilight Sparkle: Who do you even think you are to get in my way?!

Emily Yumiko: Someone who refuses to stand here and let you hurt my friends. (Purple energy aura flares up) I am Emily Yumiko, the Champion of Starlight Glimmer, The Alicorn Princess of Empathy and one of the 27 girls chosen by The Elements of Harmony to be The Champion of Empathy.

This horrified Mean Twilight Sparkle greatly.

Mean Twilight Sparkle: Impossible, The Champions of Harmony have returned?!

Suddenly, Emily Yumiko's light violet eyes turned neon light violet, and she was then surrounded by a purple and cyan blue energy aura with Alicorns, stars, nebulae, and magic, she unholstered her massive her Sword of The Champion of Harmony, and as she approached Mean Twilight Sparkle, she left purple and cyan blue energy, stars, nebulae, magic, and Alicorns with every step.

Emily Yumiko: Mean Twilight Sparkle, I will never forgive you for the crimes that you've committed against Equestria in the name of that hate-filled bug, Queen Chrysalis. You are nothing more than a harbinger of hatred, and I will see to it that you receive the ultimate punishment for your crimes: death!

Suddenly, Emily Yumiko was surrounded by a massive vortex of purple and cyan blue energy with stars, magic, and nebulae surrounding it, there's an Alicorn flying around the vortex, and inside the vortex is a cyan blue phoenix. Then, as the vortex faded, Emily Yumiko emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Emily Yumiko grew to 6'11" in height, she has the body of a goddess, she has cyan blue highlights in the bangs of her long flowing purple hair with cyan blue streaks, she has neon light violet eyes and a purple and cyan blue energy aura with Alicorns, stars, nebulae, and magic surrounding her, she has an Alicorn along with Starlight Glimmer's cutie mark on its horn emblazoned on her forehead, she has on Alicorn earrings with purple gems for eyes and the Empathy and Eternity Kanjis in its hooves, she has on her Crystal Necklace of The Buddha with purple gems on the gold star links and cyan blue crystal links and a purple Alicorn-shaped Element of Harmony and on the bottom of The Element of Harmony is an Alicorn with cyan blue gems for eyes and holding the Empathy and Eternity Kanjis in its horn for the pendant. Emily Yumiko has on a sleeveless black open blouse, sleeveless purple top with the tattoo of the Elements of Harmony on her right arm, cyan blue skirt, black pants, black high-heeled boots, and sleeveless long purple trenchcoat with magic, nebulae, and stars on the coattails, and an Alicorn on the back surrounded by stars and on top of its horn is the Elements of Harmony. Suddenly, Emily Yumiko felt a sharp pain on her back, and then, massive purple angel wings with cyan blue tips on the large purple feathers, grew and sprouted out from her back. Emily Yumiko has on her Ring of the Phoenix with large purple gem and heart-shaped gem embedded in it on her right ring finger and Blue Lantern ring on her left ring finger.

Suddenly, Emily Yumiko's massive Sword of The Champion of Harmony and all of the swords she'd gotten began merging together, and they were surrounded by a kaleidoscope of purple and cyan blue energy, stars, nebulae, magic, and Alicorns, and when it emerged, it was transformed into Starlight Glimmer's Nebula Sword of Magical Redemption and Starlight Empathy, it's a brand-new massive greatsword with a 7'0" massive, wide, double-edged purple blade with the cutie mark of Starlight Glimmer etched on the blade, large yellow Alicorn heads for the crossguard, large purple and cyan blue gem embedded in the rainguard, longer black handle, and large yellow Alicorn heads with cyan blue gems for eyes and a large purple gem on the bottom of the heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with purple gems on her wrists, her Belt of Elemental Bravery with an Alicorn for the belt buckle and cyan blue gems for the eyes and a large purple gem in its collar for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a cyan blue kanji below the Alicorn that said, "Emily Yumiko, Champion of Starlight Glimmer, The Champion of Empathy, One of The Twenty-Seven Champions of Harmony, Destroyer of Mean Twilight Sparkle and The Doomsday 23, Defender of Equestria, Ponyville, and Canterlot, Member of The Knights of The Friendship Table, and Master of The Powers of Magic and Empathy"

エミリー ユミコ、スターライト グリマーのチャンピオン、共感のチャンピオン、ハーモニーの 27 人のチャンピオンの 1 人、ミーントワイライト スパークルとドゥームズデイ 23 の破壊者、エクエストリア、ポニービル、カンタロットのディフェンダー、フレンドシップ テーブルの騎士のメンバー、そして魔法と共感の力の達人

Emily Yumiko has transformed into SUPER ANGEL-ALICORN ETERNITY INFINITY STELLAR COSMIC ALICORN ANGEL OF DIVINE COSMIC EMPATHY AND DIVINE STARLIGHT LOVE!

We were amazed by Emily Yumiko's Super Angel-Alicorn Eternity Infinity transformation, but when Mean Twilight Sparkle saw it, she flew into a rage and fired a blast of magic from her horn, but Emily blocked it with her shield, and she fired a purple and cyan blue energy blast with stars, nebulae, magic, and Alicorns, and it hit Mean Twilight and sent her flying into a tree, but she's not out yet.

Nico: Whoa, now Emily Yumiko's transformed, so awesome!

Ken Knudson: And now, it's Starlight Glimmer's turn to transform.

Emily Yumiko: (Divine Echoing Cosmic Voice of The Star Nebula Alicorn and Divine Star Empathy Love) **That's right, Ken.**

Me: Oh, this is going to be good.

Starlight Glimmer: Yep. Time to teach that monster a painful lesson she's never going to forget.

Suddenly, Starlight Glimmer's light purple eyes turned neon light purple, and she's surrounded by a purple and cyan blue energy aura with stars, nebulae, magic, Alicorns, and bones, as she unholstered her massive Starlight Glimmer's Nebula Sword of Magical Redemption and Justice from her back, and as she approached Mean Twilight Sparkle, she left purple and cyan blue energy, stars, nebulae, magic, Alicorns and bones with every step.

Starlight Glimmer: You absolutely make me sick, Mean Twilight Sparkle. You caused nothing but pain and suffering to so many ponies in Equestria and for that hate-filled bug, Queen Chrysalis, and you also had the nerve to try and ruin my teacher's good name. That's something I cannot forgive, as the Alicorn Princess of Empathy and The Undead Skylanders, you are hereby sentenced to death for the crimes you've committed against Equestria.

Suddenly, Starlight Glimmer was surrounded by a massive vortex of purple energy with stars, bones, and nebulae surrounding the vortex, there's an Alicorn flying around the vortex, and inside the vortex is a cyan blue phoenix. Then, as the vortex faded, Starlight Glimmer emerged, but she was changed forever.

Starlight Glimmer has on her Ring of the Phoenix with large purple and cyan blue gem on her left ring finger and Star Sapphire Corps ring on her right ring finger, and she has her cutie mark on her left shoulder and the Corvus the Crow Constellation on her neck.

Suddenly, Starlight Glimmer's massive Starlight Glimmer's Nebula Sword of Magical Redemption and Justice and all the swords she'd gotten in the treasure battles began merging together, and they were surrounded by a kaleidoscope of purple and cyan blue energy, stars, nebulae, bones, magic, and Alicorns, and when it emerged, it was transformed into Starlight Glimmer's Nebula Greatsword of Magical Undead Empathy and Starlight Magic Empathy, it's a brand-new large greatsword with a 7'0" massive, wide, double-edged dark purple blade with her cutie mark, stars, nebulae, and bones etched on it, large purple alicorn heads for the crossguard, large purple and cyan blue gem embedded in the rainguard, longer black handle, large purple alicorn heads with cyan blue gems for eyes and a large purple gem on the bottom of the heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with purple gems on her wrists, her Belt of Elemental Bravery with an Alicorn for the belt buckle with purple gems for the eyes and a large cyan blue gem in its collar for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip, Eater of Sins revolver holstered on her left hip, and purple Crystal Saber holstered on her left hip. Starlight Glimmer has transformed into SUPER ANGEL-ALICORN ETERNITY INFINITY STARLIGHT MAGIC UNDEAD NEBULA ALICORN ANGEL OF DIVINE UNDEAD EMPATHY AND DIVINE COSMIC EMPATHY REDEMPTION!

We were amazed by Starlight Glimmer's Super Angel-Alicorn Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding. But, when Mean Twilight saw it, she went even more mad with rage and tried to fire another blast of magic from her horn, but Starlight fired a powerful purple and cyan blue energy blast with stars, nebulae, bones, magic, and Alicorns, and it hit Mean Twilight and she was sent flying into another wall, but she wasn't out yet.

Me: Whoa, now Starlight Glimmer's transformed, this is going to be good.

Lincoln: You said it, J.D., and Starlight, you look beautiful. How do you feel?

Starlight Glimmer: (Divine Echoing Cosmic Voice of The Undead Empathy Alicorn and Divine Undead Empathy Love) **I feel incredible, Linky. Now, shall we teach this mean Alicorn the lesson of a lifetime?**

Lincoln: (Smiles) With pleasure, my Alicorn Princess of Empathy and the Undead Skylanders.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Starlight Glimmer and Emily Yumiko.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Let's show this monster that The Magic of Friendship will always prevail over The Magic of Enemies and Hatred.**

Emily Yumiko, Starlight Glimmer, and Lincoln went after Mean Twilight, who kept on trying to blast them with her horn, but they dodged and blocked her attacks, and powerful blasts of rainbow energy, purple and cyan blue energy, nebulae, bones, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, rainbow lighting, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, and Angels at Mean Twilight Sparkle, and they exploded with incredible power as they hit her, and she was being burned badly by The Magic of Friendship. Then, they attack her with their massive greatswords and they left painful scars on her, and because of the purity of the attacks, it really burned her badly, and the wounds she suffered would never heal. Then, Starlight Glimmer and Emily Yumiko slashed off Mean Twilight's wings and Lincoln grabbed her by the horn and he began sucking out and absorbing all of her magic and powers and he and the rest of us made them our own, and when Lincoln was done, Mean Twilight was weakened to such a degree she couldn't even stand, and she looked like a desiccated corpse.

This allowed Emily Yumiko, Starlight Glimmer, and Lincoln to finish Mean Twilight by firing powerful energy beams and they overwhelm Mean Twilight and they exploded with incredible power, killing her for good. We cheered wildly for what Emily Yumiko, Starlight Glimmer, and Lincoln did to Mean Twilight as they holstered their massive greatswords on their backs and powered down, and the new bodies, clothes, weapons, jewelry, and massive angel wings of Emily Yumiko and Starlight Glimmer are permanent.

Then, as Mean Twilight's spirit appeared, the cutie marks of The Mane 9 on the massive Celtic Cross cutie mark tattoo on Lincoln's wider and more muscular back glowed, along with the cutie marks of The Mane 12 and the Elements of Harmony on my massive greatsword, and Mean Twilight Sparkle's spirit was surrounded by a magic circle with the cutie marks of The Mane 12 that formed on the ground, and she was chained up by chains of magic and rainbow energy, and the energy images of The Mane 12 appeared from the cutie marks on the circle, and they found her guilty of her crimes, and the energy images of The Mane 12 aimed their horns at Demon Shimmer and Lincoln aimed his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds at Mean Twilight.

Lincoln: Mean Twilight Sparkle, for the crimes that you've committed against Equestria and for trying to ruin Twilight Sparkle's good name, you have been found guilty, and the punishment for your crimes is death.

This horrified Mean Twilight, as she soon saw her days of havoc and chaos are about to end.

Lincoln: MANE 12 HARMONIOUS CUTIE MARK FINAL JUDGEMENT!

Lincoln fires a very powerful barrage of rainbow energy beams with Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, rainbow super lightning, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, and Angels from his massive Hinon's Cosmic

Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds and the energy images of The Mane 12 fired colored magic energy beams from their horns, and as they hit Mean Twilight Sparkle's spirit, they exploded with incredible power and her spirit was condemned to The Black Gates, and she was fading away.

Mean Twilight: CURSE YOU TEAM LOUD PHOENIX STORM! (FADES AWAY)

Mean Twilight Sparkle's spirit was erased from existence by the spirits of all those she's hurt, and she would never return again.

Starlight Glimmer: That's the end of that Friendship hating clone of Queen Chrysalis. Thank you for helping me and Emily take down and destroy Mean Twilight, Linky.

Lincoln: (Smiles Warmly) You're welcome, Starlight Glimmer.

Suddenly, Starlight Glimmer wrapped her arms around Lincoln's thick muscular neck, as her chest pressed against Lincoln's massive and wide muscular pecs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned his face down to Starlight Glimmer's face, they kissed passionately as Starlight Glimmer's left arm was still wrapped around Lincoln's thick muscular neck, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Alicorn, and Angel flying in the air, and a herd of Buffalo running across the field, along with being surrounded by the tombstones in the graveyard, elemental forces and stars glimmering them and we cheered wildly.

Nico: Alright, that's the eighth member of The Doomsday 23 put down for good, and only 14 more to go.

Lincoln: Which means, the next member of The Doomsday 23 to take down tomorrow is Mean Applejack, The Element of Dishonesty.

Trixie Lulamoon: Which means you, Gloria Tricksenstein, and I are going to teach her a lesson in telling the truth tomorrow, Linky.

Gloria Tricksenstein: Yeah, and she's also going to pay for trying to ruin Applejack's good name.

Applejack: You got that right.

Thunderbird Apple: Ruin Mom's good name, will she? That ornery snake in the grass is going to get a lesson in always telling the truth. Right, Dad?

Lincoln: That's right, Thunderbird Apple, along with getting a lesson in humility.

El Diablo: There. Now, the Goblins won't hurt anyone anymore.

Nico: No they won't.

Manta Bayarsh: Jared, we have an offer for you to solve your little problem of moving here.

Jared Grace: What's that?

Hank Scorpio: You and your family move to Gotham Royal York.

Taskmaster: But you don't have to make the offer right away.

Gator Ghoul: Of course, we still have to wait for your dad to come home.

Me: Their dad divorced them and it's just Helen taking care of them.

Gator Ghoul: Oh. Never mind then.

Mallory: What do you guys think?

Helen: I think it will be a good place for us.

Mallory: We'll do it!

Jared Grace: Yeah!

Simon Grace: Yeah!

Me: Awesome!

Nico: But this was an awesome battle. Great job today everyone. Especially to you and your family Mallory. You were awesome.

Mallory: Thanks.

Fluttershy: (To the viewers) This was all so magical. I hope you all loved this adventure like we have.

Me: We all did.

Nico: Yep. And the world of Arthur Spiderwick can rest easy without the Goblins terrorizing the world.

Emily Jones: Yeah.

Nico: Lets go home guys.

We got the Grace family packed up and moved them into the estate and then we went and enjoyed the rest of the day and went to sleep.

Nico: Thanks for coming with me, Lisa.

Lisa Simpson: Not a problem Nico. It's gonna be so awesome going with you guys.

Eli: Shame bro couldn't be with us.

Qin: I know but he had to do this for us all. Got to keep us all fed somehow.

Nico: That's true.

At the Gotham Royal York Supermarket, I was pulling lots of carts with sume of my tails and I was filling them up with a huge amount of food and stuff.

Rainbow Dash: You said it.

Qin: Yeah.

Nico: Lisa, I really am sorry about Bleeding Gums Murphy.

Lisa Simpson: Oh it's all right Nico. But I know he is very proud of many of us for everything we did.

Himiko: I can tell he is.

Eli: I just can't believe that the people of Springfield looked passed all your musical talents.

Nico: Yeah what a bunch of talentless nimrods and douchebags. Especially Largo.

Lisa Simpson: Yeah he always stifled my creativity.

Camie: Not that Calliope Juniper woman. She loved your music.

Lisa Simpson: She sure did.

Qin: I thought it was so awesome how she helped Girl Jordan's dad when we found him.

Girl Jordan: That was awesome.

Laney: And Ms. Hoover is doing much better for you too.

Lisa Simpson: She sure is. And she works at Lynn's Table now.

Lincoln: She sure does.

Nico: Yeah the people of Springfield were never happy there.

Aylene C.: They didn't call that hellhole The Meanest Town in America and The Armpit of America's Buttcrack for nothing.

They laughed at Aylene's remark.

Camie: That is really funny!

Qin: It sure is.

Lana: Yeah and everyone is now much happier now that the Terrible Quartet of Springfield is gone.

Laney: Terrible Quartet?

Lana: Mr. Burns, Joe Quimby, Jebediah Springfield and Abraham Simpson.

Nico: Nice.

Varie: Yep.

Nico: (sighs) Man, it feels quiet with J.D. not here.

Varie: I know but he'll join up with us. He said he would.

Nico: That's true. He does have to look out for everyone by stocking up on food and all.

Eli: Yeah.

Lisa Simpson: That's true.

Himiko: J.D. will be back. Just give him some time.

Nico: Okay then.

They went into the Lucha School.

Nico: Lucha School is good as I remember it.

Qin: It sure is.

Eli: Yeah and when we fight those dirtbag wrestlers, I'm going to let loose the fires of hell on them.

Nico: Save seconds for me.

Lola: Yeah. I hope Lisa strangles them like Homer does to Bart.

Lisa Simpson: Yeah I will do that!

Qin: This will be fun.

Nico: Now if we can find them.

Eli: I sense that they are in the gym.

Nico: Then lets go.

They went into the gym and there they found THE HAIRY KNUCKLES WRESTLING STUDENTS!

Nico: Okay you buttheads! You're not tormenting the kids here anymore.

Primadonna Hodges: Oh yeah!? We're going to really torment them now that you're here.

Qin: You need a huge lesson in humility you fartkissing wrestling wannabe!

Primadonna Hodges was ENRAGED!

Primadonna Hodges: What!? DID!? YOU JUST CALL ME!? (ENRAGED GROWLING)

She screamed and fire exploded out of her mouth!

Nico: She turned into a Flareon!

Primadonna Hodges: Bring it on monkey freak!

Nico: Sticks and stones you buttfaced bitch!

Sougo: (gets out Zero Two Ridewatch) You need a lesson in humility!

Ham Hands: (GROWLS)

Primadonna Hodges: DARN YOU BASTARD! YOU ARE SO DEAD!

She went at Nico and he teleported and May punched her in the face and kicked her in the stomach with devastating force and smashed her into the wall!

Lana then jumped onto Captain Cold Jones's face and then farted in his face at point blank range!

FFFFFFFFAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAARRRR

The smell from the fart was so bad that he threw up all over Primadonna Hodges!

Then she screamed in disgust and fury that was incredibly insane!

Geiz: Time to demonstrate what Geiz Majesty can do.

He activated the power of Kamen Rider Blades from Saber and fired waves of blue energy and blasted down the Hairy Knuckles Wrestlers.

Geiz: Yeah!

Primadonna the EXPLODED INTO INTENSELY INSANE RAGE!

She went at Qin and then Qin punched her in the face and kicked her in the face and smashed her down.

Nico: Try this on.

He fired waves of fire and burned Ham Hands all over the place.

Nico: And this one. Here's your warning: Your motherfucking asses are about to be kicked. (ACTIVATES DARK SPICER'S RIDEWATCH)

He got Heat Burn's powers and fired waves of purple fire and blasted down the 3 wrestlers and smashed them all over.

Lisa Simpson: My turn!

Lisa activated her Ridewatch and meditated and then fired waves of rainbow Chakra energy and blasted them all over.

Nico: Take that.

Laney formed poison ivy vine whips and slashed them all over the place and the Hairy Knuckles Students itched like crazy!

Nico: Take that!

Eli: Yeah!

Maria: How do you like that?!

Primadonna Hodges: YOU GUYS MAKE US SICK!

Nico: Bite my big fat fucking ass!

Nico fired waves of fire and blasted all the students down and burned them and they were arrested and taken away.

Nico: Take that.

Then a rumble was heard and then out came a black Slamworm!

Nico: WHOA! Another Slamworm!

Another Slamworm: (In a girl's voice) That's right. Sorry I'm Selma Eggelstein.

Nico: Awesome! Are you a friend of J.D.?

Another Slamworm: I sure am and I'm a mystery solver.

Qin: Cool!

Another Slamworm: Where is J.D.?

Eli: He's getting groceries for us back home in Gotham Royal York.

Qin: Yeah.

Maria: Did Swartz promise you anything?

Another Slamworm: Just that I would become a great detective. But I knew he was lying because I'm already a great detective.

Qin: That's good you turned down his offer.

Eli: Yeah it sure is.

Nico: That's good.

?: Don't start without me.

A figure appeared and it was an eagle Zodiart. It was for AQUILA THE EAGLE! It was Aquila Zodiarts!

Nico: Whoa the Zodiarts for Aquila the Eagle.

Eli: Gentaro and his team never faced this one.

Aquila Zodiarts: (In a girls voice) That is awesome that I get to face you guys.

She reverted back and it was a girl with neon pink hair and she had pink eyes and had neon pink clothes and had the symbol for the constellation of Aquila the Eagle on her right arm and the Constellation of Aquila the Eagle on her skirt. She also had neon pink Angel Wings.

Anya Aquila: Sorry about that. My name is Anya Aquila and I'm one of J.D.'s space camp friends. We studied the Nebulae of the Galaxy back when we were in Space Camp.

Nico: Awesome to meet you Anya. And J.D. is not here because he is taking care of some stuff for us.

Anya Aquila: That's okay but it's awesome that he's doing all that for you guys.

Nico: Yeah.

Qin: This is gonna be awesome.

Anya changed into Aquila Zodiarts!

Nico: (takes out Raven Branwen's Ridewatch) J.D. might not be here. But This will still be an enjoyable battle!

Nico activated it.

(MEXICAN RADIO BY WALL OF VOODOO PLAYS)

Nico: (SINGING DIVINELY AS RED, WHITE AND GREEN ENERGY STREAMS AROUND HIM)

I feel a hot wind on my shoulder

And the touch of a world that is older

Turn the switch and check the number

Leave it on when in bed I slumber

I hear the rhythms of the music

I buy the product and never use it

I hear the talking of the dj

Can't understand just what does he say?

I'm on a mexican radio

I'm on a mexican radio

I dial it in and tune the station

They talk about the u.s. inflation

I understand just a little

No comprende-it's a riddle

I'm on a mexican radio

I'm on a mexican radio

I wish I was in Tiajuana

Eating barbequed iguana

I'd take requests on the telephone

I'm on a wavelength far from home

I feel a hot wind on my shoulder

I dial it in from south of the border

I hear the talking of the dj

Can't understand just what does he say?

Radio radio…

Nico fired waves of energy and blasted them down.

Eli: Take that! Now this. (ACTIVATES VIRGO ZODIARTS RIDEWATCH)

(DAWA THE CRADLESONG BY SACRED SPIRITS PLAYS)

Eli had lightning and energy swirl around him as he was singing and he fired waves of lightning and smashed them both down.

Albedo turned into Negative Slamworm

Negative Slamworm: Don't forget about me!

Nico: YEAH! Also this is the second Another Omnitrix Alien that is also a predator.

Another Slamworm: Really?

Nico: Yep.

Varie: (ACTIVATES LARXENE'S RIDEWATCH)

(WALKING IN THE AIR BY CHLOE AGNEW PLAYS)

Varie: (SINGING DIVINELY AS LIGHTNING SWIRLS AROUND HER)

We're walking in the air

We're floating in the moonlit sky

The people far below are sleeping as we fly

We're holding very tight

I'm riding in the midnight blue

I'm finding I can fly so high above with you

Far across the world

The villages go by like trees

The rivers and the hills

The forest and the streams

Children gaze open mouth

Taken by surprise

Nobody down below believes their eyes

We're surfing in the air

We're swimming in the frozen sky

We're drifting over icy

Mountains floating by

Suddenly swooping low on an ocean deep

Arousing of a mighty monster from its sleep

We're walking in the air

We're dancing in the midnight sky

And everyone who sees us greets us as we fly

She fired waves of lightning and blasted them both down and then the Aquila Zodiarts exploded!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was back to normal and Varie caught the switch and purified it and it formed into a sword of Aquila the Eagle.

Varie went over to Anya and brought her over.

Anya Aquila: (Groans) What a headache.

Varie: But you're back to normal.

Nico: One down and one to go.

Another Slamworm burrowed underground.

Nico: Uh oh.

Qin: I know a way.

Qin took off her shoes and socks and she felt the ground with her bare feet. She then sensed it.

Qin: JUMP!

They jumped away fast as Another Slamworm bursted out.

Nico: WHOA! You have Seismic sensing?

Qin: Yep. I sure do. Saw Toph do it. It was awesome.

Then a blast of lightning and darkness blasted the Another Slamworm down and they saw that it was from a Destiny HERO - Dreadmaster!

Nico: Whoa Destiny HERO - Dreadmaster!

Destiny HERO - Dreadmaster: (In a girls voice) (French Accent) Oui oui Nico. Good to see you again my friend.

Nico: Denise Louis! Awesome to see you.

She reverted back and Denise was a girl with orange hair and orange clothes.

Denise Louis: Let me take care of zis one.

She fired waves of lightning and the blast hit Another Slamworm and reverted Selma back to normal. Nico caught the ridewatch and purified it. Selma was a girl with orange hair and yellow clothes. Varie went and picked her up and helped her.

Selma Eggelstein: (GROANS) What a headache!

Varie: At least you're all right.

Qin: Denise!

Denise Louis: Ah Qin!

She and Qin hugged and Denise did a French kiss on her.

SMOOCH SMOOCH!

Denise Louis: It's good to see you.

Qin: Same to you Denise.

Maria: You know Qin has a boyfriend already, right?

Qin: It's okay guys. It's part of our greeting we did. And Denise viewed me as a sister when we were growing up.

Maria: Oh I get it.

Denise Louis: Oui.

Nico: Denise is also the descendant of King Louis XIII from the 17th Century and is also a huge lover of the awesome story The Man In The Iron Mask.

Twilight Sparkle: Wow that is awesome!

Nico: It sure is.

Lisa Simpson: What's your favorite memory of Nico?

Denise Louis: Ah I have many of them mon cheri. But my favorite with Nico is when me and Nico were fighting ze Mamemon brothers over at the Palace of Versailles and zats when we met Catherine and helped her out.

Nico: That was when Digimon appeared all over the world and they were wreaking havoc.

Qin: Wow! I remember seeing that all over the world and the news. That was so awesome.

Nico: Yes it sure was.

Eli: Wow!

Lisa Simpson: That is amazing.

Nico: It was. And the Mamemon Brothers were mischievous guys back then too.

Qin: Yep.

Nico and Denise hugged and she did her French kiss on him.

SMOOCH SMOOCH!

Nico: I've missed you Denise.

Denise Louis: Oui oui. Me too Nico. Me too.

Flea: So cute!

Buena Girl: Yeah it was.

Eli: Too bad J.D. missed this one.

Lily: Done worry guys. I recorded the whole rescue for him on my phone thanks to this.

She pointed to a camera button she had on her shirt.

Qin: Ooh a camera button. Cool.

Lily: Yep.

Nico: Awesome. Lets head back.

They went back home.

The gang cheered wildly as they holster their weapons and powered down.

Lincoln: That's for making Crash Bandicoot look bad, you wild animal. (To Aura Tarottomajikku) And it's so good to see you again, Aura Tarottomajikku.

Aura Tarottomajikku reverted back to normal, and she's a beautiful girl with long flowing dark blue hair tied up in a braid, blue eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has massive beautiful dark blue angel wings, and she reigned in the power of Prediction Princess Tarotrei, and she's dressed in a short-sleeved dark blue blouse, strapless dark blue top, long dark blue skirt with black lace designs, blue sneakers, and long sleeveless dark blue trenchcoat with magic and stars on the coattails, and Prediction Princess Tarotrei on the back, and holstered on her back is a large Prediction Princess Tarotrei-themed greatsword with Prediction Princess Tarotrei etched on the 7'0" massive, wide, double-edged blue blade, blue angel wings for the crossguard, large blue gem embedded in the rainguard, longer black handle, and a large blue gem surrounded by angel wings for the pommel.

Lincoln: It sure has, I haven't seen you when you were twelve, and as you can see, I really grew a lot since then.

Aura Tarottomajikku: (Japanese Accent) Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you also have vampire fangs and massive white angel wings, that's amazing.

Nicole: Lincoln, you know her?

Lincoln: Indeed I do, Nicole, this is Aura Tarottomajikku, she's not only my Guardian Angel from Japan, but she's also my classmate in English, and she's also taken an interest in magic.

Nico: That's really cool.

Lincoln: It sure is and Aura and I would practice magic in the forest and they even practice magic underwater.

Eli: I never thought that was possible: practicing magic underwater.

Luan: Anything is possible, Eli, and Aura and Lincoln helped with my magic shows, and to show my thanks to both Lincoln and Aura, I arranged a date for Lincoln and Aura to be in an Italian restaurant, where like Lady and the Tramp while sucking in spaghetti, Lincoln and Aura kissed each other on the lips and the kiss lasted for 5 minutes.

Nicole: Just like in Lady and The Tramp, classic.

Lincoln: And you're also going to like this, Nicole, Aura's the cousin of Shantae, and like her cousin, Aura is a half-genie.

CLANG!

Nicole's jaw dropped.

Nicole: What?! You're… Shantae's cousin?!

Shantae: She sure is, and it's so good to see you again, Aura.

Aura Tarottomajikku: (Japanese Accent) You too, Shantae.

Nicole: Okay, that really got me off guard, but it's still really awesome that they're related.

Luan: It sure is, and it's a good thing Lisa's not among the group today, because Aura really hates Lisa with a burning passion.

They gasped in shock.

Nico: Uh oh.

Luan: And you're definitely not going to like hearing what Lisa did to earn Aura's hatred, Nico, and I was also there when Lisa struck.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared around Aura Tarottomajikku's neck with blue gems on the gold thunderbolt links and blue crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Elemental Thunderbird Necklace of Eternal Love, and her new Elemental Thunderbird Choker of Eternal Love appeared on her neck.

Aura Tarottomajikku: (Japanese Accent) (Surprised) Lincoln, is this…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means that just like your cousin and the other half-genies, you're part of my harem and one of my many future wives, Aura.

Aura Tarottomajikku had a smile on her face and tears in her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around Aura Tarottomajikku's waist and Aura Tarottomajikku wrapped her left arm around Lincoln's thick muscular neck, and he leaned down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Lincoln: We'll have to get into that later on in the year. Are you girls okay?

Rei Sakigake: Yes, we're okay, thanks to you.

Then, when Rei Sakigake and the other sixteen girls saw who it was that saved them from Evil Crash, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

Lincoln and his group returned to the World Tree Estate and we told everyone what happened, and they were shocked when they found out the villain we went after was Evil Crash.

But, when Lincoln showed what he and his group did to that wild animal, everyone cheered for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Aura Tarottomajikku have a lot of catching up to do now that she's back in town.

Maria: And it's too bad J.D. had to miss your rescue as well, I'm sure he would've gotten some blows on that animal.

Lincoln: Yeah, but we'll make sure to tell him when he gets back. (To Emily Jones) And I didn't even know J.D. was your penpal until yesterday, Emily, and that you, Sophia, Azari Firedancer the Fire Elf, Aira Windwhistler the Air Elf, and Naida Riverheart the Water Elf knew him long ago. But, I didn't bother to even ask when I rescued you girls.

Emily Jones: That's alright, Linky.

Sophia Jones: And I'm glad Emily, Azari, Aira, and Nadia are part of your harem, and I know you'll take good care of them.

Lincoln: Of course I will, Sophia.

Then, Lisa came in, and when Aura saw her, she glared at Lisa and this caused her face to turn pale.

Aura Tarottomajikku: (Japanese Accent) Lisa Loud, I can never forget what you did to me that day, but I'm going to let that go, now that Lincoln and Luan told me of what happened to that heartless, emotionless monster you had in you.

This caused Lisa to breathe a sigh of relief.

Luan: Even after all this time, Aura still refused to let go of what Lisa did, and Lisa's lucky we didn't call the cops on her, Lincoln.

Lincoln: But, that still didn't save her from the punishment Aura gave her, Luan.

Nico: A punishment from the half-genie cousin of Shantae and expert magic user? Oh boy, I'm so not going to like hearing about this one.

---

After destroying Evil Crash and this time for good, everyone was training intensely in the gym, this time, doing 500,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Aura Tarottomajikku saw Lincoln working out like crazy, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Aura Tarottomajikku: (Japanese Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Aura, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Aura Tarottomajikku: (Japanese Accent) That's incredible.

Nico: It sure is. So, Aura, what's the story on why you hate Lisa with a burning passion, and Luan said she also got caught in it as well?

Aura Tarottomajikku: (Japanese Accent) You're not going to like it one bit. One day, Lincoln, Luan, and I were at The Santinis' house for Mary's third birthday, and we had a really awesome magic and comedy show planned for them, it was awesome and everyone was there. But, then, a rope came out of nowhere and I was tied up in it and I was also electrocuted, and Lincoln and Luan saw who it was: it was Lisa, and she'd attempted to capture me, so she can take me to her lab and dissect me and see why I have powers over magic. Luan untied me after Lincoln shorted out the rope by grabbing and absorbing the electricity in the rope. This made Lisa angry and she called her robots including Todd and ordered them to kill Luan and Lincoln and capture me. Lincoln blasted the robots including Todd and they were really busted, and then, Lincoln blasted Lisa and he trapped her in a sphere of darkness. We apologized to The Santinis for what Lisa did, but they were glad we were okay, and we were also glad they were okay. Then, we called Lori and told her what Lisa did, and when she arrived in Vanzilla, we got in and went back to The Loud House, and after we told Mr. and Mrs. Loud what Lisa did, they almost decided to call the police and send Lisa to a federal nuthouse for life, but I had decided on a punishment fitting for her: I fired a blast of magic at Lisa, and I turned her into a fish, and I had her put in an aquarium for two weeks.

Everyone cheered wildly.

Nico: Ouch, now that's what I call one fishy punishment.

Everyone laughed.

Luan: (Laughs) Good one, Nico, and Lisa, you had that coming long ago. Lincoln and I told you to stay away from Aura, but, you didn't listen.

Lisa: The time I spent as a fish was indeed a fitting punishment for me.

Lincoln: But, we eventually forgave Lisa, after the two weeks were finally up, and Aura's spell wore off. But, now, we're immune to magic, along with being immune to all other sorts of harm.

Aura Tarottomajikku: (Japanese Accent) That's right.

Everyone got a shower afterwards, but then, the alarm sounded and Lincoln checked the computer, and when he checked to see, he saw who it was that sounded the alarm: it was Evil Coop and Evil Kiva, and they're causing havoc.

Coop: (Gasps) It's Evil Coop.

Kiva: And Evil Kiva.

Lincoln: Your evil counterparts from a different world? Oh boy, and I'm going to already guess Mean Applejack sent them to cause havoc. Let's send those monsters straight to Hell.

Everyone then flew out of the World Tree Estate and Lincoln fired powerful rainbow energy balls and elemental forces at Evil Coop and Evil Kiva, and when they saw them, along with Coop and Kiva, they were enraged.

Evil Coop: Well, if it isn't my goody-two-shoes self.

Evil Kiva: Along with the good Kiva. Now, we can destroy you all and Gotham Royal York.

Lincoln: That's never going to happen, you two.

Galaxia: Yeah, and consider this your last day alive.

Suddenly, Galaxia's emerald green eyes turned emerald green and she was surrounded by an emerald green energy aura with hearts, lightning, and angels, and as she approached Evil Coop and Evil Kiva, she left green energy, hearts, lightning, and angels with every step. Suddenly, Galaxia was surrounded by a massive vortex of emerald green energy with lightning and hearts surrounding it, there's an angel flying around the vortex, and in the vortex is a red phoenix. Then, as the vortex faded, Galaxia emerged, but she was changed forever.

Galaxia has transformed into SUPER ANGEL ETERNITY INFINITY PINK HEART LIGHTNING STORM ANGEL OF DIVINE PINK LIGHTNING HEART JUSTICE AND DIVINE LIGHTNING HEART ANGEL LOVE!

Everyone was amazed at Galaxia's Super Angel Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding. But, when Evil Coop and Evil Kiva saw it, they fell into a rage and they got into Evil Coop's mech to destroy her, but The S-Force came in and attacked Evil Coop's mech, and it really got them mad now.

Nico: Alright, now Galaxia's the last of The Ultra-Cadets to have transformed, so awesome.

Lincoln: J.D.'s going to enjoy seeing the explosions from this, and Galaxia, you look beautiful. How do you feel?

Galaxia: (Divine Echoing Cosmic Voice of The Thunderstorm Heart Angel and Divine Thunder Heart Love) I feel incredible, Linky. Now, shall we take care of Evil Coop and Evil Kiva for good?

Lincoln: (Smiles) With pleasure, Galaxia.

Nova: We're also joining in as well, guys.

Duchess: Same with us.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Galaxia, and Nova, Pulsar, and Comet transformed into their Super Angel Eternity Infinity forms and unholstered their massive greatswords and joined them, along with The S-Force.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) Time to send you two inhuman bastards straight to Hell for what you've both done on your Earth.

Lincoln, Galaxia, Nova, Comet, Pulsar, and The S-Force went after Evil Coop and Evil Kiva, and they fired powerful blasts of rainbow energy, emerald green energy, yellow energy, red and pink energy, aqua blue energy, hearts, laser blasts, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, rainbow super lightning, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, and Angels at Evil Coop and Evil Kiva who are still in Evil Coop's mech, and they exploded with incredible power as they hit them. Then, they attacked the mech with their massive greatswords and left nasty scars on them.

Coop: Aw yeah, keep wrecking that eyesore mech, gang. Whoo!

Nico: Oh man, I can't believe J.D.'s missing this.

Just then, I came back.

Me: Guys, I saw the explosions, am I missing the show?

Nico: No, J.D., the show's just beginning.

Then, Lincoln had an idea: Lincoln used telekinesis and got Evil Coop and Evil Kiva out of Evil Coop's mech, and then, he put his hand on Evil Coop's mech, and it glowed blue, and then, Lincoln absorbed it into his body, and he gained brand-new weapons and gadgets. Then, a blue energy card with Evil Coop's mech soul inside it appeared in Lincoln's large left hand, and when the kanji appeared on its forehead, it was erased by The Black Gates, and it got them really furious. But, then, Lincoln, The S-Force, and The Ultra Cadets fired massive energy beams at them, and they exploded with incredible power, killing them and Evil Coop and Evil Kiva were erased by The Black Gates. We cheered wildly for them as Lincoln, The Ultra Cadets, and The S-Force powered down and holster their weapons, and Galaxia's new body, clothes, weapons, jewelry, and massive angel wings are permanent.

Galaxia: Now, that's what I call an awesome take-down. Thank you for helping us get rid of Evil Coop and Evil Kiva, Linky.

Lincoln: (Smiles Warmly) You're welcome, Galaxia.

Suddenly, Galaxia wrapped her arms around Lincoln's thick muscular neck, as her chest pressed against Lincoln's massive and wide muscular pecs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned his face down to Galaxia's face, they kissed passionately as Galaxia's left arm is still wrapped around Lincoln's thick muscular neck, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, and Angel flying in the air, and we saw a herd of Buffalo across the field, along with lightning crashing down behind them, and we cheered wildly and they came back to us.

Nico: Alright, now, we're rid of Evil Coop and Evil Kiva.

Kiva: I would've thought those two would remain trapped in between dimensions thanks to Alternate Jamie's plan.

Lincoln: Looks like they wound up here in our dimension, Kiva. But, now we're rid of them for good, along with Evil Coop's eyesore mech. I can't believe he traded in his Megas for that.

Coop: That's something I'd never do. But, what you did to that thing, that was so awesome!

Me: And you also gained some brand-new weapons and gadgets in the process.

Lincoln: You bet I did, J.D., and how was your grocery shopping?

Me: Whew, it was awesome and I got everything on the list, Lincoln.

Eli: You really had to get an early start to the shopping, right?

Me: You got that right, Eli. And you guys are going to tell me what happened on the rescues, right?

Lincoln: Yep.

We returned to The World Tree Estate, and we got rid of Evil Coop and Evil Kiva for good, and Lincoln and Nico told me what happened on their rescues: Nico and the group took down The Hairy Knuckles Wrestling Academy Students again, and Lincoln and his group destroyed Evil Crash in Brokenstone Vale in the world of Dungeons and Dragons.

Me: Whoa, you guys sure had a lot of fun on your rescues.

Lincoln: Especially with battling The Hairy Knuckles Wrestling Academy Students again, those brutes are just gluttons for punishment, they have no right to call themselves wrestlers.

Buena Girl: You said it, Lincoln.

Rikochet: And if they're at it again, we'll probably need to get La

Tormenta to help us take them down and show them what happens when they mess with a true Luchador.

Ronnie Anne: That would be really awesome!

Lincoln: Hmm, that would be something to see, along with seeing La Tormenta in action again.

Nico: Ooh, those brutes are in for a world of hurt next time they cause trouble again.

* * *

Later at the park, everyone was relaxing.

Randy: Shinnosuke, you and Onewa are up for bonding time.

Manaphy: Me and Mama will join in too.

Shinnosuke: Cool! Okay.

They got to relaxing by the lake.

I then appeared.

Me: Whew! Hey guys! I'm sorry I'm so late and didn't attend the rescues and the exercising. You wouldn't believe how many bags of groceries I bought for all of us.

Nico: That's all right J.D. but it was awesome.

Me: Yeah. But tell me all about it.

Lily: I'll show you instead.

She showed me the rescues on her phone and they were awesome.

Me: Wow! I've missed out on a lot and Anya, Selma it's awesome to see you again and awesome that you're both all right.

Anya Aquila: Thanks J.D.

Selma Eggelstein: Same here. But that was awesome you got to help out with all the groceries.

Me: Got to keep us fed somehow.

Laney: That's true.

Shinnosuke: Onewa, meeting you is something I'll never regret.

Onewa: That was so awesome and May and Manaphy helped you out before you met me.

May: It sure was and we helped you guys destroy many Roidmunes.

Manaphy: Yeah those were cool.

Ophelia Laurence: They sure were and Medic is awesome as my archenemy.

Me: She sure is Ophelia. Now we also have Heart and Brain in the M.O.E.

Qin: We sure do.

Onewa: Yeah that is so awesome.

Me: But Shinnosuke what Nira did to your father was completely unforgivable.

Nico: Yeah and thank goodness we killed that bastard.

Thunderbolt (Skylanders): It was actually Jun who dealt the killing blow to Nira the second time.

May: That's true.

Me: But Nico ate his heart right?

Nico: Yep. And we sent him to the Black Gates.

Me: Yeah. But he shot his own best friend in the back! All because of his unbridled fucking jealousy!

Eli: What a heartless jerk!

Varie: No kidding there!

Anya Aquila: Yeah and also I'm a huge fan of Kamen Rider as big as Megan Kiraton and I love Drive. Awesome story.

Me: All the Kamen Rider Series had an awesome story in it.

Anya Aquila: It sure did and Saber is my favorite too.

Nico: That was so awesome.

Go: I actually didn't know J.D. left his mark on my so called dad before his body got killed by Freeze, Heart, and Brain. Too bad it didn't matter because his mind was transferred to Brain's tablet.

Me: I've actually did several big things over the years.

Nico: That's true.

Me: That was awesome.

FLASHBACK - Chapter 1834

I then kicked Banno and smashed his helmet off and revealed his face and to our shock and everyone's disgust we saw that it was ugly and horribly scarred and disfigured with burns and melted skin!

Nico: OH GOOD GOD!

Eli: YEESH! What happened!?

Me: Excellent! Nice to know that I still have my mark on you after all these years.

Everyone: Huh?

Me: It was years ago. You see, I'M the one that left that mark. It was before the team was formed. I took down Banno and fired a powerful blast of fire and it burned him and horribly scarred him and disfigured him. He was thought to have been dead. But he survived.

Nico: WHOA!

Banno: Yes and now you will pay for everything you did to me J.D.!

Me: I'm just going to finish what I started!

FLASHBACK ENDS

Nico: That was awesome.

Qin: It sure was.

May: We had no idea you left you mark on him J.D. But that was cool.

Shinnosuke: It sure is and it was his mark of eternal damnation.

Me: Yep.

Astrotrain: I really like the friendship between Manaphy and Mr. Belt.

Manaphy: Yeah it is awesome.

Me: I think that is so awesome too.

Qin: Same here.

Shinnosuke: That is so cool that Manaphy and Mr. Belt are friends.

Manaphy: It sure is.

Qin: Yeah. But the coolest part of that whole series of missions with Shinnosuke and his team was using our cars to help out.

Nico: That was so awesome.

Laney: Yeah.

Mr. Belt: I'm touched that you think of me as a close friend, Manaphy.

Manaphy: I am glad to be a great friend to you.

Me: So awesome and cool.

Nico: It sure is. And Shinnosuke I love how you use your brain to figure stuff out very fast.

Shinnosuke: Yeah I get that all the time.

Me: It's like you're the Dr. House of the Police Force.

We laughed.

Shinnosuke: That is very flattering but yeah that's true.

Qin: It sure is.

Springer: And we know not to interrupt you when you're doing that.

Shinnosuke: (To Go) Except when I first met you.

Go: (defensively) It was my big debut on that day!

Nico: We know about that. But it was so awesome how your brain helps get the job done.

Qin: It sure is.

Laney: Yeah.

Me: But you got to admit though, it was really awesome how the Drive Team busts criminals turned into Roidmudes. Especially that bitch Reiko Nishihori.

Go: Yeah she was a monster.

Shinonsuke: The whole time, I thought the Roidmudes were the main enemies. But they became that way because of Banno's abuse towards them.

Me: Yeah. What a motherfucking douchebag.

Qin: Yeah. Now I'm REALLY glad that we gave that asshole the Black Gates.

Me: Yeah no kidding there.

Varie: I'm glad we did. Many of your enemies all deserve the Black Gates for doing such horrible atrocities to the world.

Shinnosuke: That is a good thing.

---

We were later back at the estate and getting ready for our next mission.

Gulper: I'm drinking some soda before we head out.

Me: We got plenty of it.

Gulper: Gulper love soda.

He drank some and belched.

LOUD BELCH!

Gulper: Pardon me!

Qin: No worries. So Nico what's our mission?

Nico: You'll love it guys. It's the reason why we were over in Luchaville. We're going to meet Nacho Libre.

Ronnie Anne: Oh wow! I love that movie!

Syd Chang: That movie was so funny!

Me: Yeah it was!

Nico: Yep. We're going to watch the movie first and then we'll head out.

Ronnie Anne: Awesome!

Then Chillyfish, Thundermon, Vanitas, Carly Atlas, Moonstone, El Diablo, Manta Bayarsh, Hank Scorpio, Taskmaster, and Gator Ghoul appeared.

Vanita: Can we watch it with you too?

Nico: You all sure can.

El Diablo: I love Nacho Libre. Great movie.

Nico: Yep.

We got to watching the movie.

Ignacio's parents, a Scandinavian Lutheran missionary and a Mexican deacon, both died while he was still a baby. Now a cook for the Oaxaca monastery orphanage where he was raised, Ignacio dreams of becoming a luchador, but wrestling is strictly forbidden by the monastery as it is considered a sin of vanity. Though Ignacio cares deeply for the orphans, he is unable to provide decent meals for them due to a lack of funds. He also struggles with his feelings for Sister Encarnación, a nun who has just arrived to teach at the orphanage. One night, while collecting a bag of tortilla chips for the orphans, Ignacio gets mugged for the chips by a street thief named Steven. Having had enough, Ignacio decides to disregard the monastery's rules and become a luchador to make money. He convinces Steven to join him by promising to share the prize money if they win, and the two join a local competition as tag partners.

Ignacio fights with the moniker "Nacho" to keep his identity secret, while Steven adopts the name "Esqueleto". They get defeated in their first match but still get paid nicely, as wrestlers are entitled to a portion of the total revenue. They prove popular with the crowd so are invited back. They continue to wrestle every week, with Ignacio using the money to acquire better food for the orphans but becoming frustrated that the duo can never achieve victory in the ring. Ignacio tries everything he can think of, including a folk remedy to acquire the powers of an eagle, but success still eludes the two. He then seeks advice from champion luchador Ramses, who arrogantly rebuffs his attempts at conversation.

Undeterred, the duo infiltrates a party Ramses's manager holds for the best wrestlers. Steven climbs over a wall to get inside, where he discovers that in order to be considered a professional, one must be the last luchador standing in the ring at an upcoming free-for-all match. Ignacio gets in by disguising himself as a band member playing for the party, but does not know their material and improvises; Ramses finds Ignacio's performance annoying and ousts him. Attending the party causes Ignacio to fall behind on his responsibilities to the orphans, for which he angrily blames Steven, who retaliates by declaring he hates all orphans; they acrimoniously end their partnership.

Ignacio's secret is revealed to the entire monastery when his robe catches fire during mass, exposing his wrestling costume and forcing him to admit that he is a luchador. He declares that he intends to fight at a battle royale for the right to take on Ramses for a cash prize, which he will use to buy a bus for the orphans. During the match, wrestler Silencio ultimately emerges the victor after defeating Ignacio, who comes in second place. Ignacio is banished from the monastery, so he goes to live in the "wilderness", which is actually very close to the nearby village.

The next morning, Steven comes to tell him that Silencio has been injured and cannot fight, and that as the second-place finisher, Ignacio now has the right to fight Ramses; Ignacio and Steven agree to team up again. That night, Ignacio sends a message to Encarnación, explaining his plan and confessing his love to her.

Ignacio overcomes difficulty and manages to do well in the match, winning the crowd's support, but Ramses cheats and nearly wins until Ignacio sees Encarnación enter the arena with the orphans. Inspired by their support, Nacho rallies himself and defeats Ramses with a diving technique.

Ignacio becomes a professional wrestler and eventually manages to buy a bus for the orphans with his prize money; he then takes the orphans, Steven, and Sister Encarnación on a field trip to Monte Albán built by the Zapotec civilization. Ignacio, by now, has earned Encarnación's favor, as demonstrated by her signs of encouragement and his somewhat awkward acknowledgment thereof.

Whe were laughing a lot at the funny parts and it was so awesome and funny! When it was done we cheered wildly!

Me: That was so awesome!

Nico: Yeah it was! So there's our main target guys. We're going after Ramses.

Varie: That cheater is going down.

Lynn: He is a disgrace to the world of wrestling of any kind.

Me: Yeah! Lets see here.

I pulled up his info.

---

Nacho Libre is an aspiring wrestler who seeks to gain advice from Ramses, but he is vain and in no mood to help aspiring wrestlers.

He is later seen in the audience during a wrestling match between Nacho Libre and Esqueleto vs Satans Cavemen. When Nacho and Esqueleto lose the fight, Ramses chuckles at their failure.

He is later spotted in the market with another champion wrestler named Silencio by Nacho and his orphans, who want an autograph from Ramses, but when Nacho asks him for one, he shoves him into a food cart, which makes Nacho see Ramses for who he really is.

Later during a party for wrestlers, Nacho and Esqueleto sneak in the party and Nacho sings a song about Ramses with a band. In spite of him being forced to improvise and make it up on the spot, Nacho actually starts to get into it and comes up with decent lyrics. However, Ramses still doesn't like it and deliberately splashes the contents of his wine glass on Nacho.

When he is getting ready for his wrestling match with Nacho, he is seen getting all oiled up, and is inspired by a worker who says "Ramses is number one, his legs are number one, his eyes are number one, his muscles are number one, Ramses is number one."

Right before the match begins, Nacho offers Ramses a high five, but Ramses just shoves Nacho and when the match begins, despite initial difficulty, Nacho does well in the match. When the crowd begins to support Ignacio, Ramses resorts to cheating. Nacho is nearly defeated-indeed, unmasked-by Ramses, when Nachos orphans enter the arena. Elated and inspired, Nacho rallies himself and defeats Ramses with an aerial diving technique.

It's unknown what happens to Ramses after this, but it could be possible that he was eventually exposed as a cheater and was banned from future wrestling events.

---

Me: WHOA! So he was banned from all wrestling.

Nico: Good. So he'll be coming for revenge.

Qin: Yeah he sure will.

Nico: Yep. And we're ready for him.

Vanitas: Me, Chillyfish, Thundermon, Carly Atlas, Moonstone, El Diablo, Manta Bayarsh, Hank Scorpio, Taskmaster, and Gator Ghoul are coming with you guys.

Nico: Yep. This is gonna be awesome.

Rikochet: But he has no respect. Luchador Wrestling is all about Honor! Family! Tradition!

Qin: That is right!

Cheetah: Nico, which Gene Slammer do you think you'll meet next?

Nico: A Digimon Gene-slammer next. I'm gonna hope for meeting a Volcdramon Gene-slammer next.

Qin: Wow we haven't done a Digimon Gene-slammer in a while.

Varie: No we sure haven't.

Laney: Yeah it has been a while.

Camie: That is awesome that there are so many different kinds of Gene-slammers.

Sakura Valencia: There sure are.

Laney: Yep.

Chillyfish: Shall we get going?

Nico: Lets shall.

Me: We're off!

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure was: it was none other than Mean Applejack, and she's furious that The Hairy Knuckles Wrestling Academy Students, Evil Crash, Evil Coop and Evil Kiva have been stopped by us, and they failed to destroy us, and now, she's heading here to destroy us all and get her revenge. When we saw it, we knew it meant trouble.

Morgana: Uh oh, I know those glowing eyes from anywhere. Lincoln, is Mean Applejack on the move?

Lincoln: You caught on real quick, Morgana, and she's furious that The Hairy Knuckles Wrestling Academy Students, Evil Crash, Evil Coop and Evil Kiva have been stopped by us, and they failed to destroy us, and now, she's heading here to destroy us all and get her revenge.

We gasped.

Applejack: So, that sidewinding dishonest monster was the one who sent those creeps after us again. She's going to get it big time.

Gloria Tricksenstein: You said it, we'll teach her a lesson in why it's important to always tell the truth.

Trixie Lulamoon: Along with a lesson in humility.

Lincoln: And I sense you're also going to transform, right, Trixie?

Trixie Lulamoon: You guessed it, Linky. I was hoping to save it for my Ambassador Mission next year, but with The Doomsday 23 still on the loose and The War Against Evil Starlight Glimmer that's fast approaching, looks like I have no choice.

Me: It's okay, Trixie.

Nico: Yeah, and you're absolutely right, The Doomsday 23 are still on the loose and The War Against Evil Starlight Glimmer is fast approaching, so it looks like you're going to transform early and help put a stop to Mean Applejack.

Apple Bloom: Those three will teach that imposter disguised as my sister a painful lesson in honesty and humility.

Applejack: You said it, Sugarcube.

Nico: Well, now we know who sent those six brutes at us, and we already know she's already sealed her own fate. Alright, gang, let's go, we've got a cheating Luchador to thrash into pulp.

Lincoln: Disrespecting the sport of wrestling?! That's going to warrant a full wrestling beatdown, and Mean Applejack, don't think you're also getting out of this, you're going to pay for trying to ruin my future wife's good name and making her look bad in front of her family and everyone around her.

Applejack: You got that right, Linky.

We were off to Luchaville!

---

We arrived in Luchaville.

Me: Here we are.

Qin: Yeah.

Smoke Scream: He's around here somewhere.

Eli: Everywhere it would seem.

We saw posters up for Nacho Libre putting on a wrestling match.

Nico: Lets go check it out.

We went to a stadium and we saw Nacho Libre taking on a

Luchador called El huevo duro.

Nico: El huevo duro?

Me: Hard Boiled Egg.

He dogpiled him.

UNO! DOS! TRES!

HE'S OUT!

He ripped off his mask and he won!

We cheered wildly for him!

Nico: Way to go!

Nacho Libre: (Spanish Accent) Ah Team Loud Phoenix Storm! It's an honor to meet you all.

Me: You too Nacho. You were awesome.

Moonstone: Where's your pal Steven?

Nacho Libre: Oh here's here.

Steven Esqueleto: (Spanish Accent) Team Loud Phoenix Storm! It's an honor amigos.

Me: You too Steven.

Nico: But it's awesome to meet you both. You turned El huevo duro into huevos revueltos.

We laughed at that one!

Qin: (LAUGHS) That was a good one.

Luan: (Laughs) Huevos revueltos that's funny!

Jindrax: Umm… translation, please?

Nico: That means Scrambled Eggs in Spanish.

Jindrax: Oh! I get it now. That was funny.

Me: Yeah that was funny.

Nacho Libre: It sure was.

Ronnie Anne: Do you know La Tormenta? She's my favorite Luchador.

Nacho Libre: She's a great Luchador. But I don't know her in person.

Nico: Also you're in a town where EVERYONE is a Luchador in training or is a professional, Luchaville.

Rikochet: It's true. This town is where the team met me and my friends.

Buena Girl: And what you do is so Buena.

Nacho Libre: Gracias amigos.

Manta Bayarsh: We're honored to meet a great wrestler like yourself.

Nacho Libre: Well, I wasn't always a great wrestler. When me and Steven first started out, we lost a few matches.

Steven: Amigo, don't beat around the bush. We fucking sucked back then.

Me: Well you don't now. You guys are great.

Qin: You sure are.

Rikochet: Being a Luchador is not just about fame. It's about Honor! Family! Tradition!

Flea: That's right!

Ashi: And it's very touching that you did it for the orphans that you guys knew.

Nacho Libre: That was a good deed we did.

Me: Yeah it sure was.

Laney: Yeah we all are happy you did that.

Nico: Yeah unlike a certain gold mask rival that cheated that you all know that's coming for revenge.

Nacho Libre: You mean?

Nico: Yep. We think that Ramses is coming after you for revenge.

Nacho Libre: You think my diving technique will defeat him again?

Taskmaster: Honestly? There's a 10% chance he won't fall for it this time.

Me: Very good odds and statistics.

Qin: Yep.

Nacho Libre: Good thinking.

Me: But after we weaken him with our powers.

Nacho Libre: Will it work?

Me: We're not called the most powerful force in the entire universe for nothing.

Grinnade made some video game noises.

Steven: You can't talk, can you?

Me: Nah he is always like that but we understand him. He said that he agrees with me.

Nico: Besides it will take more than someone like Ramses to beat us.

Homer: I'll kill that monster for dishonoring wrestling.

Nico: Homer will strangle him into dust.

Gator Ghoul: I hope one of you guys does the Kinniku Buster on him!

Nico: Now that is awesome and a great move.

Rikochet: I'll demonstrate my Luchador move on him.

Qin: Yeah!

Lynn: And me too.

Lola: We think Luchador Wrestling is great!

Varie: I hope one of us does the Titanic Twist on him.

Camie: The Titanic Twist?

Me: A deadly wrestling move that became one of the monsters that Scooby Doo and Mystery Inc. took down.

Coconuts: One of these days, Titanic Twist should be added to the Masters of Evil.

Grounder: Why isn't that a move?

CLANG!

Scratch hit him on the head.

Grounder: OUCH!

Scratch: He means the actual monster should be added to our frenemies you dumbbot!

Qin: That's not a bad idea guys.

Nico: It sure is.

Carly Atlas: I agree there. That's a good idea.

Hank Scorpio: How do you think Ramses is gonna get here

anyway?

Me: Cab probably.

Qin: Yeah I think he lost everything.

Nico: Yeah after he was exposed he probably lost everything and made dirt poor.

Qin: Hmm.

Laney: Yeah you're right.

Killer Frost: Or he might walk.

Me: From his home to here? That would take days and it would be the time of the war by the time he gets here.

Nico: And that is time we don't have.

Killer Frost: Good point.

Qin: Yeah.

El Diablo: I think he also might threaten a cab driver into driving him here.

Me: That is a possibility.

Qin: Yeah.

Xenia: Lets hope he doesn't.

Me: But we're ready for him.

Laney: We sure are.

Swift Foot: Why don't we get ready for him now?

We nodded and got ready.

We were waiting.

We waited and then we saw a cab pull up.

Qin: There it is.

Carly: No one make a sound yet.

We stayed quiet and waited for the right moment.

He looked around and he was infuriated.

Starlight Glimmer: Time for our entrance!

We went at him.

Ramses was enraged. Then the spirits of all Luchador Wrestling appeared and swirled around him and then converged and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out and then a phoenix cry was heard and we came out and landed.

Me: Hola Ramses. Nice day for us to kick your ugly ass.

Qin: Si!

Thundermon: I'm gonna enjoy zapping your ass!

He fired a blast of lightning and electrocuted his butt!

Ramses: YEEEEEEEEOOOOOOWWWWW!

Nico: Take that!

Me: I'll try to remember that.

Crimson Dynamo: (to Nico) So, how was the first battle in Luchaville this morning?

Nico: It was great actually.

Shiva: And who did you fight?

Nico: The Hairy Knuckle Students. They were back for round 2.

?: That was cool.

A figure came out and it was SHADOW CHROMITE from episode 4 of Turbo!

---

Shadow Chromite was one of the Chromites who served Divatox. The Chromites appeared when General Havoc arrived. Shadow Chromite was unique. His life force was connected to the sunlight. He also could control sunlight and was able to create the Shadow Rangers from the solar energy.

In the fourth episode, Divatox ordered Shadow Chromite to attack Angel Grove with a detonator which was supposed to destroy the city in the blast. Chromite attacked Angel Grove and encountered the Power Rangers. Chromite created the Shadow Rangers who absorbed the Rangers' powers and the Rangers lost their powers and couldn't morph. Adam, Kat and Tanya were captured. Justin later also encountered Chromite who stole Justin's powers, made his evil twin and was captured, while Tommy escaped to the Command Center.

Chromite sent the captured Rangers to his cave with bra-lamps under the guard of the Pink Shadow Ranger, and he took the other Shadow Rangers with him to hunt Tommy. However, Dimitria helped Tommy as she told him that the Shadow Rangers were created from lights of solar energy, so they can be defeated if the sunlight is blocked and they get in the shadows, they fade away forever. Tommy encountered the Shadow Rangers, managed to lure them in the shadows and they disappeared.

Then Tommy followed a signal of the beacon of transmitter which Justin put in his pocket. Tommy followed to the cave and broke the bra-lamps, destroying the Pink Shadow Ranger, and freeing his friends. Then the Rangers morphed and formed the Turbo Megazord. The Turbo Megazord blocked the sunlight and Chromite and his detonator were finally destroyed.

---

Tommy Oliver: Shadow Chromite!

Me: I remember you! You made the Shadow Rangers and that was awesome!

Shadow Chromite: That's right.

Qin: That was cool.

Shadow Chromite: (to TJ) You look different then the Red Ranger who fought me before.

TJ: That's because Tommy passed on his Turbo powers to me after your first defeat.

Me: The torch was passed on in a sense.

Qin: Yep.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Aura, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Aura Tarottomajikku: (Japanese Accent) That's incredible.

Nico: It sure is. So, Aura, what's the story on why you hate Lisa with a burning passion, and Luan said she also got caught in it as well?

Aura Tarottomajikku: (Japanese Accent) You're not going to like it one bit. One day, Lincoln, Luan, and I were at The Santinis' house for Mary's third birthday, and we had a really awesome magic and comedy show planned for them, it was awesome and everyone was there. But, then, a rope came out of nowhere and I was tied up in it and I was also electrocuted, and Lincoln and Luan saw who it was: it was Lisa, and she'd attempted to capture me, so she can take me to her lab and dissect me and see why I have powers over magic. Luan untied me after Lincoln shorted out the rope by grabbing and absorbing the electricity in the rope. This made Lisa angry and she called her robots including Todd and ordered them to kill Luan and Lincoln and capture me. Lincoln blasted the robots including Todd and they were really busted, and then, Lincoln blasted Lisa and he trapped her in a sphere of darkness. We apologized to The Santinis for what Lisa did, but they were glad we were okay, and we were also glad they were okay. Then, we called Lori and told her what Lisa did, and when she arrived in Vanzilla, we got in and went back to The Loud House, and after we told Mr. and Mrs. Loud what Lisa did, they almost decided to call the police and send Lisa to a federal nuthouse for life, but I had decided on a punishment fitting for her: I fired a blast of magic at Lisa, and I turned her into a fish, and I had her put in an aquarium for two weeks.

Everyone cheered wildly.

Nico: Ouch, now that's what I call one fishy punishment.

Everyone laughed.

Luan: (Laughs) Good one, Nico, and Lisa, you had that coming long ago. Lincoln and I told you to stay away from Aura, but, you didn't listen.

Lisa: The time I spent as a fish was indeed a fitting punishment for me.

Lincoln: But, we eventually forgave Lisa, after the two weeks were finally up, and Aura's spell wore off. But, now, we're immune to magic, along with being immune to all other sorts of harm.

Aura Tarottomajikku: (Japanese Accent) That's right.

Qin: TAKE THAT!

Nico: UNO, DOS, TRES! YOU'RE OUT!

We cheered wildly as Ramses is sent off to prison.

Me: That'll teach you, cheater.

Nico: You got that right, J.D., but we're not out yet, we've still got Mean Applejack to deal with, and that dishonest Earth Pony should be arriving… right now!

?: You will all pay for ruining my plans to get rid of you, Team Loud Phoenix Storm!

Applejack: I should've known there's no mistaking that voice from anywhere.

Trixie Lulamoon: You said it. You can come out now, Mean Applejack.

A figure was heading straight for us with demonic rage in her eyes, but Trixie Lulamoon kicked the figure away, and we saw who the figure was: it was none other than Mean Applejack, The Element of Dishonesty.

Andy Johnson: Whoa, so that…?

Applejack: Yep, my mean self, but unlike I who represents The Element of Honesty, she represents the Element of Dishonesty, and that's something I can't stand.

Mean Applejack: You all have ruined every last one of my plans, I could've finally gotten rid of all of you, but no, those idiots were weak to do anything! Now, I will kill all of you!

Mean Applejack ran at us with superfast speed to attack us, but Lincoln grabbed her by her shirt and he hoisted her up with his immense and brute superhuman strength and he tossed her into a nearby wall. She got out, but she was really mad.

Trixie Lulamoon: Whoa, you've really made her really mad now, Linky.

Lincoln: Now, normally, I would never do that to a lady, but you and the rest of The Mean 6, The Doomsday 23, and any other pure evil female are an exception, Mean Applejack

Mean Applejack went after us again, but she was shield bashed in the head by Gloria Tricksenstein who had her Elemental Shield of Harmony.

Mean Applejack: Who do you even think you are to get in my way?!

Gloria Tricksenstein: Someone who refuses to stand here and let you hurt my friends. (Sapphire blue energy aura flares up) I am Gloria Tricksenstein, Champion of Trixie Lulamoon, The Alicorn Princess of Humility and one of the 27 girls chosen by The Elements of Harmony to be The Champion of Humility.

This horrified Mean Applejack badly.

Mean Applejack: Impossible, The Champions of Harmony have returned?!

Suddenly, Gloria Tricksenstein's purple eyes turned neon purple, and she was surrounded by a sapphire blue energy aura with Alicorns, stars, and magic, she unholstered her massive her Sword of The Champion of Harmony, and as she approached Mean Applejack, she left sapphire blue energy, stars, magic, and Alicorns with every step.

Gloria Tricksenstein: Mean Applejack, I will never forgive you for the crimes that you've committed against Equestria in the name of that hate-filled bug, Queen Chrysalis. You are nothing more than a harbinger of dishonesty, and I will see to it that you receive the ultimate punishment for your crimes: death!

Suddenly, Gloria Tricksenstein was surrounded by a massive vortex of sapphire blue energy with stars and magic surrounding it, there's an Alicorn flying around the vortex, and inside the vortex is a purple phoenix. Then, as the vortex faded, Gloria Tricksenstein emerged, but she was changed forever.

Gloria Tricksenstein has transformed into SUPER ANGEL-ALICORN ETERNITY INFINITY COSMIC MAGIC STORM ALICORN ANGEL OF DIVINE COSMIC HUMILITY AND DIVINE STAR MAGIC LOVE!

We were amazed by Gloria Tricksenstein's Super Angel-Alicorn Eternity Infinity transformation, but when Mean Applejack saw it, she flew into a rage and charged at her, but Gloria blocked it with her shield, and she fired a powerful sapphire blue energy blast with stars, magic, and Alicorns, and it hit Mean Applejack and sent her flying into a tree, but she's not out yet.

Nico: Whoa, now Gloria Tricksenstein's transformed, so awesome!

Ken Knudson: And now, it's Trixie Lulamoon's turn to transform.

Gloria Tricksenstein: (Divine Echoing Cosmic Voice of The Star

Magic Alicorn and Divine Star Humility Love) **That's right, Ken.**

Me: Oh, this is going to be good.

Trixie Lulamoon: Yep. Time to teach that monster a painful lesson she's never going to forget.

Suddenly, Trixie Lulamoon's purple eyes turned neon purple, and she's surrounded by a sapphire blue energy aura with stars, magic, and Alicorns as she unholstered her massive Sword of The Knights of The Friendship Table from her back, and as she approached Mean Applejack, she left sapphire blue energy, stars, magic, and Alicorns with every step.

Trixie Lulamoon: You absolutely make me sick, Mean Applejack. You've caused nothing but pain and suffering to so many ponies in Equestria with dishonest lies and all for that hate-filled bug, Queen Chrysalis, and you also had the nerve to try and ruin Applejack's good name. That's something I cannot forgive, as the Alicorn Princess of Humility, you are hereby sentenced to death for the crimes you've committed against Equestria.

Suddenly, Trixie Lulamoon was surrounded by a massive vortex of purple energy with stars and magic surrounding the vortex, there's an Alicorn flying around the vortex, and inside the vortex is a purple phoenix. Then, as the vortex faded, Trixie Lulamoon emerged, but she was changed forever.

Suddenly, Trixie Lulamoon's massive Sword of Humility, Destroyer of The Doomsday 23 sword, Sword of The Knights of The Friendship Table, and all the swords she'd gotten in the treasure battles began merging together, and they were surrounded by a kaleidoscope of sapphire blue energy, stars, magic, and Alicorns, and when it emerged, it was transformed into Trixie Lulamoon's Magical Greatsword of Redeeming Humility and Magician Humility, it's a brand-new large greatsword with a 7'0" massive, wide, double-edged purple blade with her cutie mark and stars etched on it, large sapphire blue alicorn heads for the crossguard, large purple gem embedded in the rainguard, longer black handle, large purple alicorn heads with sapphire blue gems for eyes and a large purple gem on the bottom of the heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with sapphire blue gems on her wrists, her Belt of Elemental Bravery with an Alicorn for the belt buckle with purple gems for the eyes and a large sapphire blue gem in its collar for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip, Eater of Sins revolver holstered on her left hip, and purple Crystal Saber holstered on her left hip. Trixie Lulamoon has transformed into SUPER ANGEL-ALICORN ETERNITY INFINITY COSMIC MAGIC STORM ALICORN ANGEL OF DIVINE REDEMPTION COSMIC HUMILITY AND DIVINE STAR MAGICAL LOVE!

We were amazed by Trixie Lulamoon's Super Angel-Alicorn Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding. But, when Mean Applejack saw it, she went even more mad with rage and tried to charge at us again, but Trixie Lulamoon fired a powerful sapphire blue energy blast with stars, magic, and Alicorns, and it hit Mean Applejack and she was sent flying into another wall, but she wasn't out yet.

Nico: Whoa, Trixie Lulamoon's transformed, so awesome.

Me: You said it, Nico.

Lincoln: It may have been early, but Trixie was right, The Doomsday 23 are still running loose and the day of The War Against Evil Starlight Glimmer is already fast approaching, so she had no choice but to transform. And Trixie, you look beautiful. How do you feel?

Trixie Lulamoon: (Divine Echoing Cosmic Voice of The Magic Humility Alicorn and Divine Redemption Humility Love) **I feel incredible, Linky. Now, shall we join in and help Gloria teach that pale imitation of Applejack a lesson in always telling the**

**truth and being humble?**

Lincoln: (Smiles) With pleasure, my Alicorn Princess of Humility.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Trixie Lulamoon and Gloria Tricksenstein.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Let's show this monster what happens when she resorts to dishonesty and lies.**

Gloria Tricksenstein, Trixie Lulamoon, and Lincoln went after Mean Applejack, and they fired powerful blasts of rainbow energy, sapphire blue energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, rainbow lighting, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, and Angels at Mean Applejack, and they exploded with incredible power as they hit her, and she was being burned badly by The Magic of Friendship. Then, they attack her with their massive greatswords and they left painful scars on her, and because of the purity of the attacks, it really burned her badly, and the wounds she suffered would never heal. Then, Lincoln grabbed her by the neck and he began sucking out and absorbing all of her strength and hatred and he and the rest of us made them our own, and when Lincoln was done, Mean Applejack was weakened to such a degree she couldn't even stand.

This allowed Gloria Tricksenstein, Trixie Lulamoon, and Lincoln to finish Mean Applejack off by firing powerful energy beams and they overwhelm Mean Twilight and they exploded with incredible power, killing her for good. We cheered wildly for what Gloria Tricksenstein, Trixie Lulamoon, and Lincoln did to Mean Applejack as they holstered their massive greatswords on their backs and powered down, and the new bodies, clothes, weapons, jewelry, and massive angel wings of Gloria Tricksenstein and Trixie Lulamoon are

permanent.

Then, as Mean Applejack's spirit appeared, the cutie marks of The Mane 9 on the massive Celtic Cross cutie mark tattoo on Lincoln's wider and more muscular back glowed, along with the cutie marks of The Mane 12 and the Elements of Harmony on my massive greatsword, and Mean Applejack's spirit was surrounded by a magic circle with the cutie marks of The Mane 12 that formed on the ground, and she was chained up by chains of magic and rainbow energy, and the energy images of The Mane 12 appeared from the cutie marks on the circle, and they found her guilty of her crimes, and the energy images of The Mane 12 aimed their horns at Mean Applejack and Lincoln aimed his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds at Mean Applejack.

Lincoln: Mean Applejack, for the crimes that you've committed against Equestria and for trying to ruin Applejack's good name, you have been found guilty, and the punishment for your crimes is death.

This horrified Mean Applejack, as she soon saw her days of havoc and chaos are about to end.

Lincoln: MANE 12 HARMONIOUS CUTIE MARK FINAL JUDGEMENT!

Lincoln fires a very powerful barrage of rainbow energy beams with Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, rainbow super lightning, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, and Angels from his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds and the energy images of The Mane 12 fired colored magic energy beams from their horns, and as they hit Mean Applejack's spirit, they exploded with incredible power and her spirit was condemned to The Black Gates, and she was fading away.

Mean Applejack: CURSE YOU TEAM LOUD PHOENIX STORM!

(FADES AWAY)

Mean Applejack's spirit was erased from existence by the spirits of all those she's hurt, and she would never return again.

Trixie Lulamoon: That's the end of that dishonest clone of Queen Chrysalis. Thank you for helping me and Gloria take down and destroy Mean Applejack, Linky.

Lincoln: (Smiles Warmly) You're welcome, Trixie.

Suddenly, Trixie Lulamoon wrapped her arms around Lincoln's thick muscular neck, as her chest pressed against Lincoln's massive and wide muscular pecs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned his face down to Trixie Lulamoon's face, they kissed passionately as Trixie Lulamoon's left arm was still wrapped around Lincoln's thick muscular neck, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Alicorn, and Angel flying in the air, and a herd of Buffalo running across the field, along with elemental forces and magic and we cheered wildly.

Nico: Alright, that's the ninth member of The Doomsday 23 put down for good, and only 13 more to go.

Lincoln: Which means, the next member of The Doomsday 23 to take down tomorrow is Mean Rarity, The Element of Greed.

Minuette: Which means you, Abigail Minuette, and I are going to show her that her selfishness will lead to her downfall tomorrow, Lincoln.

Abigail Minuette: Yeah, and she's also going to pay for trying to ruin Rarity's good name.

Rarity: Absolutely, darling. She's a selfish monster who doesn't know anything about being generous at all.

Emerald Shine: Ruin Mom's good name, will she? She's going to learn what happens when she lets her greed get the better of her.

Topaz Flare: Yeah. Right, Dad?

Lincoln: That's right, Emerald Shine and Topaz Flare, her selfishness will soon lead to her downfall.

Ramses was taken to the hospital. That move I used on him really broke him.

Billy Numerous: That's the end of Ramses' wrestling career.

Dayu: He'll still be famous. In prison!

Me: And he will never be welcome in the world of wrestling again.

Qin: No he sure won't.

Me: The Titanic Twist made sure of that. It broke EVERY single bone in his body.

Nacho Libre: I can't wait to tell Encarnación about this!

Vexen: I'm sure she'll like it, Nacho.

Nacho Libre: Actually, it's Ignacio.

Mummy: Say what?

Nacho Libre: That's my real name.

Diabolico: (Shrugs) Either name is fine.

Me: This was an awesome mission for us.

Nico: Boy it sure was. And J.D. great use of the Titanic Twist on him.

Me: Thanks. It may be an outlawed wrestling move in the ring but NEVER to use on bad guys.

Nico: That's true. But great job today everyone!

Rikochet: ARRIBA!

Qin: YEAH!

Nico: This was an awesome day for all of us.

Nacho Libre: (To the viewers) This was a great adventure into the world of wrestling and now its honor has been avenged with the apprehension of Ramses.

Nico: That's for sure. He is a true disgrace to the world of Wrestling. Great job today. Lets head home.

We went back home and enjoyed the rest of the day and went to sleep.

Ramses was found guilyy of his crimes and was sentenced to life in prison without parole. He was also ordered to pay millions of dollars in restitution. Every single bone in his body was totally reduced to dust because of the Titanic Twist and now he is out of the world of wrestling forever. Now hw is nothing but a boneless blob.

Me: The Kamchatka Peninsula. Been a long time since we were here.

Nico: It sure has been a while.

Qin: Yeah.

Kaoruko: Wow look at all the volcanoes. It's beautiful.

Momo: It sure is beautiful.

Sakura Valencia: It sure is. And J.D. I'm so glad you found a way to get rid of that curse that prevented me from destroying more clothes.

Sakura was now wearing a neon pink crop top shirt with a pink skirt and black leggings and had black boots and black gloves.

Me: Not a problem Sakura.

Qin: It looks great.

Sakura Valencia: Thanks.

Nico: That's a big relief though.

Lola: It sure is.

Nicole: Yeah. Now I won't have to kill anyone that looks at Sakura.

Nico: Good.

Laney: Thank goodness.

Nico: Thanks for coming with me, Right.

Right Suzuki: Not a problem Nico. It's gonna be so awesome going with you on a rescue.

Varie: It sure is.

Nico: Right, remember when we met you last year on my birthday?

Right Suzuki: How can I forget? That was one of the most awesome days ever.

Qin: It sure was. We had a really awesome time on that one.

Me: It sure was awesome! That was one of the most unforgettable birthdays ever that we had for Nico.

Pinkie Pie: It was really amazing!

Sunset Shimmer: It sure was.

Me: And the first of the big missions that lead to the formation of Team Dark Phoenix Storm. We had no idea that we were starting the formation of Team Dark Phoenix Storm. From what I recall, Baron Nero was there as number 2 after the LupinRangers & PatRangers.

Nico: That's right! I remember that.

Laney: Yeah that was amazing. And J.D. tried his power out on Emperor Z.

Nico: That day was the second big mission in existence.

Me: And the first of many for all of us.

Right Suzuki: It sure was amazing. And you guys loved our Resshas.

Me: And you taught us the amazing power of Imagination.

Right Suzuki: We sure did.

Me: And Leni was feeling down about herself and you helped her out.

Right Suzuki: That's right we sure did. That was so awesome.

Rarity: Oh a poor girl like Leni feeling bad about herself like that.

Rainbow Dash: Yeah she is a great fashion designer.

Qin: She sure is. Along with Maria, Varie, Teresa, Rarity, and some of Lincoln's Guardian Angels.

Lincoln: That's true.

Nico: J.D., how DID you get rid of Sakura's curse? I tried to get rid of it by snapping my fingers so many times.

Brittney: I can answer that. I had to go to the Netherworld to find the answer. It's all in here.

She pulled out a black evil looking book and it was called The Dark

Grimoire of Asmodeus.

Brittney: It's called the Dark Grimoire of Asmodeus. I found out that her mom and dad sold their souls to the evil Demon of Lust himself and because of that they used Satanic Magic on Sakura which gave her the curse. When I saw how many failed attempts there were done on Sakura I knew that the answer was somewhere in the dark fires of the Netherworld. I found this book in the Carnal Tower of the 2nd Circle of Hell and it told me that the can be removed with this incantation.

She showed it to him. It was a very dark and scary incantation in Ancient Aramaic, a language not used for over 2,000 years.

Nico: Wow that is amazing!

Me: Yeah that is something.

Nico: Now, we just need to fix Elise's problem.

Me: The only way for that to happen would be to get rid of her Ghost Half but that's impossible.

Qin: He's right on that.

Wendy Sapphira: But we'll think of something.

Lola: Yeah we will.

Camie: Yeah. Also I have a feeling that this mission for today is gonna be a hot and infernal one.

Tsuyu: I got that feeling myself.

Nico: I have a feeling that whoever we're facing right now could be a good Masters of Evil member.

Me: I got that same feeling too.

But then my crest on my forehead was reacting to something.

Me: Uh oh.

J.D. 2: I sense a Shen Gong Wu in the area.

Me: Which one is it?

J.D. 2: It's Rio Reverso. That one has the power to change any object back into what it once was. It can turn a dinosaur skeleton alive and a wooden chair back into a tree.

Me: Wow that is amazing! Where is it?

My crest fired a laser and it pointed to a rock and I looked around and found it.

Me: Here it is!

Nico: Wow another Shen Gong Wu. Been a while since we found one of those.

Right: Wait. This looks too easy.

Eli: I don't sense any Heylin around.

Qin: If there are then we're going to blast them.

But then we felt a thunderous footfall.

Me: Uh oh. I hope that's not what I think it is.

Nico: Uh oh.

THUD! THUD! THUD!

Eli: Anybody hear that? It's a um.. (THUD) It's an impact tremor that's what it is. Fairly alarmed here.

Nico: It's getting closer.

Then we heard a roar! It was an all too familiar roar!

Nico: I know that roar!

Then out came A TYRANNOSAURUS REX!

Me: Whoa is that a Tyrannosaurus!?

Tyrannosaurus Rex: I told Chase Young I wasn't joining his Heylin group. Just because a Heylin villain brought me to life doesn't mean I'm one automatically!

Me: What the fuck!? He talks!?

Littlefoot: We know Chomper can do that but never any other Sharptooth.

Qin: Yeah!

Tyrannosaurus Rex: That's right and you must be the famous Team Loud Phoenix Storm.

Me: Yeah that's right.

Aylene: We never saw any other Tyrannosaurus other than Sharptooth talk other than through my Time Stone.

Tyrannosaurus Rex: That is true and you must be the famous Aylene Carter. The one that was known for killing Sharptooth millions of years ago.

Aylene C.: That's right.

Me: How did Chase give you the ability to speak?

Tyrannosaurus: He used the Eagle Scope on me.

Qin: Wow that is amazing.

Tyrannosaurus Rex: The Xiaolin Warriors aren't here with you all.

Right: Sorry. They're busy with stuff. So, you got us instead.

Me: And from the looks of things you hate Chase Young just as much as I do.

Tyrannosaurus Rex: Indeed I do.

Me: Looks like we're both after his head. But if I were to guess I have the feeling that we're going to face him as a secondary enemy during the Dino Fury Rangers mission when the time comes.

Qin: That is a really strong possibility.

Tyrannosaurus Rex: Indeed.

Me: Shall we get started? We have 66 million years of history to tell you after how the dinosaurs went out. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Nico: PYRI! FIRE WINGS BURN!

(CODA OF DARK PHOENIX PLAYS)

He turned into FIREWING 🔥!

Me: Haven't seen you use that form in a long time Nico.

Nico: I know it has been a while.

Tyrannosaurus Rex: We will settle this in a Xiaolin Showdown. In a game of Jurassic Chess.

Nico: You know what? That sounds fun. Let's do it!

Me: Lets go! XIAOLIN SHOWDOWN!

The area turned into a great chessboard! AWESOME!

Nico: Love Chess.

Me: Here we go. GONG YI TANPAI!

Tyrannosaurus Rex: You go first J.D.

Me: Okay. Pawn 1 D2.

My black pawn advanced.

Tyrannosaurus Rex: Pawn 1 D2.

Tyrannosaurus's pawn moved to said spot.

I had my piece attack it.

It was a really awesome game until it was down to just his King.

Tyrannosaurus Rex: Oh man.

Me: CHECKMATE!

His king fell.

Tyrannosaurus Rex: Good game.

Nico: Awesome.

Me: It was like a dinosaur version of Wizards Chess.

Eli: Very similar.

The Tyrannosaurus then dropped his Wu and they were the Changing Chopsticks, Sword of The Storm, Shard of Lightning and the Ruby of Ramses.

Me: Wow!

I used the Force and brought them over to us.

Me: The Changing Chopsticks, Sword of The Storm, Shard of Lightning and the Ruby of Ramses.

Nico: He sure was busy collecting some.

Qin: Yep.

Nico: And Wuya, the one who created you, is now part of the Masters of Evil.

Me: She is now Gine's archenemy. Gine is Master Goku's mother. It's a long story.

Tyrannosaurus Rex: That is interesting. Also how did you learn how to play chess like that?

Me: You would be amazed at what we have learned over the years. Chess is good for sharpening your mind and builds up tactical and strategical expertise.

Right Suzuki: Couldn't have said that better myself.

Tyrannosaurus Rex: That's true.

Nico: And when we get to the MOE HQ, don't be alarmed if you see a version of Jack Spicer with an Omnitrix device.

Tyrannosaurus Rex: I won't. Thank you and good game.

I teleported him to the M.O.E.

Nico: Good game.

Me: Yep but we're not finished yet.

Qin: Nope.

Then a figure appeared and it was a black version of an OMNIVORACIOUS! It was ANOTHER OMNIVORACIOUS!

Nico: Whoa! Another Omnivoracious!

Me: The natural predator of the Galvan!

Right: And you are?

Another Omnivoracious: (In a girls voice) Oh sorry I didn't mean to scare your friend.

Albedo: You are my natural enemy and you scare.

Me: Wait Yulia Shirayuki!? Wow!

Another Omnivoracious: Great to see you again J.D.

Me: Same to you.

Nico: You know her?

Me: Yep. Yulia is the Sailor Soldier for the planet Hoth.

Everyone gasped.

Eli: Wow! A Sailor Soldier for Hoth? That's cool!

Qin: It sure is.

Me: And she is also an author and makes amazing books.

Another Omnivoracious: I write books on Mysteries and all that.

Twilight Sparkle: That's really cool.

Varie: It sure is.

Albedo turned into Negative Omnivoracious

Negative Omnivoracious: Whatever Swartz promised you, we can grant it instead.

Another Omnivoracious: He promised to make me the greatest mystery author ever.

Me: You already are the greatest in my opinion.

Another Omnivoracious: I appreciate that and yes you're right. I can tell he was lying to me.

Nico: That's good you knew.

Me: Yep. Shall we dance? (ACTIVATE'S DUFF KILLIGAN'S RIDEWATCH)

Nico activated it.

Then what makes, then what makes

Then what makes, then what makes (what makes, what makes)

Love the exception?

So why, oh, why, oh

Why, oh, why, oh, why, oh

Are we so in denial when we know we're not happy here?

I can't hear you

I say what's, what's cooler than being cool? (Ice cold!)

Alright, alright, alright, alright, alright

Alright, alright, alright, alright, alright

Alright, alright, alright, alright

Okay, now ladies (Yeah?)

Now, we gon' break this thang down in just a few seconds

Now, don't have me break this thang down for nothin'

Now, I want to see y'all on y'all baddest behavior

Lend me some sugar, I am your neighbor

Ah! Here we go

Shake it, shake, shake it, shake it, shake, shake it (Uh oh)

Shake it, shake, shake it, shake it, shake it (Uh oh)

Shake it like a Polaroid picture, hey ya!

Shake it, shake, shake it, shake it, shake, shake it

Shake it, shake it, shake it, sugar

Shake it like a Polaroid picture

Now, all Beyonce's, and Lucy Liu's

And baby dolls

Get on the floor

Get on the floor, you know what to do

You know what to do

You know what to do

Hey ya! (Uh oh) Hey ya! (Uh oh)

I have a picture

Pinned to my wall

An image of you and of me and we're laughing, we're loving it all

But look at our life now

All tattered and torn

We fuss and we fight and delight in the tears that we cry until dawn

Oh, whoa

Hold me now, whoa

Warm my heart

Stay with me

Let loving start

Let loving start

You say I'm a dreamer, we're two of a kind

Both of us searching for some perfect world we know we'll never find

So perhaps I should leave here

Yeah, yeah, and go far away

But you know that there's nowhere that I'd rather be than with you here today

Oh, whoa, oh, whoa

Hold me now, whoa

Warm my heart

Stay with me

Let loving start

Let loving start, whoa

Hold me now, whoa

Warm my heart

Stay with me

Let loving start

Let loving start, whoa

You ask if I love you

Well, what could I say?

You know that I do and that this is just one of those games that we play

So I'll sing you a new song

Please don't cry anymore

I'll even ask your forgiveness

Though I don't know just what I'm asking it for

Oh, whoa, oh, whoa

Hold me now, whoa

(Hold me in your loving arms)

Warm my heart

Stay with me

She fired waves of energy and bones and water and smashed

Another Omnivoracious all over.

Me: ROCK ON STARLIGHT!

Eli: Try this ono! (ACTIVATES RAVEN (MLP OC) RIDEWATCH)

Eli ran fast and flew into the air.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:34)

Eli then jumped onto the Another Omnivoracious's back.

Another Omnivoracious: What are you doing!?

Eli: This.

Eli then grabbed the Ridewatch and pulled on it.

Me: Whoa!

Nico: Wow! What a stunt!

Then a Volcdramon appeared!

Me: Whoa a Volcdramon!

Nico: Wow!

Volcdramon: (Chinese Accent) (In a girls voice) This is getting good.

Nico: Meilin Jiangchi! Wow!

She reverted back and she was a girl with red, orange and yellow hair and clothes and orange eyes.

Meilin Jiangchi: This is gonna be tough.

Eli then pulled the Ridewatch out and she reverted back and Eli purified it and came back over!

Me: Wow! Eli that was incredible!

Meilin Jiangchi: Wow! Eli is one brave kid.

I went over to Yulia and she was a girl with teal and blue hair and had a Sailor Soldier uniform on.

Me: Yulia.

She woke up as I held her.

Sailor Hoth: (GROANS) What a headache.

Me: You're all right now Yulia.

I picked her up.

Nico: Eli that was totally crazy!

Eli: But…

Nico: But you were really brave doing that.

Eli: Thanks.

Nico: All this time, we didn't even know there was a Sailor Scout for Hoth

Me: I know.

Sailor Hoth: There are Sailor Soldiers for many planets all over actually. We just got to find them.

Laney: Yeah. But J.D. that is so cool that you have a Sailor Soldier of Hoth as a friend.

Me: It sure is awesome.

Sailor Hoth: And I'm glad he is my friend too.

Qin: We all are.

Me: Now we have Sailor Valmorg and now Hoth too.

Nico: So far. And we have only just begun.

Meilin Jiangchi: We sure have.

Sakura Valencia: Boy this is gonna be awesome.

Right: What's your favorite memory of Nico?

Meilin Jiangchi: I have a lot of them but most of them are all here in the Kamchatka Peninsula. My favorite is when me and Nico were here for some Earth Science studies and we discovered some meteorites here and we found out that they were fragments of the Tunguska Airburst from 1908.

Me: Wow that is amazing.

Qin: Yeah.

Nico: Yep. The largest piece we found weighed over 3.7 tons.

Me: Wow! That's over 7,500 pounds.

Lisa Loud: 7,400 pounds to be precise.

Qin: Wow I remember seeing that. That was incredible.

Laney: No kidding there.

Nico and Meilin hugged.

Nico: I've really missed you.

Meilin Jiangchi: Me too Nico. Me too.

Maria: I hope the next Another Omnitrix alien is a normal one.

Me: Me too.

Qin: Yeah 3 predators in a row is enough.

Me: Yeah.

Nico: But this was an awesome rescue. We got a new member for the M.O.E. and we got 5 of our Shen Gong Wu back.

Me: Yep. I found out that someone swiped the Wu from the vault in the temple and hid them all over the world again. And I'm willing to bet it's Chase Young.

Eli: I'll have to sense if it is.

Nico: For now lets go home.

We later went back home.

---

After Nico's rescue, Lincoln, Me, Ken Knudson, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, The Dynasty Warriors, The Samurai Warriors, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, The Demon Slayer Corps, The Saber Kamen Riders, and Nick Russell are heading to a planet made of precious and dazzling jewels known on Earth, and not only is Lincoln going to rescue the five girls here, but we're also going to destroy the demon lord, Neron from the DC Comics.

When we arrived on the planet, Rarity was already in heaven.

Lincoln: Whoa, we're here on another planet of jewels. This is so awesome.

Lincoln 2: (Through The Rainbow Thunderbird and Third Eye Rainbow Iris) This is another planet that I know all too well, Lincoln. Everyone, welcome to Astarfall, this planet is made of the precious gems and jewels that were known on Earth and beyond, and it's a peaceful world just like Elementa.

Rarity: This place is truly amazing, darling.

Lincoln: I knew you'd love it, Rares, but I also know what we're going to do here, not only am I going to rescue the five girls here, but we're also going to destroy the evil demon lord, Neron from the DC Comics.

Nico: And from what I heard, he's also another of The Justice League's most dangerous supernatural enemies.

Me: And I don't know if Mean Rarity sent him here to get the jewels on this planet.

We saw that Lincoln's massive white angel wings with orange and aurora-colored tips on the feathers haven't changed colors. But, we spoke too soon as the feathers changed from white to the color of Minuette.

Lincoln: I think you spoke too soon, J.D., looks like Mean Rarity did send him here to get jewels to slake her greed. But, we're going to end that monster for good. And I want to thank you and the Saber Kamen Riders for joining us, Nick.

Nick Russell: You're welcome, Lincoln, this is going to be one awesome adventure.

Kimberly Hirosentai: (Japanese Accent) That demon lord's going to regret coming here.

?: HEEEELLLLLLP!

Suddenly, Lincoln heard the sound of five girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the five girls, but they've been cornered by Neron, and he's going to kill them.

Lincoln: Let's get over there at once, guys, I found the five girls, but they've been cornered by Neron, and he's going to kill them.

?: (Girl's voice) (Australian Accent) That malevolent demon, let's get him.

Suddenly, we saw Phangler appear before us.

Lori: (Gasps) That's Phangler from My Singing Monsters, but what's it doing here?

Lincoln: Wait a second, I'd recognize that Australian accent from anywhere, I knew it was you, Ava Microphonefish, but we'll talk later, we've got a demon lord to destroy.

We rushed on over, and Lincoln fired powerful rainbow energy balls and elemental forces at Neron and it allowed the five girls to get to safety and inside an energy field created by Lincoln to protect them from the demon lord. When Neron saw us, he was enraged.

Neron: How dare you get in my way, Team Loud Phoenix Storm! I will destroy you all along with all of humanity.

?: That's not happening anytime soon.

Suddenly, we saw heavenly lights shine down from Heaven, and we saw a figure emerged, it was none other than Michael Demiurgos, the archangel warrior and champion of Heaven and brother of Lucifer Morningstar.

Lincoln: Michael Demiurgos. What brings you here?

Michael Demiurgos: My apologies, Team Loud Phoenix Storm, but we'll have to talk later once we've gotten rid of Neron.

Lincoln: Right. Kimberly, you're in for a show and an awesome surprise. Nick, you ready?

Nick Russell: Yeah.

Lincoln and Nick Russell: MAGICAL SOURCE! MYSTIC FORCE!

Nick Russell transformed into his Red Mystic Force Ranger form, and then, he turned into his Red Legend Warrior form and Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into his Orange Mystic Force Ranger form, and then, he turned into his Orange Legend Warrior form.

Nick Russell: ELEMENT OF FIRE! RED LEGEND WARRIOR!

Lincoln: ELEMENT OF RAINBOW LIGHT! ORANGE LEGEND

WARRIOR!

Luan: Whoa, that's awesome! Lincoln now has a Legend Warrior form, just like Nick and the others.

Nick Russell: Now, that's really awesome. Let's get him!

Me: Don't leave us out of the fun, guys.

Lincoln: CODE 1: RAINBOW!

Lincoln fired a powerful rainbow from his massive greatsword and Lion Staff and it hits Neron, and he was burned by the colorful rainbow blast.

Nick Russell: Nice shot, Lincoln, now it's my turn. CODE 1: FIRESTORM!

Nick Russel fired a powerful stream of fire and it hits Neron and burned Neron badly.

Me: That's so awesome!

Lincoln: Now, for the coupe de grace.

Lincoln and Nick Russell activated Code 2, and we knew what that meant.

Lincoln and Nick Russell: CODE 2: LEGEND WARRIORS, UNITED FORMATION!

Lincoln and Nick Russell fired powerful energy blasts which hits Neron, and he was destroyed and he was erased by The Black Gates forever. We cheered wildly as we holster our weapons and powered down and Lincoln and Nick changed back.

Nico: That was so awesome!

Me: That was incredible, and I recorded the whole thing for the rest of the Mystic Force Rangers to see when we get back.

Nick Russell: Nice, and wait until they see Lincoln's new Legend Warrior form.

Lincoln: You guys saw my Power Ranger forms last year, now you're going to see the other forms the Rangers turn into.

Eli: Whoa. And we found out from Michael that he wants to join us.

Lincoln: Whoa, having the Champion of Heaven join Team Loud Phoenix Storm?! This'll no doubt be a truly awesome thing. Plus, he's done so many awesome things, including stopping his brother, Lucifer Morningstar, okay then. You're in, Michael.

Michael Demiurgos: Thank you, Lincoln.

Lincoln: That's it for that malevolent demon lord, Neron, and he's never coming back again. And it's so good to see you again, Ava Microphonefish.

Ava Microphonefish reverted back to normal, and she's a beautiful girl with long flowing sea foam green hair, green eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has massive beautiful sea foam green angel wings, and she reigned in the power of Phangler, and she's dressed in a sleeveless dark green midriff top, green skirt, short camo pants, socks, camo sneakers, and long sleeveless dark green trenchcoat with microphones, ocean waves, and marine life on the coattails, and Phangler on the back, and holstered on her back is a large Phangler-themed greatsword with Phangler etched on the 7'0" massive, wide, double-edged sea foam green, sea foam green angel wings for the crossguard, large green gem embedded in the rainguard, longer black handle, and a large green gem surrounded by angel wings for the pommel.

Ava Microphonefish: (Australian Accent) You too, Lincoln, it's been a long time.

Lincoln went up to Ava Microphonefish and they hugged, and Ava Microphonefish is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw his vampire fangs and his massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his deeper manly voice.

Lincoln: It sure has, I haven't seen you when you were twelve, and as you can see, I really grew a lot since then.

Ava Microphonefish: (Australian Accent) Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you also have vampire fangs and massive white angel wings, that's amazing.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Ava Microphonefish, she's not only my Guardian Angel from Australia, but is also my classmate in Music and one of the most beautiful singers, plus she's an incredible swimmer and she has an interest in Marine Wildlife.

Me: Wow, that's awesome.

Lincoln: It gets even better, we would explore the lakes underwater and check out the marine wildlife there. We even made a collection of the marine wildlife while doing so, and we even cleaned the lakes a few times.

Nico: Whoa, that's even more awesome, you guys not only check out the marine wildlife and make a collection, you also clean the lakes a few times. That's both educational and being environmentally friendly

Lincoln: You know it, but she also hates Lola and Lynn with a burning passion.

We gasped in shock, and Lola and Lynn turned pale.

Nico: Lola, Lynn, what did you two do?!

Lori: You're probably not going to like hearing about it later on.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared around Ava Microphonefish's neck with green gems on the gold thunderbolt links and sea foam green crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Elemental Thunderbird Necklace of Eternal Love, and her new Elemental Thunderbird Choker of Eternal Love appeared on her

neck.

Ava Microphonefish: (Australian Accent) (Surprised) Lincoln, is this…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're part of my harem and one of my many future wives, Ava.

Ava Microphonefish had a smile on her face and tears in her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around Ava Microphonefish's waist and Ava Microphonefish wrapped her left arm around Lincoln's thick muscular neck, and he leaned down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the five girls, and when Lincoln saw them, he recognized them immediately. The five girls are Emi and Yumi Hanner and Kim Kyung Hwa from The Irresponsible Captain Tylor, and Reika Kobato and Sumire Motiki from Deep Insanity: The Lost Child.

Lincoln: Oh wow, it's Emi and Yumi Hanner and Kim Kyung Hwa from The Irresponsible Captain Tylor, and Reika Kobato and Sumire Motiki from Deep Insanity: The Lost Child.

Nico: Awesome.

Lincoln: Are you girls okay?

Emi Hanner: Yes, we're okay, thanks to you.

Then, when Emi Hanner and the other four girls saw who it was that saved them from Neron, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird

Emi Hanner: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made four clones of himself, and he and the four clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Emi Hanner: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, five Thunderbird Necklaces of Eternal Love appeared on the necks of Emi Hanner, Yumi Hanner, Kim Kyung Hwa, Reika Kobato, and Sumire Motiki with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, and they also have on their new Elemental Thunderbird Chokers of Eternal Love on their necks too. Lincoln and his group returned to the World Tree Estate and we told everyone what happened, and they also met Michael Demiurgos, and he's now a new member of the team, and they were shocked when they found out the villain we went after was the malevolent demon lord, Neron.

But, when Lincoln showed what we did to that demon lord, along with seeing Lincoln's new Orange Legend Warrior form, everyone cheered for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Ava Microphonefish have a lot of catching up to do now that she's back in town.

Maria: Whoa, we already saw Lincoln's Orange Mystic Ranger form, now we just saw his Orange Legend Warrior form, so awesome.

Nico: And Lincoln said he's going to show us the other forms of The Power Rangers later on. This is going to be so awesome.

May: Plus, we now know that Team Rocket has also used the DNA of the monsters from My Singing Monsters.

Lincoln: And Gene-Slammed some of my Guardian Angels into them. I must've found out about that when I absorbed those Team Rocket scientists when Giovanni came back from the dead on my last rescue, but I didn't know until now.

May: Either way, with Team Rocket gone, now all that's left is to clean up their mess. Plus, I can't believe Mean Rarity sent Neron there to get the jewels. But, she's not called The Element of Greed for nothing.

Lincoln: And that greed is about to lead to her death later on today.

* * *

After destroying Neron and meeting and recruiting Michael Demiurgos, we were training intensely in the gym, this time, doing 500,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Ava Microphonefish saw Lincoln working out like crazy, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Ava Microphonefish: (Australian Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Ava, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Ava Microphonefish: (Australian Accent) That's incredible.

Nico: It sure is. So, Ava, what's the story on why you hate Lola and Lynn with a burning passion?

Ava Microphonefish: (Australian Accent) You're not going to like it.

One day, Lincoln and I were both underwater at the lakes getting ready for our documentation of the marine wildlife and cleaning up the lakes, and Lincoln was in his swim trunks and I was in a two-piece bikini since we didn't want our clothes to get wet. But, then, we saw trash being dumped carelessly into the water, and when Lincoln saw that it was empty protein bar wrappers and glitter jars, he knew only two people in his family who were responsible for this. We got up to the surface, and there we saw Lynn and Lola dumping their trash into the water, and I tried to reason with them, but Lynn ran up to me and kicked me in the stomach hard and I held my stomach in pain and Lola kicked me down onto the ground, and they were laughing cruelly. Lincoln was absolutely furious at what they did, and he used Eli's method on them and knocked them out. Then, Lincoln called Lori, who came by and when he told her of what Lynn and Lola did in dumping empty protein bar wrappers and empty glitter jars into the lakes and what they did to me, she dragged those two back into Vanzilla and threw them in the back. Lincoln then healed my injuries, but then, I just wrapped my arms around Lincoln's back and I brought him into a hug and kiss with him on top of me and me lying on the ground, and we kissed for more than ten minutes. We then went with Lori and when we told Mr. and Mrs. Loud of what Lynn and Lola did, they got grounded for ten weeks and had to clean up the lakes of their mess, and I developed a bad hatred for those two.

We cheered wildly.

Nico: That was really awesome that you guys are doing your part to help the marine wildlife and keep the oceans clean, and what Lola and Lynn did, that just proves their rotten Dark Sides don't care about anyone except for themselves.

Lincoln: And Mom and Dad's punishment fit their crimes, and me and Ava were there to keep an eye on them, because one wrong step, and I'll have them both tied in dark energy ropes and we'll throw them in isolation cubes in the basement again.

Me: Sheesh, it's like the dark sides of Lori, Lynn, Lola, Lisa, and Luan are gluttons for punishment, no matter how many times you stop them, they keep coming back for more.

Luna: I've almost gotten a headache thanks to those five bullying my bro and the Guardian Angels, and I was almost close to making them go deaf for a year. Plus, Ava and Lincoln's lake cleaning deed also made the news, and they got interviewed by Katherine Mulligan.

Geronimo Stilton: Wait a second, I remembered that story. So, it was you and Ava that did all of that work in cleaning up the lakes in Michigan long ago, Lincoln. This story was big news in Michigan, but it eventually hit in international news.

Benjamin Stilton: It was talked about even in New Mouse City, and they all liked what you guys have done in raising the awareness of keeping the oceans clean and protecting the marine wildlife.

Me: Well, I'll be.

Nico: Wow.

Lincoln: And Lori also helped in busting Lynn and Lola for dumping trash in the oceans, and when that was shown on the news, they were humiliated.

Ava Microphonefish: (Australian Accent) Lori did do something good instead of trying to make you suffer like she always did, Lincoln.

Lori: Luckily, they didn't find out it was me, otherwise, you know what happens when you make Lola and Lynn really angry.

Ava Microphonefish: (Australian Accent) True, but I didn't care one bit about their temper tantrums, they crossed the line with me and if they cross me one more time, I'd bury them.

We got a shower afterwards, but then, the alarm sounded and Lincoln checked the computer, and when he checked to see, he saw who it was that sounded the alarm: it was Canaletto.

Eva Wei: (Gasps) It's Canaletto. I thought I'd never have to deal with him again.

Lincoln: I remembered you telling me about him, and he's really bad news.

Eva Wei: It gets even worse, I found out that Mom's engine that suddenly caught fire and exploded wasn't an ordinary accident, it was Canaletto, he's the one responsible for killing Mom.

We gasped.

Nico: So, Canaletto was the one who killed your mom?! That bastard!

Lincoln: Now, he's really crossed the line big time. Come on, gang, it's time to end Canaletto's life for good.

We flew out of the World Tree Estate and Lincoln fired powerful rainbow energy balls and elemental forces at Canaletto, and when he saw us, he was furious.

Canaletto: You will never stop me, Team Loud Phoenix Storm, soon I will destroy the galaxy and create a new one, and I will be the Avatar once again.

Eva Wei: That's never going to happen anytime soon, and don't think I haven't forgotten about what you did in causing my mother's death and manipulating me.

Suddenly, Eva Wei's reddish-brown eyes turned neon reddish brown and she was surrounded by a reddish-brown energy aura with winds, phoenixes, and stars, and as she approached Canaletto, she left reddish-brown energy, winds, phoenixes, and stars with every step.

Eva Wei: Canaletto, I will never forgive you for what you've done, it's not bad enough that you tried to destroy the galaxy and create a new one so you could take your rightful place as the Avatar once again, but what you did in causing my mother's death, and manipulating me from your prison to help your plan, I will never forgive you for that treacherous act, and for that, I will make sure that you stay dead and gone for good this time.

Suddenly, Eva Wei was surrounded by a massive vortex of reddish brown energy with winds and stars surrounding it, there's a phoenix flying around the vortex, and in the vortex is a red phoenix. Then, as the vortex faded, Eva Wei emerged, but she was changed forever.

IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14

Eva Wei grew to 6'11" in height, she has the body of a goddess, she has red highlights in the bangs of her chin length spiky dyed red and black hair, she has neon reddish brown eyes and a reddish-brown energy aura with winds, phoenixes, and stars surrounding her, she has an angel with a star in its hands emblazoned on her forehead, she has on angel earrings with red gems for eyes and holding the Wind and Eternity Kanjis in its hands, she also has an angel with red gems for eyes and the Wind and Eternity Kanjis in its hands for the second pendant on the bottom of her reddish-brown angel-shaped Element of Harmony, along with the gold Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with red crystal links from her merged Crystal Necklace of the Buddha and red gems on the gold lightning bolts, and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Eva Wei has on an olive green crop top with red phoenix on it, cream-colored baggy combat style trousers, brown knee-high boots, and long sleeveless green trenchcoat with wind gusts on the coattails, and on the back is an angel with winds surrounding it. Suddenly, Eva Wei felt a sharp pain on her back, and then, massive black and red angel wings with green tips on the feathers, grew and sprouted out from her back, Eva Wei has on a Ring of The Phoenix with green gem and heart shaped gem embedded in it on her right ring finger and Star Sapphire ring on her left ring finger.

Eva Wei has a brand-new massive greatsword in her hand called Earth Team's Hurricane Greatsword of Windstorm Justice, it's a brand-new massive greatsword with the symbol of The Earth Team etched on the 7'0" massive, wide, double-edged green blade, large phoenix heads for the crossguard, large green gem embedded in the rainguard, longer black handle, four large angel heads and on the bottom of the heads is a large green gem for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with green gems on her wrists, new large gold Belt of Elemental Bravery with a gold angel's head with green gems for eyes and large green gem in its open mouth for the belt buckle, large rainbow-colored leather and gold metal bound

There's a red kanji below the angel that said, "Eva Wei, Loving Daughter of Maya Wei and Don Wei, Wild Member of The Earth Team, Loving Future Wife of Lincoln Loud, Skilled Mechanic and Engineer, Destroyer of Canaletto, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Wind and Stars"

エヴァ・ウェイ、マヤ・ウェイとドン・ウェイの愛情深い娘、地球チームの野生のメンバー、リンカーン・ラウドの愛情深い将来の妻、熟練したメカニックとエンジニア、カナレットの破壊者、悪のスレイヤー、混乱した、殺人的、冷酷でサディスティックなろくでなし、素晴らしい凄腕の師匠の最強弟子にして、風と星の達人

Eva Wei has transformed into SUPER ANGEL ETERNITY INFINITY HURRICANE WINDSTORM STAR PHOENIX ANGEL OF DIVINE WINDSTORM STAR JUSTICE AND DIVINE HURRICANE STAR LOVE!

We were amazed by Eva Wei's Super Angel Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding. But, when Canaletto saw it, he fell into a rage and fired a blast of dark energy to kill her, but Eva blocked it and she fired a powerful reddish-brown energy blast with winds, phoenixes, and stars, and it hits him and he went into a wall, but he's not out yet.

Me: Whoa, Eva Wei has transformed.

Nico: Now, the battle to end Canaletto's miserable life and avenge her mom is on.

Lincoln: He's going to pay for what he's done. And Eva, you look beautiful, how do you feel?

Eva Wei: (Divine Echoing Cosmic Voice of The Windstorm Star Phoenix and Divine Hurricane Star Love) **I feel incredible, Linky. Now, shall we put an end to this monster for good?**

Lincoln: (Smiles) With pleasure.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Eva Wei.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **You don't deserve to live a single second further, Canaletto, for what you've done, you deserve a slow and very painful death for your crimes.**

Eva Wei and Lincoln went after Canaletto, who continued firing blasts of dark energy and dark magic at them, but they dodged them all, and they fired powerful blasts of rainbow energy, reddish brown energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, rainbow super lightning, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, and Angels at Canaletto, and they exploded with incredible power as they hit him. Then, they attacked him with their massive greatswords and left nasty scars on him, and they were unable to be healed. Then, Lincoln grabbed him by the neck, and he began sucking out and absorbing all of Canaletto's powers and hatred, and he was gaining a massive power boost, and when he was done, Canaletto was severely weakened and he looked like a desiccated corpse.

Then, Eva Wei and Lincoln fired massive black energy beams at Canaletto and they exploded with incredible power as they hit him, killing him and his spirit was erased by The Black Gates forever. We cheered wildly for what Eva Wei and Lincoln did to Canaletto as they holstered their massive greatswords and powered down, and Eva Wei's new body, clothes, weapons, jewelry, and massive angel wings are permanent.

Eva Wei: And this time, don't you dare come back. Thanks for helping me destroy Canaletto, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Eva.

Suddenly, Eva Wei wrapped her arms around Lincoln's thick muscular neck, as her chest pressed against Lincoln's massive and wide muscular pecs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned his face down to Eva Wei's face, they kissed passionately as Eva Wei's left arm is still wrapped around Lincoln's thick muscular neck, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, and Angel flying in the air, and we saw a herd of Buffalo across the field, along with winds blowing right behind them, and we cheered wildly and they came back to us.

Nico: Maya Wei's death has been avenged, and Canaletto's plans to destroy the galaxy have been scrapped for good.

Me: You said it. But, Eva, didn't you have an estranged relationship with your dad after he dumped you at that strict boarding school ten years ago?

Eva Wei: I did, but we reconciled after Canaletto was destroyed the first time.

Eli: That's good to hear, otherwise.

Lincoln: Now, now, Eli, I get you're mad at what she went through when her dad abandoned her like that, but it's because of Canaletto that Maya Wei was killed and it fractured the family.

Nico: Yeah, Canaletto was to blame for it, that heartless freak!

Me: And now, he's paid the price for his actions.

We returned to The World Tree Estate and we got rid of Canaletto for good, but we still got Mean Rarity to deal with later on today.

---

Later at the park we were relaxing.

Me: Ahh. Another great day to relax.

Nico: Boy you said it.

Silver Banshee: (Scottish Accent) Takeru, you and Onua are up for bonding time.

Poliwag: Me and William want in as well!

Onua: Awesome. You're more than welcome to.

William: Cool!

Me: The Ghost Kamen Riders are really amazing Nico.

Nico: Boy they sure are.

Takeru: I'll never regret meeting you, Onua.

Onua: Me neither Takeru.

William: And neither will me and Poliwag.

Poliwag: Yeah and it's so awesome that you guys have done so much with the world of ghosts.

Onua: I'll say.

Me: Yeah it sure is and the Eyecons you guys use have the powers of some of the most amazing figures of history.

Jessie Knudson: Boy they sure do.

Qin: Yeah.

Hotel Transylvania Blob: We really loved using those Eyecons in that one set of usual battles.

Me: Yeah and our frenemies learned so many things about the figures of history.

Fiona Hernandez: They sure did. I thought it was cool learning all about them.

Qin: Yeah no kidding there.

Laney: Some of the worlds greatest inventors, Paleontologists, historical politicians, scientists, many famous figures.

Lana: Yeah it sure is.

Varie: It's all very cool.

Himiko: I'll say.

Me: And even some of history's most infamous figures were in the Eyecons.

Qin: Yeah no kidding.

Lola: That was awesome.

Alain: I thought it was cool too.

Nico: It sure was.

Alain: I wish my brother would've stopped what he was doing before it came down to killing him.

Nico: Cheer up, Alain. Like we said before, we're your family now.

Me: Yeah and your so-called brother got what was coming to him.

Elyon: Just like my so-called brother Phobos.

Camie: That's true.

Blackout: We also arrested Shaw, Horsea's so called Boogeyman.

Horsea: You sure did.

Me: Yeah.

But then I heard a voice.

?: J.D.?

I immediately recognized that voice.

Me: (Gasp) That voice!

Nico: (Gasp) J.D. look!

We saw a ghost and it was a girl wearing blue clothes and she had blond hair and had blue eyes.

Me: (Gasp) It can't be. Caitlyn? Is that you?

Caitlyn Laurence: It is J.D. and it's awesome to see you again.

Me: (Tears stream down my face) (Crying) Oh Caitlyn!

I went over to her and hugged her.

Me: Caitlyn! (CRYING) I'm so sorry! I wish I could've been there for you!

Caitlyn Laurence: It's all right J.D. It's not your fault.

Me: (Crying) But I couldn't save you! I'm sorry!

Caitlyn Laurence: It's all right.

Nico: Oh man. Another figure from his past that he lost.

Everyone went over.

Nico: J.D. it's all right. What happened to Caitlyn?

Caitlyn: (Crying) It was back when I was 5. Caitlyn was someone I loved more than anything. Back when I was in preschool. a masked man came in and he demanded money and I jumped him and he… he… (WAILING HARD)

Varie: Oh no.

Nico: Oh man.

Me: He shot and killed Caitlyn!

Everyone gasped in shock!

Qin: Oh man.

Eli: Oh bro.

Maria: Tell me that fucker's dead now!

Nico: Maria calm down. But yeah. Is he alive?

Me: (Sniffles) No he isn't. I killed him by ripping his throat open! (Crying) I've never forgiven myself for what happened to Caitlyn.

Caitlyn Laurence: J.D. it's not your fault. Don't blame yourself for what happened to me.

Me: It's all my fault. (Crying) Caitlyn I feel like I got you killed. If I wasn't so stupid back then I wouldn't have gotten you killed. It's all my fault!

Caitlyn Laurence: J.D. it's not your fault. It was all an accident.

Nico put his hand on my back.

Nico: I'm so sorry J.D. I'm so sorry.

Caitlyn Laurence: Yeah J.D. You are not to blame for my death. I loved you and you were the best friend I've ever had and you made me a great person.

Me: (Sniffles) But it was because of me Caitlyn. I lost my best friend and someone I loved (Crying) because I was so stupid.

Nico: J.D. it's not your fault. You were too young back then.

Caitlyn Laurence: Yeah we were just kids.

She then kissed me on the lips and I loved it.

Caitlyn Laurence: J.D. I don't blame you one bit for not saving me. But you saved all our friends.

Me: (Sniffles) But I've never forgiven myself for what happened to

you.

Caitlyn Laurence: I know. That day still hurts. But I'm okay. I know you feel sad for what happened and it hurts. But I'm okay now.

May: Did Gamou bring you back?

Caitlyn Laurence: No he didn't.

Me: (Sniffles) But Caitlyn ever since that day, I was completely devastated, I swore after that day to get stronger to protect those I love. But it wasn't until I lost Rebecca Sarrasim that I got into the Superhero Life. And Caitlyn that day still haunts me to this day.

Jared: Oh man. Dad we had no idea.

Brittney: Yeah no one knew.

Anna Knudson: Dad we're so sorry you went through all this.

Nico: Look, J.D. I know that day must still haunt you. But you can let that bother you for the rest of your life. Or, you can learn from it.

May: Nico let him figure this out.

Me: (Sniffles) It's all right May. It's all right.

I got up.

Me: Caitlyn, I missed you terribly ever since that day. I was devastated when you died and I have never forgiven myself for it. But I have so many awesome friends that care for me and have been there for me too. And I know that you will be with me forever. In here.

I put my hand on my chest.

Caitlyn Laurence: You are right J.D. I'm proud of you for being a great person. Just remember this, I'm always with you.

Me: (sniffles) Thank you Caitlyn. For everything.

She then floated up to the sky.

Caitlyn Laurence: Goodbye J.D.

Me: Goodbye Caitlyn.

She was up in heaven again.

Me: I'm sorry I worried you guys.

Nico: It's all right J.D.

Maria: I'm glad you got to say goodbye to Caitlyn, J.D. But that came out of nowhere.

Me: I know. I'm sorry guys. I didn't mean to hide this from you.

Jeri Katou: It's all right J.D. You were going through a lot of pain.

Eli: But at least you got some closure with her.

Me: I know. But it was so painful to tell you all.

Maria: No. I meant she just appeared out of nowhere.

Nico: Yeah she did. Probably some unfinished business.

Qin: Yeah.

Takeru: But at least Caitlyn is at rest.

Me: That's true.

May: We didn't even get the chance to revive her.

Me: For some people it's best to leave them alone and respect that.

May: Oh.

But then a figure came out and it was a new Zodiart. It was for DORADO THE SWORDFISH! The DORADO ZODIARTS!

Me: Whoa the Zodiarts for Dorado the Swordfish!

Spada: The Zodiarts for the Constellation I represent? Wow!

Dorado Zodiarts: (In a girls voice) It's true.

Then she reverted back and it was a girl that I remember. It was a girl that looked exactly like Caitlyn!

Me: Whoa! Catherine Laurence, Caitlyn's twin sister.

Catherine Laurence: Good to see you again J.D.

Me: You too. Cat I'm sorry..

Catherine Laurence: I know J.D. I'm glad my sister is now at peace.

Qin: That's good.

Maria: So, it wasn't out of nowhere after all!

Me: No Maria this is Caitlyn's Twin Sister, Catherine. I call her Cat.

Maria: Oh.

Catherine Laurence: It's true. But I'm glad you're better after what happened. I wasn't there when it all happened.

Nico: You weren't?

Me: No she was sick with the flu.

Nico: That sucks.

Catherine Laurence: It did but at least I was there when J.D. was in pain that day.

Me: And I will always be grateful for that Cat.

Eli: Yeah.

Me: Sorry we have to fight like this Cat.

Catherine Laurence: I know.

Me: KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Cat turned into the Dorado Zodiarts!

Nico: We'll let you have this one by yourself J.D. since you were releasing some long bottled up pain.

Me: Thanks guys.

Takeru: Now, Horsea, how did you learn not to be afraid of Shaw anymore?

Horsea: I conquered my fear when I realized he was in jail and never will hurt anyone again.

Nico: Yeah.

I slashed Dorado Zodiarts with my scythe and she came at me and punched at me all over.

I was blowing off tons of steam.

I then fired waves of fire and blasted her down and she exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught the switch and purified it and it formed into a Dorado Sword and I picked up Cat and brought her over.

Catherine Laurence: (Groans) What a headache.

Me: At least you're okay.

Wheelie: Caitlyn will never be forgotten.

Nico: No she won't.

Me: Yeah.

I looked up at the sky and I saw the spirit of Caitlyn smiling on me and I smiled back at her and Cat saw her too.

Caitlyn Laurence: Take care of him Cat. I love you.

Catherine Laurence: I will sis. I love you too.

---

Back at the estate we were getting ready for our next mission.

Juniper Montage: I have a feeling today's mission will be familiar to you guys.

Nico: I have that feeling too.

Then the Red Phone of the President of The United States rang.

Nico: Oh it's the President.

Nico went and answered it.

Nico: Yes Mr. President.

President: Hello Nico. Sorry to call like this. But I have bad news. The DSI Organization is back up and running and we need your help to shut them down and destroy them once and for all.

Nico: Yes sir we'll get right on it.

President: Thank you.

He hung up.

Nico told us everything.

Me: Whoa man! I knew they were going to start operations again.

Charlie McGee: I can't believe they are back again.

Nico: Well we're ready for them. But first we're going to watch this.

He pulled out the case for the 2022 movie Firestarter!

Me: The 2022 movie Firestarter!

Qin: Wow! That movie is a cool one.

Nico: Yep.

Then Killer Shrike, Wolf, Captain Boomerang, Crimson Dynamo, Shiva, Billy Numerous, Deker, Vexen, Mummy, and Diaboiico appeared.

Killer Shrike: Can we watch it too?

Nico: Sure.

Qin: Awesome.

We got to watching the movie.

*SPOILER ALERT*

---

In a flashback, baby Charlene "Charlie" McGee sits in her crib, spontaneously setting the room ablaze with her pyrokinesis power and sending her father Andrew "Andy" McGee into a panic. In another flashback, a young Andy and his girlfriend Victoria "Vicky" Tomlinson talk to a doctor in a clinical trial, who explains to them that they will be injected with the experimental chemical drug Lot-6, which secretly gives them supernatural powers: Andy gains telepathy, and Vicky obtains telekinesis.

In the present day, Charlie is sitting at the kitchen table after having a nightmare. Her parents join her and Charlie explains that she has been repressing something bad, her powers becoming more unstable. She unintentionally causes a ruckus at her school after exploding a bathroom stall due to anger at being bullied. Andy is shown using his power, "the push", to influence a client to stop smoking, although the strain causes his eyes to bleed.

Meanwhile, in a secret facility, Captain Jane Hollister, leader of the DSI, is monitoring thermal signatures caused by Charlie's outbursts. She visits Doctor Joseph Wanless, creator of Lot-6 and the resulting superhumans, who implores Hollister to terminate Charlie before her powers become uncontrollable. Hollister enlists fellow superhuman

John Rainbird to assist her. Rainbird visits the McGee home, confronting Vicky who attempts to counterattack with her repressed telekinetic powers. Rainbird overpowers and kills her, holding Charlie at knifepoint as she and Andy enter the home. Charlie's powers overwhelm him and she sends a concussive burst of flames throughout the house. Andy and Charlie escape into their truck.

On the road, they encounter a man named Irv. After using the push to convince Irv to take them to Boston, they hitch a ride with him, stopping off at his house. After Charlie accidentally stumbles upon his paralyzed wife, Irv flies into a rage before conceding that he occasionally overreacts. Irv sits up all night watching a news report of the incident at the McGee home, which is being framed as murder by Andy. Irv and Andy argue before Andy explains to Irv that he is just trying to protect his daughter. Charlie tells Irv, after speaking telepathically with his wife, that she forgives him for the accident that left her paralysed, causing him to relent and attempt to protect Andy and Charlie when the police appear due to his prior emergency call. Rainbird appears in the bushes, kills the policemen, and then shoots Irv in the knee before black trucks roll in to pick up Charlie and Andy. Andy uses his push one last time to trick Rainbird so Charlie can escape to a forest. Charlie spends time honing her fire powers before stealing a bike and clothes to follow her father's telepathic message to her from his cell at DSI.

Charlie finds DSI and takes an agent's pass card from him. He pleads for her not to kill him and tells her he doesn't have a gun. She kills him after he draws the gun to attack her. She follows a large staircase down to the restricted area where her father is being kept. She reaches her father's glass-fronted cell, from inside which Captain Hollister tells her not to try and burn her, lest she burns her father in the process. Andy tells Charlie that Rainbird, not he, telepathically called for her. Seeing no other way out, he apologizes to her and then mentally pushes her to burn the entire place down, starting with Hollister and himself. The now-rogue Charlie sets both on fire, mentally unlocks all the security doors, and walks through the facility killing everyone. Rainbird is released when his holding cell is unlocked. Charlie is captured by men in fire suits, unable to harm them. The men are about to subdue her when Rainbird shoots them from behind. He surrenders to Charlie and kneels for her judgment. Charlie starts to kill him but sees herself in the mirror and, realizing that the DSI is also controlling him, she spares him, before finally burning the rest of the building down. Lastly, Charlie is seen walking onto a beach with Rainbird following behind. Knowing that she and Rainbird are now alone in the world, Charlie allows Rainbird to carry her, and they walk off together into the night.

---

When it was done we cheered wildly!

Qin: Wow that was a scary version!

Nico: Just as scary and good as the other. But this version of Rainbird was a good guy and he redeemed himself.

Eli: Yeah.

Charlie McGee: I still don't like that guy but yeah.

Nico: I know.

Mummy: Me, Killer Shrike, Wolf, Captain Boomerang, Crimson Dynamo, Shiva, Billy Numerous, Deker, Vexen, and Diaboiico are definitely going with you guys.

Nico: Absolutely. Now this version of Charlie is gonna be a dangerous one.

Me: Yeah. But I sense that we're going to burn down the entire Shop.

Qin: Yeah.

Me: This time we don't let anyone escape. We burn the whole place down. No survivors.

Nico: You got that right.

Barricade: Nico, which Gene Slammer do you think you'll meet next time?

Nico: Hmm. How about a Gene-slammer for one of Boom Bloom's kind next.

Boom Bloom: Wow one for my kind. That will be interesting to see.

Qin: It sure will. We haven't done a Skylander Gene-slammer in a while.

Nico: No we sure haven't.

Camie: That is cool.

Me: Yep.

Killer Shrike: How is this version of Charlie different?

Nico: Shes got nasty anger issues because of her powers.

Qin: Yeah you saw the movie.

Me: The one from 38 years ago was a kind and sweet girl. Until John Rainbird killed her dad.

Nico: This one was an angry girl that hated everything because of the people that want to use her as a weapon.

Charlie McGee: I can't believe that this is what would have happened if I let my hate go unchecked.

Lola: But you are not that person Charlie. We can help your 2022 self.

Nico: But either way you look at it Charlie is still human regardless if she has powers or not.

Me: Well said Nico.

Nico: Shall we get moving?

Me: We shall. Get ready Shop… (Eyes glow red with intense flames) This time you all are going up in flames!

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow

colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure was: it was none other than Mean Rarity, and she's really furious that Neron and Canaletto have been destroyed and they failed to destroy us, and now, she's heading here to destroy us all and get her revenge. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is Mean Rarity on the move?

Lincoln: You guessed it, Nico, and she's furious that Neron and Canaletto have been destroyed and they failed to destroy us, and now, she's heading here to destroy us all and get her revenge.

We gasped.

Rarity: My word.

Sweetie Belle: And now, that greedy monster's on her way to get her revenge. She's going to be put down for good.

Abigail Minuette: By me, Minuette, and Lincoln, since Rarity's one of his future wives.

Sweetie Belle: That's right.

Lincoln: We've already taken down Mean Applejack, Mean Twilight Sparkle, Mean Rainbow Dash, and Mean Pinkie Pie, now we just need to take down Mean Rarity, and there's only one more in The Mean 6 who needs to be put down in the future: an evil version of Cruel Fluttershy.

Nico: You're already planning on that future fight against the last of The Mean 6, Lincoln, awesome. Alright, gang, let's go, it's time to destroy The Shop and this time forever.

Lincoln: It's been years since we've destroyed The Shop and helped Charlie McGee, but we'll finally be rid of The Shop for good, and Mean Rarity, you're going to learn a painful lesson about what happens when you get consumed by your own greed and selfishness.

With that we were off.

## THE SHOP COMPOUND - VIRGINIA FOREST

---

We arrived at the place where we destroyed the Shop. This was the spot where we destroyed it all. Twice.

Stalker: First, we need to locate 2022 Charlie.

Then we saw people screaming and running for their lives as fires were breaking out all over the place.

Me: No escape for you all!

I fired waves of fire and burned the Shop workers all over.

Nico: Yeah!

We saw a little girl and she was burning more workers in massive fiery explosions and walls of fire.

MASSIVE FIERY EXPLOSIONS!

Nico: WHOA! Her power is strong.

Me: Yeah! But that is definitely her.

Captain Boomerang: (Australian Accent) I'm all for killing these assholes. But first, we need to calm her down!

Me: You read my mind.

We went at her.

2022 Charlie was on a ballistic rampage as she was burning everything in her path.

Me: CHARLIE STOP!

We went up to her.

2022 Charlie: You will never stop me!

I fired a blast of fire and burned a man trying to kill her from behind with a knife!

Me: We're not your enemies Charlie. They are. We're here to help you and help you kill these sons of bitches.

2022 Charlie: No one can help me! I'm a Monster!

Me: Whoa whoa! Slow down! That's not true! You are not a monster. You are a normal human being but you were given a great gift!

Clayface: If you calm down, we can introduce you to someone!

2022 Charlie: Who?

Her older self came out.

Charlie McGee: Charlie listen to me.

2022 Charlie: (Gasp) You are…

Charlie McGee: That's right Charlie. I'm you.

2022 Charlie: But how?

Charlie McGee: We both went through the same hell and went through the same pain that the Shop inflicted upon us.

Charlie told her 2022 self everything that she went through and how she turned into a great advocate for unethical experimentation and turned into a great hero for Team Loud Phoenix Storm and helped become a true force for good. Her dad is in our protection and more and 2022 Charlie was shocked and realized that her anger is not the problem that's causing her powers to go out of control, it's The Shop. They caused so much pain to her and her family.

2022 Charlie: These guys are the monsters. They made me this way.

Me: And they want to use you as a weapon. You are a human being Charlie. Not a tool of war. You don't deserve this type of treatment and pain. But you are never alone in all this. There are countless others that know how you feel.

Wolverine: He's right.

Jean Grey: We mutants were hated because of our powers too.

Cyclops: Yeah.

Shiva: And it's not just mutants.

Naruto: It's me and the Jinchuriki too.

Naruto and the Jinchuriki revealed their stories and it was horrible.

Many members of the team came forward and it was not pretty.

2022 Charlie: Oh man. That's awful.

Qin: Yeah.

Nico: It was not pretty for many of us.

Flywheels: And on another world, Cybertronians like us were hated for a period of time.

2022 Charlie: Really?

Me: Yeah. It was not pretty.

Starlight Glimmer: It wasn't.

Qin: But you don't have to be alone anymore Charlie. We'll gladly be your family.

Me: You are human too just like us.

Deker: I can't promise that the hate will go away. But things WILL get better.

Nico: That's right.

2022 Charlie: I'm sorry for everything. But help me kill these monsters.

Me: With pleasure.

Qin: You can count on that.

Nico: Lets burn this whole place down.

Tsukasa: Time for some backup!

Kamen Ride: MetalCluster Hopper!

Kamen Ride: Zero One!

Kamen Ride: Vulcan!

Kamen Ride: Valkyrie!

Kamen Ride: Jin!

Kamen Ride: Horobi!

Kamen Ride: Thouser!

Kamen Ride: Ark Zero!

Tsukasa turned into MetalCluster Hopper and Daiki summoned clones of said Riders!

Nico: And this!

We pulled out our Zenkai Cannons!

All of us: (TURNS DIALS) SECRET POWER OF JUSTICE!

We summoned the Gorenger, JAKQ, Gokaiger, Go-Busters and Lupinrangers and the W, Drive and Zero One riders!

Qin: YEAH!

Maria: Time for some backup.

She pulled out her M.O.E. Cannon.

Maria: (TURNS DIAL) FIRESTORM FURY STORM!

She summoned Firefly, Pyros, Pyro, Firebrand, Trifire, Evil Nuova Shenron, Evil Fire Man, Evil Flame Man, Flame Mammoth and all the Fire M.O.E. Members!

Nico: This is gonna be a fight that burns.

Overkill: And there's also the fact that people are hated because of the country they came from.

Me: That's true.

Qin: Yep.

Nico: We get the idea.

2022 Charlie: That's true.

Nico: Come on guys. Lets burn.

Nico fired balls of fire and they hit numerous men and burned them and blasted parts of the compound all over the place and burned it all over the place.

Me: KRONOS POWER!

I flared up a red aura and it was in the shape of Kronos the Titan of Greek Myth.

Kronos: NARSIM NARSU!

I dripped lava and swung my arm and fired a massive wave of lava and it hit lots of buildings and workers of the shop and burned them all over in massive blasts of fire.

Kronos: SARSIM NEETER BASU!

I swung my arm again and fired numerous fireballs and they hit numerous people and parts of the building and blasted them into flames all over.

Diabolico: Didn't expect you guys to summon Kronos!

Me: It's the power of myth.

Nico: Yep.

We fired waves of fire and blasted people and workers of the Shop left and right.

Numerous massive fiery explosions were going off all over the place.

Troy: Let's get things started!

Scrapper: Go ahead, Troy!

Megaforce Rangers: LEGENDARY RANGER MODE! SCIENCE PLATOON!

The Megaforce Rangers turned into the Dynaman!

Fluttershy: I don't think it's right for these monsters to hurt people!

Then a white light appeared and it was a brand new Grand Zi-O Ridewatch! It was a Gaim Grand Zi-O Majesty Ridewatch!

Fluttershy: My own Grand Zi-O Ridewatch! Now to try it out.

She activated it.

Fluttershy: HENSHIN!

She was enveloped in the spirits of the Gaim Riders from all over and then she donned an awesome armor and she had all the powers of the Lockseeds in it and all the powers of the Gaim Riders! She turned into KAMEN RIDER GAIM MAJESTY!

Nico: WHOA!

Me: Fluttershy you look awesome!

Woz: REJOICE! A true saviour knightess of nature to save those who are suffering from the darkness of nature and bring light back to the future. Her name is Kamen Rider Gaim Majesty! A moment of nativity.

Nico: WOW! Fluttershy that is awesome!

Vexen: Interesting. A Grand Zi O Ridewatch for Secondary Riders of Gaim.

Woz: All Kamen Rider teams have Grand and Majesty Ridewatches.

Me: That is right.

Qin: And it's awesome and cool.

Fluttershy: Lets see what it can do.

She activated the powers of the Grapes and got a Grape Blaster and blasted numerous men all over.

Nico: Awesome!

Qin: Cool!

Wendy Sapphira: Take that!

Concrete Man: Let's keep on the pain!

Sunset Shimmer: You don't have to tell me twice!

We were blasting Shop workers all over the place and sending them to hell. Literally.

Nico: This project is cancelled by order of the President!

We were incinerating everything.

Billy Numerous: This is gonna give you a hint on how many usual battles there will be per day pretty soon!

He made 930 clones of himself.

They bashed and pulverized numerous Shop workers and more.

Me: Yeah! 30 battles per day? Whoa.

Maria: Have a taste of my tidal wave blaster!

She fired a wave of water and it smashed the Shop Workers into mush with the force of a Megatsunami!

Nico: Yeah! TAKE THAT!

Energon Scorponok: Were these guys this weak when you first fought them?

Me: Yes they were.

Qin: Not worth a challenge.

We were blasting them all over and then we set our sights on the main compound.

Me: Time to burn!

We fired waves of fire and fireballs and blasted the compound all over.

Crimson Dynamo fired missiles at them.

He blasted the Shop men all over and me, Evil Nuova and 2022 Charlie fired waves of fireballs.

Nico fired blasts of fire and blasted the compound all over in massive fiery explosions.

Qin: Take that!

Divebomb: Let's go after the main boss now!

Nico: The Main Boss is everyone in the Shop.

Charlie McGee: He's right.

Qin: Yeah.

Vinta, Kughar, Staluk, Clodor, and Khorror Blasted the Compound

Nico: How about we finish this with an entrance?

May: Good idea!

We went at the mansion and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

It exploded with incredible power in a massive fiery explosion and then the explosion took shape in a huge phoenix and it released a powerful cry and we were standing over the ruins of the Shop and the charred people in victory!

Me: The Phoenix burns you all!

Wolf: (smirks) Somebody better call the fire department!

Me: Too late for that.

Nico: Now for the grand finale.

We were walking away from the area as it was burning and then as we were walking away from it at a good enough distance a huge and massive fiery explosion erupted out of the area and it turned the whole compound into a massive and incredible raging inferno. It was like something out of an action movie.

Lincoln: And that is it with The Shop once and for all.

Me: Play with fire, and you're going to get burned.

Nico: They've been asking for it for years. Nice job, everyone, but we still got Mean Rarity to deal with, and that greedy unicorn should be arriving… right now!

?: You will all pay for ruining my plans to get rid of you, Team Loud Phoenix Storm!

Rarity: My word, I knew there's no mistaking that voice from anywhere.

Minuette: You said it, Rarity. You can come out now, Mean Rarity.

A figure was heading straight for us with rage in her eyes, but Minuette kicked the figure away, and we saw who the figure was: it was none other than Mean Rarity, The Element of Greed.

Juru: Whoa, so that…?!

Rarity: Indeed, Juru, that's my mean self, Mean Rarity, and unlike I who represents The Element of Generosity, she represents the Element of Greed.

Mean Rarity: You all have ruined every last one of my plans, I could've finally gotten rid of all of you, but no, those idiots were weak to do anything! Now, I will kill all of you!

Mean Rarity charged up her horn and was about to blast us, but Lincoln grabbed her horn with his large right hand and he hoisted her up with his immense and brute superhuman strength and he tossed her into a nearby wall. She got out, but she was really mad.

Lincoln: And unlike the real Rarity, you also have a complete lack of manners and discipline.

Rarity: I couldn't agree more, Linky.

Lori: Literally reminds of every queen bee you've hit with the King Midas' Golden Touch Vengeance Curse. But, you've really got her mad now.

Mean Rarity charged her horn again to blast us, but she was shield bashed in the head by Abigail Minuette who had her Elemental Shield of Harmony.

Mean Rarity: Who do you think you are to get in my way?!

Abigail Minuette: Someone who refuses to stand here and let you hurt my friends. (Sapphire blue energy aura flares up) I am Abigail Minuette, Champion of Minuette, The Alicorn Princess of Patience and one of the 27 girls chosen by The Elements of Harmony to be The Champion of Patience.

This horrified Mean Rarity badly.

Mean Rarity: Impossible, The Champions of Harmony have returned?!

Suddenly, Abigail Minuette's sapphire blue eyes turned neon sapphire blue, and she was surrounded by a sapphire blue energy aura with Alicorns, clocks, hourglasses, and magic, she unholstered her massive her Sword of The Champion of Harmony, and as she approached Mean Rarity, she left sapphire blue energy, clocks, hourglasses, magic, and Alicorns with every step.

Abigail Minuette: Mean Rarity, I will never forgive you for the crimes that you've committed against Equestria in the name of that hate-filled bug, Queen Chrysalis. You are nothing more than a harbinger of greed, and I will see to it that you receive the ultimate punishment for your crimes: death!

Suddenly, Abigail Minuette was surrounded by a massive vortex of sapphire blue energy with clocks and hourglasses surrounding it, there's an Alicorn flying around the vortex, and inside the vortex is a blue phoenix. Then, as the vortex faded, Abigail Minuette emerged, but she was changed forever.

Abigail Minuette has transformed into SUPER ANGEL-ALICORN ETERNITY INFINITY COSMIC MAGIC STORM ALICORN ANGEL OF DIVINE COSMIC HUMILITY AND DIVINE STAR MAGIC LOVE!

We were amazed by Minuette's Super Angel-Alicorn Eternity Infinity transformation, but when Mean Rarity saw it, she flew into a rage and fired a blast from her horn, but Abigail blocked it with her shield, and she fired a powerful sapphire blue energy blast with clocks, hourglasses, magic, and Alicorns, and it hit Mean Rarity and sent her flying into a tree, but she's not out yet.

Nico: Whoa, now Abigail Minuette has transformed, so awesome.

Ken Knudson: Yep, and now, it's Minuette's turn.

Abigail Minuette: (Divine Echoing Cosmic Voice of The Hourglass Patience Alicorn and Divine Time Patience Love) **That's right, Ken.**

Me: Oh, this is going to be good.

Minuette: Time for me to help and teach that monster a lesson in what happens when her greed gets out of control.

Suddenly, Minuette's sapphire blue eyes turned neon sapphire blue, and she was surrounded by a sapphire blue energy aura with Alicorns, clocks, hourglasses, and magic, she unholstered her massive Sword of The Knights of The Friendship Table from her back, and as she approached Mean Rarity, she left sapphire blue energy, clocks, hourglasses, magic, and Alicorns with every step.

Minuette has transformed into SUPER ANGEL-ALICORN ETERNITY INFINITY COSMIC HOURGLASS TIME ALICORN ANGEL OF DIVINE COSMIC PATIENCE AND DIVINE HOURGLASS TIME LOVE!

We were amazed by Minuette's Super Angel-Alicorn Eternity Infinity transformation, but when Mean Rarity saw it, she flew into a rage and fired another blast from her horn, but Minuette blocked it with her shield, and she fired a powerful sapphire blue energy blast with clocks, hourglasses, and Alicorns, and it hit Mean Rarity and sent her flying into a tree, but she's not out yet.

Nico: Whoa, now Minuette's transformed, so awesome.

Minuette: (Divine Echoing Cosmic Voice of The Hourglass Patience Alicorn and Divine Time Patience Love) **That's right, Nico. Lincoln, you ready to take down Mean Rarity?**

Lincoln: You bet, Minuette.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword

of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Minuette and Abigail Minuette.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Time to make you pay for your crimes, Mean Rarity.**

Abigail Minuette, Minuette, and Lincoln went after Mean Rarity, who continued firing blasts from her horn, but they dodged them all, and they fired powerful blasts of rainbow energy, sapphire blue energy, hourglasses, clocks, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, rainbow lighting, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, and Angels at Mean Rarity, and they exploded with incredible power as they hit her, and she was being burned badly by The Magic of Friendship. Then, they attack her with their massive greatswords and they left painful scars on her, and because of the purity of the attacks, it really burned her badly, and the wounds she suffered would never heal. Then, Lincoln grabs her by the horn with his large left hand and he began sucking out and absorbing all of her powers and hatred and he and the rest of us made them our own, and when Lincoln was done, Mean Rarity was weakened to such a degree she couldn't even stand.

This allowed Abigail Minuette, Minuette, and Lincoln to finish Mean Rarity off by firing powerful energy beams and they overwhelm Mean Rarity and they exploded with incredible power, killing her for good. We cheered wildly for what Abigail Minuette, Minuette, and Lincoln did to Mean Rarity as they holstered their massive greatswords on their backs and powered down, and the new bodies, clothes, weapons, jewelry, and massive angel wings of Abigail Minuette and Minuette are permanent.

Then, as Mean Rarity's spirit appeared, the cutie marks of The Mane 9 on the massive Celtic Cross cutie mark tattoo on Lincoln's wider and more muscular back glowed, along with the cutie marks of

The Mane 12 and the Elements of Harmony on my massive greatsword, and Mean Rarity's spirit was surrounded by a magic circle with the cutie marks of The Mane 12 that formed on the ground, and she was chained up by chains of magic and rainbow energy, and the energy images of The Mane 12 appeared from the cutie marks on the circle, and they found her guilty of her crimes, and the energy images of The Mane 12 aimed their horns at Mean Rarity and Lincoln aimed his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds at Mean Rarity.

Lincoln: Mean Rarity, for the crimes that you've committed against Equestria and for trying to ruin Rarity's good name, you have been found guilty, and the punishment for your crimes is death.

This horrified Mean Rarity, as she soon saw her days of havoc and chaos are about to end.

Lincoln: MANE 12 HARMONIOUS CUTIE MARK FINAL JUDGEMENT!

Lincoln fires a very powerful barrage of rainbow energy beams with Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, rainbow super lightning, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, and Angels from his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds and the energy images of The Mane 12 fired colored magic energy beams from their horns, and as they hit Mean Rarity's spirit, they exploded with incredible power and her spirit was condemned to The Black Gates, and she was fading away.

Mean Rarity: CURSE YOU TEAM LOUD PHOENIX STORM! (FADES AWAY)

Mean Rarity's spirit was erased from existence by the spirits of all those she's hurt, and she would never return again.

Nico: Alright, that's the tenth member of The Doomsday 23 put down for good, and only 13 more to go.

Lincoln: Which means, the next member of The Doomsday 23 to take down tomorrow is Evil Cozy Glow, that monster Alicorn wannabe who tried to take over Equestria.

Twinkleshine: Which means that you, Kira Schroedinger, and I are going to be the ones to take her down and destroy her for good, Lincoln.

Apple Bloom: What she tried to do in taking over Equestria proves that she's nothing more than a total monster.

Sweetie Belle: We can't forget what she did in locking us up in a broom closet while she launched a hostile takeover of Equestria.

Scootaloo: I'm still coughing up dust bunnies, along with getting hurt by her betrayal.

Cozy Glow: Yeah, and what she did to me, I can never forgive her. Lincoln, I want you to promise me one thing: that you drain her completely dry of her powers until she's completely powerless and you, Twinkleshine, and Kira send that monster straight to The Black Gates forever.

Lincoln: (Smiles Warmly) You bet, Cozy Glow.

Cozy Glow smiled, and then, she hugged Lincoln and he hugged her back, and this was way too cute and precious.

Nico: Aw.

Lori: That's literally too precious.

Starlight Glimmer: (Squeals) This is really such a cute and awesome brother-sister moment. Lori, get your phone and take a picture.

Lori took the picture of Cozy Glow and Lincoln hugging and she sent it to Starlight Glimmer, and she saved the pic.

Lincoln and Cozy Glow: You asked Lori to get a picture of us hugging, right?

Starlight Glimmer and Lori were both caught.

Sergio: (Squawks) Busted.

Nico: Sergio, where the heck did you come from?!

Nico got out a Chancla and tossed it, and it hit Sergio on the butt, and Ronnie Anne got him inside a cage.

Ronnie Anne: You're in so much trouble when we get back home, Sergio, and when Abuela hears you stowed away when we went to go help Charlie McGee destroy The Shop, you're in for some Chancla Time.

Sergio: (Gulps)

Nico: Shame, shame, shame on you, Sergio.

---

Later at Lynn's Table we were celebrating the Destruction of The Shop with our favorite meals and then Evil Lyn, Turtle, Common Cold, Shiv, Shade, Multiplex, Iron Lung, Koragg, Control Freak, and Radioactive Man appeared.

Nico: Evil Lyn, Turtle, Common Cold, Shiv, Shade, Multiplex, Iron Lung, Koragg, Control Freak, and Radioactive Man

Evil Lyn: We really are sorry about Caitlyn.

Me: I know.

Turtle: But at least she can rest in peace now.

Common Cold: And she's in a better place now.

Nico: Yeah.

Shiv: (to Nico) We heard you fought a T Rex.

Nico: We sure did.

Shade: What kind was it?

Me: It was the one that Chase Young brought to life for Wuya.

Shade: Oh yeah Dark told us about that one. Awesome.

?: I agree.

A figure came out and it was ILLUSION NEZILAR from episode 46 of Megarangers!

---

This Psycho-Nezilar could make himself disappear and reappear in various locations. At one point, he confused the Megarangers by going to the southern end of Japan, and then back to Sapporo only to appear behind the Mega Voyager afterwards. By attacking these areas as a giant, his mission was to frighten people into leaving Japan by cruise ship which, through a portal in the middle of the ocean, would transport the occupants to Hinelar City. During a later giant battle, he managed to overwhelm the Mega Voyager by teleporting around the battlefield to keep them from destroying the control tower which was powering the portal and managed to take the Mega Winger hostage before it could destroy the tower. When MegaSilver ordered the others to fire the Voyager Spartan, at the last second the Mega Winger broke free and got out of the way before Illusionary Nezilar had a chance to teleport, enabling the Mega Voyager to kill him and destroy the tower.

---

Eli: Illusion Nezilar! I remember you! You confused the Megarangers by going to different places all at once. You were going to transport numerous cruise ships full of people to Hinelar City.

Illusion Nezilar: That's right Eli.

Qin: That would have been so cool to see on TV.

William: Too bad you weren't adapted in America.

Illusion Nezilar: I know! I could've been a good challenge for the

Rangers.

Me: Yeah what a ripoff!

Nico: No kidding!

We got the battles underway

Lynn: Her name is Ava Microphonefish and she is from Australia. She is really awesome.

Rainbow Dash: Boy she sure is.

Scootaloo: And her story is awesome too.

---

Ava Microphonefish: (Australian Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Ava, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Ava Microphonefish: (Australian Accent) That's incredible.

Nico: It sure is. So, Ava, what's the story on why you hate Lola and Lynn with a burning passion?

Ava Microphonefish: (Australian Accent) You're not going to like it. One day, Lincoln and I were both underwater at the lakes getting ready for our documentation of the marine wildlife and cleaning up the lakes, and Lincoln was in his swim trunks and I was in a two-piece bikini since we didn't want our clothes to get wet. But, then, we saw trash being dumped carelessly into the water, and when Lincoln saw that it was empty protein bar wrappers and glitter jars, he knew only two people in his family who were responsible for this. We got up to the surface, and there we saw Lynn and Lola dumping their trash into the water, and I tried to reason with them, but Lynn ran up to me and kicked me in the stomach hard and I held my stomach in pain and Lola kicked me down onto the ground, and they were laughing cruelly. Lincoln was absolutely furious at what they did, and he used Eli's method on them and knocked them out. Then, Lincoln called Lori, who came by and when he told her of what Lynn and Lola did in dumping empty protein bar wrappers and empty glitter jars into the lakes and what they did to me, she dragged those two back into Vanzilla and threw them in the back. Lincoln then healed my injuries, but then, I just wrapped my arms around Lincoln's back and I brought him into a hug and kiss with him on top of me and me lying on the ground, and we kissed for more than ten minutes. We then went with Lori and when we told Mr. and Mrs. Loud of what Lynn and Lola did, they got grounded for ten weeks and had to clean up the lakes of their mess, and I developed a bad hatred for those two.

We cheered wildly.

Nico: That was really awesome that you guys are doing your part to help the marine wildlife and keep the oceans clean, and what Lola and Lynn did, that just proves their rotten Dark Sides don't care about anyone except for themselves.

Lincoln: And Mom and Dad's punishment fit their crimes, and me and Ava were there to keep an eye on them, because one wrong step, and I'll have them both tied in dark energy ropes and we'll throw them in isolation cubes in the basement again.

Me: Sheesh, it's like the dark sides of Lori, Lynn, Lola, Lisa, and Luan are gluttons for punishment, no matter how many times you stop them, they keep coming back for more.

Luna: I've almost gotten a headache thanks to those five bullying my bro and the Guardian Angels, and I was almost close to making them go deaf for a year. Plus, Ava and Lincoln's lake cleaning deed also made the news, and they got interviewed by Katherine Mulligan.

Geronimo Stilton: Wait a second, I remembered that story. So, it was you and Ava that did all of that work in cleaning up the lakes in Michigan long ago, Lincoln. This story was big news in Michigan, but it eventually hit in international news.

Benjamin Stilton: It was talked about even in New Mouse City, and they all liked what you guys have done in raising the awareness of keeping the oceans clean and protecting the marine wildlife.

Me: Well, I'll be.

Nico: Wow.

Lincoln: And Lori also helped in busting Lynn and Lola for dumping trash in the oceans, and when that was shown on the news, they were humiliated.

Ava Microphonefish: (Australian Accent) Lori did do something good instead of trying to make you suffer like she always did, Lincoln.

Lori: Luckily, they didn't find out it was me, otherwise, you know what happens when you make Lola and Lynn really angry.

Ava Microphonefish: (Australian Accent) True, but I didn't care one bit about their temper tantrums, they crossed the line with me and if they cross me one more time, I'd bury them.

FLASHBACK END

Shiv: GEEZ! You and Lola really pissed Lincoln off didn't they?

Lynn: That's an understatement.

Whirlwind: Yeah it was.

Koragg was next.

Koragg: (to Sarah) The 2022 version of Firestarter was much scarier than the 1984 version. But what's your opinion?

Sarah Gunnerson: Oh gosh that's too hard to call. I would have to say the 2022 version because of todays technology and computer graphics.

Sunset Shimmer: I like them both because it was awesome.

Pipsqueak: (British Accent) Yeah I like them both too.

Sunburn: But what the Shop was doing is pure evil.

Death: I agree there. They deserved to be destroyed.

Koragg: Indeed. They had no honor at all. Lets do it!

Sarah used the Core Medals for Koragg, Evil Snake and MegaSeadramon and fired waves of lightning and smashed him down.

KORAGG! EVIL SNAKE! BEST MATCH!

She fired waves of earth and smashed him down.

Sarah activated her ridewatch and they danced to Video Game Music and blasted him down with fire and earth and smashed him down.

Fullbottles: Control Freak and Thunderhoof

---

Control Freak was next.

Control Freak: (to Nicole) I sure am glad the shop's destroyed. And the next monster I'm bringing out is another enemy of Samus.

He summoned the lava monster GOYAGMA!

Nicole: Goyagma from Metroid Other M! Good choice! And it's very fitting because we went into a fiery battle. But also yeah I'm glad the Shop is destroyed too.

Rarity: Me too darlings and that place was an absolute nightmare.

Sweetie Belle: What they were doing is pure evil.

Gill Grunt: Yeah! No kidding there. That was terrible.

Yomika the Nurarihyon: Thank goodness they are gone.

Control Freak: I agree there. Lets do it!

Nicole used the Core Medals for Control Freak, Thunderhoof and The Minotaur of Helios Island and fired waves of matrix energy and blasted him down.

CONTROL FREAK! THUNDERHOOF! BEST MATCH!

She fired matrix energy and smashed him down.

Nicole activated her ridewatch and they danced to Harpsichord Music and fired waves of water, ice and jewels and energy and smashed him down.

Core Medals: Radioactive Man, Kaa and Ogremon

Fullbottles: Radioactive Man and Kaa

---

Radioactive Man was next.

Radioactive Man: (to Pyrrha) Turning Charlie into a weapon is pure evil. I mean, how would you feel if you were treated as a weapon because of your Aura and Semblance?

Pyrrha: I would be pissed and sad to the point where I would want to kill myself.

Princess Celestia: And the Jinchuriki felt the same way because of how they were treated.

King Solar: Yeah no kidding. They are human beings and not tools of war.

Amber Morning: No kidding there. What Charlie went through was a nightmare. She is a human being and not a tool.

NRG: (Russian Accent) I agree there everyone. What happened to them was terrible.

Sheila Kelsall: (Australian Accent) No kidding there mates.

Radioactive Man: Yeah I agree. Lets do it!

Pyrrha used the Core Medals for Radioactive Man, Kaa and Ogremon and fired waves of energy and smashed him down.

RADIOACTIVE MAN! KAA! BEST MATCH!

She fired waves of energy and smashed him down.

Pyrrha used her Ridewatch and they danced to Royal Music and fired waves of light and smashed him down.

---

In Space Rangers, Megaforce Rangers, Nico, May, Eli, Nunnally, C.C., Laney, Lana, Lola, Lisa and Lily VS Illusion Nezilar

---

Illusion Nezilar was next.

Nico: This will be fun.

Nico teleported and opened his safe and in it was a bunch of weapons called the Destroyers of The Shop, they're a collection of massive greatswords with the Anti-Shop symbol etched on the 7'0 massive, wide, double-edged blades, large angel wings for the crossguards, large gems embedded in the rainguards, longer black handles, and large gems surrounded by angel wings for the pommels. Once in hand, they'll get a massive power and energy increase, and there's also blasters and spellbooks included with the swords as well.

Nico teleported back with them.

In Space Rangers: LETS ROCKET!

They transformed and were ready!

Megaforce Rangers: LEGENDARY RANGER MODE! IN SPACE!

The Megaforce Rangers turned into the In Space Rangers too!

Nico: YEAH! Lets do it!

Andros: SPIRAL SABER BLASTER MODE!

Carlos: QUADRO BLASTER! ONLINE!

Nico: Fire!

They fired waves of energy and elements and the blasts all hit Illusion Nezilar and he exploded!

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was dead!

Nico: Illusion Nezilar you have failed this city!

Troy Burrows: Rangers that's a Super Mega Win.

---

We regrouped and cheered wildly.

2022 Charlie: Thanks for helping me, guys.

Multiplex: It was our pleasure, Charlie.

Iron Lung: I promise you'll love it here in Gotham Royal York.

Koragg: Your original counterpart does, after all.

Control Freak: And now, we can finally say goodbye to the Shop.

Me: Good riddance.

Radioactive Man: That was unfinished business you guys started back in 2018.

Me: Yes it was. They all were given the Black Gates now.

Qin: Good riddance.

Nico: Yeah no kidding there. They deserve it.

Me: I got to report to the President about it's demise.

Nico: Okay. But great job today everyone. This was a fiery and explosive mission.

Sunset Shimmer: Boy it sure was. (To the viewers) Hope you liked this adventure and it was so much fun.

Qin: It was really fun.

Nico: Yep.

We went back home and I went to the White House and reported to the President and he was happy that the Shop was gone.

I came back and we enjoyed the rest of the day and went to sleep.

Me: Ahh. Boy this is awesome.

Qin: Yeah it sure is.

Himiko: Nothing like a little relaxation after a big series of battles.

Maria: Boy you said it.

Brody Romero: This is so awesome and relaxing.

Eli: Yeah.

Nico: Thanks for coming with me, Brody.

Brody: Anytime Nico. It's so awesome that we get to be in the park for a rescue.

Nico: Yep.

Laney: Yeah this is the life.

Samurai Jack: And it's an honor to be with you guys for this.

Sunny Starscout: Same here.

Nico: Brody, I hope you're okay with Odius being in the Masters of Evil.

Brody: Don't worry I am okay with it. It's better than Galvanax that's for sure.

Me: Thank goodness.

Nico: Yeah no kidding there.

Qin: But I'm glad some of the awesome villains we know from the Power Rangers series are in the M.O.E.

Himiko: Boy me too.

Me: And I just got confirmation about the next series of Power Rangers coming. It's called Cosmic Fury and I'm getting a massive sense of Deja Vu from this one. The Dino Fury Rangers are going to turn into them in 2023.

Qin: WHOA!

Nico: That is awesome! And it's perfect for the 30th season.

Eli: Wow! That is incredible!

Me: It sure is! I have a feeling the next villain they are going to face is gonna be so awesome. I'll have to teach them the Shadow Clones so they can face it and be with us at the same time.

Nico: Good idea.

Camie: Yeah.

Samurai Jack: It sure is a good idea.

Nico: Brody, one day, you should introduce us to Mick.

Brody: That's not a bad idea Nico. You guys will love Mick.

Me: I remember him. Wow he has amazing Shapeshifting powers and is an awesome spy.

Nico: Wow he sure is.

Eli: Yeah.

Nico: Also, confession time. I made a Shadow Clone of Kaito and sent him to where the Donbrothers are to serve as a mentor to them.

Kaito: (laughs) It was my idea!

Me: Very genius!

Aylene C.: Yeah that was well thought out!

Nico: Thanks.

Eli: Yeah!

Samurai Jack: That was amazing.

Sunny Starscout: So Jack how did you and Ashi meet?

Samurai Jack: It was during my adventures with J.D. and the team as the Brave 12 during our battles with Aku.

Nico: That's right can you tell us?

Me: I will be happy to. It was an amazing series of adventures we'll never forget. The 12 of us, me, Varie, Vince, Naruto, Sakura, Fu, Lincoln, Laney, Lisa, Lily, Jessie Bannon and Jack

were in the world of Aku and we became the Brave 12.

I went over what happened during the events of Chapters 160 to 179

---

(CHAPTER 160)

"The Quest of the Brave 12 Begins"

Me, Varie, Vince, Naruto, Sakura, Fu, Jessie, Laney, Lincoln, Lisa and Lily were in the Simulator. This is gonna be a long exercise and we had seals on our bodies that prevent us from aging.

The Simulator activated and we found ourselves in the world of Samurai Jack.

Me: Awesome! We're in the world of Samurai Jack.

Vince: This show was awesome.

Lincoln: I agree. Jack was flung into the future by Aku and he's now trying to find a way back to the past.

Lisa: What happened to this whole city?

Me: From what I remember Aku changed the planet forever and the landscape has been radically altered.

Varie: No kidding. The whole world has been completely changed as a result.

Laney: These cities are unlike anything any human have ever seen before.

Fu: Why would this Aku do all of this?

Vince: He's the ultimate Evil. Aku is pure evil and he's immortal and invincible and there's only thing that can destroy him forever and that's the sword that Samurai Jack possesses.

Sakura: Wow. That sword must be really powerful.

Me: It is.

A whoosh was heard.

Naruto: [Points to the sky] Look up there guys!

We saw a time wormhole open up and out of it came Samurai Jack himself.

Naruto: It's Jack! I got this!

Naruto spread his wings and flew up and caught him.

Naruto: Are you all right?

Jack: Yes. Thanks to you.

Naruto and Jack landed.

Me: Good save bro.

Naruto: Thanks J.D.

Me: We should introduce ourselves Jack. I'm J.D. Knudson.

Vince: I'm Vince Pusateri.

Varie: I'm Varie Knudson, J.D.'s fiance.

Naruto: I'm Naruto Uzumaki Namikaze.

Sakura: I'm Sakura Haruno.

Fu: I'm Fu. I don't have a last name.

Jessie: I'm Jessie Bannon.

Lincoln: I'm Lincoln Loud and these are my little sisters Laney, Lisa and Lily.

Laney: It's a pleasure to meet you Jack.

Lisa: Greetings.

Lily: It's a pleasure.

Jack: It's a pleasure to meet all of you. Where am I?

Me: You're actually in a city in a radically altered landscape because of Aku.

Jack: Aku?

Vince: Yeah. Aku casted a spell that catapulted you into the distant future.

Lincoln: It allowed Aku's evil to fester and take over the planet.

Jack: I see. So the question is not where I am but when I am.

Laney: Exactly.

Lily: We're gonna help you get back home.

Jack: I would greatly appreciate that.

Me: All right guys we're gonna be known as the Brave 12 and our mission is to help Jack get back to his time in the past.

Jack: Thank you all. I must return to my own time so that I might undo Aku's evil reign before it envelopes the Earth. This ageless demon must be stopped.

Me: And we all will work together to stop him.

Jack: This is all very confusing for me.

Me: I know. Lets go get a drink.

We walked up to a door and I knock on it. 3 sliding windows open up.

Bouncer: What do you want?

Me: We would like to come in for a drink please.

Bouncer: A drink? Of course. Come on in.

The windows closed and the door slide up and there was techno rock music playing.

Me: Wow! That is hardcore rock music.

We went in and saw that the bar was full of alien creatures unlike anything we've ever seen before. Most of them were humanoid.

Varie: These guys are weird.

Vince: No kidding.

Jessie: I must admit. This is really awesome.

Lincoln: I agree.

Naruto: Look at that guy.

Naruto pointed at a creature that looked like a slug commando.

Creature: And what you lookin at!?

He jumped over the table and I punched him in the face as he was about to attack and I sent him crashing into a table.

POW! CRASH!

Me: Don't even think about it slugface!

The creature got up.

Creature: Humans you got some nerve!

Vince: We have not yet begun to fight.

The creature pulled out a weapon and it was a weird sword.

I unsheath my sword and slash the creatures arm off.

It alerted more of his kind and they attacked. They fired missiles and we deflected them all back at them and destroyed they.

In a booth 3 dogs that could talk saw us fight and they approached us.

?: (British Accent) Pardon me fine sir.

I kneel down.

Me: Yes?

?: My friends and I would like to offer the chance to join us.

Me: Certainly. Lets go to a booth and talk.

At a booth we were looking at them with curious expressions. A waitress came.

Waitress: Your refreshments are here.

?: Splended.

She gave us our drinks.

?: My friends I do apologize how rude of us. We haven't introduced ourselves. [Introduces the yellow dog] This is Sir Dreyfus Alexander - Chief of Excavation. Um Dreyfus old boy. You're drooling again.

Dreyfus: Huh, oh! Sorry.

He blubbered and got his drool everywhere but our auras were protecting us.

?: (Scottish Accent) You blasted idiot you're getting everybody wet!

?: And this fine gentleman is Angus McDuffey - Artifact Aficionado. And I am Sir Colon Bartholemew Montgomery Rothchild III or Rothy for short. (Chuckles)

Me: It's a pleasure to meet you all. I'm James Dean Knudson. But my friends call me J.D.

Varie: I'm Varie Knudson, J.D.'s fiance.

Vince: I'm Vince Pusateri.

Jessie: I'm Jessica Bannon. But everyone calls me Jessie.

Naruto: I'm Naruto Uzumaki Namikaze.

Sakura: I'm Sakura Haruno.

Fu: I'm Fu. I don't have a last name.

Lincoln: I'm Lincoln Loud and these are my little sisters Laney, Lisa and Lily.

Laney: It's a pleasure.

Lisa: Greetings my friends.

Lily: Charmed.

Jack: And my name is Jack.

Rothy: It's a pleasure to meet all of you.

Jack: This is all very confusing to me.

Rothy: No, no, no, no, no quite all right. Quite all right. Since the beginning of history the immortal Aku has ruthlessly ruled the Earth. Plundering its resources as he sees fit. But it was still not enough. He opened his ports to the galaxy so that he might take the riches of other worlds as well. Since then his otherworldly business affairs have drawn scaths of vicious criminals, mindless stooges, and questionable mercenaries to our pitiable planet. Making the Earth topsy-turvy if I do say so myself.

Me: We believe it. Aku has radically altered the landscape in such a way.

Jack: There are other worlds across the stars?

Me: That's correct Jack. One of humanities biggest mysteries was "Are we Alone in the Universe?" and the answer is No we are not. We all come from Earth.

Jack: Yes. This world is different from the world that I remember.

Even the grandest cities were not as overwhelming as this one. Chariets did not fly and dogs did not speak in human tongue.

Varie: He's right. We mean no insult to you guys. The dogs we have are wonderful companions and they only barked.

Lincoln: Yeah.

Dreyfus gasped.

Rothy: You see the ancient myths are true!

Angus: Impossible! If what you're saying is true, they'd have to be thousands of years old.

Rothy checked Jack and it gave a reading.

Rothy: (Gasp) Astounding! The age-ometer dates your particles all the way back to 25 B.A. 25 Years before Aku enslaved the Earth. You Jack my friend are a living fossil.

Jack: You were right J.D.

Me: Mm-hmm. We are from the year 2017. What year are you from Jack?

Rothy: If I may I believe he would be from the year 200 B.C.

Naruto: That's over 2,000 years ago from our time.

Angus: Right.

Me: What is the year now?

Rothy: It would be in the year 10,533 A.D.

Sakura: We're way in the future.

Fu: No kidding.

Me: We are known as the Brave 12 and our mission is to not only help Jack get back to the past but also destroy Aku.

Lily: Isn't anyone going to hear us in here?

Me: No. I put up a sound barrier that prevents sound from escaping and no one can hear us.

Naruto: Good thinking.

Rothy: Oh I'm so glad we agree on that point. Which actually brings us back to our proposal. You see we are archaeologists trying to dig up the remains of our ancestors to find out more about our past. It was only a few years ago that we had discovered that our ancestors walked upon their legs and their arms.

Dreyfus: Then one day, during our excavation we actually stumbled upon rare jewels.

Angus: Aye. These jewels ended up being a key source of power for Aku.

Rothy: So he enslaved us to forever dig up his jewels thus stiffling our excavation of our glorious past. Which is why we need you.

Me: You called the right people and we will gladly help you.

Rothy: Splended. Well we're off then.

Jack and the dogs took a ship and we flew. Naruto was carrying Jessie. We flew over the landscape and saw that it was altered much worse than what we first thought.

We arrived at the Dogs camp and it was an amazing sight. Lots of old relics from the past were dug up as well as numerous clusters of crystals.

Rothy: Welcome to our camp. As you can see our archaeological dig had unearthed many astounding discoveries concerning the history of canine kind. But unfortunately Aku has shall we say redirected our efforts purely toward the excavation of his precious gems and if Aku's unreasonable quottas are not fully met, I'm afraid terrible punishments are exacted.

We saw lots of dogs crucified to horned structures.

Rothy: My peoples spirits are broken. We simply cannot live like this any longer!

Aku was making the dogs work tirelessly without a break and they were suffering.

Jack: I have seen Aku implement these atrocities before but no more. Even dogs should not be forced to live like dogs.

Me: I agree. No offense Rothy.

Rothy: None taken.

Me: All right. Lets get to work.

Naruto: Right.

Naruto rallied up the dogs together and told them everything about Aku's evil oppression and more. They abandoned their work. The dogs were forever indebted to us. I put up a special barrier that prevents Aku from seeing the dogs not working.

Rothy: Of course J.D. It was truely a noble deed you all have done today and a historic record most worthy of our logs. You have saved all of our pack from the tyranny of Aku. We are forever indebted to you.

Me: Think nothing of it. But it's our mission to oppose the minions of Aku and free everyone under his oppression and our mission to help Jack get back to the past and destroy Aku himself.

Rothy: Thank you so much. Now that we are free we shall take our leave of these forsaken mines. Our pack shall once again continue to unearth new discoveries to our puzzling history.

Jack: I wish you the best.

Jack and Rothy shook hands.

Rothy: We certainly invite you to join us.

Me: I wish we could Rothy but we can't. Aku's wrongs must be righted.

Jack: Yes. Surely there is a way to reverse his spell.

Varie: We will help Jack find a way back to his own time and help him finish what he started centuries ago and defeat Aku's evil before it was ever unleashed.

Vince: And Aku will pay for everything hes done to our planet.

Naruto: Yeah.

Jessie: That's right. We won't let him get away with this.

Me: The Brave 12's Quest has begun.

Samurai Jack Theme Song Plays.

## (CHAPTER 161)

## "The Brave 12, the Woolies and the Chritchellites"

We, The Brave 12 were wandering through the forest and stopping for a picnic and we heard a beast roar and a large hairy creature ran. 3 more of the creatures riden by smaller creatures were chasing after it.

Me: Lets go!

Varie: Right!

We ran after the creature and I got on it and we teleported and hid in a barrier that prevented us from being seen.

Creature: Where did it go?

Creature 2: I don't know. He just vanished.

Creature 3: Find it so we can punish it!

They left.

Me: That was a close one. [To the beast] Are you all right?

?: Yes. I have been a slave to those awful creatures for decades.

Varie: That's awful.

Jack: Looks like we arrived at the right place at the right time.

Vince: We sure did.

Lincoln: What kind of creature are you?

?: I'm a Woolie. All will be explained at night.

Later that night, the Whoolie lead us to a gate and it had a big lock on it.

Laney: I got this. I learned it from Leni.

Laney pulled out a bobbi pin from her pocket and picked the lock and it opened.

Naruto: Very clever Laney.

Sakura: I agree.

We gasped as we had seen lots of Whoolies sleeping.

Jack: What is this place?

Woolie: It's where we're kept at night.

The Whoolie lead us to a set of stairs and it lead to a tall platform.

Woolie: Up.

I went up the stairs and saw a huge Whoolie that was hairer than the rest. It opened its eyes and they glowed yellow and fired a beam of light into my eyes. It was a psychic vision.

?: I am Lazzor, the eldest of Woolies. [Shows me a flashback of the Woolies past] (Narrating) Countless seasons ago, before the darkness fell we were a happy people. We have discovered a way of life that most creatures only dream about: Paradise. Ours was not a culture based on technology. [The Woolies were a very peaceful and friendly people that lived in harmony] Our village was prosperous. Then THEY came. A pestilence that rained out of the sky. [A bunch of small rockets from outer space landed in the Woolies village. They opened and an army of those blue creatures from earlier came out] The Chritchellites were upon us. [The Woolies tried to defend themselves with their farming tools] At first we tried to defend ourselves but we were no match for their technology. Using the power of the Orb, the Chritchellites has enslaved us to their service. [A giant yellow orb on top of one of the rockets was used and it made the Woolies too front heavy to travel on their hind legs, forcing them to stand on all fours] For decades they have abused our land and if they are not stopped, I fear my people will soon fade from history.

The vision ceased and I was shocked. The Chritchellites were abusing the Woolies to extinction.

Lazzor: Will you help us?

Me: We will Lazzor. The Brave 12 will gladly help you.

I go down the stairs and reveal the situation to everyone and they were horrified.

Sakura: Those little creatures enslaved the Woolies and are driving them to Extinction!? That's horrible!

Fu: We have to stop this.

Naruto: This is totally unacceptable.

Me: I agree bro.

Lincoln: We have to stop this madness.

Lily: I agree. Life is a precious thing and the Chritchellites are treating it like a disposable commodity.

Vince: You'll get no argument from me Lily.

Varie: [To the Woolie] Can you show us where the Orb is?

Woolie: Of course. Follow me.

He lead us to the Orb rocket and we saw a Yellow Orb on top of it.

Me: That must be it.

We saw that the Chritchellites are all sleeping.

Sakura: They're all sleeping. Perfect.

Me: Lets give them a rude wake up call. Jack watch this.

I get into my stance.

Me: KA! ME! HA! ME! HAAAAA!

I fired a Kamehameha Wave right at the Orb and it hit it and completely destroyed the rocket in a fiery explosion.

KRABOOM!

The explosion woke up the Chritchellites and they saw that the rocket was completely destroyed.

Chritchellite 1: What? The Orb is completely gone!

Lazzor woke up.

Lazzor: It is time.

The Woolies all woke up and for the first time in decades they were able to stand on their hind legs. They went to where the fight was.

Chritchellite 2: Get them!

We pulled out our swords and slashed their tridents apart and punched the Chritchellites into oblivion. The Woolies came and joined the frey.

Woolie: Your weapons are worthless now. This is our home!

Me: So leave this planet and never return!

The Chritchellites screamed in terror and they got into their rockets and left. Never to come back.

Me: We did it guys.

Jack: Yes we did.

Vince: But our work is not over yet.

Varie: No it is not.

The Woolies were kneeling as Lazzor came down and landed in front of us.

Lazzor: We are forever grateful Brave 12 to your deeds done today.

Me: It was our pleasure Lazzor.

Vince: We had to do what we could to help.

Lazzor: Yes. If there is anything that you seek, please honor us by letting us help you.

Jack: There is one this that we quest for.

An image of Aku showed in Lazzor's eyes.

Lazzor: Yes, I understand. Travel north Brave 12. There you will find a magical place that can help you fulfill your destiny.

We all left North and set out to find this mysterious place.

## (CHAPTER 162)

## "Brave 12 In Space"

We were walking throught the forest and sitting by a river having a drink when suddenly an explosion occured.

KRABOOM!

It scared the birds away and we ran. We dodged incoming arrows that exploded on contact until we came across a space habitat in the middle of the forest.

Me: Wow! This is really interesting.

Out of the forest came three giant Mantis Robots.

Vince: Wow! Those Mantis Robots are amazing.

The Mantis Robots got their weapons ready and they looked at us.

Astronaut 1: Uh oh!

The Mantis Robots saw the colony.

Mantis Robot: (Robotic Voice) You have been found guilty of breaking Aku law 101 and 203: Habitation in an unauthorized facility and unauthorized construction of an escape vehicle. Your punishment is Extermination.

The Mantis Robots went after the colonists.

Me: I don't think so! Come on guys!

We slashed apart the Mantis Robots like they were nothing and they exploded.

KABOOM! KABOOM! KABOOM!

Astronaut 2: (German Accent) Well according to my calculations our chances of escaping are now 334,872 to 1.

Lisa: Interesting odds.

Astronaut 2: It is.

Astronaut 3: (German Accent) Oh no. After all these years we have to go back to work for Aku. I can't do it! (Crying)

Me: We didn't mean you any harm guys. It's our mission to help free all those that were enslaved because of Aku's tyrannical oppression.

Astronaut 4: That's right so calm yourself Frederick.

Frederick: Oh easy for you to say. You were just a baby when the rest of us were forced to use our scientific knowledge to build Aku's evil robot army and half of his evil technology.

Astronaut 4: My age is irrelevant here. We shouldn't just give up. We still have a chance.

Me: Yes. We are on a mission to not only free those that have been enslaved by Aku but also our primary mission is to help Jack here get back to his time to destroy Aku 10,700 years into the past.

Woman Astronaut: That's interesting. You all must be the Brave 12.

Me: That's right. My name is J.D. Knudson.

Varie: I'm Varie Knudson, J.D.'s Fiance.

Vince: I'm Vince Pusateri, J.D.'s partner and 2nd in Command.

Jessie: I'm Jessie Bannon.

Naruto: I'm Naruto Uzumaki Namikaze, J.D. and Vince's adopted Younger Brother.

Sakura: I'm Sakura Haruno.

Fu: I'm Fu. I don't have a last name.

Lincoln: I'm Lincoln Loud and these are my younger sisters Laney, Lisa and Lily.

Laney: Charmed.

Lisa: Greetings.

Lily: It's a pleasure.

Jack: And Everyone calls me Jack.

Astronaut 5: It's a pleasure to meet you all.

Astronaut 4: We could use your help. We need a long enough destraction to get through Aku's Blockade.

Me: We will gladly help you all. But Jack and Jessie don't have powers like we do and can't breathe in the endless vacuum of space.

Astronaut 5: Leave that to us.

Jessie: Thanks for your concern J.D.

Me: You're welcome Jessie.

2 Hours Later, Jessie and Jack were being tested and they were fitted with awesome spacesuits.

Me: Those spacesuits look awesome on you both.

Jessie: Thank you J.D.

Lisa: Indeed.

The next day the rocket lifted off and we were in Space.

Astronaut 4: Ladies and Gentleman, we are entering Aku's Blockade.

Lily: Here we go guys.

Frederick: They're going to launch the 1st Wave. Better get The Brave 12 to the air lock.

The Air Lock opened and we went into Space and it was awesome breathing in space.

Me: (Echoing) Here they come. They're tick robots!

We were slashing and smashing the Tick Robots to pieces and they all exploded.

Sakura: (Echoing) That takes care of the Tick Robots.

Frederick: The fuel level is dropping!

Vince: (Echoing) Look! Mosquito robots!

We slashed and smashed them too.

Loud buzzing was heard and we saw a huge swarm of Hornet Robots.

They fired stinger missiles at use and we dodged them. But they were guided missiles. We had the missles follow us and they hit the Hornet Robots and destroyed them all and we slashed and smashed and blasted the robots into pieces.

Fu: (Echoing) How's that for splatting bugs!?

Astronaut 4: Great job guys!

Me: Thank you.

Astronaut 4: Get in the pod guys!

We did so.

Astronaut 4: Maximum velocity will be achieved in 1.2 minutes.

Astronaut 2: Stabilizing retro rockets.

Woman astronaut: Standing by.

She typed in some commands.

Woman Astronaut: Brave 12, I'm gonna lock you in. This is going to be quite a ride.

Me: Okay.

There were metal straps that locked us in. Outside the Hornet Robots were combining into something.

Frederick: What is that?

Astronaut 4: Looks like the bug bots are forming into a giant gun.

Screens lowered down and we saw the gun.

Naruto: Look at that!

Laney: It looks like an oversized Badminton Birdie.

Me: It kinda does.

Lisa: It's actually a Superlaser Cannon.

Varie: We have to stop that thing!

Vince: Yeah!

We unlock and go after the gun.

Frederick: The Brave 12 are unlocking!

Woman Astronaut: What!?

Astronaut 4: Guys what are you doing? We're almost at top speed!

Me: We can't let the robots fire that gun!

Astronaut 2: The odds of them hitting us at this speed are 325 to 1.

Jack: We cannot take that chance.

Woman Astronaut: But you'll never make it back in time guys.

Lisa: (Echoing) We know. But you guys go.

Astronaut 4: Initiate the countdown!

Frederick: But what about the Brave 12?

Astronaut 4: Darn it there's no time!

The warp drive countdown began.

The gun charged up and I charged up a Kamehameha Wave.

Me: KAAA! MEEE! HAAA! MEEE!

Me and the Gun fired at the same time.

Me: HAAAAAAAAAA!

The blasts collided. The rocket went into faster than light travel as my technique overtook the cannons laser and it went into the energy cannon and it exploded with incredible power.

KRAAAABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I protected us in a force field bubble and the explosion blew us towards Earth and we reentered the planets atmosphere and crashed when we hit the ground.

We were unscathed.

Me: is everyone okay?

Vince: Yeah we're fine. Good thinking.

Me: Thanks guys.

In a heroic act of immeasurable sacrifice and selflessness we saved the Astronauts from Aku's oppression and sacrificed our way back to Jack's time to save them.

## (CHAPTER 163)

## "The Brave 12 and the 3 Blind Archers"

---

We the Brave 12 were on a boat headed to our next destination when we heard a strange story told by a man.

Man: I alone was the only survivor. My entire robot army, COMPLETELY ANNIHILATED! In my dreams I still see arrows falling like rain.

Man 2: What does the tower hold that would make you sacrifice a whole army? Treasure, gold, rubies?

Man: Bah! Nothing as materialistic as treasure. At the top of the tower is a mystical well, the Well of King Ozric. Those who reach the infamous well are granted one wish. Your greatest desire.

We overheard the whole conversation and we thought it would be worth a shot.

Me: This well could be the key to getting you home Jack.

Jack: It sure looks like it.

Vince: Lets go ask.

We got up and asked the man.

Me: Excuse me? Is the Well of King Ozric real?

Man: Of course! In fact we're passing by it now. There.

The man pointed to the island over to the right.

Man: In the center of that mist-shrouded isle lies the treasure of King Ozric.

Jack: Thank you.

We were about to walk to it but the man stopped us.

Man: Wait! I beg you all. Reconsider. There are only three archers and yet they decimated my whole army.

Me: Thanks for the warning sir. We heard you talking about these archers and they must really be worth a challenge. But that well could very well complete our mission.

Jack: Yes. That well could get me home.

Man: There are other ways to get home.

Vince: Not for Jack here. He's from 10,700 years into the past.

Sakura: And we won't stop until we complete our mission.

We then took a boat across to the island and landed.

Me: Quaint place.

Jack: Yes.

We trekked through the forest and we found the Tower of King Ozric.

Laney: That must be it.

Naruto: It sure is.

Fu: It's just a lone tower.

Varie: Yeah.

Me: If the archers are there then maybe we can get their attention.

I pick up a rock and threw it at the tower and arrows struck it out of nowhere and reduced it to a grain of sand.

Me: Whoa!

Lily: That is really awesome marksmanship.

Lincoln: They all hit their target on the spot.

Vince: They're coming out.

I pull out my binoculars and look at the archers.

Me: The archers are blind!

Varie: Really?

Me: Yeah. Look.

I hand Varie the binoculars and she saw that I was right.

Varie: You're right. So that's how they hit their target with no problems. They rely on sound and feeling the vibrations in the air of all things.

Naruto: Very clever.

Me: This is Aku's handiwork

Jack: Aku? What do you mean J.D.?

Me: He flooded the well with his evil and poisoned it.

Laney: Yeah. I can sense it.

Jessie: Me too.

Jack: Then we have to help the archers.

Sakura: Yeah. They must be people under the curse of the well.

Fu: How are we gonna get near the well? Those archers are going to kill us.

Vince: We must fight on their level.

Me: Oh I get it. Fight fire with fire.

Vince: Exactly.

We put blindfolds on and relying on sound only we had a strong chance.

Me: Lets do it.

Jack: I am ready.

We ran towards the tower and the Archers heard us coming and fired 3 arrows at us. We heard the arrows coming by feeling the vibrations in the air through sound. We dodged them and moved in different directions and dodging more arrows as we ran. We got under the tower and the archers tried looking for us with their ears. We jumped onto the tower and went high into the sky and landed on the tower and the Archers fired arrows at us and we ducked and they struck eachother and ricocheted off eachother and hit the archers head on. We took off our blindfolds and we saw black slime ooze off the archers and the archers were really monks.

The black slime went back into the well and the monks regained who they were.

Monk 1: (Groans) Where? What?

The monks vision returned to them.

Monk 1: I can see!

Monk 2: We're restored.

Monk 3: How is it possible?

The monks saw us and knew that we were responsible for freeing them.

Monk 3: You all have broken our curse! We thank you.

Me: You're welcome. We are the Brave 12 and we originally came to make a wish at this well.

Monk 3: The well is yours.

We approached the well.

Well: (Gurgling Voice) Proclaim your wish great warriors and it will be fulfilled beyond your wildest dreams.

Monk 1: We must warn you all. Any wish granted comes with a price.

Me: We kind of figured that. This well was corrupted because of Aku.

Monk 1: We know. It was forever ago we fought long and hard to reach this well. When we got to it we stood before the well and made our wish: to be the greatest of warriors. The spirit of the well did indeed make us great warriors. But in so doing robbed us of our sight and our minds. Enslaving us as its personal guard. We have lived cursed lives until now.

Me: Yeah. Our original intention was to use the well to help Jack here get pack to his time 10,700 years into the past. But we had a very strong feeling that the well doesn't just give anything for free. We figured out that this was Aku's handywork and we came to free you after figuring it out. Come on guys.

We got our swords ready and stood at 12 sides of the well.

All: EVIL SPIRIT OF THE WELL, YOU WILL NOT CLAIM MORE INNOCENTS! WE WISH THEE DESTROYED!

We stab the well and black slime goes high up into the sky and disintegrates into nothing.

We sheathe our swords and decide to leave the island.

Lisa used her technokinetic powers and built laser guns for us.

In an act of immeasurable sacrifice and selflessness we freed the monks from Aku's evil.

## (CHAPTER 164)

## "The Brave 12 and the Wrath of Mad Jack"

It starts in a local bar in the middle of the forest. A bunch of bounty hunters were playing Russian Roulette with a fork.

A fish bounty hunter had a fork in his fin and licked it and tapped the table and sped up the tapping and then a stab was heard.

THWACK!

Bounty hunter: Yooowwwwww!

Fish Hunter: Pay up sucker!

A bear man paid him and the hunter punched him.

The music in the juke box was changed and that's when we came in.

We walked up to the counter and the Bartender saw us.

Bartender: You all want something?

Me: Tea and hot water please.

The bounty hunters saw this as an insult.

We sat down and Jack took off his hat and we poured our glasses.

The fish bounty hunter pounded on our table.

Fish hunter: Hey! You've got some kind of nerve!

Me: Yeah. What of it?

Fish Hunter: You've got some gump coming in here you know what I'm saying?

Vince: Yeah we know what you're saying.

Fish Hunter: [To Jack] Better finish that drink quick [licks it and drinks it] 'cause you might not live much longer.

Naruto: We're not scared of you.

Fish Hunter: You should be. [Places a wanted poster of Jack on the table] Aku is offering 2 Googolplex on your head Jack. 2 Googolplex, that's a lot of money.

The bounty hunters all drew their weapons and approached us.

Fish Hunter: And we aim to collect it. Right about now.

Jack poured his drink and when the last drop of water fell all the hunters came at us and we drew our swords and slashed them into pieces.

---

The bounty hunters fell apart in a pile of blood and guts.

Sakura: So much for them.

Fu: Yep.

We leave the bar and we saw another bounty hunter in the courtyard.

Hairy Bounty Hunter: SAMURAI JACK! This you? [Holds up the same wanted poster] Yeah, look like you.

He came at us and I kick him and sent him flying and he crashed into the wall.

Hairy Bounty Hunter: (Dazed) Googolplex.

He was knocked out.

Jack: Looks like there'll be no money for you crazy round man.

Lincoln: I agree.

A whoosh sound was heard and we saw a tethered harpoon headed toward us and we jumped out of the way.

We saw that it came from a Three-Eyed monkey bounty hunter.

Three-Eyed Monkey: SAMURAI JACK! [Retracts the harpoon] You're mine!

He was hooting and he jumped down and Naruto kicked him and Sakura smashed him into scrap.

Vince: He was a robot.

A bear dressed in Canadian clothing came and roared.

ROOOOOOAAAAAAAAAAARRRRRRRR!

A giant centipede robot emerged from the ground and grabbed Jack. But Jack busted through it and Laney slashed tamed the bear and it vanished and became a tattoo in the shape of a bear on her arm.

The Centipede robot became two and dug into the ground and an ugly elephant appeared and on it was a robot of Huntor from Dexter's Lab.

Me: Geez it's a bounty hunter frenzy!

Jack: No kidding.

Robot Huntor fired at Jack and he deflected his shots and I jumped up and slashed him and Lily slashed the centipedes.

But the Centipede Robot wasn't finished yet as it was now 4 robots. Jack got mad and slashed the robots apart.

Aku was watching Jack from his castle tower.

Aku: USELESS BOUNTY HUNTERS! Is there no fighting style that can defeat his? (Gets an idea) YES! No fighting style CAN defeat his. (Evil Laughter)

When the fight was done Jack was mad.

Jack: (Echoing) WHO ELSE WANTS SOME!?

Me: Calm down jack. They're all gone.

Naruto: Yeah. Just relax.

Jack: (Panting) Yes. Thank you.

But then we saw a wanted poster of Jack glow behind us and it formed into a shape and a form began to materialize. When it finished it was another Jack and he had black clothes and eyes that are red with pure evil. We were horrified.

Jack: What sorcery is this? Who are you?

2nd Jack: Don't be such a fool! I'm you!

Jack: If you are me then who am I?

2nd Jack: (Growls) You're so stupid! You are you also.

Jack: Enough! You are my mirror image yet your speech is fowl with evil and disrespect! Who are you and how have you come to be me?

2nd Jack: I am the son of Aku's magic. He has looked deep within you and has spawned me from your own burning hatred. I am your dark side and I possess all the powers that you wield and I have only one purpose in my existence: to destroy you!

We gasp.

Me: Aku created a physical embodiment of the very hatred and rage that exists within Jack's soul.

Lisa: This is definitely a very similar scenario to what had happened with Carol.

Vince: I heard about that.

Jessie: This is crazy.

Me: Jack, let me face him. He knows everything you do and if you fight him it will be a complete stalemate.

Jack: You're right J.D.

I walk towards him and unsheath my sword and go Super Angel.

Me: Lets dance.

Mad Jack jumped up and unsheathed his sword and went at me. I blocked his strike and slashed his arm.

Me: That must've hurt huh?

Mad Jack: Not as much as this will!

We both engage in a powerful and deadly swordfight. Sparks were flying everywhere and setting the whole forest on fire.

Sakura: The forest is burning!

Fu: This is getting intense!

Laney: No kidding.

Lily: Jack he was born from you and you have the power to stop him.

Jack: Yes I do.

Jack reached deep into his heart and he saw a burning tree completely engulfed in flames. This showed the massive hate and rage burning inside his heart. He covered the tree with the waters of love, kindness and purity and it became a beautiful waterfall.

The fire extinguished itself.

Mad Jack: What the heck is going on!?

Me: You've lost. The battle is over.

Mad Jack: What!?

Jack: You are my inner demon. You were born from the hatred within me. But now that hatred is no more. Thus you do not exist.

Mad Jack: Fool! I am real! Now feel the reality of my cold hard steel!

He screamed bloody murder and went after jack. But Jack made Mad Jack disintegrate into nothing.

Lincoln: Jack you did it!

Jack: I sure did. Thank you all for helping me destroy my hatred.

Me: You're welcome Jack.

Varie: We're proud of you Jack. Hatred is a thing that can destroy your mind beyond all repair.

Jack: I agree.

We later continued on our quest.

## (CHAPTER 165)

## "The Brave 12 and The Underwater City"

We, The Brave 12 are over at a sea harbor having a drink with a sea captain.

Sea Captain: Aye. I know of such a thing. But a tale must be told. A fishermans tale about the Triceraquin. The most elusive creature in the sea.

A waitress delivered our drinks.

Sea Captain: Yes the Triceraquin.

Waitress: All right who ordered the green tea and waters?

We raised our hands.

Sea Captain: But I caught one once.

Me: When was this?

Sea Captain: It was 7 years ago off of Tempest Point. I braved those waters for three days without a single bite. But on the third day something bit. Something big.

Sakura: You caught one didn't you?

Sea Captain: Aye. I did and on this point you'll have to trust me because I let the Triceraquin go.

Everyone groaned in disbelief.

Sea Captain: Pipe down you gunnysacks! Yes. I let him go and in return he told me about the secret hidden city at the bottom of the ocean: Oceanus. And the treasure that lies within it. A machine, a Time Machine.

Creature: Oh boy.

Me: A time machine? Jack this could be the key to help get you home.

Naruto: Yeah. It could very well be.

Jack: Lets go see.

Sea Captain: It'll take a brave man to make the trip. The Water's passed Tempest Point aren't for the meek. But you all look like a group of brave people. Brave people indeed.

We take a boat and sail out towards Tempest Point. We arrived in 8 hours and the waters were really rough. A huge wave capsized our boat and we dove underwater and a fish grabbed us. Vince, Jack, Naruto, Sakura, Fu, Lincoln, Jessie, Laney, Lisa and Lily found themselves in a cool transport fish. I was swimming outside and Varie was in her mermaid form.

Me: Wow. That is so cool.

As we traveled across the ocean floor we saw lots of different species of fish that were unlike anything we had ever seen before. We then arrived at the hidden city Oceanus.

Me: There it is. Oceanus.

Varie: It's beautiful.

Laney: It's magnificent.

Lisa: It is a marvelous specticle.

Lily: It sure is.

Jessie: It's beautiful.

Naruto: No kidding.

The fish went passed it.

Naruto: Wait fish!

Naruto did something and the fish turned. He looked at his foot and found that the fish turned when he stepping on a part of its brain.

Naruto: Hmm. Interesting.

Naruto stepped on another part and it turned back.

We went into the city and walked around. At the end of a hall we were in a elevator and it filled up with water and it took us to the top sphere. It opened and poured all the water out and we were on the floor and we saw the Triceraquins.

They extended their hands and we took them and they got us up.

Triceraquin 1: (As Alec Guinness) Don't be afraid little ones. We won't hurt you. Tell us, what are your names?

Me: We are the Brave 12. I'm J.D. Knudson.

Varie: I'm Varie Knudson, J.D.'s Fiance.

Vince: I'm Vince Pusateri.

Naruto: I'm Naruto Uzumaki Namikaze.

Sakura: I'm Sakura Haruno.

Fu: I'm Fu. I don't have a last name.

Jessie: I'm Jessie Bannon.

Lincoln: I'm Lincoln Loud.

Laney: I'm Laney Loud.

Lisa: I'm Lisa Loud.

Lily: I'm Lily Loud.

Jack: And I'm Jack.

Me: Please forgive our trespassing. We have come to…

Guinness: Brave 12? Well, welcome all of you. Welcome to Oceanus.

We were shown around.

Guinness: We are the Triceraquins, amphibious beings that reside here.

Triceraquin 2: (As Ringo Starr) Congratulations on surviving your journey.

Triceraquin 3: (As Sean Connery) Yes and without gills too. Good show to all of you.

Guinness: Come. You all must be tired.

Ringo: And Hungry too.

Guinness: We were just about to sit down for supper. I'm sure we can make room for 12 more.

A door opened and we saw a huge spread of seafood and sushi.

Jack: Sushi.

Me: What a spread.

We were eating and it was really good food.

Guinness: [Raises a glass] A toast to our new friends. Welcome Brave 12.

All: Welcome Brave 12.

Jack: Thank you.

Me: It's an honor.

Guinness: Due to the nature of our geography it's not often that we receive visitors. In fact you are the first. Of course it wasn't always like this. We were once a very social race. [Places a dumpling in the soup] Our people lived on the surface of the ocean and traded with the locals of the mainland. That was of course before he came and banished us to the bottom of the sea.

Me: Aku. I can't believe he did this to you.

Jack: Aku is pure evil.

Guinness: Yes. We have a feeling you're right. We have a confession. We were told by Aku to set a trap for Jack and Aku promised to raise our city back to the surface.

Jack: I understand but I would not do it.

Me: Aku is the ultimate personification of pure evil in its entirety. Making a deal with Aku is like making a deal with the devil himself.

But Aku is 100 times worse than the Devil completely.

Ringo: We agree with you and making a deal with Aku was completely foolish.

Jack: Yes. I understand. There was never really a time machine was there?

They shook their heads.

Me: Well that was a bust. But the least we can do is help you get back to the surface. You all may want to hold on to something.

I focus my powers on the ground and lift up the entire city on a rock platform and form a mountain underneath it that lifted up the city to the surface. For the first time in years, Oceanus is now on the surface once again.

Connery: It's so beautiful.

Guinness: We are forever grateful to you all Brave 12.

Me: Think nothing of it.

Naruto: We have a huge mission ahead of us.

Jessie: Our mission is to help Jack get back home to his own time 10,700 years into the past and destroy Aku once and for all.

Ringo: We know you all can do it.

Me: Thank you.

Later after we got back to the land our stomachs growled and we set up a picnic and had some sushi that the Triceraquins gave us for our travels.

## (CHAPTER 167)

## "The Brave 12 and the Cursed Lava Monster"

We the Brave 12 were walking through a cold meadow and it was freezing cold. As we were walking through the meadow we heard a mysterious voice call us.

?: Come.

Me: What was that?

Vince: It was probably nothing.

We continued on and we heard the voice again.

?: Come.

Sakura: There it is again.

Fu: Yeah.

We went on and we heard it again.

?: Come to me.

Naruto: Where is that voice coming from?

Lincoln: I don't know.

We went on and the voice was calling us again.

?: Come.

Jack: Who is there?

We saw an owl come out of the trees.

We pressed on and the voice called us some more.

?: Come. Come. Come.

We unsheathed our swords and stood ready.

Jack: Show yourself!

Me: Come on out!

Voice: Come to me!

Jack: Coward.

We ran and the voice still beckoned us. We then came across a burned and charred landscape.

Me: What happened here?

Lily: This whole land is burned and totally desolate.

Laney picked up the soil and it was all ash.

Laney: This land was burned a few millenia ago.

Jack: Yes. Something evil has ravaged these lands. A very familiar evil.

Varie: And I have a very strong feeling that it was Aku that did this.

Me: Me too.

Voice: Yes! Come to me!

We pressed on and we saw lots of old rusted out Viking Ships and the skeletons of viking people that have been dead for thousands of years.

Lisa: Fascinating. These viking ships have been here for 9,000 years even after the Dark Ages had passed.

Jack: I am very familiar with the vikings. They taught me their fighting styles.

Naruto: What caused all these vikings to perish?

Fu: Aku probably.

Vince: Yeah.

Up ahead at a nearby mountain we saw a light coming from the top and we knew that that's where the voice was coming from.

Voice: Come!

We went to the Mountain and got to the bottom and climbed up and we went into a cave that went down into the mountain.

Voice: Come!

Me: This could be a trap or a test.

We step onto the floor and numerous spears were thrown at us and we dodged all of them and Lily grabed most of them. The walls into the next room were closing and I slashed a spike and left an opening. We were in the next room.

Voice: Come!

Me: The voice is calling us further in.

Sakura: Yeah. But what does he take us for?

The floor was rising and raising us towards the ceiling and the ceiling was loaded with stalactites ready to impale us.

Me: A fool we've been!

We ran and got into the next room as the cave closed. We then saw another room.

Voice: Come.

Me: The voice is still calling us.

Lisa: Look at this.

Lisa showed us a skeleton of a viking soldier.

Me: Looks like hes been here for a while.

Lily: Yeah.

Lincoln: What do you think killed him?

Jessie: I don't know.

Jack pulled a web and broke it and crystal shards were flying in both directions of left and right and ready to skewer us.

Me: Everyone stay close.

I encase us in a force field bubble and we ran into the room and the crystals were bouncing off the force field. We got out of the room and slipped on some rocks and fell into a tall room that had sharp stalagmites and we spread our wings and grabbed Jack and Jessie.

Me: That was close.

Lincoln: Yeah but look. More warriors.

Some skulls and skeletons were impaled on the stalagmites.

We go over to a structure that was slamming teeth and we had to time it right.

We jumped through and got through it all. We went down another tall room and it had a death worm like machine and we cut all the teeth.

We were in the very core of the mountain and lava poured into the room and we ran and saw numerous rock platforms in a lake of lava. We flew over to an island in the lake and a rock figure arose and it woke up. He formed a mace made of rock and crystal.

Lava Monster: Welcome to your doom.

We stood ready.

Jack: Many warriors have been lured here to their end.

Me: Why have you done this?

Lava Monster: My purpose is to battle.

The Lava Monster swung his mace at us and we dodged and we slashed him and he screamed and lava poured out of his body.

Lava Monster: Yes! At last, after all these years a worthy opponent.

Me: You've been cursed haven't you?

Lava Monster: How did you know that?

Me: I guessed and I have a feeling that something happened to you that lead you to be down here for a long time.

Lava Monster: You are correct.

Sakura: Tell us what happened.

The Lava Monster fired a beam of light at the ground and a rock tablet formed and there were Viking Runes on it.

Lava Monster: I have engraved a recording of my past so that I would not forget the life I had. The man I was. So that thy people would not be lost to the dust of time. Let me take thee all on a journey into the past.

The Lava Monster told us his story. He was a man that lived back 9,000 years ago in the age of the Vikings. A magnificent kingdom thrived in the countryside and it was prosperous. He lived with a loving family with a wife, 2 sons and a faithful dog. Game was very plentiful and it's what made the kingdom prosper. One day it was on a return from a victorious hunting trip when an omen appeared. A Solar Eclipse happened and it enveloped the whole sky. Just as we had suspected it was in fact Aku that appeared in the mans kingdom and he attacked. The kingdom tried everything to fight back but all their efforts were futile and they all perished. The man tried to face Aku himself but it was useless and Aku dealt the man a fate worse than death, he imprisoned him within an unbreakable crystal. He watched in sheer helplessness and horror as Aku completely destroyed his kingdom and murdered everyone. Then Aku came at him again and picked him up and took him to a mountain. It was the mountain we were in and Aku thrusted the man into the very core of the mountain. The man laid still for 9,000 years, never to rejoin everyone he loves in Valhalla. But he somehow found a way to manipulate the rock around him and he formed the body that we saw him in and he created a passage full of peril and danger that only the greatest of warriors can pass and the only way to get to Valhalla is to fall in battle to another warrior.

Lava Monster:… and thou are the only ones to survive.

Fu: That is horrible!

Sakura: Aku you are a menace to the entire universe!

Naruto: We know how you feel. My best friend Sasuke lost his entire family at the hands of his older brother Itachi and Sasuke was completely obsessed with wanting revenge.

Me: But we helped him by revealing the truth.

Lava Monster: That's good and as written the truth has been told. My fate is at your mercy.

Me: Lets help him guys.

All: Yeah!

Jack: Prepare yourself.

Me: Lets do this.

The Lava Monster formed a sword of crystal.

Lava Monster: At last. The gates of Valhalla open to me!

We clashed and demonstrated our sword skills until Jessie got the drop on him and punched the crystal in his body and shattered it.

Lava Monster: After all these years my freedom has arrived.

He started glowing in a blinding light.

Lava Monster: ACCURSED MONSTER! YOUR SPELL IS BROKEN!

He was totally enveloped in the light and he was free. He was fully restored as a man once again for the first time in 9,000 years.

Man: RRRRAAAAAAAAAAAAAAUUUGGGGGHHHHHHH!

We all gasped in sheer astonishment.

Man: I AM FREEEEEEEEEE!

Me: Wow!

Varie: He's free!

Man: Yes! At last my flesh is restored.

Suddenly he was aging rapidly.

Man: (Wheezing) The Curse is lifted.

He dropped his sword and fell to the ground and we went to him.

Me: Warrior!

Jack: I… I…

Man: Don't worry my friends. You all fought valiently. Jessie you deserve to have my sword. You are a brave fighter.

Jessie: Thank you.

Man: Thank you. All of you.

And he died. A bright light shined on him and out of it came the Valkyries on their horses and they picked the warrior up and rode back up to Valhalla. He smiled at us one last time and we gave him the thumbs up.

Man: Thank you Brave 12. Thank you.

Me: You're welcome.

Jessie took the mans sword and I infused it with fire magic as well as the same powers as Jack's sword.

I then carve the word Free into the stone tablet and a picture of him being happy was on it too. We left the mountain and the man was looking down on us with the gods of Valhalla.

## (CHAPTER 168)

## "The Brave 12, The Gangsters and the Jewel of Neptune"

It starts out at a lavish night club. A man knocked on the door and the bouncer answered by opening a sliding window.

Bouncer: Yeah?

?: Ricko Benny Giordano.

The door opened.

Bouncer: Come on in. Welcome to the Blue Monkey.

There were people playing jazz music and lots of people dancing.

3 people go into the club and we, the Brave 12 follow them in.

Me: Nice club.

Lincoln: Sure is lavish.

Laney: Yeah.

We sit at a table and watch the dancing. I sense something behind me and I saw some robot thugs and they were getting ready.

Me: Uh oh! Showtime!

The robot thugs fired machine guns and the people were running in fear.

I slashed off two thugs arms and Jack pushed them into 2 more thugs.

Jessie saw three more thugs and slashed off their heads and a flamethrower thug came and fired fire at us.

But Jessie's sword absorbed the fire and it became a blade of flames.

Jessie: Whoa! This is awesome!

Lily: That is cool.

Jack: Very impressive.

Jessie slashed the thug in half down the middle and it exploded.

KABOOM!

Me: That takes care of those metalheads.

?: (Like Edward G. Robinson) I agree.

We saw a quintet of gangsters.

Boss: We saw you fight and it was absolutely impressive see. Nyah.

Me: You're Roaring Twenties Gangsters.

Boss: That's right see. Let me introduce the boys. Stitches, Mr. Shine, Mr. Pibbles and Knuckles.

Mr. Pibbles: Uh actually my real name is…

WHACK!

Knuckles: Mr. Pibbles.

Me: It's a pleasure to meet you all. We're the Brave 12.

Boss: We know. We heard alot about you all. We would like you to join us for a little job see. Nyah.

Me: What kind of job do you have in mind?

Back in the Gangsters apartment the boss gave us the rundown.

Boss: Everyone say hello to the Public Works and Utilities Building.

He unveiled a small replica of a big building.

Mr. Pibbles: Hello.

Boss: It's a well known fact that deep inside this building lies the legendary Neptune Jewel see. Nyah. And it's our job to get it out.

Mr. Pibbles: You mean uh we got to get inside that little thing?

Stitches facepalms.

Jack: What is the importance of this jewel?

Boss: Here's the skinny see.

The Mob Boss told us the story of how the Neptune Jewel was made. It was kept inside a tall mountain many eons ago and placed there by an ancient spirit that gave the jewel special powers that would give it control over all the waters of the world. Aku wanted to get the Jewels power so he can control the world. But the spirit of water stopped him with a powerful blast of light and she summoned the elemental forces of Nature to guard the Jewel. She called forth the elementals of Earth, Wind and Fire. For many eons Earth, Wind and Fire have guarded the jewel and made it virtually impossible for Aku to get his hands on it. Since Aku couldn't do it, its been centuries since anyone even attempted it and even thought about it.

Boss: So you see see, you would have to be pretty nuts to try to swipe the Neptune Jewel. At least that's what I thought until we saw the Brave 12 here in action. The way you all cleaned up them robot thugs back at the Blue Monkey made me think we're just nuts enough to pull this one off. So are you game guys?

Me: We'll do it.

At midnight on Sunday we go to the building and Jessie and Lily go in through a pipe and swim through the water and they got to the main chamber. They both saw the jewel on a pedastal and it was beautiful.

Jessie: So that's the Neptune Jewel.

Lily: What a sight.

They swam up and got up on the terrace and a light turned on and the 3 Elementals emerged. A rock wall sealed off the room.

Jessie and Lily got their swords ready and the Earth Elemental formed a hammer of rock and slammed it down and Jessie and Lily dodged. The Fire Elemental formed a sword of fire and slashed at them and they dodged and a huge wall of fire formed. The Wind

Elemental formed a whip of wind and lashed it and they dodged again and the Fire Elemental fired a bunch of fireballs and Jessie absorbed them into her sword and she and Lily hid behind a rock and the Earth Elemental caused the stalagtites above on the ceiling to fall and they ran and faced all three of them.

Fire: You will never possess the Neptune Jewel. You will not escape.

Lily: Come and get us!

Fire: Insolent Fool!

They ran and Fire went after them and they ran some more and Fire fired a huge blast of fire and they dodged and it exploded when it hit the wall. Fire fired more fire blasts and one deflected off a rock and hit Wind and Wind became a powerful tornado with a powerful suction.

Jessie saw Fire about to be pulled in and she jumped into Fire's path towards the tornado and she absorbed her and underwent a powerful transformation. Jessie's clothes became glowing pink, red and orange flaming clothes and she had sprouted wings made of pure fire and her power levels were unimaginable.

Jessie flew towards Lily and shielded her as Earth was pulled in and water incapacitated the elementals.

The room was flooding.

Jessie: The Room is flooding. Lily grab the jewel!

Lily: Right!

Lily went to grab the jewel and she grabbed it.

Jessie: Lets get out of here.

They blasted through the building.

Mr. Pibbles: Hey look! They did it.

We cheered wildly for them.

Me: Whoa! Look at Jessie!

Varie: She looks amazing.

Lisa: Something must've given her an amazing power increase.

Laney: Yeah. I can sense it. I also sense the Fire Elemental in her.

Naruto: They must've become one.

Sakura: That could be it.

They landed on the boat.

Lily: We got the Jewel.

Me: Good work you two.

Jack: Very impressive.

Then the jewel floated in the air and went over to Varie.

Varie: What is going on?

Me: I don't know.

The Jewel then embedded itself right into Varie's back and she underwent a powerful energy increase in a blinding flash of aqua blue light.

When it was done Varie was forever changed.

Me: Varie? Are you all right?

Varie: Yes my love. I feel amazing. In fact I feel better than ever. My power is now much stronger than ever.

Lisa: Fascinating. When the Jewel embedded itself into your back it gave you a massive power increase.

Varie: I can feel it.

Laney: It's amazing.

Boss: This is a predicament. We were supposed to give that jewel to Aku.

Jack: Aku!?

Me: Huddle!

We huddled.

Me: Our plan was for them to lead us to Aku after we got the Jewel. But it's time for plan B.

We agreed.

Me: All right boss can you lead us to Aku?

Boss: Well all right.

Hours Later we arrived at Aku's Castle and the Mob members have summoned Aku.

Aku arrived.

Aku: Who dares to summon… Oh it is you.

Boss: Uh yeah boss.

Aku: Do you forget that you are forbidden from coming here?

Boss: Uh yeah boss I know but we have something for you. Some friends of yours are here to say hello.

Aku: And just who might these friends of mine be?

We come out.

Me: Surprise!

Aku was shocked as he saw us.

Aku: You!

We unsheathe our swords and slashed at him.

Aku was down.

But before we can deliver the final blow the Castle and Aku disappeared.

Me: Drat! We were so close!

Jack: There's always next time.

Varie: Well. No matter. Lets just stick to our original plan.

Vince: You're right. Lets get a move on.

Later we all resumed our quest.

## (CHAPTER 169)

## "The Brave 12 and the Tribe that Jumps Good"

We the Brave 12 were in the forest having dinner at night. As we sat down and rested, a figure grabbed a bowl of soup I had behind me and put it back and it was empty when I saw it.

Me: That's weird. This bowl was full.

Sakura: Hmm. That is weird.

A figure got behind us while we weren't looking and swiped our turkey and we saw it and chased after it. It was jumping in the trees and it was an amazing jumper. We stopped and he appeared to us. It was a man. He had the turkey bones in his hands.

?: Sorry.

Jack took the bones.

Jack: What sort of creature are you?

?: (Laughing) (Jumps behind Jack) I man like all of you.

Jack: I have never seen a man fly without wings.

Man: I no fly. Jump good.

He jumped thousands of feet into the air and it was an amazing sight to behold.

Me: Wow! That is a high jump.

Laney: No kidding.

The man landed with a toe tink.

Jack: Jump really good.

Man: Yeah.

Me: Can you teach us how to jump good?

Man: Tribe show me. I show you all tribe. Tribe show you how to jump good.

We followed the man as he carried Jack and he was jumping through the forest and it was awesome to see this man jump good. We arrived in a clearing and Jack got off after he landed and the man did a call. Monkeys with green faces and white fur landed.

Man: Tribe.

He was talking to them in their tongue.

Me: Wow. These creatures are amazing.

Man: Yeah. They tribe.

Jack: You are one of these creatures?

Man: No I man.

Laney: Then how?

Man: They raise me. They say that long ago I with other tribe.

A flashback shows that long ago he was a slave on a robot tank that had slave propel treads. He was a young boy when a monkey from the tribe found him and he ran away and became a new member of the tribe.

Man: And so I became honorary member of tribe and as you see all tribe jump good so I jump good.

Me: We can see that. It's amazing.

Vince: I agree.

We were later eating a bunch of fruit and it was good fruit.

Lisa: This fruit is delicious.

Laney: Mmm.

Lincoln: It sure is.

Suddenly we heard birds crying as we saw them leaving the trees. The man and the monkeys got up and knew what was happening.

Man: Danger! Must hide!

Me: What's going on?

But the man and the tribe went into the trees. We were eating and we saw a group of red face gorillas with pink fur coming toward us. They knock us away and began eating all the fruit.

Me: Hey that is not your food.

Jack: Leave now and you won't get hurt.

But they took it as an empty threat and laughed at us.

Vince: So that's how you want it to go down.

We each grab a bamboo pole and I threw a pebble at a gorilla and they saw us and roared. They came at us and we hit them in the stomach and head with our poles and beat them bad. The Man and the Tribe of Monkeys were amazed at our fighting power as we scared the gorillas off. The Man and the monkeys came down.

Me: Who were they?

Man: Other tribe.

Jessie: I take it that they don't like you at all.

Man: No they don't.

Jack: Why do you not defend what is yours?

Man: We peaceful like flower. No not how to protect ourselves. (ANGRY) OTHER TRIBE TAKE FOOD, SMASH HOME, NEVER LEAVE US ALONE! We pick up pieces. We plant somewhere else.

We did not like their lack of protection.

Man: We scared. Now like before we find new home.

Me: We could show you how to defend yourselves and how to protect what is yours.

The man was ecstatic and he lept into my arms.

Man: And we show you all to jump good!

He communicated to the Tribe.

They barked.

Man: They agree. We learn how to fight and defend.

Jack: And you will show us how to jump good?

Man: No. I mean yes.

We stood ready.

Brave 12: Lets do it.

We tie a rope vine to a tree and set a snare trap, Set up a log ram trap and made all kings of numerous traps and weapons out of vines and rocks. Next we showed the tribe how to fight with bamboo bo staffs. Now it was time for us to learn how to jump good.

Man: Lets do it!

The tribe tied heavy rocks to our arms and legs and tied heavy boulders to our backs. We had to work our way around very slowly and wait for our bodies to accept the weight of the rocks and boulders. It took hours of blood, sweat and tears to do it. 8 Hours later we jumped over a pole and we did. Our bodies have readjusted to the weight and we now have stronger speed and strength. When the rocks came off we tested it all out. We jumped thousands of feet into the air and it was awesome. We landed back down and our training was complete.

Man: You jump good.

Me: We sure did.

We got ready to go.

Me: Thank you my friend.

Jack: Yes. Thank you for everything you have shown us.

The Man hugged us.

Man: Friends.

We left and just down the way we heard a war cry and went to see. We saw the man and the Tribe fighting the Gorillas and they did really well. They had them all tied up and the man shoved fruit into the gorillas mouths.

Man: Never come again.

They were launched very far away. The tribe had triumphed victoriously. We were very proud of them. We then left the forest. But we know that we would see the man and the Tribe again one day.

## (CHAPTER 170)

## "The Brave 12 in the Dome of Doom"

It starts in the forest and we the Brave 12 were resting for the day.

Jack: I'm gonna go look for some food.

Me: Okay Jack. Be careful.

Jack went off and suddenly we heard fighting and we went to see and saw Jack captured by a group of thugs and they have a bunch of strong creatures and Jack shackled by the neck. We're hiding in the forest.

Me: This is bad guys. We have to follow them. Come on.

Vince: Right.

We follow the caravan to a huge dome.

Varie: What is this place?

Me: Looks like some kind of colosseum.

We go in and sit with the spectators.

We sit in the front row and out came a fight.

Me: Here we go guys.

Announcer: And now without any delay, the first challenger of the day, weighing in at a mere 180 septals, Pogal the Pitiful!

Everyone booed.

Announcer: Facing the 12 time champion of the ring, the administer of agony, the baron of brutality, the coroner of Carnage, the dealer of destruction, Gordo the Gruesome!

We saw the fight and it was a brutal fight.

The next fight didn't last long and out came Jack.

Me: That's what this is. It's a fight to the death!

Varie: We have to help Jack.

Me: We will. If things start to go bad we will intervene. Lets watch and see what happens.

Announcer: Welcome to the Dome of Doom! Our talent search has spread throughout the Universe to bring you only the finest quality of challengers to battle the greatest of champions! No injury is too small, no wound is too great, no weapon is illegal.

The arena wall had an interesting array of weapons including Jack's sword.

Me: This is gonna be intense.

Announcer: And now the Dome of Doom presents for your pleasure Two-Sandals the Treacherous.

Everyone but us booed.

Me: Two-Sandals? That is stupid.

Lisa: Agreed.

Laney: This is not a fight to the death, this is a slaughterhouse.

Lincoln: No kidding.

Announcer: Gordo we call upon you to destroy this vile villain.

Me: (In my head) The only villain is you and we will destroy you.

Jack was facing an Ape creature named Gordo the Gruesome.

Gordo: Prepare to suffer Two-Sandals the Treacherous! I will beat you like a drum, I will hang you out like laundry!

Announcer: And now without any…

Gordo grabs the microphone.

Gordo: I am the master mechanic, the Alpha and Omega! I will put a hurting on you slave! I'm gonna tear you up into little shreds and then I'm gonna take those little shreds and tear them up into little shreds! I will make your mother cry! I will make your Aunt Edna from

Withershoot proper, south of Barnaby, Cry! ARE YOU READY FOR PAIN TWO-SANDALS!?

Everyone cheered.

Me: Boy, This guy can talk his mouth off all day and never miss it.

Lily: No kidding.

Naruto: This guy makes Sasuke's mouth look like a joke.

Sakura: You're right Naruto.

Fu: I agree.

Jack: I am not intimidated by your shouting. A true warrior fights not with words but…

Gordo punches Jack in the face and Jack gets out of the way of his grab and Jack jumps behind him and Gordo punches the wall and hurts his hand.

Gordo: Ow!

Jack grabs a bo staff and hits Gordo with it several times. Gordo grabs a hook sword and slashes the staff in half and Jack uses this and pounds Gordo.

Me: Very clever.

Announcer: This… This is unprecidented! But wait!

Gordo's eyes turned red and his hands grew claws and he became more ape-like and his teeth became razor sharp fangs.

Announcer: Oh yes. It looks like he's gone primal on us folks! This is it!

Gordo screamed and hooted and roared in extreme fury.

Me: This is gonna get rough guys.

Jessie: No kidding.

Jack took a trident off the wall and twisted Gordo's fingers and Gord slashed Jack in the face with a claw swipe and Jack hit Gordo in the face several times with it.

Gordo was down.

Announcer: This is unwitnessable! Nobody has ever knocked down Gordo!

The referee robot came and counted down and gave the thumbs down when the counter hit zero.

Announcer: He's Out!

Varie: What a Knockout!

Naruto: Way to go Jack.

Everyone booed.

Announcer: I… I have nothing to say… Except BRING OUT THE NEXT CHAMPION!

Everyone cheered.

A tank came out and in it was a man with a helmet and weird equipment on.

Announcer: Deep from within the deepest abyss of the seventh ocean of Amalgomous arose a champion of unimaginable proportions. Half machine, half flesh, all terror, The AQUALIZER!

Me: This is now gonna get interesting.

The Aqualizer got out of his tank.

Aqualizer: (Cybernetic Voice) Dome of Doom, once more have you summoned me to answer your call. I have risen from the depths of the abyss the conquer the ring and to put an end to this lowly amateur.

The Aqualizer swung his staff at Jack but he dodges all his strikes.

Jack took two shields off the wall and blocked some of his strikes. He tried to punch the Aqualizer with his bare fist but his helmet was too strong. Jack threw a shield and it slashed off his staff blade.

Everyone booed.

Aqualizer: Do not fear. I have traveled the seven seas and conquered far greater foes than this mere contender.

He fired a hook harpoon and it cut Jacks robe and his chest and Jack ripped it off. Aqualizer then fired a plasma ray at Jack and Jack kicked him down and the ray blasted off the Aqualizer's right arm.

Me: That's got to hurt.

Jack took a pair of nunchucks and the Aqualizer used a sawblade and Jack knocked him around and the saw ripped his robe apart. Jack then cut off the Aqualizer's other arm with the saw. He then slashed open the Aqualizers helmet and in it was slug creature.

Slug: Help me! Heeeeelllllppp!

Everyone was chanting Doom.

Announcer: The Crowd calls upon you Two-Sandals to put the Doom on the Aqualizer.

The Slug was coughing and gagging.

Varie: I got this.

She then used Water Intangibility and phased the Slug to them in a ball of water.

Slug: Thank you.

Varie: You're welcome.

Jack knew what he was gonna do was wrong.

Jack: No! I will not participate in this senseless violence any longer! You'll have to get your entertainment elsewhere.

Everyone was appauled.

Me: Well said Jack.

Fu: I agree. This whole thing is nothing but a total bloodbath.

Announcer: This is a dark moment indeed. Not only has he insulted the ring he has insulted us! We will show no more mercy to this two sandaled heathen!

Thunderous footfalls were felt.

Announcer: Introducing the Champion to end all champions. Weighing in at a mere 700 tons, I give you…

Jack stood in front of a MASSIVE SUMO WRESTLER!

Announcer: SUMOTO!

Me: That is one enormous Sumo Wrestler!

Varie: How can a man like that be so fat and huge!?

Lincoln: He makes Andre the Giant look like a shrimp compared to him!

Lily: And he weighs 700 tons!? That's insane!

Lisa: That's exactly 1.4 million pounds of huge fat.

Jessie: It's like picking a fight with a mountain!

Laney: No kidding!

Vince: This is gonna get rough big time!

Jack: I will not fight.

Announcer: Then you will be destroyed.

Sumoto got into a sumo wrestler stance and thunderous footslams echoed throughout the ring.

Jack: I will not fight you Sumoto.

Sumoto growled and jumped high into the air.

Announcer: It's the Sumoto Swan Dive! No challenger has ever survived!

Sumoto landed on Jack with a huge and thunderous belly flop!

KRAWHAAAAAAAAAMMMMM!

Vince: OOOOHHH! That's gotta hurt!

Me: No kidding! Ouch!

Announcer: Thank you Sumoto for putting the Doom back in the Dome of Doom!

Sumoto: Hai!

But Jack was moving underneath him.

Announcer: (Gasp) It… It can't be!

Jack poked his head out.

Me: I've seen enough. Lets go!

We rush onto the arena and I lift up Sumoto with my super strength.

Me: Need some help Jack?

Jack: Thank you guys.

Me: No problem.

Announcer: We have more challengers in the ring folks!

Varie: And we're here to stop this carnage!

I throw Sumoto out of the dome with incredible power.

Announcer: Who are you all?

Me: We are the Brave 12.

Announcer: Ah yes. We've heard about you all.

Me: We will stop all this madness whether you like it or not.

Announcer: Very well then. If not one champion can bring you down then bring out ALL THE CHAMPIONS!

Me: We got three words for you:

All: BRING. IT. ON!

Announcer: May I present TORTO!

Torto is a turtle-like humanoid.

Announcer: MIOTIS!

Miotis is a bat-like humanoid with wings instead of arms.

Announcer: THE CLAW!

The Claw is a Yeti-Like creature with razor sharp mechanical claw gauntlets.

Announcer: RAPTOR!

Raptor is an amphibious frog-like humanoid creature with a long sticky tongue.

Announcer: MR. ROBOTO!

Mr. Roboto is a Tank robot that has powerful ranged weaponry.

Announcer: And finally GANEESH!

Ganeesh is a multi-armed India swordmaster.

Jack: This must end once and for all.

Me: I agree.

Vince: Lets split em up two against 1 each.

Jessie: Perfect.

Announcer: Let the carnage begin!

Jack flipped back and got his sword and we took on our opponents.

Me and Varie faced Torto and picked him up and rolled him like a bowling ball and he crashed through the wall.

Laney and Lily faced Miotis and Laney used her plant powers and entangled him and Lily formed a ball of glowing water and it splashed Miotis and disintegrated him.

Lily: My water powers are like Holy Water and that is like Kryptonite to him.

Laney: Interesting.

Lincoln and Fu faced the Claw and Lincoln fired a blast of lightning at him and electrocuted him and Fu fired a wind blade and slashed him apart.

Naruto and Sakura were facing Raptor and Naruto and Sakura formed a Rasengan and blasted him apart.

Vince and Jack faced Mr. Roboto and it fired stars and missles at them and dodged them and Vince slashed Mr. Roboto apart.

Jessie and Lisa were facing Ganeesh.

Ganeesh: (India Accent) Wiseman knows everything. A shrewed one everybody,

Jessie was in her Fire Angel form and Lisa fired laser guns. They engaged in a sword and gun fight.

Ganeesh: A true coward runs not from his opponent but from himself.

We regrouped and clashed with Ganeesh.

Ganeesh: Many receive advice. Only the wise profit by it.

We then slashed apart Ganeesh and won the fight.

Everyone cheered and Chanted Brave 12.

Jack: Enough! Is this what you call entertainment? The senseless slaughter of innocents? No more!

Jack looked at the Announcer.

Jack: Set the slaves free!

The announcer backed away.

I jumped up onto the stand and held a dagger to his throat.

Me: Set them free or your head comes off!

The announcer did so.

Me: From now on there will be no more fighting for your entertainment!

A robot goon with a whip let them go.

Goon: You heard him! You're free, go on get out of here!

Jack recognized him.

Jack: You!

Jack slashed him apart.

We the Brave 12 left the stadium. Everyone was touched by our fight for good and we had shown them the error of their ways.

Jack: I am forever in your debt J.D. All of you.

Me: No problem Jack. We even won this nice trophy for the fight.

I was holding a gold trophy and it was an awesome award.

Jack: I can see that. But no more.

Me: I know.

We left the dome and continued on our quest.

## (CHAPTER 171)

## "The Brave 12 and the Ultra Robots"

We, the Brave 12 were walking in the desert and we saw a whole village completely destroyed and burning.

We gasp.

Me: What happened here?

Vince: This Whole village has been completely leveled.

Varie: What could've caused all this?

We hear a groan and saw a creature come out of the smoke.

Laney pick him up and Sakura tried to heal him.

Me: What happened here?

Creature: They came from nowhere.

Vince: Who did?

Creature: 8 robots did this. They had huge power and destroyed everything.

A flashback shows what the village look like before it was destroyed.

Explosions ripped everything apart and a clawed gauntlet rip out a chunk of house and buzzsaw blades tore them apart and multitudes of bullets destroyed everything.

Creature: They left as mysteriously as they came.

Me: This is horrible!

Naruto: Which way did they go?

Creature: To the east.

Me: You better come with us.

Creature: Okay.

We continued on with the creature with us.

We came across a robot village and it was completely destroyed. There were toasted robots and burned buildings everywhere.

Me: Another village completely destroyed.

Jack: This is madness.

Fu: No kidding.

We heard a metallic fall and saw a robot still functional but only half destroyed.

Robot: (Robotic Voice) They… They appeared out of nowhere.

Another flashback shows the Robot Village before it was destroyed. It was a high-tech robot city.

Robot: First came explosions.

Explosions destroyed much of the city. It was the same assailants that destroyed the previous village.

They were robots unlike anything we had ever seen before. They had enormously destructive firepower and were capable of destroying anything in their path with such enormous ferocity and without a single shred of remorse or guilt.

A robot fired a cable that exploded when it landed. It was a land mine cable.

Robot: We tried to defend ourselves but our attempts were futile.

The robots fired their guns at the robots but their bullets weren't having any effect. Another robot went invisible and destroyed the little robots instantly.

Robot: And then there was fire.

Another robot unleashed a powerful white hot fire aura and incinerated everything.

Robot: We didn't stand a chance. They were relentless. They destroyed the city, all of it. Then left as mysteriously as they came.

Me: This is insanity!

Jack: Yes. This senseless destruction must be stopped.

Sakura: I agree. Whoever built these robots is in a huge amount of trouble.

Fu: We won't let them get away with all this.

Lincoln: This is all completely unforgivable.

Laney: Yeah.

Lisa: These robots are a danger to the entire planet in general. [To the Robot] Where did they go?

Robot: (Shorting out) They… They left to the east.

The robot died.

We left to the East and found another village completely destroyed.

We searched for more survivors but we could find none. We found some ninja stars all over and they were in a bunch of robots.

Naruto: These are shuriken.

Vince: Looks like we have a robot that uses Shuriken.

Sakura: Yeah.

Creature: I saw it with the robots that attacked us.

Me: We could use these.

We picked up a bunch of them and decided to use them.

We then found robots with clean cut slashes on them.

Me: Looks like we got a robot that can use a sword.

Jack: Is there no end to this senseless destruction?

Jessie: We will find those robots and make them pay.

We then saw footprints and they went out to the east. We then saw 8 baskets in the middle of nowhere.

Me: This is unusual. What are all these baskets doing out here?

Vince: I don't know but looks are deceiving.

The baskets then transformed and they were the robots that we were told about.

Me: So these are the robots.

Lisa: Very fascinating. They are unlike anything that I have ever seen before.

The robots all had an interesting tool on them. The list goes as follows.

1) Claw Chains

2) Buzzsaws

3) Gattling Guns

4) Land Mine Cable

5) Fists and Cloaking Device

6) Flamethrowers

7) Shuriken

8) Katana

These robots were created to destroy and they were very good at it.

Jack: Why? Why did you destroy all of those villages?

Robot 1: (Robotic Voice) To lure you to us.

Robot 5: To draw you out.

Jack: What!?

Robot 3: Yes!

Robot 6: We have been hunting you.

Robot 7: We have come…

Robot 8: To destroy you.

Me: Your search is over.

All: Come and get us!

A Claw Chain was thrown and I grabbed it and pulled the robot towards us and I slashed it in half and it exploded.

Out in the desert on a hill someone was watching the fight.

?: Wow!

Sakura punched the fist robot and bashed his head off.

Naruto slammed a Rasengan into the flamethrower robot and it exploded into pieces.

Fu slashed the Shuriken robot and it exploded.

Lincoln and Jessie fired lightning and fire at the gun robot and it exploded.

Lisa destroyed the buzzsaw robot by ripping it apart with her Technokinetic powers.

Lily and Varie destroyed the land mine cable robot.

All that was left was the Katana robot.

Vince was facing it and it was a vicious swordfight.

Jack tried to slash the robot but his sword didn't even cut him.

Vince: What are these robots made with?

Me: Looks like an indestructible metal.

I then punch the robots head off and it explodes.

Me: That's it for them.

?: I agree.

A scientist came out.

Me: Who are you?

?: I am Extor. The one who created those monsters that you all destroyed.

Me: So you created those robots.

Vince: Why would you do that?

Extor: I set out to construct the ultimate assassins to hunt down Jack and destroy him.

Flashback shows Extor working in his lab on the robots we just destroyed.

Extor: (Narrating) I worked tirelessly day and night until my machines of doom were completed. They each were designed with a unique tool of destruction. Countless days were spent analyzing your fighting technique. They were the deadliest war machines ever created and their power source came from the world's most ultimate evil: Aku!

Aku injected his very evil essence into the robots and activated

them.

Aku: You have outdone yourself, Extor. Now to test their power of destruction!

Extor: Wha… Test them? How?

Aku: By destroying your village!

Extor: No! You can't! We had an agreement!

Aku: Fool! Now my children… DESTROY!

The robots completely destroyed Extor's entire village.

Extor: Aku promised to spare my village if I would build the assassins for him. I was a fool to trust him. Now I was going to correct my mistake. But you guys beat me to the punch and already destroyed my creations. I owe you a big debt of gratitude Brave 12.

Me: You're welcome Extor.

Naruto: I just can't believe that you would create such awful monsters for Aku.

Sakura: Aku is the very creature we're trying to destroy after we get Jack back to his time.

Vince: It's our mission.

Extor: Yes. I've heard about that. High five.

We give him a high five.

Lisa salvaged what was left of the robots and built a cool gauntlet for me. It had some of the tools in it and I can use them when I press a certain button.

## (CHAPTER 172)

## "The Brave 12 and the Challenges of Mount Fatoom"

We, the Brave 12 were walking down a mountain path and we ran into three monks.

Me: Oh hello. We were heading down this path.

Monk 1: Yes.

The monks left and we decided to follow them.

Varie: May we ask where you are headed?

A monk pointed to a really super tall mountain. It was so big that it went high up into the sky.

Vince: That mountain is huge!

Me: No kidding. It makes K2 in Pakistan look like a walk in the park.

Lisa: A mountain of that size and height would be at 35,622 feet. The atmospheric oxygen density around it would have to be as thin as Mount Everest in Nepal.

Jessie: I agree.

Jack: Yes. It appears very difficult.

Monk 1: Yes.

Me: What is up at the peak of this mountain?

Monk 1: Truth.

Jack: Truth?

Monk 1: Legend has it there lies a great power at the Summit of Fatoom. We three have trained for a lifetime to climb this mountain and achieve its power. That is of course if it exists. You see no one has ever reached the Summit of Fatoom.

It was a big challenge for all of us to conquer.

Jack: Not yet.

Me: Lets do it.

We decided to climb Mount Fatoom.

It was an interesting scene. We climbed over lots of interesting rocks and structures.

We took a break and heard a twig snap.

We saw a Goatman.

Naruto: A Goatman. I got this.

Naruto unsheathed his sword and slashed his horns off.

He bleated and this got the attention of more goatmen.

Naruto slashed off all the Goatmen's horns and they ran away.

Naruto: It's all clear guys.

Me: Good work bro.

We continued on and we saw lots of different creatures that lived on the mountain.

Me: These creatures are amazing.

Laney: They sure are.

Laney has tamed and made friends with some of them. They were now tattoos on her hand.

Jack grabbed a rock point and rumbling was felt and heard and the rocks became a rock gorilla and it grabbed Jack and let him go.

Jessie caught Jack and Laney tamed the Rock Gorilla.

Me: Good work Laney.

Jack: Yes. Thank you Jessie.

Jessie: No problem Jack.

We set up camp and a nasty snowstorm came and thundersnow was heard.

It was getting blistering cold. We had our fur parkas on and tried to endure it.

We heard footfalls and it was a Yeti.

He walked by us without wanting to hurt us and we knew that he was very territorial.

Later we resumed our climb and it was an amazing and treacherous one.

In less than 6 hours we made it to the top of Mount Fatoom and it was truly a magnificent sight to behold and the view was incredible.

Me: What a view!

Varie: It's amazing.

Vince: it sure is.

Fu: This is incredible.

Sakura: The Brave 12 are on top of the world.

Naruto: We sure are.

Lisa: Affirmative. It is a magnificent sight to behold.

Lily: It's truly beautiful.

Jack: Yes. We all did it together. We are a team. (Out to the Horizon) AAKKKKUUUUUU! I WILL NEVER GIVE UP! I WILL RETURN TO THE PAST AND DESTROY YOU!

ME: AND WE'LL BE WITH HIM AND HELP HIM DO SO!

ALL: SO WATCH OUT AKU! THE BRAVE 12 ARE COMING FOR YOU!

That was our Oath of Justice for when Aku will die.

## (CHAPTER 173)

## "The Brave 12 and the Farting Dragon"

We the Brave 12 were fishing in a forest and as we were about to fish we saw some dead fish in the river. A blue deer came and it was scared.

Laney: What's wrong little one?

Blue Deer: There's a terrible smell coming and it is horrible! Run for your lives!

The Blue Deer ran away and a bunch of farm animals came and ran passed us.

Me: What's gotten into them?

Laney: That blue deer said that a horrible smell is coming.

Me: I think I see it.

A strange brown stream came at us and when we smelled it it was so bad that it made us gag and throw up.

Me: (Vomiting) (Coughs) OH THAT IS RANK!

Vince: WHAT IS THAT HORRIBLE SMELL!?

Fu: I DON'T KNOW BUT IT'S DISGUSTING!

Lincoln: IT'S MAKING ME SICK!

Lily: We got to find out where it's coming from.

Me: Luckily I brought these.

I reach into my pocket and pull out 12 nose plugs.

Jessie: Nose plugs.

We each grab one and put it on our noses.

Me: (Nasally) Lets find that smell.

We go out of the forest and find a farm village and its crops were totally ruined because of the smell.

Varie: (Nasally) This is really bad.

Sakura: (Nasally) No kidding.

A hand appeared and reached for my arm and grabbed it. It was a man.

Man: Turn back while you still…

He passed out.

Laney: (Nasally) Sir are you all right?

Man: I'm fine but this stench totally ruined our crops and more.

Jack: (Nasally) Tell me. Where is this horrible stench coming from?

Man: They say… They say it comes from…

Before he could answer the smell made him gag and retch.

Naruto: (Nasally) So much for that.

We go into the village and saw that the stench has placed it into total turmoil and incapacitated it.

Vince: (Nasally) This is bad. We have to help these people.

Lincoln: Yeah. We have to do something.

Suddenly a massive fart noise and earthquake was heard and all the people were running in panic as a giant tsunami of the foul stench peared over the mountains.

Me: Uh-Oh!

Man: To the Shelter! To the Shelter!

Me: How far is it to the shelter!?

Man 2: Right around the next block. Hurry!

We saw the stench tsunami getting closer.

Man 3: It's right over here!

Man 4: Oh good gracious help us all! The Shelter, IT'S FULL!

A little cat was in the shelter.

Me: I have shelter!

I form a force field that can block out the smell over the village. The stench tsunami hit and the force field was holding.

Jack: That was a close one. Good thinking J.D.

Fu: That is genius.

We then hear whistling coming from a local scissor smith shop.

We go in and saw the Scissor Smith working on some sausages.

We take off our nose plugs.

Me: Excuse me. Are you the scissor smith?

?: Eh! Somebody say something.

We saw that he had a scar where his nose was.

Varie: What happened to your nose?

Scissor Smith: Oh I lost it but I don't remember.

Vince: Your town is being overrun by a foul stench that has everyone in misery.

Varie: Yeah what is causing all this stench? It's no pretty ride on a wagon.

A crow decided to talk.

Crow: Wagon (Squawk) Rhymes with Dragon!

Me: Dragon?

Scissor Smith: Nothing. (Nervous Chuckle)

Crow: Dragon! Dragon! The Smell comes from a dragon!

Varie: So a dragon is causing this horrible smell.

Jack: So where does this dragon live?

Crow: (Squawk) Spire! Lives on top of the Spire!

Laney: Spire?

Scissor Smith: You mangy pigeon! I'll have you for dinner!

Laney: Calm down sir. [To the bird] Where is this spire at?

Crow: The Spire lies to the East!

Laney: It lies to the East.

Me: Then that's where were headed. Lets go!

We go out of the village and saw a tall rock spire.

Me: That must be it. And the smell is strongest on top.

Varie: The Village is only a few hundred yards from it.

Me: Lets go.

We spread our wings and fly to the top and Jack climbed up the spire and Jack grabbed what looked like a feather in the mountain and the rock crumbled away and it revealed a giant Luna Moth.

Laney: That is a huge Luna Moth. I got this Jack.

Laney tamed it and helped Jack get through the gas cloud and we landed on a cliff that had a cave. It was the lair of the dragon.

The Giant Luna Moth became a tattoo on Laney's hand.

They went into the cave and saw some green glowing eyes and they saw us.

A row of teeth formed and breathed fire at us.

We got out of the way.

Dragon: Ooh! The pain!

We saw the dragon and he was in a lot of pain.

Me: Whoa. You have a nasty stomachache.

Dragon: Yes. (Groans in pain) You all must help me.

Vince: There must be something inside you that is causing this.

Dragon: Yes there is and it's hurting me.

Jack: It's inside of you?

A loud stomach grumbling was heard and we ducked behind some cave columns and held our breath. The dragon released a massive fart and the stench went down the spire and towards the town. Luckily my force field was holding.

Me: That's what the smell is. It's dragon farts.

Varie: At least we now know what that smell is.

Vince: Lets help the dragon.

Me: Right. All right dragon. We will help you.

Dragon: Yes. You have to enter me and destroy whatever is responsible for this.

The Dragon opened its mouth and we knew that we had to go inside.

Me: Okay, Jack you're with me.

Jack: Okay.

Varie: Be careful guys.

Me: We will.

We go in through the mouth and it was weird and we saw two holes in the back of the mouth. One lead to the esophogus and the other lead to the lungs.

Me: Looks like we have two choices.

Jack: Yes.

We went for the right hole but an enormous jet of fire exploded out.

Me: Whoa!

Jack: That hole must lead to the lungs.

Me: Yep. [Points to the left one] This way.

We go down to esophogus and we were in the stomach. Bubbles of acid broke our fall.

Me: This must be the dragons stomach.

Jack: It's huge.

I find the exit to the bowels.

I take Jack to the valve that lead to it.

Jack: Dragon? Are we near the source of the problem?

Dragon: No. You both must go lower.

Me and Jack go deep into the dragon's intestines and we came across some slurping Villi.

Me: These must be the dragon's Villi in the intestines.

Jack: Maybe.

We tried to time our jumping but they grabbed us and sucked us into the bloodstream.

Me: Whoa! We're in the dragons bloodstream.

Jack found what looked like a helmet cell and he put it over his head.

We journeyed through the bloodstream and through the dragon's heart and into the dragon's abdomen. We then found the very source of the problem. It was an egg almost fully hatched.

Me: It's a baby dragon.

It breathed fire and it hit a gland that released the fart gas.

Dragon: Please! Hurry! I CANNOT STAND MUCH MORE!

Me: Come on Jack!

We cut the strands tying the egg down and we ran as more fart gas was released. I put a force field around myself and the baby dragon's fire ignited the gas and it exploded and we were flying out of the dragon with incredibly explosive force.

KRABBBBBOOOOOOOOOOOOOOOMMMMMMMM!

Dragon: Thank you!

We regrouped as I lifted the force fields around myself and the town and the whole smell was gone.

The Baby dragon was free from the egg and grabbed Jack and we landed in the village.

Man: Look!

The village cheered wildly for all of us.

We explained what was going on to the villagers and as it turns out they forgave the dragon. The weird part about this whole part of our adventure was that we got to learn all about the anatomy of a dragon.

## (CHAPTER 174)

## "The Brave 12 and the Imakandi and the Fight with Demongo the Soul Collector"

On a distant planet far from here, It was a savannah planet, 4 lion humanoid people called the Imakandi were getting ready. A shaman used a ritual to beam them to Earth. It worked and the Imakandi arrived on Earth.

As we the Brave 12 were resting for the day, I sensed that the Imakandi were coming.

Me: Uh-oh! We got problems guys.

Varie: What is it?

Me: Aku has sent the greatest hunters in the Universe to hunt us.

Sakura: Who are they?

Me: The Imakandi. They are a race of Lion humanoids that live for the thrill of the hunt. Once they set their sights on their prey, they will not stop until they either capture or kill us.

Fu: These guys must really be dangerous.

Naruto: No kidding.

Me: They are dangerous and they are good fighters too. Their sense of smell is incredible. They can smell their target from 500 miles away.

Lincoln: That is a really good sense of smell.

Jack: What do they look like?

I see four figures coming toward us.

Me: There!

(I point to the four figures}

Jack: They must be the hunters Aku sent.

Sakura: The Imakandi.

Fu: Lets get out of here.

Me: Right.

I summon our horses and we rode out of the city.

The Imakandi were running after us with incredible speed.

Me: Wow! Their speed is amazing.

Lincoln: They can run really fast.

Lisa: Affirmative. Their speed is amazing.

As we rode the Imakandi were gaining.

Lily: They're gaining on us!

Me: We're about to lose them.

I opened up a portal that lead to another part of the world and we went in and the portal closed behind us.

The Imakandi lost us but they were never going to give up.

We were in another part of the world and we were walking in a canyon.

We sensed a figure behind us.

Me: If you seek conflict, you have found the wrong people to deal with.

?: You are mistaken. I am the Dealer of Destruction, the Merchant of Doom and I seek you Samurai Jack.

We unsheath our swords and stood ready to fight.

Jack: Who are you?

?: Aku has sent me to destroy you.

Jack: Aku!?

?: My master tires of your existence. You are all very powerful foes. Perhaps too powerful for my master but not for me. My name is Demongo.

Me: Demongo the Soul Collector.

Sakura: Who is he?

Me: He's one of Aku's most powerful minions. He has the ability to steal the souls and essence of the mightiest of warriors and the deadliest of beasts.

Demongo: That is correct J.D. Knudson. I have come to capture your Warriors Essence!

Demongo pulled out a skull from his chest and threw it on the ground.

Jack: Merchant of Doom?

Me: No this is just the start.

Vince: Yeah. Watch what he can do.

Demongo fired a beam of energy and it hit the skull and the skull popped and out came a huge monstrosity with 3 glowing blue eyes. It was our old enemy TITAN!

Me: Titan!

Jack: But we defeated you!

Demongo: Yes you did and I control his essence. Titan, Destroy the Brave 12!

Titan: RRRRAAAAAAAAAAAAAWWWWWWWWWRRRRRRRRRRR!

He punched the ground and we dodged his attack.

I fly up and punch him in the face and send him crashing into the rock wall.

CRASH!

Titan dissolved into a black mist that went right into Demongo's chest.

Demongo laughed and threw out more skulls and fired four energy beams and out came four more warriors. Warriors that we know.

Me: We know these warriors.

Demongo: They too were once thorns in Aku's side. But now I Demongo control their essence as I will control yours.

Laney: We fought along side them and destroyed most of Aku's minions.

Lily: I can't believe you got them Demongo.

Me: Yeah. Hardball, Shogun, Wildcat and Vishni. I can't believe they are being forced to destroy us.

Demongo: Yes. Prepare yourself Brave 12 for Annihilation.

Hardball fired a spiked ball on a chain at us and I grabbed it and threw it back at him and it hit him and he dissolved into black mist. Wildcat was kicked in the face by Lily, Shogun was slashed by Laney and Naruto slashed Vishni.

Demongo laughed.

Demongo: You cannot win Brave 12. I am more powerful.

Jack: A power fueled only by the strength and skill of the great warriors whose essence you have stolen Demongo! Without that you are nothing.

Demongo: (Chuckles) You are wise Samurai. But who cares? Bleh!

Demongo disappeared and reappeared behind us.

Me: He's playing games with us. Trying to get us all riled up.

Jack: I see that.

Demongo: When I have all of your essence I will be the greatest warrior.

Vince: Want to bet?

Demongo jumped and we went onto the canyon cliff. Four skulls fell and energy blasts hit them. When the smoke cleared it was the same warriors we defeated before.

Jack: It cannot be. How is it possible? We just defeated them.

Demongo: Yes you all did. But they are essence. You cannot defeat essence.

Me: He's right guys. We can't kill spirits. It's impossible.

Demongo: You may defeat them again and again and again, but I command the essence of thousands of such powerful warriors. Even a team as powerful as you all cannot defeat them all.

Fu: We shall see about that.

Demongo then summoned Titan again and he was falling onto us. We ran and got out of the way as he crashed onto the cliff.

The four warriors chased us and we clashed our swords with their attacks and sparks were flying. The whole landscape was being set on fire. We slashed all five of them apart and they dissolved into black mist and went back into Demongo.

Demongo was amused.

Demongo: (Giggles) You still think you can win. How commendable.

We weren't moved.

Demongo: How futile.

Demongo then unleashed hundreds of skulls and we knew what was coming. Demongo fired energy blasts at the skulls and hundreds of warriors appeared. We ran down into the canyon and the warriors and creatures chassed us.

Me: There's so many of them!

Naruto: How can Demongo have this many warriors under his control?

Lily: I don't know but this is madness!

We hid in a cave and they went passed us. There were hundreds of warriors. Some we all Remember.

A creature tried to do a sneak attack and we destroyed him and his essence went back into Demongo.

Demongo: (Screams) There you fools! There! Destroy! Destroy the Brave 12! I want their essence!

Me: Lets get them!

We jump and we slash the machine gun warrior. Lily slashed a big warrior. A Mummy warrior threw ninja stars at us and Fu grabbed them and threw them back and destroyed him.

We ran and slashed as many warriors as possible. It was a fierce battle. We destroyed lots of warriors at a rapid level.

Demongo: Yes! Yes! Fight! Fight! (Evil Laughter)

We were getting nowhere fast as they all just kept on coming. The odds were not stacked well in our favor. But we were persistent.

Me: Geez there's just no end to these guys!

Fu: Yeah!

Lincoln: They just keep on coming!

Me: I know what Demongo is trying to do. He's trying to wear us down to the point of exhaustion by having us fight hundreds of warriors all at once.

Laney: He sure is clever.

Jack: Yes.

Jessie: We can't let Demongo do this anymore.

Laney: Yeah. But how do we stop him?

Me: We have to free the essence!

Jack: Trapped Essence! Without essence Demongo has no power.

Me: We have to free it somehow.

Lily: But how?

We saw the essence go in him.

Jack: From within. How do we get inside?

Wildcat tried to attack and Jack slashed him and Wildcat dissolved.

Jack grabbed the essence and went towards Demongo.

Demongo: Wha? [Demongo saw this] Impossible!

Jack went inside and he was in a pocket dimension inside Demongo. It was a dimension full of all the essence of the warriors Demongo has stolen over the years and they all made him strong. The warriors were trapped in a ring of blue fire.

Jack saw thousands of warriors that were imprisoned by Demongo. He saw Shogun and he looked at him.

Jack: (Echoing) And I free your essence!

Jack slashed the blue fire ring and it severed Demongo's control over Shogun. He destroyed all the rings of fired and on the outside beams of light shined from Demongo's chest and all the warriors rushed out of him like wildfire. Demongo was now an extinguished husk of his former self and he fell to the ground.

Me: Way to go Jack!

Demongo fell to the ground and he saw us and the warriors ready to pulverize him into oblivion.

Me: It's over Demongo! (Cracks Knuckles)

Sakura: Start praying!

Vince: This is gonna be good.

Demongo: NNNOOOOOOOOOOOOOOOOOOO!

Demongo was history.

The warriors went in peace and vanished.

Me: (Senses Something) And just in time too.

Varie: What is it?

Me: The Imakandi found us.

Naruto: They just don't give up.

Lincoln: And they never will from the looks of it.

Jack: We got to run some more.

Me: No, I'm through running.

Vince: Me too. It's time to fight.

We charge after the Imakandi and entangled them in a chain that was unbreakable.

Me: Aku sent you to hunt us right?

Imakandi: Yes. And you all have made this the greatest hunt we ever had.

Me: I believe it.

Imakandi: It is the way of the Imakandi. We live for the thrill of the hunt and whenever we have a prey that has eluded us for a long time, we see that prey as a worthy opponent and we let that prey go.

Vince: We appreciate that.

The Imakandi then disappeared and went back to their homeworld.

Me: Well guys lets continue on our quest.

We all agreed.

## (CHAPTER 176)

## "The Brave 12 and the Scotsman Part 2"

We, the Brave 12 are at a bar having lunch and we saw some bounty hunters looking at us.

Me: What are you all looking at?

They were looking at Jack with intense greed.

They came at us and me and Vince slashed them all.

Varie: That was a waste of our time.

Naruto: Yep.

?: (Scottish Accent) Hey lads and lassies. Remember me?

It was our friend the Scotsman.

Me: It's been a while Scotsman.

Scotsman: Aye. It has. I need your help with something. Me wifes been kidnapped.

Jack: You are married?

Scotsman: Aye. She is the most amazing bonnie lass in the world. I must save her before the Moon is full.

Me: That's tomorrow night.

Jack: Where is she?

Scotsman: The Castle of Boon. (Sniffles) The Celtic Master of the Hunt plans to devour her. She's so dainty and sweet. (Crying) The Master of the Hunt is so very scary!

Naruto: Try and calm yourself.

Scotsman: I cannot. I cannot save her on me own and I am forbidden by ancient custom to seek help from warriors of me own clan. I alone am no match for the army of Celtic Demons that infest the castle. But there's a loophole in the ancient custom. Me clan drew and rolled the bones. They said "Seek the Help of a Stranger". You're the only strangers I know and you're as strange as they come laddies and lassies. And powerful too. Together, you 12 and me, we can save my wife before it's too late! (Crying)

Me: Calm down. We will gladly help you.

We then went to the Highlands and the Scotsman told us all about his wife and lots of good things about her as we ran.

We arrived at the Scottish Highlands.

Me: Wow!

Varie: So these are the Scottish Highlands.

Vince: It's beautiful.

Sakura: It sure is.

Naruto: No kidding.

We then ran to the Scotsman's Clans Castle.

He introduced us to his clan and it was a celebration worth remembering. That night we had arrived at the Castle of Boon!

Scotsman: The Castle of Boon! Getting in will be easy.

Me: Wait. It's too easy.

I pick up a rock and threw it and it landed by the entrance and out came a bunch of strange red demon robots with guns.

Scotsman: Oh. Celtic Demons.

Laney: Those things are ugly.

Lily: No kidding.

Scotsman: It's only 7.

Me: There's hundreds of them in the Castle. We have to find a way around them. I have an idea. Follow me.

Jack: We will.

We climb up the walls and go into the Castle and we find the Scotsman wife in a dungeon. She was a beautiful woman.

Scotsman's Wife: (Scottish Accent) Darling!

Scotsman: Bonnie Lass!

They hugged.

Me: Thank goodness you're safe.

Scotsman's Wife: Me too. Ach the Brave 12. It's such a pleasure to meet you lads and lassies.

Me: It's a pleasure too.

Sakura: We came to rescue you.

Fu: Yeah. We have to go.

Me: Lets get out of this dump.

We ran and we got to the main hall and saw numerous Celtic

Demons in our way.

Me: We got to fight our way out.

Scotsman: Lets fight them!

We unsheathe our swords and slash apart lots of demons. We blasted and pulverized many of them until there was nothing left of them.

Me: That takes care of them.

Scotsman: Aye.

?: Silence!

We saw the overlord of the Celtic Demons, the Master of the Hunt.

Overlord: The Moon is Full. Destroy the rest and throw the young woman in the pot.

Me: I don't think so freak!

Overlord: Silence!

I punch the overlord in the stomach and knock him down and I blast him into oblivion.

Me: That takes care of him. Lets go.

We got back to the Castle and we were hailed as heroes. A huge celebratory feast was made for us.

## (CHAPTER 176)

## "The Brave 12 and The Spartans"

We, the Brave 12 were in the mountains climbing over them and when we climbed out of the mountains we saw a huge battle going on. It was a battle between a bunch of Spartan Warriors and a bunch of Robot Ram creatures.

Me: Whoa! Looks like a huge war is going on.

Naruto: Yeah! I wonder how come.

Sakura: I guess we'll find out when we can.

We saw a Spartan soldier being surrounded by a bunch of robots.

Me: That man is in trouble! Come on!

We go and slashed apart all the robots apart and helped the Spartans win. The robots went away after carrying all their fallen.

Me: [To the man] You have won.

Man: No we have not. Come, we go to meet the king.

We go to a camp of the Spartans and the King came.

King: Did you hold the right flank?

Man 2: We suffered many casualties but held our position

King: Hmm. Your numbers have dwindled. I fear you will not survive another attack.

Man 2: No my king! We will never give up! We will fight!

The King was proud.

King: Yes I know you will not fail me.

The king sat on his throne and he saw us.

King: Roha. Who are these people that you have brought before me?

Roha: My king, these are the strangers who aided me in battle.

King: This battle is of no concern to you. Why did you fight?

Me: We saw this warrior outnumbered.

Jack: We meant no disrespect.

Vince: We apologize.

We started to walk away but the King stopped us.

King: Wait! These years of war have made my words harsh and my tone insolent. Anybody brave enough to face these monsters are friends.

Me: What is this war?

Fu: Yeah, what's going on?

The King revealed his story.

King: Long ago a mechanical beast went mad and waged war against all in its path.

A flashback reveals a mysterious robot creature with glowing red eyes going on the warpath.

King: (Narrating) It feeds off the land itself, growing larger, Powerful. All the neighboring kingdoms have fallen. We are the last. The Beast desperately wants our lands, for our home is beautiful, peaceful, rich in resources. The Beast and its robots would've destroyed us ages ago, but our land is protected by the tallest of mountains. And a narrow ravine is the only entrance. It was there, with only 300 men, that we stopped the Beast's armies. The position was easy to defend, and their superior numbers were made worthless. Year after year, the war went on.

For centuries the war between the Spartans and the Beast's Armies raged on. The battle was getting more and more ferocious at a powerful level.

King: And the battle became a stalemate…

Countless robots were destroyed in the process. But the surviving robots carry the destroyed robots away.

King: For this creature strips the battlefield clear of its fallen to rebuild its army again and again. And so it goes.

The Beast's armies kept on coming more and more for centuries and it always produced the same result no matter how hard they tried.

King: And I am the 17th King to defend this gateway. And tomorrow will bring the same.

Me: This war is terrible. It looks like we arrived just in time.

Jack: But there is another way through the mountains.

Everyone was shocked.

King: How wide is this path?

Jack: Wide enough for troops to move through sideways, weapons held in front and behind.

King: How long to complete the journey?

Me: 12 hours.

King: Will you show us this path?

Jack: Of course.

King: This war ends now! 50 of my best men will join me in a strike against the Beast itself while the rest stay here and defend our position. While the monsters attack us, we will attack them!

We got ready for the battle and the King gave us shields.

King: Foreward my brothers!

We went with the king as Jack lead the way. We arrived at the Castle of the Beast at Sunrise and we saw the last of the Beast's army leaving.

King: Look. There. The last of its army has left.

Me: Here we go.

King: OUR TIME HAS COME!

We charge towards the castle. We ran with full determination.

King: Porcupine.

We got into a porcupine pincushion formation and plowed through more of the robots.

We slashed and blasted all the robots and destroyed all of them. It was an extremely fierce and savage fight and it was a powerful demonstration of what we were capable of.

Me: Jack, Your majesty lets go.

Jack: Right.

Me, Jack and the king went into the castle and in the main chamber the Mechanical Beast came down. It was a giant robot spider. More like a ball with eight legs.

Me: Behind us!

We saw the beast and it tried to attack us but we dodged and blocked its attacks and slashed its legs and it screeched. The King slashed a leg but his sword shattered into a thousand pieces.

I pull out a spare sword and give it to the king. It was an indestructible sword. We had the beast against the ropes. Then I fired a Ki blast and it went right through the beast's head and it crashed by us and it exploded.

KRABOOMM!

Me: This whole place is gonna blow!

Outside the robot army exploded. Somehow they were linked to the Beast.

As we got out of the castle the whole castle exploded with incredible power.

KRABBBOOOOOOOOOOOOOOOOOMMMMMMMMMMM!

At long last, the war with the mechanical beast was over.

Sometime in the future, the King that we helped was dying on his death bed and he was finishing his tale about how we helped end the war.

King: The War was finally over. These brave strangers who became brothers and sisters aided us in our time of need and made a difference.

A tapestry was woven in our honor. It was on the wall and it showed the 12 of us aiding the 300 Spartan Soldiers in the war against the Mechanical Beast.

King: Their bravery, valor and strength for everyone helped us all triumph. Their diligence and the sacrifice of the others defeated our enemy, saved our lives and ensured our freedom. They will be honored and remembered forever- the 300 plus 12.

Our legacy will echo throughout the history of the Spartans for many future generations to come. The Brave 12 will forever be remembered in history.

## "THE BRAVE 12 AND THE SIRENS SONG"

The Brave 12 minus Jack were searching for Samurai Jack as we had heard that something happened to him. I sensed that something was seriously wrong and knew that it was involving Jack somehow.

We got to the beach and we saw the Scotsman and he had Samurai Jack and he was in a refreshment boy uniform!

Me: There's the Scotsman! And is that?

Varie: I think it is!

We went over to them.

Scotsman: (Scottish Accent) Nice try twinkletoes! You're with me! I have to retrace your steps and find out how you lost your brain! Not to mention find your sword!

Me: And we can help you Scotsman.

Scotsman: Lads and lassies. It's great to see you all again!

Me: You too Scotsman. Jack is that you?

I went up to him.

Me: Jack it's me J.D. Knudson don't you remember?

Jack: Like no I don't know you.

Me: Hmm.

My eyes glowed and I saw that his mind was totally blurred up like he has amnesia! His mind was robbed from him!

Me: Someone robbed him of his mind!

Fu: Was this Aku's doing?

Me: I don't think so. Aku is capable of doing that but this is not his handiwork.

Sakura H.: We got to help him out!

Jack: How are you gonna find my mind if it's like lost?

Me: That's just it.

Scotsman: I need just one lead.

The Scotsman then saw a nasty scar on Jack's chest!

Scotsman: A scar!?

Jack: Scar? Like what scar?

Me: (Whistles) That's a nasty scar.

Scotsman: Still fresh to. There's only one creature alive that can make a mark like that: The Tangu Beast. It's a doozy and I know just where to find it.

Me: We'll follow you Scotsman.

I grabbed Jack and we followed the Scotsman to an interesting rock area.

Scotsman: Tangu Beast Territory.

Me: This place gives me the creeps.

Scotsman: This is where you fought the beast. (To Jack) Look familiar?

Jack: No! I've told you. Look, okay like I'm this guy is like really cool and everything but like all of you have got the wrong guy. Like, I'm Brent okay?

Scotsman: Humor me. We just have to reenact the fight to find another clue.

Sakura H.: If there is a clue here.

Me: How are we gonna get it to come here?

Scotsman: If there's one thing this creature hates more than any other thing, it's the stench of the Wily Jubjub Plant. Just a whif can send it into a frenzy.

He pulled out a tiny little plant and it was the Wily Jubjub Plant.

Me: That tiny little thing can make it go crazy?

Lincoln: It must have a really sensitive nose.

Then glowing yellow eyes peered out of the darkness of a cave and a thunderous footstomp came and out came THE TANGU BEAST! It was a green and blue furry dragon creature with razor sharp teeth!

Tangu Beast: (ROARS IN RAGE!)

Me: WHOA! He looks mad!

The Scotsman then punched it down as it went at him.

Me: Wow! That was awesome!

He pulled the Tangu Beast over to us and picked up Jack.

Scotsman: Do you recognize this man?

The Tangu Beast saw Jack.

Tangu Beast: Oh yeah. Yeah I remember him well. Yeah really really straightened me out.

Me: Do you remember where he was heading when he met you?

Tangu Beast: Yeah it was a few moons ago and I was terrorizing this town until we had a you know a confrontation. He beat me and we started talking and he told me the root of my problem and that it was I was attacking the village to make myself feel better. To compensate for a lack of self esteem.

Scotsman: You're playing with us Tango.

Me: Scotsman let him talk. Tango do you know which way he went after that?

He pointed to the west.

Me: Thank you.

We continued on and Jack got up.

Jack: Like what happened?

Me: You fainted.

We saw Sandal Tracks.

Me: Sandal Tracks.

Laney: And they are still fresh too.

Lisa Loud: Looks like they were made not too long ago.

Jack: Sandals? Uch!

Scotsman: You wear sandals.

Jack: Like never.

Scotsman: Shut it!

We continued on and we arrived at a huge seaport.

Scotsman: Hecks Bucket Seaport.

Me: Oh yeah. We were here before. Dealt with numerous bounty hunters out to kill us.

Scotsman: You will never find a more wretched hive of scum and villainy and the crab cakes aren't bad neither.

Naruto: No they sure aren't.

Jack: Uch! Gross.

Scotsman: It makes perfect sense you would come here.

Jack: I don't think so.

Scotsman: SHUT IT!

Jessie Bannon: Lets just head in to find out some information.

We did so and we came across the remnants of a bar that was destroyed.

Sakura H.: We were just there less than an hour ago.

Me: Looks like Jack was here too. No way it's a coincidence.

We came across a nautical man.

Nautical Man: Hey it's great to see you all again!

Me: You too. We need your help with something.

The Nautical Man: (Sees Jack) Hey! Yeah! I remember you!

Scotsman: You've seen him before!? He's been here before!?

Nautical Man: Yeah! It was a while ago! He was looking to hire a boat out of here. For a long journey somewhere far. I don't know. And you all liked my story.

Me: It was really cool.

We went to a sea boat renter. We went to charter a boat for the Great Unknown. It was gonna be a good adventure.

We sailed the rough waters and we then got to the Great Unknown. The ocean was as calm as the Bermuda Triangle.

Captain: It's calm.

Helmsman: Aye sir.

Captain: Dead calm.

Helmsman: Aye sir.

Captain: I don't like it.

Helmsman: Aye sir.

Me: Man it's as calm as the Bermuda Triangle out here.

Lily: Yeah it sure is.

Lincoln: Yeah.

Jack: Refreshments.

He handed us glasses full of water.

Me: Thank you.

I drank the water.

We drank them.

Jack: Like somebody call the weatherman.

A huge thick fog came and covered us.

Scotsman: That was sudden.

Captain: Keep your wits about you men.

Helmsman: Aye sir.

We were sailing on.

Me: Man I can't see a thing in this fog.

Vince: It's so thick you can cut it with a knife.

Lincoln: Yeah.

Me: Wait shh. Listen.

We then heard divine singing.

Me: Hear that?

Laney: Sounds like singing.

Then the Captain and the crew and Jack minus the Scotsman and us were hypnotized by the singing!

Scotsman: Sounds like someone stepping on a cat. Sounds like someone stepping on a lot of cats.

Me: I know this kind of singing. This is the divine singing of the legendary Sirens of Odysseus!

Laney: I've read about them in Greek Myth.

Lisa Loud: That singing is magical to them.

Me: Yeah.

Lily: I wonder why we aren't being affected.

Me: I think it might be our powers. They're protecting us.

Captain: (Droning) Beautiful.

Helmsman: (Droning) Aye captain.

Captain: Music go.

Helmsman: Aye captain.

Scotsman: Have you all lost your brains!?

We wondered what this has to do with the song of the Sirens.

Me: I think the Sirens did something to Jack and made him this way.

Varie: Yeah! Just what I was thinking.

Jack: (Droning) Lovely.

We later came out of the fog and saw an ominous looking island with a huge face.

Scotsman: Well now you don't see that every day.

Lily: That island must be where the singing is coming from.

Me: I've got a really bad feeling about this.

Naruto: The singing is getting loud.

Fu: And we're getting closer.

We got closer to the island and we arrived.

Captain: Tribute.

We all got off the boat and went up to the island and we went up a path to the face and we went through the ear of the face and into a cave and we saw massive piles of gold and treasure and we saw on a huge rock pillar, THE SIRENS OF ODYSSEUS! They were 3 ladies, one was a red haired woman and they other two were blue haired woman and they were hot girls dressed in white. We saw that their divine song hypnotized many sailors and creatures and robots and enslaved them.

I looked at the sirens and I knew that something was up with them.

Me: (In my head) Something is wrong with the sirens. I sense an evil spirit inside all three of them and they are being this way because of them. Maybe we can talk to them.

Scotsman: So you're the cause of all this racket! Nice thing you got going here, turning people into mindless zombies with a sound that can gag a yak!

Red Siren: (Singing) One seems to resist.

Blue Siren 1: (Singing) Are you not affected by our song?

Blue Siren 2: (Singing) Don't you love us?

Red Siren: (Siren 2) Adore us?

Scotsman: You're all tone deaf! A bunch of girlies carry a tune! The sound of breaking glass has more rhythm! I've heard pigs squeal better than you! You call this singing? Now my wife, she can sing. Her angelic voice floats such melodious and heavenly tunes it makes angels weep. The sun rises up to hear her morning melodies. Even the sweetest of birds can learn a thing or two from my precious bonny lass. But you!? You call that wilted nostril fit for a whistle! (Grabs Jack) So what did you do to me friend here!

Red Siren: Oh yes. He was most troublesome.

Blue siren 2: Trying to free our slaves.

Red Siren: Until we sang a song that robbed him of his mind.

Blue Siren 1: And sent him out to wander the world as a fool. Forever.

The Scotsman was enraged.

Red Siren: While keeping his treasure as a prize.

We turned and we saw Jack's Gi, Sandals and Sword on a pile of gold!

The Scotsman and us were shocked!

Scotsman: THAT'S IT! SHE-DOGS MUST PAY!

Me: No Scotsman! I got this.

Naruto: What are you gonna do?

Me: Trust me on this. I know what I'm doing.

I flew up to the sirens.

Me: You sirens are not yourselves. You are being possessed by an evil force and you need to have that force removed. So we can free you all from these monsters you became.

Red Siren: We don't know what you mean.

Me: Just trust me on this.

I chanted a powerful incantation and fired a beam of rainbow light and it hit the Sirens and blue fire came out of them and it formed into a hideous and ugly black and white three headed hydra monster with glowing yellow eyes on each head and the heads all had blue fire for hair. Then Jack reverted back to what he was. He had his memory back!

Jack: I remember now!

Jack donned his clothes and had his sword unsheathed!

Jack: HHHYYYYYAAAAAAAAAAAAHHHH!

SLASH!

He slashed the hydra's heads off and then it vanished in an instant!

Me: YEAH!

Varie: That did it!

Vince: Yeah it did!

Jack came up to us.

Jack: I am forever in your debt. All of you.

Me: No problem. Welcome back Jack.

Scotsman: Aye.

The sirens got up.

Me: It's all right guys.

I went up to the sirens.

Red Siren: (Not singing) What happened?

Blue Siren 1: (Not singing) I feeling like I was hit by Hercules.

Me: You were all possessed by an evil force that made you hypnotize people and take their treasure and turn the people into slaves. I freed you all.

Peisinoe: Wow. That explains it. We are forever in your debt.

Me: My name is J.D. Knudson, leader of the Brave 12. My team is down there.

We introduced ourselves.

## (CHAPTER 177)

## "The Brave 12, Flying Prince and Princess and the Rave"

On a distant planet in a Binary Star System, flying fairy-like creatures called the Lepidopterran's were enjoying a great time of peace. But that peace was soon broken when gunships came flying out of the dense clouds and flew towards the villages and started blasted them apart with heavy gunfire.

The King of the Lepidopterrans was worried.

King: Not again! After all these years.

The Soldiers were trying their hardest to stop the attackers. But their efforts were too weak.

Soldier: Your highness, I'm afraid the city guard is no match for these Squoomian Gunships.

King: Contact Admiral Lantana. We must recall our fleet from the Pydian System.

Robot: Sire, the Deep Space Antenna Array has been destroyed. Radio contact with the Star Navy has been severed.

King: Blast those Squoomian Devils!

Queen: We have no sign of them for a decade, yet they resurface just when our defenses our most compromised.

An explosion was felt.

King: Captain, begin evacuation.

The Alarm went off.

Queen: My children, come. Verbina, Astor, you two must get word to Admiral Lantana on Errand deep within the Pydian System. You must bring back our Navy. You are our only hope.

Astor: You can count on us mother.

Verbina: We will not fail our people.

King: Chitron 6, make ready the ship.

Chitron 6: Oh, my! Yes sir!

King: Wing well, my children. Wing well.

Verbina and Aster got in a ship and left. But the Squoomian's followed them.

The ship was damaged by Squoomian gunfire and Verbina and Aster flew towards Earth.

Meanwhile we, the Brave 12 were walking through a mountain range.

Me: There's a city up ahead. I sense a slave camp there.

Vince: Me too.

We hear a whoosh and look up.

Varie: That ship is coming in.

Me: Lets go see.

We go check it out and we saw Verbina and Astor get out and they were having a hard time adjusting to Earth's gravity.

Me: Lets go help them.

Jack: Yes.

We run over.

Me: Are you two okay?

Verbina: Yes. We're just having a hard time adjusting to this planets gravity.

Vince: It takes some time to get used to it.

Me: Here. [Chants an incantation] Kostevna Yaominga Porista!

I fire rainbows from my hands and my magic made Verbina and Astor adjust to any planets gravity no matter how heavy or light.

Verbina: Wow. That was amazing.

Astor: I can now stand and fly on this world without any problems.

Verbina: Me too.

Chitron 6: Oh my!

Me: I used my light magic to enable you to do that.

Astor: We greatly appreciate it.

Me: You're welcome.

Astor: Sorry. I'm Astor.

Verbina: I'm Verbina and this is Chitron 6.

Chitron 6: It's a pleasure to meet all of you.

Me: Same here. We are the Brave 12. I'm J.D. Knudson.

Varie: I'm Varie Knudson, J.D.'s fiancé.

Vince: I'm Vince Pusateri.

Jack: I'm Jack. I'm a Samurai.

Naruto: I'm Naruto Uzumaki Namikaze.

Sakura: I'm Sakura Haruno.

Fu: I'm Fu. I don't have a last name.

Jessie: I'm Jessie Bannon.

Lincoln: I'm Lincoln Loud.

Laney: I'm Laney Loud.

Lisa: Greetings. I'm Lisa Loud.

Lily: And I'm Lily Loud.

Astor: It's a pleasure to meet all of you.

Me: We saw your ship come in and we decided to see if you need any help.

Verbina: We sure do. Our planet and kingdom are under attack by gunships from our enemies the Squoomian's They caught us completely off guard and began attacking our kingdom.

Astor: We've been sent to retrieve our Navy from the Pydion System on Errand. But the Squoomian's attacked us as a way to prevent us from reaching reinforcements.

Varie: That's terrible.

Verbina: Yes. Our ship has been damaged and it will take a while to fix it.

Me: Also you're in a very dangerous situation here. The planet you're on is Earth, the 3rd Planet in the Solar System. It's under the tyrannical rule and oppression of the evil Shape-shifting wizard Aku. He's pure evil amplified times 1000.

Jack: Yes and we're going to stop him once and for all after we get back to my home time.

Me: Jack here was catapulted by Aku from his time 10,700 years ago to here and it's our mission to help Jack get back to his time so he can destroy Aku once and for all.

Sakura: We won't let Aku get away with all the pain and suffering he has caused over the millennia.

Fu: He will pay for everything he's done to our galaxy.

Verbina: We hope you all succeed.

Me: Thank you. Also we would like to help you fight these Squoomians and make sure they never bother you again.

Astor: Thank you J.D. We greatly appreciate it.

Me: All right.

We stand in a circle around the ship and I use my Instant Transmission to beam us the the planet Chrysalis, home of the Lepidopterrans. We saw that the planet is completely covered in dense clouds.

Me: Wow. So this is your world Verbina, Astor?

Verbina: Yes. And our kingdom is right there.

We saw the kingdom completely under siege.

Vince: They can't last much longer. Lets go!

We flew over to the kingdom and we slashed and blasted the Squoomian gunships apart into nothing. They tried to fire back at us but their attacks were not having any effect. Our power was too great for the Squoomians and they all ran away.

Me: That'll show those scumbags.

Astor: I agree.

Jack: Yes. They sure did a number on this place.

Verbina: Yes. But we are forever in your debt Brave 12.

Me: We're glad we could help out Verbina. What the Squoomians were doing to your home was completely unacceptable.

Astor: That's right.

The people of Chrysalis came out and they were cheering wildly for us.

The King and Queen had a special award ceremony for us.

King: Brave 12, for saving us all from a terrible fate, we proudly award you our planet's highest honor: The Chrysalis Ring of Valor.

The soldiers slipped rings on our fingers and they were green gold and they had beautiful magenta and green flowers on them.

Me: We are truly honored your highness. We're glad we could help you out.

King: We are forever grateful to all of you J.D. These are no ordinary rings. They are call rings that will call us if you need us. And if the Squoomians attack again we will call you in case we need your help

again.

Me: We graciously accept your highness. But our planets are light-years apart from eachother on different sides of the Galaxy.

Queen: Worry not. There are teleporter devices in the rings that will get you all to Chrysalis without worry.

Me: Thank you. We have to get back to Earth now. It's to continue our mission.

King: We understand.

Verbina: I have a feeling that we will see eachother again soon J.D.

Me: I have a feeling we will.

Naruto: Yeah.

Fu: We'll see you all soon.

We vanish and we go back to Earth.

Me: Great job everyone.

Vince: Thanks partner.

Varie: It was a great deed we have done.

Jack: Yes. It was good that we helped out a planet in trouble.

## (CHAPTER 187)

## "The Birth of Evil"

As we, the Brave 12 were resting for the night, we began to dream. We were all in the same dream. We were in the beginning of the Universe 12 Billion years ago and we saw a huge black mass come out of a star.

Me: That black mass! It must be Aku!

Jack: That could very well be J.D.

Varie: So Aku has been around ever since the Universe was created by the Big Bang?

Lincoln: That is scary.

The Mass flew away and out of a star we saw the deities of mythology come out. We saw Odin - King of the Norse Gods, Ra - God of Egypt and Vishnu - God of Hindu.

Me: That's Odin, Ra and Vishnu.

Varie: They're heading towards Aku.

The gods readied their weapons and they all fought Aku. Their weapons were pure good and they possessed enough power to hurt Aku and burn him. As they were fighting a fragment broke free and drifted away as the black mass was destroyed. For billions of years it drifted across the Universe and arrived in our galaxy and into our Solar System. It arrived on Earth during the time of the dinosaurs 65 million years ago. It crashed in the mountains of what would become Japan and resulted in the extinction of the dinosaurs in the area.

Me: Whoa! Aku caused the Extinction of the Dinosaurs in Japan.

Vince: Yeah.

We saw tar pits and it was a huge lake of tar.

Me: This is not tar.

Naruto: This is pure evil and it consumes everything and grows stronger.

Jack: Yes.

A thunderous explosion was heard and numerous towering spiked trees arose from the evil.

During the Great Ice Age 500,000 years ago we saw Japan during the times of Prehistoric man. We saw the prehistoric ancestor of the Emperor of Jack's land trying to rescue a friend from the evil. But it wasn't enough and the evil devoured them.

Over the course of history the Evil continued to spread over the land like some kind of cancer. Killing all the life around it. By the time Jack's land became a small city, the whole place had evil trees piercing through the houses and the water was dried up and the land was dying.

We saw Jack's father the Emperor about to leave with a bunch of his men to destroy the Evil that's spreading.

Woman: I do not understand why it must be you to carry out this task.

Emperor: My duties are clear. As the emperor this problem is my responsibility.

Me: [To Jack] Is that woman he's talking to your mother Jack?

Jack: Yes. And the man is my father. The emperor.

Sakura: That's interesting.

Woman: What of your family? Do you not have a higher responsibility unto them?

Emperor: Do not speak of such nonsense. You are most important to me. But the people and my land are also my family. I must go.

Me: So he was going to fight Aku.

Fu: He has no idea what they are about to face.

Jack: Yes. But father was ready regardless.

The woman cried.

Emperor: I cannot let this evil destroy us all.

A man came out with a container of something.

Man: My lord, the elixir is ready. It is the key to extinguishing this devilry.

The emperor put the container in his pouch and bid farewell and promised that he will return.

They got ready and left. They set out into the evil forest.

Me: There they go.

They got to the evil forest and saw that the whole area was covered in those evil trees.

Naruto: Wow! Look at all that.

Fu: The whole area is covered in those evil trees.

Lincoln: Yeah this is terrible.

Sakura: It's like some kind of cancer.

Jessie: And if they don't stop it it will destroy the world.

They go into the heart of the Evil Forest and it somehow knew they were there and began picking them off and devouring the soldiers a few at a time until the Emperor of left.

Me: The whole forest is alive. It's like it has a mind of its own.

Lily: Yeah.

The Emperor arrived at the heart of the Evil Forest. It was a pool of pitch black evil.

Me: Wow! Look at that.

Jack: That pool is evil in its purest form.

Vince: It's like looking into a gateway from the darkest pits of the Netherworld.

Laney: No kidding. I can't believe Aku is pure evil. Why can't he be a force of good?

Me: Some things are born the way they are Laney.

Lily: Yeah. Aku's power was forever set in Stone.

Jessie: I can't believe Aku has been on Earth ever since the end of the Age of the Dinosaurs.

Lincoln: Yeah. Aku is immortal and he has lived for 12 billion years.

The Emperor got off his horse and got the elixir out and chanted some magic incantation and dipped an arrow into the elixir. He fired it into the sky and the sun ignited it and it went into the black pool of evil. Some of the Evil Trees went back into it. The Emperor thought that it worked. But it backfired completely and a huge tree exploded out of the black pool and it mutated and it became the very creature that we are going to destroy: AKU!

AKU WAS BORN!

All: AKU!

Aku stretched his body and blocked out the Sun with his magic. He saw the Emperor.

Aku: Oh. You! Thank you!

Emperor: No! My intention was to destroy you!

Aku was amused by this.

Aku: Oh? (Laughs) But it was your poison arrow and your hocus-pocus that set me free. (Laughing)

The Emperor fired more arrows at Aku and he saw them coming and they got absorbed into him.

Aku: Fool! Nothing of this world can harm me, for I am Aku, the Shogun of Sorrow, the Deliverer of Darkness - Your new master. And you will bow to me.

The Emperor slashed Aku with his sword and the sword dissolved.

Me: Whoa! Not even normal weapons can kill Aku.

Aku: (Evil Laugh) Human fool. I see that I must show your world who is master.

Aku sucked the Emperor into the pool of black and the pool became a gnarled tree and the emperor was chained to it.

Aku: Now gaze your eyes upon the full wrath of the mighty Aku.

Aku then went to the Emperors land and the Emperor watched in sheer horror as Aku was destroying his land.

Emperor: NNNNOOOOOOOOOOOOOOOO!

The Emperor was completely helpless as he watched in sheer horror and helplessness as Aku was descimating his entire kingdom.

Me: (Enraged) Aku you monster!

I punch a tree and knock it down.

Me: I will kill you for this Aku! I will destroy you 1,000 times over and make you pay for your crimes against the universe!

I break down crying knowing that I can't do anything until we get back to the past.

Jack: It's not your fault my friend. We will destroy Aku and make him pay for everything he's done.

Me: (Crying) I know! I hate you Aku! I HATE YOU!

Varie: Calm down honey. Calm down. It's not your fault. It's Aku's fault. He will pay for all this.

Naruto: Yeah bro. Aku will pay for this.

Vince: We will help you and Jack destroy him no matter what.

Suddenly a white cloud came and it was Odin's horse, Sleipnir. He got the Emperor down and carried him to the highest mountain. Once there we saw the Emperor go into a temple and he saw 3 monks before him.

The area became the vast emptiness of space and he was standing before Odin, Ra and Vishnu.

Odin: You have been chosen. A force of Ultimate Evil has resurrected itself on thy world.

Ra: This evil must be destroyed.

Vishnu: (India Accent) Only through the strength of the Human Spirit and the virtue of human righteousness can this evil be vanquished.

Odin, Ra and Vishnu fired beams of light at the Emperor and a ball of pure white light came out. The monks had powerful crafting hammers and they pounded away at the light and Odin, Ra and Vishnu poured in their strength and power and formed it into the very sword that Jack now wields. The power we were sensing from this process was incredible.

When it was done, the Sword was created. It floated in front of the Emperor.

Odin: This blade was forged from the Righteous Energy within thee.

Ra: It possesses the power to destroy this evil force.

Vishnu: But be warned: This evil is not of the human world. It has magic beyond your understanding. Trust not what you see, but what you feel.

Me: So that's how your father got the sword Jack.

Laney: The three gods of Norse, Egypt and Hindu created it from his righteousness.

Lisa: That is a very interesting conclusion. Even though I am a girl of science I find all of this to be very interesting.

Jessie: Yeah.

The Emperor took the sword and he now had a powerful armor on. The temple vanished and he was on a floating cloud and he went back toward his kingdom to Aku.

He arrived and Aku saw him.

Aku: What is this? What form of insect is this? (Laughs) It is you.

Emperor: Yes Aku. Your evil cannot abolish the power of righteousness. Your evil grasp on my land and its people ends now.

Aku: (Laughs) Have you learned nothing? Your mortal blade cannot harm me.

The Emperor slashed Aku and he screamed in pain.

Me: Think again.

Aku: (Growls) How can this be?

Emperor: This sword was forged from the strength and power of the Human Spirit. It represents all that is good. It's purpose is to destroy you.

Aku: Bah!

Aku fired lasers at the emperor but he blocked them. No matter how many shots he fired the emperor blocked them. He even dodged them all. The emperor slashed Aku again.

Aku: AAAAAAAHHHH!

Sakura: That must've hurt.

Naruto: Yeah.

Aku became a dragon and chased the Emperor. The emperor slashed off Aku's head and he fell and became a giant hairy spider.

Lincoln: I'm sure glad Leni isn't here to see this.

Lily: Me too.

Aku chased the Emperor and the Emperor slashed and blocked Aku's strikes. Aku then jumped into the air and dispersed and went into the armor suits. He became hundreds of warriors and they all laughed with insanity.

Me: Boy he sure can laugh alot.

Naruto: Somebody shut him up.

Jessie: Yeah.

Aku then attacked and the Emperor was faring well against them.

The Emperor slashed apart some spearmen Aku.

Emperor: (Blocks some spears) Yah! (Spears hit him) AAAAAAAAAAAAHHHHHHH!

The attacks kept on coming and they were not letting up.

Archer Aku's were firing arrows and the emperor blocks some arrows but some hit the emperor.

Emperor: AAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAHHHHHHHHHHHHH

Me: Whoa! Now he's mad.

Jack: Come on father.

A Thunderstorm raged as the fight drew to a close. Only one Aku warrior was left. He tried to run away.

Emperor: You will not escape!

The Emperor threw the sword and it hit Aku and sucked him into the blade. The blade turned black and all you could see were Aku's eyes.

The Emperor picked up the sword.

Emperor: Now let the sword forever banish this evil abomination.

He stabbed the Ground and Aku went into the ground.

Aku: I WILL RETTUUUUURRRRNNNNN!

Aku vowed to return one day and finish what he started. Then a huge gnarled tree grew out of the ground.

Me: That did it.

A baby crying was heard and the Emperor found his wife and more women safe and in his wifes arms was a baby. It was little Jack.

Me: Jack you were adorable when you were a baby.

Jack: I sure was. I can't believe I was born on the day Aku attacked. This is a very shocking revelation.

Naruto: That is very coincidental. I was born on October 10th, the day the 9-Tailed Fox destroyed my village.

Jack: You told me about that Naruto. That must've been a very shocking time for you.

Naruto: I don't remember what happened that night because I was only a baby. But it was a terrible event.

Sakura: Yeah. Naruto was treated like an outcast ever since that day.

Jack: I heard about that. Naruto I'm very sorry that happened to you.

Naruto: Thank you Jack.

The Emperor, his wife and little Jack watched from the ruins of his castle.

Emperor: We must learn from this day. We must be prepared should this evil ever return. We must have a plan.

The whole landscape was gnarled and twisted and Aku's tree was there waiting.

Me: And after that horrible day, the events that transpired were set into motion.

Jack: Yes. Aku returned 10 years later after I was born and I had to undergo an intense training plan for 15 years before I could fight Aku.

We saw everything Jack had done over the course of his 15 year training. He trained in Saudi Arabia, Africa, Egypt, Greece, England, Russia, Norway, Tibet and more. Turns out we miscalculated. Jack was born in the year 1,000 A.D. and Jack was teleported 9,000 years into the future 25 years later. We woke up and continued on our quest.

Jack: That was an unusual dream.

Me: That was no dream Jack. It was a vision in the past. We saw everything that happened over the course of history and how Aku's reign of terror came to be. We also saw your training and how you worked hard to get where you're at.

Varie: Yeah. We also saw how you trained hard to get the Sword.

Jack: Yes. I had to work hard as part of a plan father made.

Me: It was very fruitful. It made you strong and into the man you are now.

Jack: That's true.

Lily: So where are we going now?

Me: Who knows? But we'll find out soon.

We continued on our quest.

## (CHAPTER 179)

## "The Fight For the Future"

50 years had passed since we, the Brave 12 arrived in the future. We have done so many good things for the people of Earth and for people and creatures from many different planets. We restored their hope and many people from around the world have risen up against Aku in a huge rebellion. But their efforts alone would never be enough to face Aku.

As for us things weren't looking good. Aku destroyed all the time portals and our chances of getting back to the past were gone. But we refused to give up and we would find a way to go back. Me and Vince trained everyone including Jack at a vigorous and powerful level over the course of 50 Years. Jack did not age because of the magic that brought him to the future. We were now more powerful than ever before. However as we were training hard, a mysterious cult was training too.

25 years ago, a High Priestess of the Cult gave birth to 7 Daughters.

She got up and was before a statue of Aku.

High Priestess: 7 Daughters to do your bidding Master. They will succeed where so many others have failed and we will find favor in your glory.

The girls were trained rigorously from birth and they were trained for only one purpose: To hunt us down and kill us. There was one among them that was always distracted and loved everything and that was Ashi, the eldest of the seven. She loved the world and everything in it.

High Priestess: Bask in the glory of what our master has created. Admire its beauty but know that the Brave 12 are out there leaving a wake of devastation wherever they go. That's why my sweet Ashi, the Daughters of Aku must stay focused. Never relent, Always attack.

After 25 years of intense training, the Daughters stood before their mother.

High Priestess: Your training is complete. Go! KILL!

The Daughters of Aku donned their masks.

High Priestess: You are 7, but now you wear the face of one. One purpose for which you were born: to kill the Brave 12!

The Daughters of Aku were now coming for us.

As we were walking on the path in the forest towards Aku's Castle ready to take the Final fight to him I sensed something.

Me: (Gasp) I sense something coming.

Jack: What is it?

Me: I sense 7 energy signals closing fast.

Naruto: I can feel them too. Whoever they are they are really strong.

Me: Let me see if I can make them out.

I concentrate and I saw the Daughters of Aku heading towards us.

Me: Oh no. We got 7 female warriors heading right at us.

Laney: I feel it.

Lily: Me too. They're really strong.

Jessie: Whoever they are they were trained from a young age to kill us.

Me: Stand ready team. Whoever they are they picked the wrong people to fight.

We saw 7 figures coming. It was the Daughters of Aku.

Me: Here they come.

Vince: Be ready for anything guys. One thing is for sure, these girls won't stop until they kill us.

The girls drew their weapons and we engaged them in a powerful fight and tied them up.

Ashi: Untie us so we can kill you!

Me: No. Lets see who you all are.

We take off their masks and gasp.

Me: You're all human like us.

Ashi: We were sent to kill you for destroying our masters land!

Naruto: Aku sent you?

Ashi: No. Our mother the High Priestess sent us.

Jack: I had a feeling that the Women of Aku were behind all this.

Laney: Me too. You girls were lied to.

Me: We are not destroying this world. We are saving it.

Ashi: Lies! We were told that you were killing everything.

Me: It's not a lie. We have done so much for this world that it's unbelieveable. [A butterfly comes onto my hand and I admire its beauty and let it go] We would never endanger anything. We have helped so many people around Earth and more.

The girls saw how I handle the butterfly and were touched.

Jack: Yes. Our deeds were recognized by many on Earth. We have helped many that were under the tyranny and oppression of Aku.

Me: If you girls need proof we are more than happy to show you all.

Ashi: We… We would like that.

Me: I take it you know who we are.

Ashi: Yes.

Me: We never got your names.

Ashi: I'm Ashi and these are my sisters.

Ami: I'm Ami.

Avi: I'm Avi.

Ara: I'm Ara.

Aki: I'm Aki.

Ana: I'm Ana.

Asia: And I'm Asia.

Me: It's a pleasure to meet you all. Lets go to our first stop. But first untie them.

We cut them free and I use Instant Transmission to take us to our first stop: The Dogs Archaeological Site.

Avi: Where are we?

Me: We are at the Archaeological Site of the Dogs.

Rothy: (British Accent) J.D. and the Brave 12 old chaps!

We saw Rothy and his crew.

Me: Rothy its been a while.

Rothy: That it has dear friends.

Me: Girls this is Sir Colon Bartholomew Montgomery Rothchild III. He likes to be called Rothy. We helped his Archaeological Excavation site by freeing all his friends and crew who were enslaved by Aku. They were forced to dig up precious gems for Aku and it put their excavation on hold.

Jack: Yes. They were the first ever people we helped out.

Rothy: That's right and we are forever indebted to the Brave 12.

Ana: That's amazing. How did you all do it?

Varie: We rallied up the dogs and got them together and did a powerful speech that made them stop digging for Aku.

Rothy: Yes and now we stand together against Aku and we will answer the call should we ever be needed to help fight him.

Me: Yes. But this was just the beginning girls. We still have much more to show you.

We beam into the forest of the Woolies and we were greeted by a Woolie.

Woolie: Brave 12 it's good to see you all again.

Me: You too. Girls these are the Woolies. We helped them 50 years ago. They were enslaved by little creatures called the Chritchellites and we risked our lives to free them.

Woolie: The Brave 12 arrived and they risked their lives to save ours. Now we stand ready to fight against Aku for when the time comes.

Me: Yes. Saving the Woolies from the tyrannical Chritchellites was our 2nd accomplishment.

Avi: Amazing.

Jack: Yes. The Woolies are amazing friends.

Me: We still have more to show you.

We go into the forest and we found the astronauts working some more on their habitat. It was much bigger than what it was back 50 years ago.

The Astronauts saw us.

Frederick: (German Accent) Brave 12!

Me: Hey Frederick.

We hug.

Frederick: It is good to see you all again. What brings you all here?

Naruto: We are showing Ashi and her sisters here the accomplishments we did in the war against the tyranny of Aku.

Me: These astronauts were building a habitat and an escape rocket to go back to their home. 50 Years ago we had to help them get through a powerful blockade in the voids of Space. Our plan was to be in the rocket pod to go back to Jack's time when they went into Faster-Than-Light Travel but when the robots in the blockade formed a powerful superlaser cannon we had to stop it at any cost.

So we sacrificed our escape to the past to save the Astronauts.

Frederick: Yes. It was an act of immense selflessness.

Me: Yeah.

Frederick: We've been forever indebted to the Brave 12 ever since that day and we now stand ready to fight Aku should the need arise.

Me: Yes. [To Ashi] We have more to show you all.

We go into the forest where we helped the monks.

Arrows were fired at us and we hid behind the trees.

Monk: If you are one of Aku's minions, we suggest you run. If you are another, then reveal yourself.

Me: It's all right.

We came out.

Monk: Brave 12. It is good to see you all again friends.

Me: You too. We are showing Ashi and her sisters here the accomplishments we have done over the years.

Ashi: Yes. We are now starting to believe it.

The monks lead us to their home. It was a bunch of houses on a tall mountain.

Me: Wow! You guys have sure been busy over the last 50 years.

Monk: Yes. None of this would be possible if it wasn't for all of you.

A statue of us was made to commemorate our heroic deeds.

Monk: [To Ashi and her Sisters] We were cursed. Bound to guard a magical portal. That's when the Brave 12 arrived. They were able to defeat us but instead of using it to fulfill their quest, they freed us. An act of unmeasurable sacrifice. We found out there that the curse was of Aku's doing. We now stand against Aku should we ever be needed to help the Brave 12.

Me: Yes. Everyone that we have helped is now forming a huge rebellion against Aku.

Later we showed Ashi and her sisters everything we have accomplished and now the time has come.

Me: The time is now upon us. It's time to take back our planet and finish Aku for good.

Jack: Yes. How are we gonna do it?

We gathered everyone that we all helped together and revealed what we're gonna do and we set out to Aku's Castle. Aku was getting up out of bed and he got ready for another boring day of ruling.

We arrived and saw Aku's Castle. Ashi and her sisters were now in different clothes that were one of each color of the rainbow for each of them.

Me: There it is. Lets give him a rude awakening. [Cups hands to the side] KA! ME! HA! ME! HAAAAAA!

I fired a Kamehameha Wave and it completely obliterated Aku's Castle in a huge fiery explosion.

KRABBBBBOOOOOOOOOOOOOMMMMMMMMMMMM!

Vince: Nice shot partner.

Me: Thanks. Lets wait.

Aku got up and he saw that his Castle was completely destroyed.

Aku: Who dares destroy my castle!?

Me: CHARGE!

We ran and the battle that will decide the Fate of the Universe has begun. I go Super Angel 3, Vince goes Super Angel 4 and Varie and

Laney go Super Angel 2. Lincoln went Super Angel and Naruto went Kitsune Hanyou Angel. We all hit Aku with everything we got big and small. We fired energy blasts, arrows, bombs and more. We slash him with our weapons and had his chances of attacking numbered. It was an explosive and relentless onslaught.

Me: This is for killing innocent people.

SLASH!

Aku: AAAAAAAAAAAHHHH!

Naruto: This is for enslaving everyone!

POW! SLASH!

We were all destroying Aku until he was the same size as a regular human and I slap him in the back of the head and time portal rings flew out of his mouth.

Me: This is our chance!

We dive into the portal and Ashi and her sisters went with us.

Aku realized that he had been tricked.

Aku: Oh no!

We were traveling through time into the past.

Me: Mission Accomplished everyone!

We cheered wildly.

Past - 1,025 A.D.

Aku: You may have beaten me now but I will destroy you in the future.

Jack: There is no future for you Aku.

Aku: I disagree.

He then used his time portal spell.

Jack: What trickery is this?

The portal sent Jack into the future.

Aku got up.

Aku: Do not worry Samurai. You will see me again. But next time you will not be so fortunate.

10 Seconds after Jack was sent into the future, we arrived.

Aku was shocked.

Aku: You're back already!?

Jack: YAAAAAAHHHHHH!

Jack slashed apart Aku and he sucked him into the sword.

Jack: NNNNOOOOOOOOOO MMMMOOOOOOOOOOORRRRRRRRREEEEEEEEEEEEEEE!

Jack stabbed the Castle and it began to destablize and we got outside and the whole castle exploded with incredible power.

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Me: That did it! Go to the Netherworld Aku and stay there!

Jack: It is done.

Me: Yes. Aku is now dead after many eons of pain, death, destruction and suffering and his reign of terror has now finally come to an end. We did it guys! Mission Accomplished!

We cheered wildly.

Jack: I am forever grateful to all of you J.D.

Me: It was no problem Jack. We're glad we could help you.

Lisa: Affirmative. This all has turned out to be one magnificent adventure for all of us.

I use my powers to make the world from the future we went to part of our world. Aku's death was felt throughout the world and the Universe like wildfire and everything that his evil did was completely erased from existence forever. Ashi and her sisters were not affected because of a powerful Sealing Jutsu I put on them that made them immune to the Temporal Change. Days later we saw Jack and Ashi get married and we were guests at their wedding. We were so happy for Jack and Ashi and they were officially married.

Me: Congratulations Lord Jack and Lady Ashi.

Jack: We can't thank you all enough J.D. This was an amazing adventure for all of us.

Me: I agree. Being thousands of years into the future has taught us all a great deal and we all worked together and took down Aku for good and destroyed his reign of terror.

Ashi: I can agree.

Me: We have to go home to our own time. But maybe we'll find you in our books.

Jack: Yes. Thank you again J.D.

Me: It was our pleasure.

I open up a portal and we all head back home to our time in 2017. The simulation ended. We go into the living room and rested.

Me: (Exhales) What an adventure.

Vince: You said it partner.

Varie: Yeah but it's good to be back home.

Lincoln: You said it.

Lori and the other siblings came in.

Lori: Hey guys. How did it go?

Me: It was an amazing adventure. We are exhausted.

Laney: We were thousands of years into the future helping Jack get back to his time in the past and it was an adventure worth remembering.

Lily: Yeah.

Suddenly a book appeared on the Coffee Table.

Me: What's this?

I pick up the book and the title was "The 12 Warriors - The Chronicles of the Brave 12"

Me: "The 12 Warriors - The Chronicles of the Brave 12"? So Jack wrote a book about our adventures.

Luna: Lets read it dudes.

I read the book to everyone and it was an awesome memoir of our adventures thousands of years into the future and how we have done a great adventure and destroyed Aku.

After 3 long days we got to the end.

Me: "After the destruction of Aku, the world was finally free of his oppression and the greatest day came for me when me and Ashi got married and my friends of the Brave 12 were at our wedding. In time we had a magnificent family and our kingdom prospered under an Aku-free land full of life." The end. This book is dedicated to the bravery and valor of my friends J.D. Knudson, Varie Knudson, Vince Pusateri, Naruto Uzumaki Namikaze, Sakura Haruno, Fu, Jessie Bannon, and Lincoln, Laney, Lisa and Lily Loud - with blessings Samurai Jack, Ashi and family.

Lincoln: That is an amazing book and dedication.

Lori: That is an amazing adventure guys.

Bobby was there with us.

Bobby: It sure sounds like it babe.

Carol: That is an amazing adventure. I'm so happy for Jack and Ashi.

Me: Me too Carol. That was an adventure we'll never forget. We not only helped Jack get back to the past but we also saved the entire Universe from Total Destruction.

Jessie: Yes. Aku is now gone and his reign of terror has been silenced forever.

Fu: It sure has.

Sakura: This was an adventure worth bragging about.

Me: Yeah. But we don't want to brag too much.

Lola: That's true. But we're glad you all had fun.

Lana: Me too.

Penny: That must've been really neat.

Rita: It sure was.

We went to the kitchen and grabbed some lunch.

FLASHBACK ENDS

When I was done everyone that hadn't heard about it was shocked and absolutely amazed.

Nico: Wow! So that's how you guys became the Brave 12 and you guys did so much all over the world when Aku was unleashing his reign of terror.

Varie: Yeah that was one of our most amazing series of adventures ever.

Qin: That is incredible.

Himiko: Wow!

Tsuyu: That's amazing! And Jack, Ashi you went through so much.

Ashi: Yeah we sure have.

Aya: Me and my sisters all have. We never knew that Jack and the Brave 12 did so much.

Laney: We went through a lot of hardships in that time too and we did a lot to bring back everyone's hope and take back the planet.

Varie: Yeah it was awesome.

Me: It was one of the best adventures we've done.

Sunny Starscout: That is amazing!

Twilight Sparkle: It sure is and it's incredible that J.D. and his team did all that back then too.

Me: And that was back in the old days. But it was one of the most unforgettable chapters in our teams history.

Nico: However, the clone that I made turned out not to be like Kaito at all.

Maria: (groans) Don't tell me he's evil!

Nico: What? No! The clone isn't evil! But while the clone is still on the side of good, he's also more serious.

Me: Ah he's leading them like you do now.

Nico: Exactly.

Qin: Neat.

Laney: That is good.

Maria: When we meet the Dino Fury Rangers, we're definitely making Shadow Clones of them so they become the Cosmic Fury team.

Nico: Like I said, one way or another, we're recruiting Zayto and the others to the team before the year ends.

Me: Awesome! Cornelia is really looking forward to having a big day mission with them soon.

Laney: She sure is.

Qin: Yeah.

Nico: Yep.

Qin: I have a feeling we'll be facing the Void Knight and Void Queen.

Nico: Me too.

Me: Yeah.

Nico: If Aku comes back, we probably need to Black Gate him.

Me: Oh believe me Nico he is DEFINITELY getting the Black Gates if he ever comes back.

Varie: For sure.

Me: He was the ultimate force of pure evil. The gods Odin, Ra and Vishnu destroyed much of him eons ago and he landed on the Earth millions of years ago.

Ashi: Yeah he sure did.

Zarya: But it's horrible that Aku is that evil.

Me: I know.

Camie: Yeah. Aku was pure evil personified.

Himiko: Can you guys remind us who Aku was?

Me: Sure. He was the main archnemesis of Jack because of the sword he has.

Samurai Jack: That's right. The sword I have was made by the Strength and Power of The Human Spirit and Righteousness.

Me: It was made by the power of Odin, Ra and Vishnu.

I told them all about Aku.

---

**Aku** is the main antagonist of the series *Samurai Jack* . Born from The Black Mass of Darkness, Aku was an evil, shape-shifting demon who took over the world and ruled it for countless eons, the arch-nemesis of Samurai Jack and the biological father of Ashi and her twin sisters. Throughout seasons 1-4, Aku was voiced by Mako, but due to his death in 2006, Aku was voiced by Greg Baldwin in Season 5.

Aku constantly antagonized Samurai Jack: he often attacked him when he was weak, and other times defended himself from Jack's own gambits. Prior to Ashi sending Jack back in time to vanquish Aku's past self, the two seem doomed never to defeat each other, and while Jack had beaten Aku on numerous occasions, Aku merely transformed into a creature, retreated, and usually called out a taunt over his shoulder. Aku was entirely aware of his inability to defeat Jack and even lamp-shaded that in "Episode XLVIII: Jack versus Aku", which eventually discouraged him from fighting Jack further. Aku could have been considered the Deuteragonist of the series as a whole (albeit a rare, villainous one), as while Ashi became that in Season 5. Aku had the most focus in the narrative besides Jack.

While he's usually presented as a serious and threatening foe, Aku was also a source of comedy in the show, due to his outrageous design and sometimes wise-guy behavior, that was supported by Mako's over the top voice-acting.

Aku means "Evil" in Japanese. It is written as "悪" in Kanji. The kanji can also be pronounced as "Waru".

In Samurai Jack: Battle Through Time, Aku made a last ditch attempt effort to save his existence and secure his rule in the future.

Long ago in the vastness of space, a great, formless, mindless entity of evil arose. Before it could do harm to the universe, it was set upon by three deities, each one originating from Norse, Egyptian, and Hindu mythologies: Odin (the father of Thor), Ra (the Sun God), and Rama (the seventh avatar of Vishnu the preserver). The three deities fought a fierce battle against the black mass and burned the entity almost completely out of existence with their divine power. However, during the battle, one small fragment of the entity was incidentally cut from the whole by Odin and was never burned away.

Unnoticed by the three deities, that seemingly small fragment floated away from the site of the battle and drifted through space for an untold amount of time, until it eventually, and violently, crashed on Earth during the Cretaceous Period in the Mesozoic Era. It was implied that the fragment of the black mass is the very object that caused the extinction of the dinosaurs, although the crash occurred in prehistoric Japan as opposed to the Yucatán Peninsula by a massive asteroid.

Over eons, the fragment evolved into an ever-growing ominous forest of black tree-like spikes, which surrounded a tar-like pit at its center, that devoured any living thing that dared to enter. Eventually, the forest grew so large that The Emperor (Jack's father) decided to kill the evil at its source. After he was armed with a poison elixir that was given to him by a Buddhist Monk, the Emperor, with his cavalry, rode into the forest. As they rode, the forest began to gradually kill off the Emperor's men and left the Emperor himself as the only survivor. Once he arrived at a black lake in the forest's center, the Emperor doused one of his arrows into the elixir that he was given and fired it into the black lake, with him believing that it would destroy the evil forest.

Unexpectedly, the poison arrow's magic had the unforeseen effect of galvanizing the evil mass into a humanoid form: it gave it intelligence, sentience, and shape-shifting abilities. This entity proclaimed itself with the name of Aku and thanked the Emperor for inadvertently helping him. The Emperor then attacked Aku, but with nothing more than his mundane and mortal weapons, he couldn't inflict any harm upon Aku. Aku then easily defeated the Emperor and strapped him to the side of a tree so that he could watch as Aku began destroying his kingdom and slaughtering his people.

However, the Deities, after they sensed the good in the Emperor, summoned him with the aid of Odin's horse, Sleipnir. After the Deities took the good from inside the Emperor, they then used their powers in creating an Enchanted Sword that was capable of harming Aku. After he was armed with the sword and a magical suit of armor, the Emperor plunged into battle against Aku. In the end, the Emperor was victorious and imprisoned Aku into the devastated wasteland in the form of a jagged black tree. As he was sealed away, Aku vowed that he would one day return. During the battle, The Empress gave birth to a son. After he was determined to learn from the catastrophe, and was aware that Aku would indeed one day return, the Emperor hatched a plan while orchestrating the events that would set Jack on his eventual years of training.

## Return

Eight years later, during a solar eclipse, the seal that the Emperor placed on him broke and Aku was released. Aku's first target was the village of the Emperor who sealed him away eight years prior. In a castle, Jack was a young child and his father told him the tale of how he defeated Aku. After the story was done, Jack was left alone, and played with a toy sword. Suddenly, the castle was covered in Aku's shadow. Aku then unleashed a vicious attack on the village. The Emperor then attempted to grab the sword, but Aku captured him before he could reach it. The Emperor told the Empress that it was time to enact the plan they had prepared for. Following the plan, Jack's mother escaped with Jack and the sword. Jack then started on a journey to prepare him both physically and mentally for his confrontation against Aku.

Many years later, a formidably trained Jack returned to find his land devastated and his people, including his father, enslaved: they were forced to harvest the rich resources of their land for Aku so the demon could increase his powers and spread his evil across the entire planet. After he was filled with righteous wrath, Jack quickly slew the Minions of Aku and then went to Aku's Castle to slay him. After a vicious battle, Jack eventually overpowered Aku. However, before Jack could finish Aku off, a desperate Aku then tore open a time portal and flung Jack into the distant future, a future in which Aku was certain that his evil would be spread out all over the world.

## The Future

Unknown millennia passed before Jack reappeared into the future. During that time, Aku managed to terrorize or subjugate a majority of the entire world and declared himself the undisputed ruler of Earth. Although he began with demonic servants to carry out his will, Aku later became enamored with mechanical ones since his demonic servants couldn't carry out his tasks fast enough. Aku then recruited a council of Mad Scientists into creating the X-Model. All except X-49 were eventually destroyed before the next generation of Aku's Army was developed: the Beetle Drones. Successors to the X-Models, the Beetle Drones became the model for a series of insect-themed robots which served Aku well into the height of his power and were his standard henchmen.

Hungry for more power, Aku established Earth as a space-faring world and opened his ports to surrounding galaxies in order to plunder or conquer worlds beyond as well. The influx of aliens, who ranged from enslaved species to rough immigrants, transformed Earth into a hodge-podge of dystopian societies that were primarily run by tyrants or gangs. The few bastions for peace and hope typically remained out of Aku's wide field of vision. During Jack's revelation to Ashi, he showed her how Aku had apparently spread the word throughout the universe that criminals were welcomed on Earth, which had made it a safe haven for some of the worst scum in existence. They, in some cases, had decimated occupied settlements that were inhabited by innocent, helpless residents without any scruples. Corrupted agents also made the lives of countless citizens worthless under Aku's regime. Unsavory establishments such as the Dome of Doom and Creature Combat Club were common in the world under Aku.

Aku initially had a habit of watching Jack from afar and stewed over his inability to kill him. Aku used any opportunity to destroy Jack, whether through unleashing his minion armies, hiring bounty hunters, using mystical weapons, clever traps, simple trickery, and other methods in an unending struggle.

Despite being highly feared, hated, and despised by almost all sentient beings in the world or the universe, some beings worshiped Aku as a divine figure.

During his last encounter with Jack, Aku managed to stop him from jumping through the last known time portal and then subsequently destroyed it. Aku then revealed to Jack that he had destroyed all the other Time Portals in existence, which ostensibly ended Jack's quest to return to the past, which also inadvertently broke the seal that Jack placed on Mad Jack. After he reveled in Jack's anger, Aku fled the scene after he transformed three baby goats into monsters, which Jack then butchered in his rage. Immediately after that encounter with Aku, Jack lost his sword, but, as Aku had left moments before, he didn't witness this event.

## 50 Years in the Future

After he destroyed the last known time portal and eliminated Jack's ability to return to his own time, Aku decided to stop confronting Jack personally. Instead, Aku then continued to send bounty hunters after Jack while he simply waited for him to die of old age and believed that his victory would be assured. However, it later became apparent that Jack's initial time-traveling had halted his natural aging process: it eternally left him at the same biological age as when Aku first sent him into the future. This discovery scuttled Aku's plan and left him at somewhat of a loss as to what to do about his seemingly ageless foe. Ironically, despite Aku's fear of confronting him, Jack never manage to recover his lost sword, which rendered the samurai helpless against any potential attack by Aku. Because Aku had given up attempting to defeat Jack personally, he did not discover that Jack had lost his sword, and none of the bounty hunters who encountered Jack ever managed to report back to Aku alive. Somewhat oddly, though Aku never discovered that Jack had lost his sword, he did somehow learn Jack had grown a beard. During that time, Aku also came to realize, much to his annoyance, that stories of Jack's experiences began to inspire relatively widespread rebellion against him. Frightened of encountering Jack, Aku could do little personally to stop the uprisings and fell into something of a depression. Trapped in an eternal stalemate with Jack, Aku began to develop a degree of apathy even towards his tyrannical rule. He even began to see a Therapistin a sense, split himself into two entities, and talked with himself.

At one point, long after his last encounter with Jack, Aku's Castle was attacked by a large military force, which included an army of Scotswomen who were led by their father, The Scotsman. After he hoped to shake himself out of his boredom, Aku then nonchalantly destroyed most of the Rebel Army himself. After he simply flattened most of his enemies by rolling over them in the form of a giant black sphere, Aku then prepared to destroy the group of Scotswomen, who had been instructed to flee by their father. However, before he could do so, Aku was then confronted by the Scotsman. Hoping to distract Aku, the Scotsman mocked him incessantly for being scared of Jack and consequently losing much of his fearsome reputation. After he endured the Scotsman's taunts for a short time, Aku then incinerated the Scotsman with his eye-beams. However, Aku then quickly became unhappy again due to the Scotsman mentioning Jack, returned to his castle, forgot to kill the Scotsman's Daughters, and missed the Scotsman's return as a ghost. Aku also later received a phone call from the severed head of the assassin, Scaramouche, who learned that Jack's sword was missing and hoped to inform Aku. However, random circumstance and Scaramouche's undiplomatic nature conspired to prevent Aku from learning of Jack's plight.

Eventually, however, Scaramouche managed to reach Aku and reported the status of Jack's sword: unknown to Scaramouche, that the information arrived too late. After Scaramouche told him, Aku then angrily pushed down hard on Scaramouche's head and asked him if he was sure. Excited with the news, an immediately reinvigorated Aku confronted Jack for the first time in decades with a full-bodied Scaramouche, only to discover that Jack had already recovered his sword. After he destroyed Scaramouche in anger, Aku casually attempted to leave the area until he noticed a familiar smell that came from Jack's companion, Ashi. After he suddenly remembered the time that he had visited the Cult of Aku and offered them some of his essence, Aku quickly deduced that Ashi was his biological daughter and then used the essence inside her to control her into fighting Jack. Aku casually remarked to a giant robot corpse how his (last remaining) daughter had fallen in love and run off with his mortal enemy. After he was already bored with Jack's attempt to free her, Aku then simply tossed the robot onto them before he possesses Ashi with a new bodysuit in his likeness. When Jack couldn't bring himself to kill Ashi and surrendered, Aku then ordered Ashi to stand down, claimed Jack's Sword for himself, and relished in his victory..

## Demise

In the Series Finale, Aku captured Jack, stole his sword, broadcasted his victory to everyone in the world, if not the universe, and, once again, relished in his victory. Aku then prepared to kill Jack in front of the whole universe, but was confused as to how he should kill him. After a period of indecision, Aku decided that it was best for Ashi to kill Jack. As Ashi prepared to kill Jack, all of Jack's allies soon arrived and fought Aku and his forces in a grand-scale battle while Jack dealt with the possessed Ashi.

Aku found amusement in the army's attempts to save Jack: while they may have been able to fight off Aku's forces, Aku himself was nearly untouchable. Eventually, Ashi freed herself of Aku's possession because of Jack's love for her, but also retained his powers. After Ashi realized that, she quickly took Jack's Sword back, and, before Aku could stop them, she warped Jack and herself back to the past with her own time portal. The last time that the Future Aku was seen he uttered his last words: "Oh no…" with an extremely worried look on his face and knew that his end would soon come.

In the past, the events of the first episode played out: Jack had just defeated and weakened the Past Aku, who promised that he would destroy Jack in the future, opened up a time portal, and sent Jack into the future. However, Past Aku was soon caught off guard when Jack and Ashi arrived in the same spot where he was cast in the future, ten seconds after it happened, which confused the Past Aku as to how Jack was "back already" and was unaware that the Jack who stood in front of him had spent fifty years searching for a way back to the past. Jack then rushed at Past Aku and attacked him without mercy.

Jack made short work of the weakened the Past Aku, and sealed him inside his katana again. That time, however, Jack used his sword to destroy the Past Aku once and for all: Jack plunged his sword with the Past Aku still inside into the ground, which then caused the Past Aku's Castle to explode, took Past Aku with it, which prevented the rise of Aku and spared both space and time, the past, present and future and the universe from his tyranny forever.

## Legacy

Tragically, since Ashi was Aku's Daughter, Ashi "passed away" before she and Jack were married. This may or may not have happened to anyone and potentially *everyone* else from the future, as Aku's long-term conquest had shaped all their lives in some way or another; if they did exist in the new timeline, most would be very different people living in likewise radically, albeit positively, altered circumstances. Despite these implications, Aku's destruction meant that all the evil that he had inflicted was undone, thus sparing future generations from life under his tyranny.

Ironically, it was shown that Aku still, albeit indirectly, was capable of hurting Jack emotionally when his past destruction affected Ashi's existence since she was his daughter.

## Battle Through Time

In a desperate, last-minute attempt to prevent his destruction at the samurai's hand, Aku transports Jack into a time pocket, a rift of time and space that is not affected by the main timeline and under the demon's complete control, forcing Jack to relive many of the challenges he has faced before in familiar locations. Aku also corrupted the royal family's kamon crests with his black magic and scattered them throughout the world.

Fighting through various robots, demons, and bounty hunters, as well as Ashi and her sisters again, Jack cuts through the remains of Aku's armies with the aid of Scotsman and his daughters, Da Samurai, and Sir Rothchild and engages in a final showdown with his hated nemesis within his fortress.

Finally defeating Aku, the rift of time the demon created begins to fade away as the portal back to Ashi and the past opens back up for Jack. Expressing disbelief that his final plans have failed, Aku refused to accept defeat just before Jack delivers the final blow,

After Aku's defeat, the time pocket collapses on him and Jack slices through him. Jack is reunited with Ashi as both are transported back to the past where Jack finally destroys Aku, alongside his fortress, undoing all his evil in the future. It is unclear whether the future Aku's onscreen defeat before the final time-jump actually killed him in the same capacity as his past demise, but if not, the alternate ending where the future is not erased would imply that he is now permanently trapped in his own created pocket dimension.

When I was done everyone that hadn't heard about it was shocked and horrified.

Camie: Oh man! He is pure evil!

Sakura Valencia: Yeah no kidding! He is beyond pure evil!

Sirius: He is the ultimate monster.

Qin: We were all shocked about it ourselves.

Applejack: Yeah no kidding there.

Nico: But I'm just glad Ashi turned out alright.

Ashi: I am too.

Samurai Jack: Same here.

Me: We all are. But that was one of the most epic adventures we've ever had.

Nico: And all this happened back in the old days.

Eli: That was an awesome adventure.

Fu: It sure was. One of the most awesome and amazing adventures

ever.

Laney: Yep. So unforgettable.

But then a web hit me in my face!

Me: Ew!

I pulled it off.

Me: YUCK!

Nico: I hope Spidey's aim isn't getting lousy.

Eli: No it came from that!

We saw a black version of Spidermonkey! It was Another Spidermonkey!

Nico: Whoa Another Spidermonkey!

Qin: That was a clever shot though.

Another Spidermonkey: (In a girls voice) (Austrian Accent) Ach it was ja.

Me: I had a feeling it was you. Hilda von Scratchansniff.

Another Spidermonkey: Ja. Und it's good to see you again J.D.

Me: You too.

Nico: Are you related to…

Another Spidermonkey: Ja. I am ze daughter of Dr. Otto von Scratchansniff.

Nico: Wow! We didn't know he had a child.

Me: And she is an awesome Zoologist. She knows all about animals.

Fluttershy: Oh that is really amazing.

Another Spidermonkey: Und I'm really proud of mein job.

Albedo turned into Negative Spidermonkey.

Negative Spidermonkey: Did Swartz promise you anything?

Another Spidermonkey: He promised to turn me into a doctor of all ze professions.

Me: That is virtually impossible for many. You would have to be in many places all at once in college for that to happen or be born with a really massive and high IQ like Lisa here.

Lisa Loud: Indeed. That is a very true and very well deduced fact.

Laney: Yeah.

Me: But we can gladly do that for you with Lisa's help and our chief scientists.

Nico: Yep.

Me: Sorry we have to fight like this though. KIBAL LETS HOWL!

Nico: (SINGING DIVINELY AS RED FIRE SWIRLS AROUND HIM)

We may never love like this again

Don't stop the flow

We can't let go

We may never love like this again

And touch the sky

Now we may try

So while we here

Let's give up all

We listed the dreams inside us

And set them free

Oh, while we here

Let's live a mark

There's a candle in the dark

It's here to guide us

We may never love like this again

But through the days

Beyond the highs

I'll see you

Reaching out to hold me

I don't know just

Where or when

Still I'm sure

We'll love again, we'll love again

We'll love again (we may never love like this again)

We'll love again (we may never love like this again)

We'll love again (we may never love like this again)

We'll love again (we may never love like this again)

Nico fired waves of red flames and they hit Another Spidermonkey and smashed her down.

Me: That was great Nico! That song was from 1974.

Nico: Thanks.

Qin: That was from The Towering Inferno.

Laney: Yep.

Me: Now here's one for the Terrible Tudors. So the Histeria Club will sing this one.

Nico: Cool.

I activated the Ridewatch for Carly Atlas.

Me: Hit it guys!

(THE TALE OF THE TERRIBLE TUDORS PLAYS)

Histeria Club:

Oh listen, ye all to a tale that's true

When the War of the Roses tore England in two

King Richard III one fateful day

Fought Henry Tudor in a brutal fray

For poor King Richard life grew worse

He lost his kingdom for want of a horse

Henry VII was then made king

To Elizabeth of York he offered his ring

She said

I do! Let's give it a fling!

Verse 2: Loud Kiddington & CMB, Girls, World's Oldest Woman, Pepper Mills:

This union again made England one

The couple was blessed with a healthy son

Young Henry grew up in Catherine's home

When his father passed on he ascended the throne

Henry VIII took a wife from Spain

Catherine Aragon was her name

She bore him a daughter a cute little one

But to keep the throne he needed a son

Back then, that's how things were done

For girls, it really wasn't much fun

Verse 3: Kid Chorus, Miss Information:

Their rocky marriage couldn't get worse

But the pope refused to grant a divorce

So Henry started a church of his own

He got his divorce and stayed on the throne

Then Henry VIII wed Anne Boleyn

His former wifey's handmaiden

Anne gave birth to Elizabeth

But with no male kin, well you do the math!

Verse 4: Kid Chorus, Charity Bazaar, Boys, Toast:

Poor Anne Boleyn, she lost her head

So once again, King Henry wed

Jane Seymour gave to him a prince

But poor ol' Jane hasn't woken up since

So for a while, our Henry grieves

Then he marries Anne of Cleves

Anne came from fine German stock

She had a face that could stop a clock!

Kid Chorus, Girls, World's Oldest Woman:

Their marriage was cancelled in less than a year

His fifth wife, Catherine Howard, was dear

But Henry found out that her love was not true

He gave her the axe, what's a fella to do?

So after five, came wife number six

Catherine Parr is who Henry picks

He promised her he would do her no harm

So six wives proved to be the charm!

Verse 6: Kid Chorus, Froggo:

Henry gained pound right after pound

'Til he needed machinery to move him around

He weighed about a quarter ton

'Cause he couldn't resist a sticky bun

In fifteen-hundred forty-seven

Henry VII went off to heaven

Or maybe for his dirty tricks

To H-E-double hockey sticks!

Kid Chorus, World's Oldest Woman, Mary Tudor:

His young son Edward was only ten

When he took the English throne but then

Poor Edward died by age fifteen

His reign was followed by a queen

Jane Grey ruled for just nine days

She lost her head, to coin a phrase!

Mary Tudor was next in line

The British throne is mine, mine, mine!

Kid Chorus, Joan of Arc & Pepper Mills, World's Oldest Woman:

Mary had strength, she took no flack

She brought the Catholic church right back!

At forty-two Mary met her death

Then along came queen Elizabeth

She was loved by her people and made England strong

She had a few boyfriends, they didn't last long

The Elizabethan age was just and fair

But Elizabeth never gave birth to an heir

{Verse 9: Kid Chorus, Boys, Girls, Loud}

And so we sing our last refrain

The end finally came to the Tudor's reign

Elizabeth died in 1603

The end of the Tudors' family tree

The end of the Tudors

There can be no disputers

The end of the Tudors' family tree…

Chop, chop, chop, chop, chop, chop, chop!

Timber!

I had orange flames swirling around me and I fired waves of fire and blasted her down.

Nico: YEAH! Love that song.

Me: I do too. It was cool. It's hard to imagine that the Tudor Dynasty was like that over 500 years ago.

Kaito: (gets out Megaranger gear) Our turn now!

Zocks: (gets out Gingaman gear) Time to go ape on her!

Nico: YEAH!

Kaito got a Spiral Saber and Zocks got a Quasar Saber and Launcher!

Nico: Awesome!

Me: And by Ape, I mean Dark Signer power. (ACTIVATES DEVACK'S RIDEWATCH) My mother hates this song.

Ooo eee, oo ah ah, ting tang, walla walla bing bang

Ooo eee, oo ah ah, ting tang, walla walla bing bang

You want to learn something

That I can teach you.

You want to know a

Secret that I swear is true.

Monkeys, we have more fun than

Humans ever do.

Ooo eee, oo ah ah, ting tang, walla walla bing bang

Ooo eee, oo ah ah, ting tang, walla walla bing bang

We learn to climb and swing

Before we learn to run.

We like to party and there is

Room for everyone

Come join us if you really want

To have some fun

Ooo eee, oo ah ah, ting tang, walla walla bing bang

Ooo eee, oo ah ah, ting tang, walla walla bing bang

You never see us tired 'cause we're way too smart for workin'. A monkey knows a lot more than a man. We love swinging in the trees and eating our bananas. Don't you know we never need a plan?

We never worry we just Eat and sleep and play. That's how we make the most of Each and every day. If you want to be a monkey, Then this is what you say!

Ooo eee, oo ah ah, ting tang, walla walla bing bang

Ooo eee, oo ah ah, ting tang, walla walla bing bang

Humans always seem to have their facts a little twisted,

And think that monkeys belong in a tree.

But if you could look at the life in the same way the monkeys see it,

Maybe you'd be over here with me.

I danced and fired waves of yellow flames and they formed into monkeys and burned Another Spidermonkey all over the place.

Lana: It sure is.

Brody: My turn! (Activates Taskmaster's Ridewatch)

(THE HIGHWAYMAN BY LOREENA MCKENNITT PLAYS)

Brody: (SINGING DIVINELY AS SWORDS AND STARS SWIRL AROUND HIM)

The wind was a torrent of darkness among the gusty trees

The moon was a ghostly galleon tossed upon the cloudy seas

The road was a ribbon of moonlight over the purple moor

And the highwayman came riding

Riding, riding

The highwayman came riding up to the old inn-door

He'd a French cocked-hat on his forehead, a bunch of lace at his chin

A coat of claret velvet and breeches of brown doe-skin

They fitted with never a wrinkle, his boots were up to the thigh

And he rode with a jewelled twinkle

His pistol butts a-twinkle

His rapier hilt a-twinkle under the jewelled sky

And over cobbles he clattered and clashed in the dark inn yard

And he tapped with his whip on the shutters, but all was locked and barred

He whistled a tune to the window, and who should be waiting there

But the landlord's black-eyed daughter

Bess, the landlord's daughter

Plaiting a dark red love-knot into her long black hair

"One kiss, my bonny sweetheart, I'm after a prize tonight

But I shall be back with the yellow gold before the morning light

Yet if they press me sharply and harry me through the day

Then look for me by the moonlight

Watch for me by the moonlight

I'll come to thee by the moonlight, though hell should bar the way"

He rose upright in the stirrups, he scarce could reach her hand

But she loosened her hair i' the casement, his face burnt like a brand

As the black cascade of perfume came tumbling over his breast

And he kissed its waves in the moonlight

Oh, sweet waves in the moonlight

He tugged at his rein in the moonlight and galloped away to the west

He did not come at the dawning, he did not come at noon

And out of the tawny sunset, before the rise o' the moon

When the road was a gypsy's ribbon, looping the purple moor

A red-coat troop came marching

Marching, marching

King George's men came marching up to the old inn-door

They said no word to the landlord, they drank his ale instead

But they gagged his daughter and bound her to the foot of her narrow bed

Two of them knelt at the casement with muskets at their side

There was death at every window

Hell at one dark window

For Bess could see through the casement

The road that he would ride

They had tied her up to attention with many a snickering jest

They had bound a musket beside her with the barrel beneath her breast

"Now keep good watch", and they kissed her

She heard the dead man say

"Look for me by the moonlight

Watch for me by the moonlight

I'll come to thee by the moonlight, though hell should bar the way"

She twisted her hands behind her, but all the knots held good

But she writhed her hands till her fingers were wet with sweat or blood

They stretched and strained in the darkness and the hours crawled by like years

Till, now, on the stroke of midnight

Cold on the stroke of midnight

The tip of one finger touched it

The trigger, at least, was hers

Tlot-tlot! Had they heard it? The horse's hooves ring clear

Tlot-tlot, in the distance! Were they deaf they did not hear?

Down the ribbon of moonlight, over the brow of the hill

The highwayman came riding

Riding, riding

The red-coats looked to their priming

She stood up straight and still

Tlot in the frosty silence! Tlot, in the echoing night

Nearer came and nearer, her face was like a light

Her eyes grew wide for a moment, she drew one last deep breath

Then her finger moved in the moonlight

Her musket shattered the moonlight

Shattered her breast in the moonlight and warned him with her death

He turned, he spurred to the west, he did not know she stood

Bowed with her head o'er the musket, drenched with her own red blood

Not till the dawn he heard it, his face grew grey to hear

How Bess, the landlord's daughter

The landlord's black-eyed daughter

Had watched for her love in the moonlight and died in the darkness there

And back, he spurred like a madman, shrieking a curse to the sky

With a white road smoking behind him, and his rapier brandished high

Blood-red were the spurs i' the golden noon, wine-red was his velvet coat

When they shot him down on the highway

Down like a dog on the highway

And he lay in his blood on the highway with a bunch of lace at his throat

Still on a winter's night, they say, when the wind is in the trees

When the moon is a ghostly galleon tossed upon the cloudy seas

When the road is a ribbon of moonlight over the purple moor

A highwayman comes riding

Riding, riding

A highwayman comes riding up to the old inn-door

My, my, my, my

(You can't touch this)

Music hits me so hard

Makes me say "Oh, my Lord

Thank you for blessing me

With a mind to rhyme and two hyped feet"

It feels good when you know you're down

A super dope homeboy from the Oaktown

And I'm known as such

And this is a beat, uh, you can't touch

I told you, homeboy

You can't touch this

Yeah, that's how we livin', and ya know

You can't touch this

Look in my eyes, man

You can't touch this

Yo, let me bust the funky lyrics

You can't touch this

Fresh new kicks and pants

You got it like that

Now you know you wanna dance

So, move outta your seat

And get a fly girl

And catch this beat

While it's rolling

Hold on

Pump a little bit and let 'em know it's going on

Like that, like that

Cold on a mission, so fall on back

Let 'em know that you're too much

And this is a beat, uh, they can't touch

Yo, I told you

You can't touch this

Why you standing there, man?

You can't touch this

Yo, sound the bell, school's in, sucker

You can't touch this

Give me a song or rhythm

Making them sweat, that's what I'm giving them

Now, they know

You talk about the Hammer

When you're talkin 'bout a show

That's hyped and tight

Singers are sweatin'

So pass them a wipe or a tape

To learn

What it's gonna take in the 90's to burn

The chart's legit

Either work hard or you might as well quit

That's word, because, you know

You can't touch this

You can't touch this

Break it down!

Stop, Hammer time!

"Go with the flow", it is said

If you can't groove to this, then you probably are dead

So, wave your hands in the air

Bust a few moves

Run your fingers through your hair

This is it, for a winner

Dance to this and you're gonna get thinner

Now move, slide your rump

Just for a minute, let's all do the bump

(Bump, bump, bump)

Yeah

You can't touch this

Look, man

You can't touch this

You'll probably get hyped, boy, 'cause you know you can't

You can't touch this

Ring the bell, school's back in

Break it down!

Stop, Hammer time!

You can't touch this

You can't touch this

You can't touch this

Break it down!

Stop, Hammer time!

Every time you see me

That Hammer's just so hype

I'm dope on the floor

And I'm magic on the mic

Now, why would I ever

Stop doing this

With others making records

That just don't hit?

I toured around the world

From London to The Bay

It's "Hammer! Go, Hammer! MC Hammer! Yo, Hammer!"

And the rest can go and play

"U Can't Touch This"

You can't touch this

You can't touch this

Yeah

You can't touch this

I told you

You can't touch this

Too hype, you can't touch this

Yo, we're outta here

You can't touch this

Wash your face and hands
Rid me of the problem
Do all that you can

Superstition ain't the way, yeah
Very superstitious
Nothing more to say
Very superstitious
The devil's on his way
13-month-old baby
Broke the looking glass
Seven years of bad luck
Good things in your past

When you believe in things

That you don't understand

Then you suffer

Superstition ain't the way

No, no, no

Nico danced and fired waves of darkness and smashed her down.

Nico: YEAH! Love that song!

Me: Stevie Wonder is great.

Another Spidermonkey: Don't you monkey with ze monkey!

Me: Oh you don't know what the monkey can do. (ACTIVATES TAR PIT'S RIDEWATCH)

(WALK THE DINOSAUR BY WAS (NOT WAS) PLAYS)

Me: (DANCING AND SINGING DIVINELY AS TAR SWIRLS AROUND ME)

Boom boom acka-lacka lacka boom

Boom boom acka-lacka boom boom

It was a night like this forty million years ago

I lit a cigarette, picked up a monkey skull to go

The sun was spitting fire, the sky was blue as ice

I felt a little tired, so I watched Miami Vice

And walked the dinosaur, I walked the dinosaur

Open the door, get on the floor

Everybody walk the dinosaur

Open the door, get on the floor
Everybody walk the dinosaur
Open the door, get on the floor
Everybody walk the dinosaur
Open the door, get on the floor
Everybody walk the dinosaur
I met you in a cave, you were painting buffalo
I said I'd be your slave, follow wherever you go
That night we split a rattlesnake and danced beneath the stars
You fell asleep, I stayed awake and watched the passing cars
And walked the dinosaur, I walked the dinosaur
Open the door, get on the floor
Everybody walk the dinosaur
Open the door, get on the floor
Everybody walk the dinosaur
Open the door, get on the floor
Everybody walk the dinosaur
Open the door, get on the floor
Everybody walk the dinosaur
One night I dreamed of New York
You and I roasting blue pork
In the Statue of Liberty's torch

Elvis landed in a rocket ship

Healed a couple of leapers and disappeared

But where was his beard?

A shadow from the sky much too big to be a bird

A screaming crashing noise louder than I've ever heard

It looked like two big silver trees that somehow learned to soar

Suddenly a summer breeze and a mighty lion's roar

I killed the dinosaur, I killed the dinosaur

Open the door, get on the floor

Everybody kill the dinosaur

Open the door, get on the floor

Everybody kill the dinosaur

Open the door, get on the floor

Everybody kill the dinosaur

Open the door, get on the floor

Everybody kill the dinosaur

Repeat chorus 2 one time

Boom boom acka-lacka lacka boom

Boom boom acka-lacka boom boom

I fired waves of tar and smashed her all over and got her sticky.

Nico: YEAH! Love that song!

Negative Spidermonkey climbed the wall Another Spidermonkey was on.

And he fired webs at her.

Nico: YEAH! Nice one!

Me: (SINGING DIVINELY IN SWEDISH AS MOONS AND WOLVES SWIRL AROUND ME)

Jungfrun, hon skulle åt stugan gå

Linden darrar i lunden

Så tog hon den vägen åt skogen blå

Ty hon var vid älskogen bunden

Och när som hon kom till skogen blå

Linden darrar i lunden

Där mötte henne en ulv så grå

Ty hon var vid älskogen bunden

Kära ulver du. bit inte mig

Dig vill jag giva min silversärk

Silversärk jag passar ej på

Ditt unga liv och blod måst gå

Kära du ulver bit inte mig

Linden darrar i lunden

Dig vill jag giva min silversko

Ty hon var vid älskogen bunden

Silversko jag passar ej på

Linden darrar i lunden

Ditt unga liv och blod måst gå

Ty hon var vid älskogen bunden

Kära du ulver du, bit inte mig

Dig vill jag giva min guldkrona

Guldkrona jag passar ej på

Ditt unga liv och blod måst gå

Jungfrun hon steg sig så högt i ek

Linden darrar i lunden

Och ulven, han gick ner på backen och skrek

Ty hon var vid älskogen bunden

Ulven, han grafte den ek till rot

Linden darrar i lunden

Jungfrun gav upp ett så hiskeligt rop

Ty hon var vid älskogen bunden

Och ungersven han sadlar sin gångare grå

Linden darrar i lunden

Han red litet fortare än fågeln flög

Ty hon var vid älskogen bunden

Och när som han kom till platsen fram

Linden darrar i lunden

Så fann han ej mer än en blodiger arm

Ty hon var vid älskogen bunden

Gud trösta Gud bättra mig ungersven

Linden darrar i lunden

Min jungfru är borta min häst är förränd

Ty hon var vid älskogen bunden

I danced and fired waves of moons and fire and smashed her all over.

Me: YEAH!

Nico: That was awesome!

(FADING LIKE A FLOWER BY ROXETTE PLAYS)

Eli: (SINGING DIVINELY AS FLOWERS SWIRL AROUND HIM)

In a time

Where the sun descends alone

I ran a long, long way from home

To find a heart that's made of stone

I will try

I just need a little time

To get your face right out of my mind

To see the world through different eyes

Everytime I see you

Oh, I try to hide away

But when we meet it seems I can't let go

Everytime you leave the room

I feel I'm fading like a flower

Tell me why

When I scream, there's no reply

When I reach out, there's nothing to find

When I sleep, I break down and cry

Cry, yeah

Everytime I see you

Oh, I try to hide away

But when we meet it seems I can't let go

Everytime you leave the room

I feel I'm fading like a flower

Fading like a rose

Fading like a rose

Beaten by the storm

Talking to myself

Getting washed by the rain

It's such a cold, cold town

Ooh, it's such a cold town

Everytime I see you

Oh, I try to hide away

But when we meet it seems I can't let go

Everytime you leave the room

I feel I'm fading like a flower

Everytime I see you

Oh, I try to hide away

But when we meet it seems I can't let go

Everytime you leave the room

I feel I'm fading like a

Everytime I see you

Oh, I try to hide away

But when we meet it seems I can't let go

Everytime you leave the room

I feel I'm fading like a flower

Everytime you leave the room

I feel I'm fading like a flower

Everytime I see you

Fading like a rose

Everytime you leave the room

Everytime I see you

Eli danced and fired the flowers and smashed her all over.

Nico: YEAH!

Qin: I got one. (ACTIVATES CHEESECROCKER'S RIDEWATCH)

(BEAUTIFUL STRANGER BY MADONNA PLAYS)

Qin: (SINGS DIVINELY AS FIRE AND CHEESE SWIRLS AROUND HER)

Haven't we met?

You're some kind of beautiful stranger

You could be good for me

I have a taste for danger

If I'm smart then I'll run away

But I'm not so I guess I'll stay

Heaven forbid

I take my chance on a beautiful stranger

I looked into your eyes

And my world came tumblin' down

You're the devil in disguise

That's why I'm singin' this song

To know you is to love you

You're everywhere I go

And everybody knows

To love you is to be part of you

I pay for you with tears

And swallow all my pride

Ta-da-da-da, da-da, da-da, da-da-da-da-da

Beautiful stranger

Ta-da-da-da, da-da, da-da, da-da-da-da-da

Beautiful stranger

If I'm smart then I'll run away

But I'm not, so I guess I'll stay

Haven't you heard?

I fell in love with a beautiful stranger

I looked into your face

My heart was dancin' all over the place

I liked to change my point of view

If I could just forget about you

To know you is to love you

You're everywhere I go

And everybody knows

I looked into your eyes

And my world came tumblin' down

You're the devil in disguise

That's why I'm singin' this song to you

To know you is to love you

You're everywhere I go

And everybody knows

I pay for you with tears

And swallow all my pride

Ta-da-da-da, da-da, da-da, da-da-da-da-da

Beautiful stranger

Ta-da-da-da, da-da, da-da, da-da-da-da-da

Beautiful stranger

She fired waves of fire and cheese and smashed her all over the place.

(IT'S A B-MOVIE BY THE BRAVE LITTLE TOASTER PLAYS)

Lucy Loud: (SINGING DIVINELY AS DARKNESS SWIRLS AROUND HER)

Watch yourself

Don't fall off of the shelf

You must be the new boys in town

What's that sound?

Is someone movin' round?

Sit down for a spell

You don't look so well
Wait a minute, I feel great
You just leave yourself to fate
You might as well just hang around
It's too late
We've got to operate
Just try to relax
It's a house of wax!
Oh, I remember Frankenstein
Shivers up my spine, wo-oh
I'm for getting out of here
No need to shout, my dear, no-oh
Who will go to the cellar down below?
Trouble is a-bubblin' in the brew
And while you're down there Mr. Vincent Price
Will give you good advice
He'll know what to do
You just tell him "Boo!"
He will put the voodoo in the stew
I'm telling you!
It's like a movie
It's a B-movie show

It's like a movie

It's a B-movie show

This is weird

It's much worse than I feared

I'll close my eyes and make it disappear

This is strange

It ain't home on the range

You just tell St. Pete

That you got cold feet

There goes the sun

Here comes the night

Somebody turn on the light

Somebody tell me that fate has been kind

You can't go out

You are out of your mind!

It's like a movie

It's a B-movie show

It's like a movie

It's a B-movie show

She danced and fired waves of darkness and smashed Another Spidermonkey all over.

Nico: OH YEAH!

Qin: I remember that song. Great choice.

Me: I used to play the drums to that one and it was great.

May: One of these days, we should have a mission for that movie.

Me: That's not a bad idea May.

But then a whip hit Another Spidermonkey and knocked her down and I caught the ridewatch and purified it and I went over to Hilda. She was a blond hair girl with blue clothes and red eyes.

Me: Hilda are you all right?

Hilda von Scratchansniff: (GROANS) Mein gott vat a headache. But ja. I'm all right.

Me: Good.

I picked her up.

Me: But where did that whip come from?

?: From me.

We saw Boom Bloom?

Me: Boom Bloom?

Boom Bloom 2: Sorry about that guys.

Nico: Wait I know that voice. Fay Runnermount.

Fay reverted back and she was a girl with red hair and she had green clothes and a thorn vine whip on her left hip and she had green angel wings.

Fay Runnermount: That was awesome singing you all did and Nico it's great to see you again.

Nico: Same here.

Qin: Fay!

Fay Runnermount: Qin!

They hugged.

Fay Runnermount: Awesome to see you again.

Qin: Same here.

Nico: You got hit with all those attacks from us while still clinging onto the wall.

Hilda von Scratchansniff: Oh ja und it was cool.

Me: Hilda worked with monkeys at the zoo and it was awesome.

Nico: That is perfect though.

Qin: Yeah.

Laney: It was cool though.

Fay Runnington: Yeah that was great and awesome.

Brody: What is your favorite memory of Nico?

Fay Runnington: I have a lot of them. But my favorite is when me and Nico were in gardening class and we were planting rare flowers and then we saw a bully hitting a nerd and then I used my plant powers and hung him upside down and I lashed him on his belly with my whip "I am a Stupid Shiteating Nerd-Hating Shit-Faced Bully, Expel Me."

We laughed at that one.

Nico: That was funny.

Fay Runnington: Funny but true and they immediately expelled him for what he was doing.

Nico: Good riddance.

Qin: I remember that. That was so awesome.

Camie: That is cool!

Sunny Starscout: Yeah.

Nico and Fay then hugged.

Nico: I've really missed you.

Fay Runnington: Me too Nico. Me too.

We later went back home.

---

After Nico's rescue, Lincoln, Me, Ken Knudson, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, The Dynasty Warriors, The Samurai Warriors, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, The Demon Slayer Corps, The Saber Kamen Riders, and Jayden Shiba are heading to the Shivermist Mountains in Gemina, and not only is Lincoln going to rescue the four girls here, but we got word that The Vexicons, Mallory, Kasha, Dark Eartha, and Willa, have come back from the dead, and they're out for revenge for what we did to them and Necrafa.

Lincoln: Whoa, we're here in The Shivermist Mountains, and I know what we're going to do here, not only am I going to rescue the four girls here, but we got word that The Vexicons, Mallory, Kasha, Dark Eartha, and Willa, have come back from the dead, and they're out for revenge for what we did to them and Necrafa.

Nico: Should've known they wouldn't stay gone for good, but this time, we're ready for them.

Me: And I don't know if Evil Cozy Glow was the one who brought them back from the dead.

We saw that Lincoln's massive white angel wings with orange and aurora-colored tips on the feathers haven't changed colors. But, we spoke too soon as the feathers changed from white to the color of Twinkleshine.

Lincoln: I think you spoke too soon, J.D., looks like Evil Cozy Glow did bring them back from the dead to get revenge, thank goodness it wasn't Necrafa. But, we're still going to destroy them for good and send them straight to The Black Gates. And thanks for joining us, Jayden.

Jayden: You're welcome, Lincoln, and once we get rid of The Vexicons, we'll be sure to tell Arkayna and the rest of The Mysticons about this.

Emily Jones: And I can feel that we're going to transform.

Me: This is going to be so cool.

?: HEEEELLLLLLP!

Suddenly, Lincoln heard the sound of four girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the four girls, but they've been cornered by Mallory, Kasha, Dark Eartha, and Willa, and they're going to kill them.

Lincoln: Let's get over there at once, guys, I found the four girls, but they've been cornered by Mallory, Kasha, Dark Eartha, and Willa, and they're going to kill them.

?: (Girl's voice) (Japanese Accent) Those dark servants of Necrafa, let's get them!

Suddenly, we saw the Duel Monster, Jizukiru, The Star Destroying Kaiju, appear before us.

Nico: Holy cow, that's the Duel Monster, Jizukiru, The Star Destroying Kaiju!

Lincoln: And I recognize that Japanese accent, I knew it was you, Junko Sutādesutoroiyā, but we'll talk later, it's time to get rid of The Vexicons, and this time, for good.

We rushed on over, and Lincoln fired powerful rainbow energy balls and elemental forces at The Vexicons, and it allowed the four girls to get to safety and inside of an energy field created by Lincoln to protect them from The Vexicons. When The Vexicons saw us, they were enraged.

Kasha: You're going to pay for destroying us and Necrafa, Team Loud Phoenix Storm!

Lincoln: Put a sock in it, tuna breath! We should've known you four wouldn't stay forgotten for much longer, but now, we've got a perfect opportunity to put you four down and this time for good.

Emily Jones: And we've had it with you four to last an eternity

Suddenly, the colored eyes of Emily Jones, Azari Firedancer, Farran Leafshade, Aira Windwhistler, and Naida Riverheart turned neon and they were surrounded by colored energy auras with elemental forces, elves, and magic, and as they approached Mallory, Kasha, Dark Eartha, and Willa, they left colored energy, elemental forces, elves, and magic with every step.

Emily Jones: I will never forgive any of you for the crimes you've committed against all of Gemina and in the name of the Lich Queen, Necrafa, Vexicons.

Azari Firedancer: You've caused nothing but terror and destruction to so many of Drake City's residents.

Farran Leafshade: And all for The Spectral Hand and Necrafa's twisted desire to rule everything.

Aira Windwhistler: All of you are indeed far beyond redemption.

Nadia Riverheart: And for that, you four shall be destroyed forever.

Suddenly, Emily Jones, Azari Firedancer, Farran Leafshade, Aira Windwhistler, and Naida Riverheart were surrounded by massive vortexes of colored energy with magic and elemental forces surrounding the vortexes, there are elves of different elemental forces flying around the vortexes, and inside the vortexes are colored phoenixes. Then, as the vortexes fade, Emily Jones, Azari Firedancer, Farran Leafshade, Aira Windwhistler, and Naida Riverheart emerge, but they were changed forever.

Farran Leafshade has transformed into SUPER ANGEL ETERNITY INFINITY NATURE ELVENDALE EARTH ELF ANGEL OF DIVINE EARTH NATURE ELF JUSTICE AND DIVINE EARTH ELF WILL!

We were amazed by the Super Angel Eternity Infinity transformations of Emily Jones and the elves, and when Lincoln saw

Emily Jones, Azari Firedancer, Aira Windwhistler, Lumia, and Nadia Riverheart, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding. But, when Mallory, Kasha, Dark Eartha, and Willa saw them, they went mad with rage and tried to attack them, but Emily Jones and the elves fired powerful colored energy with elemental forces, elemental elves, and magic at the Vexicons and they sent them flying into a wall, but they're not out yet.

Me: Whoa, Emily Jones and the elves transformed, so awesome!

Nadia Riverheart: (Divine Echoing Cosmic Voice of The Divine Maelstrom Elvendale Elf and Divine Water Elf Love) **And send them all to The Black Gates?**

Lincoln: (Smiles) With pleasure, ladies. Jayden, I'm making a Shadow Clone of myself to transform into his Orange Samurai Ranger form, and he's also going to access Super Samurai Mode.

Jayden: Good idea, Lincoln. Because, you're already planning on going Super Angel Eternity Infinity with Emily, Azari, Aira, Nadia, and Lumia.

Lincoln made a Shadow Clone, and Jayden transformed into his Red Samurai Ranger form and he transformed into his Super Samurai Mode, and Lincoln's Shadow Clone has transformed into his Orange Samurai Ranger form, and he also transformed into Super Samurai Mode, and he has on the white sleeveless trenchcoat.

Nico: (Stunned) Whoa.

Lincoln: Okay, gang, let's get those Vexicon cretins.

Then, Jayden and Lincoln's shadow clone attacked The Vexicons with a supercharged Blazing Strike and Electric Shock, and Lincoln, Emily Jones, Azari, Aira, Lumia, and Nadia attacked them with blasts of elemental forces and elves. Then, Lincoln fired four blasts of energy and he then sucked out and absorbed all The Vexicons' powers and abilities, and he made them his own and purified the Vexicons' bracers. Then, Jayden and Lincoln's shadow clone used the Firesmasher Cannon Blast Mode, and they fired the discs which were also infused with Black Gate energy, and when they hit The Vexicons, they exploded with incredible power and The Vexicons were erased by The Black Gates. We cheered wildly as we holster our weapons and power down and Lincoln's Shadow Clone vanished, and the brand-new bodies of Emily Jones, Azari Firedancer, Lumia the Light Elf, Aira Windwhistler, Nadia Riverheart, and Farran Leafshade are permanent.

Just then, Emily Jones, Nadia Riverheart, Azari Firedancer, Lumia the Light Elf, and Aira Windwhistler glomped on Lincoln, and he got covered in lipstick marks on his face and massive muscular body, and he also returned the kisses to the girls.

Lincoln: Good riddance, Vexicons, and don't you dare come back. (To Junko Sutādesutoroiyā) And it's so good to see you again, Junko Sutādesutoroiyā.

Junko Sutādesutoroiyā reverted back to normal, and she's a beautiful girl with long flowing purple hair, purple eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has massive beautiful purple angel wings, and she reigned in the power of Jizukiru, The Star Destroying Kaiju, and she's dressed in a sleeveless purple vest, sleeveless purple midriff top, long purple skirt, purple pants, purple sneakers, and long sleeveless purple trenchcoat with Kaijus, constellations, and stars on the coattails, and Jizukiru, The Star Destroying Kaiju on the back, and holstered on her back is a large Jizukiru, The Star Destroying Kaiju-themed greatsword with Jizukiru, The Star Destroying Kaiju etched on the 7'0" massive, wide, double-edged purple blade, Jizukiru, The Star Destroying Kaiju's wings for the crossguard, large purple gem embedded in the rainguard, longer black handle, and a large purple gem surrounded by angel wings for the pommel.

Junko Sutādesutoroiyā: (Japanese Accent) You too, Lincoln, it's been a long time.

Lincoln went up to Junko Sutādesutoroiyā and they hugged, and Junko Sutādesutoroiyā is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw his vampire fangs and his massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his deeper manly voice.

Lincoln: It sure has, I haven't seen you when you were eight, and as you can see, I really grew a lot since then.

Junko Sutādesutoroiyā: (Japanese Accent) Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the cute eight-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you also have vampire fangs and massive white angel wings, that's amazing.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Junko Sutādesutoroiyā, she's not only my Guardian Angel from Japan, but also my classmate in Art, but she's also taken an interest to Astronomy and she's an elf.

Azari Firedancer: Like me, Aira, Nadia, and Lumia, Linky?

Lincoln: Not exactly, Azari, I found out she's the cousin of Deedlit.

Nicole's jaw dropped.

Nicole: Wait, what?! She's Deedlit's cousin?! Wow, and Lincoln's right, Junko's an elf, but her cousin Deedlit, is known as a high elf in the Spirit World in the world of Lodoss.

Lincoln: That's right, high elves excel in shamanism but also make formidable warriors, and they are extremely agile and accurate fighters, though most dislike metal weapons and have given up on the art of combat.

This amazed Emily Jones, Aira Windwhistler, Azari Firedancer, Nadia Riverheart, and Lumia the Light Elf, who are in Lincoln's harem.

Lincoln: And it was Junko who introduced me to Kaiju movies when we were eight years old, and since then, we've been watching Kaiju movies, especially Godzilla. We even found a new blue giant star which they named Bluezilla.

Eli: Way awesome! And that's how you also know so much about the Kaiju, especially Godzilla.

Lincoln: Thanks, Eli, and I also made Junko a beautiful golden yellow bikini with stars, constellations, and Kaijus, and to show thanks, Junko kissed me on the lips, and she hates Luan, Lola, and Lisa with a burning passion.

We saw Luan, Lola, and Lisa turn pale when they saw Junko again.

Farran Leafshade: Uh oh, we're in for a big story on what those three did to get a fellow elf mad.

Lincoln: You said it, Farran, and I know what happens when you make an elf really mad.

Emily Jones, Aira Windwhistler, Azari Firedancer, Nadia Riverheart, and Lumia the Light Elf, who are in Lincoln's harem nodded in response. Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared around Junko Sutādesutoroiyā's neck with purple gems on the gold thunderbolt links and purple crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Elemental Thunderbird Necklace of Eternal Love, and her new Elemental Thunderbird Choker of Eternal Love appeared on her neck.

Junko Sutādesutoroiyā: (Japanese Accent) (Surprised) Lincoln, is this…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're part of my harem and one of my many future wives, Junko.

Junko Sutādesutoroiyā had a smile on her face and tears in her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around Junko Sutādesutoroiyā's waist and Junko Sutādesutoroiyā wrapped her left arm around Lincoln's thick muscular neck, and he leaned down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the four girls, and when Lincoln saw them, he recognized them immediately. The four girls are Koyomi Morishita, Misa Anehara, Christina Yumiko Ichinose, and Kaho Sakazaki from Modern Magic Made Simple.

Lincoln: Oh wow, it's Koyomi Morishita, Misa Anehara, Christina Yumiko Ichinose, and Kaho Sakazaki from Modern Magic Made Simple.

Nico: Awesome.

Lincoln: Are you girls okay?

Koyomi Morishita: Yes, we're okay, thanks to you.

Then, when Koyomi Morishita and the other three girls saw who it was that saved them from The Vexicons, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

He had his massive Hinon's Cosmic Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds holstered on his wider and muscular back, his large orange Crystal Saber, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Elemental Harmony on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac sign on the back of his neck and the Cygnus the Swan constellation and embedded Jewel of Gelel on the back of his massive left hand, large weighted gold bands on his massive biceps and thighs with silver phoenixes on them, large gold cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive and indestructible white angel wings with stars and orange and aurora-colored tips on the large white feathers, and he was dressed in an orange version of He-Man 2002's loincloth with hanging silver lightning bolts and long orange trenchcoat coattails with elemental forces, Thunderbirds, Phoenixes, Angels, and Buffalo on them which were glowing neon orange and they also had intense powerful rainbow hot flames coming off them and hanging mini silver lightning bolts on the coattails held up by his large gold Belt of Elemental Bravery with a large golden buffalo head with orange gems for eyes and a large orange gem in its mouth for the belt buckle on his waist, large royal blue pants with multicolored lightning bolts on the thighs with the orange kanji on the left leg that said, "Savior of The Loud House, True Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird, Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms, and Destroyer of The House of Damaskinos", and large white leather combat boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and armor on the toe area, silver Buffalo head stud earrings with the Thunderbird and Eternity Kanji on it, large Thunderbird Necklace of Eternal Love with colored gems on the gold lightning bolts and orange crystals from his merged large Crystal Necklace of The Buddha with a large Element of Harmony deep sapphire blue gem in the shape of a Thunderbird and a large silver Buffalo head with the Thunderbird and Eternity Kanji on its head for the pendant on his bare chest, large fingerless orange gloves with the symbol of The Loud House on it and surrounded in a diamond formation are a Phoenix, Thunderbird, Buffalo, and Angel, large Orange Buffalo Animal Spirit Ring which merged with his Ring of The Phoenix on his left ring finger, large Blue Lantern ring on his right ring finger, he had nine large multi-colored orbs orbiting around his legs, and circling around his feet on the floor are eight golden crosses with angelic runes.

Koyomi Morishita: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made three clones of himself, and he and the three clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Koyomi Morishita: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, four Thunderbird Necklaces of Eternal Love appeared on the necks of Koyomi Morishita, Misa Anehara, Christina Yumiko Ichinose, and Kaho Sakazaki with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, and they also have on their new Elemental Thunderbird Chokers of Eternal Love on their necks too. Lincoln and his group returned to the World Tree Estate and we told everyone what happened, and they were shocked when they found out the villains we went after were The Vexicons, who've come back from the dead and they wanted revenge on us for destroying them and Necrafa.

But, when Lincoln showed what we did to them, along with Emily Jones and the elves transforming, and we sent the Vexicons to The Black Gates, everyone cheered for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Junko Sutādesutoroiyā have a lot of catching up to do now that she's back in town.

Maria: Whoa, we already saw Lincoln's Orange Samurai Ranger form and Shogun Mode, now we just saw his Orange Super Samurai form, so awesome. And I can't believe Evil Cozy Glow had the nerve to bring back The Vexicons, the servants of Necrafa.

Lincoln: We couldn't believe it either, but it didn't matter, we sent those monsters to The Black Gates, and they're never coming back.

Nico: And it'll be the same fate that'll befall Necrafa, if that Lich Queen dares to return from the dead again.

Arkayna: You said it, Nico.

Lincoln: And after I sucked out and absorbed all of the Vexicons' powers and abilities, I also purified their animal bracers.

Lincoln showed Arkayna, Zarya, Piper, and Emerald the purified Vexicon Bracers of the Bat, Basilisk, Snake, and Panther.

Zarya: That's awesome. So, who are you going to give them to?

Lincoln: I already know who to give these to. Lucy, you get the Bat Bracer, The Panther Bracer will go to Lynn, and Nico, you're getting the Basilisk Bracer.

Nico: That's an awesome idea. Hmm, and I think The Snake Bracer should go to Anko.

Lincoln: True, and she's known as a mistress of snakes, besides it's better in her hands than in the hands of that heartless icy she-witch, Mallory.

Me: You got that right.

Lincoln gave Lucy the purified Bat Bracer, Lynn the purified Panther Bracer, Nico the purified Basilisk Bracer, and Anko the purified Snake Bracer, and they're much effective in our hands than in the hands of The Vexicons.

---

After finally getting rid of The Vexicons and this time for good, we were training intensely in the gym, this time, doing 500,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Junko Sutādesutoroiyā saw Lincoln working out like crazy, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Junko Sutādesutoroiyā: (Japanese Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Junko, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Junko Sutādesutoroiyā: (Japanese Accent) That's incredible.

Nico: It sure is. So, Junko, what's the story on why you hate Luan, Lola, and Lisa with a burning passion?

Junko Sutādesutoroiyā: (Japanese Accent) You're not going to like it one bit. One night, Lincoln and I were outside looking at the stars, and we've especially been looking at the constellations. But, then, we heard the sound of a tank heading this way, and Lincoln saw who it was inside it with his vampire vision: it was that mad scientist lunatic, Lisa, and with her were that deranged prankster, Luan, and that bad-tempered evil pink-wearing pageant demon, Lola, and they were going to kill us. Lisa fired the tank and she tried to blow us up, Luan fired dynamite at us, and Lola fired bombs at us, but we dodged them all, and Lincoln really had about enough of them. So, he grabbed the tank's main gun with his hands and bended it so it was pointing at the hatch with his immense superhuman strength, and Lisa, Lola, and Luan abandoned the tank, but it wouldn't save them from me as I pummeled the three of them into the dirt, and tied them up in super-strong chains, and it was so strong, even Lola and Luan couldn't chew through these. Then, Lincoln unbends the tank's main gun, and he lifted it up and he tossed it into the air and fired an energy blast and destroyed it completely. The rest of the family showed up, and we told everyone what those three tried to do to us, and as a result, Luan, Lola, and Lisa were grounded for eleven weeks, and Lincoln had Luna, Lana, and Lily choose some really horrific punishments for them.

We gasped in surprise.

Nico: Whoa, what were they?

Luna: (Smirks) I had Luan polish every last one of my instruments and my Mick Swagger records, and she wasn't allowed anywhere near her prank supplies and her dummy, and she couldn't make any sort of pun whatsoever.

Me: Yikes.

Lana: (Smiles) I had Lola take care of every last one of my pets, and she couldn't even wear her dress or tiara whatsoever, or get anywhere near her tea sets, dresses, tiaras, and pageant supplies whatsoever, and Lincoln chose the worst kind of punishment ever: she had to help me with some of the most dirty jobs in the house, especially working on Vanzilla.

Nico: (Gasps) Ooh, now that's harsh.

Lily: (Smirks) Not as harsh as the punishment I chose for Lisa: she wasn't allowed anywhere near her science lab whatsoever, plus, I had her disgusting studies thrown out in the trash, and as for Todd and the rest of her robots, I had them thrown in her bunker and I changed the code.

We gasped even more at Lily's harsh punishment for Lisa.

Nico: Those were some very harsh punishments, but well deserved for what they did. Shiv was right: the Dark Sides of The Louds really enjoy pissing Lincoln off, along with his Guardian Angels.

Me: But, in the end, karma got them hard on the butt, and they were sent to The Black Gates for good. Plus, I think I know just why Dark Lincoln was born in Lincoln: it's because of the heartless actions of the Dark Sides of The Loud Sisters.

Lincoln: I was thinking the same thing, J.D. The Dark Sides of my sisters were the ones who caused Dark Lincoln to be born inside me, and their heartless actions were really angering me to no end, and they just won't stop until I'm dead along with everyone who supported me: friends, family, teachers, and anyone else. But, Dark Lincoln and the Dark Sides of my sisters also wanted to destroy everyone on Earth and cause chaos, so they had to get sent to The Black Gates for good.

Nico: You got that right, Lincoln.

Emily Jones: And I can't believe it was because of the dark sides of your sisters, that you had a dark side in you, Linky.

Lincoln: Yeah, it's the dark sides of my sisters' fault, they're to blame for that big time, what a bunch of monsters.

Luna: And me, Lana, Leni, Lucy, Laney, and Lily also got caught in the accursed hive mind of the mean sisters, and that caused our dark sides to be born as well. Now, I really wish I smashed my cymbals in Lori, Lynn, Lola, Lisa, and Luan's ears years ago, and made them go deaf.

Laney: Yeah, but what's done is done, and with the Dark Sides permanently removed from us, we're freed from that nightmare for good.

We got a shower afterwards, but then, the alarm sounded and Lincoln checked the computer, and when he checked to see, he saw who it was that sounded the alarm: it was Wagnard, and he's after Deedlit again, so he can sacrifice her and complete the ritual to revive the Goddess of Destruction, Kardis.

Parn: It's Wagnard.

Deedlit: And he's after me again.

Junko Sutādesutoroiyā: (Japanese Accent) So, he can sacrifice you and complete the ritual to revive the Goddess of Destruction, Kardis. That's it, he's going to die here and now.

Lincoln: My words exactly, Junko. Come on, gang, let's put an end to that dark wizard for good.

We flew out of the World Tree Estate and Lincoln fired powerful rainbow energy balls and elemental forces at Wagnard, and when he saw us, he was furious.

Wagnard: So, the famous Team Loud Phoenix Storm has arrived. Now, I can destroy you all, and then, I will finally sacrifice you at long last, Deedlit, and finally bring The Goddess of Destruction, Kardis, back from the dead to destroy everything!

Lincoln: That's never going to happen, Wagnard, and your days are about to be numbered.

Parn: That's right, and we've had it up to hear with you to last an eternity.

Suddenly, the colored eyes of Parn and Deedlit turned neon, and they were surrounded by colored energy auras, elemental forces, and mythological animals, and as they approach Wagnard, they left colored energy, elemental forces, and mythological animals with every step. Suddenly, Parn and Deedlit were surrounded by massive vortexes of colored energy with elemental forces surrounding the vortexes, there are mythological animals flying around the vortex, and in the vortexes are colored phoenixes. Then, as the vortexes fade, Parn and Deedlit emerge, but they were changed forever.

Deedlit has transformed into SUPER ANGEL ETERNITY INFINITY SPIRITUAL NATURE HIGH ELF ANGEL OF DIVINE NATURE ELF JUSTICE AND DIVINE ELEMENTAL NATURE LOVE!

We were amazed by the Super Angel Eternity Infinity transformations of Parn and Deedlit, but when Wagnard saw it, he fell into a rage and fired a blast of dark magic to kill them, but Parn and Deedlit fired powerful energy blasts and they hit Wagnard and sent him flying into a wall, but he's not out yet.

Parn: (Divine Echoing Cosmic Voice of The Holy Knight Griffin and Divine Celestial Light Hope) Your days of causing pain and suffering are finally over, Wagnard.

Deedlit: (Divine Echoing Cosmic Voice of The Elemental Nature High Elf and Divine Elemental Nature Love) Your plan to bring The Goddess of Destruction back will never come to fruition, and now, it's time for you to die.

Parn and Deedlit went after Wagnard, and they fired lavender and blue energy blasts with elves, light, nature, and griffins at him and they exploded with incredible power as they hit him. Then, they attack him with their massive greatswords and left scars on him, and Lincoln assisted by sucking out and absorbing all of Wagnard's dark magic and abilities and he and the rest of us made them our own, and that allowed Parn and Deedlit to finish Wagnard off by firing black energy blasts at him, which exploded with incredible power as they hit him, and Wagnard was erased by The Black Gates. We all cheered wildly for what Parn and Deedlit did as they holster their massive greatswords on their backs and power down, and their new bodies, clothes, weapons, and massive angel wings are permanent.

Then, Parn and Deedlit shared a passionate kiss and hug, and we cheered wildly for them.

Junko Sutādesutoroiyā: (Japanese Accent) I always knew Deedlit had feelings for Parn.

Lincoln: And that came true when we got rid of Ashram last year.

Junko Sutādesutoroiyā: (Japanese Accent) I should've come last year, I wanted so badly to see that bastard's face when he saw me here with you guys.

Nico: If there's a chance Ashram comes back, you and Lincoln get first shot, Junko.

Lincoln and Junko: Yes!

We returned home to The World Tree Estate, and we got rid of the dark wizard, Wagnard, for good, but we also found out from Lincoln that Evil Cozy Glow brought that bastard back from the dead, so he can get after Deedlit again, but that monster Alicorn wannabe is going to pay for it later on today.

Later back at the park it was time for another awesome Bonding Session.

C.C.: Emu, you and Kopaka are up for bonding time.

Emu: All right!

Nicole: And I'll join in too because I am the goddess of video gaming.

Emu: Cool!

Kopaka: Awesome. This is gonna be amazing.

Emu: Kopaka, I'll never regret meeting you.

Kopaka: Me neither and it's so awesome that you guys use video games to battle bad guys.

Nicole: Boy it sure is. And I got an awesome thrill out of those missions because of my love for video games.

Emu: Those were so awesome.

Qin: Yeah they were.

Me: I loved those missions too.

Lincoln: So did I and I love video games as well.

Lily: Me too and I am Nicole's protégé.

Nicole: Yep.

Emu: I even gave my team medals.

Hiiro: (reads what his medal says) Mine says "Best Surgeon". Seems accurate enough.

Me: You are a great surgeon Hiiro.

Nico: Yep. All of you guys are awesome doctors.

Nicole: You sure are. Also Nico made tons of awesome video games based on all the members of the M.O.E.

Lola: It's true. They sold RIGHT OFF the shelves in an instant.

Emu: Wow that is awesome.

Me: We based them off of the Gashats we got from defeating Another Ex-Aid and Another Brave.

Emu: That is awesome.

Nico: Yep.

Kuroto: (reads his medal) "Best God". (cries tears of joy) You just made me the happiest God in the world!

Me: Aww. So cool.

Noir Wendoma: And he is also the best archenemy.

Nico: Yep.

Taiga: (reads his medal) "Best sharpshooter". (smirks) Damn straight.

Nico: You have one of the best shots ever.

Lola: Yeah you sure do.

Qin: Yep.

Camie: That is too true.

Wreck It Ralph: And lets not forget that they are all great heroes.

Vanellope: They sure are.

Poppy: (reads her medal) "Best Nurse". Thanks, Emu!

Emu: No problem.

Me: Awesome medals.

Eli: And the best part of that whole mission is we got rid of Kamen Rider Chronicle.

Nico: And resurrected all the people killed by it.

Parado: (reads his medal) "Best Co Op partner". Sounds about right!

Nico: Yeah it does!

Qin: Yeah!

Lola: That is for sure!

Varie: I agree!

Kiriya: (reads his medal) "Best Bike". (deadpans) Seriously, Emu?

Emu: You are a great partner for everything.

Kiriya: True.

Sam S.L.: And you turn into an awesome badass motorcycle.

Nico: That is true.

Xenia: I think that's awesome.

Nunnally: And we got to fight Tabuu.

Eli: Boy we sure did and we made that monster pay for everything he did.

Nico: Yeah no kidding there.

Qin: He deserved it too.

Lola: Big time.

Emu: Yep.

Mario: (Italian Accent) It-a was-a fitting that he would appear with Kuroto's former father.

Nico: It sure was Mario.

Me: Yeah. Shame Ness, Snake and the Ice Climbers weren't with us during that time though.

Ness: Yeah that would have been awesome if that happened.

Qin: Yeah it sure would have been awesome.

Lola: I agree there.

Lily: Yeah.

Snake: At least you gave Tabuu a good kick in the ass for me and Ness.

Me: That's true we all did.

Qin: Yeah it was like we were living the Super Smash Brothers games.

Samus: That was cool.

Janeen Aran: Yeah that was cool.

Kuroto: And my former father is gone now.

Me: Yes he is.

Eli: Yeah.

Then we heard a wolf howling.

Me: Whoa is that a wolf?

Laney: Yeah.

Eli: I sense something.

Then a figure came and it was a girl version of the Lupus Zodiarts!

Me: Whoa! A female Lupus Zodiarts.

She reverted back and it was a girl with blue hair and blue clothes and she had wolf ears and a tail and had blue angel wings and even had the symbol of Lupus the Wolf on her arm.

Me: Melanie Lupus.

Melanie Lupus: It's great to see you again J.D.

Me: Same here. The Constellation of Lupus the Wolf is perfect for you.

Melanie Lupus: Thanks. I like it too because it goes great with my ears and tail.

Nico: That is awesome. Do you know her J.D.?

Me: I sure do. She is a Wolf Hanyou that I know and she has all the abilities of a wolf and she also hates all bullies and thugs. Except for the reformed bullies from me. One time she ripped a bully apart and got him put in the hospital for years.

Nico: Whoa!

Qin: Geez!

Melanie Lupus: Yeah that guy had it coming.

Me: He sure did. Sorry we have to fight like this. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Melanie Lupus: Wow! You look great J.D.

Me: Thanks. The Wolf Moon is my favorite full moon of the Year.

Melanie Lupus: It fits perfectly for you. Lets dance shall we?

Me: We shall.

She turned back into the Lupus Zodiarts! She fired waves of blue fire at me and I deflected the blast back.

The blast hit Lupus Zodiarts and smashed her all over.

G1 Bombshell: Don't forget us!

Garou: That's also my symbol too! I represent Lupus the Wolf in the Kyurangers.

Nico: Yeah you sure do Garou.

G1 Bombshell fired laser blasts at her and smashed her all over.

I then fired a blast of blue fire and it hit her and she exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was back to normal and I caught the Zodiarts switch and purified it and it turned into a sword of Lupus the Wolf.

I picked up Melanie.

Melanie Lupus: (GROANS) What a headache.

Me: You're back to normal Melanie.

Nico: Thank goodness.

Perceptor: Fascinating. A sword of Lupus the Wolf.

Nico: Yep. It turns into swords of the constellations every time they are back to normal.

Nicole: I'm getting really close to completing my team branch.

Nico: The Universal Musketeers.

Nicole: Yep.

Qin: This is gonna be really cool seeing them in action.

Nico: Yep.

---

We were back at the estate and getting ready for our next mission.

Gravity Man: Where to next?

Me: Well I got a call from Captain Jean Luc Picard. They are in trouble and he and the Romulans are battling the evil clone of Jean Luc. His name is Praetor Shinzon.

Nico: Whoa man! I've heard of him!

Laney: He was a monster!

Lana: He sure was.

Lola: What does it say about him?

Me: You guys will not like him one bit.

I pulled up his information.

---

Praetor Shinzon is the main antagonist of the 2002 science fiction film Star Trek: Nemesis, the final film of the Star Trek TNG film series.

He is a clone of Captain Jean-Luc Picard, created by the Romulans for the initial purpose of replacing Picard with a Romulan operative. He later became the leader of the Remans, staging a successful coup against the Romulan Senate and plotting the annihilation of Earth in the name of Reman freedom.

He was portrayed by Tom Hardy, who also played Charles Bronson in Bronson, Bane in The Dark Knight Rises, John Fitzgerald in The Revenant and Venom in Sonny's Spider-Man Universe. He has the distinction of being the final antagonist of The Next Generation Era (which had started with Q in the Star Trek: The Next Generation premiere episode, "Encounter at Farpoint") before the franchise was rebooted in 2009.

Engineered sometime during the mid 24th century by the Romulans, Shinzon was a clone intended to conduct covert espionage within the United Federation of Planets. Shinzon was created from DNA that a Romulan spy was able to recover from Picard while the latter was attending the wedding of Jack Crusher and Beverly Howard. Shinzon he was meant to replace Picard. As part of this plot, his design incorporated temporal RNA sequencing, which vastly accelerated his maturation rate. Like his progenitor, Shinzon, as a child, was diagnosed with Shalaft's Syndrome, which made him hypersensitive to any kind of sound. He suffered until a Romulan physician could be found who was capable of treating rare human illnesses.

Not long after Shinzon was created, a new government came to power within the Romulan Star Empire and the Romulan Senate abandoned its plan, believing it to be too provocative an act if discovered. With no use for such a clone, the Empire exiled Shinzon from Romulus, sending him to work as a slave in the dilithium mines on Remus. Reviled by the Romulans working there, Shinzon became the target of abuse. In his time in the mines, he was severely beaten, having his nose and jaw broken by brutal Romulan guards. One Reman named Vkruk, however, took pity on Shinzon, teaching him strength and compassion; this man would become Shinzon's Viceroy in the conflict to follow.

In 2374, the Romulans declared war on the Dominion, joining the Federation and the Klingons in the Dominion War that lasted until 2375. Enlisting the aid of the slaves on Remus, the Romulan military drafted Shinzon, who quickly distinguished himself in battle and ascended the ranks. Like his Starfleet counterpart, Shinzon became regarded as a great tactician, leading twelve successful engagements against the Jem'Hadar.

Following the end of the Dominion War, Shinzon had both military experience and a capable army at his disposal. Forming an alliance with several Romulan officials, including Senator Tal'aura and Commanders Suran and Donatra, Shinzon vowed to free his Reman "brothers." Setting into motion a plan to overthrow the Romulan government, he and his henchmen constructed a massive warbird, the *Scimitar* . Operating out of a secret base, Shinzon and his people also developed a weapon that utilized deadly thalaron radiation. Deploying a small thalaron projector in the Romulan Senate, Shinzon was able to kill all the Senate members.

Shinzon's days, however, were numbered. Abandoned by his Romulan creators, Shinzon's temporal RNA aging program was never activated, and it began slowly breaking down his cellular structure. The only way for him to avoid death was to make a complete blood transfusion from the only genetically-compatible donor: Picard. Towards this end, Shinzon concocted an elaborate plot to lure the USS *Enterprise* -E (and, by extension, Picard) to

Romulus. He planted the pieces of a Soong-type android, B-4, on Kolarus III, where he knew that the *Enterprise* -E would find it. As a result, the *Enterprise* -E was the closest starship available when Shinzon offered to open peace negotiations between the Federation and the Romulans, and Picard sailed directly into the trap.

Upon meeting Picard, Shinzon delayed his plans, having acquired an intense interest in his originator's history as well as the history of the Picard family. He also became smitten with Counselor Deanna Troi, who was the first human woman (albeit, only half-human) he had ever seen. During his first meeting with Picard and his crew, Shinzon remained hidden in the shadows (he and his Reman "brothers" were not comfortable in the light) and informed Picard of his intentions to negotiate peace with the Federation. After correctly guessing what Picard thought of such a negotiation, Shinzon revealed himself, shocking Picard who now realized he was facing a younger version of himself. Shinzon then cut his own hand with his knife and gave the knife to Lieutenant Commander Data to have Dr. Beverly Crusher examine his blood. Afterward, he invited Picard to dinner in the Romulan Senate, insisting that they had "much to discuss."

During dinner, Shinzon explained to Picard how and why he was created and his upbringing in the mines of Remus. He then asked with great curiosity about the history of the Picard family. Despite their obvious similarities, however, Picard was reluctant to forge a friendship with Shinzon and an alliance with his Romulan government until the Praetor had earned his trust. When Picard left, Shinzon was informed by Vkruk that they were wasting time and reminded the young clone of their mission.

Afterward, Shinzon and Vkruk returned to the *Scimitar* . Instead of proceeding with their mission, however, Shinzon had Vkruk form a telepathic link between Shinzon's mind and that of Counselor Troi's so that he could make love with her; this telepathic form of rape was a violation and traumatic experience for Troi, but would ultimately assist in Shinzon's downfall.

When further delay was unacceptable because of the accelerating deterioration of his condition, Shinzon ordered B-4 to be beamed aboard the *Scimitar* to download the data that the android had acquired from the *Enterprise* -E's computer. Afterward, Shinzon kidnapped Picard by transporting him from the *Enterprise* -E's sickbay to the Scimitar's brig. As soon as Shinzon left the brig, Picard managed to escape from the *Scimitar* with the help of Data, who had taken B-4's place, and left the Romulan system aboard the *Enterprise* -E at maximum warp. During the subsequent trip, Data assured Picard that Shinzon would not have been him even if the two had lived the same lives, because Picard had always aspired to better himself and his understanding of the universe around him, while Shinzon sought nothing but death and destruction for those who had "oppressed" him.

Desperate, Shinzon ordered the *Scimitar* to pursue the *Enterprise* -E, and launched an attack in the Bassen Rift, a region where subspace communications were unavailable. In the battle that ensued, Picard continued to elude capture with the assistance of Romulan reinforcements led by Donatra, who had betrayed Shinzon after realizing that Shinzon was planning mass genocide. She subsequently aided Picard in the Battle of the Bassen Rift until her ship, the *IRW Valdore*, was heavily damaged by a disruptor blast from the *Scimitar* .

For some time, the battle was in Shinzon's favor, due mostly to his ship's ability to fire while cloaked. Things changed, however, when Troi re-opened the telepathic link that was made between herself and Vkruk, allowing the *Enterprise* -E to pinpoint the *Scimitar'* s exact location. With its cloak disabled, the *Scimitar* began taking damage, but Shinzon was not through yet. After the *Enterprise* -E's shields took extensive damage, Shinzon ordered Vkruk to lead a boarding party aboard the *Enterprise* -E to retrieve Picard; unfortunately, the boarding party was pinned down and Vkruk himself was killed by Commander later Captain William Riker in a maintenance shaft.

In whole, however, the battle was not going well for the *Enterprise* -E. Shinzon had nearly crippled the Federation starship and had even destroyed a section of its bridge, sending at least one Starfleet officer hurtling to his death. Overconfident, Shinzon had the *Scimitar* turn to face the battle-damaged *Enterprise* -E, but Picard turned the tables by ramming the *Enterprise* -E into the *Scimitar* . With both ships heavily damaged, Shinzon ordered his Reman officer to activate the thalaron weapon and to fire at the *Enterprise* -E. He then ordered the officer to take the *Scimitar* into Federation space and complete their mission once every living thing aboard the *Enterprise* -E was dead.

To stop the thalaron weapon from firing, Picard beamed himself over to the *Scimitar* . On the *Scimitar'* s bridge, Picard managed to kill all Reman crewmembers with his phaser rifle. As Shinzon's condition worsened, he engaged Picard in a ferocious hand-to-hand battle which moved from the bridge itself to the thalaron radiation generator room. In the end, Shinzon was killed when Picard used a piece of wreckage to impale Shinzon as the clone lunged in for the kill. With his plans collapsing around him, the dying Shinzon used the last of his strength to pull himself down the makeshift spear and grab the captain by the throat so he could utter his last words: "Our destiny is complete."

As Picard stood in shock, realizing that he, his ship, and the Federation were doomed by the weapon, Data arrived and transported the captain back to the *Enterprise* -E. Data then fired his phaser at the thalaron generator, destroying himself and the *Scimitar*, and effectively concluding Shinzon's plan for galactic conquest.

When they finished reading they were shocked and horrified!

Nico: He assassinated the entire Romulan Senate and is coming to Earth to kill everyone!?

Laney: That is pure evil!

Qin: Yeah no kidding there!

Nico: No way in hell are we going to let him get away with this!

Eli: Coming here to kill us will he!? Not on our watch!

Me: Yeah and he will die a horrible death for this!

Varie: No way are we going to let him get away with this!

Me: But that Thalaron Radiation is deadly stuff. It destroys everything at the subatomic level.

Qin: Geez! So he will use that to wipe out all life on the planet!

Nico: That is horrible. No way are we going to let him do that.

Then Control Freak, Evil Lyn, Turtle, Common Cold, Shiv, Shade, Multiplex, Iron Lung, Koragg, and Radioactive Man appeared.

Control Freak: Can me, Evil Lyn, Turtle, Common Cold, Shiv, Shade, Multiplex, Iron Lung, Koragg, and Radioactive Man go with you guys? And what video game monster can I summon?

Nicole: I got just the one. Groganch from Metroid Other M.

Control Freak: Awesome choice.

Nico: And to answer your question yes you all can come. We're going up against Shinzon.

Koragg: We heard and that monster has no honor at all.

Me: No he doesn't.

Radioactive Man: And using a form of radiation like that is pure evil!

Qin: Yeah it sure is.

Camie: Shinzon is gonna pay for these atrocities.

Heckyl: Nico, which Gene Slammer do you think you'll meet next?

Nico: Hmm. Well I'm thinking about doing one for one of those Imperium Horde members. Now J'onn before you judge me on this it was an idea that first came to me.

Qin: But that is an interesting one.

Nico: Yeah.

Superman: Those were the first villains we took on before we became the Justice League.

Me: Yeah that's right. Those guys put up one helluva fight and they plunged the entire planet into eternal night to take it over.

Laney: Yeah. That was an epic battle.

Nico: It sure was. All right lets head out!

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure was: it was none other than Evil Cozy Glow, and she's absolutely furious The Vexicons and Wagnard have been destroyed by us and they failed to kill us, and now, she's heading here to destroy us all and get her revenge. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is Evil Cozy Glow on the move?

Lincoln: You guessed it, Nico, and she's absolutely furious that The Vexicons and Wagnard have been destroyed by us and they failed to kill us, and now, she's heading here to destroy us all and get her revenge.

Apple Bloom: Why, that sidewinding, two-faced, no-good monstrous Alicorn wannabe! She's going to pay!

Sweetie Belle: Big time, I still owe her a beating for what she did in locking us up in the broom closet while she launched a hostile takeover of Ponyville.

Scootaloo: She deserves to die for every last one of her crimes.

Kita Schroedinger: And that's what I'm going to do to her, I've had just about enough of that evil monster Alicorn wannabe.

Twinkleshine: Me too, she's a monster who deserves only death for her crimes against Equestria.

Lincoln: And like I promised Cozy Glow yesterday, I'm going to drain her completely dry of all of her powers until she's completely powerless and the three of us are going to send that monster straight to The Black Gates forever.

Nico: (Smiles) You Pinkie Promised her, didn't you?

Lincoln: You guessed it.

Nico: Yeah, I knew it all along that it was a Pinkie Promise you made to her. Alright, gang, let's go, it's time to help Captain Jean Luc Picard and his crew and make that monster, Praetor Shinzon, pay for his crimes in blood.

Lincoln: That monster deserves to have his own blood and guts splattered all across his own starship, and you better be ready for later on today, Evil Cozy Glow, because we're coming for you, and your days of trying to take over Equestria are finally going to end here and now!

We went to the ship and we were on our way.

---

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 6723.1: The U.S.S. Valorous Phoenix is en route to assist Captain Jean Luc Picard of the U.S.S. Enterprise NCC-1701E and he is battling the evil Praetor Shinzon of the planet Remus, an evil clone of Captain Picard who is responsible for assassinating the entire senate of the Romulan Star Empire and is on his way to Earth to destroy all life on the planet with a deadly form of Radiation called Thalaron Radiation which destroys all forms of life at the Subatomic Level. Our mission is to kill Shinzon and help Picard destroy him.

Evil Lyn: Will Kirk be there too?

Me: No he is over in the Alpha Quadrant on the planet Risa for some rest.

Qin: Yeah. We'll see him again soon.

Nico: But it's good that we're going after Shinzon.

Volcana: Is it too late to tell Kirk about this?

Me: Never too late at all Claire.

Qin: But we'll be ready for Shinzon.

Eli: Shinzon and Picard are just up ahead.

Nico: Battlestations.

The alarm sounded and we got ready.

We then saw the Enterprise of Picard SMASH HEAD ON INTO THE REMUS SCIMITAR SHIP!

Nico: WHOA! HOLY SHIT!

Me: HE SMASHED HEAD ON INTO THE SCIMITAR!

Qin: GEEZ!

Nico: He's trying to disable his weapons. We better bring the ship on board. Prepare to pull the ship away on my mark.

Me: Right.

We got closer.

Nico: Pull ship away now!

We engaged a tractor beam and pulled the Enterprise away.

Common Cold: Picard! Can you read us?!

Nico: Jean Luc this is Team Loud Phoenix Storm.

Picard: (British Accent) You arrived just in time.

Nico: Are you all alright?

Picard: Oh we've been better.

Nico: But your ship took one helluva beating. We'll bring you on board and repair your ship. You can tell us all everything that went down while we fix it all up.

Picard: Thank you and Nico you're leader now?

Nico: I'll explain later.

We got the ship on board into the repair docks.

Picard: You guys got to us just in time.

Me: We do have that habit. But it's great to see you again Jean Luc. Deanna, Geordi, Data, Worf, you're all okay thank goodness.

Nico: Yeah. We haven't seen you guys since we faced the Borg.

Data: It has been a while.

Tayuya: Did you guys at least kill some of those assholes?!

Deanna: Yes we did. They came on board the Enterprise to get Captain Picard.

Me: Good. At least you took out some of the crew.

Nico: Yeah.

Worf: At least you didn't have to battle him though.

Qin: Soon we will.

Laney: We came here to kill Shinzon and help you guys out.

Riker: We greatly appreciate it.

Dr. Crusher: Many of our crew was injured in the whole battle.

Nico: Varie get the medical team and help Dr. Crusher out.

Varie: Right.

She and the medical team went and did so.

Nico: Sorry you guys had to go through all this.

Picard: It's all right Nico. So what happened that lead you to being Leader?

Me: We had a huge series of battles last year and Nico showed tremendously awesome leadership capabilities and Nico got promoted from 2nd in command to full time Leader.

Nico: It's true.

Picard: You've definitely earned the position fairly Nico.

Shade: Although J.D. still shows off his power to prove he's not weak.

Me: I heard that!

Everyone laughed.

Me: But it's true. I still want to show some forms of evil that we'll always win.

Nico: True.

Picard: Yes.

Nico: But what happened Jean Luc?

Picard: It's not good.

We were told everything from Picard and the crew and it was brutal.

When he was done we were shocked.

Me: Oh man!

Nico: This is terrible.

Stickybeard: Can me Candy Pirates help out against those scallywags?

Picard: They can yes.

Me: Geordi you're not wearing your trademark visor anymore. What happened?

Geordi: It's a long story.

Me: Let me guess. The Planet Baku and its Metaphasic Radiation healed your eyes and made it better than ever.

Geordi: Exactly.

Me: I knew it.

Nico: Wow that is cool.

Qin: We missed out on things haven't we.

Picard: You sure did.

Riker: And me and Deanna married.

Me: Wow congratulations to you both.

Nico: Same here.

Deanna: Thank you.

Eli: Guys we got trouble!

We went to the bridge and we saw the Scimitar getting its targeting arms ready!

Me: Oh no he's getting ready to fire Thalaron Radiation!

Picard: How long until he can fire.

Eli: We estimate 7 minutes.

Geordi: When the Targeting arms are fully deployed, the matrix on the bridge will relay the Thalaron Radiation to the firing points at their tips. No one on this ship will survive.

Me: So that's it.

Nico: Good thing we're all immune to radiation.

Qin: Yeah. We discovered we're all immune to any form of Radiation.

Iron Lung: We still need to blow that thing up!

Me: And we will.

Nico: Yeah. First this. Eli target the targeting arms and blast them off.

Eli: Aye aye sir!

Eli got the weapons ready and fired a laser blast and blew the arms totally off the Scimitar!

Nico: Not this time Shinzon.

Me: I'll hold him off while you guys have the usual battles. No doubt he'll come after Picard himself now.

Nico: Knowing Shinzon he will.

Picard: That's right.

Nico: Lets head to our gym on the ship and get ready.

We nodded.

Android 21: First, let me scan which of the Scimitar is still operational.

Nico: Okay.

Android 21 did a scan on the ship and discovered that the weapons and shields are down but not the transporters.

Android 21: Transporters are still operational but their shields and all their weapons systems are all down.

Nico: Excellent. We have him right where we want him.

Camie: He is going to pay for his crimes.

Nico: Big time.

Radioactive Man: Let's have something to eat before the usual battles.

Maria: I wonder if the food on here is like plane food.

Me: Don't worry it is.

I snapped my fingers and made our favorite foods appear.

Me: And no we don't have any Romulan Ale.

Picard: Good I had too much of that stuff to drink earlier.

Qin: That is some very strong stuff.

Poromon: Aw man. I wanted to try that.

Horsea: Me too!

Future Maria: My young self is watching you and the other mascots, Horsea.

Nico: Yeah.

Horsea: (GULPS)

Maria: (Makes the I'm watching you finger gesture)

Nico: Besides Romulan Ale is too strong for you guys.

Picard: Digimon and Pokemon that drink?

Me: Don't fucking ask.

Qin: Yeah.

Ratso: This is so good!

Nico: It sure is.

Me: Yep.

Geordi: Yeah it's delicious.

Homer: It sure is always good.

Bart: Now we can get Homer to use one of the Remans to scratch his butt.

Homer: WHY YOU LITTLE!

He strangled Bart.

Lily zapped Homer.

ZZZZAAAAAAAAAAAAAAAAAAAAAAAPPPPPPPPPP!

Homer let go.

Multiplex: Here's an army we can use.

Multiplex made 930 copies of himself.

Nico: Awesome!

Qin: Yeah!

Me: Nice.

Nico: All right are we ready?

We nodded.

Nico: Lets do it.

We went to the gym on the ship. We were ready.

Akira Nijino: This will be Shinzon's day to die

Me: Big time.

Nico: Here we go.

We got ready for an entrance.

Nico opened a portal and it had the Scimitar bridge appear through it and then Shinzon and the Remans came through it and then it closed. Then the spirits of the Romulans appeared and swirled around them and then they converged and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off above them and a phoenix cry was heard and then we came out.

Me: Shinzon you will pay for everything you did!

Shinzon: The famous Team Loud Phoenix Storm.

Nico: And your executioners.

Shiv: J.D., you go after Shinzon. After the usual battles, we'll catch up.

Me: With pleasure.

I went up to him.

Me: Shinzon you will die now.

I teleported and blasted the Remans away and then I punched Shinzon in the face and sent him flying and he skidded and he pulled out a blade and went at me and then…

SLASH!

He slashed my face across my right cheek!

Me: OUCH!

But his blade dissolved because of my poisonous blood.

Shinzon: What the?

Me: My blood is poisonous.

Blood streamed down my face.

He then pulled out his dagger and I kicked it out of his hands and I punched him in the face and kicked him in the stomach and kneed him in the chin.

Then Dr. Light, Man Ray, Captain Cold, Hydrax, Knightbrace, Juggernaut, Scorpion, Black Manta, Six Gum Gang, and Mysterio appeared.

Nico: Dr. Light, Man Ray, Captain Cold, Hydrax, Knightbrace, Juggernaut, Scorpion, Black Manta, Six Gum Gang, and Mysterio.

Dr. Light: You know this isn't a big mission, right?

Nico: We know. But J.D. really wanted the usual battles to be done first.

Man Ray: (shrugs) Fair enough.

Captain Cold: But we're helping him after the battles.

Nico: Cool.

Hydrax: We heard you relaxed in the park.

Nico: Yep.

Knightbrace: Had a nice time?

Nico: We sure did.

?: That's good.

A figure came out and it was NIGHTMARE from episode 39 of Lost Galaxy!

---

Nightmare served as the finishing blow against the Rangers as Hexuba prepared to destroy them and proved to be a formidable opponent until Mike Corbett destroyed Hexuba's crystal ball by deflecting one of Hexuba's own attacks. With the dream spell broken, the Rangers were able to fight back against Nightmare better with Damon injuring him with a strike from his Power-Up Claw into Nightmare's cannons.

After taking a hit from Damon, Nightmare grew giant and the Rangers called upon the Galaxy Megazord to fight him. Nightmare was too much for them so Damon called upon the Centaurus Megazord to help. The Centaurus Megazord beats up Nightmare, allowing the Galaxy Megazord to destroy him.

---

Nico: Nightmare!

Eli: I remember you! You were a trump card for Hexuba. You were his strongest monster.

Nightmare: Yep.

Eli: Nice.

William: Do you really cause nightmares?

Nightmare: Not really. I just got my name because my battle was in a dream realm.

Nico: Nice.

We got the battles underway.

Core Medals: Hydrax, Beagle Boys and Aligned Cyclonus

Fullbottles: Hydrax and Beagle Boys

---

Hydrax was next.

Hydrax: (to Ino) I heard Lincoln's rescue was in izukiru, The Star Destroying Kaiju. What's her name?

Ino: Her name is Junko Sutādesutoroiyā and she is the cousin of Deedlit in the world of Lodoss.

Fluttershy: Oh yes and she knows so many things about the stars. She is really amazing with it.

Tornado Bolt: And her story is really cool too.

---

Junko Sutādesutoroiyā: (Japanese Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Junko, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Junko Sutādesutoroiyā: (Japanese Accent) That's incredible.

Nico: It sure is. So, Junko, what's the story on why you hate Luan, Lola, and Lisa with a burning passion?

Junko Sutādesutoroiyā: (Japanese Accent) You're not going to like it one bit. One night, Lincoln and I were outside looking at the stars, and we've especially been looking at the constellations. But, then, we heard the sound of a tank heading this way, and Lincoln saw who it was inside it with his vampire vision: it was that mad scientist lunatic, Lisa, and with her were that deranged prankster, Luan, and that bad-tempered evil pink-wearing pageant demon, Lola, and they were going to kill us. Lisa fired the tank and she tried to blow us up, Luan fired dynamite at us, and Lola fired bombs at us, but we dodged them all, and Lincoln really had about enough of them. So, he grabbed the tank's main gun with his hands and bended it so it was pointing at the hatch with his immense superhuman strength, and Lisa, Lola, and Luan abandoned the tank, but it wouldn't save them from me as I pummeled the three of them into the dirt, and tied them up in super-strong chains, and it was so strong, even Lola and Luan couldn't chew through these. Then, Lincoln unbends the tank's main gun, and he lifted it up and he tossed it into the air and fired an energy blast and destroyed it completely. The rest of the family showed up, and we told everyone what those three tried to do to us, and as a result, Luan, Lola, and Lisa were grounded for eleven weeks, and Lincoln had Luna, Lana, and Lily choose some really horrific punishments for them.

We gasped in surprise.

Nico: Whoa, what were they?

Luna: (Smirks) I had Luan polish every last one of my instruments and my Mick Swagger records, and she wasn't allowed anywhere near her prank supplies and her dummy, and she couldn't make any sort of pun whatsoever.

Me: Yikes.

Lana: (Smiles) I had Lola take care of every last one of my pets, and she couldn't even wear her dress or tiara whatsoever, or get anywhere near her tea sets, dresses, tiaras, and pageant supplies whatsoever, and Lincoln chose the worst kind of punishment ever: she had to help me with some of the most dirty jobs in the house, especially working on Vanzilla.

Nico: (Gasps) Ooh, now that's harsh.

Lily: (Smirks) Not as harsh as the punishment I chose for Lisa: she wasn't allowed anywhere near her science lab whatsoever, plus, I had her disgusting studies thrown out in the trash, and as for Todd and the rest of her robots, I had them thrown in her bunker and I changed the code.

We gasped even more at Lily's harsh punishment for Lisa.

Nico: Those were some very harsh punishments, but well deserved for what they did. Shiv was right: the Dark Sides of The Louds really enjoy pissing Lincoln off, along with his Guardian Angels.

Me: But, in the end, karma got them hard on the butt, and they were sent to The Black Gates for good. Plus, I think I know just why Dark Lincoln was born in Lincoln: it's because of the heartless actions of the Dark Sides of The Loud Sisters.

Lincoln: I was thinking the same thing, J.D. The Dark Sides of my sisters were the ones who caused Dark Lincoln to be born inside me, and their heartless actions were really angering me to no end, and they just won't stop until I'm dead along with everyone who supported me: friends, family, teachers, and anyone else. But, Dark Lincoln and the Dark Sides of my sisters also wanted to destroy everyone on Earth and cause chaos, so they had to get sent to The Black Gates for good.

Nico: You got that right, Lincoln.

Emily Jones: And I can't believe it was because of the dark sides of your sisters, that you had a dark side in you, Linky.

Lincoln: Yeah, it's the dark sides of my sisters' fault, they're to blame for that big time, what a bunch of monsters.

Luna: And me, Lana, Leni, Lucy, Laney, and Lily also got caught in the accursed hive mind of the mean sisters, and that caused our dark sides to be born as well. Now, I really wish I smashed my cymbals in Lori, Lynn, Lola, Lisa, and Luan's ears years ago, and made them go deaf.

Laney: Yeah, but what's done is done, and with the Dark Sides permanently removed from us, we're freed from that nightmare for

good.

FLASHBACK ENDS

Hydrax: Geez! That is harsh but very fitting for those monsters back then.

Stealth Elf: Yeah they were harsh but they had it coming.

Me: Reap what you have sown, you evil twin clone.

Nico: He's been asking for it for a long time. Nice work, team, but we're not done yet, there's still the matter of that monster Alicorn wannabe, Evil Cozy Glow, to deal with, and that little monster should be arriving… right now!

?: You will all pay for ruining my plans to get rid of you, Team Loud Phoenix Storm!

Cozy Glow: I should've known there's no mistaking that voice from anywhere. You can come out now, Evil Cozy Glow.

A red blast of energy came flying at us, but Lincoln deflected it and it hits a figure who was forced out of the shadows and we saw who it was: it was Evil Cozy Glow.

Apple Bloom: I should've known it was you, you evil, low-down, sidewinding monster!

Scootaloo: And we still owe you a beating for what you did long ago.

Sweetie Belle: And you don't deserve to be forgiven any longer.

Evil Cozy Glow: As if you pathetic ponies could… ! (Gasps) What, you're Alicorns?! But?!

Apple Bloom: I became an Alicorn last year, if you've already forgotten.

Scootaloo: Yeah, me and Sweetie Belle also ascended and we became Alicorns when that rageaholic monster, Eva, showed up to kill us all. But, this was through both our hard work and determination, something you'd never understand, because you are a worthless, heartless monster, and you don't deserve to even be considered an Alicorn, Evil Cozy Glow.

Cozy Glow: That's right, you're a monster who made me into one, because of losing my mother to illness. But, my mother's back, and I've since severed my ties with you since we kicked your butt in Equestria and during the April 12th War.

Evil Cozy Glow: Why, you inconsiderate, little… !

Evil Cozy Glow was about to blast Cozy Glow, but Lincoln grabbed her by the horn with his large right hand and he tossed her into a wall with his immense brute superhuman strength, and he's pissed her off now.

Kita Schrodinger: Whoa, nice throw, Lincoln. Now, it's time to put an end to her. But, first.

Kita Schrodinger fired a pink energy blast and it hits Evil Cozy Glow, and made her even more mad.

Evil Cozy Glow: Who do you think you are to get in my way, you lowly peasant?!

Kita Schrodinger: Someone who refuses to stand here and let you hurt my friends. (pink energy aura flares up) I am Kita Schrodinger, Champion of Twinkleshine, The Alicorn Princess of Creativity and one of the 27 girls chosen by The Elements of Harmony to be The Champion of Patience.

This horrified Evil Cozy Glow badly.

Evil Cozy Glow: Impossible, The Champions of Harmony have returned?!

Suddenly, Kita Schrodinger's light blue eyes turned neon light blue and she was surrounded by a pink energy aura with Alicorns, stars, and magic, she unholstered her massive her Sword of The Champion of Harmony, and as she approached Evil Cozy Glow, she left pink energy, stars, magic, and Alicorns with every step.

Kita Schrodinger: Evil Cozy Glow, I will never forgive you for the crimes that you committed against Equestria. You are nothing more than a hate-filled monster who never cared about anyone except for yourself and you are nothing but a disgrace to true Alicorns, and I will see to it that you receive the ultimate punishment for your crimes: death!

Suddenly, Kita Schrodinger was surrounded by a massive vortex of pink energy with stars and magic surrounding it, there's an Alicorn flying around the vortex, and inside the vortex is a light blue phoenix.

Then, as the vortex faded, Kita Schrodinger emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Kita Schrodinger grew to 6'11" in height, she has the body of a goddess, she has light blue highlights in the bangs of her long flowing pink hair, she has neon light blue eyes and a pink energy aura with Alicorns, stars, and magic surrounding her, she has an Alicorn along with Twinkleshine's cutie mark on its horn emblazoned on her forehead, she has on Alicorn earrings with light blue gems for eyes and the Creativity and Eternity Kanjis in its hooves, she has on her Crystal Necklace of The Buddha with pink gems on the gold hourglass links and light blue crystal links and a pink Alicorn-shaped Element of Harmony and on the bottom of The Element of Harmony is an Alicorn with light blue gems for eyes and holding the Creativity and Eternity Kanjis in its horn for the pendant. Kita Schrodinger has on a sleeveless light blue vest, short-sleeved pink shirt with the tattoo of the Elements of Harmony on her right arm, pink skirt, light blue pants, purple legwarmers, pink sneakers, and long sleeveless pink trenchcoat with stars on the coattails, and an Alicorn on the back surrounded by stars and on top of its horn is the Elements of Harmony. Suddenly, Kita Schrodinger felt a sharp pain on her back, and then, massive pink angel wings with light blue tips on the large pink feathers, grew and sprouted out from her back. Kita Schrodinger has on her Ring of the Phoenix with large pink gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger.

Suddenly, Kita Schrodinger's massive Sword of The Champion of Harmony and all of the swords she'd gotten began merging together, and they were surrounded by a kaleidoscope of pink energy, stars, magic, and Alicorns, and when it emerged, it was transformed into Twinkleshine's Friendship Star Greatsword of Magical Creativity and Starshine Justice, it's a brand-new massive greatsword with a 7'0" massive, wide, double-edged pink blade with the cutie mark of Twinkleshine etched on the blade, large gold Alicorn heads for the crossguard, large light blue gem embedded in the rainguard, longer black handle, and large gold Alicorn heads with sapphire blue gems for eyes and a large pink gem on the bottom of the heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with pink gems on her wrists, her Belt of Elemental Bravery with an Alicorn for the belt buckle and sapphire blue gems for the eyes and a large light blue gem in its collar for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a gold kanji below the Alicorn that said, "Kita Schrodinger, Champion of Twinkleshine, The Champion of Creativity, One of The Twenty-Seven Champions of Harmony, Skilled and Creative Artist, Destroyer of Evil Cozy Glow and The Doomsday 23, Defender of Equestria, Ponyville, and Canterlot, Member of The Knights of The Friendship Table, and Master of The Powers of Stars and Creativity"

Kita Schrodinger has transformed into SUPER ANGEL-ALICORN ETERNITY INFINITY CREATIVE STAR SHINE ALICORN ANGEL OF DIVINE COSMIC CREATIVITY AND DIVINE STAR CREATIVE LOVE!

We were amazed by Kita Schrodinger's Super Angel-Alicorn Eternity Infinity transformation, but when Evil Cozy Glow saw it, she went mad and fired another red energy blast from her horn while laughing evilly, but Kita deflected it with her Elemental Shield of Harmony and she fired a powerful pink energy blast with stars, magic, and Alicorns, and it hits Evil Cozy Glow and sent her flying into a wall, but she's not out yet, and she's really mad now.

Nico: Whoa, Kita Schrodinger's transformed, so awesome!

Me: You got that right.

Ken Knudson: And now, it's Twinkleshine's turn to transform.

Kita Schrodinger: (Divine Echoing Cosmic Voice of The Creative Star Alicorn and Divine Star Creativity Love) **That's right, Ken, and then, the three of us can get after Evil Cozy Glow.**

Twinkleshine: That's right. Now, it's my turn to transform.

Suddenly, Twinkleshine's light blue eyes turned neon light blue and she was surrounded by a pink energy aura with Alicorns, stars, and magic, she unholstered her massive Sword of The Knights of the Friendship Table from her back, and as she approached Evil Cozy Glow, she left pink energy, stars, magic, and Alicorns with every step.

Twinkleshine: Evil Cozy Glow, I will never forgive you for the crimes you committed against Equestria, not to mention what you did in locking Apple Bloom, Scootaloo, and Sweetie Belle in a broom closet while you planned to take over Ponyville, and you also turned Cozy Glow into monster like you. You are nothing more than a hate-filled monster who never cared about anyone except for yourself and you are nothing but a disgrace to true Alicorns, and I'll see to it that you pay the ultimate punishment for your crimes: death!

Twinkleshine's transformed into SUPER ANGEL-ALICORN ETERNITY INFINITY CREATIVE STAR SHINE ALICORN ANGEL OF DIVINE COSMIC CREATIVITY AND DIVINE STAR CREATIVE LOVE!

We were amazed by Twinkleshine's Super Angel-Alicorn Eternity Infinity transformation, but when Evil Cozy Glow saw it, she went mad and she fired another red energy blast from her horn while laughing evilly, but Twinkleshine deflected it with her Elemental Shield of Harmony and she fired a powerful pink energy blast with stars, magic, and Alicorns, and it hits Evil Cozy Glow and sent her flying into a wall, but she's not out yet, and she's really mad now.

Nico: Whoa, now Twinkleshine's transformed too?! Really cool!

Twinkleshine: (Divine Echoing Cosmic Voice of The Creative Star Alicorn and Divine Star Creativity Love) **Now, we can finally take down Evil Cozy Glow and send this monster back to where she belongs.**

Lincoln: Somewhere she'll never return to hurt anyone ever again.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Twinkleshine and Kita Schrodinger.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Your days of trying to take over Equestria are finally over, Evil Cozy Glow, and this time, you're never coming back to hurt anyone again, you monster Alicorn wannabe.**

Kita Schrodinger, Twinkleshine, and Lincoln went after Evil Cozy Glow, who continued firing red blasts from her horn while laughing insanely, but they deflected them all, and they fired powerful blasts of rainbow energy, pink energy blasts, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, rainbow lighting, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, and Angels at Evil Cozy Glow, and they exploded with incredible power as they hit her, and she was being burned badly by The Magic of Friendship. Then, they attack her with their massive greatswords and they left painful scars on her, and because of the purity of the attacks, it really burned her badly, and the wounds she suffered would never heal. Then, Lincoln grabs Evil Cozy Glow by the horn in his large left hand and he began sucking out and absorbing all of her powers and hatred and he and the rest of us made them our own, and when Lincoln was done, Evil Cozy Glow was weakened to such a degree she couldn't even stand.

This allowed Kita Schrodinger, Twinkleshine, and Lincoln to finish Evil Cozy Glow off by firing powerful energy beams and they overwhelm Mean Rarity and they exploded with incredible power, killing her for good. We cheered wildly for what Kita Schrodinger, Twinkleshine, and Lincoln did to Evil Cozy Glow as they holstered their massive greatswords on their backs and powered down, and the new bodies, clothes, weapons, jewelry, and massive angel wings of Kita Schrodinger and Twinkleshine are permanent.

Then, as Evil Cozy Glow's spirit appeared, the cutie marks of The Mane 9 on the massive Celtic Cross cutie mark tattoo on Lincoln's wider and more muscular back glowed, along with the cutie marks of The Mane 12 and the Elements of Harmony on my massive greatsword, and Evil Cozy Glow's spirit was surrounded by a magic circle with the cutie marks of The Mane 12 that formed on the ground, and she was chained up by chains of magic and rainbow energy, and the energy images of The Mane 12 appeared from the cutie marks on the circle, and they found her guilty of her crimes, and the energy images of The Mane 12 aimed their horns at Evil Cozy Glow and Lincoln aimed his massive Hinon's Cosmic Storm

Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds at Evil Cozy Glow.

Lincoln: Evil Cozy Glow, for the crimes that you've committed against Equestria and for trying to take over Ponyville and Equestria, you have been found guilty, and the punishment for your crimes is death.

This horrified Evil Cozy Glow, as she soon saw her days of havoc and chaos are about to end.

Lincoln: MANE 12 HARMONIOUS CUTIE MARK FINAL JUDGEMENT!

Lincoln fires a very powerful barrage of rainbow energy beams with Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, rainbow super lightning, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, and Angels from his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds and the energy images of The Mane 12 fired colored magic energy beams from their horns, and as they hit Evil Cozy Glow's spirit, they exploded with incredible power and her spirit was condemned to The Black Gates, and she was fading away.

Evil Cozy Glow: CURSE YOU TEAM LOUD PHOENIX STORM! (FADES AWAY)

Evil Cozy Glow's spirit was erased from existence by the spirits of all those she's hurt, and she would never return again.

Nico: Alright, that's another member of The Doomsday 23 put down for good, and only a few more to go.

Lincoln: Which means, the next member of The Doomsday 23 to take down tomorrow is Rabia.

Jackie Snoddgrass: Which means it's up to the three of us to take that bloodthirsty monster down for good.

Lemon Hearts: Yep, you, me, and Lincoln.

Nico: That bloodthirsty monster's been asking for it for a very long time.

Me: Yeah, the crimes Rabia has committed against The Crystal Empire can never be forgiven, that bloodthirsty lunatic deserves only to die.

Lincoln: Along with the hated King Sombra, The Black-Hearted Demonic Unicorn. But, that'll be for a much later date.

Nico: You got that right, Lincoln, but when that day comes, that black-hearted demonic unicorn has a lot to answer for, including what he did to Princess Cadence's mom, Princess Amore.

Princess Cadence: He deserves to die for his black-hearted crimes against The Crystal Empire, and for what he did to my mother, but like Lincoln said, that's for a much later date.

Me: Right, so we have to be patient until then.

Nico: Yep.

Juggernaut: Looks like it's the end of Shinzon.

Scorpion: Damn right it is.

Me: And we avenged the deaths of the Romulan Senate.

Black Manta: What do we do with the Scimitar?

Dixie: We could sell it for spare parts

Wilbur: Or we can rebuild it.

Goof: Either option is fine by me.

Nico: We'll rebuild it and add it to our arsenal of ships.

Qin: Good idea.

Mysterio: It's a shame Kirk couldn't join us.

Nico: Yeah but it"s best he rests after a big mission. Besides this was awesome and cool.

Me: It sure was. Jean Luc we're sorry about your ship getting so damaged.

Picard: It's all right. But thank you all for helping us.

Me: You're welcome.

Nico: Yep. But great job today everyone. We saved the entire universe from a fate no one should ever go through in a billion years.

Qin: Yeah.

Twilight Sparkle: That's for sure. (To the Viewers) Hope you liked this awesome interstellar adventure and how we took down one of the most dangerous enemies of the galaxy.

Qin: I know we all did.

Nico: Yep. Now Shinzon of Remus is nothing but a forgotten memory. Lets go home.

We went back home to Earth after having the Scimitar wreck brought on board and we fixed it up and modified it as an awesome battlecruiser and a powerful Superlaser Ship when the time comes. We fixed up the Enterprise and made it good as new and gave it all kinds of modifications to its weapons, shields and systems. We enjoyed the rest of the day and went to sleep.

It was Lincoln who introduced Ursula to Yu Yu Hakusho, and she and Lincoln would cosplay from Goku and Chi Chi to even Naruto and Sakura. In fact, while cosplaying as Naruto and Sakura, Lincoln and Ursula kissed each other on the lips, and she's a succubus, as well as being the cousin of Morrigan Aensland from Darkstalkers, and she hates Lola with a burning passion. Rarity: Oh they are indeed.

Qin: Yeah.

Aurico: It's awesome you guys do so many awesome things.

Eli: I'll say.

Nico: Thanks for coming with me, Aurico.

Aurico: Anytime Nico.

Varie: And don't worry I got plenty of water for you in case you feel dry.

Aurico: Thanks Varie. Sorry Maria isn't here.

Me: I know but it's her birthday today and William's job is to keep her busy while we set everything up for her.

Nico: Aurico, you and your team did good protecting the world after Tommy and the others were turned into kids.

Aurico: Thanks Nico.

Me: Boy I remember seeing that. That was so awesome seeing what they were like younger.

Qin: That was so awesome.

Xenia: And the Aquitar Rangers were really awesome against some of Rita's monsters.

Nico: Yep.

Rarity: Indeed.

Sunset Shimmer: By the way Aurico what is your home planet like?

Aurico: Aquitar is an ocean planet and the water is absolutely beautiful and everything is so peaceful. It was an honor to help out with the rangers back then.

Me: Yeah it sure was.

Varie: Your home planet sounds like a world that the Neptune Crusaders would love.

Pipp Petals: Yeah.

Nico: And Ninjor DOES count as the 6th Ranger of your team.

Aurico: Yes he does.

Me: I agree. That is so awesome and cool.

Aylene C.: Ninjor is awesome.

Me: And the rangers first found him after Zedd and Rita destroyed the Thunderzords. I'll never forget seeing that. That was horrible.

Lincoln: It sure was.

Camie: Yeah that was awful.

Tsuyu: No kidding.

Kaoruko: But the good news is that you guys fixed them up.

Me: We sure did.

Nico: Right, Maria? (realizes something) Oh yeah. Maria's not here this time.

Me: She will be back Nico.

Nico: Yeah.

Fluttershy: I think it's gonna be a magical day for Maria because it's her birthday today.

Qin: I agree there.

Hitch Trailblazer: Izzy?

Izzy was trying to pull open a cabinet upstairs.

Izzy Moonbow: (Straining) Almost got it!

Sunny Starscout: Izzy no!

She opened it and then an avalanche of stuff came down and pushed her.

Me: AVALANCHE!

We jumped out of the way and Pipp, Sunny and Hitch were caught in the slide.

We helped them out.

Me: Geez! Sunny this is a lot of stuff. Are you guys okay?

Pipp Petals: We're okay.

Izzy Moonbow: And for my next trick.. Lets do that again!

Pinkie Pie: Wee! That was fun!

Nico: (LAUGHS)

Then we saw a glowing object.

Me: Huh? What's that?

It was something wrapped in a blanket.

Sunny unwrapped it and it was one third of a circle blanket.

Me: Wow.

The design on it showed a throne room chair and a picture of what looked like Hitch with some animals.

Me: Wow look at that.

Sunny Starscout: Whoa.

Nico: That is awesome.

May: It's very weird not to have Maria here with us.

Me: I know.

She saw what looked like a projector.

Sunny Starscout: Huh?

Me: That looks like a projector. Lets see.

I picked it up and pressed a button on it and it showed a video and it revealed Sunny Starscout's father, Argyle Starshine.

Argyle Starshine: (On the video) Surprise Sunny Bunny.

Sunny Starscout: (Gasp) Dad?

Me: He was your father? He looks like a nice guy.

Eli: Yeah.

Argyle Starshine: I guess you found the old family blanket. Quite something isn't it? It's actually an ancient pony artifact passed down for 10 generations.

Me: Wow!

Argyle Starshine: The other pieces were hidden in Zephyr Heights and Bridlewood years ago. One day magic will return and Sunny, I know you'll be the one to do it. But even still it will take the whole family to get the other pieces.

Me: Hmm.

Sunny Starscout: Whole Family? But it's just me now.

Me: Hmm.

I looked at the blanket.

Me: Whoa this is a map. It shows where each of the pieces are at.

Nico: Things just got more interesting.

Me: And the first piece to find is located in Zephyr Heights.

Twilight Sparkle: This is gonna be awesome.

Rainbow Dash: Yeah it is!

Zipp Storm: This smells like a Mystery!

Sunny Starscout: Smells like an Adventure to me. Come on everypony!

We were off to Zipp and Pipp's home town of Zephyr Heights which was located not far from Ponyville and Cloudsdale.

We arrived and we met Zipp and Pipp's mother Queen Haven.

Queen Haven: What a wonderful surprise and Team Loud Phoenix Storm it's an honor to meet you in person.

Me: You too your majesty. Zipp and Pipp told us so much about you.

Sunny Starscout: (Panting) Queen Haven we need to ask you…

Queen Haven: Wow! That blanket. My throne room hasn't looked like that in centuries. Wherever did you find that?

Me: It's a piece of a puzzle that Sunny's father left for her.

Zipp Storm: The throne room! I knew it looked familiar. Thanks mom.

Me: We just need to visit the throne room quick.

We went to the throne room.

Kaito: What's in here?

Me: Lets see.

I looked at the piece of the blanket.

Me: The next piece is underneath the Throne.

Nico: Yeah.

Qin: Okay we're going to have to lift it up all together.

Izzy Moonbow: I've got this ponies. Open sesapony!

She used her magic and strained hard to lift it.

Me: Looks like it's too heavy.

Nico: This calls for a team effort.

Pipp Petals: Mom's not going to like this.

Zipp and Pipp were struggling to lift it.

Nico: Still too heavy.

Sunny Starscout: We're going to need Earth Pony too.

Hitch Trailblazer: Say no more Sunny! Critters roll out!

2 birds came and they grabbed the throne.

Hitch Trailblazer: Okay Lift!

They tried to lift it but were flung away.

Me: I think she means using Earth Pony Magic to do it too.

Hitch Trailblazer: Oh right. Good hustle team.

Me, Sunny and Hitch used Earth Pony Magic and we lifted the throne and underneath it was the second piece.

Me: The second piece!

We got it and I looked and it was a picture of Zipp and Pipp over a crystal tower grove.

Me: Looks like a picture of Zipp and Pipp over a Crystal Tower Grove.

Izzy Moonbow: (Gasp) I know that place!

Me: I remember seeing a Crystal Tower Grove in a small part of Froggy Bottom Bog.

Nico: Then lets get over there. But first…

We put the throne back and made it the way it was.

Vroon: All better!

Nico: Lets go!

We were off to Froggy Bottom Bog.

We arrived and it was a beautiful Crystal Tower Grove.

Me: Ooh this is beautiful.

Nicole: Boy it sure is.

Izzy Moonbow: I told you. Just like the picture. Now lets see if I remember how it works. Uhh Unikadabra!

She touched a big crystal and then the crystal glowed and played a musical song in a sequence.

Sunny Starscout: It's beautiful!

Me: Wow it's a Musical Sequence Puzzle.

Laney: I know these kinds of puzzles.

Izzy Moonbow: Yep. When I hit the big gem you have to hit the other gems in order.

Me: Okay.

Nico: Lets get into position.

We got into position. Izzy touched it we got to playing and we hit it in the right order and we then felt a rumble and out came a treasure chest and Sunny opened it and in it was the last piece!

Nico: The last piece!

The last piece showed a picture of Izzy in Maritime Bay.

Nico: Wow! We got all the pieces.

Rarity: Lets sew them back together back at the Crystal Brighthouse.

We went back to Maritime Bay.

---

We were back at the Crystal Brighthouse.

Nico: Let's put em together!

We got to sewing them together.

Izzy and Rarity were working on it.

Izzy Moonbow: And Presto!

We spread it out and it was a picture blanket of Zipp and Pipp over the Crystal Grove, Hitch in the Throne and Izzy in Maretime Bay and Sunny Starscout was in the middle.

Qin: Wow!

Aurico: That is amazing!

Varie: It's beautiful.

Twilight Sparkle: That is amazing there.

Nico: This looks pretty good actually.

Me: It's beautiful though.

Sunny Starscout: It's us.

Me: Wait a second. This is more than just a blanket. This is a prophecy.

Nico: A Prophecy?

Eli: What does it mean?

Me: It's The Return of Friendship. It shows that Sunny and her friends were chosen to bring the Magic of Friendship back to Equestria after the tribes were divided.

Qin: Wow!

Camie: That is amazing.

Varie: Wow.

Laney: That is incredible. This blanket is really a vision into the future.

Zipp Storm: Wow!

Nico: We're not gonna let all we've been through be for nothing.

Me: No way we aren't.

I pressed the Projector to see if there was more and there is.

Argyle Starshine: Now you're probably thinking our family's a little too small to do all this, (Chuckles) And you may be right. But Family is just a fancy word for ponies who always stick together.

He held up Sunny when she was just a little baby. She was so adorable.

Argyle Starshine: Your friends can be a family you choose and Sunny, hoof to heart, I know you'll find that someday.

Sunny looked at all of us and we smiled.

Sunny Starscout: I already did dad.

She hugged us all and we hugged her.

May: And that's us!

Nico: You got that right May.

Eli: Yep.

Qin: Boy this was an awesome treasure hunt.

Nicole: One of the best ever.

Rainbow Dash: So awesome.

Twilight Sparkle: It was really cool.

Varie: Yeah.

Me: But now I see why Sunny and her friends were chosen, to not only return Friendship to Equestria but also to bring Queen Opaline to justice.

Nico: Queen Opaline?

Me: The Information on the mysterious Shadow Alicorn got updated and it showed that her name is Queen Opaline. But it doesn't say anything else about her.

Nico: Oh. At least we got a name. But we'll have to wait and learn more about her later on.

Camie: Yeah.

Rarity: Oh but darlings this was such an amazing adventure.

Laney: It sure was. But we're not done yet.

Eli: Nope. I sense that Another The Worst is over in the Town Square by Hitch's police building.

Nico: Then lets get over there.

We were off.

We arrived.

Nico: Shouldn't be too hard to find.

Me: Nope. Look.

We saw a Black Atrocian in front of the building!

Me: Whoa! Another The Worst!

Nico: In my opinion that is a really stupid name for an alien hero.

Me: Yeah.

Another The Worst: (In a Girls Voice) Yeah it is a dumb name.

Me: Connie Davenport! I had a feeling that was you.

Nico: You know her?

Me: Yep. Her name is Connie Davenport and she is A girl who enjoys the finer things in life. She loves the rich lifestyle but is a really good person when you get to know her.

Another The Worst: That's right and it's great to see you again J.D.

Me: Same to you.

Albedo turned into Negative The Worst.

Negative the Worst: Did Swartz promise you anything?

Another The Worst: Yeah he promised to make me richer than ever.

Me: We can easily do that for you. We live in a massive ginormous tree estate and we make all kinds of awesome foods and styles of many kinds.

Another The Worst: I can tell he was lying to me.

Me: Well sorry we have to fight like this.

Another The Worst: I think Swartz picked a bad one for me. I'm not that much of a challenge like this.

Me: Atrocians are very tough and they have skin that makes it look like you're an immovable brick wall.

Nico: Yeah.

Nico: (takes out Vreedle Brothers' Ridewatch) Only fitting I use this one.

Nico activated it and he got a powerful ion laser and he blasted Another The Worst all over and smashed her down.

Me: Nice shooting.

Eli: Yeah. Wait look.

We saw a white and black figure and it was an Imperium Horde alien WALKING IN THE SUNLIGHT!?

Me: What the!? An Imperium Horde Alien!

Nico: Walking in the sunlight? But that can't be right. They melt in the sunlight.

Imperium Horde Alien: (In a girls voice) It's all right Nico. I'm half human for them.

She changed into a girl with black hair and red eyes and red clothes.

Nico: Anita Bathory!

Anita Bathory: I've got this.

She formed a laser blaster and blasted Another The Worst down and I caught the Ridewatch and purified it and I went over to Connie and she was a black hair girl in a blue dress. I picked her up.

Me: Connie are you all right?

Connie Davenport: (GROANS) What a headache.

Me: You'll be all right.

I picked her up.

Nico: No need to use the Ridewatches, gears or Rider forms this time.

Me: But on the mission there will be a need.

Zocks: Yeah.

Kaito: I got a feeling that we'll definitely need them on the mission for later.

Nico: Yep.

Anita Bathory: But regardless this was awesome.

Nico: It sure was.

Aurico: But what's your favorite memory of Nico?

Anita Bathory: I have a lot of them but my favorite is when me and Nico were spying on a terrorist cult and we went undercover and found out that they were going to use nuclear warheads to blow up major cities if the United States doesn't respond to their demands. But me and Nico used our powers and weapons and blew them to dust and killed all the terrorists.

Me: Wait there's only one terrorist group that fits that description: Crimson Jihad.

Nico: That's it.

Eli: Wow! That is amazing!

Nico: It was.

Qin: Yeah. I remember that. That was incredible.

Nico: Yep.

Nico and Anita hugged.

Nico: I've really missed you.

Anita Bathory: Me too Nico. Me too.

After Nico's rescue, Lincoln, Me, Ken Knudson, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, Heathcliff, Sonnya (Heathcliff), Riff-Raff, Hector, Wordsworth, Mungo, Cleo, Leroy, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, The Demon Slayer Corps, The Saber Kamen Riders, and Shane Clarke are heading to Chicago in the world of the 1993 series, Biker Mice From Mars, and not only is Lincoln going to rescue the four girls here, but we're also going to meet Charley Davidson, Throttle, Vinnie, and Modo, and take down Lawrence Limburger and have him recruited into The Masters of Evil.

Lincoln: Whoa, we're here in Chicago in the world of the 1993 series, Biker Mice From Mars, and I know what we're going to do here, not only am I going to rescue the four girls here, but we're also going to meet Charley Davidson, Throttle, Vinnie, and Modo, and take down Lawrence Limburger and have him recruited into The Masters of Evil.

Me: This is something I've always planned: a mission here in the world of the 1993 series, Biker Mice From Mars, and I was hoping to kill that rotten Plutarkian, Lawrence Limburger in the future. But, he does have honor, so he's going to be recruited into The Masters of Evil.

Nico: That's a good idea. But, as for his two minions, Greasepit and Karbunkle, those two are heading straight to prison until they can behave themselves.

Heathcliff: Yeah, and who does that rotten Fish-Faced alien think he is? Trying to take the resources of Earth for his own for his own greedy purposes, we'll give him a pounding he'll never forget.

Lincoln: My thoughts exactly. And thanks for joining us, Shane.

Shane Clarke: You're welcome, Lincoln.

Rosalyn Nightshade: Sorry I didn't transform with the others when The Vexicons returned yesterday, I felt something welling up inside me and it was dying to get out, but it wasn't with The Vexicons.

Lincoln: That's okay, Rosalyn, but now, you're about to transform and get after that Fish-Faced Cheese Head.

Emily Jones, Azari Firedancer, Nadia Riverheart, Aira Windwhistler, and Lumia the Elf: That's going to be awesome.

Suddenly, we heard the roar of three motorcycles, and we saw them heading our way. Then, as the dust settled, we saw three really tall and extremely muscular anthropomorphic mice on the motorcycles, along with a woman. They took off their helmets and we saw who they were, the three really tall and extremely muscular mice with antennae on their heads are Throttle, Vinnie, and Modo, and the woman with them is Last Chance Garage owner, Charley Davidson.

Throttle: Team Loud Phoenix Storm, looks like the rumors we've hearing in Chi-Town were true.

Throttle and Lincoln shook hands.

Lincoln: Throttle, Vinnie, Modo, and Charley Davidson, just the people we were looking for, and you know why we're here, right?

Vinnie: If it's to take down old Cheese Head for good, we're up for it.

Nico: (Laughs) Someone's that eager to get rid of old Cheese Head for good, eh?

Modo: Actually, we know the real reason, Nico: you want to have old Cheese Head recruited into The Masters of Evil, right, and throw Greasepit and Karbunkle in their prison until they can behave, is that about right?

Lincoln: Whoa, you knew the real reason why we're after Limburger all along?

Charley: Yeah, word of you guys recruiting honorable villains into The Masters of Evil tends to get around, especially in Chi-Town.

Throttle: We're up for getting Cheese Head recruited into The Masters of Evil. (Antennae glowing) And I do sense that one of your future wives is about to transform, is that right, Lincoln?

Lincoln: Yep. Wow, those antennae sure picked up on someone's energy signal that quick.

Throttle: Along with giving someone a glimpse into our memories on Mars, and who we've been fighting against.

Vinnie: I hope we can still blow up the tower again.

Lincoln snapped his fingers and he had a ton of TNT and explosives with him.

Lincoln: You just said the magic words, Vinnie, and I came prepared for this moment.

Nico: (Snickers) A little something to destroy that dang tower and this time for good.

Modo: (Laughs) Now, I know why you're called The Man With a Plan, Lincoln. Let's load these bad boys up and get going.

?: HEEEELLLLLLP!

Suddenly, Lincoln heard the sound of four girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the four girls, but they've been cornered by Lawrence Limburger, Greasepit, and Karbunkle, and they're going to kill them.

Lincoln: Let's get over there at once, guys, I found the four girls, but they've been cornered by Lawrence Limburger, Greasepit, and Karbunkle, and they're going to kill them.

?: (Girl's voice) (Scottish Accent) Let's teach those brutes some manners.

Suddenly, we saw the Duel Monster, Ghostrick Angel of Mischief, appear before us.

Nico: Ooh, that's Ghostrick Angel of Mischief, someone's in for a bad case of mischief.

Lincoln: And I recognize that Scottish Accent from anywhere, I knew it's you, Ursula Truaigheaingeal, but we'll talk later, let's ride!

We rushed on over, and Lincoln fired powerful rainbow energy balls and elemental forces at Lawrence Limburger, Greasepit, and Karbunkle, and that allowed the four girls to get to safety and inside of an energy shield created by Lincoln to protect them from Lawrence Limburger, Greasepit, and Karbunkle. When Lawrence Limburger saw us, he maintained a businessman's composure, but Greasepit and Karbunkle were enraged.

Lawrence Limburger: Team Loud Phoenix Storm, have you come for my head?

Lincoln: Actually, we have a better offer: are you willing to join Vypra's Masters of Evil?

Greasepit: The boss ain't taking any offers from chumps like you!

Sherlock Hound unholstered his massive demonic greatsword from his wider and muscular back and held the tip at Greasepit's throat.

Sherlock Hound: (British Accent) (Blood Red Eyes Glowing Even More Blood Red) I suggest you watch your mouth around any of us, or else, I will end your wretched life in the cruelest way imaginable.

This caused Greasepit to gulp in fright.

Greasepit: (Scared to death) U-understood, sir.

Lawrence Limburger: Seeing as how none of you mess around, I'll join The Masters of Evil, but we're not going down without a fight.

Rosalyn Nightshade: (Smirks) That's fine with us.

Suddenly, Rosalyn Nightshade's aqua blue eyes turned neon aqua blue and she was surrounded by an aqua blue energy aura with water, ocean waves, magic, and water elves, and as she approached Lawrence Limburger, Greasepit, and Karbunkle, she left aqua blue energy, water, ocean waves, magic, and water elves with every step. Suddenly, Rosalyn Nightshade was surrounded by a massive vortex of aqua blue energy with water, ocean waves, and magic surrounding it, there's a water elf flying around the vortex, and in the vortex is a dark blue phoenix. We were amazed by Rosalyn Nightshade's Super Angel Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding. But, when Greasepit and Karbunkle saw it, those two went mad with rage and went after her, but Rosalyn fired two powerful blasts of aqua blue energy with water, ocean waves, water elves, and magic, and it hits Greasepit and cleans up all of the oil on him, and the other blast hits Karbunkle and got him soaked as well.

Emily Jones: Whoa, Rosalyn's transformed.

Azari Firedancer: Now, all of us have transformed.

Aira Windwhistler: And we'll soon be ready to destroy Noctura for good.

Nadia Riverheart: She must be stopped for good and sent to The Black Gates for good.

Lumia the Light Elf: The friend I knew died a long time ago, I'll be sure to put an end to her for good.

Lincoln: We'll make sure of that, girls, and Rosalyn, you look beautiful. How do you feel?

Rosalyn Nightshade: (Divine Echoing Cosmic Voice of The Divine Maelstrom Elvendale Elf and Divine Water Elf Love) I feel incredible, Linky. Now, shall we take down Lawrence Limburger for good?

Lincoln: (Smiles) With pleasure, Rosalyn. But, we can't forget about Dumb and Dumber. Shane, I'm I'm making a Shadow Clone of myself to transform into his Orange Ninja Storm Ranger form, so you guys can take down Greasepit and Karbunkle.

Shane Clarke: Good idea, Lincoln.

Lincoln made a Shadow Clone, and Shane Clarke transformed into his Red Ninja Storm Ranger form, and Lincoln's Shadow Clone has transformed into his Orange Ninja Storm Ranger form, and they went off to take down Greasepit and Karbunkle.

Lincoln: Now, while Shane and my Shadow Clone are busy taking down Dumb and Dumber, let's take down Lawrence Limburger.

Shane Clarke and Lincoln's Shadow Clone took down and tied up Greasepit and Karbunkle in rainbow energy straitjackets and rainbow energy chains, and we took down Lawrence Limburger when Lincoln and Rosalyn fired two blasts of water at him and knocked him down.

Lawrence Limburger: Your reputations proceed you, very well, I admit defeat.

Lincoln then beamed Lawrence Limburger to The Masters of Evil's HQ and Greasepit and Karbunkle were beamed to The Masters of Evil's prison to cool off. We cheered wildly as we holstered our weapons and powered down and Rosalyn Nightshade's new body, clothes, weapons, jewelry, and massive angel wings are permanent. Then, she and Lincoln shared a romantic kiss, and we put out the explosives and as we all exit and got to a safe distance, Lincoln hit the detonator, and the tower was blown up in a huge explosion, and it was reduced to ashes.

Lincoln: That's another person recruited into The Masters of Evil, and we also took down Greasepit and Karbunkle and threw them in prison.

Me: At least until they cool down.

Lincoln: You got that right. (To Ursula Truaigheaingeal) And it's so good to see you again, Ursula Truaigheaingeal.

Ursula Truaigheaingeal: (Scottish Accent) Aye, you too, Lincoln, it's been a long time, lad.

Lincoln went up to Ursula Truaigheaingeal and they hugged, and Ursula Truaigheaingeal is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw his vampire fangs and his massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his deeper manly voice.

Lincoln: It sure has, I haven't seen you when you were twelve, and as you can see, I really grew a lot since then.

Ursula Truaigheaingeal: (Scottish Accent) Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you also have vampire fangs and massive white angel wings, that's amazing.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Ursula Truaigheaingeal, she's not only my Guardian Angel from Scotland, but also my classmate in English. She's a fan of the occult as well as anime.

Nicole: Now, that's really awesome.

Lincoln: It sure is, and her last name, Truaigheaingeal, means Angel Mischief in Scottish Gaelic. It was I who introduced Ursula to Yu Yu Hakusho, and we would cosplay from Goku and Chi Chi to even Naruto and Sakura. In fact, while cosplaying as Naruto and Sakura, we kissed each other on the lips.

Ursula showed the photo, and it was so cute.

Nicole: Now, that's really cute. And I noticed that she also has black bat wings underneath her angel wings.

Lincoln: Oh, right, there's also something else you should know, Nicole: Ursula's a succubus, but not like Sakura Valencia, who was turned into a succubus thanks to her Satanic parents. Ursula was born a succubus.

Nicole: A natural born succubus, too bad we didn't bring Brittney along.

Lincoln: I know, and I also found out that Ursula is the cousin of Morrigan Aensland.

Nicole's jaw dropped.

Nicole: What?! Ursula's the cousin of Morrigan Aensland?! That explains the Scottish accent and the bat wings. Now, I really wished we could've brought Brittney along, since Ursula is a natural born succubus, along with Natilee, since her archenemy is Morrigan Aensland.

Morrigan Aensland: (Scottish Accent) It's alright, Nicole, and it's so good to see you again, Ursula.

Ursula Truaigheaingeal: (Scottish Accent) You too, Morrigan.

When Lola saw Ursula, she turned pale as a ghost.

Modo: Uh oh, uh, Lincoln, your little sister turned pale.

Lincoln: I was afraid of that, Modo, but also, I expected it. See, Ursula hates Lola with a burning passion.

Nico: I wonder what Lola did to get on the bad side of the cousin of Morrigan Aensland?

Lincoln: You're going to wish you hadn't asked that question, Nico. Me and my sisters still remember what she did to Lola long ago.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared around Ursula Truaigheaingeal's neck with pink gems on the gold thunderbolt links and pink crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Elemental Thunderbird Necklace of Eternal Love, and her new Elemental Thunderbird Choker of Eternal Love appeared on her neck.

Ursula Truaigheaingeal: (Scottish Accent)(Surprised) Lincoln, is this…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means just like your cousin, you're part of my harem and one of my many future wives, Ursula.

Ursula Truaigheaingeal had a smile on her face and tears in her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around Ursula Truaigheaingeal's waist and Ursula Truaigheaingeal wrapped her left arm around Lincoln's thick muscular neck, and he leaned down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the four girls, and when Lincoln saw them, he recognized them immediately. The four girls are Ai and Machi from Aguu: Tensai Ningyou, Apple from Akai Koudan Zillion, and Linaly from Legend of the Crystals: Final Fantasy.

Lincoln: Oh wow, it's Ai and Machi from Aguu: Tensai Ningyou, Apple from Akai Koudan Zillion, and Linaly from Legend of the Crystals: Final Fantasy.

Nico: Whoa, awesome!

Lincoln: Are you girls okay?

Linaly: Yes, we're okay, thanks to you.

Then, when Linaly and the other three girls saw who it was that saved them from Lawrence Limburger, Greasepit, and Karbunkle, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

He had his massive Hinon's Cosmic Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds holstered on his wider and muscular back, his large orange Crystal Saber, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Elemental Harmony on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac sign on the back of his neck and the Cygnus the Swan constellation and embedded Jewel of Gelel on the back of his massive left hand, large weighted gold bands on his massive biceps and thighs with silver phoenixes on them, large gold cuff Bracelets of The

Champions of the Universe with large orange gems on his large wrists, massive and indestructible white angel wings with stars and orange and aurora-colored tips on the large white feathers, and he was dressed in an orange version of He-Man 2002's loincloth with hanging silver lightning bolts and long orange trenchcoat coattails with elemental forces, Thunderbirds, Phoenixes, Angels, and Buffalo on them which were glowing neon orange and they also had intense powerful rainbow hot flames coming off them and hanging mini silver lightning bolts on the coattails held up by his large gold Belt of Elemental Bravery with a large golden buffalo head with orange gems for eyes and a large orange gem in its mouth for the belt buckle on his waist, large royal blue pants with multicolored lightning bolts on the thighs with the orange kanji on the left leg that said, "Savior of The Loud House, True Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird, Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms, and Destroyer of The House of Damaskinos", and large white leather combat boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and armor on the toe area, silver Buffalo head stud earrings with the Thunderbird and Eternity Kanji on it, large Thunderbird Necklace of Eternal Love with colored gems on the gold lightning bolts and orange crystals from his merged large Crystal Necklace of The Buddha with a large Element of Harmony deep sapphire blue gem in the shape of a Thunderbird and a large silver Buffalo head with the Thunderbird and Eternity Kanji on its head for the pendant on his bare chest, large fingerless orange gloves with the symbol of The Loud House on it and surrounded in a diamond formation are a Phoenix, Thunderbird, Buffalo, and Angel, large Orange Buffalo Animal Spirit Ring which merged with his Ring of The Phoenix on his left ring finger, large Blue Lantern ring on his right ring finger, he had nine large multi-colored orbs orbiting around his legs, and circling around his feet on the floor are eight golden crosses with angelic runes.

Linaly: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made three clones of himself, and he and the three clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Linaly: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, four Thunderbird Necklaces of Eternal Love appeared on the necks of Ai, Machi, Apple, and Linaly with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, and they also have on their new Elemental Thunderbird Chokers of Eternal Love on their necks too. Lincoln and his group returned to the World Tree Estate and we told everyone what happened, and they were shocked when they found out the villains we went after were Lawrence Limburger, Greasepit, and Karbunkle.

But, when Lincoln showed what we did in beating down Lawrence Limburger and had him recruited into The Masters of Evil and Rosalyn Nightshade transformed for that battle, and what we did in throwing Greasepit and Karbunkle in The Masters of Evil's Prison, everyone cheered for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Ursula Truaigheaingeal have a lot of catching up to do now that she's back in town, and Charley Davidson, Throttle, Vinnie, and Modo are now new members of the team.

Qin: Whoa, you guys sure had one wild adventure in Chicago today.

Lincoln: We sure did, Qin.

Carol: Plus, I'm not surprised that Greasepit wasn't going to let Lawrence Limburger take the deal that Lincoln offered.

Throttle: Cheese Head took the deal after we defeated him, and it got really dark when we saw what Sherlock Hound did in threatening Greasepit.

Modo: (Snickers) About time someone else besides Cheese Head put Greasepit in his place.

Vinnie: (Laughs) Did you even see the look on his face, along with Karbunkle's, that was priceless.

Lincoln: That's what happens when someone tries to act like a tough guy.

Lori: Yeah, but that was literally scary and dark.

Sherlock Hound: (British Accent) My apologies, Lori, but from what I found out about him, he's not the cooperating type.

Charley Davidson: He never is.

Nico: I can't argue with you guys on that one, Greasepit's as uncooperative as he is stupid. But, that was some awesome work putting him and Karbunkle in their place.

Me: Mess with someone who's the champion of Sparda, The Legendary Dark Knight, and there's bound to be some bloody consequences.

---

After recruiting Lawrence Limburger into The Masters of Evil and throwing Greasepit and Karbunkle in The Masters of Evil's prison, we were training intensely in the gym, this time, doing 500,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Ursula Truaigheaingeal saw Lincoln working out like crazy, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Ursula Truaigheaingeal: (Scottish Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Ursula, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Ursula Truaigheaingeal: (Scottish Accent) That's incredible.

Nico: It sure is. So, Ursula, what's the story on why you hate Lola with a burning passion?

Ursula Truaigheaingeal: (Scottish Accent) You're not going to like this one bit. One day, Lincoln and I were in his room doing our homework, but them, we heard the sound of stampeding footsteps, and the door was suddenly knocked down, and we saw who it was: it was Lola, and she's beyond furious. She had scissors in her hands and she was going to kill him. I got in the way, and I got stabbed in the arm by her, and I was screaming in pain and seeing my own blood, and Lola held the scissors up and she had a demonic grin on her face as she was about to kill me. Lincoln was so furious, and I saw him toss some seeds at Lola, and then, multiple vines sprung out of nowhere and they restrained Lola. I remembered that this is one of Kurama's moves, accelerating the growth of plants, and he always had various seeds with him. We went downstairs and told Mr. and Mrs. Loud of what Lola tried to do to Lincoln, and they grounded Lola for nine weeks, and she was put in an isolation cube in the basement. Lincoln healed the wound on my arm, and I hugged him tight and he returned the hug.

We cheered wildly for what Lincoln did to restrain Lola.

Hiei: Well, I'll be. That was some impressive work using one of Kurama's techniques to restrain your sister, Lincoln.

Kurama: Indeed, and I had to guess you learned about our techniques before you actually met us, right?

Lincoln: That's right, and since I also have power over plants, I decided to use that to save Ursula from getting stabbed by Lola.

Nico: That was some quick thinking, Lincoln.

Lana: So, I wasn't the only one who got stabbed in the arm with a pair of scissors by Lola?

Ursula Truaigheaingeal then showed Lana the scar on her right arm, and it was really painful.

Ursula Truaigheaingeal: (Scottish Accent) That's right, Lana, and ever since then, I hated your awful twin sister with a burning passion. She's just lucky I didn't use my cousin's Soul Fist move on her.

Lori: Yeah, we literally don't want that to happen.

Me: Otherwise, it'd turn into a really nasty fight.

Lincoln: And that's something that I really don't want to have happen. Ursula Truaigheaingeal, being a succubus and the cousin of Morrigan Aensland, has the powers and moves of her cousin, and she isn't hesitant to use them in a fight, and Lola's dangerous temper and rage would be outmatched by her.

We got a shower afterwards, and then, William and Maria are heading to Lake Lamode for their date. But, this is also perfect because today's Maria's birthday and we're going to set up an awesome party for her. Maria was in her one piece swimsuit, and William was dressed in a pair of large dark blue and red swim trunks with his jewelry, sandals, and weapons holstered, since we got Rabia to deal with later on today.

William: Alright, babe, you ready?

Maria: Ready when you are.

Maria and William left the World Tree Estate, and they arrived at Lake Lamode.

Maria: Wow, so this is Lake Lamode, it's everything Lincoln said it is, so awesome!

William: And it's perfect for our date.

Maria and William were swimming around in the ocean, and they were also seeing the sights of Lake Lamode, then they went inside one of the glass domes and they were amazed at the architecture in the glass domes. Then, they had some lunch there as well, and then, as the sun was about to set, William went up to Maria, and he wrapped his abnormally massive and powerful muscular arms around her waist, and Maria wrapped her arms around William's thick and muscular neck, and then, as the sun turned orange, they shared a passionate kiss. Then, William got the signal that we were ready and he and Maria can come back.

---

At Lynn's Table we were getting everything all set for Maria's birthday party and Lana was keeping a lookout.

Me: Everything looks perfect.

Qin: Yep.

Nico: This is gonna be so awesome.

Aylene C.: Yeah.

Kin Tsuchi: Pohatu, you and Sento are up for bonding time.

Horsea: I'm joining in as well!

Sento: Yeah but lets wait for Maria to get here.

Pohatu: Good idea.

Lana was watching. She then saw Maria and William.

Lana: Here she comes!

Nico: Places!

We hid and the lights went out.

William: So yeah we have something awesome planned.

Maria: What is it?

They came in.

William: Whoa it's dark.

Maria: Yeah who turned out the lights?

CLICK!

The lights came on and we jumped out.

All of us: SURPRISE! HAPPY BIRTHDAY MARIA!

Maria: (GASP) OH MY GOODNESS! YOU GUYS REMEMBERED!

Nico: Of course we did.

Wendy Sapphira: We would never miss your birthday.

Carmen Rockell: Happy birthday sis!

Maria: Oh you guys are the best. Thank you so much!

Nico: No problem sis.

Varie: William had to take you out of the city while we got everything ready for you.

Maria: Awesome. Lets party!

We cheered wildly!

Maria was trying out a Gaia Memory for New Wave on that jerk Bubble Bass!

Maria: Try this on.

NEW WAVE!

She activated it and fired a massive blast of water and smashed him all over the place and gold bars flew out of him.

Carmen Rockell: WOOHOO! Take that you ugly buttheaded jerk!

Nico: Nice way to test out the Gaia Memories for a future usual battle set.

Maria: Thanks bro. How was the rescue?

Nico: It was really cool. We found out a really awesome revelation about Sunny and her friends.

Maria: What is it?

Nico told her everything and it was really cool.

Maria: WHOA! So Sunny and her friends were all chosen to reunite Equestria? That's incredible.

Eli: Yeah it was awesome.

Sento: Pohatu, I have no regrets meeting you.

Pohatu: Me neither Sento. That was so awesome that you guys had so many awesome adventures in your world and battled Smashes.

Horsea: Those were so awesome.

Sento: They sure were. And the Fullbottles we have are all amazing.

Mallow: And we've been using them a lot in this set of usual battles.

Nico: And it's still in progress now.

Sento: That is true.

Me: But they are so awesome to use in our battles.

HEAT DOPONT! CYCLONE DOPONT! BEST MATCH!

I fired a massive blast of fire and it hit Flip and enveloped him in a powerful firewhirl tornado and he got burned all over the place with intense flames and a massive fountain of sapphires and blue diamonds erupted out of him and showered everyone that was watching the party with jewels and made them filthy rich.

Qin: YEAH!

Maria: That was great!

Undermine: Too bad you guys went through that war. Reminds me of what us Autobots and Decepticons went through.

Eddy: But with no toys as a result.

Sento: Yeah that was horrible.

Me: It sure was. Especially with Evolt running amuck and causing lots of problems that would destroy the entire planet.

Gentoku: Yeah no kidding there.

Varie: Yeahh no lie.

She fired waves of ice with Iceage Dopant's Gaia Memory and blasted Amy all over and froze her in a block of ice! She then had emeralds explode out of her.

Banjo: I also remember you guys helping us against Benjamin Montgomery.

Nico: This is the exact reason why my daughter is not ready for love yet!

Me: I remember that though.

Qin: Yeah that was crazy!

Videl Chan: But I had no idea he was that dangerous though.

Nico: I know sweetheart.

Me: But at least he's now in prison and I got a bunch of old acquaintances of Quagmire paying him a visit.

In the Ceres Prison was Benjamin Montgomery rotting in prison and he had an illusion put on him that made him look like Quagmire.

The door to his cell opened.

Benjamin Montgomery: Must be time for lunch.

Woman 1: Hey look girls! It's Glenn Quagmire! TEAR HIM APART!

They stormed into his cell and were ripping him apart and he screamed in pain as they tased and pulverized him all over!

Wreck Gar: (shudders) I can't imagine what would've happened to Videl if we didn't rescue her in time.

Nico: Don't even talk about it.

Qin: Yeah.

We got to having some cake and it was a great and delicious cake! We had a white chocolate s'mores cake!

Qin: (EATING) MMM! Delicious cake!

Nico: Boy you said it.

Me: Mary made it.

Maria: It was so good.

Pinkie Pie: You bet it was!

Nico: Time for presents!

We gave Maria awesome clothes, jewelry, books, weapons, games and more sewing tools and more.

Maria: Awesome presents! Thank you so much guys! I love them!

Qin: Awesome!

William: (gets

out box) It's now or never.

Arixam: Sis, I think William has one more gift for you.

Me: (Gasps quietly)

William: Maria you are one of the best girls I've ever known and I don't want to ever be apart from you ever. So..

He got down on one knee and opened the box and in it was a beautiful sapphire and blue diamond ring and it was in the shape of the symbol for Neptune!

William: Maria will you marry me?

Maria: Oh William of COURSE I WILL MARRY YOU!

She hugged him and he slipped the ring on her finger and they kissed and we cheered wildly for them!

Qin: WAY TO GO MARIA!

Carol: YEAH SIS! AWESOME!

Nico: Way to go Maria! YEAH!

Horsea: (hops on Maria's head) Maria is William's fiancee! Maria is William's fiancee!

Maria: I sure am.

Nico: We're so happy for Maria!

Sento: Yeah we are!

Carol: That is my awesome sister!

Nico: Our awesome sister Carol.

Carol: Right sorry.

Nico: But the day is not over yet. We have an awesome mission to get ready for.

Horsea: What role can I be in during the wedding?

Maria: We'll have to decide on that later.

Nico: Yeah we got plenty of time before that.

Qin: Yeah.

We had a great birthday party for Maria and then we went back to the estate to get ready for our next mission.

Nelson: I knew William would propose to Maria eventually!

Nico: I had the feeling too!

Me: Same here!

Qin: Yeah! We all knew it would happen soon.

Nico: Yeah. You guys are gonna be in for a great surprise when we get to our location. Our scans reveal that this is a food planet we're going to next.

Camie: Cool!

Laney: I hope it's a pudding planet.

Nico: It's something better.

Varie: I have a feeling this will be awesome.

Then Dr. Light, Man Ray, Captain Cold, Hydrax, Knightbrace, Juggernaut, Scorpion, Black Manta, Six Gum Gang, and Mysterio appeared.

Juggernaut: Can me, Dr. Light, Man Ray, Captain Cold, Hydrax, Knightbrace, Scorpion, Black Manta, Six Gum Gang, and Mysterio go with you guys?

Lunk: And Maria? Congrats to William proposing to you!

Runt: You two earned it!

Dixie: And happy birthday to you too!

Maria: Thanks guys! This is awesome!

Nico: And to answer your question yes you all can come with.

Laney: We don't know what the next planet is gonna be like but it's gonna be a good one.

Hydrax: I have a feeling it will be.

Jungle Fury Jarrod: Nico, which Gene Slammer do you think you'll meet next time?

Nico: Oh that is a good question. I'm hoping to meet a gene-slammer for Moltres next.

Me: Wow! You are going for a Moltres this time.

Nico: Yep.

Me: Cool. Galarian or Kanto?

Nico: Both actually.

Me: Wow! That will be awesome to see.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure was: it was none other than Rabia, and that bloodthirsty monster's furious that Lawrence Limburger has joined The Masters of Evil and Greasepit and Karbunkle have been defeated and thrown into The Masters of Evil's prison, and now, she's heading here to destroy us all and get her revenge. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is Rabia on the move?

Lincoln: You guessed it, Nico, and she's absolutely furious that bloodthirsty monster's furious that Lawrence Limburger has joined The Masters of Evil and Greasepit and Karbunkle have been defeated and thrown into The Masters of Evil's prison, and now, she's heading here to destroy us all and get her revenge.

We gasped in shock.

Maria: Should've known that bloodthirsty rabid monster was behind this, but Limburger was smart to know Rabia's a bloodthirsty monster.

Jackie Snoddgrass: Well, this is going to be the last time that bloodthirsty monster dares to come back to cause havoc.

Lemon Hearts: That monster's been nothing but a menace to all ponies in Equestria and to The Crystal Empire for many years, and now, this is our chance to finally wipe Rabia out for good.

Nico: And make sure Rabia never returns again. Alright, gang, let's go, we got another awesome and tasty food planet to explore.

Lincoln: And a villain to destroy, and don't think you're getting out of this, Rabia, you're going to pay for all of your crimes against Equestria, you bloodthirsty monster.

With that we went to the ship and we were off to the planet.

---

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 6727.3: The U.S.S. Valorous Phoenix is en route to a food planet for another awesome mission and to have some awesome food for our journey there. And we're going to battle whatever foe is waiting for us there.

Man Ray: Why do I get the feeling that this planet is gonna be a favorite to me and my fellow Bikini Bottomites?

Nico: I have that same feeling myself.

Qin: Yeah.

Camie: This is gonna be really cool.

King Stefan: (Scottish Accent) You and William should be very proud of yourselves, Maria.

Maria: We are your majesty.

New Wave then appeared.

New Wave: I know it's not my turn but I wanted to congratulate the birthday girl and future husband and wife.

Maria: Thanks Rebecca.

Qin: We are so happy for them.

New Wave: I am too.

Hydrax: After everything we've been through, it was only a matter of time.

Nico: Yep.

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We saw that we were at a planet that was brown and it had red, yellow and white rivers.

Nico: Wow this looks like a really awesome planet.

Me: Looks like a mountain planet from up here.

Qin: Yep.

Nico: Lets engage landing procedures.

We landed on the planet and we got out and then to our amazement it was a planet made entirely out of KRABBY PATTIES!

Nico: A planet made of Krabby Patties!

Me: Oh wow!

Vegeta: Was this what you meant, Man Ray?

Man Ray: Oh yes it is!

Qin: Oh wow!

Nico: Lets get to eating!

We got to eating some Krabby Patties!

Squidward: I love Krabby Patties! [eats two patties]

SpongeBob: I knew it all along, Squidward. No one can resist a Krabby Patty! [Squidward eats a bunch of Krabby Patties in all sorts of ways, even a dozen at a time] Squidward! How many are you eating? Squidward! [Squidward keeps eating all the Krabby Patties on the ground, Pac-Man style] Squidward, you can't eat all those patties at one time! Squidward! [As soon as he ate dozens of Krabby Patties]

Squidward: What's gonna happen? Am I gonna blow up?

SpongeBob: No, worse, it'll go right to your thighs… !

Squidward: [surprised] My thighs? [pan down showing Squidward's enlarged thighs, he looks at thighs]

SpongeBob:… and then you'll blow up!

UH OH!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Squidward blew into a thousand pieces! He then regenerated and reformed!

Nico: That was crazy! Squidward really loves Krabby Patties doesn't he?

Lily: You bet he does.

Black Manta: There's even a Krabby Big Mac.

Nico: Yeah there is!

We got to eating a lot of Krabby Patties.

Nico: Man these are so good.

Plankton: They are so delicious!

Mr. Krabs: Boy you said it.

Snake Man: There are so many Krabby Patties here!

Nico: It's Krabby Patties as far as the eye can see.

Qin: You got that right.

Nico: Yep.

Luan: Yeah this is a KRABBY Experience! (LAUGHS) Get it?

We laughed at that one.

Me: (LAUGHS) That was a good one!

Luan: Did you like that Eddy?

POINK!

She saw the Eds gone!

Luan: Eddy?

Leni: Ed?

Linka: Double D?

Me: That's weird.

Nazz: Where did they go?

Sarah (EENE): They were here a second ago.

Mysterio: What should I summon for a search party?

Nico: Beffudlers.

Mysterio: Good choice.

He summoned numerous Beffudler Heartless Robots.

But then.

MASSIVE BEATDOWN AND SCREAMING IN THE DISTANCE!

We heard loud fighting sounds and powerful blows landing and screaming!

Nico: What the!?

We saw a ginormous fight cloud and it was brutal!

Nico: WHOA!

Me: Only one or should I say a bunch of people can be that brutal! THE VENGEANCE EXPRESS!

Qin: Lets go!

Strike Man: Kaito, you and Zocks better bring out the big guns!

Kaito: Right!

Kaito and Zocks: Zenkaiju Gear!

They donned their Zenkaiju Armor!

Nico: YEAH!

We went after the fight cloud.

Dixie: That can't be right!

Wilbur: Goof, can you call HQ and see if the Vengeance Express Kids are still there?

Goof: I'm on it!

Goof did so.

Vypra: Hello?

Goof: Vypra is Goof.

Vypra: What's up Goof?

Goof: Are the Vengeance Express Kids still at H.Q.?

Vypra: Yeah they are in the gym. Why?

Goof: We got a fight here on a planet full of Krabby Patties with the Vengeance Express Kids.

Vypra: What the!? They can't be in two places at once! They don't have that kind of power. You better look into this and report back your findings.

Goof: You got it. (HANGS UP)

Goof told us what to do and we got to the hill and saw the Fight Cloud and to our surprise it was the 6 Cul De Sac Kids but they were in Halloween Costumes and they were pulverizing and beating the living shit out of the 3 Eds in an incredibly and savagely merciless beatdown!

Luxord: I don't believe Jimmy and Sarah were in the Vengeance Express.

Sarah (EENE): No we weren't.

Jimmy (EENE): That is us from Halloween when Ed let his imagination go wild.

Nico: I heard all about that! Ed watched too many horror movies and went bonkers.

Varie: Geez!

Laney: But we got to break this up and then beat the kids up.

Scorpion: I'll use my tail to pull the Eds to us!

Nico: Do it.

He did so and pulled the Eds to us and they were badly mangled up and thrashed into pulp and badly mangled up. They then saw us and were walking to us.

Dark Sarah: "Ed! You give Jimmy his candy back!"

Dark Rolf: "You have made a mockery of Rolf's fungal festivity!"

Dark Jonny: [holding Plank in the air] "Plank's pressing charges, you bully!"

Dark Kevin: "Who's coughing up to fix my bike?"

Dark Jimmy: "Oh, I'm gonna give 'em such a pinch!"

Dark Nazz: "Dude, count me in!"

Frenzy: Sougo! Geiz! You two are up!

Sougo: (gets out Decade Ridewatch) With pleasure!

Armor Time! (Upbeat rock music) KamenRide! Wow! Decade! Decade! Deca~de! (Decade transformation noises)

Geiz: (gets out Accel Ridewatch) I thought we'd never get to this part!

Armor Time! (Accel transformation noise) Accel! Accel! (Motorcycle revving)

Sougo got DecadeArmor while Geiz got AccelArmor.

We went at the Dark Cul-De-Sac Kids and we were smashing and pulverizing them into pulp!

Qin: WEDGIE!

HOING!

She gave Dark Kevin a nuclear wedgie!

Me: Hey Dark Sarah! Think fast! (ZOOM) SUPER WEDGIE!

HOING!

Me: Think fast! (LICK) SUPER WET WILLIE!

I stuck my finger covered in spit in her ear.

Me: Think fast!

I put her in a headlock!

Me: SUPER NOOGIE!

I gave her a burning noogie and she screamed in pain as blood poured out of her head and her head was burned bad!

I threw Dark Sarah into Dark Jimmy and smashed him into dust!

Knightbrace: Time for some dental work!

He gave Dark Rolf the most painful dental cleaning ever and it hurt horribly!

Qin: Ouch.

Xenia fired an arrow and it hit Dark Nazz in her concrete block suit and smashed it into a million pieces.

Qin fired waves of fire and burned Dark Kevin all over.

Luan, Leni and Linka were caring for the Eds.

Veon: Let's hit them with an entrance!

Nico: Yeah!

We went at them and then as the kids were on the ground in pain…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted in front of them and blasted them right into a rock made of hard buns and smashed them into it and then a phoenix cry was heard and we faced them more.

Captain Cold: You're going on ice!

Me: And then you burn!

But then a boulder smashed into Dark Jimmy's face and knocked out all his teeth and we saw the Ed's all better than ever and Ed was EDZILLA!

Edzilla: NO ONE SMASHES EDZILLA!

Eddy: You psycho freaks are going to get it!

Edd: Explicitly!

Threatpack: You tell em, guys!

Edd: Oh we plan to!

Dark Kevin: YOU DORKS WILL PAY FOR EVERYTHING YOU DID TO US!

Dark Sarah: YOU WILL PAY FOR YOUR CRIMES!

Eddy: What crimes!?

Dark Nazz: EXISTING THAT'S WHAT!

Dark Sarah: YOU JERKWADS LIVING IS YOUR CRIME! WE'RE GOING TO KILL YOU ALL!

Dr. Light: Really? Well, I think it's time you brats saw the light!

He fired waves of light and blasted them all over the place.

Nico: You little buttheads have failed this universe!

But then Marluxia, Xaldin, Xigbar, Myotismon, Misty Tredwell, Duff Killigan, El Oso, Eccentro, Avalanche, and 2016 Morbucks appeared.

Nico: Marluxia, Xaldin, Xigbar, Myotismon, Misty Tredwell, Duff Killigan, El Oso, Eccentro, Avalanche, and 2016 Morbucks.

Marluxia: Congrats on William proposing to you, Maria.

Maria: Thanks.

Nico: They sure did.

Xigbar: And Horsea can be a flower girl.

Nico: Nice!

Myotismon: (to Nico) We heard you found a prophecy.

Nico: Yep.

Misty Tredwell: What was it?

Nico: The Return of Friendship.

Nico told them everything and it was cool and awesome.

Misty Tredwell: Wow!

?: That is awesome.

A figure came out and it was Big Douser from episode 46 of GoGoV!

---

Big Douser was developed by Nagare when he and Shou still were with the Capital City Fire Department to assist the Helicopter Brigade in its work. However when Pierre discovers the robot in the news, he decides to abduct it and use it to become a Saima Beast having exhausted all of his monster cards. Connecting the wires that charge Big Douser within the main Minus Energy chamber and throwing in multiple strengthening cards, he empowers the robot with Minus Energy, but the sudden surge makes it initially grow to a giant size where the GoGoV are surprised to initially be fighting the machine. GoGoFive fight it with Victory Robo, but eventually the surge calms down and it is restored to normal size where the team takes it in to study.

Through Nagare and Mondo's investigation, they find that Big

Douser has become so corrupted with Minus Energy that it no longer was usable and had to be destroyed; but due to it retaining its former personality, Shou still believed that it was good and could still be saved and ran off to protect it. However when it begins to recklessly attack civilians due to its corruption, Shou finally comes around to Nagare's point of view that the robot could no longer be used. When Big Douser threatens to destroy a gas tanker with its flamethrowers, Nagare and Shou ultimately destroy the machine with their V-Lancers, yet give it an honorable send-off after its destruction understanding that its corruption was not of fault of its own and it had done its duty proudly prior to the Saima interference.

---

Eli: Big Douser! I remember you! You were built by the fire department and were taken by Pierre to become a Saima Beast.

Big Douser: Good memory Eli.

Eli: Thanks.

William: You'd make a killing in the Rescue department.

Big Douser: That was my original purpose anyway.

Nico: No kidding there. So awesome.

Core Medals: Myotismon, Ghost of Dr. Coffin and Another Kiva

# Fullbottles: Myotismon and Ghost of Dr. Coffin

Myotismon was next.

Myotismon: (to Nico) I heard you guys met a Gene-slammer for Ghosttrick, Angel of Mischief. What's her name?

Nico: Her name is Ursula. Ursula Truaigheaingeal and she is from Scotland.

Princess Luna: She is a really awesome admirer of Dragonball Z and Naruto and she and Lincoln cosplayed as Goku and ChiChi and Naruto and Sakura.

Nico: The costumes they put on were really awesome.

Moondust: They sure were.

Nico: Also she is Morrigan's cousin.

Myotismon: Wow! That explains why she has Bat Wings too with her angel wings.

Nico: Yep.

Snowdrop: And her story is just as awesome.

Gari: It sure is.

---

Ursula Truaigheaingeal: (Scottish Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful

teachers, J.D. and Nico included, Ursula, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Ursula Truaigheaingeal: (Scottish Accent) That's incredible.

Nico: It sure is. So, Ursula, what's the story on why you hate Lola with a burning passion?

Ursula Truaigheaingeal: (Scottish Accent) You're not going to like this one bit. One day, Lincoln and I were in his room doing our homework, but them, we heard the sound of stampeding footsteps, and the door was suddenly knocked down, and we saw who it was: it was Lola, and she's beyond furious. She had scissors in her hands and she was going to kill him. I got in the way, and I got stabbed in the arm by her, and I was screaming in pain and seeing my own blood, and Lola held the scissors up and she had a demonic grin on her face as she was about to kill me. Lincoln was so furious, and I saw him toss some seeds at Lola, and then, multiple vines sprung out of nowhere and they restrained Lola. I remembered that this is one of Kurama's moves, accelerating the growth of plants, and he always had various seeds with him. We went downstairs and told Mr. and Mrs. Loud of what Lola tried to do to Lincoln, and they grounded Lola for nine weeks, and she was put in an isolation cube in the basement. Lincoln healed the wound on my arm, and I hugged him tight and he returned the hug.

We cheered wildly for what Lincoln did to restrain Lola.

Hiei: Well, I'll be. That was some impressive work using one of Kurama's techniques to restrain your sister, Lincoln.

Kurama: Indeed, and I had to guess you learned about our techniques before you actually met us, right?

Lincoln: That's right, and since I also have power over plants, I decided to use that to save Ursula from getting stabbed by Lola.

Nico: That was some quick thinking, Lincoln.

Lana: So, I wasn't the only one who got stabbed in the arm with a pair of scissors by Lola?

Ursula Truaigheaingeal then showed Lana the scar on her right arm, and it was really painful.

Ursula Truaigheaingeal: (Scottish Accent) That's right, Lana, and ever since then, I hated your awful twin sister with a burning passion. She's just lucky I didn't use my cousin's Soul Fist move on her.

Lori: Yeah, we literally don't want that to happen.

Me: Otherwise, it'd turn into a really nasty fight.

Lincoln: And that's something that I really don't want to have happen. Ursula Truaigheaingeal, being a succubus and the cousin of Morrigan Aensland, has the powers and moves of her cousin, and she isn't hesitant to use them in a fight, and Lola's dangerous temper and rage would be outmatched by her.

FLASHBACK ENDS

Nico: That's telling 'em, dude. Awesome job, gang, but we're not done yet, there's still the matter of Rabia to deal with, and that bloodthirsty monster should be arriving… right now!

?: You will all pay for ruining my plans to get rid of you, Team Loud Phoenix Storm, and I will enjoy seeing all of you dying in agony!

Maria: Speaking of bloodthirsty and savage, I knew there's no mistaking that voice from anywhere, you can come out now, Rabia.

A figure came charging right at us, but Lemon Hearts and Jackie Snoddgrass kicked the figure away, and we saw who it was: it was none other than Rabia.

Lemon Hearts: Rabia, the bloodthirsty monster who's terrorized Equestria and The Crystal Empire, I should've known you'd show up here.

Rabia: You fools have ruined my chances to see all of you die in a pool of blood, and all because that fool saw right through me, and now, I will kill all of you and drink your blood!

Rabia came right at us again in a bloodthirsty rage, but Jackie Snoddgrass bashed Rabia in the head with her Elemental Shield of Harmony.

Rabia: (Snarling Angrily) Who do you think you are to get in my way, you lowly peasant?!

Jackie Snoddgrass: Someone who refuses to stand here and let you hurt my friends, you bloodthirsty rabid monster. (yellow energy aura flares up) I am Jackie Snoddgrass, Champion of Lemon Hearts, The Alicorn Princess of Compassion and one of the 27 girls chosen by The Elements of Harmony to be The Champion of Compassion.

This horrified Rabia badly.

Rabia: Impossible, The Champions of Harmony have returned?!

Suddenly, Jackie Snoddgrass' dark purple eyes turned neon dark purple and she was surrounded by a yellow energy aura with Alicorns, hearts, and magic, she unholstered her massive her Sword of The Champion of Harmony, and as she approached Rabia, she left yellow energy, hearts, magic, and Alicorns with every step.

Jackie Snoddgrass: Rabia, I will never forgive you for the crimes you've committed against Equestria. You are nothing more than a hate-filled, bloodthirsty monster who never cared about anyone except for yourself and being driven by your thirst for blood, and I will see to it that you receive the ultimate punishment for your crimes: death!

Suddenly, Jackie Snoddgrass was surrounded by a massive vortex of yellow energy with hearts and magic surrounding it, there's an Alicorn flying around the vortex, and inside the vortex is a light blue phoenix. Then, as the vortex faded, Jackie Snoddgrass emerged, but she was changed forever.

Jackie Snoddgrass' transformed into SUPER ANGEL-ALICORN ETERNITY INFINITY COMPASSIONATE LEMON HEART ALICORN ANGEL OF DIVINE HEART COMPASSION AND DIVINE JUNGLE COMPASSION LOVE!

We were amazed by Jackie Snoddgrass' Super Angel-Alicorn Eternity Infinity transformation, but when Rabia saw it, the bloodthirsty monster went mad and charged at her while laughing evilly, but Jackie shield bashed the monster with her Elemental Shield of Harmony and she fired a powerful light blue and yellow energy blast with hearts, magic, and Alicorns, and it hits Rabia and sent the rabid animal flying into a wall, but Rabia is not out yet, and that monster's really mad now.

Ken Knudson: Alright, now Jackie Snoddgrass has transformed.

Me: Now, it's Lemon Hearts' turn to transform.

Jackie Snoddgrass: (Divine Echoing Cosmic Voice of The Golden Heart Compassion Alicorn and Divine Jungle Heart Love) **That's right, guys. Lemon Hearts, you ready?**

Lemon Hearts: You bet, Jackie.

Suddenly, Lemon Hearts' dark purple eyes turned neon dark purple and she was surrounded by a yellow and light blue energy aura with Alicorns, hearts, and magic, she unholstered her massive her Sword of The Knights of The Friendship Table, and as she approached Rabia, she left yellow and light blue energy, hearts, magic, and Alicorns with every step.

Lemon Hearts has transformed into SUPER ANGEL-ALICORN ETERNITY INFINITY COMPASSIONATE LEMON HEART

ALICORN ANGEL OF DIVINE HEART COMPASSION AND DIVINE JUNGLE COMPASSION LOVE!

We were amazed by Lemon Hearts' Super Angel-Alicorn Eternity Infinity transformation, but when Rabia saw it, the bloodthirsty monster went mad and charged at her while laughing evilly, but Lemon Hearts shield bashed the monster with her Elemental Shield of Harmony and she fired a powerful light blue and yellow energy blast with hearts, magic, and Alicorns, and it hits Rabia and sent the rabid animal flying into a wall, but Rabia is not out yet, and that monster's really mad now.

Nico: Whoa, now Lemon Hearts has transformed too, so awesome.

Lemon Hearts: (Divine Echoing Cosmic Voice of The Golden Heart Compassion Alicorn and Divine Jungle Heart Love) **That's right, now we're ready to take this monster down for good.**

Lincoln: And see to it that Rabia and every last one like that bloodthirsty monster are dead and gone for good.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Lemon Hearts and Jackie Snoddgrass.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Your days of terrorizing Equestria and The Crystal Empire are finally over, Rabia, and this time, you're never coming back to hurt anyone again, you rabid monster.**

Lemon Hearts, Jackie Snoddgrass, and Lincoln went after Rabia, and they fired powerful blasts of rainbow energy, light blue and yellow energy blasts, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, rainbow lighting, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental

Angels, Alicorns, and Angels at Rabia, and they exploded with incredible power as they hit the bloodthirsty monster, and Rabia was being burned badly by The Magic of Friendship. Then, they attack Rabia with their massive greatswords and they left painful scars on her, and because of the purity of the attacks, it really burned the evil beast badly, and the wounds Rabia suffered would never heal. Then, Lincoln grabs Rabia by the neck in his large left hand and he began sucking out and absorbing all of Rabia's powers and hatred and he and the rest of us made them our own, and when Lincoln was done, Rabia was severely weakened to such a degree the beast couldn't even stand.

This allowed Lemon Hearts, Jackie Snoddgrass, and Lincoln to finish Rabia off by firing powerful energy beams and they overwhelm Rabia and they exploded with incredible power, killing the demon for good. We cheered wildly for what Lemon Hearts, Jackie Snoddgrass, and Lincoln did to Rabia as they holstered their massive greatswords on their backs and powered down, and the new bodies, clothes, weapons, jewelry, and massive angel wings of Jackie Snoddgrass and Lemon Hearts are permanent.

Then, as Rabia's spirit appeared, the cutie marks of The Mane 9 on the massive Celtic Cross cutie mark tattoo on Lincoln's wider and more muscular back glowed, along with the cutie marks of The Mane 12 and the Elements of Harmony on my massive greatsword, and Rabia's spirit was surrounded by a magic circle with the cutie marks of The Mane 12 that formed on the ground, and the bloodthirsty monster was chained up by chains of magic and rainbow energy, and the energy images of The Mane 12 appeared from the cutie marks on the circle, and they found Rabia guilty of all the crimes Rabia committed, and the energy images of The Mane 12 aimed their horns at Rabia and Lincoln aimed his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds at Rabia.

Lincoln: Rabia, for the crimes that you've committed against Equestria and The Crystal Empire on your miserable bloodthirsty rampage, you've been found guilty, and the punishment for your evil crimes is death.

This horrified Rabia, as that monster saw its' days of havoc and chaos are about to end.

Lincoln: MANE 12 HARMONIOUS CUTIE MARK FINAL JUDGEMENT!

Lincoln fires a very powerful barrage of rainbow energy beams with Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, rainbow super lightning, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, and Angels from his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds and the energy images of The Mane 12 fired colored magic energy beams from their horns, and as they hit Rabia's spirit, they exploded with incredible power and the bloodthirsty monster's spirit was condemned to The Black Gates, and Rabia was fading away.

Rabia: CURSE YOU TEAM LOUD PHOENIX STORM! (FADES AWAY)

Rabia's spirit was erased from existence by the spirits of all those that monster's hurt, and Rabia would never return again.

Nico: Alright, that's another member of The Doomsday 23 put down for good, and only a few more to go.

Lincoln: Which means, the next member of The Doomsday 23 to take down tomorrow is an even more evil version of Cruel Fluttershy.

Melanie Moondancer: Which means it's up to the three of us to take that bloodthirsty monster down for good.

Moondancer: Yep, you, me, and Lincoln.

Nico: And that'll mean we'll be rid of The Mean 6 for good.

Me: Yeah, those monsters are a disgrace to the real Mane 6.

Lincoln: And it doesn't help that they're the Elements of Disharmony and creations of that hate-filled bug, Queen Chrysalis, but we'll be rid of them for good.

Fluttershy: That's right, Lincoln, and I hope you don't mind me asking this, but can you use The Stare on her?

Nico: Can that really be done?

Me: No idea.

Lincoln: That's worth a try, Fluttershy, and that Stare's really effective on wild animals and villains, so I'll give it a go tomorrow when she shows up.

Me: Those bad dark sides are in for a world of pain.

Duff: Are you lads gonna be okay?

Eddy: Don't worry, Duff. We'll be fine.

El Oso: You sure?

Double D: El Oso, we've had beatings worse then this.

Eccentro: (shrugs) Well, if you say so.

Avalanche: Let's bring all these Krabby Patties home.

2016 Morbucks: After a few more bites.

Me: Save room for cake.

Maria: Yeah we got lots of cake for you all.

Nico: Yep.

Misty Tredwell: I can't wait to taste it and Maria, William congratulations to you both.

William: Thank you Misty.

Qin: How did you like your birthday Maria?

Maria: You all made this the most awesome and amazing birthday ever!

We cheered wildly for her!

Nico: YEAH! But great job everyone. Lets all take some Krabby Patties home and get some food for all of us.

Varie: Good idea.

Pinkie Pie: (To the viewers) This was the BEST ADVENTURE EVER!

Nico: It sure was Pinkie.

We picked up tons of patties and we had some leftover cake and it was awesome. We went back home and enjoyed the rest of the day and went to sleep.

Nico: If it's a fight they want it's a fight they are gonna get.

Came: Yeah.

Me: I have a good feeling I know who hired them too.

Varie: And it's Evil Cruel Fluttershy.

Eli: Yep. I feel it.

Qin: That cruel bitch is gonna wish she was never born when Melanie Moondancer gets through with her.

Tsuyu: You got that right.

Nico: Thanks for coming with me, Scott.

Scott Truman: Anytime Nico. It's gonna be awesome helping you out like this.

Me: It sure is.

Nico: Scott, I truly am sorry about how Venjix devestated your world.

Scott Truman: It's all right Nico. But we all feel the same way.

Me: Yeah what he did was absolutely horrible.

Camie: I heard about that. That was very similar to SKYNET.

Me: Venjix is Very much similar to SKYNET.

Rei Miyamoto: Yeah that's like what happened with our world minus the Zombies.

Miku Yuuki: Yeah that was just absolutely terrible Venjix did all that.

Tsuyu: Yeah it was.

Kaoruko: That was awful.

Nico: It was.

Me: But Scott thank goodness you guys made it through such a horrible nightmare.

Scott Truman: I appreciate that J.D. thank you.

Me: You're welcome.

May: Rei, I think what happened in your world is much worse then what happened in Scott's world. At least the people who died because of Venjix weren't zombies.

Rei Miyamoto: I know that but being brought back as a zombie in my opinion is a fate worse than death.

Me: That's a good way to put it Rei.

Miku Yuuki: Yeah that was horrible.

Varie: It was.

Lola: Yeah it sure was.

Camie: Yeah.

Me: Did you enjoy your birthday, Maria?

Maria: You bet I did Nico. It was so awesome. Thank you all so much.

Varie: You're welcome Maria.

Carol: Yeah it was no problem.

Maria: You guys put on a great party.

Nico: We always do.

Camie: Yeah that was so awesome and that cake we had was one of the best.

Rei Miyamoto: Mary made a really awesome cake.

Saya Takagi: Boy she sure did. That was so awesome.

Laney: Boy it was.

Tsuyu: Very delicious and tasty.

May: And now, you and William are engaged!

Maria: Yeah we are!

Qin: Best day ever!

Varie: You got that right!

Sunny Starscout: We are all really happy for Maria and William.

Pipp Petals: We all sure are.

Nico: That was so awesome and amazing.

Me: Just as fun as going to a planet of Krabby Patties.

Eli: Yep. And seeing Squidward explode was funny too.

We laughed.

Nico: I can picture it now. You and William will be happily married with all of the Redemption Squad watching.

Maria: Yeah that is so awesome.

Me: And New Wave and your mom and sister there too. Lets not forget that Carmen and Liam are getting married too.

Maria: That's right. Hey lets make it a double wedding!

Nico: Ooh two weddings all on the same day. That's perfect.

Qin: Yeah that's a great idea.

Scott Truman: I agree there too. Thank goodness it's not like the one where Summer was forced to Marry.

Me: I remember that. But that diamond she has is absolutely beautiful.

Varie: It sure is.

Rarity: An absolutely beautiful treasure and a beautiful gem.

Nico: Yeah it was beautiful.

We arrived at the Bike and Brawl.

Me: Here we are.

Juran: But first, let's worry about us living through this brawl.

Nico: Right.

We went in.

Me: All right you ugly bastards! We're here.

They saw us and then drew their guns, knives, swords and weapons and their guns clicked and they were locked and loaded. There were lots of mercenaries, bounty hunters, robots too? Whoa.

Nico: This is gonna be ugly.

Me: Yep. All right ladies and gentlemen lets just talk about this. Evil Cruel Fluttershy may have sent you so lets just put the guns and weapons down and have some soda.

They did not like that.

Nico: I guess you guys drink only beer. All right then.

I unsheathed my sword.

Me: HOW ABOUT 7 FEET OF BLAZING STEEL! (ROARS)

THEY FIRED AT US AND WE DODGED THEIR FIRE!

I went and slashed numerous mercenaries all over and they exploded into flames.

Kaito: (takes out Hurricanger gear) Let's start this off with a bang!

Zocks: (gets out Gaoranger gear) You read my mind!

Kaito got a Ninja Storm Sword and Zocks got a Wild Force Sword.

SLASH SLASH SLASH!

I pulled out a machine gun and blasted numerous men and robots all over and blew them apart.

Nico charged and grabbed a robot and threw him threw the wall.

Eli stabbed a robot.

Eli: (LAUGHS LIKE SCOTSMAN)

SMASH!

He headbutted the robot and smashed it into scrap metal!

Eli: Take that!

Sougo (gets out Hibiki Ridewatch): Don't forget about us!

Armor Time! (Orchestral music mixed with Onkaku ringing) Hibiki!

Geiz: (Gets out Gatack Ridewatch) These guys are in for it now!

Armor Time! (Electronic beat mixed with Rider Form transformation noises) Stag Beetle! Gatack!

Sougo got HibikiArmor and Geiz got GatackArmor.

Me: Yeah!

A robot with a red flamethrower came and I picked up a table and blocked his blast and then I slashed the robot and picked it up and threw it at a bunch of bounty hunters and Nico threw a barrel of beer and I fired my machine gun and it hit it and splashed all over and exploded and destroyed the hunters.

Varie: They just keep coming!

Varie was slashing and destroying numerous bounty hunters and robots and thugs.

Camie: Come get some!

Camie was blasting them all over.

Me: Time to finish this up with a bang!

Eli: Aye!

Eli pulled out a bomb and armed it and threw it and we ran and got out of there as it hit the hunters and exploded!

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMM!

WE ran as the whole bar exploded into a massive and fiery incredible explosion.

EXTREMELY MASSIVE AND FIERY EXPLOSION!

The explosion completely reduced the bar to flaming rubble! It was intense!

Qin: WHOA!

Nico: Nice job Eli!

Me: That's one bounty that is officially null and void.

Lincoln: Yep.

Nico: I counted up 42,123 bounty hunters.

Eli: Man Evil Cruel Fluttershy sent a massive army of them.

But then a Bounty Hunter came and Nico slashed it and destroyed it!

Nico: Me: Who else wants some?!

Me: No like this Nico. (YELLING) (ECHOING) WHO ELSE WANTS SOME!?

Eli: That was good.

Me: Yeah it was fun. But something is telling me that this fight was too easy.

Nico: I don't think we're done yet though.

Eli: And I sense something coming.

We saw a black firetruck? What the?

Me: Is that a Black Firetruck?

Nico: Firetrucks are red.

We saw it driving on its own.

Me: That's definitely not a Transformer.

It put out the fire with a water blast.

It was revealed and it formed into a black version of Upgrade. It was ANOTHER UPGRADE!

Me: Whoa! Another Galvanic Mechamorph!

Nico: Wow! That was cool.

Another Upgrade: (In a girls voice) That was awesome though.

Me: Tanya Roddington! Awesome to see you again.

Another Upgrade: Same to you J.D.

Me: You look awesome as a Galvanic Mechamorph.

Another Upgrade: I'm glad you think so.

Nico: You know her?

Me: Yep. Tanya is the owner and Curator of the Gotham Royal York Sword Museum.

Nico: I remember seeing that. She owns that place? Cool!

Another Upgrade: Yep.

Albedo turned into Negative Upgrade.

Negative Upgrade: Did Swartz promise you anything?

Another Upgrade: Just to become a great museum owner of other things than just swords.

Me: We can easily do that for you. We have that kind of money and power.

Another Upgrade: I had a feeling he was lying to me.

Nico: Good.

Me: All right then. First this.

I unsealed a Missile Launching Tank and Negative Upgrade merged with it and made it a powerful laser missile tank.

Qin: YEAH!

Me: Now this. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Nico: (gets out Professor XXXL's Ridewatch) You really shouldn't have left the firetruck.

Nico activated the Ridewatch.

Qin: YEAH!

Fu: (SINGING DIVINELY AS LIGHT AND ENERGY SWIRLS AROUND HER)

I am as God made me,

I have no desire for a mouth at my breast or a pot on the fire

I heed the high voices, I go where I'm sent

To mow down the men who refuse to repent

I'm a scythe in a field full of briars

And they won't call me Mother or Sister or Wife

They will know me or not by the strength of my life

I will burn with a light of my own

They'll know me as Joan

They'll know me as Joan

The courage of Catherine, the flames of the forge

The sword of St. Michael, the blood of St. George

I take what I'm given, I follow my truth

I gladly abandon the bloom of my youth

I'm the lashing that falls from the scourge

And they won't call me Mother or Sister or Wife

They will know me or not by the strength of my life

I will burn with a light of my own

They'll know me as Joan

They'll know me as Joan

I've bloodied the Devil with steel from on high

I kill without consequence, heed no man's law

I sift out the righteous like grain from the straw

I am judgment and heaven is nigh

They will know me or not by the strength of my life

I will burn with a light of my own

She floated into the air and fired waves of light and blasted Another Upgrade all over.

Nico: YEAH!

Maria: Marinette would be proud.

Scott: My turn!

Nico: Go for it.

Scott activated his ridewatch for Multiple Man.

Scott made 930 Clones and they fired waves of light and energy and smashed Another Upgrade all over.

Nico: I have a craving for snow cones all of a sudden.

Me: We'll have to get some later.

Nico: Yeah.

Maria: For now lets finish this up.

Nico: You got it!

Negative Upgrade: Let's see what this laser missile tank can do.

He fired waves of energy and blasted Another Upgrade all over with powerful volleys of laser blasts.

Nico: YEAH!

Qin: That was cool!

Varie: Take that!

Camie: Yeah!

Another Upgrade merged with the firetruck again.

Another Upgrade: Thanks for the advice on not leaving the firetruck.

Another Upgrade then sprayed water on Nico.

SPLASH!

Nico: Oh, real funny!

Nico dried off.

But then we heard 2 familiar calls.

Nico: Whoa! Moltres!

We saw Moltres and Galar Moltres!

Qin: Wow! The 2 Legendary Moltres!

Moltres: (In a Girls Voice) Time to burn this firetruck.

Galar Moltres: (In a Girls Voice) You bet sister!

Nico: Hailey and Helia Nostradamus!? Wow!

Me: Whoa! Nostradamus was a famous prophet from the 16th Century.

Eli: Wow!

They landed and fired waves of dark fire and red fire and blasted the

Another Upgrade and smashed her down and I caught the ridewatch and purified it.

I went over to Tania and she was a girl with blue hair and had blue clothes and blue eyes.

Tanya Runnington: (GROANS) What a headache.

Me: You're okay Tanya.

The 2 Moltres landed and the Kanto Moltres was a girl with red, orange and yellow hair and she had clothes of the same colors and she had fire angel wings. The Galar Moltres was a girl with black, purple and dark pink hair and she had black and purple clothes and black angel wings.

Helia Nostradamus: That was so much fun!

Hailey Nostradamus: You bet it was!

Maria: Um… we already have Moltres Gene Slammers.

Nico: Oh these are 2 girls I know.

Hailey Nostradamus: Sorry about the confusion.

Maria: Oh no worries.

Me: Are you 2 related to…

Hailey Nostradamus: Yes we sure are. We are descendants of the famous Prophet, Nostradamus.

Qin: His prophecies have been a really amazing and incredible way to predict the future.

Laney: Yeah they sure have been a big scary sign too.

Me: Yeah. Back in the 16th Century he predicted numerous things to happen over the centuries.

Helia: That's right.

Scott: What are your favorite memories of Nico?

Hailey Nostradamus: We had a feeling you were going to ask us that.

Helia Nostradamus: Me and Hailey are the queens of chili and we make the best chili ever.

Hailey Nostradamus: We made chili in cooking class and made it full of beans and we even put our deadliest hot sauce ever in it.

They held up a bottle of glowing Neon Blue Hot Sauce and it had a scary skeleton phoenix on it.

Hailey and Helia: The Blue Nova Phoenix Reaper.

Me: Whoa!

Nico: Yeah that brings back memories.

Hailey Nostradamus: We put this on a bully's burger and he took a bite and screamed in excruciating agony and wound up in the hospital with his tongue burned off.

Qin: WHOA! I remember that girls, that was so awesome.

Nico: Yeah that was funny.

Nico hugged them both.

Nico: I missed you girls.

Hailey and Helia: We missed you too Nico.

Nico: Now, about those snow cones?

I pointed to a Snow Cone cart that coincidentally Professor XXXL was running.

We went and got some snow coins and they were really refreshing.

Me: Ahh. Delicious.

Nico: Yeah.

Varie: Refreshing too.

Qin: Very.

Professor XXXL: Thank you very much guys.

Nico: You're welcome.

Helia: Very refreshing.

We later went back home.

---

After Nico's rescue, Lincoln, Me, Ken Knudson, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, The Dynasty Warriors, The Samurai Warriors, The Z-Fighters, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, The Demon Slayer Corps, The Saber Kamen Riders, and TJ Johnson are heading to Pennsylvania, and not only is Lincoln going to rescue the six girls here, but we got word that Android 13 has come back from the dead and he wants revenge on us for destroying him two years ago.

Lincoln: Wow, we're here in Pennsylvania, and I know what we're going to do here, not only am I going to rescue the six girls here, but we got word that Android 13 has come back from the dead and he wants revenge on us for destroying him two years ago.

Me: Should've guessed that he wouldn't stay dead for much longer.

Suddenly, Lincoln's massive white angel wings turned into the color of Moondancer, except for the orange and aurora-colored tips.

Nico: And I should've known Evil Cruel Fluttershy did this. First, she hired those Bounty Hunters and Mercenaries and robot mercenaries to kill us all at The Bike and Brawl biker club, now, she's brought back Android 13. This time, she's gone too far.

Android 16: As long as she's still alive, she will not stop.

Lincoln: That's right, and forget about using The Stare on her later on today, I'm going to rip her to shreds for those two stunts she's pulled, and that'll be for after Melanie Moondancer, Moondancer, and I weaken her and I drain her dry of all that hatred she has inside her. And thanks for joining us, TJ.

TJ Johnson: You're welcome, Lincoln.

?: HEEEELLLLLLP!

Suddenly, Lincoln heard the sound of six girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the six girls, but they've been cornered by Android 13, and he's going to kill them.

Lincoln: Let's get over there at once, guys, I found the six girls, but they've been cornered by Android 13, and he's going to kill them.

?: (Girl's voice) (Japanese Accent) That homicidal creation of Dr. Gero, let's get him.

Suddenly, we saw the Duel Monster, Quintet Magician, appear before us.

Nico: Whoa, that's Quintet Magician.

Lincoln: And I'd recognize that Japanese accent, I knew it was you, Yuriko Kuintettomajishan, but we'll talk later, time to put a stop to Android 13 for good.

We rushed on over, and Lincoln fired powerful rainbow energy balls and elemental forces at Android 13 and that allowed the six girls to get to safety in a rainbow energy field created by Lincoln to protect them from Android 13. When Android 13 saw us, he was enraged.

Android 13: You miserable little punks, don't think I've forgotten about what you did to me.

Lincoln: You deserved to die in the first place, you were nothing more than Dr. Gero's lackey and an instrument for his delusional ambitions and desire for revenge against Master Goku. But, your creator paid the price for his crimes, and now, it's your turn.

Suddenly, Android 13 absorbed the energy reactors and memory chips of Android 14 and Android 15 into his head and chest. Suddenly, his muscles bulked up extremely and his vest was destroyed, with grey areas on his shoulders, stomach, chest, and back, his pupils and irises vanish, and the sclera of his eyes turn yellow. Android 13 had transformed into Super Android 13.

Lincoln: So, he's gone all out, huh? Alright, then, you asked for it.

TJ Johnson: You're heading for the Scrap heap, Android 13.

Lincoln made a Shadow Clone of himself and he went with TJ.

TJ Johnson and Lincoln 2: SHIFT INTO TURBO!

TJ transformed into his Turbo Red Ranger form and Lincoln's Shadow Clone transformed into his Turbo Orange Ranger form.

Lincoln: Now, let's get him.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, The Dynasty Warriors and Samurai Warriors got out their weapons, Lincoln's sisters transformed into their Super Angel Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Greatsword of Elemental Justice and Eternal Bravery from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Cameron, The Demon Slayer Corps, The Ghostforce, The Louds' Ancestors, The L-ementals, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their weapons, Rayman unholstered his massive Celtic Dream Glade's Greatsword of Celtic Dream Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Celtic Dream Glade Angel of Moonlight Justice and Celtic Dream Hope, and Me, Ken, Nico, Nicole, and Eli unholstered their massive swords and we transformed, and went after Super Android 13, and they fired powerful blasts of rainbow energy, colored energy, elemental forces, rainbow crystal, rainbow super lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, steel orbs, throwing axes, elemental forces, and mythological animals, and they exploded with incredible power as they hit him.

TJ and Lincoln's Shadow Clone also blasted Super Android 13 with their blasters, and this made him very mad. Suddenly, a figure ambushed Super Android 13 from nowhere and blasted him, and we saw who it was: it was Android 14.

Super Android 13: What, but?

Android 14: Mistress Vypra brought me back, and now, I'm a member of The Masters of Evil. Lincoln, he's all yours.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) Much appreciated, Android 14.

Then, Lincoln sprouted out one of his eleven massive, long, and powerful werewolf tails with Cell's suction stinger, which opened into a giant sucker. He latched it onto Super Android 13, and it was pointless for him to try and get out, then, Lincoln absorbed him into his body, and he suddenly gained a massive power and intelligence boost. Then, an energy card with Android 13's soul inside it formed in Lincoln's large left hand, and when the kanji appeared on Android 13's forehead, he was erased by The Black Gates forever. We cheered wildly as we holster our weapons and power down, and Lincoln's Shadow Clone vanished, and Android 14 teleported back to The Masters of Evil's HQ.

Lincoln: That's it for Android 13, and good riddance. (To Yuriko Kuintettomajishan) And it's so good to see you again, Yuriko Kuintettomajishan.

Yuriko Kuintettomajishan reverted back to normal, and she's a beautiful girl with short neck-length purple hair, dark purple eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has massive beautiful dark purple angel wings, and she reigned in the power of Quintet Magician, and she's dressed in a short-sleeved dark purple blouse, sleeveless purple midriff top, purple skirt, purple pants, purple legwarmers, purple sneakers, and long sleeveless purple trenchcoat with magicians and stars on the coattails, and Quintet Magician on the back, and holstered on her back is a large Quintet Magician-themed greatsword with Quintet Magician etched on the 7'0" massive, wide, double-edged purple blade, large purple angel wings for the crossguard, large dark purple gem embedded in the rainguard, longer black handle, and a large purple gem surrounded by angel wings for the pommel.

Yuriko Kuintettomajishan: (Japanese Accent) You too, Lincoln, it's been a long time, and it's good to see you too, Luan.

Luan: You too, Yuriko.

Lincoln went up to Yuriko Kuintettomajishan and they hugged, and Yuriko Kuintettomajishan is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw his vampire fangs and his massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his deeper manly voice.

Lincoln: It sure has, I haven't seen you when you were fifteen, and as you can see, I really grew a lot since then.

Yuriko Kuintettomajishan: (Japanese Accent) Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you also have vampire fangs and massive white angel wings, that's amazing.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Yuriko Kuintettomajishan, she's not only my Guardian Angel from Japan, but also my classmate in Science, but she's also taken an interest in magic, and we worked together to practice every magician trick. Her last name, Kuintettomajishan means Quintet Magician in Japanese.

Nico: That's really awesome.

Luan: Yeah, and they even practiced magic tricks with me, and to show my thanks, I arranged a date where I, Eddy, Lincoln, and Yuriko would have fun on the beach, and Yuriko kissed Lincoln on the lips, it was so sweet.

Luan showed the picture of Yuriko and Lincoln kissing, and Eddy and Luan saw it.

Me: Hey, I remembered that day, that was really awesome.

Nico: That's really awesome.

Luan: Just like when I arranged a date for Lincoln and Aura to be in that Italian restaurant.

Lincoln: Plus, I found out she's also the cousin of Rockna Hiiragi.

Me: Rockna's going to enjoy seeing her cousin again.

Suddenly, Lori turned pale when she saw Yuriko, and Yuriko glared at Lori.

Luan: And that's also another thing, Yuriko also hates Lori with a burning passion, and it stems from the beach date I arranged.

Nico: Lori, what did you do?

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared around Yuriko Kuintettomajishan's neck with dark purple gems on the gold thunderbolt links and dark purple crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Elemental Thunderbird Necklace of Eternal Love, and her new Elemental Thunderbird Choker of Eternal Love appeared on her neck.

Yuriko Kuintettomajishan: (Japanese Accent) (Surprised) Lincoln, is this…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're part of my harem and one of my many future wives, Yuriko.

Yuriko Kuintettomajishan had a smile on her face and tears in her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around Yuriko Kuintettomajishan's waist and Yuriko Kuintettomajishan wrapped her left arm around Lincoln's thick muscular neck, and he leaned down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the six girls, and when Lincoln saw them, he recognized them immediately. The six girls are Nicole Spears from Beywheelz, Aoi Hinami, Yuzu Izumi, Fuuka Kikuchi, Minami Nanami, and Hanabi Natsubayashi from Bottom-Tier Character Tomozaki.

Lincoln: Oh wow, it's Nicole Spears from Beywheelz and Aoi Hinami, Yuzu Izumi, Fuuka Kikuchi, Minami Nanami, and Hanabi Natsubayashi from Bottom-Tier Character Tomozaki.

Nico: Awesome.

Lincoln: Are you girls okay?

Nicole Spears: Yes, we're okay, thanks to you.

Then, when Nicole Spears and the other five girls saw who it was that saved them from Android 13, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

Nicole Spears: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made five clones of himself, and he and the five clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Nicole Spears: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, six Thunderbird Necklaces of Eternal Love appeared on the necks of Nicole Spears, Aoi Hinami, Yuzu Izumi, Fuuka Kikuchi, Minami Nanami, and Hanabi Natsubayashi with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, and they also have on their new Elemental Thunderbird Chokers of Eternal Love on their necks too. Lincoln and his group returned to the World Tree Estate and we told everyone what happened, and they were shocked when they found out the villain we went after was Android 13, who came back from the dead wanting revenge on us for destroying him two years ago, and even worse, they found out that Evil Cruel Fluttershy brought him back from the dead.

But, when Lincoln showed what we did in roughing him up, along with Android 14 showing up to give us a hand, and Lincoln absorbing Super Android 13 into his body and sending that homicidal android to The Black Gates, everyone cheered for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Yuriko Kuintettomajishan have a lot of catching up to do now that she's back in town.

Maria: I can't believe that cruel monster would do this, first, she hired a ton of bounty hunters and mercenaries and robot mercenaries to kill us at The Bike and Brawl biker club, now that monster brought Android 13 back from the dead?! She's just making her death a lot more painful.

Lincoln: My thoughts exactly. She's a monster with a black heart of cruelty and a penchant for blood who needs to be destroyed for good.

Me: You got that right, Linc.

Nico: She's going to get it big time later on today.

---

After finally getting rid of Android 13 and this time for good, we were training intensely in the gym, this time, doing 500,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Yuriko Kuintettomajishan saw Lincoln working out like crazy, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Yuriko Kuintettomajishan: (Japanese Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Yuriko, and I can still defend

myself, and in addition to getting stronger, I've also gotten smarter as well.

Yuriko Kuintettomajishan: (Japanese Accent) That's incredible.

Nico: It sure is. So, Yuriko, what's the story on why you hate Lori with a burning passion, and Luan said it stemmed from the beach date she arranged?

Yuriko Kuintettomajishan: (Japanese Accent) You're not going to like this one bit, Nico. We were down at the beach having an awesome time there, but then, we heard the sound of a van barreling towards us, and only Lincoln, Luan, and Eddy knew the sound of that van, it was Vanzilla, and then, we saw the driver in Vanzilla was Lori, and she was extremely insane with red eyes and sharp fangs replacing her teeth. She ran towards us in a fit of demonic rage and she was going to kill us, but Lincoln, Luan, and Eddy fired blasts of light and lightning which hit her, but it didn't knock her out, in fact, it made her even more angrier than ever. Lori got out a knife and she stabbed Lincoln in the stomach, but he didn't fall to the ground, and his wound healed up thanks to the superhuman regeneration from the vampire blood of Adriana and the blood of some of his Guardian Angels, but Lori still wanted to kill him and she had a demonic grin on her face, that's when I lost it and I pounced on her and I started pummeling her badly, and Luan, Lincoln, and Eddy joined in, and when we were done, Lori was badly mangled.

We gasped.

Nico: I can't believe Lori would do something like this!

Luan: Lori went too far that time, but that psychopath was unable to see that Lincoln's superhuman healing kicked in and his wound healed up, and Lori was still out for blood, and I also got Lori to blab it out, saying that Lincoln wasn't back at home being miserable and doing her chores like the slave he's supposed to be, and she hated me for siding with him, and that idiot was too stupid to realize I had a wire on. Lincoln tied Lori up with an energy rope and called J.D., and told him what happened, and when we handed him the tape and he heard Lori's voice, he picked Lori up and dragged her back home, and when the tape was played to Mom and Dad, they lost it and Lori got grounded for fifteen weeks, and Lori lost her phone and the keys to Vanzilla. But, that's not the end of it: Leni kicked Lori out of their room and told Lori to go sleep in the basement, and that's where Lori wound up.

Eli: That's what she got for being a bad older sister.

Lincoln: And if that wasn't enough, Luan called a meeting with Leni and Luna, and they decided that Lori would be suspended from The Babysitters Club until her punishment was up, and they made sure to contact their clients, who needless to say, understood Luan, and they don't want Lori anywhere near their kids until her punishment's up.

Me: Yeah, and I was there when Mr. Lynn and Ms. Rita announced Lori's punishment, and she had a demonic anger in her eyes, but I glared at her and she ran off to the basement.

Nico: Sheesh, Lori was really cold-blooded and heartless, and you guys really stood up to her big time.

Luan: You have no idea, and like Lincoln, I had just about enough of Lori and her heartless behavior, I always knew it would get her hoisted by her own petard.

We got a shower afterwards, and then, we were heading to Lynn's Table, because today, we're having a cheeseburger eating contest, and it would be between me, Nico, and Lincoln.

P.J.: Hey, are you guys sure it's a good idea? I mean, Nico will clean house, thanks to his Saiyan's appetite.

Max Goof: P.J.'s right, you remember how many food eating contests that guy's won?!

Lincoln: You bet, but this is going to be one awesome competition, and he likes a challenge, so who am I to deny him that?

Nico, Lincoln, and I got seated and right in front of the spectators who were there, and Buster Bunny was the announcer.

Buster Bunny: Good afternoon, Gotham Royal York. Welcome to Lynn's Table, today, three of Team Loud Phoenix Storm's members, Nico Chan, J.D. Knudson, and Lincoln Loud are about to compete in the cheeseburger eating competition. How an idea like this came up, you ask? This was due to our exploration of the planet of Krabby Patties yesterday, and the thrashing of the evil version of The Vengeance Express for what they did to The Eds. Now, these three will compete to see who can eat the most cheeseburgers.

We then saw a massive tray of cheeseburgers being brought out and they looked good. Lincoln's hair changed from white to purple, but the rainbow highlights in the bangs remained the same. Lynn Sr. was at the timer.

Buster Bunny: Ready. Set. CHOW DOWN!

When Buster said chow down, we got to doing just that as we began chowing down on cheeseburger after cheeseburger. I got way too full and I dropped out, but Nico and Lincoln were still going, and this got the attention of Max Goof and P.J., and then, Nico and Lincoln ate the last cheeseburgers.

Buster Bunny: Whoa, it's a tie. Lincoln and Nico won the cheeseburger eating competition.

Everyone cheered for them. Suddenly, Lincoln and Nico let out massive and monstrous belches, and massive winds went flying out of their mouths and out the doors, and hit The Vengeance Express who were out there waiting to pound the Eds, and they were sent flying back to The Masters of Evil's HQ. We went back home, and Nico and Lincoln have gold cheeseburger-themed trophies.

Nico: Wow, Lincoln, you sure have got one massive appetite!

Lincoln: Thanks, Nico.

P.J.: But, how is that possible?! Wait a second, didn't Lincoln slay six of the most evil Saiyans in existence?

Max Goof: Yeah, he killed Raditz, Nappa, that evil version of Master Vegeta, Turles, Cumber, and Broly. And if I remember right, we all have the ability to assimilate the powers and abilities of the villains we've imprisoned or killed/destroyed, and Lincoln also has the absorption abilities of Cell, Majin Buu, the evil versions of The Pillar Men, and the ability to suck out a villain's brain.

P.J.: But, which of those evil Saiyans did Lincoln absorb when they went to Colorado?

Max Goof eventually remembered which evil Saiyan it was that Lincoln absorbed when we went to Colorado for his rescue.

Max Goof: Broly. Then, that means…?!

P.J.: Lincoln's also acquired the Saiyan's ability to eat a lot of food when he absorbed Broly, we know when his hair changed to the color of the Purple Wisp, he goes right into a food-eating frenzy. Now, combine that with the Saiyan's ability to eat a lot of food, and he becomes a food-eating machine.

We gasped in awe.

Nico: Holy guacamole! (Laughs) Dang, Linc, you gave me a run for my money when you were eating cheeseburger after cheeseburger.

Lincoln: It was a lot of fun, but I've eaten a lot of food before, cheeseburgers especially, Nico. But, I never knew this would happen that I also acquired a Saiyan's appetite when I absorbed Broly.

Max Goof: That was a surprise to many of us, but P.J. and I pieced the clues together.

Eli: Plus, those monstrous belches you guys let loose sent The Vengeance Express flying back to The Masters of Evil's HQ. They were waiting for the Eds to come out, so they can attack them again.

Nico: Next time, someone needs to put a collar on them.

---

Later at the park we were having a great bonding session.

Fairy Leviathan: Maxxine, you and Sougo are up for bonding time.

Maria: Thanks for joining us, Fairy Leviathan.

Fairy Leviathan: Not a problem Maria. It's gonna be awesome being with you all.

Nico: It sure is.

Maxxine: But I'm so excited with this.

Sougo: Me too.

Qin: We all are.

Hailey and Helia had a huge pot brought out and it was full of glowing neon blue chili.

Helia: You guys are going to love this.

Hailey Nostradamus: Nico and us made this.

Hailey and Helia: It's our Worlds Spiciest Chili, the Blue Nova Phoenix Reaper Chili.

Me: Oh boy!

They gave us bowls and poured the chili into it and it smelled awesome.

Me: It smells awesome.

I accidentally spilled some and a tiny glob landed on the ground and a huge ball of blue flames erupted out of the spot.

Me: WHOA! It's like fiery lava from the core of a quasar!

Helia: It's just that powerful.

I took a bite and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I bursted into a massive pillar of blue fire and it was incredible! I got a massive and powerful blue fire aura around me.

Me: WHOA! That is delicious!

Qin: Wow!

Many of us got to trying it and the same thing happened and it made us more powerful.

Qin: Wow! Just as delicious as always guys.

Me: Yeah!

Hailey and Helia: Thanks guys.

Maxxine: I'll never regret meeting you, Sougo.

Sougo: Me neither. Those were amazing and awesome adventures we all did during your Ambassador Missions.

Maxxine: Those were some of the best ever. And we helped take down some of the Another Riders there.

Me: Boy we sure did. Those were really intense.

Qin: Yeah they sure were from what we heard.

Laney: Yeah no kidding there.

Varie: Especially Swartz who was Another Decade.

Me: But it was awesome that Ohma Zi-O helped us on the big day mission.

Mizore: Now, we just need to defeat the remaining Another Omnitrix Aliens.

Me: Yep. We only have a few more to go.

Nico: And then Swartz's mess will be cleaned up. But we'll still do awesome gene-slammer rescue missions.

Qin: Yep.

Varie: I hope the Neo Core members go this time.

Qin: Yeah that will be awesome.

Nico: Yeah.

Sougo: Out of all the Another Riders we faced we all thought it was so awesome how we faced them all.

Me: I know. We had 20 years of Riders.

Sougo: Maxxine, did you have any siblings before meeting me?

Maxxine: Just my little brother. You would love him Sougo. He is always excited about everything I do with everyone.

Sougo: Oh.

Me: You faced Another Build first from what I saw and that was intense.

Sougo: Yeah that was the first Another Rider that I took down.

Geiz: It was also the first Another Rider that we fought after Sougo turned into Kamen Rider Zi O again.

Me: That's right. We took down the Another Riders too and because of that we got these awesome Legend Items.

Nico: Boy we sure did and now we have an awesome arsenal of Kamen Rider tools all imbued with the powers of the Masters of Evil. So in a way Swartz making the Another Riders, Sentai Rangers and Powers Rangers proved to be his downfall.

Sougo: That is for sure. And J.D. you unleashed your most powerful and ultimate transformation on Swartz.

Me: I know. That was so epic. Eternal Celestial Xelnaga is my most powerful transformation ever. I'm not really sure it can get more powerful than that.

Nico: But it was still epic seeing you battle Swartz at that kind of magnitude of power.

Me: It sure was.

Maria: Let's not forget that Jock turned out to be Another Build.

Me: That was incredible facing him like that. And lets not forget that Crockerfucker and Burns were Another W.

Shotaro: That is crazy that they were like that!

Nico: Yeah it sure was.

Sento: I can't believe that Jock Jockerson was another me!

Qin: Yeah no kidding there.

Me: And Dark Lynn was Another Faiz. Takumi is gonna have a field day when we tell him about that in 2023.

Nico: No kidding there.

Qin: Yeah.

Double D: If it weren't for Jock's gloating, he would've torn me apart with Magneto and Dr. Polaris' Fullbottles.

Me: Yeah. He always was an incessant gloater.

Nico: Yep. And now we are finally rid of the Sullen 6 and the Vengeful 6. Minus G1 Starscream who is my prisoner and Plankton who defected.

Me: That's true.

Sougo: You have G1 Starscream as your prisoner?

Me: Well it's not G1 Starscream entirely it's his Spark.

Optimus Primal: That's right. Starscream was one of the most notoriously infamous Decepticon Traitors in Cybertronian Lore.

Qin: Yeah it's why the files on him were so highly restricted on Cybertron by the Maximal Elders. Optimus Primal told us so himself.

Camie: Yeah.

Maria: Don't forget Vlad.

Me: Yeah no kidding there. But that was when Dark Danny reappeared for the first time in 3 and a half years.

Nico: I took down Dark Danny the first time when I joined the team. That was one of the most incredible fights ever.

Qin: Yeah it sure was.

Me: We had to have the entire team come early because it was an emergency situation.

Haruto: That's right. That was amazing seeing you all in action though.

Sougo: Wow that is incredible.

Varie: It sure was.

Tsukuyomi: Yeah it sure was.

Me: Yeah. But the shocking part was that Maki turned you into a Greeed, Tsukuyomi.

Tsukuyomi: Better then bring turned into Another Rider.

Me: Yeah but at least I was able to save you from that. Also I gave Clyde and Syd a very secret mission because of the missions we had with Sougo and his team during that time.

Clyde: We were in charge of keeping the Timejackers occupied till the big day.

Syd Chang: That way you won't have to be stopped by their powers.

Me: Not that we were affected by them anyway.

Tsukuyomi: But it was really awesome how you did that. That was a really an awesome strategy.

Pesto: Hey, does anyone want my input on all this?

Sougo: We pretty much covered everything. So, no thanks.

Pesto: Okay fine. That's just fine.

Maria: Why are you mad? I mean, madder then usual.

Pesto: I'm not madder then usual. I just feel kind of left out, you know? I'm just sitting here. I haven't even pummeled anyone in months. But I feel like I have a little bit more value, you know, more to offer than-

Go: (laughs) Don't worry. If we have any bird seed to give you, we'll let you know.

Pesto: (sighs) Forget it.

Squit: You still have the strength of a courageous bird Pesto.

Pesto: What do you mean by that?

Squit: You're courageous. You know you're brave in the face of danger.

Pesto: Are you saying that I'm a coward? Is that what you're saying? What? I'm a cowardly lion here to amuse you!?

Squit: No I didn't say that! I just said you were courageous!

Pesto: I am courageous?

Squit: Yeah that's what I'm saying.

Pesto: DAT'S IT!

He jumped Squit and pulverized him all over in a fight cloud!

Pesto: I'LL GIVE YOU COURAGEOUS! HERE'S YOUR COURAGEOUS! I'LL MAKE GRAVY OUT OF YOUR WINGS YOU

BIG SACK OF GARBANZO PASTE!

Bobby laughed hysterically!

We laughed with Bobby.

Me: That is so funny!

Nico: YEAH!

They stopped and Squit was badly beaten up.

Me: Ouch.

Maxxine: You're not at all bothered that Lola jokingly said that Nico thought Goobot's former teammates were as cute as you?

Poromon: Or the fact that if you had one of your temper tantrums and beat them up, Swartz's goons would've caught up to us?

Pesto: Nah.

Me: Oh come on Pesto it was just a joke. They didn't mean to hurt your feelings like that.

Qin: Everyone loves a good laugh.

Nico: Yeah.

Pesto: I know I can have a temper. But I really am feeling left out! And that's no reason for Zix to point his gun at me!

Me: Yeah that is no reason at all.

May: Yeah.

Camie: Besides you are still a big help with the Goodfeathers as you are with us.

Pesto: That's true.

Sougo: Also you did help the Warner Siblings and their friends get Wakko to the Wishing Star and beat Salazar.

Nico: Yeah. So that has to count for something.

Pesto: Thats true.

Poromon: But I don't blame Goobot's former teammates for betraying him for us.

Me: Me neither.

Nico: Yeah.

Qin: I thought it was a good turn of events.

Laney: That's right.

Brimstone: What are those?

Me: What is it?

We then saw 12 figures come and they were THE 12 ZODIAC ZODIARTS!

Me: Whoa! All 12 Zodiarts for the Celestial Zodiac!

Nico: And they are all female this time.

Female Aries Zodiart: That's right.

They reverted back and we saw that they were a bunch of friends I know.

Me: Wow! Girls you look great! Adriana it's great to see you and all the girls again.

Nico: Care to introduce us?

Me: Sure. Everyone meet the Celestial Zodiac Sisters.

Everyone was introduced to Adriana Aries, Tina Taurus, Gina Gemini, Camie Cancer, Leona Leo, Virginia Virgo, Lisa Libra, Sonia Scorpio, Selene Sagittarius, Connie Capricorn, Aqua Aquarius and Penelope Pisces.

Nico: Wow! It's awesome to meet you all and I see why you're all called that because of the Zodiac symbols on your arms.

Connie Capricorn: That's right Nico.

Camie Cancer: We were all born over the course of 1 year on each of the 12 Constellations of the Zodiac.

Adriana Aries: I was born first so that makes me the eldest.

Penelope Pisces: And I am the youngest.

Lori: That is literally amazing.

Varie: It sure is.

Leona Leo: I agree too.

Virginia Virgo: Indeed it is.

Lisa Libra: It's amazing that we represent the 12 Zodiac Constellations too.

Ultra Magnus: You know we have to fight you girls now, right?

Gina Gemini: We know. But it's gonna be so fun.

Sonia Scorpio: Yeah it sure will.

Me: Also Tina, Leona, Lisa, Sonia? Lucky, Champ, Balance and Stinger here are your representations.

Lucky: That's right. I'm for Leo the Lion.

Champ: I'm for Taurus the Bull.

Balance: I'm for Libra the Scale.

Stinger: And I am for Scorpio the Scorpion.

Leona Leo: That's cool!

Tina Taurus: Right on man! That's cool!

Lisa Libra: It sure is! We're honored.

Sonia Scorpio: We sure are.

Me: And Lisa you know I was born on October 14th so that makes me a Libra.

Lisa Libra: That's right.

Me: Cool. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Nico: YEAH!

The girls turned back into their Zodiart forms!

Eddy fired his blaster at Connie.

He blasted her down and she was the first to change back to normal after she exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I picked up her switch and purified it and it turned into a Capricorn Sword!

Qin: YEAH!

Nico: Varie get her over to us.

Varie did so.

Connie Capricorn: (GROANS) What a headache.

Varie: You'll be all right.

Me: Sorry about this girls.

Zarya: I'll do one.

Zarya fired an arrow and it hit the Leona and she exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I purified her switch and it turned into a sword.

Ultra Magnus bashed down the Sagittarius, Pisces, Virgo and Cancer Zodiarts and they were back to normal and I purified their switches.

Maria: How many to go now?

Me: Six left.

Nico fired waves of lightning and blasted the remaining six down and they were back to normal and I purified their switches and they got swords.

Nico: That's that.

We helped them up.

Leona Leo: (GROANS) What a headache.

Selene Sagittarius: I'm never going to mix tequila and wine again.

We were later back at the estate and getting ready for our next mission.

Sheep Man: Where to now?

Nico: You'll like it. I've been planning this one for a while. We're going to meet Shero from the 2016 Turkish movie Bad Cat.

Qin: That movie is cool!

Nico: Yep but first we're going to watch the movie so you can get an idea on what it's like.

Camie: Awesome!

Connie Capricorn: This will be awesome.

Qin: Yep.

Then Marluxia, Xaldin, Xigbar, Myotismon, Misty Tredwell, Duff Killigan, El Oso, Eccentro, Avalanche, and 2016 Morbucks appeared.

Marluxia: Can we watch the movie with you guys?

Nico: Sure and Misty you can sit with J.D.

Misty Tredwell: Thanks Nico.

We got to watching the movie.

Shero, a crass and short-tempered cat owned by a man named Tank, has sent his associates, Rifki the seagull and Riza the rat, to obtain liquor for a barbecue that night. Another cat, Black, informs Shero of an attractive Siamese cat named Princess in a nearby apartment. When her cartoonist owner leaves for work, Shero and Black sneak into the apartment to seduce Princess, but she accidentally kills herself in a panic. The cartoonist returns home to find Princess dead and furiously attacks Shero and Black. Black is killed, and Shero engages the cartoonist in a fight that results in the cartoonist's death when they both tumble out the window. On his way back home, Shero meets a young cat named Taco, who claims to be Shero's illegitimate son. Shero rejects Taco and goes to steal some fish from Hazel, Tank's landlady. Hazel retaliates by threatening Tank with eviction unless he can cover months of unpaid rent by the next day. An angered Tank ejects Shero from his home and blocks every possible entrance. While smoking and sulking, Shero witnesses a beautiful Angora cat named Misscat being harassed by a pair of dogs and rescues her by beating her assailants. Shero attempts to seduce Misscat but is turned down and told to meet her again on the same rooftop that night. Meanwhile, the brainless cadaver of the cartoonist is revived by an ambulance defibrillator. The cartoonist hijacks the ambulance and begins a vengeful search for Shero.

As Shero obtains a bouquet for Misscat, the cartoonist finds the two dogs and forces them to lead him to Shero; Taco, who was rummaging for food, witnesses this transaction and follows them.

Shero and Misscat rendezvous and prepare to make love when they are captured and tied up by the dogs and the cartoonist. Before the cartoonist can electrocute Shero, Taco appears and frees Shero, who fights the cartoonist and throws him off the building and into a dumpster, along with the dogs. Taco is once again brushed off by Shero, and he reveals that his mother, a past mate of Shero's named Mimosa, is dead. Shero and Taco bond after a brief exchange of fists and Taco helps Shero attempt to obtain liquor from the local grocer. However, the cartoonist, having hijacked a passing garbage truck, absconds with Taco during the mission, forcing Shero into a chase. Shero rescues Taco as the garbage truck plunges into the sea, and Shero once more kills the cartoonist in an underwater fight. As Shero and Taco make their return home, Hazel chases off Misscat and installs barbed wire to further prevent Shero's entry. The cartoonist's body is lifted out of the sea by a rescue team, and he is once again revived when his body comes into contact with power wires.

After Rifki and Riza's latest attempt to retrieve liquor ends in failure, Riza proposes to Shero that they can all get what they want by robbing a bank. The cartoonist is apprehended by the police, but he hijacks the police car when the bank's robbery is reported. As Shero and the group make their getaway, Taco takes a bullet for Shero from the cartoonist. Shero, believing Taco to be dead, discards the stolen money into a crowd of people in his grief, and he leaves with Taco's body in the confusion. Tank comes across Shero and Taco and takes them back home in the absence of available veterinarians. Tank and Shero successfully treat Taco's bullet wound and revive him, and Rifki and Riza return with a single pack of money from the robbery, which is used to clear all of Shero and Tank's debts. The last of the money is used to hold Shero's barbecue. The celebration is cut short by the arrival of the cartoonist, who has taken Misscat hostage. Shero and Tank engage in one last fight against the cartoonist and finally destroy him in a gas explosion. Shero and Misscat watch the fireworks and confess their love for each other. They then have sex, and end up bouncing across the world as the credits roll.

When it was done we laughed hysterically and it was funny! We were having a great laugh.

Misty Tredwell: That was so funny!

Nico: Yeah it was!

Laney: So our target is that Cartoonist.

Varie: Yeah that looks like it.

Me: His name is Cizar.

Nico: Yep.

I pulled up his info.

---

Cizer is the main antagonist of the 2016 Turkish computer-animated film Bad Cat, which is based on the comic series of the same name. He is a cartoonist who is the owner of his pet cat named Princess, but after Shero accidentally made her kill herself, he became obsessed with getting revenge on him.

He was voiced by Okan Yalabik in the Turkish version (who also voiced Adnan), and Conrad Vernon in the English dubbed version.

Cizer is first seen sleeping on his desk and getting woken up by Princess. He hugs Princess and realizes that he's late, so he turns on the radio and leaves for work. Shero and Blacky break into the apartment and try to seduce Princess, but they accidentally made her drop a lamp on herself and get electrocuted to death. Cizer comes back and the two cats hide in the bathroom. Cizer finds her corpse and cries over her death. Shero and Blacky try to escape and Blacky closes the door. Cizer hears this and grabs some scissors as he breaks into the door. Blacky tries to explain, but Cizer throws the scissors into his chest, killing him. Cizer grabs his knife to kill Shero, but Shero lunges at him and attacks his face. He gets his arm stabbed in the fight and they fall out of the window because Cizer accidentally tripped over Blacky's corpse. Cizer dies upon impact and his head cracks open, while Shero manages to survive.

His body is taken to an ambulance and his body begins convulsing, despite his brain being in a jar. The nurses electrocute him to an excessive level and he awakens from his nightmare in the form of a zombie. He attacks the doctors and throws them out of the ambulance as he carjacks it.

He eventually finds Taco on the street and tries to run him over as he mistakens him for Shero, but Taco manages to survive. He comes across the two dogs - Adnan and Kopek who fought with Shero earlier and attacks them. He asks them where Shero is and they direct him to his location. They manage to find Shero and Miscat on the roof and capture them. Adnan attacks them until Cizer stops him and tells him that they're mine. He pulls two electric cords out of the tower and fatally electrocutes Adnan. He attempts to kill Miscat, despite the fact that she had nothing to do with the incident. Taco comes and knocks Kopek out and manages to untie Shero, freeing him. Kopek tries to intervene, but the pair knock him aside. Cizer gives himself more power and they lunge at each other, causing the pressure to push them back. Shero hits him with a cylinder, sending him flying into a dumpster. Kopek and Adnan's corpse fell in with as well and the garbage men take them away. However, as the truck drives off, Cizer pulls one of the workers in and carjacks the truck.

After Shero and Taco form a bond, Taco tries to buy liqor from Semistan's store, but Cizer suddenly passes by and abducts him. Shero chases after the truck and manages to get onto it with the help of a pizza delivery man. Taco attacks Cizer and Shero manages to rescue him before the truck falls into a pond. Shero manages to come out, but Cizer pulls him under the water and a fierce battle takes place. Cizer strangles him, but Shero manages to break free and shoves a bottle down his throat, giving him the chance to escape.

The authorities later pull the truck out of the water and Cizer's body. The people notice his body and the construction worker tries to veer it away, but the crane leads him to be hit by some power lines, bringing Cizer back to life and the electricity goes out as Cizer shouts out Shero's name. The police officers then arrest Cizer and throw him into their car. While Shero, Taco and Riza rob a bank, the police hear about it on the radio, so Cizer hijacks the car to get to the bank. The police arrive at the bank and the trio manage to escape. As Shero and Taco flee with the money, the officers continue shooting at them, but Cizer stops them so he can get his revenge. He follows them to the roof of a building and shoots at them as they hide behind a chimney. He follows them, but finds them gone, unaware that they're hiding under the gutter. Shero attacks Cizer from underneath the roof and Cizer falls onto a car. Cizer's gun fires and Taco takes the bullet as he sacrifices himself to save Shero.

While Shero and Tank attempt to cure Taco, Miscat watches from above and Cizer kidnaps her. They manage to cure Taco and Rifki and Riza return with the stolen money to clear all of Shero and Tank's debts. During their barbeque, they find Miscat tied up to Semistan's tanks. Cizer tries to light up the tanks in an attempt to kill everybody, including himself, but Shero stops him and attacks him. Tank joins in and they fight Cizer together. Tank then throws him into a dumpster and the tanks fall onto him, crushing him. Shero lights his cigarette and throws it into the dumpster, causing the tanks inside to explode and end his life for good.

When we were done reading we were shocked.

Me: Man what a jerk!

Fluttershy: I'm going to give him the worst stare and scare ever.

Nico: This is gonna be good.

Xigbar: Me, Marluxia, Xaldin, Myotismon, Misty Tredwell, Duff Killigan, El Oso, Eccentro, Avalanche, and 2016 Morbucks are going with you guys.

Nico: Yes you are and this will be so fun.

Eli: It sure will.

Laney: Yeah!

Kairi: I better go badass for this.

She activated her badass look and was ready!

Kairi: I'm ready to kick that son of a bitch!

Me: Me too Kairi!

Laxus: Nico, which Gene Slammer do you think you'll meet next?

Nico: I'm hoping to do one for an Evolved Kineceleran.

Me: Wow! We never did that one.

Qin: Yeah that one will be really fast.

Helen Wheels: It sure will be awesome to see one like that.

Ellie Singh: Yeah no kidding. And I am a Kineceleran Gene-slammer myself. It'll be cool to see an evolved version of me.

Ben: Yeah that will be a fast one.

Misty Tredwell: Let's get going.

Nico: Lets do it!

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure was: it was none other than Evil Cruel Fluttershy, and she's absolutely furious the Bounty Hunters, Mercenaries, and Robot Mercenaries she hired to try and kill us all were arrested and sent to prison, and Android 13, who was brought back by her, was destroyed forever, and now, she's heading here to destroy us all and get her revenge. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is Evil Cruel Fluttershy on the move?

Lincoln: You guessed it, Nico, and she's absolutely furious that the Bounty Hunters, Mercenaries, and Robot Mercenaries she hired to try and kill us all were arrested and sent to prison, and Android 13, who was brought back by her, was destroyed forever, and now, she's heading here to destroy us all and get her revenge.

Me: That cruel black-hearted monster.

Moondancer: Should've known she'd snap and decide to come after us ourselves.

Melanie Moondancer: She's going to pay for hiring those bounty hunters, mercenaries, and robot mercenaries to try and kill us all.

Lincoln: Same with bringing Android 13 back from the dead. But, we're not going to let her continue on any longer.

Nico: That's right, she's going to die a horrible death for what she's done.

Lincoln: And for trying to ruin one of my future wives' good name.

Butterfly Rose: Trying to ruin Mom's good name, that's just evil.

Mirage Daffodil: Queen Chrysalis is to blame for that one, what a monster.

Nico: That bug's been asking for it for a long time, and now, she's gone for good. Alright, gang, let's go, time to make The Cartoonist pay for his crimes against Shero and his friends.

Lincoln: Committing crimes against Shero, that's crossing a very big line, and you better be ready, Evil Cruel Fluttershy, your days of causing chaos and cruelty throughout Equestria are numbered.

We were off to Istanbul, Turkey!

(ISTANBUL NOT CONSTANTINOPLE BY THEY MIGHT BY GIANTS PLAYS)

As we were flying through the sky I was singing said song.

Me: (SINGING DIVINELY)

Istanbul was Constantinople

Now it's Istanbul, not Constantinople

Been a long time gone, Constantinople

Now it's Turkish delight on a moonlit night

Every gal in Constantinople

Lives in Istanbul, not Constantinople

So if you've a date in Constantinople

She'll be waiting in Istanbul

Even old New York was once New Amsterdam

Why they changed it I can't say

People just liked it better that way

So, take me back to Constantinople

No, you can't go back to Constantinople

Been a long time gone, Constantinople

Why did Constantinople get the works?

That's nobody's business but the Turks

Istanbul, Istanbul

Istanbul, Istanbul

Even old New York was once New Amsterdam

Why they changed it I can't say

People just liked it better that way

Istanbul was Constantinople

Now it's Istanbul, not Constantinople

Been a long time gone, oh Constantinople

Why did Constantinople get the works?

That's nobody's business but the Turks

So, take me back to Constantinople

No, you can't go back to Constantinople

Been a long time gone, Constantinople

Why did Constantinople get the works?

That's nobody's business but the Turks

Istanbul

I was having fun.

## ISTANBUL, TURKEY **T R**

We later arrived.

Rothar: Here we are!

Nico: Istanbul, Turkey.

Qin: Really awesome place and home to so much history.

Camie: It's beautiful.

Varie: That's my favorite building there. The Blue Mosque.

Me: That's my favorite too. The Sultan Ahmed Mosque is a beautiful building here. And it has 413 years of history here.

Nico: It sure does.

Xenia: Yeah it sure does.

Tsuyu: Wow.

Nico: Lets find Shero.

We went and tried to find Shero.

El Oso: (Spanish Accent) Gotta be around here somewhere.

Me: In a city of 15,636,000 people they could be anywhere.

Aylene C.: No kidding.

Qin: Yeah.

We walked around and then we saw a familiar house.

Me: There it is!

We went up to the roof and saw a brown cat with a purple cat. It was Shero and Misscat.

Nico: Are you Shero and Misscat?

Shero: Who wants to fucking know?

Me: Team Loud Phoenix Storm that's who wants to fucking know.

Fisticuffs: You HAVE heard of us, right?

Shero: Yeah who HASN'T heard of you.

Qin: We get that all the time.

Lola: You guys are so cute.

Fluttershy: Oh I think you guys are so cute.

Fluttershy pet them and gave them great love.

Camie: Aww Fluttershy made some friends.

Shero: (smiles) This actually feels nice.

Avalanche: That's Fluttershy for you.

Me: She loves all animals great and small.

Nico: Yeah.

Lincoln: That's my Alicorn Princess of Kindness, Life and Animals.

Qin: Yep.

Misscat: Aw. So cool.

Dr. Ghastly: Shero, have you ever gotten into a fight with a bulldog before?

Shero: No I haven't sorry.

Qin: Oh.

Me: Probably it's best you don't.

Laney: Yeah.

Homer: But if we ever see that monster Cizer, I'll strangle him.

Kairi: After I kick him in his balls and then bite his nose off!

Shero: Can you guys repeat that again? Because it sounds like you said that Cizer's back after all the trouble we went through to kill him the first time!

2016 Morbucks: We DID say that.

Me: Yeah he's back.

Shero: WHAT!?

Me: We're serious Shero. Many of our enemies came back through fucking supernatural means and all that fucking crap.

Shero: (to Pesto) Just so you know, we can't afford to be messing around with each other. Not with Cizer out there again. So, birdboy, if you're thinking about making a scene with one of your temper tantrums, just remember that cats eat birds!

Chompy laughed at Pesto being threatened.

Pesto gulped.

Nico: Chompy that's enough.

Camie: Yeah.

Me: Besides we're going to thrash Cizer into pulp.

Eccentro: Chero, you might look mean on the outside. But deep down, you've got a good heart.

Fluttershy: And he is one of the most adorable kitties ever.

Shero: Aw thank you guys.

Misscat: Yeah.

Nico: That makes you a great cat.

Lola: Yeah you guys are so cute.

Shero: Don't suppose you guys got a spare dumpster to kill Cizer in again?

Deadpool: Dude, you know how much trouble you went through to do that in the actual movie?!

Me: Yeah.

Jamesdean5842: Wade is right. You don't want to do a repeat of that again.

Me: Yeah. So it's best to let us do it by giving him the black gates.

Misscat: Good idea.

Qin: Besides it'll be good to do a different method.

Varie: It sure will be awesome.

Shero: It isn't even my fault that his cat got killed! It was a fucking accident!

Duff Killigan: (Scottish Accent) It's okay, lad. We believe you.

Nico: We do too.

Shero: Tell that to Cizer. He won't stop till I'm dead.

Sirius: We are not going to let that monster torment you again.

Himiko: Yeah what a jerk.

Misscat: He even tried to kill me even though I had nothing to do with it!

Jackie Chan Finn: Geez! This guy's fucking crazy!

Me: He's totally fucked up six ways to Sunday.

Qin: Massively fucking crazy.

Kairi: At least he's not Joker crazy. He was truly fucked up.

Marluxia: He sounds persistant. I'll give him that.

Shero: Yes he is.

Eli: We're not going to let that lousy bum get away with everything he did.

Kaoruko: It's going to end badly for him.

Arixam: Yes it sure will.

Grier: Shero, inform your friends that Cizer's back

Shero: Right.

He went and did so and he brought his friends over.

Qin: Wow.

Myotismon: Any sign of that psycho?

Eli: He's coming from the southwest. He's 500 meters and closing.

Nico: Good. Lets get to him before he gets here.

We were off to face him.

We then arrived in the Istanbul town square and we saw CIZER!

Me: There he is.

Fubuki Kakuyoko: Entrance time!

Nico: You don't have to tell us twice.

We went at him.

He was really fuming and seething with incredible fury and the spirit of fire appeared and she held out her hand and then as he took her hand, she smirked and then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off and blasted him into a fountain and he was all wet and then a phoenix cry was heard and we came out.

Me: Hello you jerk!

Shero: Nice to drop in like this.

Xaldin: You are not touching Shero as long as we're still conscious!

Cizer: THEN YOU ALL WILL DIE!

Qin: You first asshole!

Then…

DING!

SICKENING CRUNCH!

Kairi kicked him square in the crotch!

Homer: WHY YOU LITTLE!?

He grabbed Cizer by his neck and strangled him hard.

Homer: I'LL TEACH YOU TO GO AFTER INNOCENT CATS! (GRUNTS)

Then Major Disaster, Count Spankulot, Black Knight Ghost, Yenaldoshi, Dumbbelltron, Beast Man, Leap Frog, Toad, Dodgeball Wizard, and White Lightning appeared.

Me: No kidding there.

Spankulot: (Transylvanian Accent) He has been very bad!

Black Knight Ghost: Of course he has.

Nico: That's an understatement.

Yenaldoshi: (To Nico) We heard you fought many bounty hunters.

Nico: We sure did.

Dumbbelltron: Were they tough?

Me: Nah they were like what me and the Brave 12 fought.

Serpicon then appeared.

Me: Another round Serpicon?

Serpicon: Yep.

Camie: So, you helped kill Tara's former father?

Serpicon: Yep. J.D. and the others can tell you all about it one day.

Me: That was epic.

Nico: Yep. Kairi, Homer, you beat up Cizer while we have the usual battles and we'll join up with you shortly.

Kairi: Okay Nico.

Homer: You got it!

We got the usual battles underway.

---

Yuriko Kuintettomajishan: (Japanese Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Yuriko, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Yuriko Kuintettomajishan: (Japanese Accent) That's incredible.

Nico: It sure is. So, Yuriko, what's the story on why you hate Lori with a burning passion, and Luan said it stemmed from the beach date she arranged?

Yuriko Kuintettomajishan: (Japanese Accent) You're not going to like this one bit, Nico. We were down at the beach having an awesome time there, but then, we heard the sound of a van barreling towards us, and only Lincoln, Luan, and Eddy knew the sound of that van, it was Vanzilla, and then, we saw the driver in Vanzilla was Lori, and she was extremely insane with red eyes and sharp fangs replacing her teeth. She ran towards us in a fit of demonic rage and she was going to kill us, but Lincoln, Luan, and Eddy fired blasts of light and lightning which hit her, but it didn't knock her out, in fact, it made her even more angrier than ever. Lori got out a knife and she stabbed Lincoln in the stomach, but he didn't fall to the ground, and his wound healed up thanks to the superhuman regeneration from the vampire blood of Adriana and the blood of some of his Guardian Angels, but Lori still wanted to kill him and she had a demonic grin on her face, that's when I lost it and I pounced on her and I started pummeling her badly, and Luan, Lincoln, and Eddy joined in, and when we were done, Lori was badly mangled.

We gasped.

Nico: I can't believe Lori would do something like this!

Luan: Lori went too far that time, but that psychopath was unable to see that Lincoln's superhuman healing kicked in and his wound healed up, and Lori was still out for blood, and I also got Lori to blab it out, saying that Lincoln wasn't back at home being miserable and doing her chores like the slave he's supposed to be, and she hated me for siding with him, and that idiot was too stupid to realize I had a wire on. Lincoln tied Lori up with an energy rope and called J.D., and told him what happened, and when we handed him the tape and he heard Lori's voice, he picked Lori up and dragged her back home, and when the tape was played to Mom and Dad, they lost it and Lori got grounded for fifteen weeks, and Lori lost her phone and the keys to Vanzilla. But, that's not the end of it: Leni kicked Lori out of their room and told Lori to go sleep in the basement, and that's where Lori wound up.

Eli: That's what she got for being a bad older sister.

Lincoln: And if that wasn't enough, Luan called a meeting with Leni and Luna, and they decided that Lori would be suspended from The Babysitters Club until her punishment was up, and they made sure to contact their clients, who needless to say, understood Luan, and they don't want Lori anywhere near their kids until her punishment's up.

Me: Yeah, and I was there when Mr. Lynn and Ms. Rita announced Lori's punishment, and she had a demonic anger in her eyes, but I glared at her and she ran off to the basement.

Nico: Sheesh, Lori was really cold-blooded and heartless, and you guys really stood up to her big time.

Luan: You have no idea, and like Lincoln, I had just about enough of Lori and her heartless behavior, I always knew it would get her hoisted by her own petard.

Me: When Fluttershy does that she scares me!

Qin: Scary!

Laney: But fitting for that jerk!

Cizer then roared in fury and we punched and pulverized him all over and smashed him into dust.

Fluttershy: My goodness, there's no mistaking that voice from anywhere. You can come out now, Evil Cruel Fluttershy.

A figure came straight at us with rage and madness in her eyes, but Moondancer blasted the figure away, and we saw who it was: it was Evil Cruel Fluttershy.

Laval: Whoa, so that's…?!

Fluttershy: Yes, that's Evil Cruel Fluttershy, but she's completely pure evil, and like Cruel Fluttershy, she represents the Element of Cruelty, while I represent The Element of Kindness.

Evil Cruel Fluttershy: You all have ruined every last one of my plans, I could've finally gotten rid of all of you, but no, those idiots were weak to do anything! Now, I will kill all of you!

Evil Cruel Fluttershy came after us again, but Lincoln grabbed her by the neck with his large left hand and he tossed her into a wall with his immense brute superhuman strength, she got out and she was even more madder than ever.

Moondancer: Looks like Lincoln's got her really mad now.

Evil Cruel Fluttershy came after us again in a fit of demonic cruel rage, but she was shield bashed in the head by Melanie Moondancer who had her Elemental Shield of Harmony.

Evil Cruel Fluttershy: Who do you even think you are to get in my way?!

Melanie Moondancer: Someone who refuses to stand here and let you hurt my friends, you cruel black-hearted monster. (Red and Purple energy aura flares up) I am Melanie Moondancer, Champion of Moondancer, The Alicorn Princess of Miracles and one of the 27 girls chosen by The Elements of Harmony to be The Champion of Miracles.

This horrified Evil Cruel Fluttershy greatly.

Evil Cruel Fluttershy: Impossible, The Champions of Harmony have returned?!

Suddenly, Melanie Moondancer's light violet eyes turned neon light violet, and she was surrounded by a red and purple energy aura with Alicorns, moonlight, stars, and magic, she unholstered her massive her Sword of The Champion of Harmony, and as she approached Evil Cruel Fluttershy, she left red and purple energy, stars, magic, moonlight, and Alicorns with every step.

Melanie Moondancer: Evil Cruel Fluttershy, I will never forgive you for the crimes that you committed against Equestria. You are nothing more than a vile creation of that hate-filled bug, Queen Chrysalis, and a cruel black-hearted monster who represents Cruelty in its darkest form, and I will see to it that you receive the ultimate punishment for your crimes: death!

Suddenly, Melanie Moondancer was surrounded by a massive vortex of red and purple energy with stars, moonlight and magic surrounding it, there's an Alicorn flying around the vortex, and inside the vortex is a purple phoenix. Then, as the vortex faded, Melanie Moondancer emerged, but she was changed forever.

Melanie Moondancer has transformed into SUPER ANGEL-ALICORN ETERNITY INFINITY MOONLIGHT MIRACLE ALICORN ANGEL OF DIVINE COSMIC MOONLIGHT MIRACLES AND DIVINE MOON MIRACLE LOVE!

We were amazed by Melanie Moondancer's Super Angel-Alicorn Eternity Infinity transformation, but when Evil Cruel Fluttershy saw it, she went mad and charged at her to kill her while laughing cruelly, but Melanie bashed her in the head with her Elemental Shield of Harmony and she fired a powerful reddish-pink energy blast with stars, moonlight, magic, and Alicorns, and it hits Evil Cruel Fluttershy and sent her flying into a wall, but she's not out yet, and she's really mad now.

Nico: Whoa, Melanie Moondancer's transformed, so awesome!

Me: You got that right.

Ken Knudson: And now, it's Moondancer's turn to transform.

Melanie Moondancer: (Divine Echoing Cosmic Voice of The Moonlight Miracle Alicorn and Divine Moon Miracle Love) **That's right, Ken, and then, the three of us can get after Evil Cruel Fluttershy.**

Moondancer: That black-hearted monster's going to pay for what she's done.

Suddenly, Moondancer's light violet eyes turned neon light violet, and she was surrounded by a red and purple energy aura with Alicorns, moonlight, stars, and magic, she unholstered her massive her Sword of The Knights of The Friendship Table, and as she approached Evil Cruel Fluttershy, she left red and purple energy, stars, magic, moonlight, and Alicorns with every step.

Moondancer has transformed into SUPER ANGEL-ALICORN ETERNITY INFINITY MOONLIGHT MIRACLE ALICORN ANGEL OF DIVINE COSMIC MOONLIGHT MIRACLES AND DIVINE MOON MIRACLE LOVE!

We were amazed by Moondancer's Super Angel-Alicorn Eternity Infinity transformation, but when Evil Cruel Fluttershy saw it, she went even more mad and charged at her to kill her while laughing cruelly, but Moondancer bashed her in the head with her Elemental Shield of Harmony and fired a powerful reddish-pink energy blast with stars, moonlight, magic, and Alicorns, and it hits Evil Cruel Fluttershy and sent her flying into a wall, but she's not out yet, and she's really mad now.

Nico: Whoa, now Moondancer's transformed too?! Really cool!

Moondancer: (Divine Echoing Cosmic Voice of The Moonlight Miracle Alicorn and Divine Moon Miracle Love) **Now, we can send this monster back to where she belongs. You ready, Lincoln?**

Lincoln: You bet I am.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Moondancer and Melanie Moondancer.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Your days of trying to ruin Fluttershy's good name and terrorize everyone in Equestria are over, you cruel black-hearted monster, and we're going to make sure you never come back!**

Melanie Moondancer, Moondancer, and Lincoln went after Evil Cruel Fluttershy, and they fired powerful blasts of rainbow energy, red and purple energy blasts, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, rainbow lighting, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, and Angels at Evil Cruel Fluttershy and they exploded with incredible power as they hit her, and she was being burned badly by The Magic of Friendship. Then, they attack her with their massive greatswords and they left painful scars on her, and because of the purity of the attacks, it really burned her badly, and the wounds she suffered would never heal. Then, Lincoln grabs Evil Cruel Fluttershy by the neck in his large left hand and he began sucking out and absorbing all of her powers and hatred and he and the rest of us made them our own and gained a massive power boost from her hatred, and when Lincoln was done, Evil Cruel Fluttershy was weakened to such a degree she couldn't even stand.

This allowed Melanie Moondancer, Moondancer, and Lincoln to finish Evil Cruel Fluttershy off by firing powerful energy beams and they overwhelm Mean Cruel Fluttershy and they exploded with incredible power, killing her for good. We cheered wildly for what Melanie Moondancer, Moondancer, and Lincoln did to Evil Cruel Fluttershy as they holstered their massive greatswords on their backs and powered down, and the new bodies, clothes, weapons, jewelry, and massive angel wings of Melanie Moondancer and Moondancer are permanent.

Then, as Evil Cruel Fluttershy's spirit appeared, the cutie marks of The Mane 9 on the massive Celtic Cross cutie mark tattoo on Lincoln's wider and more muscular back glowed, along with the cutie marks of The Mane 12 and the Elements of Harmony on my massive greatsword, and Evil Cruel Fluttershy's spirit was surrounded by a magic circle with the cutie marks of The Mane 12 that formed on the ground, and she was chained up by chains of magic and rainbow energy, and the energy images of The Mane 12 appeared from the cutie marks on the circle, and they found her guilty of her crimes, and the energy images of The Mane 12 aimed their horns at Evil Cruel Fluttershy and Lincoln aimed his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds at Evil Cruel Fluttershy.

Lincoln: Evil Cruel Fluttershy, for the crimes that you've committed against Equestria and for trying to ruin Fluttershy's good name, you have been found guilty, and the punishment for your crimes is death.

This horrified Evil Cruel Fluttershy, as she soon saw her days of havoc and chaos are about to end.

Lincoln: MANE 12 HARMONIOUS CUTIE MARK FINAL JUDGEMENT!

Lincoln fires a very powerful barrage of rainbow energy beams with Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, rainbow super lightning, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, and Angels from his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and

Unbreakable Eternal Bonds and the energy images of The Mane 12 fired colored magic energy beams from their horns, and as they hit Evil Cruel Fluttershy's spirit, they exploded with incredible power and her spirit was condemned to The Black Gates, and she was fading away.

Evil Cruel Fluttershy: CURSE YOU TEAM LOUD PHOENIX STORM! (FADES AWAY)

Evil Cruel Fluttershy's spirit was erased from existence by the spirits of all those she's hurt, and she would never return again.

Nico: Alright, that's another member of The Doomsday 23 put down for good, and only a few more to go.

Lincoln: Which means, the next member of The Doomsday 23 to take down tomorrow is Evil Abacus Cinch.

Lyra Heartstrings III: Which means it's up to the three of us to take that monster down for good and revoke her teaching license forever.

Lyra Heartstrings: Yep, you, me, and Lincoln.

Nico: That monster's going to pay for what she did long ago.

Me: Yeah, what she did in abusing The Shadowbolts and turning the human Twilight Sparkle into Midnight Sparkle, that's just going too far.

Lincoln: At least, we got through to Abacus Cinch when she came back from the dead, and we made her realize that what she was doing was wrong.

Nico: You got that right, Lincoln, but we'll make sure that Evil Abacus Cinch pays dearly for all of her crimes for good.

Twilight Sparkle: That's right, that evil version of Cinch deserves to die for everything she's done.

Lincoln went over to Twilight and he wrapped his abnormally massive and powerful muscular arms around her and hugged her while her head was on his bare chest.

Lincoln: Don't worry, Twilight, we'll make sure she never does this to anyone ever again, and that's a promise I'm going to fulfill.

Pinkie Pie: Another Pinkie Promise?

Lincoln: Along with a Loud's Promise, Pinkie.

Nico: Yeah, he's not going to let that monster, Evil Abacus Cinch, get away with what she's done tomorrow. He's going to make her pay for this.

Me: Along with everything else that she's done.

Beast Man: This time, Cizer's not coming back!

Toad: Of course he isn't!

Me: Nope.

Shero: Thank God! That guy was crazy!

Leap Frog: That's an understatement.

Me: Yeah no kidding there.

Qin: He had no right to live after what he did.

Dodgeball Wizard: But now, not even an electric shock will bring him back.

Shero: I think I'll like it here with you guys. Now, who wants some liquor at my place?!

Poromon: I do!

White Lightning: (sighs) Why am I not surprised.

Nico: Yeah but at least he's gone. And we've seen the last of Evil Cruel Fluttershy too. Great job today everyone! Shero and his friends are gonna be put under our protection.

Me: Good.

Qin: Yeah.

Fluttershy: (To the viewers) Just remember to be nice to all animals and they will be nice to you.

Nico: That is for sure.

Qin: Yep.

Nico: Lets go home.

We went back home and enjoyed the rest of the day and went to sleep.

Me: Yeah it sure was. We destroyed Captain Kalus.

Camie: Who was he?

Me: You would not like him. He was the leader of an evil group called the Vandals, an evil group of Anthropomorphic Barbarians and we killed them a couple of years ago.

Nico: That's right.

I went over who they were.

---

Captain Kalus (voiced by Colin Murdock) - The lion-like Vandal Warlord. He uses a crossbow mounted on his right arm. He also has a wide assortment of spears, axes, and throwing projectiles. Kalus rules over the Vandals through intimidation and brute force, and considers humans and other races inferior. He is also shown to have aquaphobia and gets seasick easily, since he very closely resembles a cat. After the final defeat of the Vandals, Kalus is last seen approaching a captured Grimian with a spear, implying that he will execute him. He has shown extremely good hand to hand combat prowess being able to go head to head with Krytus. He has a dimension counterpart who has silver armor, and wears a crossbow on his left arm.

Krocomodo (voiced by Brian Drummond) - A crocodile-like Vandal who is Kalus' second-in-command. He planned to overthrow Kalus and take control of the Vandals as leader, but gives up when Kalus discovered his intentions. It was later revealed that his ancestors and Stanford's started the war between the Vandals and Sentients. He is also adaptable to water environments, though not as much as Sever. He was briefly demoted to third-in-command when Grimian was appointed his position. With Grimian's banishment and eventual execution, Krocomodo returned to second-in-command.

Sever (voiced by Colin Murdock) - A shark-like Vandal. Sever has a keen sense of smell which allows him to detect life forms from a mile away, similar to Krocomodo's. However, he isn't very bright, especially since he often thinks about food. So far, he is the only Vandal on the team who has not tried to overthrow Kalus. In the Vandal Ocean, he leads a team of shark-beings like himself called the Aqua-Jaws, and can communicate with them using high-pitched screeches similar to a whale.

Hatch (voiced by Kathleen Barr) - A crustacean-like Vandal. It is shown that he is an expert in making crude electronics as well as poisons and chemicals, and is able to perform black magic, which he actually confuses with science and technology. His position is as a sorcerer, though most of his 'spells' are actually bits of Sark and Sentient devices he had scavenged. Hatch is capable of creating a magical aura with his antennas that makes him (and others) as he pleases invisible to insects. He is cowardly and sycophantic, and will not hesitate to grovel in the event of a new leader, though he does show more loyalty to Kalus.

Vandal Warriors - Kalus's soldiers (seen so far: Felines, Crocodiles, Sharks, Crustaceans)

When I was done everyone that hadn't heard about it was shocked.

Qin: Whoa! Yeah I remember that.

Lola: That was so awesome!

Nico: Yeah it sure was.

Lola: And the coolest part was seeing Vert and the Battle Force's cars.

Vert: They are always really awesome.

Nico: But at least Zemerick's gone for good. And Zug's with us now.

Vert: I'm okay with that. Zug deserves a better boss. (Laughs) And Stanford's earned his butler back!

We laughed at that remark.

Me: That was funny! But yeah I think he is really happy about that.

Nico: So what is another reason why we're at the mall?

Me: You'll love it Nico.

I pulled out a newspaper article. It said "Phoenix Land Hosting Worlds Spiciest Baked Beans Cookoff."

Nico: World's Spiciest Baked Beans Cookoff? Oh god! Plug your noses for that.

Me: But look at the grand prize.

They saw that the grand prize to the winner is a massive and amazing multi-million dollar mansion that's over 623,232 Square Feet and is priced at over $500,000,000,000.00!

Nico: Holy shit! That is an amazing mansion!

Me: You got that right! Izuku showed this to me 2 hours ago during breakfast and he told me that he wants to win this mansion for him and all his friends so they can live in it at the estate and I agreed to help them all out.

Nico: Wow! That's awesome that you want to do that for them.

Camie: I think it's really cool too.

Himiko: You're not kidding. That is awesome.

Nico: That's awesome.

Me: Yep.

We arrived at the cooking store and we were buying lots of different kinds of hot sauces including the hottest sauces ever.

Me: Whew. These are potent.

Nico: Shero might have looked mean. But he's actually a really nice cat.

Fluttershy: He sure is a really nice cat.

Laney: I agree there too.

Lola: Yeah. But Cizer got what he deserved.

May: You did a good job against him, Fluttershy.

Fluttershy: Oh thank you May. I just can't stand it when Animals get hurt.

Me: You have one of the most kindest hearts ever Flutters.

Lincoln: That's my Alicorn Princess of Life and Kindness.

Qin: Aww.

Vert: That is so awesome.

Me: Yep. Vert Krytus is still at large out there but he has no more respawning chambers so when the time comes we'll gladly help you destroy him once and for all.

Vert: Thanks J.D. You are a true friend.

Me: Anytime man.

Maria: Thank God Cizer didn't scare Horsea like Shaw did.

Nico: No we don't want that to happen again.

Qin: Yeah.

Me: Yeah.

Himiko: By the way J.D. how did you guys beat Kalus the first time?

Qin: That is an awesome adventure we'll never forget.

Nico: It sure was.

Me: Yeah it was.

I went over what happened during the events of chapter 988.

In the Living Room, everyone was watching TV. I came downstairs and I had a box in my hands.

Me: Hey guys. I have something I think you'll like.

Nico: What is it?

Me: This box has my old Hot Wheels cars and track sets. Would you like to play with them?

Lana: Wow! Awesome! I love Hot Wheels.

Lola: I got to see this.

Lana: I got miles of Hot Wheels tracks we can use and I got lots of cars too.

Me: Awesome.

We got to work building the biggest track set in an empty room and it was awesome! We built the biggest Hot Wheels track ever and it was amazing! We built a huge city in it as well. We built a miniature city with buildings and miles of track and more. It took hours to build and it was awesome.

We finished and it was a masterpiece.

Me: Wow! Awesome!

Laney: This is amazing! I didn't know that it was possible to build all this.

Aqua: Me neither.

Ben: So, Aqua. How do you feel now that your Dark Side's gone?

Aqua: Stronger than ever and totally purified.

Sora: That's awesome.

Nico: It sure is.

We made our huge Hot Wheels city solar powered and it was very awesome.

* * *

Later we got a call from an anonymous source from out in the middle of the desert that something is going on. We were flying all the way out to Zeke's Diner. The name was really familiar to me somehow.

Me: I wonder why we got called out here.

Nico: We'll find out later.

Laney: We're already here.

We saw the diner and we landed. We went in and we saw Zeke running the diner.

Zeke: Can I help you all?

Sinestro (to Zeke): Excuse me. We'd like to order some pizza and burgers.

?: You don't have to pay for those.

We then saw Vert Wheeler walking up to us.

Vert: They're on me.

Me: Vert Wheeler!

Vert: J.D. Knudson!

We hugged for the first time in a while.

Me: It's great to see you again.

Vert: Same to you J.D.

Me: I didn't expect to see you here.

Vert: Small world huh? We heard so much about your adventures and more. It's so awesome.

Agura: Yeah they are awesome.

Sherman: My favorite adventure was when you guys defeated Motor Ed.

Me: That was one of our most speedy adventures.

Sophie Necturn: I think he got grounded by Drakken's mom.

Eddy: He did. And Lumpy used static electricity on him rather then smashing him with Edzilla.

We laughed.

Agura: Sorry, I'm Agura Ibaden.

Spinner: Name's Spinner Cortez and this is my little brother Sherman.

Sherman: Honor to meet you.

Stanford: (British Accent) Good day to you all. I'm Stanford Isaac Rhodes IV. But you can call me Stanford.

Zoom: I'm Zoom Takazumi. Pleasure.

Tezz: (Russian Accent) Hello comrades. I'm Tezz Volitov. It's a pleasure to meet you.

A.J.: (Canadian Accent) And I'm A.J. Dalton. Pleasure to meet you eh?

Me: It's an honor to meet you all.

Nico: Wow! You are the famous Battle Force 5! I love how you guys kicked the Vandals butts.

Stanford: That's right Nico.

Gwen (Total Drama): It's a pleasure to meet you A.J.

A.J.: The Total Drama crew. Nice to see some fellow countrymen and women.

Geoff: Same to you dude.

Lana: Wow! I love how you guys thrashed the Vandals. But what really infuriates me is the evil Red Sentient Krytus.

Me: I remember him.

Qin: Who is Krytus?

Me: You would hate this guy Qin. He was a monster that wanted to destroy all life in the entire universe.

I went over his history.

---

Krytus is the main antagonist of Season 2 of Hot Wheels: Battle Force 5. He is the leader of the Red Sentient 5, Vert Wheeler's counterpart, and Sage's twin brother. He drives the vehicle known as the Syfurious

He once he tried to kill Sage, but was stopped by Rawkus, and as a result, made her the last blue Sentient until her people were restored. Krytus possesses high amounts of strength and has the ability to form blades from his hands. He created Zemerik to lead his army, until Zemerik turned on Krytus and imprisoned him in the Krypt Zone.

Due to Zemerik's betrayal, he harbored an intense hatred for his once-loyal creation. Neither he nor the other members of the RS5 seem to remember Vert's involvement in Zemerik's betrayal, though Krytus vaguely remembers the BF5 in Blast from the Past. Because they are twins, Krytus and Sage share a weak telepathic link, which Sage uses to locate him. Though physically stronger, his mental powers are weaker than Sage's. After being forced to work together in Shadow Runners, Krytus admits a grudging respect for Vert and calls him by his name, rather than just "human".

In "Get Zemerik", he finally got the chance to terminate Zemerik, but felt cheated out of revenge when Zemerik's new personality "forgave" him. In Unite and Strike, he destroys a Battle Zone in order to create an intense beta wave, which was capable of not only reaching the Red Sentient homeworld, but also undoing the stasis field that trapped his people, thus freeing them. However, his plans for conquest come to naught as the Blue and Red Sentients, weary of eons of fighting, agree to a new peace and Krytus is forever banished into stasis to a frozen wasteland on a distant planet.

---

Qin and the rest of us gasped in horror.

Laney: So he was banished to another planet for his crimes.

Me: Yes. But I have a feeling that Krytus will be back and we have the Vandals to deal with.

Zoom: The Red Sentient 5 are got punished by the rest of the Sentients. The Sark are currently MIA. And the evil versions of us are stuck in their own Battle Zone.

Ransack: So that leaves those Vandal guys at large.

Agura: If they show up, we'll take them down easy!

Stanford: (rolls his eyes) Figures you'd say that. (Agura steps on his foot) OW!

Me: But we'll gladly help you take them down.

Nico: That's right.

We went to the awesome base of Battle Force 5 and it was an awesome headquarters.

Me: Wow! Your base is awesome Vert.

Vert: Thanks man. It was built for us by our friend Sage.

We saw Sage. She was a humanoid computer creature called a Sentient.

Sage: Greetings to everyone on Team Loud Phoenix Storm.

Me: It's a pleasure to meet you Sage.

Shanan: Wow. You are a Sentient. I've heard so much about them.

Sage: That's right.

Agura: We have been battling the Vandals, the Sark and the Red Sentients for a while until the war ended with the Blue and Red Sentients uniting. Krytus was banished to another planet.

Me: Well soon we will kill him and send him off to hell. But I think that's too good for him. But we'll have to worry about him down the road. Now we got to kill Captain Kalus.

I went over the history of the Vandals.

---

The Vandals are an antagonistic race of mutant, anthropomorphic, tribal animals from the planet Vandal, who also occupied the Blue Sentient planet.

Unlike the Sark, the Vandals are driven by aggression and value strength gained through combat above all else. While the Sark conquer worlds, the Vandals loot and vandalize them, enslaving alien beings for their necessities. The position of Vandal Warlord is decided by a ritual (trial by combat) called Kio Hakoko, and even in everyday life, the slightest insult is settled through fighting. Apparently they are also very superstitious and often explain unknown things due to sources of magic. Due to their dependence on scavenged Sentient technology and their enslavement of the Kharamanos, their war machines were destroyed in Rumble in the Jungle when a bomb was detonated at their power source, thereby robbing them of their ability to ravage other worlds. Currently, with no technology the only way to access planet Vandal is with a Battle Key.

Members

Qin gasped.

Qin: Geez! And I thought that Orochimaru had nasty barbarian mutants under his thumb.

Me: I know.

Sage: Allow me to modify your vehicles for easy access to Battle Zones.

G1 Lightspeed: Can you do the same modifications for me and my fellow Cybertronians as well?

Sage: I would be honored.

I beamed our cars to the base and Sage made some powerful modifications to them and they were really awesome and really high tech.

Me: Wow! Really awesome.

Nico: I'll say!

Vince: Our cars look awesome.

Carol: They sure do.

Then Sage sensed something.

Sage: The Vandals are coming here.

Me: What?!

A portal opened and out came CAPTAIN KALUS AND THE VANDALS!

Captain Kalus: Battle Force 5. How long has it been?

Sever: (to the Loud Kids) Why don't you kids go home and play and let the grown ups talk?

Me: For your information you fish face, we all stick together and we're gonna all talk.

Captain Kalus: So you all are the famous Team Loud Phoenix Storm we heard so much about. Your reputation precedes you all.

Me: So we have known. What are you here for Kalus?

Captain Kalus: A fight to the death.

Me: If it's a fight you want then you'll get one.

?: And I'll help him out.

We then saw a figure come out and it was DRAGONFLAY from episode 4 of Megaforce!

---

Dragonflay was sent down by Creepox to spread chaos. In an effort to impress Malkor and prove Vrak wrong, Dragonflay is invoked to attack humanity and deal with the Mega Rangers by using raw speed. Despite his blindingly fast speed, Dragonflay was no match for the Rangers once they learned to feel his location by tuning their senses and feeling the air current he produced while moving. While Creepox deals with Troy, Dragonflay tangles with the other Mega Rangers. He is first defeated by the Mega Blasters' Sea Blast. He grows thanks to Vrak's Zombats and is destroyed by the Land Gosei Great Megazord 's Land Strike.

---

Troy Burrows: Dragonflay!

Dragonflay: Long time no see Megaforce Rangers.

Me: I remember this guy! He had incredible speed that was so fast that not even human eyes could keep up.

Dragonflay: That's right. You've been watching me on tv haven't you?

Me: We sure have.

Gia Moran: And he was a tough one.

Captain Kalus: I see you all know him.

Me: By terms of different sources.

Captain Kalus: (I am about to snap me fingers) Don't bother teleporting us to another planet, Knudson. I've already made arrangements for our battle to take place on the Vandal Homeworld. Meet us there in 4 hours.

Lincoln: We don't have a choice, do we?

Hatch: Of course not! Unless of course, you prefer to let us have fun with those poor civilians.

Dragonflay: The lobster has a point.

Hatch: (to Dragonflay) I'm not a lobster! I'm a cockroach!

Me: We'll be there. But you better be ready for a fight to the death.

Captain Kalus: All right.

They left through the portal and we got ready.

We then went into our cars and we activated a portal and were on the Vandal Homeworld - Vandus.

Me: Planet Vandus. Also known as the Vandal Homeworld.

We arrived at a coliseum full of the Vandal people.

Me: Wow.

Captain Kalus: Welcome.

Me: So you called us here so you can kill us.

Vert: Is that right?

Captain Kalus: That's right. You all will die here and Earth will be mine.

Me: I don't think so.

Captain Kalus: (to the crowd of Vandals) I promised to show you a fight to the death. I promised you a victory… and I am a man of my word! And now… (to us) The endgame!

Troy: It's the endgame for you!

Megaforce Rangers: Legendary Ranger Mode: Dragon Blitz Force!

The Megaforce Rangers turned into the Blitzkrieg Squadron Changeman from 1986.

Dragonflay: What!? This is totally new!

Noah Carver: We've learned some new moves the last time we fought.

Me: I'll face Kalus with Nico and Vert. You all take down the others.

Lynn: Got it. Me, Lori and Lola was take down Alligator face.

Luna: Me, Sam and Simon will face Shark breath.

Lana: Me, Carol, Laney, Leni and Lucy will face Bug boy.

Lincoln: Me and the Megaforce Rangers will take on Dragonflay.

Cybertron Scourge: I'll help you J.D. After we destroy Kalus, I'm going to become the leader of the Vandals and get them on the path of good.

Me: Good idea Scourge.

Lori Jimenez: Be careful Scourge.

Cybertron Scourge: I'll be just find little sister.

I then flared up my Super Angel 30,000 power and we were ready to fight.

Me: Lets get them!

We went at the Vandals.

---

Battle 1: KROCOMODO

---

First was Krocomodo!

Krocomodo: (to Lynn, Lori, and Lola) You think you can defeat me, ugly girls?

Lola: UGLY!?

Lynn: UGLY!?

Lori: UGLY!?

OH HE DID NOT JUST SAY THAT!

Lori Jimenez: Krocomodo just dug his own grave.

Nick F.: Boy he sure did. And something tells me that it's not going to be pretty.

Venom: Oh man. We are not going to like this.

Lola then exploded in a massive fire aura and Lynn exploded in a massive aura of lava and Lori had a massive aura of wind around her with eyes glowing red with rage and fury!

Lola: (ENRAGED SCREAMING!) NO ONE!

Lynn: (ENRAGED SCREAMING! CALLS US!

Lori: (ENRAGED SCREAMING!) UUUUGGGGGGGGGLLLLLLYYYYYYYYYYYYYYY!

Sherman and Spinner fired energy bolts from their car and Agura spun an energy cable around Krocomodo's car and Lynn, Lori and Lola went at Krocomodo with ballistic fury and punched him with incredible force and knocked out some of his teeth and Lola fired a massive blast of fire and burned him and Lynn fired a powerful blast of lava and burned his arms and legs off and Lori fired a powerful blast of wind and shredded him into fine powder and blood and guts and killed him. Bobby grabbed Lori and calmed her down and Winston grabbed Lola and calmed her down and Lightning grabbed Lynn and did the same.

Bobby: Babe stop! He's dead. You did it! You won!

Lori snapped out of it and she saw Bobby and cried hard into his chest.

Lightning: Lynn, you won! It's over!

Lynn saw Lightning and cried hard into his chest. Same with Lola.

## Battle 2: SEVER

Luna, Sam and Simon were facing Sever.

Sever: Come and get me freaks!

Simon: No one talks about my sister like that!

Zoom slashed Sever with his car and Stanford blasted Sever all over. Simon fired a powerful barrage of Nuee Ardente rocks and they went at Sever and slammed into him and exploded with incredible power.

Sam S.L.: Whoa! That was awesome Simon!

Simon: How did I do that!?

Pelee: I think I might have had something to do with that. Since you are Sam's brother, you have her powers as well like I have given them to Sam.

Simon: Wow!

Sam S.L.: I got my powers from Pelee the Goddess of Fire in Hawaiian myth and she controls all of the volcanoes.

Simon: Wow! That is amazing!

Luna: I was surprised myself little dude.

Luna fired a powerful blast of water and it drenched him and Sam fired a powerful blast of fire and incinerated Sever in an instant.

Simon: That was awesome!

Lincoln and the Megaforce Rangers were facing Dragonflay.

Lincoln: Get ready for your end Dragonflay.

Dragonflay: Lets see about that.

Lincoln took off like a bolt of lightning and kicked him in the face and he fired a powerful blast of lightning and it hit Dragonflay and electrocuted him. Troy Burrows fired a powerful blast of fire with the power of the dragon and it burned him all over.

Lincoln: Try this one on! The Elemental Power of The Fairy!

Lincoln had an Orange Fairy appear behind him and it gave him powerful fairy wings made of pure elemental energy and he fired a powerful blast of lightning and fire and they hit Dragonflay and exploded and he fell down and exploded.

KRABBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Dragonflay was dead.

Troy Burrows: Wow! Lincoln that was awesome!

Noah Carver: It sure was. Awesome job buddy.

Lincoln: Thanks guys.

---

## Battle 5: CAPTAIN KALUS

---

Now it was just us and Captain Kalus.

Me: Get ready for the fight of your your life.

Captain Kalus: I will make you suffer.

Me: Bring it.

I unsheathed my sword and we went at each other and we clashed. I kicked him in my face and Vert punched him in the face and I slashed Kalus in the face and cut his eye.

Vert: This whole thing started between us, Kalus.

Kalus: And it will end with your demise. I admire your newfound ruthlessness. But in the end, you're just one weak human.

Me: Now he's something more!

Vert slashed him with his car blades and I punched him in the face and kicked him in the stomach and Nico punched him in the stomach with devastating force and Kalus belched out a huge amount of blood.

Captain Kalus: (To Nico) You can't be that strong for a human!

Nico: I'm actually a Saiyan!

Captain Kalus: What!? But they were wiped out ages ago!

Nico: That's right. My whole planet was completely destroyed by a ruthless galactic tyrant and now I'm going to redeem my people and bring us to the path of good.

Nico then punched him in the face and knocked out some of his teeth and kicked him in the face and punched him in the back and I punched him in the chin and dealt him a powerful uppercut and Scourge bashed him in the face with a powerful blow from his axe.

We regrouped.

Ben: Time for some Ultimate Alien power!

Ben: ULTIMATE BALL WEEVIL!

Me: Whoa! An Evolved Weevilan!

Shanan: Whoa! That is a cool one. I've never seen an evolved Weevilan before.

Nico: That's cool.

Ultimate Ball Weevil: Lets see what he can do.

He fired numerous plasma balls at Kalus and they hit him all over and exploded.

The Battle Force 5 fired a powerful blast of energy and it slammed into Kalus and completely obliterated him in a massive explosion.

KRABBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Me: Go to Hell, Kalus.

Nicole: But I think Hell is too good for him.

Nicole sent him into the River of Fire.

Cybertron Scourge: (to the crowd of Vandals) Kalus and his crew are no more! I am your new leader now.

Maria: Feel free to bow before the king.

Everyone did so and Cybertron Scourge was now the King of the Vandals and he vowed to have them go on a path of good and virtue.

Vert: (To the Viewers) It was awesome destroying Kalus. Now we have a few more of our enemies to destroy and they will pay for their crimes.

Me: They sure will Vert. But you all did a great job.

Agura: Thanks J.D. It was awesome helping you.

Stanford: I have a feeling we're going to be helping you more often.

Sherman: That's right.

Zoom: It'll be an honor joining you all.

Me: We are honored to have you with us.

Nico: That's right.

The Battle Force 5 and Sage were now members of Team Loud Phoenix Storm and they now live with us. We moved the Vandal Homeworld to the orbit of Earth.

When I was finished everyone that hadn't heard about it was amazed.

Nico: Boy feels like yesterday.

Himiko: Wow that is awesome.

Camie: Yeah it sure is!

Tsuyu: Wow! That is so cool.

Twilight Sparkle: Wow it sure is.

Laney: Yeah and J.D.'s power destroyed all the Respawning Chambers Krytus has to make sure he doesn't respawn.

Me: My power back then wasn't even nearly as strong as my most powerful form now back then.

Kaoruko: Wow! That is cool!

Me: It sure was.

Vert: And don't worry. The Saber is parked outside. So, it'll alert us if any Another Omnitrix Aliens show up.

Nico: Great.

We got all the hot sauces and more and bought them.

Me: That was an awesome shopping trip.

Nico: Yep.

Eli: Wait guys. I sense something.

Then we saw a figure come out and it was a black Orthopterran! It was ANOTHER CRASHHOPPER!

Me: Another Crashhopper!

Qin: Whoa!

Rachel Stavenport: So it's Another Version of the alien I was slammed with. Awesome.

Lola: Yeah!

Another Crashhopper: (In a girls voice) (Russian Accent) It's good to see you again Comrade J.D.

Me: Natalie Orromov! Awesome to see you again.

Nico: You know her?

Me: I sure do. She is a world famous archaeologist and she and I went on awesome and amazing sites together and even in temples all over the world.

Nico: Cool!

Lana: Wait are you related to Dayna, Olga, Yuna and Vina?

Another Crashhopper: That's right. They are my sisters.

Me: Your sisters were slammed with Octopus, Sea Wasp, Viperfish and Blue Ringed Octopus DNA and turned into Sea Gene-slammers. Were you slammed with anything by the Paradigm Brothers?

Another Crashhopper: Yes I was. I was slammed with a Siamese Fighting Fish.

Nico: That's one of the most beautiful fish in all of Southeastern Asia.

Me: They are beautiful and have fins on them that make it look like they are flying through the water.

Another Crashhopper: That's right.

Varie: Wow! A Siamese Fighting Fish Gene-slammer turned into an Another Omnitrix Alien. That is unusual.

Albedo turned into Negative Crashhopper.

Negative Crashhopper: Did Swartz promise you anything?

Another Crashhopper: Just to change back into my human form but I can't.

Me: He doesn't know how to reverse this.

Another Crashhopper: I know that. I knew he was lying.

Maria: Looks like the Fashion Brigade is gonna be needed again.

Qin: Yeah.

Camie: Where are Siamese Fighting Fish usually found?

Me: They are freshwater fish usually found in places like Cambodia, Laos, Vietnam, Thailand, Myanmar, Malaysia, Indonesia, those kinds of places. This is what it looks like.

I pulled up a picture of a beautiful Siamese Fighting Fish, the blue male crowntail betta.

Camie: Ooh that is beautiful.

Laney: It sure is.

Qin: Yeah.

Me: Yeah. I have a feeling we're going to meet the rest of the Another Omnitrix Aliens as Gene-slammers of Land, Sea and Air animals. We haven't seen any of those in a long time.

Lola: No we sure haven't.

Me: Yeah. Lets jump! KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Me: Wait first lets put out stuff in the estate for later.

Lincoln: I got that.

Lincoln made Shadow Clones and they took the bags we got and teleported with them to the Estate.

Me: Good thinking buddy.

Nico: (takes out Leap Frog's Ridewatch) Let's get things started!

Me: Lets JUMP into action!

Nico activated it.

(I WANT IT THAT WAY BY BACKSTREET BOYS PLAYS)

Nico: (SINGING DIVINELY AS LEAVES AND FLOWERS SWIRLED AROUND HIS)

Yeah

You are my fire

The one desire

Believe when I say

I want it that way

But we are two worlds apart

Can't reach to your heart

When you say

That I want it that way

Tell me why

Ain't nothin' but a heartache

Tell me why

Ain't nothin' but a mistake

Tell me why

I never wanna hear you say

I want it that way

Am I your fire?

Your one desire

Yes, I know it's too late

But I want it that way

Tell me why

Ain't nothin' but a heartache

Tell me why

Ain't nothin' but a mistake

Tell me why

I never wanna hear you say

I want it that way

Now I can see that we've fallen apart

From the way that it used to be, yeah

No matter the distance, I want you to know

That deep down inside of me

You are my fire

The one desire

You are (you are, you are, you are)

Don't wanna hear you say

Ain't nothin' but a heartache

Ain't nothin' but a mistake (don't wanna hear you say)

I never wanna hear you say (oh, yeah)

I want it that way

Tell me why

Ain't nothin' but a heartache

Tell me why

Ain't nothin' but a mistake

Tell me why

I never wanna hear you say (don't wanna hear you say)

I want it that way

Tell me why

Ain't nothin' but a heartache

Ain't nothin' but a mistake

Tell me why

I never wanna hear you say (don't wanna hear you say)

I want it that way

'Cause I want it that way…

He jumped and fired waves fired waves of energy and leaves and blasted Another Crashhopper all over.

Nico: YEAH!

Kaito: (gets out Dekaranger gear) Our turn!

Zocks: (gets out Abaranger gear) Let's see you hop away from this!

Kaito got an awesome SPD Blaster and Zocks got the Aba Quill.

Zocks drew a picture of a bunch of feathers and they ticked Another Crashhopper all over and she was laughing hysterically.

Me: Okay that is funny!

Nico: Yeah!

Sougo: I don't have access to Rento's powers.

Woz: (takes out Kikai Miridewatch) But I do, my demon king!

Action! Touei! Future Time! (Drum roll followed by dynamic industrial music) Dekai! Hakai! Gōkai! Futurering Kikai! Kikai!

Geiz: (gets out Hattari Ridewatch) And I have access to Hattari's powers!

Woz got access to Futurering Kikai while Geiz got HattariArmor.

Me: YEAH BABY! Check this out. (ACTIVATES THE 4 HORSEMEN

OF THE APOCALYPSE'S RIDEWATCH)

(GOD HELP ME BY REBECCA ST. JAMES PLAYS)

Me: (SINGING DIVINELY AS DARKNESS AND LIGHT SWIRLS AROUND ME AND MY WINGS GLOWED WITH THE FIRE OF AN ECLIPSE)

From the deep I cry

I am needing change in my life

I have let the cold creep in and lock my ability to feel (deeply)

Just now a shaft of light shot through my soul

Opening up the windows and the doors

Reaching to the corners and my flaws

Showing my need

I'm running out of time to live

Running out of love to give

Running out of life within

God help me

I don't care who stares

Never want to be what I have been again

Grace has taken over and drawn me in and I am embracing it

'Cause now I see Your light drawing me close

Overwhelming love I don't deserve

But I'll take the hope You bring, You hold it out to me

Without You

I fired waves of light and darkness and smashed Another Crashhopper all over.

Eli: YEAH! Nice one bro!

Qin: Here's one from me. (Activates Yost Korvac's Ridewatch)

(BROKEN WINGS BY MISTER MISTER PLAYS)

Qin: (SINGING DIVINELY AS FIRE AND LIGHT SWIRLS AROUND HER)

Baby, I don't understand

Why we can't just hold on

To each other's hands

This time might be the last

I fear, unless I make it all too clear

I need you so, oh

Take these broken wings

And learn to fly again

Learn to live so free

When we hear the voices sing

The book of love will open up

And let us in

Take these broken wings

Baby, I think tonight

We can take what was wrong

And make it right

Baby, it's all I know

That you're half of the flesh

And blood makes me whole

I need you so

So take these broken wings

And learn to fly again

Learn to live so free

And when we hear the voices sing

The book of love will open up

And let us in

Take these broken wings

You've got to learn to fly, learn to live, love so free

And when we hear the voices sing

The book of love will open up and let us in yeah, yeah

Let us in

Let us in

Baby, it's all I know

That you're half of the flesh

And blood that makes me whole

Yeah, yeah, yeah

Yeah, yeah

So take these broken wings

And learn to fly again, learn to live so free

And when we hear the voices sing

The book of love will open up and let us in

Take these broken wings

You got to learn to fly, learn to live and love so free

And when we hear the voices sing

The book of love will open up for us and let us in

Yeah, yeah

Yeah, yeah

---

She fired waves of light and fire and smashed her all over and knocked her down.

Nico: Good thing you can't access your Gene Slammed powers right now!

Another Crashhopper: I know.

Eli: But we're ready for you.

But then..

ZZOOOOOOOOOMMM!

Something zoomed passed us with blazing speeds.

Me: WHOA! That is fast!

We saw the speeding force bash Another Crashhopper down and it knocked the Ridewatch out of her and I caught it and purified it.

I used my radar gun and clocked in the creatures speed at 5,000 Miles per hour!

Me: WHOA! 5,000 MILES PER HOUR!?

Nico: THAT'S FAST!

It came up to us and we saw that it was an Evolved Kineceleran! It was more quadrupedal and had 4 runners and had a serpentine body and a helmet over its face and spines on her back.

Me: Whoa an Evolved Kineceleran!

I went over to Natalie and saw that she got up and was dizzy. She was half Siamese Fighting Fish.

Me: Natalie are you okay?

Natalie: (Dizzy) I think so.

I brought her over.

Vert: Who's that?

She reverted back and it was a girl in blue shorts and she had blue shorts and blue hair.

Xenia Ulysses: Xenia "Speed Demon" Ulysses - Fastest girl ever.

Nico: Xenia! Wow it's awesome to see you again.

Xenia Ulysees: You too Nico.

Me: Wow you were fast.

Nico: Yeah. Lets get Natalie back to normal.

Me: Good idea. Boys cover your eyes.

Nicole: And no peeking or it's painville from me!

Me and the boys covered our eyes and I snapped my fingers and she reverted back and she was in a lot of pain and she was back to normal and was a girl with blue hair and had had a strong physique and then she covered herself and Maria, Varie and Rarity gave her a new look and she had awesome new blue clothes and gloves.

Natalie Orromov: Wow this is amazing!

Qin: Yeah it is!

Varie: We haven't done that in a while.

Nico: Should've brought Leni along.

Lincoln: Next time we will.

Me: Besides, Natalie looks great.

Natalie Orromov: I sure do. Thank you comrades.

Qin: I have always loved the Siamese Fighting Fish too.

Nico: Yeah.

Xenia Ulysses: But it's great to see you again Nico.

Nico: You too Speed Demon.

Me: Speed Demon?

Nico: That's my nickname for her. And she is an awesome athlete. Xenia is the fastest girl in our entire gym class and she can run at over 3,000 miles per hour and set the road on fire.

Laney: Wow! You would give Rainbow Dash, Sonic, Turbo and Flash a run for their money.

Xenia Ulysses: I'm sure I would.

Vert: First of all, I bet you're not faster then the Saber. Second, what's your favorite memory of Nico?

Xenia Ulysses: We'll see about that one. But also my favorite is when I tested my super speed and ran all the way around the planet and it was awesome.

Me: Wow! You must've been really fast like that.

Qin: Yeah Xenia is the fastest we know. She can run at speeds greater than 5,000 miles per hour.

Laney: That is fast!

Varie: No kidding there.

Nico: Yep.

Nico and Xenia hugged.

Nico: I've really missed you.

Xenia Ulysses: Me too Nico.

We later went back home.

* * *

After Nico's rescue, Lincoln, Me, Ken Knudson, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, The Dynasty Warriors, The Samurai Warriors, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, The Demon Slayer Corps, The Saber Kamen Riders, and Flash are heading to a planet named Mortend, it's an evil blood red planet in the Forbidden Zone in the Omega Quadrant, and not only is Lincoln going to rescue the six girls here, but we got word that The Paradigm Brothers are back and they want bloody revenge on all of us for ruining their plans, and we're going to destroy Mortend for good.

Since this is an evil planet we're going to destroy, everyone came with us, and when we arrived on Mortend, the place was literally filled with evil and darkness eternal, and we were really terrified of this planet.

Lincoln: Whoa, this is one really evil planet.

Lincoln 2: And one I was hoping never to see again. Everyone, welcome to Mortend, an evil blood red planet in the Forbidden Zone in The Omega Quadrant.

Me: Damn, this place is like the darkest depths of Hell.

Nico: Even worse when we went through the Nine Planets of Hell.

Lincoln: It sure is, and I know what we're going to do here, not only am I going to rescue the six girls here, but we got word that The Paradigm Brothers are back and they want bloody revenge on all of us for ruining their plans, and we're going to destroy Mortend for good.

Suddenly, Lincoln's massive white angel wings turned into the color of Lyra Heartstrings, except for the orange and aurora-colored tips.

Nico: Should've known those bastards would come back, and it was due to Evil Abacus Cinch.

Lincoln: We knew it was only a matter of time. But, we're going to give Luther Paradigm a final act of mercy and Super Hakai him, but his two brothers are getting The Black Gates for good.

Suddenly, our rainbow and colored energy auras were flaring up extremely as we were sucking in the negative energy of this planet and we were really gaining an extremely astronomical power boost of epic proportions.

Nico: Whoa! Our auras are flaring up and we're really getting stronger.

Lincoln 2: The air and the very planet of Mortend is full of tons of infinite negative energy and hatred, and it's been piling up for eons and eons.

Lincoln: Whoa.

Maria: Whoa is right. I never knew a planet like this existed.

Lincoln: But, it's about to be destroyed for good. And thanks for joining us, Barry.

Flash: You're welcome, Lincoln, and your Ebonwu ancestor wasn't kidding, this planet's full of evil and negative energy. The sooner we get rid of those Paradigm nutjobs, the sooner we can get off this evil planet and destroy it for good.

?: HEEEELLLLLLP!

Suddenly, Lincoln heard the sound of six girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the six girls, but they've been cornered by The Paradigm Brothers, and they're going to Gene-Slam them.

Lincoln: Let's get over there at once, guys, I found the six girls, but they've been cornered by The Paradigm Brothers, and they're going to Gene-Slam them.

?: (Girl's voice) Those crazy mad scientists, let's get them.

Suddenly, we saw the Duel Monster, Cloudian - Eye of The Typhoon, appear before us.

Nico: Whoa, that's Cloudian - Eye of The Typhoon.

Lincoln: And I'd recognize that voice from anywhere, I knew it was you, Mina Hurricanecloud, but we'll talk later, time to put an end to those Paradigm nutjobs for good.

We rushed on over, and Lincoln fired powerful rainbow energy balls and elemental forces at The Paradigm Brothers, and that allowed the six girls to get to safety in a rainbow energy field created by Lincoln to protect them from The Paradigm Brothers. When they saw us, they were enraged.

Luther Paradigm: Team Loud Phoenix Storm, why is it that you always have to ruin our experiments?!

Lincoln: It's because of the fact that you three have been messing with nature and Gene-Slammed a lot of innocent people and caused them to lose their humanity, and that's something we can't stand.

Arthur Paradigm: We could've finally ruled the world with an army of Gene-Slammers, but all of you have ruined everything!

Me: You brought that on yourselves!

Roland Paradigm: And now, we will destroy you all and we will have our revenge!

The Paradigm Brothers transformed into their Gene-Slammed forms.

Lincoln: I still haven't forgotten just how ugly their Gene-Slammed forms are, but this'll be the last time we ever deal with them. Let's get them!

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, The Dynasty Warriors and Samurai Warriors got out their weapons, Lincoln's sisters transformed into their Super Angel Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Greatsword of Elemental Justice and Eternal Bravery from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Flash, The Demon Slayer Corps, The Ghostforce, The Louds' Ancestors, The L-ementals, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their weapons, Rayman unholstered his massive Celtic Dream Glade's Greatsword of Celtic Dream Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Celtic Dream Glade Angel of Moonlight Justice and Celtic Dream Hope, and Me, Ken, Nico, Nicole, and Eli unholstered their massive swords and we transformed, and went after The Paradigm Brothers, and they fired powerful blasts of rainbow energy, colored energy, elemental forces, rainbow crystal, rainbow super lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, steel orbs, throwing axes, elemental forces, and mythological animals, and they exploded with incredible power as they hit them.

Then, Nico fired a purple energy blast at Luther Paradigm and he was destroyed and Super Hakaied, and this pissed the other two Paradigm Brothers off.

Nico: Whoa, the constant absorbing of the negative energy has also made our attacks even stronger, cool.

But before the other two Paradigm Brothers could attack, Lincoln fired two black energy blasts from his massive greatsword, and it destroyed them and sent them straight to The Black Gates.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) Now, then, to destroy Mortend for good.

We took to the air, and then, Lincoln formed a massive rainbow energy ball in his large left hand, and he threw it right into Mortend, and it was already going to explode.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) That's our cue to get out of here.

We got out of there as fast as possible and we all got back to The World Tree Estate, and just in time as well, because we then saw Mortend explode into nothing space dust and nothing remained of it. We cheered wildly as we holster our weapons and powered down.

Nico: Whew, that was a close one.

Lincoln: Yeah, but we did it: Luther Paradigm has been Super

Hakaied and his two brothers were both erased by The Black Gates, and we destroyed Mortend for good. (To Mina Hurricanecloud) And it's so good to see you again, Mina Hurricanecloud.

Mina Hurricanecloud reverted back to normal, and she's a beautiful girl with long flowing neon purple hair, light purple eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has the Thunder Kanji tattooed on her forehead and massive beautiful navy blue angel wings, and she reigned in the power of Cloudian - Eye of The Storm, and she's dressed in a sleeveless navy blue open blouse, sleeveless navy blue midriff top, navy blue skirt, navy blue pants, purple legwarmers, purple sneakers, and long sleeveless navy blue trenchcoat with clouds and stars on the coattails, and Cloudian - Eye of The Storm on the back, and holstered on her back is a large Cloudian - Eye of The Storm-themed greatsword with Cloudian - Eye of The Storm etched on the 7'0" massive, wide, double-edged navy blue blade, large navy blue angel wings for the crossguard, large neon purple gem embedded in the rainguard, longer black handle, and a large neon purple gem surrounded by angel wings for the pommel.

Mina Hurricanecloud: You too, Lincoln, it's been a long time.

Lincoln went up to Mina Hurricanecloud and they hugged, and Mina Hurricanecloud is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw his vampire fangs and his massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his deeper manly voice.

Lincoln: It sure has, I haven't seen you when you were twelve, and as you can see, I really grew a lot since then.

Mina Hurricanecloud: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you also have vampire fangs and massive white angel wings, that's amazing.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Mina Hurricanecloud, she's not only my Guardian Angel from Michigan, but also my classmate in science, and she's also taken an interest in meteorology. We would often look at clouds of varying shapes and we even look at the stars together, we even made a diorama of each different type of clouds as well as each of the different precipitation.

Lincoln got out the diorama they made, and it was awesome.

Nicole: Wow, you guys really did your research into the different types of clouds and the different precipitation.

Lincoln: Thanks, Nicole, and I made Mina a beautiful navy bikini with clouds on it. To show thanks, Mina kissed me on the lips. Plus, I also found out she's the cousin of Dew Gayl.

Me: I didn't even know that.

Nico: Me neither, but then again, we've met a few of Lincoln's Guardian Angels who are related to the heroes of Remnant.

Lincoln: That's right, and she hates Lola with a burning passion.

We gasped.

Nico: Lola, what did you do?

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared around Mina Hurricanecloud's neck with neon purple gems on the gold thunderbolt links and navy blue crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Elemental Thunderbird Necklace of Eternal Love, and her new Elemental Thunderbird Choker of Eternal Love appeared on her neck.

Mina Hurricanecloud: (Surprised) Lincoln, is this…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means just like your cousin, you're part of my harem and one of my many future wives, Mina.

Mina Hurricanecloud had a smile on her face and tears in her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around Mina Hurricanecloud's waist and Mina Hurricanecloud wrapped her left arm around Lincoln's thick muscular neck, and he leaned down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the six girls, and when Lincoln saw them, he recognized them immediately. The six girls are Fiona Ryder from the Scan2Go anime and Yunica Tovah, Dana Iclucia, Yufa Gamberg, Laxia Von Roswell, and Krysha Pendleton from the Ys video game series.

Lincoln: Oh wow, it's Fiona Ryder from the Scan2Go anime and Yunica Tovah, Dana Iclucia, Yufa Gamberg, Laxia Von Roswell, and Krysha Pendleton from the Ys video game series.

Nicole: Awesome.

Lincoln: Are you girls okay?

Fiona Ryder: Yes, we're okay, thanks to you.

Then, when Fiona Ryder and the other five girls saw who it was that saved them from the Paradigm Brothers, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight

Fiona Ryder: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made five clones of himself, and he and the five clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Fiona Ryder: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, six Thunderbird Necklaces of Eternal Love appeared on the necks of Fiona Ryder, Yunica Tovah, Dana Iclucia, Yufa Gamberg, Laxia Von Roswell, and Krysha Pendleton with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, and they also have on their new Elemental Thunderbird Chokers of Eternal Love on their necks too.

Maria: And there's no need for you to tell us what happened, Lincoln, because we were all there for this rescue.

Lincoln: That's right, it was a rescue and evil planet destroying mission, but now, we're finally rid of The Paradigm Brothers, and we've since cleaned up their mess. But, now, we still got Team Rocket's mess to clean up, along with Swartz' mess.

Nico: You got that right. What Team Rocket and The Paradigm Brothers did, along with Swartz, just proves what kind of monsters they really are.

Me: But, the Gene-Slammers they made are now powerful members of the team.

Lincoln: And their plans for world domination have been scrapped by us for good.

---

After finally getting rid of The Paradigm Brothers and destroying Mortend and this time for good, we were training intensely in the gym, this time, doing 500,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Mina Hurricanecloud saw Lincoln working out like crazy, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Mina Hurricanecloud: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Mina, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Mina Hurricanecloud: That's incredible.

Nico: It sure is. So, Mina, what's the story on why you hate Lola with a burning passion?

Mina Hurricanecloud: You're so not going to like this one. One day, Lincoln and I were in his room and we were doing another project on the cumulonimbus clouds, the storm clouds that form in the skies and produce thunderstorms. But, then, we heard the sound of stampeding footsteps and a shrill scream of rage, and Lincoln knew who it was, especially when the door was kicked down: it was Lola, and she was really really mad. She was furious that Lincoln wasn't in her room steaming her dresses, but he told her he was busy with our school project, and this ultimately set her off, and she pounced on our project and ripped it to shreds. I was extremely furious at Lola, and I pounced on that little monster and proceeded to pummel her badly. Lincoln then rushed on over and he pried me off of her, but that didn't save Lola, because when she saw Lincoln's eyes turn blood red and his vampire fangs grow even longer, she was in big trouble. Lincoln fired a blast of lightning at her and trapped her in a sphere of lightning, and when the other sisters and the parents came up, we explained everything Lola did, and they were furious at her. As a result, Lola was grounded for eight weeks with no tea parties, no pageants, and no desserts, and Lincoln threw her in an isolation cube in the basement. But, what Lola didn't know was that the project she destroyed was a decoy, and that we worked on our project a little earlier, and we had it safe in my house, since we knew The Loud House wasn't a safe place for school projects. The next day, we got an A on our project.

We cheered wildly for what Mina and Lincoln did to Lola.

Nico: Whoa, you guys outsmarted and beat Lola, and the project she destroyed was actually a decoy, that was pretty sly of you guys to trick her like that.

Me: It sure was. But, what was the decoy?

Mina Hurricanecloud: That decoy project was actually Lori's old magazines.

Lincoln: Mina told me why she took Lori's old magazines and there's a chance that either Lori, Lynn, Lola, Lisa, or Luan could barge in and try to destroy another school assignment of ours for their own cruelty. Remembering what Lori did, I went along with her plan, and it worked.

Nico: Yeah, I still haven't forgotten what Lori did, she had some nerve in ruining a school assignment you and one of your Guardian Angels worked hard on.

We got a shower afterwards, and then, Lincoln and his harem and Nico and his harem were heading to the beach in Grand Haven, Michigan.

Lincoln snapped his fingers, and the 7'5" tall, handsome, and extremely muscular man was dressed in large orange swim trunks with elemental forces, stars, and mythological animals on them and the rainbow flames coming off them, orange sandals, his jewelry, and he also had his weapons holstered in case of trouble, and his harem were dressed in two-piece bikinis, sandals, jewelry, and they also had their weapons holstered in case of trouble.

Nico snapped his fingers, and the 7'5" tall, handsome, and extremely muscular man was dressed in large red swim trunks with elemental forces, stars, and mythological animals on them and blue flames coming off them, red sandals, his jewelry, and he also had his weapons holstered in case of trouble, and his harem were dressed in two-piece bikinis, sandals, jewelry, and they also had their weapons holstered in case of trouble.

Lincoln: Alright, is everyone ready?

Nico: We're ready, Lincoln.

Lincoln, Nico, and their harems left The World Tree Estate, and they arrived at the beach in Grand Haven, Michigan.

Nico: Whoa, where are we?

Lincoln: We're here in Grand Haven, Michigan, the perfect spot for our beach date, Nico. Plus, this is the very beach Luan arranged for me, Yuriko, her, and Eddy, and the very spot where we beat down Lori when she went on a rampage.

Lincoln, Nico, and their harems dived into the waters and they were swimming in the clear waters and they also saw the sea creatures and plants that live there, then, they had a game of volleyball and the girls in both harems got a massive deep atomic red blush when they saw Lincoln and Nico lift up 900,000,000,000,000-lb barbells they summoned. Then, they also had some lunch on the sand, and then, Lincoln and Nico made clones of themselves, and they and the clones went up to the girls in their harems, and they wrapped the girls in their abnormally massive and powerful muscular arms and the girls wrap their left arms around the thick muscular necks of Lincoln, Nico, and their clones, and they place their right hands on the massive wide and muscular left pecs of Lincoln, Nico, and their clones, and Lincoln, Nico, and the girls shared a passionate and romantic kiss and then, they came back home to The World Tree Estate and were back in their original clothes.

Me: Hey, guys, how was your date?

Lincoln: It was awesome, J.D., we went to the beach in Grand Haven, Michigan.

Nico: And Lincoln said it was the same beach that he, Yuriko, Luan, and Eddy went to thanks to Luan arranging that date, and where they pummeled Lori when she went on a rampage, and we also had a lot of fun there.

Girl Jordan: Not to mention that we were both blushing when we saw Linky and Nico lift up those two 900,000,000,000,000-lb barbells they summoned.

May: And that both of our men were dressed in colored swim trunks with rainbow and blue flames coming off them. We almost fainted when we saw them, that is if they hadn't caught us.

Paige: Yeah, and in their abnormally massive and powerful muscular arms, which caused our faces to blush even more when we were in their arms and saw the sun's rays shining down on their massive muscular bodies.

May: Ooh, yeah, I forgot about that. Dang it. Plus, on the bright side, they took down the sign that banned Lori from Grand Haven Beach.

Nicole: I didn't forget about that. Ever since Lori's rampage, she was banned from there for what she did. But, now that Dark Lori and the other Dark Louds have bit the dust, the sign's been taken down.

Lori: What a relief.

* * *

We were at Phoenix Land for the bonding time while we were also making our spiciest baked beans.

Me: Boy these baked beans are gonna be awesome.

Nico: And they smell awesome.

Lola: Yeah they sure do.

We added our hottest hot sauces and spices and they were that potent.

Me: Whoa!

Nico: Yeah this is gonna be awesome.

Camie: Wow the heat from all that is awesome.

Me: Yeah it is.

Man E Faces: Flora, you and Aruto are up for bonding time. (Switches to tech face) (Robotic Voce) It will be awesome too.

Flora: I'm excited about this!

Aruto: Me too.

We were ready for the judges.

But then Bart and Lisa were fighting big time.

Lisa Simpson: I'm going to kill you!

Bart: Not if I kill you first!

They were punching and kicking and brutally pulverizing each other all over the place!

Me and Eli pulled them apart.

Me: All right you two knock it off!

Flora: Aruto, ignoring Bart and Lisa's fight, I'll never regret meeting you.

Aruto: Boy me neither. That was awesome.

Flora: It's so awesome how you use Progrise Keys to battle Humagears gone evil.

Aruto: Yeah it sure is awesome.

Varie: And Aruto your jokes are really funny.

Qin: Yeah I don't care what people think about your jokes. They are really funny.

Nico: Even Luan likes them.

Aruto: Thanks guys.

Me: Okay Bart and Lisa what are you fighting about this time!?

Eli: Yeah!

Lisa Simpson: I will never forgive Bart for doing all kinds of horrible things to me!

Bart: If this is all about what happened during Thanksgiving I thought we were passed that. (Season 2 Episode 7)

Me: Bart that was 30 years ago.

Eli: Yeah it's over.

Lisa Simpson: I don't care! I WILL KILL HIM!

Lisa jumped Bart and strangled him!

Eli then grabbed them and bonked their heads together!

BONK!

Bart and Lisa: OW!

Sunset Shimmer: What exactly brought this subject up in the first place?

Me: Probably old memories that Lisa hasn't let go of.

Sunset Shimmer: Hmm.

She touched Lisa and saw all the times Bart and Lisa were fighting.

There was the Thanksgiving that Bart Ruined (Season 2 Episode 7)

Bart and Lisa in 3rd Grade and Bart humiliated her (Season 14 Episode 3)

Lisa and Bart fighting in Hockey (Season 6 Episode 8)

Bart and Lisa fighting when they were 2 in the library (Season 26 Episode 19)

Going to Lenny's party in the car (Season 20 Episode 3)

Zapping Lisa with a Psychology Shocker (Season 1 Episode 4)

And more.

Sunset Shimmer: Geez!

Me: What did you see Sunset?

Sunset Shimmer: Bart and Lisa hated each other for as long as they can remember.

She told us everything and it was shocking.

Me: Geez! Me and my sister never fought like that.

Eli: No kidding.

Aruto: I'm just glad Ark is finally gone. I know you guys have fought your fair share of evil AIs.

Nico: That's right. We have. We fought XANA, SKYNET, many of them.

Qin: Yeah.

Laney: It was so awesome.

Nico: And the computer virus that J.D. made worked perfectly. But we did not expect Ark to explode like that.

Aruto: Me neither.

Luan: Yeah it Blew the competition away. (Laughs) Get it?

We laughed at that one.

Nico: (LAUGHS) That was a good oone!

Eddy: (LAUGHS) That was funny.

Maria: (to Bart and Lisa) So, after so many years of being with us, you two choose now to beat each other up?

Bart: Don't look at me! I was just minding my own business when she decided to pick a fight.

Me: Really?

Eli: He's telling the truth.

Me: Oh. But Maria the Simpsons have been on for over 33+ Years now so seeing Bart and Lisa fight like they do is pretty much an iconic thing.

Maria: Oh. Yeah that is a good point.

Me: But Lisa you got to let these memories go and move on.

Eli: Yeah.

Bart: Besides, Lisa, between me and Burns, who do you think has done the worst deeds?

Me: Yeah and Bart's pranks were just that of Mischief. Homer knows about that.

Bart: Yeah.

Homer: You're right on that one.

Me: Also Quimby and many residents of Springfield are just as guilty but nowhere near as guilty as Burns was.

Lisa got to thinking about it and she saw that from what she learned from us and Lincoln's Guardian Angels and all of the past experiences she had over the last 33+ Years since 1989, she saw that Mr. Burns, Quimby, Jebediah Springfield and Abraham Simpson have done far much worse deeds than Bart and all the citizens of Springfield combined.

Lisa Simpson: Oh you're right. (Crying) Bart I'm sorry!

She hugged him and cried.

Bart: It's okay, Lis. I don't blame you for being mad. But we DO have to move on. I have.

Me: Lisa we may not be able to change the past but we can move on and learn from it to make sure it never happens again.

Eli: Yeah. We can learn from it.

Mrs. Krabappel: Yeah I know I have when I was in love with Seymour. Ha!

Qin: You still are aren't you Mrs. Krabappel?

Mrs. Krabappel: Some feelings linger. But there is one person I love now. Bart.

Varie: Aw. The Teacher in love with one of her students.

Qin: Yep.

Nico was stiring the beans.

Nico: They are ready.

Lola: The Judges are here.

Maria: I wonder who's gonna win.

Helia Nostradamus: Oh we know it will be us.

Me: I do too.

The judges tasted the bowl of beans over in the booth over and they didn't like it.

Me: Better luck next time.

Judge Lady: Well Team Loud Phoenix Storm. Welcome.

Me: Thank you.

Nico: Glad to be here.

Judge Lady: What is your contribution?

Nico: We call it the Merciless Blue Nova Diablo Baked Beans.

Nico poured them a bowl and it was glowing blue hot and they took a taste and then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive explosion of blue fire exploded out from them!

They screamed in excruciating pain as the beans were far too spicy for them and massive streams of blue fire exploded out of their mouths and they screamed in excruciating agony! We absorbed the flames and it was intense!

Qin: WHOA!

May: I hope that didn't kill them!

Maria fired waves of water into their mouths and massive clouds of steam came out of them.

Judges: Ahhhhh.

Me: Are you guys okay?

Judge Lady: That was the spiciest we've ever tasted! What's in it?

Me: Well we added the hottest peppers on the planet including these.

I pulled out jars of Moonscar Island Peppers, The Merciless Peppers of Quetzalacatenango, The Tears of Zephos, all the peppers we tried and numerous hot sauces we made from them.

Nico: We made these hot sauces.

Judge Lady: Wow! You guys make awesome beans. The winner is

Team Loud Phoenix Storm!

We cheered wildly!

Izuku: YEAH!

They gave us the key to the mansion we won for Izuku and they gave us a trophy too that looked like a flaming bean!

Nico: That was awesome!

Eli: Yeah it was!

Nico: You've earned this, Izuku.

Izuku: Thank you guys! Thank you!

Me: No problem.

Eli: Uh oh. I sense something.

We saw a figure come and it was a dragon Zodiart! It was the Zodiarts for Draco the Dragon!

Me: Whoa the Zodiarts for Draco the Dragon!

Nico: Wow! That's a cool one!

Draco Zodiarts: (In a girls voice) This is gonna be awesome.

She reverted back and it was a girl with blue hair and blue clothes and she had the symbol of Draco the Dragon on her right arm and the constellation of Draco the Dragon was on her skirt.

Me: Deanna Draco!

Deanna Draco: Good to see you again J.D.

Me: You too Deanna.

Nico: You know her?

Me: I sure do. Deanna is one of the most amazing Cheeseburger

Chefs ever and she makes thousands of varieties of burgers from all over the world.

Qin: That is cool!

Laney: Yeah!

Skullcruncher: Sorry. But we've got to kick your butt now.

Me: Yeah to save you from the Zodiart Power.

Deanna Draco: I understand. Come at me.

Me: Also Draco is the namesake of Draco here.

Draco (Dragonheart): It's true. I was named after the stars of Draco the Dragon.

Deanna Draco: That is awesome.

Nico: It sure is.

Deanna turned back into the Draco Zodiarts.

Me: Can you breathe fire like a dragon too?

Draco Zodiarts: Lets find out.

She fired a massive blast of fire from her mouth it was intense and we absorbed it.

Me: Whoa! You CAN do that.

Nico: Nice.

Me: KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Me: Now here's my fire.

I fired waves of blue fire and blasted her all over the place.

Nico: YEAH!

Warpath turned into his tank form.

Warpath: Okay. Her Zodiart Form should make her capable of surviving my firepower. (fires at her)

He fired a laser blast and it hit her and blasted her down.

Me: Now this!

I fired a wave of blue fire and it hit her and she exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught the Zodiart Switch and purified it and it formed into a Sword of Draco!

Nico: YEAH!

I went over and picked her up.

Deanna Draco: (Groans) What a headache.

Me: At least your back to normal.

Nico: Yeah.

We went back to the estate And beamed the mansion we won for Izuku and his friends to the Estate.

Agitos: Where are we going next?

Nico: You'll love it. We're going to Ryme City.

Me: That means we're going into the world of Detective Pikachu.

Pikachu: Pika?

Me: It's a movie Pikachu.

I pulled out the case for it.

Me: It's about a kid named Tim Goodman and he lives in a live action city with real live action Pokemon.

Nico: Yep.

Starlight Glimmer: Wow! This is gonna be awesome.

May: I can't wait to see what we look like as live action Pokemon Trainers.

Nico: Yep. First we're going to watch the movie and then we're going there.

Then Major Disaster, Count Spankulot, Black Knight Ghost, Yenaldoshi, Dumbbelltron, Beast Man, Leap Frog, Toad, Dodgeball Wizard, and White Lightning Appeared.

Major Disaster: Can we watch with you guys?

Nico: You sure can.

We got to watching the movie.

Tim Goodman gave up his dream of being a Pokémon trainer following the death of his mother and his estrangement from his father Harry, a police detective. He is contacted by the police of Ryme City, a city where humans and Pokémon live together in harmony and Pokémon battles are illegal. He is informed by Harry's friend, Detective Hideo Yoshida, that Harry was killed in a car accident. Tim goes to Harry's apartment to sort things out and meets Harry's police partner, a deerstalker-clad amnesiac Pikachu, whom only Tim can understand. Tim accidentally releases a mysterious purple gas known as "R" from a vial he finds in Harry's office; they are then attacked by a party of Aipom[d] who became rabid under the gas's influence.

Pikachu believes that Harry survived the crash as the police never found his body. They meet an informant of Harry's, a Mr. Mime who directs them to an illegal underground Pokémon battle arena. The arena is raided by police and Tim is brought to Yoshida, who reveals footage of Harry's crash, explaining that it is impossible that Harry would have survived.

Tim and Pikachu are contacted by Howard Clifford, the founder of Clifford Industries and creator of Ryme City. Clifford reveals that Harry was abducted by a genetically engineered Pokémon called Mewtwo, who erased Pikachu's memory of the incident. He warns Tim that his son Roger is behind the creation of the R gas. Tim and Pikachu recruit aspiring journalist Lucy Stevens and her Psyduck and travel to the abandoned genetics lab Harry was investigating, where they are attacked by genetically enhanced Greninja. They manage to escape but Pikachu is injured in the attack. A Bulbasaur leads them to Mewtwo and despite Tim's objections, Mewtwo heals Pikachu. This causes Pikachu to remember that he helped Mewtwo escape from the lab and believes he was responsible for betraying Harry. Not trusting himself, he leaves Tim.

Pikachu discovers the scene of the crash and finds evidence that it was the Greninja, not Mewtwo, who were responsible for the crash. Back in Ryme City, Clifford exposes himself as the mastermind behind the "R" gas and the Mewtwo experiments. He explains that Mewtwo can fuse humans with their Pokémon, but only if the Pokémon is in a crazed state, thus the need for R. Clifford uses a device to transfer his consciousness into Mewtwo, unleashes the gas on the city from giant balloons and starts fusing humans with Pokémon including Lucy and Yoshida. Pikachu arrives and fights Mewtwo while Tim discovers that Roger is a Ditto and the real Roger was tied up and gagged by his father. They eventually defeat Clifford by removing the headset on his head, freeing Mewtwo from his control. Mewtwo separates the people and their Pokemon, Howard is arrested, and Roger vows to fix his father's mistakes.

Mewtwo explains that Harry had tried to save him from Howard and helped him escape, but was attacked by the Greninja. Mewtwo had decided to heal Harry's wounded body while Pikachu had volunteered to have himself fuse his consciousness with Harry's to continue their investigation, the experience erasing both their memories. Mewtwo separates the two and Tim reunites with Harry in his human body. Tim decides to stay in Ryme City to become a detective and spend more time with his father and Pikachu.

We were amazed and awesome and when it was done we cheered wildly!

Me: YEAH!

Beast Boy: Awesome movie!

Nico: Yeah it is!

Laney: That is so awesome!

Ash: Tim Goodman is like me and Pikachu that is so cool that his Pikachu talks.

Meowth: Just like me.

Nico: Yeah!

Me: So our target is Howard Clifford.

Nico: Yep.

Me: Lets see what it says about Howard.

I pulled up his info.

---

Howard Clifford is the main antagonist of the 2019 film Pokémon: Detective Pikachu. He is the disabled founder of Clifford Enterprises and the visionary behind the creation of Ryme City, who is actually a criminal mastermind who plots to use the psychic Pokémon Mewtwo and the drug R to merge all of humanity with Pokémon. He is the father of Roger Clifford, the Pokémon trainer/partner of Ditto, and the archenemy of Tim Goodman and Pikachu.

He was portrayed by Bill Nighy, who also played Viktor in the Underworld film series, Davy Jones in the Pirates of the Caribbean film series, Whitey in Flushed Away, Rattlesnake Jake in Rango, General Fallon in Jack The Giant Slayer, The Network in The World's End, Prince Naberius in I, Frankenstein and Leo Argyll in Ordeal of Innocence. Additionally, Nighy also voiced Mewtwo when he is possessed by Howard's consciousness. Past

Prior to the events of the film, Howard founded his company Clifford Industries and had a son named Roger (though who his mother is remains unknown). At some point, Clifford was diagnosed with an unnamed degenerative disease that eventually cost him the use of his legs, and in his search for his cure, he ended up developing a deep value for the bond between people and Pokémon. With this value in mind, he helped create Ryme City - a metropolis where Pokémon and people are treated as equals, and Pokémon battles, Pokéballs, and other normal Pokémon traditions are outlawed - to suit his new worldview. However, in secret, Clifford possessed much more nefarious intentions, having developed the ideology that, for humanity to evolve, it needs to be merged with Pokémon, since they can (quite literally) evolve into better versions of themselves.

Due to this belief, he helped fund Pokémon Comprehensive Laboratories' many dubious Pokémon experiments, and hired renowned detective Harry Goodman to track down the genetically-engineered Pokémon Mewtwo to further their work. He also helped distribute the drug R - which was synthesized from Mewtwo with the ability to make any Pokémon who inhales it go berserk - into the illegal Pokémon fights run by Sebastian for the sake of his research, and had PCL's chief scientist Dr. Ann Laurent develop a neural link that would allow the user to transfer their consciousness into another Pokémon's body. One of his genetic experiments also enhanced the natural abilities of his Pokémon partner Ditto, who used it's shape-shifting abilities to masquerade as his assistant and cohort Ms. Norman.

Eventually, Harry Goodman and his Pikachu became curious as to what Clifford's intentions were, instead of taking his money and walking away like Clifford intended. Harry and Pikachu would later help free Mewtwo from his imprisonment, though, thanks to PCL's Greninjas, they both ended up in a car crash that resulted in both seemingly dying. With Mewtwo having escaped, Clifford's plans were held off, though he continued to look for him in hopes of meeting his end goals. Harry's supposed death also results in his distant son Tim coming to Ryme City to say his goodbyes.

## Meeting Tim Goodman

Clifford is first seen in a informational video for Ryme City that Tim watches while taking the train there, which states his history and motivations for creating the city. Later on, Tim meets with Pikachu - who, strangely, only he can communicate with - and the two decide to team up and investigate Harry's disappearance together, starting by getting information about Harry from Lucy Stevens; a Clifford News Media intern who dreams of being a reporter. Tim and Pikachu go to the CNM building to meet her, and while there come across Clifford and his son in the middle of airing an advertisement for their upcoming parade in celebration of Ryme City. After the filming is over, however, Roger angrily chastises his father for again proclaiming himself as the "visionary icon of Ryme City" and celebrating his accomplishments to overshadow him, though Clifford insists that he didn't intend to and that Roger's own people wrote the script. Before the argument can continue, Clifford's Ditto (in the form of a human assistant) wheels him out of the room, much to Roger's frustration.

Following their meeting with Lucy and interrogating a Mr. Mime for information, Tim and Pikachu end up at Sebastian's Pokémon fighting ring, where they know R is being distributed; and while there, they are spotted by Ms. Norman, who texts Clifford to tell them of their arrival. A short while after seeing Lieutenant Yoshida, who tells them that there was no way Harry could have possibly survived his accident, Ms. Norman meets Tim and Pikachu and brings them to Clifford's office. Clifford begins to tell them about how Pokémon can evolve into better versions of themselves (evolving an Eevee into a Flareon to demonstrate his point) and how precious their relationship with humans is, and that he had Harry investigate the origins and distribution of R, which threatens everything which he has built. Continuing, Clifford tells them that Harry found out that Roger was the one responsible for R before his disappearance, and that he figures that his son wants to destroy the relationship between humans and Pokémon out of revenge, since he regretfully paid more attention to them all his life rather than him.

Clifford then activates a holographic device, saying that he invested in the technology in order to have another way of interacting with and seeing the world, and shows Tim and Pikachu a recreation of Harry's crash, claiming that the footage they saw at police headquarters was not entirely accurate. In the footage, Tim and Pikachu see that Harry had survived the accident, which was caused by Mewtwo, who subsequently kidnapped Harry and erased Pikachu's memories. Clifford tells them that to find Harry, they must find Mewtwo, and that he has been unable to do anything because his son controls most of his company and the city, including the police, and thus Tim and Pikachu are he only ones he can trust. Following Clifford's lead, Tim and Pikachu get information from Lucy that leads them to going with her and Psyduck to PCL to find out what Harry was investigating there; Tim and Pikachu discovering the origins of R and the neural link in the process, and that Harry was supposedly hired by PCL to track down Mewtwo for them, making them believe Mewtwo kidnapped him out of revenge. Afterwards, the duo, Lucy and Psyduck escape PCL's Greninjas (which were remotely released by Roger to capture them) and manages to survive the field of massive Torterra created by PCL's growth experiments, although the latter encounter leaves Pikachu greatly injured.

Tim then convinces a herd of Bulbasaur and Morelull to lead him to a Pokémon who can heal Pikachu, and they take him to Mewtwo, who, after healing Pikachu, projects his memories into the two to reveal that the former had freed him from PCL and met him after the car accident, though before he can tell the whole truth he is captured and restrained by Roger. Heartbroken about seemingly betraying Harry to Mewtwo, Pikachu runs away from Tim, who goes with Lucy and Psyduck back to the city to warn Clifford and everyone else about Roger. Meanwhile, at the same time, Pikachu ends up at Harry's crash site and deduces that Greninja caused Harry's accident and not Mewtwo, making him realize that Clifford manipulated the hologram recreation and was using them the whole time.

## Plan Revealed and Defeat

In Ryme City, Tim attempts to warn Clifford of Roger's plan, only to find him in his office with the captured Mewtwo, who demand that he run. Using the neural link, Clifford transports his mind into Mewtwo's body and confronts Tim using his newfound psychic powers, expressing joy in no longer being confined to his aging, disabled body. Clifford reveals that he had used Tim to lead him to Mewtwo, and tried to eliminate Harry for getting too curious about his operations and freeing the former in the first place. Upon restraining Tim with psychic energy, he further confesses to his plans to use Mewtwo's powers of merging human minds with Pokémon in combination with the R to fuse all of humanity with Pokémon, starting with Ryme City, before knocking him out. As the parade begins, Clifford/Mewtwo greets the public and proclaims his intentions before unleashing the R hidden inside the parade balloons. Despite Lucy's efforts against it, the R causes most of the Pokémon in the area to go berserk immediately, and Clifford then uses his powers to merge every person there with a Pokémon; including merging Lucy to Psyduck and Lieutenant Yoshida to his Snubbull. However, Pikachu then returns to the city, and, after finally remembering how to use Pokémon moves, begins to use his electricity to destroy the R balloons, which is noticed by Clifford, who angrily goes off to stop him.

Upon awakening, Tim realizes that he needs to remove the neural link from Clifford's body to free Mewtwo from his control, and also discovers Roger, who had been tied up in the closet the whole time and was being impersonated by Clifford's Ditto, who reveals itself to Tim and uses it's shape-shifting abilities to take different forms (including Lucy's) to attack and keep him away from Clifford's body. After dealing with Pikachu, Clifford orders Ditto to finish Tim off, which it tries to do by punching him over to the window as Machamp and taking the form of Cubone to swat at his fingers. Seeing this, Pikachu slams into Clifford with a Volt Tackle to hold him off, while Roger helps Tim back up and the latter uses a pipe spewing R to defeat Ditto. Recovering himself, Clifford grabs Pikachu with telekinesis and begins to taunt him, telling him that it is impossible for a Pokémon like himself to beat a Mewtwo, though Pikachu replies that it was never his intention to beat him, but rather to distract him. Clifford then turns to see Tim removing the neural link from his original body, which causes him to return to it while Mewtwo is set free. Upon returning, Clifford falls from his wheelchair and sadly asks Tim what he's done.

Mewtwo proceeds to save Pikachu from falling and undoes Clifford's actions with a wave of psychic energy, destroying the R and returning all people and Pokémon to normal. Clifford is then arrested for his crimes, while, despite his father's actions, Roger shows remorse for not being around for him enough. Roger subsequently gives Lucy the opportunity to report on the story; noting that her report should end with mention of him going to dedicate his time and resources to atoning for his father's actions against the city. Mewtwo arrives to Tim and Pikachu after this and says there is one last Pokémon to fix; showing them that, after the crash, he had merged Harry to his Pikachu in order to save him and throw off suspicion from Clifford, knowing that so long as he joined with Tim the two would be able to put an end to Clifford's evil. Mewtwo thus returns Pikachu and Harry Goodman to normal, and Tim decides to stay with them both in Ryme City and become a detective.

When it was done we were shocked

Me: WHOA MAN!

Nico: He is worse than we thought!

Spankulot: (Transylvanian Accent) Me, Major Disaster, Black Knight Ghost, Yenaldoshi, Dumbbelltron, Beast Man, Leap Frog, Toad, Dodgeball Wizard, and White Lightning

are going with you guys. Howard has been very bad to use Pokemon like that!

Nico: You got that right Count. He is going to get the worst ever spanking of a lifetime!

Qin: To the point where he needs a double butt cheek transplant!

Numbuh 4: Now you're talking Qin.

Dusk: Nico, which Gene Slammer do you think you'll meet next?

Nico: I'm hoping to do one for a Mega Xerneas next.

Me: Wow! The Legendary Pokemon of Life. I found Xenia and Bhavna so you will soon have a Xerneas Gene-Slammer too.

Nico: Yep.

Laney: This will be awesome.

Nico: It sure will.

Varie: Yeah. I have a feeling that one is gonna be awesome.

Camie: Yeah.

Nico: All right lets head out everyone.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure was: it was none other than Evil Abacus Cinch, and she's absolutely furious The Paradigm Brothers have been destroyed for good and they failed to kill us, and now, she's heading here to destroy us all and get her revenge. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is Evil Abacus Cinch is on the move?

Lincoln: You guessed it, Nico, and she's absolutely furious that the Paradigm Brothers have been destroyed for good and they failed to kill us, and now, she's heading here to destroy us all and get her revenge.

Me: Just as expected.

Twilight Sparkle: I've been thinking, when we made Abacus Cinch see that what she was doing was wrong, did that cause all that evil to leave her and take on the form of Evil Abacus Cinch, Linky?

Lincoln: I haven't thought of that, but you're right, Twilight. That day when we made Abacus Cinch see that what she was doing was wrong, that evil that she had in her left.

Nico: And it took on the form of Evil Abacus Cinch, as soon as The Church of Necrom's contingency plan kicked in, sheesh.

Me: But, either way, she's going to die here and now.

Lyra Heartstrings III: She's going to have her teaching license revoked forever.

Lyra Heartstrings: What she did proves that she was abusive and evil, putting her own reputation above the care and safety of the students.

Nico: And on top of that, we can't forget what she did to Twilight long ago. Alright, gang, let's go, we got to save Tim Goodman's father, Harry, and bring Roger's father, Howard, to justice.

Lincoln: And he'll be spending the rest of his life behind bars, and Evil Abacus Cinch, don't think you're getting out of this, you're going to pay for abusing the students and for what you did to Twilight, you abusive, sadistic monster.

We were off.

---

We went through a portal and arrived in Ryme City.

Yenaldoshi: This must be the place.

Me: Wow!

Nico: Ryme City.

Me: Wow!

I looked at myself in a mirror. We crossed the Fourth Wall and into the Live Action World.

Me: Wow! I look awesome in the Live Action World.

Qin: Boy you sure do. We all do! This is amazing.

Nico: Boy it's awesome.

Laney: Yeah no kidding! Wow!

May: I look so awesome.

Rainbow Dash: Boy we all look awesome.

Me: Boy it's totally different than everything in our world. But of course we know that feeling because of how we went to the Live Action Transformers Universe.

Nico: That's true.

Qin: Yeah.

Dawn: But this is awesome. Wow! Look at all the Pokemon here.

Piplup: Piplup.

We saw so many Pokemon all over the city.

Me: Wow look at all the Pokemon.

Nico: Wow so many of them.

Me: And with the arrival of Pokemon Violet and Scarlet we have more of them now.

We later arrived at Tim Goodman's apartment and he answered.

Eret: Hi! You must be Tim.

Tim Goodman: Wow you're all Team Loud Phoenix Storm!

Me: That's us.

Nico: It's awesome to meet you in person. Well beyond the Fourth Wall actually.

Tim Goodman: That's true. But it's awesome having you all here.

Tim's Pikachu: Wow Team Loud Phoenix Storm! It's an honor.

Ash's Pikachu: Pika! Pika Pika.

Tim's Pikachu: Yes it's an honor to meet another Pikachu.

Me: Your Pikachu is awesome Tim.

Tim Goodman: He sure is. He's not only my partner but he's my best friend.

Beast Man: We got more then just Pikachu. We've got the mascots.

Poliwag: Hi there!

Tim's Pikachu: Wow!

Nico: The Poliwag is mine.

May: I have Manaphy.

Manaphy: Hey there.

Varie: I have Tentacool.

Tentacool: Hello there.

Maria: And I have Horsea.

Horsea: Hello.

Tim Goodman: Wow! Did you guys teach your Pokemon how to talk?

Me: Well some of them learned how to speak on their own.

Meowth: Just like me.

Me: Team Rocket's Meowth learned how to speak on his own.

Nico: Yep.

Morton: They actually can do more then just talk.

Poromon grinned and out 10 beer bottles.

Poromon: Who wants beer?!

Morton: (facepalms) They can even drink beer. I'm so sorry about this.

Shero: (laughs) That's from my place!

Nico: Ugh!

Tim Goodman: Pokemon that drink beer?

Me: Ugh! Don't fucking ask. And it's not even a big day Ambassador Mission.

Nico: Yeah.

Me: But we also came here to help you take down Howard Clifford.

Nico: Yeah. He's probably back out for revenge.

Me: Also Poromon is actually a Digimon. Not a Pokemon.

Poromon: Yeah sorry about the mixup.

Tim Goodman: No worries. And is that Mewtwo with you?

Mewtwo: Yes I am with everyone. I am in the Redemption Squad.

Me: It's a long story.

Tim's Pikachu: Me and Tim are ok with you guys killing bad guys. As long as you don't kill Pokemon.

Leap Frog: Relax! We promise to not kill any Pokemon. (to Nico) And nice job using my Ridewatch, Nico.

Nico: Thanks Vincent.

Qin: Also you won't believe how many Pokemon there are all together.

Me: We counted 905 species of Pokemon and counting.

Tim Goodman: Wow! That's a lot of Pokemon.

Me: I know. And we know so many awesome Pokemon including many of the great legendary Pokemon.

Driscoll: Including Arceus. Maybe we should call him to help out here.

Me: Good idea. The divine judgement of the Pokemon God is perfect for a situation like this with Howard.

Nico: I agree there.

Xenia: Arceus is the most powerful Pokemon ever.

Carolyn Hope: That's right he is.

Tim Goodman: I'm so looking forward to seeing its power in action.

Tim's Pikachu: Yeah it sure is.

Me: Tim do you have any other Pokemon than just Pikachu?

Lucy Stevens and Psyduck then showed up.

Lucy Stevens: Tim, you're not going to believe this. I just heard that Howard's-

White Lightning:-escaped? We already told him.

Lucy Stevens: Wow! Team Loud Phoenix Storm! It's an honor.

Lucy's Psyduck: Psy-yiyi.

Me: Awesome to meet you too Lucy and your Psyduck is awesome.

Misty (Pokemon): Reminds me of my Psyduck.

Qin: And he's a cute one.

Lucy Stevens: Thanks.

Me: We came to help you guys destroy Howard. And it looks like we got here just in time because he just escaped from prison?

Lucy Stevens: That's right.

Tim's Pikachu: Oh, did I mention that if Psyduck's headaches get too intense, his head will explode and we all fucking die?!

Dreadbane: (to Misty) I don't think your Psyduck has that problem.

Me: We were never actually told about Psyduck's headaches getting that bad to that level of explosive power.

Misty (Pokemon): Me neither.

Nico: I didn't know about that.

Qin: Me neither.

Tim Goodman: Let's not forget about the R Substsance. Howard might still have that stuff.

Me: I remember seeing that stuff! That was nuts!

Dodgeball Wizard: Thanks to our powers, we won't be affected by it.

Me: Yeah we're impervious to all forms of poison.

Lucy Stevens: You guys won't be affected by it. But the mascots might be.

Tim's Pikachu: And if they get exposed, they'll go berserk.

Maria: Then we'll just have to make sure they DON't get exposed to it.

Me: The Pokemon will go berserk but not the Digimon. Also Way ahead of you.

I used my magic and made them immune to the R Substance.

Me: I used my magic and gave the Mascots immunity to the R Substance. It won't affect them now.

Phage: First, we need to find out where he is.

Eli used the Force to find him.

Eli: He's in his abandoned Clifford Industries building.

Me: Then that's where we're heading.

Rainbow Dash: What he is doing to Pokemon is awful.

Nico: Yeah no kidding there.

Laney: He's pure evil.

Mewtwo: Yes he sure is.

Toad: We better get over there. I call dibs on fighting the Greninja henchmen!

Aimi Shinobikaeru: As long as I get to catch them.

Toad: Deal.

Qin: Cool.

Me: And Princess Luna you should get Howard's Jigglypuff.

Sunset Shimmer: And I'll get his Flareon.

Princess Luna: Those are perfect for the 2 of us.

Nico: Yep. Lets go!

We were off!

We were off and we arrived.

Me: Target sighted.

We then saw 20 Greninjas!

Me: 20 Greninjas!

As soon as the Greninja saw us, they wasted no time charging at us.

Cuckoo Clocker: (gets punched by one) Argh! These guys aren't pushovers!

Me: But neither are we.

We fired waves of lightning and knocked them out with the electrifying power of their weakness!

Aimi used a bunch of Pokeballs and caught them all!

Dumbbelltron: (sees a squad of Torterra heading towards them) Fuck! Howard must've exposed those Torterra to the R Substance!

Detective Pikachu: At least they're not the ridiculously huge ones we saw before.

Lucy Stevens: But I remember we ran past those ones while running from the Greninja the first time?

Me: Then we'll catch these too.

Laney: Me and the Plant Users will.

Me: First this! (Echoing) MAGNA ANTIDOTE!

I had my wings glow rainbow and fire waves of light and it cured the Torterra and then Laney and the Plant users caught the Torterra!

Mandy: (sees a Jigglypuff appear in front of them) Take your best shot.

Jigglypuff smirked and began to sing in order to get us to sleep.

I put my wings in my ears and picked up Jigglypuff and gave it an apple and it stopped singing.

Me: There you go. You need a better trainer than Howard.

Nico: Nice thinking J.D.

Me: Thanks.

Flareon then appeared and launched an ember at us. But Poliwag used a bubble to extinguish it before headbutting it.

BONK!

Black Knight Ghost: Show no mercy, Poliwag!

Poliwag: YEAH!

He fired a bubblebeam and knocked it down.

Sunset Shimmer picked up the Flareon and loved it and told it that she will make a better Pokemon master for it than Howard will.

Nico: Good job Sunset!

Just then, Evolt appeared in front of us as his Kamen Rider Evol form.

Sento: Evolt?!

Banjo: But how?! He got destroyed by the Black Gates?!

Tim's Pikachu: (groans) I knew we'd have to fight that Ditto again!

Duplica: That is really awesome he has a Ditto.

Me: Your Ditto would have an awesome friend.

Duplica: Yes he would.

Me: Latias, Latios, sic him!

The 2 Eon Pokemon bashed and pulverized the Ditto with their speed and smashed it down and Duplica picked up the Ditto after it reverted back and tended to it.

Me: Never underestimate the power of legends.

Ditto jumped down from Duplica's arms and then turned into Kamen Rider Cronus.

Ditto: (as Cronus) Can you really blame me for taking the form of your enemies who already got the Black Gates?

Me: Not at all. But that is so awesome that you can do that.

Qin: Yeah it sure is.

Nico: Yeah we made sure that those enemies are forgotten forever. But no reason we can have Ditto turn into them for our own gain.

Camie: Yeah that's awesome.

Disk Wars Deadpool: Entrance time, bitches!

Detective Pikachu: (laughs) I don't know why but I like your live action portrayal!

Me: Well we did have to cross the Fourth Wall to Get here. Long story.

Nico: Yeah. Lets do it!

We went into the building and Howard was infuriated.

Then the spirits of all 905+ Pokemon appeared and they swirled around him and then converged and then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out and a phoenix cry was heard and we came out.

Nico: Howard Clifford, your time has come!

Howard Clifford: Who are you?

Me: We are your worst nightmare!

Howard Clifford: (laughs evilly) Looks like you got me. Or have you?!

Howard then unleashed the R Substance on Poromon, Poliwag, Manaphy, and Horsea.

Major Disaster: This isn't good.

Howard Clifford: How poetic. You're about to killed by your own mascots. A shame Poromon isn't affected. That means he gets to die with the rest of you.

Poromon: (to Poliwag, Manaphy, and Horsea) C'mon, guys. You wouldn't try to kill me after everything we've been through, right?

Tim's Pikachu: (gets into fighting stance) Poromon, I think we might have to assume the worse!

Poliwag: He's not getting to us that easily!

Manaphy: Yeah!

Tim's Pikachu and the Mascots and our Pokemon were glowing in a red shield aura that was blowing the R Substance away.

Me: Your poison is completely useless Howard!

Qin: Yeah!

Me: I used my magic and made the Pokemon we have completely immune to it. Also I did this.

I used an illusion and showed a picture of his wife with me.

Howard Clifford: Martha! YOU SON OF A FUCKING BITCH!

Me: (Imitating the Mask) Geez and I'd figure you'd have a sense of humor. After all YOU MARRIED HER!

Howard Clifford: (ROARS)

SLAP SLAP SLAP SLAP SLAP SLAP SLAP SLAP SLAP SLAP SLAP SLAP SLAP SLAP SLAP SLAP!

I slapped his face all over.

Me: (Whispers in his ear) Thats gotta hurt. Aiyiyiyiyiyiyi.

ZOOOOM!

I ran fast and gave him a huge wedgie and strung him up on a hook!

Nico: (LAUGHS HYSTERICALLY) OH THAT WAS SO FUNNY!

Me: That was awesome. And no it's not his wife.

I pulled off the picture of "Martha" and it was really me and Allie back when we were in 3rd grade.

Nico: Very crafty!

His underwear then ripped and he fell from the hook and crashed to the ground!

THUD!

Howard Clifford: Ouch!

We then saw another Mewtwo tied up near Howard.

Maria: That's the Mewtwo that saved Tim's dad before.

Howard Clifford: (to Missy) Consider yourself lucky. I had planned to take over your body before. But your human mind would've been too much of a risk.

Howard then used the Neural link and then fell to the ground, seemingly dead.

May: Is he dead?

Tim Goodman: Don't count on it.

But that's when the other Mewtwo looked up evilly at us.

Howard: (as Mewtwo) (sadistically) Honey. I'm home!

Me: Not for long!

I went Super Angel Eternal Celestial Xelnaga!

Me: (DIVINE ECHOING COSMIC ELEMENTAL VOICE OF HOPE, LOVE FRIENDSHIP AND JUSTICE) **You are now facing me at my most powerful.**

I teleported and grabbed the Neural Link and ripped it off of Mewtwo!

Howard Clifford: Okay. I'll just settle for this then!

A Tyranitar, Magmortar, and Garchomp then appeared, all infected by the R Substance.

Other Mewtwo: As thanks for helping me, I will hold them off while you have the usual battles.

Missy: (groans as her shoes rip off) Me and the Mewtwo we know will help you. If we're lucky, Arceus will arrive in time to help us.

Nico: Good luck, sis!

Missy turned into MEWTWO!

Missy and Mewtwo and the Other Mewtwo blasted and smashed and pulverized the Tyranitar, Magmortar and Garchomp and Homer went at Howard.

Homer: WHY YOU LITTLE!?

He grabbed him and strangled him!

Then Bizarro, Metal Sonic, Marionette Shadow, Gameface, SkullMeramon, Kyd Wykkyd, Devack, Copperhead, Kerbero Gangan, and Samon Shakekisutanchin appeared.

Nico: Bizarro, Metal Sonic, Marionette Shadow, Gameface, SkullMeramon, Kyd Wykkyd, Devack, Copperhead, Kerbero Gangan, and Samon Shakekisutanchin.

Bizarro: Bizarro not happy to see many Pokemon here.

Maria: We're not happy as well.

Tim's Pikachu: Um… you guys have Pokemon as members, right?

Metal Sonic: Not as members. But we do own several Pokemon.

Me: **Also Tim when you talk to Bizarro you have to talk in the**

**opposite. Love to him is hate and hate is love. It'a complicated.**

Tim Goodman: Oh I get it. But you have lots of Pokemon we know.

Marionette Shadow: And don't worry. None of them have been infected by the R Substance

Nico: That's good.

Gameface: (To Nico) Heard you went shopping this morning.

Nico: Yep.

SkullMeramon: How was it?

Me: **It was good. We had fun.**

Laney: Strange seeing all of you here beyond the 4th Wall.

SkullMeramon: Yeah it sure feels weird.

Nico: No kidding.

?: I agree.

A figure came out and it was NEW YEAR'S ORG from episode 46 of Gaorangers!

---

As the Gaoranger begin to search for the Org Matrix, Yabaiba sends out a New Year's themed Org as his means to try and prevent the heroes from discovering where it is.

---

Eli: New Year's Org! I remember you! You were sent to stop the rangers from finding out where the Org Matrix was.

New Year's Org: That's right.

Me: **You would make a great monster for the start of 2023.**

New Year's Org: I sure would.

Nico: Listen, I don't know what our first big mission will be for 2023. But, do you want to be there in one of the battles on that day?

New Year's Org: Don't worry. Whatever it is, I'll be there.

Me: **Looking forward to it.**

Eli: Yeah.

Rainbow Dash: She is awesome and knows so much about the clouds.

Scootaloo: And her story is cool too.

---

Mina Hurricanecloud: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Mina, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Mina Hurricanecloud: That's incredible.

Nico: It sure is. So, Mina, what's the story on why you hate Lola with a burning passion?

Mina Hurricanecloud: You're so not going to like this one. One day, Lincoln and I were in his room and we were doing another project on the cumulonimbus clouds, the storm clouds that form in the skies and produce thunderstorms. But, then, we heard the sound of stampeding footsteps and a shrill scream of rage, and Lincoln knew who it was, especially when the door was kicked down: it was Lola, and she was really really mad. She was furious that Lincoln wasn't in her room steaming her dresses, but he told her he was busy with our school project, and this ultimately set her off, and she pounced on our project and ripped it to shreds. I was extremely furious at Lola, and I pounced on that little monster and proceeded to pummel her badly. Lincoln then rushed on over and he pried me off of her, but that didn't save Lola, because when she saw Lincoln's eyes turn blood red and his vampire fangs grow even longer, she was in big trouble. Lincoln fired a blast of lightning at her and trapped her in a sphere of lightning, and when the other sisters and the parents came up, we explained everything Lola did, and they were furious at her. As a result, Lola was grounded for eight weeks with no tea parties, no pageants, and no desserts, and Lincoln threw her in an isolation cube in the basement. But, what Lola didn't know was that the project she destroyed was a decoy, and that we worked on our project a little earlier, and we had it safe in my house, since we knew The Loud House wasn't a safe place for school projects. The next day, we got an A on our project.

We cheered wildly for what Mina and Lincoln did to Lola.

Nico: Whoa, you guys outsmarted and beat Lola, and the project she destroyed was actually a decoy, that was pretty sly of you guys to trick her like that.

Me: It sure was. But, what was the decoy?

Mina Hurricanecloud: That decoy project was actually Lori's old magazines.

Lincoln: Mina told me why she took Lori's old magazines and there's a chance that either Lori, Lynn, Lola, Lisa, or Luan could barge in and try to destroy another school assignment of ours for their own cruelty. Remembering what Lori did, I went along with her plan, and it worked.

Nico: Yeah, I still haven't forgotten what Lori did, she had some nerve in ruining a school assignment you and one of your Guardian Angels worked hard on.

FLASHBACK ENDS!

Gameface: Goodness! That is genius that they used a decoy like that.

Whirlwind: Yeah they really thought ahead on that one.

Queen Angel of Roses: Yeah that was really well played.

Lyra Heartstrings III has transformed into SUPER ANGEL-ALICORN ETERNITY INFINITY MOONLIGHT MIRACLE ALICORN ANGEL OF DIVINE COSMIC MOONLIGHT MIRACLES AND DIVINE MOON MIRACLE LOVE!

We were amazed by Lyra Heartstrings III's Super Angel-Alicorn Eternity Infinity transformation, and when Bon Bon saw her, she had a blush on her face, but when Evil Abacus Cinch saw it, she went mad and charged at her to kill her, but Lyra Heartstrings bashed her in the head with her Elemental Shield of Harmony and she fired a powerful mint green energy blast with lyres, magic, and Alicorns, and it hits Evil Abacus Cinch and sent her flying into a wall, but she's not out yet, and she's really mad now.

Nico: Whoa, now Lyra Heartstrings has transformed, so awesome.

Lyra Heartstrings: (Divine Echoing Cosmic Voice of The Lyre Love Alicorn and Divine Lyre Music Love) **Now, we can send this monster back to where she belongs. You ready, Lincoln?**

Lincoln: You bet I am.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Lyra Heartstrings and Lyra Heartstrings III.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **What you did to Twilight and to your fellow students can never be forgiven, Evil Abacus Cinch, and now, your miserable life is about to come to an end here and now!**

Lyra Heartstrings III, Lyra Heartstrings, and Lincoln went after Evil Abacus Cinch, and they fired powerful blasts of rainbow energy, mint green energy blasts, lyres, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, rainbow lighting, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, and Angels at Evil Abacus Cinch and they exploded with incredible power as they hit her, and she was being burned badly by The Magic of Friendship. Then, they attack her with their massive greatswords and they left painful scars on her, and because of the purity of the attacks, it really burned her badly, and the wounds she suffered would never heal. Then, Lincoln grabs Evil Abacus Cinch by the neck in his large left hand and he began sucking out and absorbing all of her powers and hatred and he and the rest of us made them our own and gained a massive power boost from her hatred, and when Lincoln was done, Evil Abacus Cinch was weakened to such a degree she couldn't even stand.

This allowed Lyra Heartstrings III, Lyra Heartstrings, and Lincoln to finish Evil Abacus Cinch off by firing powerful energy beams and they overwhelm Evil Abacus Cinch and they exploded with incredible power, killing her for good. We cheered wildly for what Lyra Heartstrings III, Lyra Heartstrings, and Lincoln did to Evil Abacus Cinch as they holstered their massive greatswords on their backs and powered down, and the new bodies, clothes, weapons, jewelry, and massive angel wings of Lyra Heartstrings III and Lyra Heartstrings are permanent.

Then, as Evil Abacus Cinch's spirit appeared, the cutie marks of The Mane 9 on the massive Celtic Cross cutie mark tattoo on Lincoln's wider and more muscular back glowed, along with the cutie marks of The Mane 12 and the Elements of Harmony on my massive greatsword, and Evil Abacus Cinch's spirit was surrounded by a magic circle with the cutie marks of The Mane 12 that formed on the ground, and she was chained up by chains of magic and rainbow energy, and the energy images of The Mane 12 appeared from the cutie marks on the circle, and they found her guilty of her crimes, and the energy images of The Mane 12 aimed their horns at Evil Abacus Cinch and Lincoln aimed his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds at Evil Abacus Cinch.

Lincoln: Evil Abacus Cinch, for the crimes that you've committed against Equestria and for what you did in hurting Twilight Sparkle and the Shadowbolts, you have been found guilty, and the punishment for your crimes is death.

This horrified Evil Abacus Cinch, as she soon saw her days of havoc and chaos are about to end.

Lincoln: MANE 12 HARMONIOUS CUTIE MARK FINAL JUDGEMENT!

Lincoln fires a very powerful barrage of rainbow energy beams with Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, rainbow super lightning, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, and Angels from his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds and the energy images of The Mane 12 fired colored magic energy beams from their horns, and as they hit Evil Abacus Cinch's spirit, they exploded with incredible power and her spirit was condemned to The Black Gates, and she was fading away.

Evil Abacus Cinch: CURSE YOU TEAM LOUD PHOENIX STORM! (FADES AWAY)

Evil Abacus Cinch's spirit was erased from existence by the spirits of all those she's hurt, and she would never return again. Then, Bon Bon went up to Lyra Heartstrings and they hugged and kissed and we cheered for them.

Nico: Alright, that's another member of The Doomsday 23 put down for good, and only a few more to go.

Lincoln: Which means, the next member of The Doomsday 23 to take down tomorrow is Tirek, the magic-stealing demonic centaur.

Emily Magica: Yes, which means it's up to the three of us to take that monster down for good and see to it that he's destroyed forever.

Twilight Sparkle: Yep, you, me, and Lincoln.

Nico: That monster's going to pay for every last one of his crimes in full.

Lincoln: What he's done can never ever be forgiven.

?: I agree with you, Lincoln Loud.

Suddenly, we saw a figure land in front of us, it was none other than Scorpan, a gargoyle and the younger brother of Lord Tirek.

Lincoln: Wait, you're Scorpan, Tirek's younger brother.

Scorpan: Yes, that's correct, but unlike my brother, I came to appreciate the ponies' ways and it was from there that I befriended Star Swirl the Bearded, but Tirek remains resolute in the plan of stealing Equestrian Magic, despite my urges to reconsider. Turning against him, I alerted the princesses of my brother's intentions, which resulted in his imprisonment in Tartarus.

Nico: Whoa.

Me: You did a very noble thing, Scorpan.

Lincoln: Yeah, you warned Princesses Celestia and Luna of what your brother was planning, and that resulted in his imprisonment in Tartarus.

Scorpan: And as a result, he now hates me forever, and to find out he's returned because of The Church of Necrom's contingency plan, I feared Equestria was in danger again. I wish to join you all and help put an end to my brother for good, any chance of trying to reconsider with my brother is now gone, and he's been forever lost to darkness and his desire for power.

Lincoln: Of course, Scorpan.

Me: Yeah.

Nico: What you did in appreciating the ponies' ways, befriending Star Swirl the Bearded, and warning the two princesses of your brother's evil intentions, those are the marks of a hero and one who also understood the Magic of Friendship. Welcome to the team, Scorpan.

Scorpon: (Smiles) Thank you, Nico, I swear to you all, I will never let any of you down.

Lincoln: Now that we know Tirek is coming tomorrow, we need to be on the alert for that demonic monster, and to make sure he doesn't try anything.

Lincoln chanted a powerful incantation, and far from the distance, Tirek began screaming in pain and agony as his magic-stealing powers were being drained out of him.

Lincoln: There, I used a powerful incantation and drained Tirek's magic-stealing powers, but that's just part 1 for how we're going to kill him tomorrow.

Nico: This, I really got to see tomorrow.

Kyd Wykkyd: That's the end of Clifford's schemes.

Devack: But just in case, we should get rid of the R substance that's remaining.

Copperhead: Sounds like a plan.

Me: Good idea. We'll through it all into the Sun.

Qin: Yeah that works.

Tim Goodman: Can me, Pikachu, Lucy, and Psyduck join you guys?

Kerbero Gangan: I don't see why not.

Tim's Pikachu: I got a feeling that we're gonna see a lot more Pokemon from here on out.

Samon Shakekisutanchin: Oh, you guys definitely will.

Me: With 905+ Species of Pokemon and counting you're going to be in for a fun time.

Qin: Yeah you sure are.

Nico: Yeah.

Xenia: And you're going to love seeing numerous Pokemon with us.

Me: Yep. Wade you like breaking the Fourth Wall and now we're in it so this makes us talking to the viewers more like an In Person Talk with the viewers.

Nico: It sure does. First one ever. (To the people in person) You guys got a great view of us in your world and it was cool showing you what we can do.

Man 1: Yeah you guys are incredible!

Man 2: Yeah you are true heroes!

Everyone cheered wildly for all of us.

Me: Thank you guys!

Nico: But great job in our first mission beyond the Fourth Wall everyone. Lets go home.

We gathered up the R Substance and threw it into the sun and destroyed it forever and then we later went back home. We enjoyed the rest of the day and got Tim, Lucy, Psyduck and Pikachu settled in. We enjoyed the rest of the day and we went to sleep.

LIGHT, EARTH, FIRE, WATER, WIND, LOVE AND THE PHOENIX VS DARKNESS

50 Lightyears from Earth on the awesome planet called the Blue Moon was Nico, The Ripping Friends, Vert Wheeler, Woz, Bai Tza, Sabrina Lorelai the Despair from The Dark Gene-Slammer, Albedo, The 1983 D&D Gang, Irina Krafla the Granity Gene-slammer, Kora Lexxington, Olivia Houou, Nataša Marečková, Nalanie Nanthavong The Vorash Gene-Slammer, Daring Do, Lizzie Strong the Great Blue Windrunner Gene-slammer, Emam Reynolds the Living Tsunami Gene-slammer, Wendy Sapphira, Reggie Hjorleifsstræti the Five Headed Dragon Gene-Slammer, Qin, Miku Yuuki, Granity, Rei Miyamoto, Saya Tekagi, Saeko Busujima, Shizuka Marimoto, Hibiki Riders, Kabuto Riders, Den-O, Kiva, Decade, W, OOO, Fourze, Wizard Riders, Gaim Riders, Drive Riders, Ghost Riders, Ex-Aid Riders, Build Riders, Zi-O Riders, Zero-One Riders, Granity, Samurai Jack, Ashi and her sisters, Changeman, Jetman, Dairangers, Zenkaigers, Chloe Bourgeois, Rita Loud, The Goths of Darkness, Zarya Moonwolf, Applejack, Apple Bloom, Twilight Sparkle & Friends, Sunny Starscout, Izzy Moonbow, Hitch Trailblazer, Pipp Petals, Zipp Storm, Rachel Stavenport, Carol Pusateri, Kia, Jenna, Lina, May, Maria, Kaalia of The Vast, me, Varie, Sakura Valencia, Xenia the Xerneas, Bhavna Radhakrishnan the Xerneas Gene-Slammer, Bridgette, Eli, Arrietty, Aylene Carter, Gabrielle, Littlefoot and friends, Fu, Nicole Knudson, Kaina Tsutsumi, Nick Logan, Sh'Lainn Blaze, Camie, Kaoruko Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Momo, Girl Jordan, Earth, Vinyl Scratch, Lincoln, Leni, Laney, Lana, Lola, Lisa and Lily and we were there for some awesome exploration mission on one of the coolest planets we saw.

Qin: Wow!

Laney: We're back on the Blue Moon.

Varie: Awesome!

Camie: So this is the Blue Moon! This planet is amazing.

Tsuyu: And it's in orbit around 2 Yellow Stars like our sun. How cool.

Eli: Wow it sure is. And the huge Saturn-Like planet is amazing.

Me: I always love coming here because of the scenery.

Kaoruko: Wow! This forest is absolutely incredible! It goes on forever!

Me: I know and it looks like a huge ocean from space but it's actually huge massive and interconnected forest.

Maria: It sure is.

Margo: We'll never forget seeing this place.

Leni: This is gonna be totes fun and I'm glad that I can go with you guys to help the Fashion Brigate.

Nico: Glad you can come with Leni.

Laney: Yeah.

Nico: Thanks for coming with me, Margo.

Margo: No problem Nico. It's so awesome that I get to go with you guys this time.

Nico: Margo, are you and the sports team in need of more members?

Margo: Well that depends. But we always can use more members.

Nico: Cool.

Qin: We'll have to find more members for the team soon.

Pipp Petals: Zipp could go for it if she wants.

Zipp Storm: Yeah I'm pretty athletic myself.

Rainbow Dash: And you know I am too.

Margo: Awesome.

Nico: Just wondering. Because you never know when more members are needed.

Margo: Okay. Besides you guys are all athletic yourselves and you have really awesome talents in sports too.

Rainbow Dash: Well duh.

Applejack: That is true.

Nico: Yeah it sure is.

Me: What do you guys think of the Blue Moon?

Camie: It's amazing!

Himiko: And the Skywhales are just absolutely incredible.

Xenia: Yeah they sure are. Skywhales are gentle creatures here.

Nico: Yeah they sure are. And so are the Caped Stalkers here. Leena Troy was slammed with one of those which is really cool.

Eli: That's right she was.

Lola: But I think coming to alien planets like this and discovering new ones is awesome.

Rarity: Oh it's really amazing darlings.

Me: Yes it is.

Eli: Yeah. But man yesterdays mission was so amazing!

Qin: Boy it sure was! It was our first ever time beyond the 4th wall.

Camie: That was awesome and amazing.

Nico: Just so you know, Tim's Pikachu and Lucy's Psyduck are now part of the list of mascots.

Varie: That's true they are.

Me: Yeah. And no just so you know A Psyduck's head can't LITERALLY explode from its own headache. It would be gross. What Pikachu meant is that it would have Psychic Powers that would go out of control. That scared me there for a second thinking that would happen.

Eli: Boy me too.

Camie: Yeah.

Nico: Thank God the R Substance is all gone.

Me: You got that right. That stuff was made all just so Howard can cure his leg disease. But that stuff completely made Pokemono go berserk. Also we threw all that stuff into the sun.

Nico: Good. That stuff is a menace to the entire Pokemin world.

Me: Yeah.

Eli: It sure is.

Aylene C.: At least we don't have to worry about it ever again.

Camie: Thank goodness.

Kia: Yeah no kidding. I'm glad that stuff is gone.

Lola: Yeah we all are.

Nico: That Ditto was really powerful though.

Me: You're not kidding about that. Especially when it assumed the forms of Evil Kamen Rider Villains that we destroyed and banished to the Black Gates. I wonder if it can turn into any other villains that we dealt the same fate to.

Nico: That is very likely. We can definitely use that to our advantage.

Varie: Yeah that os still so cool that it can now do that.

Laney: Yeah and I thought it was just only limited to Pokemon.

Camie: Yeah but now we know that Ditto can turn into anything.

Himiko: That is really awesome and cool.

Nico: What do you guys think of this place so far?

Kaoruko: It's incredible.

Kaina Tsutsumi: It sure is. This forest is absolutely incredible at how it's all woven and connected like this.

Twilight Sparkle: And how it covers the entire landscape.

Nico: Yeah it sure is neat.

Me: Nico just so you know it's the final Kamen Rider Bonding Time. So I have this feeling it's going to be in a place that we know.

Nico: I have that feeling too.

Me: Yeah.

Me: Same here.

Nico: But it's not the end of the bonding times just yet.

Me: No. Not yet. This is gonna be for the Kamen Riders but not for the rest.

Nico: True.

Laney: What's that up there?

We saw a figure come and it was a new Zodiarts! It was for TUCANA THE TOUCAN! It looked like a harpy but with a toucan beak and its wings were its arms too.

Me: WHOA! The Zodiarts for Tucana the Toucan, A Southern Hemisphere Constellation.

Laney: Cool and I love the Toucan!

Varie: Beautiful bird.

Tucana Zodiarts: (In a girls voice) And it's awesome to see you again J.D.

She reverted back and it was a girl with orange hair and orange eyes and orange clothes and she had orange angel wings and she had the symbol of Tucana on her right arm and the constellation of Tucana on her skirt.

Me: Talia Tucana.

Talia Tucana: Awesome to see you again J.D.

Me: You too.

Nico: You know her?

Me: I sure do. She is a great ornithologist and knows all about birds in the northern and southern hemispheres.

Qin: That is cool.

Me: Yep. Me and Talia went all over the planet and studied all kinds of rare and amazing birds.

Nico: That is so cool.

Me: It sure is.

Juran: Not the one we're looking for. But you're a nice bonus!

Me: Yeah.

Talia Tucana: Oh and I'm not alone.

Then out came a black version of Walkatrout! It was ANOTHER WALKATROUT.

Me: Whoa! Another Walkatrout!

Juran: Now that's the one we're looking for.

Another Walkatrout: (In a girls voice) It sure is.

Me: (GASP) Evelyn Valentine!

Leni: O.M. Gosh! We thought you were dead!

Me: Yeah you suddenly disappeared after I moved in after 1 week! We looked everywhere for you and couldn't find you anywhere.

Lincoln: Yeah you just vanished!

Me: Its been 6 and a half years since then.

Another Walkatrout: J.D. wow you look amazing. What happened?

Me: I've had a massive change since we met the first time and became friends. It's a long story.

Zocks: You know her?

Me: I sure do. I met her when I first moved to Michigan and then after 1 week I never saw her again. I didn't know what happened but now I do. Swartz kidnapped her.

Laney: I had a feeling it was him.

Another Walkatrout: How do you know Swartz?

Me: Because we killed him. He was the primary enemy of the Zi-O Kamen Riders and in the end we made sure he was destroyed.

Nico: Yeah.

Me: He was a monster and he turned you into a black version of one of Ben's aliens. You became what's called an Ickthyperambuloid from the planet Gilli-Perambulous Promenade.

Another Walkabout: Wow! So that's what I am now.

Nico: Yep.

Varie: Did Swartz promise you anything?

Another Walkatrout: No he didn't. He just stuck this weird device into me and then turned into this. I heard him say that I'm the first of something big besides Another Riders and then I blacked out.

Me: You are the first Another Omnitrix Alien.

Qin: Whoa! So you are the catalyst that gave Swartz the idea for the Another Omnitrix Aliens.

Albedo turned into Negative Walkatrout.

Negative Walkatrout: You're a High School Sophomore, right?

Another Walkatrout: Yes I sure am and I'm also another thing too. I'm a giant clam gene-slammer.

Me: Whoa! So Dr. Luther Paradigm got to you as well.

Another Walkatrout: Yes.

Nico: Can you fire pearls?

Another Walkatrout: As a matter of fact yes I can.

She fired a perfectly round pearl from her mouth and I caught it and it was a pearl that was as big as a 10 gallon water bottle!

Me: Wow! This is amazing!

Rarity: Oh that pearl is amazing!

Nico: Wow! What a pearl.

Me: Sorry we have to fight like this girls. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

Da-da-da, un, da-da

Da-da-da, un, da-da

Da-da-da, un, da-da-da-da

Da-da-da, un, da-da

Da-da-da, un, da-da

Da-da-da, un, da-da-da-da

Grew up in a small town

And when the rain would fall down

I'd just stare out my window

Dreaming of what could be

And if I'd end up happy

I would pray

Trying hard to reach out

But when I tried to speak out

Felt like no one could hear me

Wanted to belong here

But something felt so wrong here

So I prayed (I would pray)

I could breakaway

I'll spread my wings and I'll learn how to fly

I'll do what it takes 'til I touch the sky

And I'll make a wish, take a chance, make a change

And breakaway

Out of the darkness and into the sun

But I won't forget all the ones that I love

I'll take a risk, take a chance, make a change

And breakaway

Da-da-da, un, da-da

Da-da-da, un, da-da

Da-da-da, un, da-da-da-da

Wanna feel the warm breeze

Sleep under a palm tree

Feel the rush of the ocean

Get onboard a fast train

Travel on a jet plane, far away (I will)

And breakaway

I'll spread my wings and I'll learn how to fly

I'll do what it takes til' I touch the sky

And I'll make a wish, take a chance, make a change

And breakaway

Out of the darkness and into the sun

I won't forget all the ones that I love

I gotta take a risk, take a chance, make a change

And breakaway

Buildings with a hundred floors

Swinging around revolving doors

Maybe I don't know where they'll take me, but

Gotta keep moving on, moving on

Fly away, breakaway

I'll spread my wings

And I'll learn how to fly

Though it's not easy to tell you goodbye

I gotta take a risk, take a chance, make a change

And breakaway

Out of the darkness and into the sun

But I won't forget the place I come from

I gotta take a risk, take a chance, make a change

And breakaway

Breakaway

Breakaway

I flew into the air and fired waves of light and blasted the Tucana Zodiarts and knocked her down and into a Pagoda Pond and exploded!

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

But the explosion was far more ferocious! Because of the 30% Oxygen Levels.

Nico: WHOA!

Me: I forgot to mention that because of the high oxygen levels here on the Blue Moon, fire is much more explosive and powerful.

Camie: Because fire needs oxygen to grow! Wow!

Me: Yep.

I caught the Zodiarts switch and purified it and it formed into a sword of Tucana and I went over and picked up Talia and brought her over.

Varie: You'll be okay.

Talia Tucana: (Groans) What a headache.

Varie: You'll be okay Talia.

Me: And then there was one.

Nico: (activates Crimson Dynamo's Ridewatch) I hope you put up more of a fight then Another the Worst did.

(TO LOVE YOU MORE BY CELINE DION PLAYS)

Nico: (SINGING DIVINELY AS RED ENERGY SWIRLS AROUND HIM)

Take me back in the arms I love

Need me like you did before

Touch me once again

And remember when

There was no one that you wanted more

Don't go you know you'll break my heart

She won't love you like I will

I'm the one who'll stay

When she walks away

And you know I'll be standing here still

I'll be waiting for you

Here inside my heart

I'm the one who wants to love you more

You will see I can give you

Everything you need

Let me be the one to love you more

See me as if you never knew

Hold me so you can't let go

Just believe in me

I will make you see

All the things that your heart needs to know

I'll be waiting for you

Here inside my heart

I'm the one who wants to love you more

You will see I can give you

Everything you need

Let me be the one to love you more

Some way all the love that we had can be saved

Whatever it takes we'll find a way

Believe me (believe me), I will make you see

All the things that your heart needs to know

I'll be waiting for you

Here inside my heart

I'm the one who wants to love you more

Can't you see I can give you

Everything you need?

Let me be the one to love you more

Nico fired waves of red energy and blasted her all over.

Me: YEAH!

Another Walkatrout: Oh and I have some backup from Swartz.

We then heard a familiar screech and we saw NUMEROUS DRAGONS! And on them was THE RINGWRAITHS!

Me: The Nazguls and the Ringwraiths!

Nico: Oh crap!

But then a butterfly appeared and went to Nico and told him something and angel singing was heard and then a bird screech was heard and then HUGE EAGLES APPEARED!

Me: Eagles!

Eli: The Eagles are coming!

Numerous huge eagles came and slashed and tore the Ringwraiths to shreds!

Me: Lets give them a hand. (ACTIVATES PROFION'S RIDEWATCH)

(SEND ME AN ANGEL BY REAL LIFE PLAYS)

Me: (SINGING DIVINELY AS LIGHT SWIRLS AROUND ME)

Do you believe in heaven above

Do you believe in love

Don't tell a lie don't be false and untrue

It all comes back to you

Open fire!

On my burning heart

I've never been lucky in love

My defences are down

A kiss or a frown

I can't survive on my own

If a girl walks in and carves her name in my heart

I'll turn and run away

Everyday we've all been led astray

It's hard to be lucky in love

It gets in your eyes

It's making you cry

Don't know what to do

Don't know what to do

You're looking for love

Calling heaven above

Send me an angel

Send me an angel

Right now, right now

Empty dreams can only dissapoint

In a room behind your smile

But don't give up,

Don't give up

You can be lucky in love

It gets in your eyes

It's making you cry

Don't know what to do

Don't know what to do

You're looking for love

Calling heaven above

Send me an angel

Send me an angel

Right now, right now.

I fired waves of light and smashed and blasted the Ringwraiths all over and obliterated them.

(ONE NIGHT IN BANGKOK BY MURRAY HEAD PLAYS)

Qin: (SINGING DIVINELY AS FIRE SWIRLS AROUND HER)

Bangkok, Oriental setting

And the city don't know that the city is getting

The creme de la creme of the chess world

In a show with everything but Yul Brynner

Time flies doesn't seem a minute

Since the Tirolean spa had the chess boys in it

All change don't you know that when you

Play at this level there's no ordinary venue

It's Iceland or the Philippines or Hastings or

Or this place!

One night in Bangkok and the world's your oyster

The bars are temples but the pearls ain't free

You'll find a god in every golden cloister

And if you're lucky then the god's a she

I can feel an angel sliding up to me

One town's very like another

When your head's down over your pieces, brother

It's a drag, it's a bore, it's really such a pity

To be looking at the board, not looking at the city

Whaddya mean?

Ya seen one crowded, polluted, stinking town

Tea, girls, warm, sweet

Some are set up in the Somerset Maugham suite

Get thai'd, you're talking to a tourist

Whose every move's among the purest

I get my kicks above the waistline, sunshine

One night in Bangkok makes a hard man humble

Not much between despair and ecstasy

One night in Bangkok and the tough guys tumble

Can't be too careful with your company

I can feel the devil walking next to me

Siam's gonna be the witness

To the ultimate test of cerebral fitness

This grips me more than would a

Muddy old river or reclining Buddha

And thank God I'm only watching the game controlling it

I don't see you guys rating

The kind of mate I'm contemplating

I'd let you watch, I would invite you

But the queens we use would not excite you

So you better go back to your bars, your temples

Your massage parlours

One night in Bangkok and the world's your oyster

The bars are temples but the pearls ain't free

You'll find a god in every golden cloister

A little flesh, a little history

I can feel an angel sliding up to me

One night in Bangkok makes a hard man humble

Not much between despair and ecstasy

One night in Bangkok and the tough guys tumble

Can't be too careful with your company

I can feel the devil walking next to me

She dance and fired waves of fire from her fists and hit Another Walkatroud and bashed her down.

Kaito: (gets out Boukenger gear) Our turn now!

Zocks: (gets out Magiranger gear) Time for some magic!

Kaito got a sword from Operation Overdrive and Zocks got a Magistaff.

Eli: (SINGING DIVINELY AS STARS SWIRLED AROUND HIM)

I walked along the avenue

I never thought I'd meet a girl like you

Meet a girl like you

With auburn hair and tawny eyes

The kind of eyes that hypnotize me through

Hypnotize me through

And I ran, I ran so far away

I just ran, I ran all night and day

I couldn't get away

A cloud appears above your head

A beam of light comes shining down on you

Shining down on you

The cloud is moving nearer still

Aurora borealis comes in view

Aurora comes in view

And I ran, I ran so far away

I just ran, I ran all night and day

I couldn't get away

Reached out a hand to touch your face

You're slowly disappearing from my view

'Pearing from my view

Reached out a hand to try again

I'm floating in a beam of light with you

A beam of light with you

And I ran, I ran so far away

I just ran, I ran all night and day

And I ran, I ran so far away

I just ran, I couldn't get away

Eli fired waves of stars and smashed Another Walkatrout all over.

Nico: OH YEAH!

I incinerated them into dust!

Me:Take that!

Nico: Those clods had no idea who they were fucking with!

I jumped back.

Margo: My turn!

Margo activated her ridewatch for Gameface!

(SPACE JAM YOU ALL READY FOR THIS BY JOCK JAMS PLAYS)

ARE YOU READY FOR THIS!

She went at Another Walkatrout did all kinds of basketball stunts and shot numerous tricks and blasted her all over with lightning and fire and bashed her down.

Nico: OH YEAH!

Nico: Time for me to call in the big guns. (calls Kevin Levin)

Kevin Levin: Sup, Nico? Done with your rescue?

Nico: Not yet. Can we borrow Mevya?

Kevin Levin: Ah you're al on the Blue Moon. I think I know what you need him for.

He had him go to his shoulder and he jumped and attacked and blasted Another Walkatrout with a bubble beam.

Nico: WHOA! I didn't know Mevya learned a bubblebeam attack.

Kevin Levin: May and Manaphy taught him.

Me: They are good teachers. Want to help out Kevin?

Kevin Levin: Sure.

I pulled out a crystal of Energon.

Me: Try turning into this.

Kevin Levin: Pure Raw Energon. Very interesting.

He touched it and then absorbed it and turned into RAW ENERGON!

Kevin Levin: Cool!

Me: Nice!

Mevya hopped over to Another Walkatrout.

Mevya fired an ice beam and froze Another Walkatrout.

Me: Ice beam too!? Whoa!

Nico: Yeah!

Kevin slashed the ice and smashed the ice.

Qin: YEAH!

Me: Just don't get near the Beast Wars Transformers in this form. You are emitting a massive amount of energy. You could short out the Cybertronians like this.

Nico: He's right.

Kevin Levin: I'll remember that.

Qin: Good.

Nico: Good job so far, Mevya!

Kevin Levin: I was just about to say that.

Me: Good call summoning Kevin.

Nico: Thanks.

Lola: Yeah!

Mevya: Hey thanks guys. This is so much fun!

Me: Boy it sure was. And it was the first time we saw Kevin as Energon.

Qin: Yep.

Kevin reverted back.

Another Walkatrout hopped on Vroon's head.

Juran: Vroon. Don't move.

Vroon: Juran? What are you doing?

Juran: Don't. Move.

Vroon: Juran?

Juran was about to punch Another Walkatrout when she jumped off. As a result, Juran ended up punching Vroon.

CLANG!

Vroon: OUCH! HEY! WHAT'S THE BIG IDEA HITTING ME!

Juran: She was on your head and I was trying to punch her.

Vroon: WELL IT DOESN'T GIVE YOU A GOOD REASON TO HIT ME ON THE HEAD!

Nico: Ease off you two! It was an accident.

Zocks: Yep, she's definitely putting up a fight then Another The Worst.

Me: You got that right Zocks.

Nico: Yeah.

Camie: But that was really funny though.

Laney: Yeah it sure was.

Kaoruko: Now for this. (ACTIVATES LADY DORMA'S RIDEWATCH)

Kaoruko: (SINGS DIVINELY AS WATER AND BUBBLES SWIRL AROUND HER)

I feel it…

It's coming…

Rain

Feel it on my finger tips

Hear it on my window pane

Your love's coming down like

Rain

Wash away my sorrow

Take away my pain

Your love's coming down like

Rain

When your lips are burning mine

And you take the time to tell me how you feel

When you listen to my words

And I know you've heard, I know it's real

Rain is what the thunder brings

For the first time I can hear my heart sing

Call me a fool but I know I'm not

I'm gonna stand out here on the mountain top

'Til I feel your

Rain

Feel it on my finger tips

Hear it on my window pane

Your love's coming down like

Rain

Wash away my sorrow

Take away my pain

Your love's coming down like

Rain

When you looked into my eyes

And you said goodbye could you see my tears?

When I turned the other way

Did you hear me say

I'd wait for all the dark clouds bursting in a perfect sky?

You promised me when you said goodbye

That you'd return when the storm was done

And now I'll wait for the light, I'll wait for the sun

'Til I feel your

Rain

Feel it on my finger tips

Hear it on my window pane

Your love's coming down like

Rain

Wash away my sorrow

Take away my pain

Your love's coming down like…

Here comes the sun! Here comes the sun

And I say, never go away

Waiting is the hardest thing

(It's strange)

I tell myself that if I believe in you

(I feel like I've known you before)

In dream of you

(And I want to understand you)

With all my heart and all my soul

(More and more and more)

That by sheer force of will

(When I'm with you)

I will raise you from the ground

(I feel like a magical child)

And without a sound, you'll appear

(Everything strange)

And surrender to me, to love

(Everything wild)

Rain is what the thunder brings

For the first time I can hear my heart sing

Call me a fool but I know I'm not

I'm gonna stand out here on the mountain top

'Til I feel your

Rain

I feel it, it's coming

Luna Loud: (SINGING)

When darkness falls on the house of Loud

Around every turn new terror abounds

You don't want to lose your head

Ha-Ha-Ha

You can run but you can't hide

They know that you test better alive

I don't think that they've been fed

In a long, long time

Every corner, every door

Watch out, they ain't herbivores

Ghastly ghouls out for blood

Sorry bud

You got tricked, you got tricked

You got punked and pranked with a spooky twist

Before you wet your pants better get out quick

Tricked, tricked, tricked

You got tricked

Beware of fangs and bloody fur

A Loud House chainsaw massacre

There's no chance that you'll get out

Ghosts writing your eulogy

Heads are rolling literally

So who needs their mommy now?

Spilling guts on the floor

Clean up on Aisle 4

Why you running off so soon?

Sorry dude

You got tricked, you got tricked

You got punked and pranked with a spooky twist

Before you wet your pants better get out quick

Tricked, tricked, tricked

You got tricked

The crimes you have committed this night

Shan't go unpunished

You reap what you sow

Ugh! Blood?

I'm gonna puke!

If you're gonna puke, I'm gonna puke!

We're not coming back here again!

You got tricked!

I formed an illusion of what we did on that night back then.

[During the montage, the Loud Sisters scare the stinkers with everything they throw at them. Luan brings Mr. Coconuts to life, Lisa and Lily act rabid, Lori acts like she's been feasting on Rita, Lynn turns on her chainsaw, Lola appears like a corpse, Lana acts as her ghost, Leni walks around blindly under her dress with Geo rolling in his ball with the fake head still on, Laney was stirring a monster filled pot and cackled like a real witch,

Varie was in her dark side mermaid form and she terrified the stinkers by snarling and hissing and spraying the stinkers with water that smelled really horrible,

I unveiled my surprise. I had my eyes covered by my hair and I start to change. I become a hideously gruesome and horrific monstrosity loaded with blood, guts, body parts, tentacles and more. I was a fusion of every single horrific monster from the movie THE THING! The monsters were from the 1982 and 2011 movies and the 2002 Video Game. Lightning flashed behind the monstrosity and flames from the Netherworld flickered around it and it scared the stinkers so bad that it made them soil their pants 3 times,

and everything else in the maze terrifies them to the point where the sounds of their screams catches the attention of the other kids on the block and their screams also catch the attention of a nearby police car, and the stinkers run into Lucy who is blocking the exit]

Lucy: "The crimes you have committed this night shan't go unpunished. You reap what you sow."

[She slashes a rope with her scythe, dumping a bucket of fake blood on them, making them scream]

Hank: "Blood!"

Hawk: "I'm gonna puke!"

Hank: "If you're gonna puke, I'm gonna puke!"

A tentacle with a scary flesh flower covered in blood and slime appears in front of their faces and tentacles come out and slap their faces and the stinkers vomited all over the ground.

[As they run out screaming, Lucy gives a small smile of satisfaction]

Hank: [nauseous] "We're not… coming back here… again…"

[He and Hawk run off and a police car drives up and the officers come out]

Luna: [finishing her song] " You got… tricked. "

Me: (LAUGHS MALEVOLENTLY)

Camie: WHOA Did you really do all that back then!?

Me: Yep.

Himiko: That was so awesome!

Magine: I love it!

Nico: YEAH BABY!

Qin: That was so awesome!

Lola: Yeah that was one of the most awesome Halloween's ever.

Nico: It sure was!

Varie: Yep.

Arrietty: Wow that was so awesome and cool.

Eli: Boy it sure was! Nice job bro!

Tsuyu: (SINGING DIVINELY AS WATER SWIRLS AROUND HER)

Look around wonder why

We can live a life that's never satisfied

Lonely hearts troubled minds

Looking for a way that we can never find

Many roads are ahead of us

With choices to be made

But life's just one of the

Games we play

There is no special way

Make the best of what's given you

Everything will come in time

Why deny yourself

Don't just let life pass you by

Like winter in July
Future dreams can never last
When you find yourself still living in the past
Keep moving on to higher ground
Looking for the way you thought could not be found
We may not know the reason why
We're born into this world
Where a man only lives to die
His story left untold
Make the best of what's given you
Everything will come in time
Why deny yourself
Don't just let life pass you by
Like winter in July
And we may not know the reason why
We're born into this world
Where a man only lives to die
His story left untold
Make the best of what's given you
Everything will come in time
Why deny yourself
Don't just let life pass you by

Don't you forget the echo's of time

Won't you regret the losing of minds

In my dreams I'm searching across the

Desert sands for you

Scimatar moon is guiding me close to your side

Voyage

Voyage

Voyage

Voyage

Wilderness to wilderness

I traveled from afar

On the soft wind of the Nadq came

Fragrance of Araar

Splendor of a thousand suns shone glory in my path

No love more pure and rage more fierce

Could still my beating heart

Voyage

Voyage

Voyage

Voyage

So

Should I return to trace the shadows of my chases

My steps will echo there from sand to stone

I Will never let my eyelids close on empty spaces

My dreams will find the void with tales unknown

Know the mighty infinite obscures the far horizon

The whispered road I take will never bend

Alone

And will the wind return my story to its promise

Or will my story chase me to my end

Aye Hawa, Mere Dilbar

Ko Mere Pyar kay Geet Sunana

Tu hay meri Manzil

Aur pyar mera musafir, Musafir

Meri reshmi Zulfain

Meri meri reshmi zulfain

Teri Zanjeerain

Meri reshmi Zulfain

Meri meri reshmi zulfain

Teri Zanjeerain

Melodies unspoken

Flowing from the lotus of my heart

Ending where we start

Promises unbroken

Promising a never-ending fire

Of love beyond desire

Ending where we start

May: So far so good!

Another Walkatrout: Wow! You guys ALL have amazing and beautiful singing voices.

Qin: We've had lots of practice on karaoke and all that.

Varie: Yeah it's fun.

Me: Now for this one. (ACTIVATES LORD DRAKKON'S RIDEWATCH) This song is to show you how beautiful you are Camie, Misty, all my awesome future wives and soon you Evelyn.

Me: (SINGING DIVINELY WITH ANGELIC CHANTS AS LIGHT SWIRLS AROUND ME)

Amplius lava me ab iniquitate mea

Et a peccato meo munda me.
If you can depend
On certainty
Count it out and weigh it up again
You can be sure
You've reached the end
And still you don't feel
Do you know you're beautiful
Do you know you're beautiful
Do you know you're beautiful
You are, yes, you are, yes, you are
If you can ignore
What you've become
Take it out and see it die again
You can be here
So who's a friend
And still you don't feel
Do you know you're beautiful
Do you know you're beautiful
Do you know you're beautiful
You are, yes, you are, yes, you are
Yes, you are

Innermost thoughts

Will be understood

And you can have all you need

Do you know, (Do you know about anything?)

do you know (Do you know about anyone?)

Do you know you're beautiful

Do you know you're beautiful

Do you know you're beautiful

You are, yes, you are, yes, you are

Do you know you're beautiful

Do you know you're beautiful

Do you know you're beautiful

You are, yes, you are, yes, you are

Yes, you are

I floated in the air and I had wings of light grow from me and the divine singing of angels was heard.

Then butterflies flew in and swirled around Nico and everyone and then out came the Mega Version of the legendary Pokemon of Life - XERNEAS!

I fired waves of light and it hit Another Walkatrout and it knocked her down and she was defeated and I caught the Ridewatch and purified it!

I went over to Evelyn and she was a girl with that was in a clam shell and she had torn up blue clothes like she only had those the entire time.

Maria: Fashion Brigade get ready.

Mega Xerneas: (In a girls voice) Looks like she took a nasty beating.

Nico: Honey Cavanaugh! Wow!

She reverted back and was a girl with long blue hair and blue clothes.

Honey Cavanaugh: You too Nico and Qin you as well. Looks like I arrived just in time for the grand finale.

Varie: You sure did.

Me: I got this. Boys cover your eyes.

Nicole: And NO PEAKING!

The boys covered their eyes and I put on my blind man glasses and I snapped my fingers and Evelyn reverted back and she was a girl with black hair.

Maria, Varie, Leni, Rarity and Varie moved in and gave her a new set of clothes and she woke up and was really dizzy.

Evelyn Valentine: (GROANS)

She saw me.

Evelyn Valentine: J.D.? Man I have the worst headache.

Me: But you're back to normal now Evelyn.

I showed her reflection in the Pagoda Forest Skypond and she was back to normal!

Evelyn gasped.

Evelyn Valentine: I'm back to normal! But how!?

Me: I defeated you as Another Walkatrout and then I snapped my fingers and reverted you back to normal.

Evelyn Valentine: But how?

Me: I'll explain later.

Evelyn Valentine: Wow! Wow look at my clothes. I look great.

Rarity: Oh you sure do darling.

I brought her over and Leni hugged her for the first time in a while.

Me: We have so much to tell you Evelyn.

Evelyn Valentine: I have a ton of catching up to do but man am I hungry. All I've been eating since I was here on this planet over the last 6 and a half years was gross bugs.

Me: Well you need all the food you can get when we get back to Earth.

Honey Cavanaugh: But at least you're back to normal.

Nico: Sorry you didn't get some shots in.

Honey Cavanaugh: That's all right. But the good thing is me arriving just in time for the finally. I saw your fight and it was awesome.

Talia Tucana: Yeah that was all so fun.

Margo: What's your favorite memory of Nico?

Honey Cavanaugh: I have a lot of awesome ones but my favorite was when me and Nico set the record for the largest burger buffet ever. We made a massive buffet of burgers for over 500 million people and we gave them to everyone all over the state of New Jersey and it was enough to last a week.

Nico: Yep.

Me: Wow! That was incredible.

Qin: Yeah no kidding.

Nico and Honey hugged..

Nico: I've really missed you.

Honey Cavanaugh: Me too Nico. Me too.

Mevya: Yay! Happy ending for everyone!

Nico: You got that right.

Kevin Levin: But this was awesome seeing one of your rescues in action.

Nico: Yeah it sure was awesome. Now lets get Evelyn some grub.

Qin: And explain to her everything that has been going on.

Nico: Good idea.

We went back home and Lori, Luna, Sam, Luan and all their friends were shocked to see Evelyn back and safe.

We told her everything that was happening as she was eating 20 Ultimeatum Burgers. Everything that was happening over the last 6 and a half years and more and it was a shock and more. It was awesome how we went from normal people to becoming the most powerful force in the entire multiverse. And all the good achievements we all did and so much more. It was eventful.

After Nico's rescue, Lincoln, Me, Ken Knudson, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, Max Goof, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), Goofy, Tormund Ellis, Roberta, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, The Demon Slayer Corps, The Saber Kamen Riders, and Paula (Loud House) are heading to The Simulator, the destination for this one is Spoonerville when Max and P.J. were kids, and not only is Lincoln going to rescue the six girls here, but we're also going to get back at Pete for tricking P.J. into running his car lot, so he could take the day off fishing.

Plus, we also got word that The Dark Faerie Sisters, Spite, Malice, and Vanity, are here, and they've allied with Tirek after finding out that Lincoln saved The Darkest Faerie from herself, and now, they want revenge. The Simulator activated, and we were in Spoonerville.

Lincoln: Whoa, so this is Spoonerville.

Max Goof: Yep, our home back when P.J. and I were kids, it's just like we remembered it, and I think I know why you chose this place for your rescue.

Lincoln: Yep, not only am I going to rescue the six girls here, but we're also going to get back at Pete for tricking P.J. into running his car lot, so he could take the day off fishing.

P.J.: I still haven't forgotten that day when Dad tricked me into doing his job, and when Mom found out about it, we decided to give him a taste of his own medicine.

Nico: (Snickers) And we know just how many times your Dad's gotten his comeuppance, P.J. But, this is something we really got to see.

Me: Yeah. Plus, we got word The Dark Faerie Sisters, Spite, Malice, and Vanity, are here, and they've allied with Tirek after finding out that Lincoln saved The Darkest Faerie from herself, and now, they want revenge.

Jhudora The Dark Faerie: We've seen just how malicious and treacherous those three really are, J.D., and if they think they're going to hurt Linky, just because he saved The Darkest Faerie from herself, they've got another thing coming.

Ariande The Dark Faerie: And they've allied with Tirek, the next member of The Doomsday 23, now that's just going too far.

Delina The Dark Faerie: Those three are going to get it big time. But, first, we should teach Pete a lesson.

Lincoln: That's right, Delina. And thanks for joining us, Paula.

Paula: You're welcome, Lincoln.

Lynn: This is going to be so awesome teaching Pete a lesson.

We arrive at Pete's House, which was located right next door to Goofy's House in Spoonerville.

Nico: And it's ironic that they're both next door neighbors.

Max Goof: Heh, and Pete's been subjected to the antics of my Dad, and he's been more than once annoyed by them. Alright, time to head inside.

We entered the house, and we saw P.J. when he was 11-year-old sitting at the table, and he was dressed in the same outfit as his Dad, and Peg was there. We then came in and had to talk to P.J.'s kid self.

Lincoln: Hey, P.J., what's wrong?

Young P.J. explained that he had to sell buckets of cars, or the rest of the family are heading down the garbage disposal, in other words, the car lot will go out of business and the family will be out on the streets. But, we knew it was a lie told by Pete, and especially, when we saw Pete's fishing gear in the living room, and that got Peg really mad now.

Simulator Peg: So, that's what his fishing gear was doing in the living room!

Then, we saw Max's 11-year-old self and Goofy in his Goof Troop attire come in.

Young Max: Got your Dad to bed.

Goofy (Goof Troop): What a slugger, had to fight him all the way. Afraid the end is near.

Simulator Peg: You bet it is.

Max Goof: Yeah, the only thing wrong with that rotten pineapple rind is Fishing Fever.

Young P.J. (Gasps) Is that when you get fish hooks in your thumbs and your limbs scale off and…?

Simulator Peg: (Yelling) It's when your bait can of a father tricks you into doing his job, so he can take the day off fishing!

Young Max: Tricked us?!

Goofy (Goof Troop): What?!

Young P.J.: He wouldn't?!

Max Goof: (To Goof Troop Goofy, Young Max, and Young P.J.) He could, he would, he did.

Back in the control room, Peg and Pistol were watching, and so were the rest of the team.

Maria: Uh oh.

Peg Pete: Yep. Now, the show's about to begin.

Just then, Goof Troop Goofy, Young Max, and Young P.J. screamed.

Simulator Peg: Now, now, now, Fishing Fever is a very stubborn disease. So, I'm afraid the cure will have to be… drastic.

We had sinister smiles on our faces, and that meant Pete's in big big trouble now. We then snuck out of the house, since Pete was about to wake up, and we were going to put the plan into action and give him a taste of his own medicine.

Simulator Pete: Peg? P.J.? (Looks around and smirks) Ah, feeling great, oh yes sir, it's a miracle, vim and vigor, both of them. That's me, just chomping at the sandslip to get back to work, hah. (Looks around again) Peg? Anybody home?

Just then, the doorbell rang, and Simulator Pete opened the door, and there stood Goof Troop Goofy, Young Max, and Young P.J. dressed in hospital scrubs. This caught Simulator Pete off guard and they jumped him, and Goof Troop Goofy and Young P.J. lifted him up, as Young Max dragged in a gurney, and they strapped him in, and wheeled him out.

Simulator Pete: Hey?! Who are you, let go of me! Peg!

Simulator Peg: Oh. (Sniffles) Goofy and the boys told me about your terrible condition.

Simulator Pete: My what?

Simulator Peg: So, I'm sending you to a Quick Cure Clinic for The Hopeless.

But, what he doesn't know is that he was heading for Goofy's house. Goof Troop Goofy, Young Max, and Young P.J. loaded Simulator Pete up in the car, and then, the show was about to begin when Goof Troop Goofy and the boys were in.

Back at Goofy's House, we were just finished setting the place up to make it look like a hospital. Max Goof saw that Simulator Pete has been loaded up.

Max Goof: Alright, they got that tub of butter loaded up. But, this is just part 1 of the humiliation we'd dealt him.

As he was driving, Goof Troop Goofy put in a tape.

Young P.J.: We interrupt this program for a special announcement from P.J.'s Used Cars, where we got down-home prices for down-home pocketbooks, and every, I mean every car is on sale for only five bucks. Back to you, Pop.

The car arrived at Goofy's house, then, they unloaded Pete, who's been stressed out after hearing the tape. They brought him inside, and Peg was there dressed in hospital scrubs.

Simulator Pete: I tell you, the only thing wrong with me is my profit mart.

Simulator Peg: (Putting on a German Accent) Hmm, hmm, mm-hmm. A clear case of Terminal Lazy-Ola, Systemic Shock-itis, and Galloping Poo-Dogalinia. Not a second to lose, what this patient needs is…

Simulator Pete was then hanging above the chandelier.

Simulator Peg: (German Accent) The Heebie-Jeebian Blood Purification Treatment, we'll spin those gems right out of your pores.

The three of them spun Pete around the chandelier, and we saw it and we were snickering like crazy, and back in the control room, the rest of the team were laughing hysterically.

Lincoln: Oh man, this is just way too hilarious.

Max Goof: But, the show's just getting started.

Simulator Peg: (Real Voice) Time to make his bottom line break out in a rash, hit it!

Young P.J. hit play on the tape recorder.

Young P.J.: Buy now, drive later at P.J.'s Used Cars. Sure, man, bring your piggy banks and get your high-school dragsters for two bucks each.

Simulator Pete: Two bucks?! I got to stop him!

Then, the chandelier broke and Simulator Pete crashed down onto the table.

Simulator Peg: (German Accent) (Young Max puts Luan's gag glasses on Simulator Pete's eyes) Hmm, Extreme Shify-itis of the eyeballs, the treatment failed. Which makes him a perfect guinea pig… patient, for The East Albanian Earthworm Bath.

We then head for the bathroom and we filled it with mud and earthworms, and it took Lincoln and Max to keep Lana from getting in, while Young Max, Young P.J., and Simulator Peg dragged Pete into the bathroom.

Luan: Sorry, Lana, but this is meant for Pete.

Lana: Aw man.

Simulator Pete: W-wait, let me out of here! (Stammers)

They threw Pete inside the bathtub of earthworms and mud as he screamed. Then, he was coughing up mud and squirming around.

Simulator Peg: (German Accent) Now, now, now, squirming around will just make ze earthworms angry. (Real Voice) Now, let's really make him squirm.

Young P.J. hit play on the tape recorder, while Pete's still squirming in the bathtub of mud and earthworms.

Young P.J.: Dollar, dollar, dollar, every car now one dollar at P.J.'s Used Cars, buy extras to furnish your home, wow your friends with a four-door sofa.

Simulator Pete: What?! Let me out of here!

Simulator Peg: (German Accent) Uh oh, the patient is becoming agitated. No choice but to resort to The Prickle on The Imputrid Purge.

Nico: The what?

Max Goof: Trust me, Nico, you are not going to like this one, it's nasty.

Simulator Peg came in with a mixture inside a pitcher with a funnel in Pete's mouth.

Simulator Peg: (German Accent) Vinegar, mustard, and cot liver oil, cures one in every ten-thousand. (Pours in putrid mixture) And pretty much finishes off everybody else.

We saw the mixture, and it was just disgusting.

Nico: Oh, that's just disgusting.

Me: Blech!

Lincoln: Gross!

Young P.J. plays another tape.

Young P.J.: Hurry, hurry, hurry, buy a car for the price, are you ready? (Pete's face started changing colors) of a lemonade.

Simulator Pete: I'll be ruined, somebody do something.

Simulator Peg: (German Accent) We've done all we can, you'll have to go home and avoid the results.

Then, Goofy came in dressed as a mortician.

Goofy: Unless, you don't make it, that is.

The boys unstrap Pete and loaded him up into an open coffin, and Pete pleaded to be driven to his car lot.

Goofy: Sorry, it's not on my way. To the Cemetery.

Goofy covered him up and dragged him outside, and we then ran to the car lot.

Lincoln: This is getting good. Now, we just need to put the finishing touches, and Pete will finally be taught a lesson, and then, we can get after The Three Dark Faeries, Malice, Vanity, and Spite.

P.J.: Right.

Nico: Places, everyone.

While everyone else got into place, Goofy dragged Pete back to Pete's house and got out of the outfit, and he uncovered Pete.

Goofy (Goof Troop): Why, Petey, ah-hyuk, you're cured. Just hope you're strong enough to take the bad news your car lot's crashed, bellied-up, and gone out of business.

This got to him big time.

Simulator Pete: WHAT?! (Shakes Goofy down, grabs the car keys, and drives off)

As soon as he arrives, he sees that Goofy was right: his car lot's gone out of business, then he sees Peg scrubbing cement off the concrete in rags, Pistol's kid-self is in rags and selling used tissues, and Chainsaw is giving doggie rides to cats. Simulator Pete came inside and saw Young Max and Young P.J. crying.

Young Max: Aw, buck up Peej, you did your best.

Simulator Pete: P.J.?!

Young P.J.: Dad? Oh, thank goodness you're well.

Young Max: He tried to fill your pants, but he couldn't.

Young P.J.: Now, Mom's scrubbing cement off the concrete.

Young Max: And Pistol's selling used tissues.

Young P.J.: And Chainsaw's giving doggie rides to cats just like you said.

Simulator Pete: Well, not while I'm man of the house. Hand over them pants!

Young P.J. hands his dad his suit and he's in his summer clothes, and he and Young Max left the car lot office and joined us, and we regrouped and we were laughing.

Me: Oh man, that was so awesome.

Lincoln: Hopefully, that'll teach Pete a lesson.

Max Goof: Big time, but if there's one thing I know all too well, Pete's stubborn and never learns his lesson.

Young Max: Well, we know what to do next time he's up to something like this again.

P.J.: Yep. Now, to get after The Dark Faerie Sisters.

Young P.J.: Wait, I remember seeing those three, they were with some sort of demonic-looking centaur and he was really mad.

Goofy: That's Tirek. Gawrsh, looks like he's still mad at you for what you did yesterday, Lincoln.

Lincoln: Sure looks like it, Goofy, and those three have some nerve to ally with that centaur, well, I'm not showing them any mercy whatsoever. Now, that Pete's learned his lesson, time to hunt down The Dark Faerie Sisters and make them pay.

?: HEEEELLLLLLP!

Suddenly, Lincoln heard the sound of six girls calling for help, along with the sound of cackling. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the six girls, but they've been cornered by The Dark Faerie Sisters, and they're going to kill them.

Lincoln: Let's get over there at once, guys, I found the six girls, but they've been cornered by The Dark Faerie Sisters, and they're going to kill them.

?: (Girl's voice) (German Accent) Those spiteful dark faeries, let's get them.

Suddenly, we saw the Duel Monster, Imperion Magnum the Superconductive Battlebot, appear before us.

Nico: Whoa, that's Imperion Magnum the Superconductive Battlebot.

Lincoln: And I'd recognize that German accent from anywhere, I knew it was you, Sonnya Magnetwelle, but we'll talk later, we got three evil Dark Faeries to deal with.

We rushed on over, and Lincoln fired powerful rainbow energy balls and elemental forces at The Dark Faerie Sisters, and that allowed the six girls to get to safety in a rainbow energy field created by Lincoln to protect them from The Dark Faerie Sisters. When they saw us, they were enraged, especially when they saw Lincoln.

Malice: You're going to pay for what you did in turning our sister to the side of The Masters of Evil.

Spite: We're going to enjoy seeing you all suffer and die.

Vanity: And then, we'll present your dead corpses to Lord Tirek himself.

Lincoln: We knew all along you three Dark Faeries allied with Tirek, but your sister deserved to be saved from herself.

Jhudora The Dark Faerie: And you deserve whatever kind of punishment we're going to give to you for all the trouble you three have caused, Spite.

Ariande The Dark Faerie: We may be Dark Faeries ourselves, but not evil and loathesome as you and the rest of your sisters, Malice.

Delina The Dark Faerie: But for you three to ally with Tirek, you've crossed a serious line, and now, there's no returning from that.

Lincoln: That's right, Delina. Let's get them.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, The Dynasty Warriors and Samurai Warriors got out their weapons, Lincoln's sisters transformed into their Super Angel Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf

Then, Lincoln, Ariande, Jhudora, and Delina fired four powerful blasts of darkness at The Dark Faerie Sisters, and they sucked out all of their powers and abilities, and they did see that they allied with Tirek to get revenge, but they were about to be double-crossed by him and he was going to drain them of their magic, but Lincoln's spell from yesterday made sure his magic-stealing powers were still being drained from him. Then, they fired powerful blasts of darkness and hit The Dark Faerie Sisters which destroyed them and sent them to The Black Gates. We cheered wildly as we holstered our weapons and power down.

P.J.: We did it, we got rid of The Dark Faerie Sisters.

Lincoln: We sure did, and when we sucked out all their powers and abilities, we did see that they've allied with Tirek, but he was about to double-cross them and drain them of their magic, but my spell from yesterday is still making sure that his magic-stealing powers are still being drained from him.

Nico: Looks like he plotted a big double-cross on them, but your spell made sure his magic-stealing powers are still being cut off, and

I can't wait to find out how you're going to kill him.

Lincoln: Don't worry, you'll see, Nico. But, I can tell you he's in his fully restored form, and he's really mad big time.

Me: Yeesh. But, we're ready for that demonic magic-stealing centaur.

Lincoln: Yep, and not only did we teach Pete a lesson, but now, we're rid of The Dark Faerie Sisters. (To Sonnya Magnetwelle) And it's so good to see you again, Sonnya Magnetwelle.

Sonnya Magnetwelle reverted back to normal, and she's a beautiful girl with long flowing neon pink hair tied in a ponytail, light pink eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has massive beautiful pink angel wings, and she reigned in the power of Imperion Magnum the Superconductive Battlebot, and she's dressed in a long-sleeved open pink jacket, long-sleeved pink hoodie, red skirt, pink pants with blue and yellow stars, purple knee-high high-heeled boots, and long sleeveless pink trenchcoat with magnets on the coattails, and Imperion Magnum the Superconductive Battlebot on the back, and holstered on her back is a large Imperion Magnum the Superconductive Battlebot-themed greatsword with Imperion Magnum the Superconductive Battlebot etched on the 7'0" massive, wide, double-edged pink blade, large pink angel wings for the crossguard, large neon pink gem embedded in the rainguard, longer black handle, and a large neon purple gem surrounded by angel wings for the pommel.

Sonnya Magnetwelle: (German Accent) You too, Lincoln, it's been a long time, and it's also good to see you again, Lisa.

Lisa Loud: You too, Sonnya.

Lincoln went up to Sonnya Magnetwelle and they hugged, and Sonnya Magnetwelle is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw his vampire fangs and his massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his deeper manly voice.

Lincoln: It sure has, I haven't seen you when you were twelve, and as you can see, I really grew a lot since then.

Sonnya Magnetwelle: (German Accent) Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you also have vampire fangs and massive white angel wings, that's amazing.

Nico: Wow, Lincoln, you and Lisa know her?

Lincoln: Indeed I do, Nico, this is Sonnya Magnetwelle, she's not only my Guardian Angel from Germany, but also his classmate in English and an expert of most martial arts. However, the one thing that only me and Lisa knew about Sonnya is that she's a mutant.

Nico: Whoa, she's a mutant.

Lisa Loud: Affirmative, but not just any mutant, she's the granddaughter of Magneto and just like her grandfather, she has mastery over magnetism. Her last name, Magnetwelle, means Magnet Wave in German.

My jaw and Nico's dropped.

Me: Whoa, so one of your Guardian Angels is the granddaughter of Magneto, who's the biggest adversary of The X-Men?! Incredible.

Sonnya Magnetwelle: (German Accent) And I was well aware of what my grandfather did long ago to Toad, but this wasn't his fault, his hatred for mankind did this. But, what's angered me was that he almost ordered Blob to kill Lincoln?! That made me so mad, I wanted to go down there and tell him off, no one tries to kill the boy whom I'm supposed to protect, not even my own family.

Nico: Ooh, you found out about that battle with your grandfather, right?

Lincoln: She sure did, and we would often help Lisa with her science experiments. To show thanks, Lisa arranged a date at a park where Sonnya wound up kissing me to show thanks and I made a glimmering orange headband for her, and she hates Luan with a burning passion.

Me: (Gasps) What did that maniac pull?

Lincoln: You're not going to like hearing it later on.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared around Sonnya Magnetwelle's neck with neon pink gems on the gold thunderbolt links and pink crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Elemental Thunderbird Necklace of Eternal Love, and her new Elemental Thunderbird Choker of Eternal Love appeared on her neck.

Sonnya Magnetwelle: (German Accent) (Surprised) Lincoln, is this…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're part of my harem and one of my many future wives, Sonnya.

Sonnya Magnetwelle had a smile on her face and tears in her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around Sonnya Magnetwelle's waist and Sonnya Magnetwelle wrapped her left arm around Lincoln's thick muscular neck, and he leaned down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the six girls, and when Lincoln saw them, he recognized them immediately. The six girls are Koto Hoshino A.K.A Miko Rayer, Scarlett Church A.K.A. Sister Rayer, Sue Iko A.K.A. Dian Rayer, Priscillaria Shamaran A.K.A. Sari Rayer, Sharia Remuria A.K.A. Rabian Rayer, and Hime Takitsu from The Cosmopolitan Prayers.

Lincoln: Oh wow, it's Koto Hoshino A.K.A Miko Rayer, Scarlett Church A.K.A. Sister Rayer, Sue Iko A.K.A. Dian Rayer, Priscillaria Shamaran A.K.A. Sari Rayer, Sharia Remuria A.K.A. Rabian Rayer, and Hime Takitsu from The Cosmopolitan Prayers.

Nico: Awesome.

Lincoln: Are you girls okay?

Koto Hoshino: Yes, we're okay, thanks to you.

Then, when Koto Hoshino and the other five girls saw who it was that saved them from The Dark Faerie Sisters, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader

Koto Hoshino: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made five clones of himself, and he and the five clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Koto Hoshino: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, six Thunderbird Necklaces of Eternal Love appeared on the necks of Koto Hoshino A.K.A Miko Rayer, Scarlett Church A.K.A. Sister Rayer, Sue Iko A.K.A. Dian Rayer, Priscillaria Shamaran A.K.A. Sari Rayer, Sharia Remuria A.K.A. Rabian Rayer, and Hime Takitsu with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, and they also have on their new Elemental Thunderbird Chokers of Eternal Love on their necks too. We exited The Simulator and everyone was laughing hysterically at what we did to Pete, and they cheered wildly and hugged us for what we did to The Dark Faerie

Sisters, and the girls in Lincoln's harem kissed Lincoln. Lincoln and Sonnya Magnetwelle have a lot of catching up to do, now that she's back in town.

Maria: I hope Sonnya's still not mad at Magneto for trying to kill Lincoln long ago before he joined The Masters of Evil.

Lincoln: Not anymore, but she's more angry at Blob, and if she sees him, it's going to get ugly.

Nico: Ooh, yeah, there's that.

---

After teaching Pete a lesson in The Simulator and destroying The Dark Faerie Sisters, we were training intensely in the gym, this time, doing 500,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Sonnya Magnetwelle saw Lincoln working out like crazy, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Sonnya Magnetwelle: (German Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Sonnya, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Sonnya Magnetwelle: (German Accent) That's incredible.

Nico: It sure is. So, Sonnya, what's the story on why you hate Luan with a burning passion?

Sonnya Magnetwelle: (German Accent) You're not going to like it. One day, Lincoln and I were with Lisa at her laboratory, and I was still on the alert in case Lisa's dark side emerges, and from the horror stories I heard from the other Guardian Angels of what Lisa tried to do to Lincoln, I was on guard. We were conducting an experiment in electromagnetism, but then, Lisa's electromagnetic generator suddenly went bonkers and we got squirted with water, hit with pies, and I wound up getting magnetized to a wall of steel and pelted with dirty diapers. There was only one person we all know who'd set up those kinds of dirty pranks: Luan, and we were right as soon as we heard her maniacal cackling. Lincoln was already seeing red as he fired a magnetic blast and got me out of the wall of steel, and he rushed on over to Luan's room, and me and Lisa followed, because when the vampire's unleashed, it's going to get bloody. Luan turned around to see if it was me, but when she saw it was Lincoln and he's gone vampire, she was in big trouble. Luan fired balloons full of blood, but that was a big mistake since Lincoln's a vampire, all thanks to Adriana's vampire blood, and he consumed every drop of blood. I fired a magnetic blast and chained her up with chains Luan had in her closet, and we had her hanging upside down and we put the shame sign around her neck. We then told Mr. and Mrs. Loud of what Luan did, and as soon as I get her down, she was grounded for nine weeks.

We cheered wildly for what Sonnya did to Luan.

Nico: Sheesh, sabotaging one of Lisa's inventions and all for a prank, that's just going way too far, even for Dark Luan.

Me: But, that was a really good way of getting payback: chaining her up with chains, having her hang upside down, and putting the shame sign around her neck, classic.

Lincoln: And Luan should've known that I also feed on blood, thanks to Adriana's blood. Those blood-filled balloons were filled with blood from some world-class bodybuilders, and when I consumed the blood, that may have also given me twenty-times the body strength. It was pretty good, and the diet they have made the blood rich in iron and protein.

Nicholette Torrington: Lincoln's an expert when it came to finding out just what the person ate, by a mere taste of their blood. Plus, the blood of those world-class bodybuilders also bulked up his body even more, along with giving him twenty-times the body strength, and we Guardian Angels almost fainted big time when we saw him, he was even more ripped than ever.

Nicole: That's the result of a combination of training and working out for six and a half years, battling villains, and a constant healthy diet definitely produced those kinds of results, Nicholette.

We got a shower afterwards, and then, Lincoln and his harem are heading to Quartz Quadrant in Sonic's world, and they had their weapons holstered, in case of trouble, especially with Tirek.

Lincoln: Alright, ladies, are we ready?

Emily Jones: We're ready, Linky.

Lincoln and his harem left The World Tree Estate, and they arrived at Quartz Quadrant in Sonic's world, and it's an awesome cave region full of crystals.

Azari Firedancer: Whoa, what is this place?

Lincoln: This, Azari, is Quartz Quadrant, this place is an awesome cave region full of crystals, and we are going to have an awesome time here before our big mission today.

Aira Windwhistler: You mean…?

Lincoln: Yep, today's the day we're going after Noctura, and we're going to make that monster pay for her crimes.

Lumia the Light Elf: She's finally going to be stopped for good.

Naira Riverheart: Along with Cronan Darkroot, the King of The Goblins and another Dark Elf.

Rosalyn Nightshade: I don't know what caused him to attack even more ruthlessly when we met J.D. again, but I'm going to guess that Noctura is the one to blame for it.

Lincoln: That could be the case, Rosalyn. But, we'll find out later on today.

Lincoln and his harem got started exploring Quartz Quadrant, and the crystals there were amazing. Suddenly, Lincoln sensed something with the Force, and he knew it was bad.

Lincoln: GET DOWN!

Lincoln and his entire harem ducked, and they saw Goblins firing net cannons trying to capture Emily Jones and her friends again. Lincoln electrocuted the nets and sent the electricity at the Goblins and electrocuted them badly.

Lincoln: Cronan Darkroot, now you've gone too far this time, and the same goes with you, Noctura.

Lincoln used Fluttershy's Stare and sent them running for their lives, and then, Lincoln and his harem came back, but they had something to tell us.

Nico: Whoa, guys, what happened?

Lincoln: Ran into some big trouble, Nico. We were exploring Quartz Quadrant in Sonic's world for our date, but then, we ran into some Goblins firing net cannons trying to capture Emily Jones and her friends again. But, I electrocuted the nets and sent the electricity at the Goblins and electrocuted them badly.

Emily Jones: Linky found out that it was Cronan Darkroot trying to capture us yet again to get my amulet.

We gasped in shock.

Azari Firedancer: And this also has Noctura's dark hand in this as well.

Rosalyn Nightshade: She tried to strike again, but Linky foiled their pre-emptive strike and sent the Goblins running with Fluttershy's Stare.

Lumia the Light Elf: Now, Noctura's gone too far.

Aira Windwhistler: She's going to pay.

Naira Riverheart: Along with Cronan Darkroot, and Tirek later on today.

Nico: I can't believe Noctura tried to attack you guys, and on your date. She's so dead!

Me: And Cronan Darkroot's going to get locked up in prison for the rest of his life for what he's done. Sorry your date got ruined by that malevolent dark elf, gang.

Lincoln: It's okay, J.D. But, we explored Quartz Quadrant and it's really awesome seeing the crystals there.

---

In the Sahara Desert, we arrived at the entrance to the Cave of Wonders. It was in a mountain hidden in a sand dune.

Nico: So we're going to have the Bonding session in the Cave of Wonders.

Me: Yep. After we defeated Jafar and escaped with the treasure it was made an immobile entrance and also we can go in there anytime. Also the treasure is ours too.

Nico: Cool!

Popeye: Megan, you and Touma are up for bonding time next. And this will be a great adventure for usk. (LAUGHS)

Megan McCallister: Yes it sure will be and I'm so looking forward to this.

Touma: Me too.

We went in and down a set of stairs and went into the Treasure Room and it was full of gold, jewels, statues and more.

Eli: I'll never forget coming here. This is where I got the ruby for Nunnally.

Nunnally: That was so awesome and cool.

Lola: Yeah it sure was.

Qin: And that was when we imprisoned Jafar in here.

Touma: That is so cool you did that.

Nico: Yep.

Megan: Touma, I'm glad I met you.

Touma: Me too Megan. Me too.

Me: Megan is so lucky to have met you too Touma. Just like all of us are. And the Wonder Ride Books you have are so amazing.

Talia Tucana: Boy these are amazing. The stories are neat as well. Especially for mine. "Phoenix Angel from Tucana the Toucan." I like that.

Her Wonder Ride Book was orange and had an Anime Phoenix Angel Girl with the constellation of Tucana on it and a Toucan on it too.

Nico: That is cool.

Qin: Yeah it sure is.

Camie: How did you guys defeat Jafar and throw him into here the first time?

Me: The second time we killed him. But that was awesome.

I went over his history and how we defeated him during chapters 1203 and 1313.

Jafar is the main antagonist of Disney's Aladdin franchise. He is the power-hungry Grand Vizier of Agrabah who serves as Aladdin's arch-nemesis and Iago's former owner and boss.

In all of his appearances, he was voiced and portrayed by Jonathan Freeman in English and the late Akira Takarada in Japanese.

He served as the main antagonist of Disney's 31st full-length animated feature film Aladdin (which is based on the Arabic folktale Aladdin and the Magic Lamp from One Thousand and One Nights) and also the 2019 remake of the same name, the titular main antagonist of its 1994 direct-to-video sequel The Return of Jafar, the posthumous overarching antagonist in the Aladdin TV series, Aladdin and The King of Thieves and Aladdin: Nasira's Revenge, and the secondary antagonist of the Hercules crossover "Hercules and the Arabian Night".

He also appears as a recurring antagonist in House of Mouse, and the main antagonist of its 2002 direct-to-video film Mickey's House of Villains, a recurring antagonist in the Kingdom Hearts franchise and the Kilala Princess manga, the main antagonist of the video game adaptation of the first movie, a minor antagonist in Kingdom Keepers, the main antagonist of Once Upon a Time in Wonderland, a minor antagonist in the Descendants franchise and the main antagonist of A Whole New World: A Twisted Tale.

Jafar is introduced as the sinister Royal Vizier to Agrabah's Sultan who desires power over Agrabah. He is the second most powerful authority in Agrabah, answering only to Sultan Hamed. He is always accompanied by his sarcastic, devious pet parrot, Iago. Whilst presenting a charming and respectable exterior to Hamed and the people of Agrabah, he secretly holds everyone around him in contempt and manipulates people by means of hypnotizing him with a magical snake-headed staff, which he always carries on his person.

Even regarding his desire to marry Jasmine afterwards, it was solely so he could gain control of the throne and intended to kill her soon thereafter-though he later reneges on this in an attempt to make her his queen consort. He's traveled widely and amassed a wide knowledge of magical artifacts and legends. Until he uses Genie's powers to become a sorcerer, however, his magical abilities are limited to the use of such artifacts as he's collected, and his powers as an accomplished alchemist.

He also had some contacts within the Agrabah criminal underworld, including the thief Gazeem, whom he hired to find the Scarab half. He eventually managed gain it after some delays, although he was unable to retrieve the lamp after further delays that resulted in Gazeem's death, relating to a Diamond in the Rough. Undeterred, he returns to Agrabah, and upon learning from Hamed that Jasmine doesn't wish to marry a prince, offered to help in exchange for the Sultan's familial sapphire ring, with hypnosis being involved. After departing, however, he makes it clear to Iago that he intends to usurp the Sultan's authority. He later used Hamed's ring to uncover the diamond in the rough at his laboratory, eventually identifying the individual necessary to access the Cave of Wonders: Aladdin.

He then had the royal guards arrest Aladdin as a subtle means of recruiting him, although he did not expect Jasmine to have accompanied him (she had escaped from the palace earlier to avoid having to find another Prince at her doorstep). Nonetheless, when being confronted by Jasmine, he lied to her about having executed Aladdin. With Jasmine out of the way of his plans, he then made his way to the dungeons and disguised himself as an old prisoner, offering to help Aladdin escape from the dungeons in exchange for aiding him in retrieving the lamp from the Cave of Wonders. After accepting the deal, they then made their way to the cave. After Aladdin was accepted in to retrieve the lamp, Jafar then promised the former's reward to be given upon his return. Once Aladdin returns with the lamp, he begs Jafar for help him out of there, but Jafar orders him to hand over the lamp and he does so. Jafar finally retrieving it, attempted to give Aladdin his "reward" (the eternal reward of death), but Abu bit him in the wrist. Unbeknownst to him until after the cave collapsed, Abu also stole the lamp from him before he bit him. Jafar then screamed in rage and frustration at the loss of the lamp.

Afterwards, Jafar ended up reprimanded by Hamed for executing a prisoner without his consultation (Jasmine had informed him earlier of Jafar's supposed execution of Aladdin), with Jafar swearing that it won't happen again. Although Hamed forgave Jafar instantly, Jasmine was still furious with him, and vowed to "get rid of him" once she eventually rises up as queen. The furious Jafar takes her threats to heart, fuming over the fact that not only has he lost the lamp, but is also in danger of losing his head should he fail to somehow take control of Agrabah. As he contemplates on the matter, Iago suddenly concocts a new plot, advising Jafar to take advantage of Jasmine's enforced marriage by marrying her, himself. Once he is legally dubbed sultan as a result, he can dispose of his wife and her father, ridding himself of his enemies and maintaining complete power. Jafar is enticed by the idea, and carries it through by using a fake provision in the law that would allow a royal vizier to marry a princess, as a means to "solve" the Sultan's problems of finding a suitor for Jasmine. Hamed, for a number of reasons, is not keen on the idea, forcing Jafar to result to hypnosis.

Before the power of the snake staff can take full effect, Hamed is freed from his trance by the sounds of fanfare entering the city, which is revealed to belong to the flashy introductory parade of visiting suitor, Prince Ali (Aladdin in disguise). Jafar immediately sees Prince Ali as a rival for Jasmime's hand in marriage, and plots to secretly have him killed. That night, he was afraid that his plot to marry Jasmine and become Sultan would be ruined by the Prince, so the vizier orders the guards to kidnap Ali and ensure he's never found. When he returns to the palace, Jafar successfully hypnotizes Hamed, forcing him to abide the marriage between the former and Jasmine. Jasmine refuses, declaring that she chooses Prince Ali, but Jafar explains that "Prince Ali left", until the prince suddenly reveals himself to be alive, and accuses Jafar of attempted murder. Jafar tries to cover his crimes by hypnotizing Hamed into believing the former's claims, only to accidentally reveal the power held by his staff, which Ali destroys after Ali is saved by Genie from drowning. Hamed is freed, and Ali reveals Jafar's treachery.

" *This isn't over yet, boy!* „ ~ Jafar to "Prince Ali", after the latter exposes his treachery.

Furious, Hamed tried to have the guards arrest Jafar, though he managed to escape with a smoke bomb, although not before glancing the lamp inside Ali's turban, eventually able to deduce Ali's true identity. He then revealed this to Iago, and ordered him to steal the lamp from Aladdin, which he succeeded in the following day while Ali is still upset about his error that he made to Jasmine and told Genie that he is unable to make his final wish to free him, which resulted in Genie going back into his lamp. Jafar, observing the marriage announcement from his lab, then unleashed the Genie, making him the new master of the lamp, declaring his wish to become the sultan of Agrabah.

" *Grant me my first wish! I wish to rule on high.. AS SULTAN!* „ ~ Jafar's first wish.

A hostile take over commences, with a demonized Genie destructively placing Agrabah's palace on a mountain top, with Jafar simultaneously declaring himself as the new sultan to Jasmine and her father. After not receiving the respect he desired from the two royals, Jafar wishes to become the most powerful sorcerer in the world, in order to strike fear into them, instead. When Ali tries to intervene, Jafar exposes the prince by revealing his true identity to be Aladdin to Jasmine as a form of humiliation, before banishing him, Abu, and the carpet to the Arctic to freeze to death.

With Agrabah finally under his control, Jafar spends time torturing the former Sultan, until directing his attention to Jasmine, whom he wishes to become his queen, after a first attempt to have her betroth to him willingly had failed. Although Genie claimed that Genies can't make people fall in love, Jasmine seeming made the wish come true, seductively flirting with Jafar as if madly lustful towards him. Too caught up in his own pleasure to realize this is a ruse, Jafar eventually discovers Aladdin trying to retrieve the lamp, merely inches away from the object at that point. Before the street rat can defeat him, Jafar fought against Aladdin with all of his powers, eliminating his aids (Jasmine, Abu, and Carpet) and reclaiming the lamp.

When called a "cowardly snake" afraid to fight for himself by Aladdin, Jafar responds by transforming himself into a giant cobra, and instantly attacks. Though Aladdin proves to be a valiant warrior, Jafar eventually overwhelms him by trapping the street rat within his coils. Threatening to crush him to death, Jafar taunts Aladdin's helplessness, though the latter retorts by claiming Jafar isn't as powerful as he wishes to believe, claiming the Genie is still the most powerful being in the universe as he gave Jafar his power in the first place. Realizing what Aladdin says is true, Jafar's lust for power prompts him to use his final wish to become an all-powerful genie.

Genie reluctantly grants the wish, and Jafar is turned into a monstrous genie with blood-red skin-subsequently seizing control of the cosmos and declaring himself ruler of the universe. However, Aladdin notifies Jafar that the power of a genie has cost his freedom (as genies aren't free entities), revealing that the evil genie is now equipped with his own black lamp prison, which quickly begins to suck him inside. Realizing this too late, Jafar tries to escape by grabbing onto Iago's tail feathers, but to no avail, merely dragging the panicked Iago to imprisonment alongside him. Foiled and trapped by his own greed, Jafar's magic over Agrabah and its inhabitants are undone, and peace is restored within the kingdom. Jafar's lamp is left in Aladdin's possession, who hands it over to Genie, who sends the lamp flying to the Cave of Wonders, where the bickering Jafar and Iago would be forced to remain, as prisoners, for at least 10,000 years. Aladdin then apologizes to Jasmine for lying to her about being a prince and procceeds to give in his third wish to free Genie before settling into a relationship with Jasmine after the Sultan changes the law to Jasmine marrying anyone who is non-royalty and Jasmine happily chooses Aladdin.

*The Return of Jafar*

Jafar, as he appears in *The Return of Jafar* .

Jafar returns as the titular main antagonist of *The Return of Jafar* . After Iago escapes from the lamp, Jafar demands that he be released, but Iago refused as he has enough of Jafar's behavior and instead drops Jafar's lamp into a well before leaving. However, Jafar was released from his lamp by a small-time thief named Abis Mal, but finds himself unable to kill Aladdin as he can't use his powers as a genie to kill the latter. However, seeing that Jafar holds a grudge against Aladdin, Abis Mal (who too holds a grudge against Aladdin for foiling one of his heists earlier in the film) offers a team-up with Jafar: he will help Jafar dispose of Aladdin permanently in return for his three wishes. Agreeing to Abis Mal's deal, Jafar asserted his power by tricking Abis Mal into wasting two of his wishes before making him return to Agrabah. Once in the palace, the sorcerer revealed himself to Iago and forced him to play along with his evil plans, despite Iago being so uneasy about this.

The next day, Aladdin and Hamed departed to have a discussion at a place suggested by Iago. After they left, Jafar confronted the Genie and Abu in the Palace gardens and showed his power, imprisoning the pair. Meanwhile, Aladdin had a talk with Hamed that earned his acceptance as the future grand vizier. When Aladdin thanked Iago, he was ambushed by Abis Mal and Jafar, the latter disguised as a squad of flying horsemen. Hamed was kidnapped and Aladdin thrown into the raging river. However, Jafar spared his life in order to exact his revenge in the most painful way possible: by splitting him away from all his loved ones. To this purpose, he left false evidence and masked himself as Jasmine to implicate Aladdin with the alleged murder of Hamed and Aladdin was thrown into the dungeon to be executed by means of beheading come morning.

However, a remorseful Iago manages to free Genie so he could save Aladdin just in time and the Genie freed the others afterwards. Once free, Aladdin volunteered to attempt to stop Jafar, whom he decided was too dangerous to be left alive. Genie told Aladdin that in order to kill Jafar, his lamp must be destroyed before Abis Mal uses his third wish to set him free. During the final fight, all of the heroes were either knocked out or unavailable. It looked like Jafar was going to finally get rid of Aladdin and the others. However, Iago tried to attack Jafar in Aladdin's defense. The sorcerer managed to hit Iago and nearly killed him, but the bird managed to muster up enough strength to kick his former master's lamp into the lava, destroying the lamp and killing Jafar for good.

### *Aladdin: Nasira's Revenge*

Jafar returned in *Nasira's Revenge* as the overarching antagonist, where after the events of the *Return of Jafar* he is revealed to be the fraternal twin brother of the evil sorceress Nasira (the main antagonist of the game), who plans to collect all of the 4 magical artifacts and bring Jafar back to life. When Nasira first summoned Jafar's spirit and informs him of her plan, Jafar warns Nasira to be cautious of Aladdin as he underestimated his cleverness and paid the price for it. At the end of the game, Aladdin faced off against Jafar's ghost and Nasira at the heart of her lair. Jafar's giant head will cause boulders to come flying at Aladdin, and after Nasira is defeated, he attempted one final attack against Aladdin before being defeated, probably for good.

*Aladdin: the Series*

Jafar made no physical appearance in the television series, given his death in *The Return of Jafar*, but was often mentioned by the cast, mostly Iago. His secret lair in the palace remained intact even after his death, and the heroes occasionally explored it to find new, magical ways to defeat a powerful enemy. An antagonist in the series named Mozenrath is a powerful sorcerer who Iago often called "Jafar, Jr." because of the similarities in personality and appearance.

According to Iago, Destane was a real hard case and even Jafar steered well clear of him.

*Aladdin and the King of Thieves*

Jafar doesn't physically appear in the film as he was already dead, but he is mentioned once by Genie during the musical number *There's a Party Here In Agrabah*, where Genie is wearing a mask resembling Jafar's face as the palace guards are sleeping before the wedding. In Jafar's absence, Sa'Luk takes over as the main antagonist of the film.

*Hercules and the Arabian Night*

Jafar's spirit in *Hercules and the Arabian Night* .

In *Hercules and the Arabian Night,* Jafar arrives in the Underworld as a ghost, no longer in his genie form due to his lamp having been destroyed, and meets Hades, Lord of the Dead and Hercules' arch-nemesis. Upon learning about each other's arch-enemies, claiming they could defeat the other's enemy given the chance, Hades gives Jafar new life by providing him with a staff that allows him to live as long as he is holding it and challenges him to destroy Hercules.

Jafar then returns to the world of the living and tries to destroy Hercules by summoning multiple giant creatures to attack him, but the hero's strength proves to be too much for him to handle. Returning to the Underworld, Jafar challenges Hades to try and beat Aladdin, although Hades claims that doing so would be a waste of his time and orders his minions Pain and Panic to do the job for him, although they are easily tricked by Aladdin and defeated by the Genie. Jafar and Hades then decide to trick their enemies into fighting each other instead, kidnapping Abu and Icarus and making Hercules and Aladdin think the other performed the crime. Once the two heroes realize what is going on (thanks to Hercules mentioning Jafar by name), they head to the Underworld to rescue their friends and confront Jafar yet again, who seemingly crushes Hercules to death and leaves Aladdin at his mercy. However, Aladdin and Hercules had actually switched identities, allowing Hercules to get close and crush Jafar's staff, turning Jafar back into a ghost and sealing him into the River of Styx forever.

(CHAPTER 1203)

In the early morning hours at around 3:23 AM, Applejack was fast asleep when suddenly she was awokened by the sounds of dancing?

Applejack: [grunting] What in tarnation is that? Apple Bloom, what is all that awful… tapping? [gasp] 4 cutie marks?!

Apple Bloom had 4 Cutie Marks on her besides the one she had. She had a hula hoop, dishes spinning on sticks and a shoe dancing. Apple Bloom was dancing uncontrollably while spinning a hoop on one arm and dish drilling in the other.

Apple Bloom: Help me!

Applejack: C'mere, you! Ow! Ow! Whoa!

She hit Applejack back with her hoop accidentally

Apple Bloom: I'm sorry, Applejack! I dunno how to make it stop!

Applejack: Well, I know a bunch of people who might!

Later at Twilight Sparkle's castle we all arrived there.

Me: We got here as fast as we could Twilight.

Varie: What's going on?

Applejack: Apple Bloom is doing all kinds of talents.

We saw her dancing really amazingly and she was doing hula hoop spinning and dish drilling.

Laney: Wow! That is really multi-tasking!

Lola: She's dancing and doing all that!? That's amazingly talented.

Applejack: This is not normal. Usually all ponies only have 1 Cutie Mark but for Apple Bloom to have 4 is not normal.

Me: Hmm. Her normal cutie mark, a hula hoop, dish drilling and dancing.

Hard Man: It's official, Apple Bloom. You're sick.

Applejack: She doesn't look sick to me.

Twilight Sparkle: Hmm. Three additional cutie marks. Three more talents. I've never seen anything like it! I was just reading something about unusual equine illnesses. What was it?

Spike: "Perplexing Pony Plagues", perhaps?

Twilight Sparkle: Yes, Spike, you're amazing!

Spike: Yes, well, I do have some talents.

Me: That's interesting. Lets have a look.

Nico: We'll hold her down while you guys look.

Laney held Apple Bloom in a bed made with vines and they held down her legs.

Me: Sorry about this Apple Bloom.

Apple Bloom: It's okay.

Twilight Sparkle: Lets see here. Hay fever… the trots… [gasp] Cutie pox!

We saw a picture of a pony with many cutie marks all over it.

Apple Bloom, Applejack and Spike: Cutie pox?!

Me: What the heck is Cutie Pox?

Twilight Sparkle: Cutie pox. This puzzling pony plague afflicted a population of ponies back in the Paleopony Period!

Spike: Heh, say that ten times fast!

Me: Wow. So it's sort of a primordial disease like smallpox and all that.

Nico: And smallpox was eradicated years ago.

Twilight Sparkle: Yes it's ancient. Random cutie marks appeared all over the ponies' bodies, causing them to perform all the talents that came with them!

Apple Bloom: Just like me!

Lola: Wow! So that's why she has 3 more cutie marks.

Lana: That's cool.

Applejack: It's not cool but what's the cure? What's the cure?!

Twilight Sparkle: It says here there's no known cure!

We gasped!

Apple Bloom, Applejack and Spike: No known cure?!

Twilight Sparkle: The cause of the breakout was never discovered, and the cutie pox disappears as mysteriously as they arrived!

Me: So it's a totally unpredictable disease.

Nico: And cutie marks appear all of a sudden without warning? Bizarre.

Lincoln: Really bizarre.

Apple Bloom: Oh, no!

Hard Man: It's official, Applebloom. You're sick.

Me: You already said that but this doesn't look like a sickness I know like the Flu though.

Apple Bloom: (weakly) Sick. Need medicine. Ugh…

Ruby: You got it! I know exactly what you need! I'll be right back! (Ruby zips away and returns almost immediately with a glass of milk, a video game cartridge and a rolled up poster) I'm right back! Alright, I got you everything you need! A warm glass of whole milk! (places the milk on the shelf next to Weiss)

Apple Bloom: Blech.

Ruby: My favorite video game, Kung Fu Ninja Ultimate Slayer Death Battle 2!

Apple Bloom: Bleh.

Ruby: Ah, you're right. The first one was way better. (places the cartridge on the shelf) And, finally, a motivational cat poster. (unrolls the poster, revealing a picture of Blake desperately hanging onto some rope with the caption "Hang In There") Me-ow. (places the poster on the shelf)

Monster Rancher Golem: Ruby, that won't help Apple Bloom at all.

Me: She did give her best shot though.

Linka: Got to love that optimism.

Then the symbol for the Fleur-de-lis appeared on her.

Me: The Fleur-de-lis!?

Apple Bloom: (Speaking in French) Sacré bleu! Plus de marques de cutie! [gasp] Qu'est-ce c'est?! Je parle Français?! (Darn it! More cutie marks! [gasp] What's this?! I speak French?!)

Applejack: My sister's speakin' in fancy!

Me: She's speaking in French.

Laney: That's really good French.

Marinette: Nice that she knows that.

Twilight Sparkle: She needs help!

Long Haul: That's it. We're getting Ratchet so he can get you looked at.

Long Haul went and got Ratchet and her got to where we were really fast.

Ratchet: I got here as fast as I could! Lets see what we got here.

Suddenly a mallet and chisel Cutie Mark appeared on her leg and she broke out of the restraints and took a rock and began chipping at it like a jackhammer and she got done really fast and she made a statue of the famous Statue of Lady Justice but this time it had wings of fire and the symbol of Team Loud Phoenix Storm on the base of her feet.

Me: Whoa! The Statue of Lady Justice.

Nico: That's is really well done!

Laney: Effortless in its creation!

Nico: And the symbol of Team Loud Phoenix Storm is a perfect addition to it.

Ratchet was looking over Apple Bloom.

Grapple: Well, Ratchet. What do you make of Applebloom's sickness?

G1 Ratchet: Well, she's speaking French and making art statues. This isn't any sickness I've seen.

Me: She has what's called Cutie Pox.

Lola: She needs help really fast.

Applejack: I know she needs help! We can't just wait for this to go away!

Apple Bloom: Tout de suite!

But then more cutie marks appeared!

We saw a Cap and chimney brush appear on her arm and that was for Chimney sweeping. She got to the roof of a bunch of houses and was really sweeping a bunch of chimneys.

Lana: Chimney sweeping? Cool!

Me: You have a lot of chimney sweepers in Germany don't you Hunter?

Hunter: (German Accent) Ja und they are really good at their jobs.

Then an Accordion appeared on her other leg and it was for Playing the accordion. She got to playing Polka Music with an accordion.

Luna: Nice accordion playing dudes.

Mr. Krabs: She does have talent lass.

A Whip and Lion mark appeared on her arm above the chimney sweeping mark and that was for Lion taming. She was cracking a whip at three snarling lions and holding a stool as they roared ferociously!

Luan: Wow! That is really good lion taming!

Vambre: (British Accent) Very talented.

A Chess pieces mark (a rook and two pawns) appeared above the lion taming mark and this was for Playing chess. Apple Bloom was playing 4 chess games at once and we saw that she won all 4 games at once.

Lily: Wow! She won 4 Chess games!?

Laney: Not even I can do that.

Me: That's really good!

Then a Crossed swords mark appeared on her wrist and that was for Fencing and we saw her clashing with Kagumi.

Me: Wow! That's really good swordsmanship in fencing!

Laney: She sure is good at that.

We then saw a White long pole appear on her hip and this was for Tightrope walking. She was walking on a rope going from one building to another.

Me: Tightrope walking now!? Wow! That is dangerous.

Lucy Loud: No kidding.

Then a Red glider appeared on her other arm and this was for Hang-gliding. She was hang-gliding 75 feet in the air.

Lisa Loud: Hang-gliding!?

Lynn: Wow! That is really good!

Me: Not bad for her first time doing that.

A Drafting compass appeared on her thigh and this was for Math. We saw her write on a chalkboard a really complex math problem in quantum physics.

Lisa Loud: Wow! This is a very well thought out math equation. It's the unified field theory for the 4th dimensional string equation.

Sparks and smoke came out of my head.

Me: Okay ow! That really hurt my head.

Nico: But that is really complicated.

Laney: It sure is.

Then a 1000-lb barbell mark appeared on her left cheek and it was for Weightlifting. We saw her lifting up a 1000 lb barbell and that was really impressive.

Lola: Wow! She's lifting up 1000 lbs!?

Me: That's really impressive!

Nico: Not bad for someone her size.

Vince: Yeah.

Then a pair of sponges appeared on the left side of her forehead and this was for Window-washing. She went to a window and washed them until they were so sparkly and reflective that you could see your reflection in them.

Me: Wow! Those windows are so clean you can see your reflection in them.

Liberty: Very clean.

Spyro: They sure are.

Then a Tornado mark appeared on her hip and this was for Whirling around and she was spinning so fast that we were getting really dizzy just watching!

Me: WHOA! I'M GETTING DIZZY JUST FROM WATCHING!

Nico: Me too!

Varie: I think I can get this cured.

Varie fired a wave of water and entombed Apple Bloom in a ball of water and the extra cutie marks disappeared and her one true cutie mark remained.

Applejack: Whoo!

The water vanished and Apple Bloom was cured but all wet.

Apple Bloom: That was nuts. Thanks Varie.

Varie: You're welcome.

Me: Are you all right Apple Bloom?

Apple Bloom: I think so. Thanks guys.

Applejack: Glad you're all right sugarcube.

Me: That's was really impressive that you were doing all that all at once.

Laney: Yeah and even I can't do all that talent all at once. I may be talented in a bunch of things but even I am not that talented to do a bunch of things all at once.

Me: No kidding.

Rarity: But thank goodness you are better Apple Bloom.

Apple Bloom: Thanks guys.

Laney: But the statue of Lady Justice with our Symbol on it will be a perfect addition to our garden.

Nico: I was just about to suggest that.

Lola: That's awesome.

We got the statue back to the estate and we set it up in our garden. It a was perfect addition to the estate. Misty Tredwell was in the estate watching TV. She was put on Maternal Leave till she is done with her pregnancy.

I went over to check on her.

Me: Hey Misty. How are you feeling?

Misty Tredwell: Getting heavy. But still hanging in there.

Me: Well it will be over soon. We'll go to the doctor later to get a dew date and see what gender we're expecting.

Misty Tredwell: Thank you J.D.

I kissed her cheek and put my hand on her stomach and smiled.

---

Later we were in the Simulator for Part 5 of our awesome adventure. We were over in Agrabah.

Tania: So, this is Agrabah?

Me: Yep. It's the home of Aladdin from 1992. On Earth it's located in Jordan in the Middle East.

Valon: (Australian Accent) It sure is amazing mates.

Lola: Yeah. And you will love meeting Princess Jasmine.

Razoul: Stop! Thief!

Me: Looks like Aladdin is stealing to survive.

Sora: Lets go meet him.

We went to find him.

Razoul and the Palace Guards were chasing Aladdin.

Razoul: I'll have your hands for a trophy, street rat!

Aladdin: All this for a loaf of bread? Whoa!

[screaming]

Guard 1: There he is!

Guard 2: You won't get away so easy!

Aladdin: You think that was easy?

[giggling]

Razoul: You two, over that way, and you, follow me. We'll find him.

Aladdin: Morning, ladies.

Woman: Getting into trouble a little early today, aren't we, Aladdin?

Aladdin: Trouble? No way. You're only in trouble if you get caught.

Razoul: Gotcha.

Aladdin: I'm in trouble.

Razoul: And this time…

I swooped in and punched Razoul in the face

[monkey squeaking]

Me: Been a while Aladdin.

Aladdin: It sure has been a while guys. Great to see you again. Come on. Let's get outta here. Gotta keep, one jump ahead of the breadline. One swing, ahead of the sword, I steal only what I can't afford. That's everything. One jump ahead of the lawmen. That's all and that's no joke. These guys don't appreciate I'm broke.

Me: And they don't care.

Guard 3: Riffraf.

Both: Street rat.

Guard 4: Scoundrel.

A man accidentally hit one of the guards.

Man: Take that.

OUCH!

Aladdin: Just a little snack, guys.

Guards: Rip him open, take it back, guys.

Aladdin: I can take a hint, gotta face the facts, you're my only friend, Abu.

Women: Who? Oh! It's sad Aladdin's hit the bottom. He's become a one-man rise in crime.

Woman: I'd blame parents, except he hasn't gone 'em.

Aladdin: Gotta eat to live, gotta steal to eat, tell you all about it when I got the time. One jump ahead of the slowpokes. One skip ahead of my doom. Next time, gonna use a nom de plume.

Razoul: There he is.

Laney lashed one of the guards.

Aladdin: One jump ahead of the hitman. One hit ahead of the flock. I think I'll take a stroll around the block.

Man: Stop, thief. Vandal.

Me: Shut your trap!

Eli: Yeah!

Aladdin: Abu!

Woman: Scandal.

Lola: Quiet!

Aladdin: Let's not be too hasty.

Woman: Still I think he's rather tasty!

Aladdin: Gotta eat to live, gotta steal to eat, otherwise, we'd get along.

Guards: Wrong.

Nico kicked a lot of guards.

Main Guard: Get him! He's got a sword!

I slashed the guards.

Razoul: You idiots. We've all got swords.

[groaning]

Aladdin: One jump ahead of the hoofbeats.

Guards: Vandal!

Aladdin: One hop ahead of the hump.

Guards: Street rat!

Aladdin: One trick ahead of disaster.

Guards: Scoundrel!

Aladdin: They're quick, but I'm much faster. Here goes, better throw my hand in, wish me happy landin', all I gotta do is jump!

Guards: Yuck! Oy!

We arrived at Aladdin's house.

Me: Sorry about all that Aladdin. Are you all right?

Aladdin: I'm fine thanks guys. It's great to see all of you again.

Me: Same here Aladdin. How have you been?

Aladdin: Hanging in there. Not easy being a street rat.

Trudy Bolton: I know that feeling all too well.

Me: Yeah. We have expanded our forces quite a lot since we saw each other the last time.

Aladdin: I can see that. You're all looking good though.

Nico: Thanks Al.

Aladdin then saw Nico & May, Sora & Kairi, Beast Boy & Tara and Vince & Carol's wedding rings.

Aladdin: Wow! You guys are now married?

Beast Boy: We sure are.

Tara: It's so awesome.

Me: We've had a lot of weddings since we saw each other the last time.

Aladdin: I remember being there for Sora and Kairi's wedding. I'm so happy for them.

Lincoln: We all are.

Hunter: Ja.

Aladdin: And now, esteemed effendi, we feast. All right.

He handed us some pieces of the bread.

Me: Thanks Aladdin.

We ate the bread.

Abu: Yum, yum! Uh-oh.

Aladdin: [sighs] Here. Go on. Take it.

Abu: Ah, don't. Huh?

Man: On his way to the palace, I suppose. Another suitor for the princess.

Me: Oh great. If there's one thing I don't tolerate it's a chauvinistic son of a bitch.

Applejack: I hate people like that.

Rainbow Dash: Me too.

Me: Lets get him!

He pushed some kids out of the way.

Prince Achmed: Out of my way, you filthy brats.

Aladdin swooped in.

Aladdin: Hey! If I were as rich as you, I could afford some manners.

Prince Achmed: Oh. I'll teach you some manners.

I punched the Prince in the face and kicked him in the stomach.

Me: You chauvinistic fuckup!

Lincoln: You have no right talking about people like they are property!

I punched the prince into a horses butt!

Aladdin: Look at that, Abu. It's not every day you see a horse with two rear ends.

Crowd: Ooh!

We laughed!

Prince Achmed: Ha! You are a worthless street rat. You were born a street rat, you'll die a street rat, and only your fleas will mourn you.

Nico: Not if we kill you first!

Nico slashed him all over with his sword and kicked him in the face and sent him flying far away from Agrabah!

Lynn: AND IT'S GOOD!

Aladdin: I'm not worthless. And I don't have fleas. [sighs] Come on, Abu. Let's go home. Riffraff, street rat. I don't buy that. If only they'd look closer. Would they see a poor boy? No siree. They'd find out there's so much more to me. Some day, Abu, things are gonna change. We'll be rich, live in a palace, and never have any problems at all.

The next morning we were watching the merchants.

Me: They sure have quite a selection.

[vendors calling out]

Aladdin: Okay, Abu. Go.

Melon Merchant: Try this. Your taste buds will dance and sing.

Lola: Ooh why thank you.

Lola bought a melon.

Melon Merchant: You're welcome young one.

[squeaking]

Melon Merchant: Get your paws off that.

[taunting]

Melon Merchant: Why, you… Get away from here, you cursed, filthy ape!

Abu: Goodbye.

Aladdin: Nice going, Abu.

Nico: Yeah!

[cooing]

Aladdin: Breakfast is served.

Pot Merchant: Pretty lady, buy a pot. No finer pot in brass of silver.

Nut Merchant: Sugar dates. Sugar dates and figs. Sugar dates and pistachios.

Necklace Merchant: Would the lady like a necklace? A pretty necklace for a pretty lady.

Fish Merchant: Fresh fish! We catch 'em, you buy 'em!

Jasmine: Oh, no. I don't think so. Oh!

[gulping]

Jasmine: Excuse me.

[gulps]

[belches]

I then bumped into Jasmine.

Me: Oops. Sorry I didn't see you there.

Jasmine: It's all right.

She saw us.

Jasmine: Hey guys!

Me: Princess Jasmine. It's great to see you again.

Jasmine: Same here guys. How have you all been?

Lola: We've been doing really well.

Lily: We sure have.

Laney: You look like you're doing well.

Jasmine: I sure have.

Aladdin: Wow.

Abu: Uh-oh. Hello? Hello?

Jasmine: Oh, you must be hungry. Here you go.

Apple Merchant: You'd better be able to pay for that.

Jasmine: Pay?

Apple Merchant: No one steals from my cart.

Jasmine: Oh, I'm sorry, sir. I don't have any money.

Apple Merchant: Thief!

Jasmine: Please… If you let me go to the palace, I can get some from the Sultan.

Apple Merchant: Do you know what the penalty is for stealing?

Jasmine: No! No, please!

Me: Sir this is on me.

I handed him the money.

Apple Merchant: Oh thank you.

Aladdin: Thank you, kind sir. I'm so glad you found her. I've been looking all over for you.

Jasmine: What are you doing?

Aladdin: Just play along.

Apple Merchant: You, uh, know this girl?

Aladdin: Sadly, yes. She is my sister. She's a little crazy.

We winked at Jasmine.

Apple Merchant: She said she knew the Sultan.

Aladdin: She thinks the monkey is the Sultan.

Jasmine: O wise Sultan, how may I serve you?

[gibberish]

Aladdin: Tragic, isn't it? But no harm done. Now, come along, sis. Time to go see the doctor.

Jasmine: Oh, hello, Doctor. How are you?

Aladdin: No, no, no. Not that one. Come on, Sultan.

[gibbering, gasping]

Apple Merchant: Huh? What? Come back here, you little thieves!

[explosion]

Aladdin: Almost there.

Jasmine: I want to thank you for stopping that man.

Me: You're welcome.

Aladdin: Uh, forget it. So, this is your first time in the marketplace, huh?

Jasmine: Is it that obvious?

Aladdin: Well, you do kind of stand out. I mean, uh, you don't seem to know how dangerous Agrabah can be.

Jasmine: Hmm. I'm a fast learner.

Abu: Wow.

Aladdin: [chuckling] Hey. Come on. This way. Whoa. Watch your head there. Be careful.

Jasmine: Is this where you live?

Aladdin: Yep. Just me and Abu. Come and go as we please.

Jasmine: That sounds fabulous.

Me: It's a nice place.

Aladdin: Well, it's not much, but it's got a great view. Wow. The palace looks pretty amazing, huh?

Jasmine: Oh, it's wonderful.

Aladdin: I wonder what it would be like to live here, and have servants and valets.

Jasmine: Oh, sure. People who tell you where to go and how to dress.

Aladdin: It's better than here. You're always scraping for food and ducking the guards.

Jasmine: You're not free to make your own choices.

Aladdin: Sometimes you feel so…

Jasmine: You're just…

Both:… trapped.

Aladdin: [clears throat] So, where are you from?

Jasmine: What does it matter? I ran away and I am not going back.

Aladdin: Really? How come?

Abu: Why, you…

Jasmine: My father's forcing me to get married.

Aladdin: That's… that's awful. Abu!

Me: I agree!

[angry squeaking]

Jasmine: What?

Aladdin: Abu says, uh… that's not fair.

Abu: What?

Jasmine: Oh, did he?

Aladdin: Yeah, of course.

Eli: There is no love in an arranged marriage and you should love someone for true love and not for arranged purposes.

Lana: Well said.

Ronnie Anne: I agree with you.

Jasmine: And does Abu have anything else to say?

Aladdin: Well, uh, he wishes there was something he could do to help.

Abu: Oh, boy.

Jasmine: Hmm. Tell him that's very sweet.

Razoul: Here you are.

Both: They're after me! You?

Jasmine: My father must have sent them…

Aladdin: Do you trust me?

Jasmine: What?

Aladdin: Do you trust me?

Jasmine: Yes…

Aladdin: Then jump!

I punched the guards all over the place and we jumped and helped Aladdin and then Razoul Grabbed him.

Jasmine: Unhand him, by order of the princess.

I punched Razoul off and knocked him down.

Razoul: Princess Jasmine.

Aladdin: The princess?

Abu: Princess?

Razoul: What are you doing outside the palace? And with this street rat.

Jasmine: That's not your concern. Do as I command. Release him.

Razoul: I would, Princess, except my orders come from Jafar. You'll have to take it up with him.

Me: That order is null and void!

I kicked Razoul and knocked him out.

Me: Jasmine you can come with us. I have a fun adventure for all of us to go on and help you and Aladdin.

Lincoln: You will love it.

Nico: Lets go.

We were off to the desert. In the middle of the desert we were looking for something.

Clawful: (sweaty) It's so hot in the desert! This is no place for a crustacean like me!

Varie: I can fix that for you.

She fired a wave of water and cooled him.

Clawful: Whoo! Thanks Varie.

Jasmine: So where are we going?

Me: You'll see. It's a really awesome place.

Drill Man was digging.

Drill Man: (sees a lamp) Hey, guys! Check out what I dug up.

He pulled out a lamp and gave it to Lily.

Lily: Oooh. This is beautiful.

She rubbed the Lamp and out came a cloud of beautiful green smoke and fireworks and out came a beautiful genie girl. It was Eden!

---

Eden is a beautiful Genie who was discovered in a bottle by an optimistic young orphan named Dhandi - whose first wish is merely to never go hungry for the rest of her life. Genie spots her and falls in love with her while searching for his recently-stolen lamp, the two subsequently sharing a date around Saturn. Like Genie, Eden has shown a willingness to find loopholes in spoken wishes to make things work out for the best; while fulfilling Abis Mal's wishes to the letter after he stole her bottle, banishing Genie to the bottom of the ocean and making him a massive superhuman, she also set things up so that Genie could escape his imprisonment and Abis Mal could be returned to normal, stating that he never specified that his wishes remain valid forever.

Unfortunately, Abis Mal's third wish is for Eden to turn Aladdin and Genie into cockroaches so that he could squash them - unable to actually wish for them to die directly - but Abu is able to steal the bottle and throw it back to Dhandi, who uses her second wish to wish for Eden not to grant that wish, resulting in Abis Mal being the one who becomes a cockroach. In the end, Dhandi accidentally uses her last wish to make Eden stay with her forever when she says that she wishes they could always be together, postponing Genie's and Eden's romance until Dhandi's life ends. However, Eden tells Genie that she is all that Dhandi has and that she cannot just leave her at that point in life, to which Genie understands. The two tell each other that they will wait until the time comes that they will finally be together.

---

Me: Wow!

Lily: Oh wow!

Eden: I am Eden the Genie of the Lamp.

Lily: It's a pleasure to meet you Eden. My name is Lily Loud and I'm part of Team Loud Phoenix Storm.

Eden: It's a pleasure to meet you Lily.

Princess Rose: A real live genie?! This really is like a fairy tale!

Nico: It sure is.

Hunter: Ja.

Lola: You are beautiful.

Eden: (Giggles) Thank you.

Lily: I only have one wish for you Eden. I wish for your freedom. The reason I want this for you is because I'm afraid that someone would abuse your power and use it for evil and I want you to have a nice and happy life.

Eden: Lily. Thank you.

She was finally freed from her lamp and Lily kept the lamp with her.

Me: Lily that was so sweet of you.

Lily: Thanks J.D.

Me: We're trying to find the Cave of Wonders so we can get the lamp for Aladdin here.

Eden: I know just how to get there.

She pulled out a scarab and then the Cave of Wonders appeared and it was a magnificent tiger god head!

Me: WHOA! That is amazing!

[thunder crashing]

Cave: **Who disturbs my slumber?**

Aladdin: Uh, it is I, Aladdin.

Me: And Team Loud Phoenix Storm is with him

Cave: **Proceed. Touch nothing but the lamp.**

He opened his mouth.

Me: All right lets go.

Aladdin: Come on, Abu.

[squeaking]

We went down into the cave and it was amazing and when we got to the treasure room, there were massive piles of gold, jewels and diamonds.

Aladdin: Would you look at that!

Me: Wow! Look at all this treasure!

Jasmine: The legends are true!

Eden: Amazing huh?

Lincoln: It sure is.

[whimpering]

Aladdin: Just a handful of this stuff would make me richer than the Sultan.

Nico: No kidding. It's a lot of treasure though.

Abu was about to touch the treasure.

Aladdin: Abu!

[whines]

Aladdin: Don't… touch… anything. We gotta find that lamp.

Me: Lets go.

Vince: It's a darn shame that we can't take the treasure yet.

Me: I know.

Abu: [grumbles] Huh? Aladdin!

Aladdin: Abu, will you knock it off?

Nico: What's wrong with him?

[screeches]

Aladdin: Abu, what are you, crazy?

Laney: Aladdin look!

A magic carpet appeared.

Aladdin: A magic carpet. Come on. Come on out. We're not gonna hurt you.

Jasmine: What a pretty carpet.

Me: It's all right carpet.

Abu: [screeches]

Aladdin: Hey, take it easy, Abu. He's not gonna bite.

The carpet wrapped around Aladdin.

Me: Friendly isn't he?

Sora: He sure is.

Aladdin: Thanks.

Abu: [squeaking]

Aladdin: Hey. Wait a minute. Don't go. Maybe you can help us. Hey! Whoa! You see, we're trying to find this lamp. I think he knows where it is.

Me: Lets follow him.

[squeaks excitedly]

We followed the carpet and journeyed far into the cave and it was amazing.

Me: Wow. This cave goes on forever.

Abu: [echoes]

We got to a big room and on a rock cone we saw a light pillar on top.

Aladdin: [whispers] Wait here.

We nodded in agreement.

Abu then saw a magnificent ruby jewel in a statue.

Abu: [moaning] Oh!

Me: Be careful Aladdin.

Carpet was trying to hold Abu back.

Aladdin got the lamp.

Aladdin: This is it. This is what we came all the way down here to… Abu! No!

Abu grabbed the ruby!

Cave: **Infidels!**

Abu: Uh-oh.

Me: Bad Monkey!

Eli grabbed the ruby and stashed it.

Cave: **You have touched the forbidden treasure! Now you will never again see the light of day!**

The statue melted into lava and a massive pillar of fire exploded out of the rock pillar.

The Cave was roaring in pain as the water turned into lava.

Aladdin: Whoa!

Me: LETS GET OUT OF HERE!

Abu: Help! Help! Help!

Aladdin: Gotcha! Whoa. Carpet, let's move.

We flew fast through the cave at incredible speeds.

Aladdin: Abu! Abu, this is no time to panic. Start panicking.

Me: PULL UP!

We did so and grabbed as much treasure as we could from the cave.

Both: Whoa!

[Abu panting]

[thunder cracks]

[roaring]

We escaped through the cave mouth and escaped far and we went farther away.

Me: Whoa! That was close!

Jasmine: It sure was. But that was so much fun!

Lincoln: That was a huge and narrow escape though.

Me: Lets head to an oasis.

Aladdin: I know just the place.

We went to an oasis he knows.

---

Later at the oasis we were looking at the lamp we got.

Eli: But at least we got some treasure and even this awesome ruby. Nunnally this ruby is perfect for you.

Nunnally: Thank you so much Eli.

Me: That was an awesome find though. But we did find the lamp though.

Aladdin: Looks like such a beat-up, worthless piece of junk. Hey, I think there's something written here, but it's hard to make out.

Aladdin rubbed it and then it glowed and colorful smoke and fireworks exploded out and then in a scream came a blue genie!

Genie: Whoa! Oy! 10,000 years will give you such a crick in the neck. (Hangs Aladdin) Hang on a second. (Twists his head) Whoa! WOW! Does it feel good to be outta there. I'm Telling you, Nice to be back, ladies and gentlemen. Hi. Where you from? What's your name?

Aladdin: Uh… Uh, Aladdin.

Genie: Aladdin. Hello, Aladdin. (Neon Sign appears in the form of Aladdin's name) Nice to have you on the show. Can we call you "Al"? Or maybe just "Din." How about "Laddie"? Sounds like, "Here, boy. C'mon, Laddie."

Me: (Laughs) He cracks me up!

Nico: He sure does.

Genie: Do you smoke? Mind if I do? [giggling] Oh, sorry, Cheetah.

We laughed.

Genie: Hope I didn't singe the fur. Yo, Rugman. Haven't seen you in a few millennia. Give me some tass-el. Yeah. Yo, yo. Say, you're a lot smaller than my last master. Either that or I'm gettin' bigger. Look from the side. Do I look different to you?

Aladdin: Wait a minute. I'm your master?

Genie: That's right. He can be taught. What would you wish for me? The ever impressive, the long contained, often imitated, but never duplicated… [echoing] Duplicated, duplicated… Genie… of the Lamp! Right here direct from the lamp, right here for your very much wish fulfillment. Thank you.

Aladdin: Whoa. Wish fulfillment?

Me: That's right Aladdin. Genie's have that kind of power.

Genie: Three wishes to be exact. And ix-nay on the wishing for more wishes. That's it. Three. Uno, dos, tres. No substitutions, exchanges or refunds.

Aladdin: Now I know I'm dreaming.

I pinched Aladdin.

POINK!

Aladdin: OUCH!

Me: Sorry. You aren't dreaming.

Jasmine: No you aren't.

Genie: Master, I don't think you quite realize what you've got here! So why don't you just ruminate whilst I illuminate the possibilities. When Ali Baba had them 40 thieves, Scheherezad-ie had a thousand tales. But master you in luck 'cause up your sleeves, you got a brand of magic never fails. You got some power in your corner now, some heavy ammunition in your camp, you got some punch, pizzazz, yahoo and how, see all you gotta do is rub that lamp, and I'll say. Mister Aladdin, sir, what will your pleasure be? Let me take your your order, jot it down, you ain't never had a friend like me. Life is your restaurant, and I'm your matie 'd'! Come on, whisper what it is you want, you ain't never had a friend like me. Yes sir, we pride ourselves on service, you're the boss, the king, the shah. Say what you wish, it's yours! True dish, how about a little more baklava? Have some of column A, try all of column B. I'm in the mood to help you dude, you ain't never had a friend like me. Oh, my. No, no. [scatting] Can your friends do this? Do your friends do that? Do your friends pull this out their little hat? Can your friends go, poof? Well, looky here, can your friends go, Abracadabra, let 'er rip! And then make the sucker disappear? So doncha sit there slack, jawed, buggy eyed. I'm here to answer all your midday prayers, you got me bona fide, certified, you got a genie for your chare d'affaires. I got a powerful urge to help you out, so what you wish? I really wanna know. You got a list that's three miles long, no doubt, well, all you gotta do is rub like so, and oh. Mister Aladdin, sir, have a wish or two or three. I'm on the job, you big nabob. You ain't never had a friend, never had a friend. You ain't never had a friend, never had a friend. You ain't never had a friend like me! Ah ha ha! Wah ha ha! [Abu's greedy laugh] You ain't never had a friend like me.

[buzzing]

We cheered.

Lily: I never get tired of that song.

Eli: Me neither!

Eden: Good show!

Lincoln: Yeah!

[Carpet applause]

Abu: [chattering] Huh? [groans]

Genie: So, what'll be, Master?

Aladdin: You're gonna grant me any three wishes I want, right?

Genie: Ah, almost. There are a few provisos, a couple of quid pro quos.

Aladdin: Like?

Genie: Ah, rule number one: I can't kill anybody. So don't ask.

Me: We won't pressure you.

Genie: Rule number two! I can't make anybody fall in love with anybody else. Mwah! You little punim there. Rule number three! I can't bring people back from the dead. It's not a pretty picture. I don't like doing it! Other than that, you got it.

Me: Hey no sweat Genie. We have that kind of power.

Genie: Wait a second. Hey J.D. and everyone it's great to see you all again!

Me: Same here.

Aladdin: Hmm.

Abu: Oh!

Juandissimo: (to Genie) (Spanish Accent) There's this one enemy of Timmy who's a genie as well. I think his name was Norm.

Timmy Turner: That's him.

Me: I heard about Norm. Crocker found him inside a lava lamp. If we find him we can keep him as our prisoner and as a trophy. I love lava lamps.

Nico: Me too.

Jasmine: Good idea.

Aladdin: What would you wish for Genie?

Genie: Me? No one's ever asked me that before. Well, in my case… Ah, forget it.

Aladdin: What?

Genie: No, I can't. I…

Aladdin: Come in. Tell me.

Genie: Freedom.

Aladdin: You're a prisoner?

Genie: It's all part and parcel of the whole genie gig. Phenomenal cosmic powers… Itty bitty living space.

Aladdin: Genie, that's terrible.

Me: It sure is.

Genie: But, oh, to be free. Not have to go, "Poof. What do you need? Poof. What do you need? Poof. What do you need?" To be my own master. Such a thing would be grater than all the magic and all the treasures in all the world! But what am I talking about? Let's get real here. It's not gonna happen. Genie, wake up and smell the hummus.

Aladdin: Why not?

Genie: The only way I get outta this is if my master wishes me out. So you can guess how often that's happened.

Me: Trust us on this Genie. Aladdin CAN wish for your freedom. But first we have one loose end to tie up. We have to deal with Jafar first and I have a plan. Huddle.

I gathered everyone together and my plan was for Genie to get Jafar as his master just temporarily so he can get his wishes and before we go after Jafar, we'll have our usual battles and then attack Jafar after that.

Nico: That's brilliant.

Me: Indeed. You guys can come out now.

The Masters of Evil came out. Dai Gui, The Springfield Bully Trio, Robo-Blaze, Robo-Roxy, Red X and Greiger all appeared.

Me: Dai Gui, Jimbo, Dolph & Kearney, Robo-Blaze, Robo-Roxy, Red

X and Greiger.

Red X: How did you know we were here?

Me: Just had a strong feeling.

Lola: We knew you were gonna come eventually.

Maria: (to Dai Gui, Red X, and Greiger) I'm actually not surprised that you three are here.

Dai Gui: **Well, I am the demon sorcerer of Earth. And that include sand.**

Greiger: And Agrabah does remind me of my village.

Red X: Not to mention that I'm a damn good thief like Aladdin is.

Me: That is very coincidental. Looks like you, Sly and Aladdin have a lot of competition.

Jasmine: He sure does.

Sly Cooper: That is a lot of fun though.

Me: And Greiger, Agrabah is actually located in Jordan where you live in Peru.

Greiger: That's true.

?: Too bad you won't live long enough to see both.

We then saw a woman floating in the air and it was ZOYCITE!

---

Zoicite is the third of the Dark Kingdom's Four Kings of Heaven.

He is male in the manga, 90s anime, and Crystal. In several international dubs (most notably the DiC English dub), he is rewritten as a woman.

Zoicite first appears following Jadiete's defeat by Sailor Mars, mocking Nephrite when he took over operations and collaborating with Kunzite. When Tuxedo Mask publicly revealed the existence of the Legendary Silver Crystal to the city, Zoicite assumed the guise of a female scientist to brainwash the masses via television to seek out the crystal. But he resorts to taking the peoples' energy when they fail and overpowered the Sailor Guardians when he alters his strategy to attack Sailor Moon on the assumption that she possesses the Legendary Silver Crystal. While killed off by Sailor V in the original manga, Zoicite was only injured as he and the other Kings learn of their past lives as Endymion's knights. But Beryl strengthens her hold over the four as they later fend off the Sailor Guardians from entering the Dark Kingdom's stronghold, revealed to Sailor Mercury's lover in their past life as she freed him from Beryl's spell. However, Zoicite and the other Kings were vaporized by Queen Metalia for no longer being of use to her. But the four stones that the Four Kings of Heaven were reduced to end up in Mamoru's possession with the quartet's spirits now able to resume their duty as his protectors and advisers.

Zoicite first appeared in Episode 11, expressing doubt that Neflite (Nephrite) cannot succeed where Jedite (Jadeite) failed. However, despite his failure, he managed to avoid the same punishment as Jedite, and Zoicite desperately wanted to try one of his own evil plans. However, this opportunity arose when Neflite betrayed the Negaverse for Molly (Naru), and he sent three of his monsters after him, and he took his black crystal. The monsters killed Neflite and were in turn killed by Sailor Moon and Sailor Mars.

Zoicite's evil plans revolve around retrieving the seven Rainbow Crystals, each of which is hidden inside a person, along with one of the Seven Shadows, the most powerful warriors in the Dark Kingdom. After he extracts the crystal, he will turn the person into a monster, but that monster is healed by Sailor Moon, thus killing the Shadow monster. Zoicite can also change people into monsters even if they do not have a shadow inside them.

In Episode 21, Zoycite sought out the first crystal. He attempted to get the crystals from Joe (Game Machine Man), a priest (Bobo the Vulture), Greg (Bumboo), Peggy (Veena), Rita (Techniclon), Raye's grandpa (Pox), and a cat named Hercules (Bakene). He only got four of them, however; the Sailor Scouts got one and Tuxedo Mask got two. In addition, all the victims who were turned into monsters were healed by Sailor Moon. However, in Episode 28, Zoicite turned a wrestler into a monster named Akan. Though Sailor Moon healed him, Zoicite got the Sailor Scouts' crystal.

In Episode 29, Zoycite impersonated Sailor Moon and pretended to be in danger so Tuxedo Mask would rescue her, but when he did, he stabbed him with a sharp crystal. Just when he had him cornered, however, he was attacked by Sailor Venus. In Episode 30, he challenged Tuxedo Mask (whom he knew was really Mamoru Chiba) to a battle over the crystals, but as they were about to fight, Kunzite appeared and took the crystals. Zoicite had double-crossed Tuxedo Mask. Tuxedo Mask threw a rose at Zoicite's face and scratched him, angering him to the point of disobeying Queen Beryl (who wanted to turn Darien evil) and attempting to kill him by shooting fire at him in the elevator, and seriously injuring him with an ice crystal.

After Tuxedo Mask was stabbed by Zoicite with the ice crystal, the Rainbow Crystals transformed into the Imperium Silver Crystal, and Sailor Moon transformed into the Moon Princess. This continued onto Episode 31, where Sailor Moon defeated Zoicite using Cosmic Moon Power, but he refused to accept defeat. When he returned to the Dark Kingdom, Queen Beryl killed him with an energy wave from her crystal ball as a punishment for disobeying her.

Zoicite appeared in a flashback in Episode 39, alongside Jadeite, Nephrite, and Kunzite. He was also mentioned by Kunzite right when he was killed by Sailor Moon.

---

Nicole: ZOYCITE!

Tso Lan: Doing really well brother.

Dai Gui: **Thanks Tso Lan. I do look like to look my best.**

Gusto: I know it's a bad idea but I think Shendu and Hsi Wu will be great candidates for the Masters of Evil.

Thunderbolt: As much as I don't like it, but I agree. Even though you guys have a lot of disagreements between the seven of you and

Shendu, you all are still family.

Cornelia: Yeah.

Dai Gui: **I'll have to have Vypra consider it.**

Juandissimo: I'm sorry you all hate Shendu but he is still part of your family.

Dai Gui: **True. Lets dance.**

Dai Gui called out his Pokemon and they went at him.

Tso Lan and Gusto: MOONLIGHT WINDSTORM BOOMERANG SHOWER!

Tso Lan fired waves of moonlight and Gusto fired a barrage of boomerangs.

Juandissimo and Thunderbolt: MEXICO THUNDERBOLT SHOWER!

Juandissimo fired blasts of green, white and red energy and Thunderbolt fired a barrage of lightning.

Cornelia fired waves of earth and the blasts all slammed into Dai Gui and knocked him and his Pokemon down.

Cornelia: Good fight.

---

Battle 7: Zoycite

---

Nicole was facing Zoycite.

Nicole: You are a bad monster!

Nicole fired a wave of fire and stars and the blast engulfed Zoycite and obliterated her in an instant.

Nicole: Enjoy the fires of hell.

---

Me: Whoo! Now that we got the usual battles out of the way lets put our plan into action.

Jasmine: Lets do it.

Me: Ready Genie?

Genie: I sure am.

He went back into his lamp and I tied the lamp to a spear and I threw it into the Palace. Just like we planned Jafar got the lamp and made his first wish: To be Sultan and then he made his second wish: TO BE THE GREATEST SORCERER IN THE WORLD!

He moved the palace to a mountain and we felt his power increase.

Me: Whoa! Now it's getting good. Okay here we go.

We went into Agrabah and we kept ourselves on the alert.

Mewtwo: Careful. I sense some darkness in those pots.

Me: Pot Centipede Heartless.

I fired an energy blast and destroyed the heartless pots.

Then the Kurt Zisa Heartless appeared.

Me: Kurt Zisa!

I fired an energy blast and obliterated the Heartless and we got a massive negative energy power increase.

Me: Yeah! Lets do an entrance based on the light of heaven.

Nico: Nice!

Jimbo: Great idea!

Me: Lets go.

We arrived at the Palace and we saw JAFAR!

Aladdin went in and snuck up to get the lamp.

Jafar: That was… [sees Aladdin in the reflection of the floor] You!

Jafar fired a blast of energy from his staff.

Jafar: How many times do I have to kill you, boy?

Suddenly a massive curtain of light appeared from out of nowhere and the divine singing of angels was heard as lots of angels appeared and we popped out of the angels and we were ready to fight. We went at Jafar and I kicked him in the face and knocked him down and Eli grabbed his staff and fired energy blasts at Jafar and the blasts hit him all over and exploded.

KRABBBBOOOOOOOOOOOOOMMMM!
KRABBBBOOOOOOOOOMMMM!
KRABBBBOOOOOOOOOOOOOOMMM!
KRABBBBOOOOOOOOOOMMMM!

Aokua and Kelvedran were blasting Jafar and smashing him all over the place.

Gia: You can marry Jasmine, Jafar. Over our dead bodies!

Jafar: That can be arranged!

Megaforce Rangers: Legendary Ranger Mode: Techno Bionic Team!

The Megaforce Rangers turned into the Bioman Rangers!

Sora blasted and bashed him all over the place with his Keyblade and Kairi blasted him all over with her keyblade.

Nico blasted Jafar all over with blasts of fire and energy.

Jafar got up and fired a powerful blast of energy and I fired a blast of energy and our blasts collided and exploded with incredible power!

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Carol fired a blast of atomic energy and it hit Jafar and exploded.

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Eli spun the staff around with incredible ferocity and he slammed it into Jafar's head and sent him crashing into the ground with incredible force!

Jafar got up.

Nico: Take this one! FIRE STYLE NINJA ART: SAHARA SPEAR STORM!

Genie: MAGIC STYLE NINJA ART: GENIE LAMP SUPERLASER!

They fired blasts of energy and sand and lightning and magic and the blasts formed into said things and slammed into Jafar and exploded all over with incredible power!

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Me: If this is all you're made of it's really pathetic!

Aladdin: Are you afraid to fight us yourself, you cowardly snake?

Laney: YEAH!

Jafar: A snake, am I? Perhaps you'd like to see how snakelike I can be. (Jafar Transforms from Sorcerer to a Gigantic Cobra.)

Me: Oh fuck me sideways!

Nico: He's now a gigantic Cobra!

Lana: COOL!

Lola: Whoa!

Lily: This is scary in real life compared to the movie.

Jafar: (Then he tries to Fight Aladdin)

I punched Jafar in face and Aladdin slashes him.

Jafar: [screaming]

Genie: Rick 'em, rack 'em, rock 'em rake! Stick that sword into that snake!

Snake Jafar: You stay out of thissss.

Genie: Jafar, Jafar, he's our man. If he can't do it… great!

Me: Time for some teamwork!

Hard Man: Lets get him!

Long Haul: Yeah!

Hard Man and Long Haul used the Earth Cyber Planet Key and they enhanced Hard Man's Hard Knuckle and Long Haul's Missile Launcher 100-fold.

Grapple and Monster Rancher Golem used the Earth Cyber Planet Keys as well and they enhanced Grapple's Explosive Rockets and Golem's Rock powers 100-fold.

Akiza and Robo Roxy: CRIMSON ROSE FIRESTORM!

Hunter and Red X: GERMANY X FIRESTORM!

Cornelia and Dai Gui: EARTHQUAKE MEGABLAST SURPRISE!

Me: You will pay for your crimes!

Aladdin ran face and skidded on a ruby and flew out of the palace window and stabbed Jafar with his sword.

Snake Jafar: [screams]

But then Jafar grabbed him!

Me: Oh no!

Snake Jafar: [laughing] You little fool. You thought you could defeat the most powerful being on Earth.

Iago: Squeeze him, Jafar. Squeeze him like a… Awk!

Snake Jafar: Without the genie, boy, you're nothing.

Aladdin: The genie. The genie. The genie has more power than you'll ever have.

Snake Jafar: What?

Aladdin: He gave you your power. He can take it away.

Genie: Al, what are you doing? Why are you bringing me into this?

Me: (Whispers to him) Trust us on this. Play along.

Aladdin: Face it, Jafar. You're still just second best.

Eli: YEAH YOU FUCKUP!

Aerith: Eli.

Snake Jafar: You're right. His power does exceed my own. But not for long.

Genie: The boy is crazy. He's a little punch-drunk. One too many hits with the snake.

Snake Jafar: Slave, I make my third wish. I wish to be an all-powerful genie!

Genie: All right, your wish is my command. Way to go, Al.

Genie Jafar: (Jafar Transforms From a Snake into a Gigantic Enormous Genie) Yes. Yes! The power. [Jafar laughs]

We gasped!

Genie Jafar: The absolute power!

He bursted through the tower and he was now a terrifying and powerful Djinn Genie!

Sunset Shimmer: Oh great! Jafar as a genie!

Jasmine: What have you done?

Aladdin: Trust me.

A black lamp appeared and Jafar was attached to it.

Genie Jafar: The universe is mine to command, to control!

Aladdin: Guys, I'm gonna get Jafar's lamp. Keep him distracted!

Me: Right!

Sunset Shimmer: I've had it with you Jafar!

Suddenly Princess Jasmine was enveloped in a powerful flash of light and she then was turned into a Keyblader!

Me: Whoa! Jasmine you look awesome as a Keyblader!

Jasmine: I sure do. Lets get him!

Sunset Shimmer: VERMILLION SWORD FIRESTORM!

Sunset Shimmer fired a massive fire blast of vermillion flames and they hit Jafar.

Sunset Shimmer, Aladdin, Jasmine and Genie: DESERT PHOENIX MAGIC BLAST!

They fired a massive blast of energy and it formed into a phoenix and it slammed into Jafar and exploded with incredible power!

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Jafar was weakened and Aladdin got to the lamp of Jafar.

Aladdin: Not so fast, Jafar. Aren't you forgetting something?

Genie Jafar: Huh?

Aladdin: You wanted to be a genie… you got it.

Me: Yeah!

Genie Jafar: What?! (Large Gold Cuffs clamped onto Jafar's Wrists)

Me: And you are forever bound to the rules of a Genie!

Aladdin: And everything that goes with it. (Aladdin picks up the Lamp and sucks Jafar into his Lamp)

Genie Jafar: NOOOOO! NOOOOOOOOO!

Iago: I'm gettin' out of here! Eye…

Genie Jafar: NOOOOOOOO!

Aladdin: Phenomenal cosmic powers…

Iago: Come On, You're the genie. I don't want to be in the lamp, I hate lamps becau…

Me, Eli and Aladdin: Itty bitty living space.

Genie: Al, J.D., you little geniuses, you.

He ruffled mine and Aladdin's heads.

Me: Thanks Genie. This was awesome!

Sultan: Ahh!

Rajah: [meow]

(Agrabah Has Restored to Normal)

Me: That was awesome!

Jafar: Get your blasted beak out of my face!

Iago: Oh, shut up, you moron!

Jafar: Don't tell me to shut up!

I talked to the lamp.

Me: How about you do us all a favor and you BOTH shut the fuck up!?

Nico: You tell him J.D.!

Jimbo: You know, we could use Jafar's new status as a genie to get rid of the remaining villains of this adventure.

William: We could. But it would be too risky.

Robo Blaze: He's right. If we try to get him to grant any of our wishes, he'll use those wishes against us.

Robo Roxy: We could just bury Jafar's lamp in Antarctica where no one will find it.

Me: That would be a good idea but I think Genie has a better idea.

Iago: What!? I was gonna…

Genie: Allow me. 10,000 years in a Cave of Wonders ought to chill him out!

Lynn: And here's the pitch!

He flicked the lamp and it went flying far!

Iago: Moron, You're a thief city.

Jafar: Shut up!

Lynn: AND IT'S OUTTA HERE!

Nico: (Speaking Arabic) جعفر أغربة ، لقد فشلت هذا العالم! (Jafar of Agrabah you have failed this World!)

Me: Well said Nico.

We high five.

Me: Did you have fun with us Jasmine?

Jasmine: I sure did J.D. This was the most fun I have ever had.

Aladdin: I'm glad. But Jasmine I love you.

Jasmine: I know but that stupid law. This isn't fair. I love you.

Genie: [sniffles] Al, no problem. You've still got all 3 wishes left. Just say the word and you'll be a prince.

Aladdin: But, Genie, what about your freedom?

Genie: Hey, it's only an eternity of servitude. This is love. Al, you're not gonna find another girl like her in a million years. Believe me, I know. I've looked.

Me: Well look no further Genie.

Eden: I love you Genie.

Genie: Eden.

They hugged and kissed.

Aladdin: Jasmine, I do love you, but had J.D. and everyone not come I would've pretended to be someone I am not.

Jasmine: I understand.

Nico: We all do.

Aladdin: Genie, I wish for your freedom.

Genie: One bonafide prince pedigree coming up. What?

Aladdin: Genie, you're free.

The Lamp released smoke and magic and freed Genie forever.

Genie: I'm free. I'm free. Quick. Quick. Wish for something outrageous. Say, "I want the Nile." Try that.

Aladdin: Uh, I wish for the Nile.

Genie: No way! [laughing gleefully] Oh, does that feel good! Oh! I'm free! I'm free at last! I'm hittin' the road. I'm off to see the world. I'm… Wait. I'm still part of the team. I will be with you no matter what and I love it.

Me: That's right Genie.

Sultan: I agree.

Me: (Kneels) Hello your majesty. It's great to see you again.

Sultan: Same to you J.D. my boy.

Eli: It has been a while.

Sultan: That it has. And Aladdin you've certainly proven your worth as far as I'm concerned. It's that law that's the problem.

Jasmine: Father?

Me: I agree your majesty and no one should ever be forced into a marriage against their will. There's no true love in it. True love comes from the heart and not through force.

Nico: That's right.

Sultan: Well, am I Sultan or am I Sultan? From this day forth, the princess shall marry whomever she deems worthy.

We cheered wildly.

Jasmine: Him. I choose… I choose you, Aladdin.

Aladdin: Call me Al.

We laughed.

Genie: Oh, all of ya, come over here. Big group hug. Group hug. Mind if I kiss the monkey? (Does so) Ooh, hairball.

Me: I think this calls for a celebration.

Aladdin took Jasmine on a night cruise on Carpet and we followed.

Aladdin: I can show you the world. Shining, shimmering, splendid. Tell me, princess, now when did you last let your heart decide? I can open your eyes. Take you wonder by wonder. Over, sideways, and under on a magic carpet ride. A whole new world. A new fantastic point of view. No one to tell us no. Or where to go. Or say we're only dreaming.

Jasmine: A whole new world. A dazzling place I never knew. But when I'm way up here, it's crystal clear, that now I'm in a whole new world with you.

Aladdin: Now I'm in a whole new world with you.

Jasmine: Unbelievable sights. Indescribable feeling. Soaring, tumbling, freewheeling. Through an endless diamond sky. A whole new world.

Aladdin: Don't you dare close your eyes.

Jasmine: A hundred thousand things to see.

Aladdin: Hold your breath, it gets better.

Jasmine: I'm like a shooting star. I've coke so far. I can't go back to where I used to be.

Aladdin: A whole new world.

Jasmine: Every turn a surprise.

Aladdin: With new horizons to pursue.

Jasmine: Every moment red letter.

Both: I'll chase them anywhere. There's no time to spare. Let me share this whole new world with you.

Aladdin: A whole new world.

Jasmine: A whole new world.

Aladdin: That's where we'll be.

Jasmine: That's where we'll be.

Both: A thrilling chase. A wonderous place. For you and me.

Aladdin: A whole new world.

Jasmine: A whole new life.

Both: For you and me.

Everyone: Aww.

Me: So beautiful.

Sunset Shimmer: (To the viewers) This was so beautiful and it was awesome going into the world of Aladdin. Who knows what the next adventure will bring us.

Me: We'll wait and see.

We went back home to rest.

ALADDIN 2: THE RETURN OF JAFAR

---

In the middle of the city, at a house, a Pizza Delivery Guy was making a pizza delivery to someone.

And here's where Eddy meets the pizza guy.

DING DONG!

A man came to the door.

Man: Hello?

Pizza guy: Pizza delivery for 7348 Red Ledge Drive.

Man: Look, would it help if I slow it down for you? I didn't order the pizza.

Pizza guy: Is this 7348 Red Ledge Drive? Are you Mr. Merchant?

Mr. Merchant: Yeah, the Mr. Merchant who didn't order the fucking pie!

Pizza guy: Then, who placed the call?

Eddy: I did. (toilet flushes)

Eddy came out of the bathroom.

Eddy: Pineapple and olive? (pizza guy nods and hands him the pizza) Sweet and salty.

Mr. Merchant: The fuck are you? The fuck you doing in my crib… (Eddy points blaster at him)

Eddy: (to pizza guy) Is it burnt crust?

Pizza guy:… God, I hope no. Um…

Mr. Merchant: Whoa… man, look. If this is about that poker game, I told Howie, I told him that… (Eddy gives him a serious look and Mr. Merchant takes out his wallet) Okay, uh, look, just take whatever you want.

Eddy: (takes wallet) Thanks.

Pizza guy: Sir. Before you do anything to him, do you mind if I get a big tip?

Eddy: Uh, Jeremy, is it? (Jeremy nods and Eddy holds up fist) Eddy. Eddy McGee. (Jeremy gives him fist bump) That is a no go on the tiperoo, Jer. (takes out gold card) I'm not here for him. (aims blaster at Jeremy) I'm here for you.

Mr. Merchant: (sighs in relief) Oh. Hehe, okay, wow, dodged a big-time bullet on that one.

Eddy: (slams blasteron Mr. Merchant's face) Not out of the woods yet. You need to seriously ease up on the bedazzling. They're jeans, not chandelier. P.S. I'm keeping your wallet. You did kinda give it to me."

Mr. Merchant: Okay, just look, man, can I have my Sam's card…

Eddy: (aims blaster at Mr. Merchant's head and forces him to sit on couch) I will shoot your fucking cat!

Mr. Merchant: (confused) I don't really know what that means. I don't have a cat.

Eddy: Then whose kitty litter did I just shit in? (puts blaster away) Anyhoo, tell me something… (takes out knife) What situation isn't improved by pizza? (opens pizza box with knife) Do you happen to know a Meghan Orflowsky - gettin' that right? Orflasky? Orlovsy? Yeah? Good. (Jeremy nods as Eddy eats pizza slice) 'Cause she knows you. Jeremy, I belong to a group of guys who take a dime to beat a fella down. (tried to hand Mr. Merchant the pizza, but dropped it as it fell to the floor) And little Meghan, she's not made of money, but lucky for her, I got a soft spot.

Jeremy: [nervously] I'm, uh…

Eddy: A stalker. (points knife at Jeremy) Threats hurt, Jer, though not nearly as much as serrated steel. So keep away from Meghan. Cool?

Jeremy: Yes… Yes, sir.

Eddy: Then we're done. [puts the knife away]

Jeremy: Wait, we… we are?

Eddy: Yeah, totally done! [everyone starts laughing]

Eddy: [to Mr. Merchant] You should have seen your face!

Mr. Merchant: I didn't know what to do. I was so scared!

Eddy: Soft spot, remember?

All of a sudden, Eddy knocked the pizza off of Jeremy's hands as he grabbed him by the neck, and pinned him to the wall

Eddy: You even LOOK in her general direction again, and you'll learn in the worst of ways that I have some hard spots too! (thinks for a moment) That came out wrong. Or did it? [kisses Jeremy on the cheek]

Jeremy: (GULP!) YES SIR! I'LL TURN MYSELF IN! DON'T SHOOT ME!

Eddy: Good.

Eddy left and Jeremy turned himself in.

Later at the shed in the courtyard, The Digimon Emperor broke in and lifted up the portrait of Marge Simpson and she saw him.

Marge: Wait. You're not Nico! Who are you?!

Digimon Emperor: Not so loud. I'm here to get you out.

The Digimon Emperor got the portrait and used a Luigi's Mansion freedom ray and got Marge out.

Marge: Ahh. Good to be out.

But what they didn't know was that Spitfire was above them.

Spitfire: I got to warn everyone!

She flew fast to us.

Eddy, who was wearing tacky sunglasses, was walking to an underpass as he was holding a box of pizza. There was a group of girls talking as Eddy walked up to one of them.

Eddy: Meghan.

As the girl in the middle looked up, Eddy threw the pizza box in front of them along with a few photos of Jeremy holding a sign that said 'I'm Sorry'.

Eddy: You've heard the last of Jeremy. He's sorry.

Meghan: Really?

Eddy: Yeah. He turned himself in for Federal Stalking charges. He's looking at a long time in prison and deportation.

Meghan: Wow! That's great! Thank you so much Eddy.

Eddy: You're welcome.

Eddy left.

Later Eddy came back.

Suzumebachi: Hey, Eddy. Where were you?

Eddy: I was out running some errands.

Me: How did they go?

Eddy: Good good.

Me: Awesome.

Spitfire came and she had a look of panic on her face.

Me: Spitfire what's wrong!?

Spitfire: It's the Digimon Emperor!

Me: Uh oh! Don't tell me. He released Marge from her portrait.

Spitfire: Yeah!

We gasped!

Jessie (Pokemon): Seviper, guard the door. Make sure Marge doesn't get in or out.

Seviper agreed.

Me: Computer locate Marge Simpson.

Computer: Subject Marge Simpson located. Estate courtyard.

Me: Lets roll!

We went to the courtyard.

Fu: Eddy, what kind of errands were you running?

Eddy: I was busting a stalker.

Fu: Wow! Who was it?

Eddy: his name was Jeremy and he was a pizza delivery guy.

Fu: Wow!

Deadpool: Jeremy? That guy is familiar to me.

Eddy: You should know him Wade. He was after this girl named Meghan Orflowsky.

Deadpool: I remember him! I punched the fucking shit out of his brains.

Me: Nice!

We arrived at the courtyard and we saw MARGE BOUVIER!

Me: Marge Bouvier.

Marge: J.D. Knudson.

Jade: What do you want now, Marge?

Marge: (pushes Jade out of the way) Out of the way, brat! This is between me and my so called family!

The next thing Marge knew, Jackie Chan grabbed her by the collar.

Jackie Chan: (understandably angry) NO ONE TOUCHES MY NIECE AND GETS AWAY WITH IT!

Me: That's right Marge!

Homer: YOU ARE NO LONGER PART OF MY FAMILY YOU DUMB BITCH!

POW!

Homer punched Marge in the face and knocked her down.

Joe Swanson: Marge Simpson you're under arrest.

Marge: Not until I kill Homer and my children!

Bart: Well see about that!

Lisa Simpson and Bart pulled out 12 gauge shotguns!

Bart: Try killing us without legs you bitch!

BANG BANG!

Bart and Lisa blasted Marge's legs off and severed them!

Me: Nice shooting guys.

Tom Lair and Sheila had Marge.

Blaster: (to Tom Lair and Sheila) You two take Marge into police custody until the Digimon Emperor and Xemnas are dealt with.

Marge: (to Homer, Bart, and Lisa) So, I guess you three still don't have the guts to have me killed, huh?

Lisa Simpson: There are more important things going on right now then your nagging, Mom. But when this is over, the 4 of us are gonna have it out.

Marge: For who?

Homer: For you Marge!

Homer then pulled out a piece of paper and it was for a Finalized Divorce!

Me: Homer doesn't want anything to do with you anymore. Now he has a new love.

Mindy Simmons came up to Homer.

Mindy Simmons: You said it J.D.

Homer and Mindy showed wedding rings and Marge gasped in shock and sheer rage!

Marge: YOU FUCKING BITCH! I WILL KILL YOU FOR THIS! I WILL BE BACK! I WILL KILL YOU!

Me: Get her outta here.

Tom Lair: With pleasure.

They took her away.

Soundwave: Homer Simpson: Superior. Marge Simpson: Inferior.

Me: Indeed. Marge has always been a monster.

Homer: Yeah I don't know what I was thinking marrying a monster like Marge.

Me: Yeah.

Bart: She stopped being our mother the moment she helped that fucking jerk Burns.

Nico: Big time. She brought all this on herself.

Me: Yep. That's 8 predictions that came true.

Nico: Yep. But we'll make sure he pays for his crimes later on.

Naruto: Yep.

Vypra appeared and with her was a boy with blue and dark blue hair and he had blue eyes and had a dark pink shirt with purple sleeves and he had an ocean waves with purple bubbles symbol on it and he had grey pants and sneakers.

Vypra: Hey guys. I have a new recruit for the Redemption Squad for all to meet.

Toxic Horror: Louie PoisonSea?

Louie PoisonSea: Hey guys.

Magma Gloom: We didn't expect you to join the team.

Me: You guys know him?

Frozen Fright: He's our forgotten brother of the Fearful 4.

Frozen Fright told us his history.

---

He's the True Youngest and forgotten brother of the Feared Four, he's a 12 years old unicorn pony and is the only one redeemed of the group, Formerly known with the nickname (given by his brothers) "The Repentant Poisonous Boy", he never liked his brothers' hobbies, winning their hate and rejection, some ponies all over know that he's not evil, Currently he feels guilty about having cruel brothers, He's Gloomy, Sad, Kind and pure hearted, he was always hated in all the corners of Equestria, due to his descendance from an infamous family, His Cutie Mark is about (which he's always ashamed) his accidental and painful reminiscence that he's eternally rued; poisoning a fish on a pond in the Crystal Empire

---

Me: Whoa man!

Nico: That's rough. But it's good you want to redeem yourself.

Louie PoisonSea: Thank you. And it's an honor to meet the very famous Team Loud Phoenix Storm.

Me: Same here Louie. It's good you want to redeem yourself.

Frozen Fright: Yeah bro and we're really sorry about everything we did to you. We were just so cruel and all that.

Louie PoisonSea: It's all right guys. You were being like normal brothers.

Thunder Terror: It's good you want to join the team and redeem yourself.

Me: It sure is. I guess the Fearful 4 is now the Fearful 5.

Magma Gloom: Yep.

Vypra: He was going to become Silver Spoon's archenemy but he wants to join the Redemption Squad as well.

Me: That's understandable. He can be part of both teams.

Vypra: That works.

Me: Cool. Now it's time for us to get ready.

Nadira: Looks like it's back to Agrabah.

Me: Yep and we're going back there to kill Jafar.

Eli: That's right! We had him banished to the Cave of Wonders.

Me: No doubt he has resurfaced and Iago wants nothing to do with him anymore.

Lincoln: This is gonna be interesting. We're probably gonna help Aladdin kill some thieves too.

Nico: This is gonna be fun!

Zarya: Yeah it is.

Lynn: And the next target is gonna be Lexaeus.

Aeleus: My Nobody. It's gonna be rough.

Lynn: This is gonna be an earthshattering battle for me.

Me: Yep. Lets get ready and head out everyone.

Villamax, Fixer, Crimson Dynamo, Zzzax, Anti-Wanda and Dayu appeared.

Villamax: Can me, Fixer, Crimson Dynamo, Zzzax, Anti-Wanda and Dayu come with you guys?

Zarya: You all sure can. This is gonna be a rough battle.

Me: We're going back to Agrabah and we're going to kill Jafar.

Zzzax: I thought you guys got rid of him before.

Eli: No we had him banished to the Cave of Wonders for 10,000 years.

Nico: That's right we did. But that was during our first trip there.

Sora: It sure was.

Zarya: Lets roll!

We were off to Agrabah!

---

We arrived in the Jordan Desert near Agrabah.

Demolishor: It's always so hot in Agrabah.

Me: Well it's in the Jordan Desert, what did you expect?

Demoslishor: Yeah you're right.

Nico: Whew! Man it's hot. But it's beautiful.

Me: Yep.

We saw Aladdin fly on Carpet towards a thief stronghold.

Me: There he is!

We flew up to him.

Me: Hey Aladdin!

Aladdin: Hey guys! Been a while!

Me: I know. We've been so busy. What's been going on?

Aladdin: Heading in to deal with some thieves?

Zarya: Awesome!

Me: Lets tear them apart!

Aladdin: All right Carpet, lets move!

We flew into the Thief Stronghold and fired blasts of blue fire and lightning and electrocuted the thieves all over and Sly and the Cooper Gang were stealing the money and jewels they stole and all that. We had all the thieves tied up and we carried them back to Agrabah.

Me: YEAH! These thieves are going to prison for a long time.

Lincoln: That was awesome!

Aladdin: Nice job guys.

Nico: Thanks Aladdin.

Me: Yeah.

Aladdin: How come Zarya is leading?

Me: It's a really ugly story. We'll explain when we get to the palace.

We arrived at the palace and the thieves were locked up.

Me: Awesome.

Aladdin: Cool.

Jasmine: Hey everyone!

Me: Princess Jasmine.

We knelt before her.

Me: It's great to see you again.

Jasmine: No need for kneeling.

Me: Force of habit.

Fixer: So, how has Genie been spending his freedom?

Aladdin: He has been doing all the things he hasn't done in 10,000 years.

Me: Boy that must be a LONG to do list.

Zarya: No kidding. But I'm so happy that the Genie has so much to do now that he's free.

Lincoln: We all are.

Aladdin: Yeah. But what has been happening with you?

Me: Right.

I went over everything that has been happening the last 8 days up to now and they gasped.

Jasmine: Oh man! Nico are you okay?

Nico: I'll be all right. But thank you for your concern.

Aladdin: I don't get it? Who is the Digimon Emperor?

Me: A brainwashed tyrant that has done so many unspeakable crimes against his will. He tried to take over the entire Digital World and rule over it with an iron fist.

I went over his entire history.

---

The **Digimon Emperor** ( **Digimon Kaiser** in Japan, real name: **Ken Ichijoji** ) is the main antagonist for the first 21 episodes of *Digimon Adventure* season 2. He is the first arch-nemesis of Davis and the other new Digidestined. It is later revealed that he was the victim of brainwashing by the real antagonist, his possessed victim and his two pawns.

He returns in *Digimon Adventure Tri* as one of the antagonists along with Alphamon. However this is later revealed to be Dark Gennai impersonating him.

He was voiced by Romi Park in Japanese and Derek Stephen Prince in English Version. In *Digimon Adventure tri.*, he is voiced by Todd Haberkorn.

Past

When Ken was a young boy, he always felt overshadowed by his older brother, Sam because he was considered to be a kid genius, which made Ken jealous. One day, a Digivice came out of Sam's computer, (as MaloMyotismon (Myotismon's reincarnation) would be introduced later on) and he thought it belonged to Sam. When Sam told him not to touch it, Ken disobeys his brother and touches the Digivice anyway, sending Ken to the Digital World. He was a DigiDestined, and was partnered with Wormmon. After he and

Wormmon defeated a Digimon, a dark spore flew into his neck. When Ken returned from the Digital World, Sam scolded him for touching the Digivice and breaking his trust, then dismisses him from his room, stating that he would never trust him again. Feeling betrayed and fumed by those words, Ken wishes that Sam would just disappear. But unfortunately, Ken's wish eventually came true when Sam was tragically killed in a car accident. After Sam's death, Ken felt grief-stricken for the loss of his brother, so he decided that he had to be just like his older brother to help his parents cope with the pain.

One day when he was playing with Sam's computer, a mysterious voice on an E-mail came and told him to go to the Digital World (while Yukio Oikawa would be introduced later on). He did, but instead of entering the Digital World, Ken entered the Dark Ocean. He put the Digivice in the water and it morphed into a Dark D3. When that happened, Ken became corrupted by the Dark Spore, thinking that the Digital World was a game for him to rule and the Digimon were nothing but programs and should be enslaved, and the Digimon Emperor was born.

As the Digimon Emperor

When he became the Digimon Emperor, Ken became an oppressive tyrant towards the Digimon. He also created devices, called Dark Rings, to control the Digimon. They are similar to Devimon's Black Gears in function and method of control. He later upgraded them into Dark Spirals when the DigiDestined were able to break the original model. To control the Dark Rings and Dark Spirals, he created the Control Spires. The Control Spires activate the Dark Rings and prevent others from Digivolving. The Emperor eventually created a Digimon monster called Kimeramon, created using other Digimon.

Jasmine and Aladdin, Abu and Carpet were shocked and horrified!

Aladdin: That's horrible!

Jasmine: Yeah! He has no honor.

Me: I know. Over the last 8 days alone he has done a lot of terrible things. He beat the living shit out of all sorts of enemies we hate.

Laney: Like Skinner's mother Agnes who hates her own son.

Lincoln: And King Stefan who took the Maleficent 2014's wings.

Me: Big difference there and we'll tell you later.

Lana: He nearly threw The Riddler's boss Daniel Mockridge out the window.

Lola: Nearly beat up a Pokemon Trainer named Burgundy.

Me: And the worst part was free a bunch of villains we worked so hard to bring to justice and it sent Nico here into a Spiraling Depression.

Nico: Yeah.

Jasmine: Oh Nico.

Aladdin: That's terrible!

Nico: I'm over it now.

Jasmine: That's good.

Me: But just recently he put a bomb on Rarity to try and kill her and take the Flim Flam Brothers with her.

Lori: He literally beat the living shit out of Happy Pappy Gary and Betty and 4 South Park Kids.

Me: Just earlier this morning, he freed Homer's crazy ex-wife Marge from her portrait prison and we put her in jail after blasting her legs off.

Aladdin: Man! This is a nightmare!

Me: Yeah. We're calling this entire scenario the 12 Days of Torture.

Nico: That's a good name for it.

Me: It's a work in progress but thanks. We have 8 evil deeds of the Digimon Emperor down and 4 more are left.

Jasmine: That's awful.

Me: But we were warned about this before hand and we knew this was coming.

Spitfire: That's right. Me and the Wonderbolts are on high alert and watching for The Digimon Emperor's activities.

Aladdin: That's awful. But I hope you guys pull through.

Me: Yeah. The Digimon Emperor has been a terrible source of pain and darkness for Nico.

Nico: Yeah it's a really dark story.

The Sultan came.

Sultan: You all have been through a nightmare.

Me: Hello your majesty. It's great to see you again.

Sultan: You too J.D.

Kapri: Honestly, despite the bad stuff that happened in Halloween Town, we actually had fun there.

Me: Yeah we always do. But at least we saw the last of that monster Oogie Boogie. Now we have Jafar to deal with. And Aladdin you'll be happy to know that Maleficent is dead. She will never torment any other world again.

Aladdin: That's great! I'm glad.

Me: We all are. By the way have you seen any people wearing black jackets walking around?

Aladdin: Yeah as a matter of fact I did.

Me: Organization XIII is here.

Aladdin: Oh no.

Sultan: And who pray tell is Organization XIII?

Me: They are 13 Pure Evil Nobodies that are out to destroy the entire universe and they spell major disaster for every living thing in the entire universe.

Eli: Big trouble. They work for Xehanort and they want to destroy the entire universe.

I went over their history and it wasn't pretty.

They gasped!

Aladdin: These guys are monsters!

Me: I know and we already killed 7 of them.

Lola: Lea's Nobody, Axel is in the Masters of Evil.

Me: He was recruited because he has honor and is friends with Roxas and Xion.

Xion: It's true.

Me: Yep. We have 5 more members.

Lynn: Yep. We have Lexaeus, Vexen, Xaldin (Lori Growls Ferociously), Xigbar and lastly Xemnas in that order.

Me: Xemnas is my target and I'm going to make sure he suffers terribly for all his crimes. Especially to Nico. He's the one that put the Digimon Emperor inside him and I'm going to make sure he pays for it.

Nico: Big time.

Me: No one messes with my friends and lives.

Aladdin: That's awful. Nico, I'm so sorry you and everyone went through all this.

Nico: It's okay. But thank you.

Jasmine: How come Lori growled when she heard Xaldin's name?

Me: She has a really major personal vendetta against him. Xaldin tried to destroy Belle and Beast's relationship and turn Beast into a Heartless. Ever since Lori found out about it when we killed Freakshow, she vowed to destroy him ever since.

Aladdin: Man he really makes her blood boil.

Me: That is an understatement.

Nico: Yeah.

Jared: Xaldin has no honor unlike the one we know in the Masters of Evil.

Nicole: Yeah.

Aladdin: Wow. So which ones have you all killed?

Luan: I killed an evil version of Roxas.

Roxas: It's my evil self in Twilight Town.

Lincoln: I killed an evil version of Larxene in the world of Mulan from 1998.

Laney: I destroyed Marluxia in the world of The Lion King.

Lily: I faced an Evil version of Luxord in the world of 2003's Pirates of The Caribbean: The Curse of The Black Pearl.

Luxord: And Lily trapped him in a DISK as her prisoner.

Lily: Yep.

Luna: In Hollow Bastion, I faced and evil version of Demyx.

Lola: I faced Lea's nobody Axel in Halloween Town and he got recruited into the Masters of Evil.

Lea: Yeah and it's gonna be cool having my Nobody in with them.

Lola: It sure is.

Lisa Loud: I killed Saïx at Disney Castle.

Lucy Loud: And I just killed an evil version of Zexion at the Olympus Colosseum.

Me: And now we have 5 members left.

Aladdin: Wow! You all have been really busy.

Me: Yeah. But until Xemnas and the Digimon Emperor defeated my awesome fiance Zarya is leading the team till then.

Luan: And my awesome Eddy is second in command.

Nico: And Starscream is leading the Decepticons as well.

Zarya: It's true.

Aladdin: Wow! We will gladly help you all out like we did before.

Me: Thanks Aladdin.

Meanwhile out in the desert, the sand was stirring and out came Iago!

**Iago** : ( *coughs* ) ( *gasps* ) Finally! ( *grunting* ) This is terrific! (grunts and Jafar's lamp is pulled out of the hole bouncing, plus Iago getting sand in his ears) I got sand in places I didn't even know I had.

He had his waist stuck in Jafar's lamp.

**Jafar** : Spare me your prattling, Iago! Are we out yet?

**Iago** : "Are we out yet? Are we out yet?" Yes, we're out! No thanks to you. If it weren't for me you'd be stuck down there forever.

**Jafar** : Iago! (Blasts Iago out of the lamp) You will now release me so that I may have my revenge.

**Iago** : Yeah, yeah, when I'm good and ready.

**Jafar** : Do as I say, you worthless pipsqueak!

**Iago** : You know something? You're nothing without me.

**Jafar** : What?!

**Iago** : Who comes up with all the good ideas? Me! Who does all the work? Me!

**Jafar** : If it weren't for me, you'd still be in a cage at the bazaar, squawking, "Polly want a cracker!"

**Iago** : That's it, I've had it

I hate to be dramatic

But it's time for me to fly the coop

Terrific, fine

I'm drawing the line

Before I wind up in a parrot soup

I was a fool to let you run the show

I'm cutting you loose, pal

Look out below

(Jafar screaming as Iago threw the lamp off of a well splashing with water)

Arrividerci, c'est la vie

Hope all goes well

I'm looking out for me

He flew off.

**Iago:** *(speaking)* Agrabah. Just a juicy golden goose ready for plucking and I'm the one holding the tweezers!

I'll be running this town inside a week! (Iago pointing a finger in a camel's nose)

What's your problem, liver lips? You don't think I can do it?!

**Iago:** OK, I'm little

Been playing second fiddle

And I don't get no respect *(The camel spitting at Iago's tail)*

I turn the other cheek

But this busted beak

Is the only thanks that I get

I never found a friend that I can trust

They promise caviar and leave me eating dust

That's some reward for loyalty

From here on in

I'm looking' out for me

Ohh, I don't need nobody else

I'll never fail

I'll cover my own tail

I can take care of myself

You know, it just don't pay to give a hoot

I've given all my heart

What do I get? The boot

I'm through with that

I'm flapping' free

From here on in

I'm looking' out for me

**Omar:** Steal from us again and your scrawny body will be dinner for the jackals!

**Iago:** Sure. No problem.

Then Iago flew into the Palace and crashed into the wall and we saw him.

Aladdin: Iago!?

Me: Iago! We were just about to look for you.

Iago: Oh great! It's you guys. Haven't you done enough to me already?!

Crimson Dynamo: This is honestly my first time meeting you.

Iago: Do I look like I care?! Why don't you all go Hakai a random helpless robber or something and leave me alone!

Me: Iago! We didn't come here to Hakai you. We came here to kill Jafar.

Nico: Yeah that's right!

Lincoln: Jafar has been the source of your problems right? So we came to make sure he pays for his crimes.

Laney: Big time.

Iago: I appreciate that. And I will gladly help you!

Jasmine: Why should we trust you after everything you've done?

Me: Jasmine please, I know he did wrong but just hear him out.

Iago: It's true and I want nothing to do with Jafar anymore. He put me through so much pain and abuse that I flew the coop and left him.

Me: It's good you left him. Jafar is a monster and he will pay for his crimes. We'll gladly let you stay.

Sultan: J.D., I will always trust your judgement. But I'm just not sure about letting Iago stay here after all he's caused.

Dive Man: Iago has honestly changed his ways.

Jasmine: Or he's probably tricking us into letting our guard down so Jafar can come in here easily. (to Aladdin) Aladdin, what do you think?

Aladdin: (unsure) I… don't know what to think right now.

Iago: It's fine. I can tell when I'm not wanted. (to us) Thanks for trying anyway, guys. (flies away)

Me: I understand your concern your majesty especially after how he helped Jafar and all that. But I sense that Iago does not want anything to do with Jafar. He hates him.

Nico: That's right. Iago is really fed up with Jafar and all the abuse he put him through.

Zarya: Yeah. Jafar will get justice brought to him for all the pain and suffering he caused to all of Agrabah and that we promise you but you just got to give him a chance to prove himself.

Sultan: (Sighs) If you are sure that Iago can be trusted then I accept your decision. I will allow him to stay.

Me: Thank you your majesty.

Eli: Awesome! (Senses a massive energy signal) Uh oh!

Me: WHOA MAN! Do you guys feel that massive and terrible energy signal?

Nico: Yeah. That's Jafar! He's back!

Me: Wait! I remember that it was Abis Mal that released him from what I recall.

Zzzax: That's right he sure did!

Me: We have to prepare for anything guys. Your majesty, put everyone in the city vicinity on full alert.

Sultan: Right!

Zzzax: You guys start preparing defenses around the palace. I'll follow Jafar to see what he's planning.

Me: Okay. But be careful.

Zzzax flew off.

Zarya: Lets get ready folks. Your Majesty, you better evacuate the entire city and get everyone to safety. This is gonna get really ugly really fast.

Sultan: Understood.

Me: We better be ready for anything Jafar might do. He's now an All-Powerful Genie and his power is practically on par with ours.

Nico: That's right I remember.

Laney: But we're ready for him.

We went and got the defenses ready.

Winter Soldier: Look, Jasmine. I understand your distrust of Iago. But he really wants to prove that he's changed.

Jasmine: Iago helped Jafar and Maleficent in an attempt to have my Princess of Heart powers open Kingdom Hearts. How do you expect me to forgive him for that?!

William: Were me, Maria, and the rest of the Redemption Squad so different?

Zarya: That's right Princess and Iago has changed his ways. Let him have a chance to prove that he did.

Me: And Maleficent is dead and you will never see that Witch again.

Brittney: That's right. Jasmine, I know that Iago did wrong in the past but he has a chance to show you that he changed. But it's not just Jafar that poses a threat to all of

Agrabah, there's an evil organization out there that poses a threat to ALL the worlds in general.

Nico: That's right and we already faced 8 of them and we have 5 more left.

Zarya: Yeah.

Me: Also you forgave Riku after he was brainwashed by Maleficent when he kidnapped you.

Eli: That's right. And you are also an amazing keyblader as well as a great ally for the team.

Zarya: So please give Iago a chance.

Jasmine: Oh all right.

Me: We'll get the defenses ready.

We got laser turrets, machine guns, missiles and energy blasters, razorwire, electric fencing, land mines and more ready.

Anti-Wanda put up brick walls.

Anti-Wanda: There. Now no intruders can get in!

Me: But it won't keep the Heartless or Jafar from getting in. He's now an all-powerful genie and this requires more powerful magic.

Shining Armor: I got this!

Shining Armor used his magic to form a powerful and impenetrable force field around all of Agrabah.

Me: An impenetrable force field. That's perfect Shining Armor. Brittney, can you supply Shining Armor with energy to keep the force field strong?

Brittney: I can do that dad.

Me: We have to be ready for anything that's coming. Agrabah is now in terrible danger and it's fate hangs in the balance.

Zarya: That's right. We have to be ready for anything.

Nico: Jafar has messed around with this world for far too long.

Me: And he will pay in blood.

Zarya: Big time.

Eli was scanning for him.

Eli: (Senses something) Jafar coming from the South!

I pulled out my Binoculars and we saw JAFAR!

Me: Battlestations!

We were ready for action.

We went to face him.

Me: Jafar.

Jafar: Well if it isn't J.D. Knudson and Team Loud Phoenix Storm.

Me: It's time for you to answer for your crimes Jafar! This time were going to kill you and make sure you stay dead.

Nico: Yeah! Prepare to die!

Jafar: I must say. You've all impressed me the last few days. First, you push Nico into exiling himself into his room. (to Jasmine) And now, you doubt Iago's offer of friendship when it was clear that he betrayed me. You all really have a habit of pushing your friends away.

Scrap Shooter: At least we have friends, see.

Me: And you will never have any friends.

Aladdin: You don't care about anyone but yourself Jafar!

Zarya: For all the pain and suffering you caused to everyone here in Agrabah, it's time for you to die.

Me: And we'll make sure you suffer.

Nico: Big time!

Jafar: Not if my friends have anything to say about that!

Out came 2 Heartless, A VOLCANIC LORD AND BLIZZARD LORD!

Dayu: Great! A Blizzard and Volcanic Lord! (to Lola and Lana) You two know what to do.

Lola: You got it!

Lana: I'll take the Volcanic Lord!

Lola: Blizzard Lord for me!

Lola fired a blast of fire and killed the Blizzard Lord and Lana fired a blast of ice lightning and extinguished the Volcanic Lord. We got a massive power boost.

Me: Yeah!

Then Zexion, Cad Bane, Artie Ziff, King Shark, Rojo and Billy Numerous appeared.

Me: Zexion, Cad Bane, Artie Ziff, King Shark, Rojo and Billy Numerous.

Maria: How did you guys get in?

Cad Bane: We managed to get inside Agrabah before that force field appeared.

King Shark: But we had to get past the brick walls first.

Zexion: (to Anti-Wanda) A little warning would've been nice.

Anti-Wanda had her eyes spinning in stupidity.

Wanda: She REALLY makes me look like an absolute idiot.

Me: Well she is your Anti-Fairy self. You are smart and beautiful where she is stupid and ugly. No offense.

Wanda: None taken. But yeah I know what you mean.

Me: We're ready to have fun with you all like always.

Nico: We sure are. And then Jafar dies.

Lincoln: Big time.

?: I have always hated Jafar.

A figure appeared and it was GOO FISH from episodes 43 and 98 of Mighty Morphin Power Rangers!

---

**The Goo Fish** is a toxic fish monster, created by Finster, and served Rita. He served as the main antagonist of the episode "Something Fishy".

The Goo Fish was created by Finster and Rita sent him to Earth to exploit Billy's phobia of fishes. The Goo Fish could shoot out hazardous and sticky goo from his mouth that could glue a person's feet to the ground. He appeared on the beach where Billy and Kimberly encountered him. They defeated the Putties only for the monster to emerge from the sea and knock down Kimberly. Before they could fight the monster, Rita cast a spell on Billy and powered up his fear of fishes to make his fear crippling and take him out of the fight. Goo Fish used a spear in battle and could destroy Power Bow arrows in the fight before overwhelming them. The other Rangers (who had been scuba diving) arrived and Jason blasted his spear out of his hand using his Blade Blaster, forcing the monster to retreat into the sea.

He later returned with an army of Putties with orders from Goldar to catch the Megazord in a trap and destroy it with his poison. After his Putties were disposed of, Goo Fish caught the Rangers in a trap and threw his toxic poison on them, making them unable to fight. Kimberly prepared to fight them but the others were knocked down with explosive trout and some explosive starfish took Kimberly down. Luckily, before the Goo Fish could kill them, Billy overpowered his fear of fishes and defeated the monster by back-flipping over the monster. The Goo Fish fired his poison at Billy but missed, causing the poison to fall onto his face. Billy then withdrew his Power Lance and jumped into the air, bounced off of a stone wall, and stabbed the monster down with a blow to the face at which point the Rangers regrouped to finish him off.

Before the Rangers could form the Power Blaster though, Rita enlarged the monster so the Rangers summoned the Megazord. The Goo Fish fought the Megazord desperately but it easily smashed his spear by slamming down its fist. Though unarmed, the monster froze the Megazord with his venom and took down the Megazord. He was nearly victorious but the Rangers transformed the poison into energy which re-powered the robot and the Goo Fish was stunned, allowing them to summon the Power Sword. The monster argued they were cheating but they energized it and he charged only to be cut down by an energy slash. Something Fishy (Mighty Morphin)

The Goo Fish was later resurrected by Lord Zedd as one of his best aquatic monsters, the others being Pirantishead, Slippery Shark, and Commander Crayfish with help from the Tube Monster. They fought the Rangers at the beach, stalemating until the Rangers had to use their Thunder Megazord to kill the Tube Monster and left Tommy to fight the sea monsters alone. However, in spite of being heavily outnumbered, he easily took them down with Saba, making all of the monsters disappear in flashes of white lightning.

Billy Cranston: Goo Fish!

Goo Fish: Been a while Blue Ranger!

Me: I remember you! You were made and sent by Rita to exploit Billy's fear of fish and Rita amplified his fear of fish 10-fold!

Nico: Rita is downright ruthless!

Me: Big time and she will pay for her crimes when we face her.

Goo Fish: You got that right and I'm impressed you remember that.

Me: Never missed an episode.

Goo Fish: (to Stacy) My name shouldn't be confused with the game Go Fish. But I recommend you guys play it.

Stacy Bolton: We play it all the time. But Billy, I can't believe you were scared of this guy.

Billy Cranston: Yeah I know. But thank goodness I'm not anymore. Being scared of fish was awful. (To Tori, Spirit Shark Ranger, and Max) No offense.

Max Cooper: None taken.

Tori Hanson: None taken

Spirit Shark Ranger: None Taken.

Me: Good.

Zarya: I will never forgive you for everything you've done Jafar.

Me: We all won't.

We went at them.

Leon: She is now worse than ever and she needs to go away forever.

Applejack: That woman is now crazier than a rattlesnake in a barrel full of electric eels. She is really plum crazy.

Apple Fritter: Big time and she needs to be put out of her misery.

Rockhoof: (Scottish Accent) Aye. She needs to be buried deep underground and forgotten.

Julie: Yeah! She is an absolute menace to society.

Hammer Gorem: Big time. But in all honesty Artie, I don't know what the heck you were thinking in dating a monster like Marge.

Rarity: And you are a great fighter out of water.

King Shark: Why thank you.

Sassy Saddles: (British Accent) You're welcome. And you do a great job out of water.

Sapphire Shores: Indeed you do. But lets not give him a swollen head.

Mistmane: Yeah. But thank goodness you aren't helping Jafar after everything he did.

Sable Spirit: I know. Jafar is a worse monster than when I was back 1,000 years ago.

Alice: Yeah. Aladdin has been one of my favorite childhood movies and I loved both the 1992 and 2019 movies.

Alpha Hydranoid: They are both awesome.

King Shark: They sure are. 2019's version with Will Smith was great. Lots of people didn't like it but they were wrong about how it would do in the theaters.

Pepperdance: It sure is! I can't wait.

Gusty: Me neither. It's gonna be awesome.

Dan: Yeah! Always up for a challenge.

Drago: Me too.

Rojo: Yeah! And Jason, if the Joker comes back, blow his fucking head off for me.

Red Hood: With pleasure.

Tracer: and we'll banish him to the Warp after that. Lets get it on.

They went at her.

## Battle 8: Zarya VS Jafar

Zarya was facing Jafar.

Zarya: I'm going to make sure you pay for your crimes against all of Agrabah.

Jafar: We'll see about that.

Zarya: You haven't seen my true power.

Zarya then had a vortex of Blue Fire and Light swirl around her and she then transformed into her Super Angel 100,000,000 Wolf Fire Lightning Form!

Jafar: WHAT!?

Zarya: (Divine Echoing Moonlight Voice) **My power has gotten stronger since I became temporary leader. Now you will face my ultimate power.**

Zarya unsheathed her sword and Jafar had a sword of energy and dark fire and they went at each other and clashed violently with incredible fury. Zarya kicked him in the face and jumped back and fired a masssive barrage of blue fireballs and they hit Jafar and exploded with incredible power!

Zarya: **You have survived for far too long.**

---

We then regrouped and we were facing him!

Me: It's over Jafar!

Jafar then turned into his Genie Form!

Genie Jafar: You are all no challenge to me! I'm all powerful!

Me: So are we asshole!

I then transformed into my Super Angel-Ebonwu-Phoenix 100,000,000 Form and we all transformed.

Eli then transformed into his Super Angel 1,000,000 form.

Eli: (Divine Voice) **You will never defeat us because we have a bunch of things that you will never have!**

Me: (Divine Echoing Elemental Voice) **Like Love!**

Nico: Friendship!

Varie: And A Heart!

?: Let me help too!

A figure came out and it was Kazuma Kenzaki of Kamen Rider!

Me: **Kazuma Kenzaki!**

Kazuma: It's an honor to meet the famous Team Loud Phoenix Storm.

Me: **Same here.**

Orion: Sorry, Jafar. But compared to Xemnas, you're only second rate!

Megaforce Rangers: Legendary Ranger Mode: Secret 5 Force!

The Megaforce Rangers turned into the Secret Squadron FiveRangers from 1975!

Zarya: **You will pay for all your crimes Jafar! For all the horrible crimes you've done, you are hereby sentenced to death!**

Me: **Yeah!**

Dark Spicer: Here's your Warning, your fucking ass is about to be kicked!

Eddy: Big time!

Zarya: **Lets get him!**

We went at him and I punched Jafar in the face and kicked him in the stomach and Eli fired an energy blast at his face and it hit him in the eyes and he screamed in pain. Zarya slashed him all over and fired energy blasts and fire blasts and they hit Jafar all over and burned him all over the place. Spyder and Accato blasted him all over the place with incredible fury. Jafar blasted the ground of the palace and it broke apart and a huge lake of molten hot lava formed as fire exploded out of the ground. Lynn fired waves of lava and burned Jafar all over the place.

Suzumebachi: Lets tear this monster apart!

Jessie (Pokemon): Yeah!

Soundwave: Time for some pain.

Suzumebachi, Jessie, Soundwave, Blaster, Fu and Jade all used the Hidden Rock, Pokemon, Planet X, Earth and Hidden Waterfall Cyber Planet Keys and they enhanced Suzumebachi's honey and bee powers, Jessie's powers, Soundwave's Concussion Blaster, Fu's Jinchuriki Powers, Blaster's Electro-Scrambler Gun and Jade's Chi powers 100-fold.

Suzumebachi, Jessie (Pokemon), and Soundwave: FURIOUS HONEY VIPER SWARMBLAST!

KRABBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Lynn: I've had it with you Jafar you fucking son of a bitch!

Zarya: Me too!

Aladdin: It's time for you to die!

Jasmine: I don't know what father saw in you when he made you his vizier but you are through!

Genie and Eden then appeared!

Genie: Let us help you all!

Eden: Yeah!

Eden and Genie fired blasts of energy and magic and they hit Jafar all over.

Lynn, Genie, Eden, Zarya, Aladdin and Jasmine: VOLCANIC DESERT WOLF MEGABLAST!

They fired a massive blast of lava, sand and energy and the blasts all formed into a wolf of lava and fire and the blasts all hit Genie Jafar and exploded!

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Carol fired atomic energy blasts at Genie Jafar and he exploded all over the place with incredible power and more.

Genie Jafar: (ENRAGED GROWLING) I HATE ALL OF YOU!

We got an incredibly massive power boost from his hatred!

Nico: We have to find some way to kill him!

Me: **I read that in order to kill a Genie, we have to destroy the lamp they are bonded with!**

Genie Jafar: I WOULD LIKE TO SEE YOU TRY!

I fired a massive blast of fire and energy and the blasts hit Genie Jafar all over.

Iago: HEY JAFAR! SHUT UP!

He flew in and grabbed Jafar's lamp and gave it to me!

Genie Jafar: TRAITOR!

Me: **He redeemed himself now!**

Iago: PARROT FIRESTORM BLAST!

Iago fired a blast of fire energy from his eyes and it hit Jafar and exploded!

KRABBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Me: **Nice Shot! You will never be welcome here!**

I gave the lamp to Zarya and she threw his lamp into the lava!

Genie Jafar: My Lamp!

It landed into the molten lava!

Genie Jafar: NOOOOOOOOOOOOOOOOOOOOOOOOOOOOO!

Jafar was in excruciating pain.

Jafar's lamp melted into nothing and he was glowing red and then he had his skeleton show and lightning formed around him!

Me: **NOW YOU CAN RULE! IN THE HELL OF THE WARP!** (Holds hand out to him) **HAKAI!**

I banished him to the Warp for all eternity and he was stripped of all his powers and gone!

Me: **Good riddance!**

We powered down and all the damage caused by Jafar was undone.

We cheered wildly.

Lincoln: YEAH! That's the end of Jafar.

Jasmine: Yeah! I hope he enjoys his permanent home in the Warp.

Me: Yeah. He brought all that on himself. But we're not done yet. We still have to face Organization XIII.

Then out of a Dark Corridor came LEXAEUS THE TACITURN STALWART!

---

**Lexaeus**, the **Silent Hero**, is a minor antagonist in *Kingdom Hearts: Chain of Memories* . He is a Nobody that serves as the fifth member of Organization XIII and wields an Axe Sword and the power of Earth.

*Birth by Sleep*

Lexaeus was once Aeleus, one of the guards of the castle in Radiant Garden. He and Dilan confront Ventus when the latter is pursuing King Mickey. However, when the Trinity Armor Unversed arrives, Aeleus and Dilan attempt to help Ventus, but Even reminds them of their duty and reveals that Ansem the Wise needs them. Later, Aeleus throws Lea and Isa out of Hollow Bastion.

Sometime later, Aeleus was attacked by Terra-Xehanort, who turned him into a Heartless and Nobody. This Nobody, named Lexaeus, joined the Organization.

Chain of Memories

Lexaeus is one of the members assigned to Castle Oblivion, along with Vexen, Larxene, Marluxia, and Zexion. He is working with Vexen and Zexion in their own personal scheme.

When Riku arrives in Castle Oblivion, Lexaeus confronts him at the end of the fourth basement. After an arduous battle, Lexaeus attempts to finish Riku off, by sacrificing himself in a suicidal attack with the power of darkness which sends Riku to the Realm of Darkness. In the *Re:Chain of Memories* remake, Xehanort's Heartless instead promptly possesses Riku and finishes off Lexaeus. As he dies, Lexaeus apologizes to Zexion.

*Kingdom Hearts II Final Mix*

Lexaeus's spirit later reemerges as an Absent Silhouette and forms at the Sandlot in Twilight Town after Sora, Donald, and Goofy battled a swarm of Nobodies there. If Sora investigates the Silhouette, Lexaeus engages the trio, but is eventually slain.

*Dream Drop Distance*

Lexaeus is revived as Aeleus along with Dilan, Even, Ienzo and Lea as revealed in *Dream Drop Distance* . After Lea searches all over Hollow Bastion for Braig and Isa, Aeleus informs Lea that Dilan and Even are still unstable.

---

Lynn: Lexaeus. Just the man we were hoping to see. It's good to see you again though.

Lexaeus: Same to you Lynn. You have been doing really well since we fought the last time.

Lynn: We sure have.

Aeleus: Wow. I can't believe this is the member of Organization XIII that I would turn into.

Lexaeus: It's like we're looking at each other in the mirror.

Aeleus: It feels like it doesn't it?

Nico: To us yeah.

Lexaeus: (to Lynn Sr and Rita) Tell you daughter to stand down. I only came here for the Genie. Don't make me fight any of your kids after what they recently went through.

Lynn Sr.: I'm afraid we can't do that.

Lynn walked up to him.

Lynn: Lexaeus your fight is with me like it or not.

Volcanic lava, crystals and rocks swirled around her and the ground was shaking violently.

Lynn: Now you will feel the full extent of the wrath of the Earth's power.

Suddenly a massive torrent of lava exploded out of the ground and enveloped Lynn in a massive vortex of lava, rocks and crystal and it went high into the sky and formed into a Gryphon of Lava and it roared and screeched ferociously and the cosmic energies of stars and the universe poored into the Gryphon with incredible power. Lynn's power was rising incredibly fast and the lava gryphon went back down and Lynn emerged forever changed!

(IMPERATRIX MUNDI PLAYS AT 1:38)

Lynn now had the appearance of a 21-year-old girl and she had red highlights in her hair and ponytail and she had a volcano scrunchy holding her ponytail up and she had a deadly volcanic eruption in her sclera in her eyes and her pupils were now orange and overflowing with powerful fire and glowing with incredible fury and she had a volcano erupting fireballs over a planet Earth emblazoned in the middle of her forehead and she had earrings in the shape of the kanji for volcano. She had a shirt with the planet Earth on it and lava and fire were on it and she had red track pants with flames on them and she had red combat boots. She also had a red sleeveless trench coat with lava, fire, rocks, crystals and volcanoes on it and she had the kanji for Lynn Loud, Volcanic Champion of Guabancex and Athletic Master of Ultimate Victory on the back. She had angel wings that were red with lava feathers and they were dripping pure lava and magma and the heat coming from it was unbelievable and she had a sword with a blade of pure lava. She had become a SUPER ANGEL 25,000,000 VOLCANIC SPORTS EARTHQUAKE!

We gasped in shock!

Me: WHOA! Lynn you look incredible!

Lightning: WOW! Lynn you look like you're one with the Magma of the Earth! Sha-BLAM!

Nico: Wow! And the heat coming from her is incredible!

Lincoln: How do you feel Lynn?

Lynn: (Divine Echoing Volcanic Voice) **Incredible bro. I feel like I can take on the fury of 100,000,000 volcanoes.**

Lexaeus: Impressive. You've really gotten stronger Lynn.

Lava dripped from Lynn's wings and the heat coming from it was incredible.

Nico: WHOA! That is hot! It's like she and Kronos have become one!

Laney: No kidding!

Lexaeus called forth his Axe Sword.

Lynn: **Lets do it. Lexaeus you have what it takes to be part of the Masters of Evil. You will make a great addition to them.**

Lexaeus: Thank you Lynn.

Lynn unsheathed her sword and it was dripping mega hot magma.

Me: Stand back guys. This is gonna get infernal.

We stood back and Lynn went at Lexaeus with the incredible speed and force of the Krakatoa Eruption of 1883 and they clashed powerfully and Lynn kicked Lexaeus in the face and slashed him in the back and burned him badly. The slash mark had fire coming out of it and it showed how hot it was and Lynn kicked him in the stomach and knocked him down. Lexaeus got up and Lynn flew into the air as Lexaeus threw massive boulders at her and she slashed the boulders and they melted into lava and she absorbed the lava into her sword and it made her stronger and she flew down and kicked Lexaeus in the face and knocked him down and Lynn won!

Me: WHOA! That was incredible!

Nico: WHOA! That was amazing!

Lightning: WOW!

We got close and Lightning hugged her.

Lightning: Babe you were awesome!

Lynn: **Thanks Lightning.**

Lava dripped onto Lightning and it wasn't burning him.

Lightning: Wow! Your lava from your wings isn't burning me.

Lynn: **It's because my love for you and everyone is really strong and it will never hurt those I care about.**

Lightning: Wow.

Lightning and Lynn kissed.

Everyone: Awww.

Me: Wow! That was intense!

Lexaeus got up.

Artie Ziff: I sure am glad that's over.

Rojo: And now, Jafar's gone for good.

Billy Numerous: (to Lexaeus) Take some time to figure things out. You can join us when you're ready.

Lexaeus: I understand.

Me: You deserve a much better boss than Xemnas. He is only using you.

Lexaeus: I know. Thank you all for freeing me from him. I know you are gonna face Vexen next. But be careful around him and Xaldin. They are completely unstable.

Me: Noted. Thank you.

Lexaeus vanished and went to the Masters of Evil headquarters.

Aladdin: This was awesome! Thank you all so much for helping us destroy Jafar for good.

Me: You're welcome Aladdin. But we still have some of your other enemies to deal with in the future. But we will gladly help you out.

Aladdin: Thank you. (To the viewers) This was a great adventure and I hope you all liked it.

Me: We all did.

We went back home to rest.

* * *

When I was done everyone that hadn't heard about it was shocked and amazed!

Qin: Yeah.

Nico was so awesome we did all that.

Aquata: He and Ursula were among the villains helping Super Warumono World, as you saw.

Me: I remember that.

Touma: That's what I heard.

Nico: Yeah and we gave Jafar the Black Gates forever.

Qin: Yeah.

Laney: Yeah.

Lily: I still have a version of his empty lamp in my room. I keep it as a memento.

Qin: Cool!

Nico: I thought that was so awesome how we beat many of the big major villains.

Me: And how Lana ate Oogie Boogie's bugs a third and final time.

We laughed at that one.

Evelyn Valentine: Lana ate Oogie's bugs?

Lana: They were really tasty.

Me: Oh that's Lana for you. I have known her for 6 and a half years and she eats bugs, worms and all that.

Pumbaa: She is the queen of bug cuisine.

Timon: That's true.

Rintaro: Instead of going back in time to erase all evil with the Black Gates, it probably would've been a good idea to go back in time and save John F Kennedy from getting assassinated.

Me: That would have been interesting. But I would never take that risk.

May: By the way, J.D., I didn't like how you yelled at me on that day. I know you're wanting to destroy Lothor once and for all but that doesn't mean you should take it out on me and

Nico.

Me: I'm sorry May. But I had to keep up an act to make sure the villains didn't suspect anything.

May: Oh. Apology accepted.

Me: Good. I'm sorry about that. But I couldn't let the villains know that I was on to them so I had to put on an Oscar worthy performance to many sure no one suspected anything.

Lola: Besides we should just drop that and move on.

Magine: Reika, I won't lie to you. I was caught off by the hug you gave me.

Reika: I know. But it was awesome still.

Me: I remember seeing that and honestly I thought it was adorable.

Qin: Yeah.

Me: But Zocks that was so awesome that you managed to swipe one of the Saber Kamen Rider Wonder Ride Books.

Touma: Boy it sure was. Zocks is a great thief no questions.

Me: So is Sly Cooper, Lupin, The LupinRangers and Jessica Cooper.

Nico: Yep.

Daiki: (pouts) What about me?!

Me: Sorry you are too Daiki.

Daiki: That's better.

Me: But it was still so fun.

Laney: Yeah it was.

Touma: Yeah it sure was cool.

Megan McCallister: I'll say. But it's amazing that you guys have so many amazing Wonder Ride Books.

Twilight Sparkle: And the verses they all have are absolutely amazing.

Reika: And I now have a Gene Slammer form.

Me: You sure do.

Qin: That is so awesome.

Nico: Protecting Spirit Loagaeth.

Lisloette Malkovich: Just like me and it's awesome that we are both for Protecting Spirit Loagaeth.

Reika: It sure is awesome.

Nico: Yeah it sure is awesome.

Laney: Yeah.

Me: But the most awesome part of the Saber Mission is that we finally defeated Storious and banished his ugly ass to the Black Gates forever.

Nico: And that concluded the big Kamen Rider missions for this year.

Me: We sure did.

Qin: Yeah that was so awesome.

Touma: And we have most of the Kamen Rider teams covered.

Laney: Yeah we sure do.

Nico: Next year, we're recruiting the teams for Agito, Dragon Knight, Faiz, Blade, and Revice.

Me: And we're going to have an American Kamen Rider Team with us. That is gonna be so awesome.

Laney: Boy it sure is.

Me: I hope one of those helped us out during the 20 Days of Darkness.

Touma: Don't forget I was among the Riders who helped J.D. and the others during those dark times.

Me: That's right Touma. You helped us during the final battle with Xemnas and that was so awesome.

Nico: Yep it sure was.

Laney: Yeah.

Me: We owe you and all your fellow Kamen Riders of the Heisei Era big time for helping us out during the 13 days of the 20 Days of Darkness.

Touma: That was an awesome adventure though.

Banjo: Can't believe me and Sento didn't help you guys. Instead, some of the Showa Riders helped.

Sento: Well, like I said before, you're a Secondary Rider. So, you definitely wouldn't have appeared.

Nico: That's true. But all the Kamen Riders in general still helped out so you guys deserve some of the credit as well.

Laney: Yeah. All of you have been very popular for over 51 years now. So that makes you part of a massive family.

Hitoshi: That does make sense. So we do deserve some credit.

Nico: After giving it some thought, I can definitely say some certain students of Egon will be the first we'll meet in the first Big mission of 2023.

Me: Interesting.

Qin: Yeah.

Egon: Trust me, Nico. You won't be disappointed.

Nico: Oh I know I won't.

Qin: This is gonna be awesome.

Nico: Yeah it will.

Laney: Yeah.

We arrived in the cave room where Aladdin found the lamp that had Genie.

Nico: Wow!

Laney: The Cave where Aladdin found Genie.

Camie: Yeah.

Then Maria heard something.

Maria: Wait. Do you guys hear that?

Me: Hear what?

We heard rocks fall.

Me: There's something here.

Eli: I sense it. It's behind the idol where Abu took that ruby.

Me and Aladdin glared at Abu and he looked at us nervously.

Nico: All right come out!

Out came a snake Zodiart! It was the Serpens Zodiarts!

Me: The Zodiarts of Serpens the Serpent!

Then it reverted back and it was a girl with teal green hair and green clothes and she had the symbol of Serpens the Serpent on her right arm and the constellation of Serpens on her shirt.

Me: Esmeralda Serpens!

Esmeralda Serpens: (Hindu Accent) It's most great to see you again J.D.

Me: Same to you.

Nico: You know her?

Me: She's a Snake Charmer that I met in Calcutta and she is a great dancer too and she knows how to charm lots of different kinds of snakes.

Nico: Wow that is cool.

Naga: You can't tell. But I'm smiling on the inside.

Me: It's true. But Naga is from a planet where his people show absolutely no emotions at all.

Esmeralda Serpens: That is good.

Qin: It sure is.

Varie: Yeah.

Me: Sorry we have to fight like this. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Esmeralda turned back into the Serpens Zodiarts.

Me: This will be quick.

I fired a blast of blue fire and it hit her and she exploded!

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught the switch and purified it and it turned into an awesome Serpens Sword.

I picked up Esmeralda.

Me: At least you're okay.

Esmeralda Serpens: Thanks to you J.D.

Nico: That was fast.

Qin: Yep. But I see something where the lamp was.

Qin went up to it was a book. It was a book that had the symbols of the constellations and the symbols of the monsters and bad guys of the Kamen Riders and the Legend Items they have.

Qin: It's the Tome of Kamennandia. It's a book that tells us all about the villains the Kamen Riders faced and the Legend Items they have.

Nico: Cool!

She took the book.

Octopunch: That's an interesting book.

Nico: It sure is.

Me: That will be handy for us.

Qin: Yeah.

Nicole: That is a great find there.

Nico: Yeah it is. Lets go get the treasure and bring it back to the Estate.

Seaspray: Let me carry the book.

Qin: Sure.

She gave it to him.

We then went and got lots of the treasure in the cave and then we left and went back home.

It was time for us to get ready for our next mission. We put the treasure in the vault.

Larry Koopa: Where to next?

Nico: We're going to Elvendale and we're heading there to see more of it and we're going to kill Noctura.

Qin: Awesome.

Emily Jones: I can never forgive that witch for hurting so many people.

Naida Riverheart: Yeah we can't let her do anymore harm.

Azari Firedancer: That monster needs to be stopped now.

Me: I agree there. I promised Emily and her friends that I would make sure Noctura pays.

Laney: Awesome.

Rhino: Nico, which Gene Slammer do you think you'll meet next?

Nico: I'm hoping to do one for a Mega Articuno next.

Me: Ooh a cold one next.

Nico: Yep.

Qin: This will be awesome and cool.

Bizarro: Let's not get over there right now!

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure was: it was none other than Tirek, and that demonic magic-stealing centaur's furious that The Dark Faerie Sisters have been destroyed forever and they failed to kill us, and now, he's heading here to kill us all and get his revenge. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is Tirek on the move?

Lincoln: You guessed it, Nico, and he's furious The Dark Faerie Sisters have been destroyed forever and they failed to kill us, and now, he's heading here to kill us all and get his revenge.

Me: Should've known he'd be furious that we're still alive, and he's also still furious that your spell is still in effect.

Lincoln: Yep, but now, we know he's in his fully restored form, but we're more than ready for him.

Twilight Sparkle: That's right, Linky.

Emily Magica: And we're going to make sure that Tirek pays the full price for every last one of his crimes against Equestria and all ponies.

Scorpan: And like I said, my brother died long ago, and now, he's about to die here and now, and this time, he's never coming back.

Nico: You said it, Scorpan. Alright, gang, let's go, it's time to put an end to that malevolent and evil dark elf, Noctura.

Emily Jones, Azari Firedancer, Aira Windwhistler, Nadia Riverheart, Rosalyn Nightshade, and Lumia the Light Elf: Once and for all.

Lincoln: And we're also going to punish Cronan Darkroot for his constant schemes to take Emily's amulet so he can take over Elvendale and Earth, and after we've dealt with those two dark elves, you're next, Tirek, your crimes against Equestria and all ponies can never be forgiven, and you will pay the ultimate price for your crimes in full!

We were off to Elvendale. Thank goodness it is not very far. We have the land of Elvendale orbiting around the tree under our protection.

---

We arrived.

Me: Here we are.

Qin: Wow!

Izuku: It's magnificent. I can't believe that Elvendale is this magical and beautiful.

Camie: It sure is awesome.

Qin: Yeah it sure is awesome.

Emily Jones: But it's good to see this place again.

Smithers: (takes a deep breath) Take in that fresh air.

Nico: It's beautiful.

Qin: It sure is.

Me: (Takes a deep breath) Ahh. It's beautiful.

Nico: Yeah.

Naida Riverheart: Lets show you guys around.

We got to seeing all of Elvendale and it was magnificent and we saw many awesome locations:

---

Lava Fields

The Lava Fields are a nice, warm home to tropical flowers and fiery animals. Johnny Baker resides here. His pastry bakery is located in the Lava Fields, as well as the fire key sought by Emily and her friends. The fields are full of lava waterfalls.

Leaf Lands

Covered in lavish forests, the Leaf Lands are where Farran has his tree house. Emily and her friends often stay in Farran's tree house when taking a break from their adventures.

Sky Castle

Sky Castle is where Skyra guards the portal to the human world. Emily Jones and her friends were able to convince Skyra to allow Emily passage to and from her world and Elvendale.

Sparkle Rock

A beacon of light, Sparkle Rock is a luminous landform made up of emerald stones and other crystals. Within the crystal hollow of Sparkle Rock is the earth key, which is guarded by Miss Spry. On her journey, Emily Jones discovered the earth key inside the rock, with help from her friend Farran.

Venti High Hill

Venti High Hill is located in the northern part of the Leaf Lands. Aira's workshop is perched high in the mountaintops there.

Actan Range: Sky Castle rests on the highest mountain here.

Desertlands

Forest of Deep Secrets

The Great Mountain of Silad: This mountain lies south of Sky Castle.

Highland of Helyan

Ivy Beach and Blue Water Bays

Red Mountain: This is where the main 5 chased Miku to get the wind key. They also met Starshine and Rufus there. It sits to the right of Sky Castle.

Abyss

This bottomless pit is where the main 5 encountered a brainwashed Zonya. It's also where Aira met Gust after diving after the water egg and getting stranded on a ledge below. Its bridge is now broken.

Cursed Crystal Canyon

Home to the evil sorceress Ragana, these gloomy badlands give a creepy chill to anyone who enters - most likely because of the Shadow Fountain's dark magic. Ragana's Magic Shadow Castle is hidden in this canyon.

Diamond Peaks

The Starlight Inn can be found in this mountainous territory. The inn is run by Sira Copperbranch.

Driftwood Forest

Concealed within this forest is the Elvendale School of Dragons. The school was founded by Tidus Stormsurfer, who trains and cares for his dragon students.

Lava Cave

The Lava Cave is where the main 5 stopped to eat and sleep on their journey to Ragana's Castle. The Shadow Fountain lurks nearby.

Lazuli River

This river runs through the Driftwood Forest. Water dragons love to play here and it is rumoured to be protected by water spirits.

Forgotten Valley

The Secret Market Place is located on the outskirts of the valley. A mysterious fog surrounds the marketplace, making it difficult to find. Those who do find it have been known to forget its location quickly after leaving.

Sacred Dragon Cove

The Dragon Sanctuary lies here, on an island in the middle of the sea. The sanctuary is a safe haven for all dragons.

Whispering Willows

These enchanted, pink-leaved trees border Ragana's home and keep the dark magic contained there. All magical creatures respect their need for peace and quiet to keep evil in check, so you won't find much wildlife here.

## Cronan's Fortress

The Goblin King's Fortress is full of hidden rooms, secret passageways, and underground tunnels. Cronan used to live here with his mother, Quartzine, until she became imprisoned in her amulet. The fortress is now overrun with his goblin servants.

## Crystal Cave

Blubeary and Lil' Blu live here beside a waterfall. Sophie stumbled upon the cave and the bears shortly after arriving in Elvendale. It is slightly south-east of the Guardian Tree. The bears and other creatures must be careful because the goblins sometimes use dynamite in the area to harvest more crystals.

## Goblin Village

As its name suggests, the Goblin Village is the home of the goblins. Most of the buildings here are smaller than average, to accommodate the goblins' short statures.

## Mr. Spry's Shop

Nestled in a forest clearing is Mr. Spry's Shop. A variety of foods are on sale, but Mr. Spry would rather trade for a fun, shiny trinket than receive boring old coins. It was here, beside the shop, that Sophie Jones was captured by Cronan's goblins.

## Shimmering Woods

Once a safe, happy place for all creatures who lived there, these woods were ruled by Rosalyn Nightshade until the evil Goblin King overthrew her. Now it is full of frightening danger. Rosalyn's Healing Hideout is the only remaining place in the woods that is untouched by darkness.

## Tempest Highlands

Covered with many raging tornadoes, this plateau of land is a dangerous place for anyone who wanders too close. Travelers must cross on foot - the violent winds are too powerful for aircraft vehicles.

Emerald Mountains: This mountain range lies to the west of the season 3 locations.

Emerald River: The Emerald River runs near the Emerald Mountains.

Goblin Forest: This forest grows to the right of the Goblin Village.

Riptide Reef: This whirlpool churns in the ocean off the east coast of the season 3 locations.

Thorny Valley: This valley lies to the right of Cronan's Fortress and contains many thorny plants, hence its name.

Windswept Isles

The Windswept Isles are a cluster of islands that float in the sky. Sebastian the bird resides here. His music school rests on one of these airborne islands.

Elvenstar Tree

The Elvenstar Tree looks like a tree house. Beside it is a portal to the Shadow World.

Azure Bay

The Azure Bay is located north of the Elvenstar Tree. It seems to be a popular hang-out spot for Cory and Calypso the turtles.

Rainlight Forest

The Rainlight Forest is located south of Azure Bay.

Magmara Range

The Magmara Range lies to the south of the Elvenstar Tree.

It was all so magnificent.

Qin: Wow!

Nico: This is so amazing!

Varie: I can't believe you guys have so many amazing places to visit.

Camie: It's so magical and breathtaking.

Nico: I can't wait to try out my new quintet element beam on Noctura!

Devack: Another attack you just invented?

Nico: Yep.

Me: Looking forward to seeing that in action!

Qin: Yeah!

Laney: Yeah that is gonna be awesome.

Lumia: It will be awesome to see that.

Magmon: This place reminds me of Perim.

Nico: It sure does.

Qin: But at least it's orbiting around the Estate. And not only do you guys have an awesome view of the entire planet but you guys are also getting around the clock protection from us.

Lola: That's trie.

Qin: Yeah that is so awesome.

Aira Windwhistle: It sure is.

Qin: Yeah.

Gameface: And Margo? Nice job using my Ridewatch this morning.

Margo: Oh thanks Gameface. That was so awesome.

Me: It was really awesome using some great Ridewatches.

Varie: And on the Blue Moon too.

Gameface: Yep and also we have a bunch of new recruits. You'll see them soon.

Me: Looking forward to it.

Marvel Loki: This almost reminds of Asgard.

Nico: It sure does.

Thor: But Asgard does not have this many beautiful plants.

Laney: No but it's awesome though.

Fluttershy: Oh and the creatures here are so magical and beautiful.

Seabreeze: (Swedish Accent) Oh ja. They are most amazing.

Qin: They sure are.

Copperhead: Is there anything to eat around here?

Naida Riverheart: There sure is.

Emily Jones: It's good food.

We then got a great feast of fruit and berries and really awesome desserts.

Me: (Eating a cupcake) Mmm. This is a delicious cupcake.

Emily Jones: All the desserts are made with great stuff.

Nico: Boy it's awesome.

Qin: The fruit is awesome.

Jared: I'll say.

Lisa Loud: Mmm delicious.

Varie: It sure is.

Wormmon: (to Tim's Pikachu) Are you enjoying being part of the mascots?

Tim's Pikachu: I sure am Wormmon.

Nico: That's great.

Me: And it was really awesome going into that world yesterday. It was our first time ever going beyond the fourth wall.

Nico: It sure was.

Varie: Yeah.

Samon Shakekisutanchin: I brought salmon as well.

Me: Awesome.

We got some salmon and ate it.

Me: Fishy.

Camie: Yep.

Samus: Delicious.

Nico: J.D. we're so glad Evelyn is okay.

Me: Boy we are too.

Samon Shakekisutanchin: We heard she was stuck on the Blue Moon as Another Walkatrout and a Giant Clam gene-slammer for 6 and a half years. That was intense.

Me: Yeah she was stuck there.

Eli: And at 50 light years away from home.

Varie: Yeah.

2D Man: It's a miracle she's still alive.

Me: No kidding

Naida Riverheart: Yeah that was crazy she was there.

Me: It's amazing how she was there for so long.

Evelyn Valentine: But I'm so happy to be back on Earth. It's amazing that so much has happened since I was gone.

Camie: We're just glad you're all right though.

Azari Firedancer: Yeah.

Laney: Thank goodness.

Kerbero Gangan: Mevya had fun fighting you.

Evelyn Valentine: He sure did and Mevya is so cute.

Kevin Levin: Yeah he sure is.

Qin: And it was the first time ever seeing you turn into raw Energon.

Kevin Levin: Yeah first time doing that actually.

Laney: That was cool though.

Xenia: It sire was.

Block Man: Just make sure not keep your distance from our Cybertronian buddies in that form, okay?

Skywarp: Really not a fan of finding out what that could do to us.

Me: Raw Energon is highly unstable and when in strong enough concentrations it causes powerful Energon fields and when Cybertronians are exposed to it over a small period of time they short out.

Skywarp: Oh man. We better be careful then.

Nico: Yeah we found out that Earth is rich in raw Energon.

Laney: It's all over the place.

Kyd Wykkyd: Not even the Decepticons in the Masters of Evil are safe from that.

Me: No. They sure aren't.

Evelyn Valentine: What does Energon look like?

Me: This is Energon in its natural form.

I pulled out a jar and in it was a raw Energon Crystal. It was blue and it had a blue blue and emitted a low hum.

Me: Cybertronians have been using Energon to power their machines and devices for eons.

Laney: That's right.

Me: Yeah. Luckily the radiation from it only affects Cybertronians.

Magma Man: UNluckily, we can't eat it. Not even me and my fellow Robot Masters.

Me: I don't think you even want to taste Energon anyway.

Qin: Yeah no kidding.

Laney: Yeah.

Varie: It wouldn't be that good.

We later got done eating.

Marionette Shadow: Well, food's all done. Let's go kill a bitch.

Nico: Good idea.

Naida Riverheart: Yeah I agree there.

Lumia: I'm going to make that monster pay for her crimes.

Qin: And it will hurt in blood.

Me: She'll be stabbed with my poisonous blood to be precise.

Luna Loud: And it's going to hurt really bad.

Eli: Noctura is over by the Leaf Lands.

Nico: Then that's where we're heading.

Molly Hale: Entrance time!

Nico: Lets head out!

We were off.

We later arrived in the Leaf Lands and there we saw NOCTURA!

Me: Target sighted.

Nico: Lets do it.

We went at her.

Noctura was looking around and then the spirits of the elements swirled around her and converged and then…

KRABBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMM

A massive fiery explosion blasted off above her and then a phoenix cry was heard and we came out.

Me: Hello Noctura.

Noctura: J.D. Knudson!

Me: That's right. We have a score to settle.

Metal Sonic: Noctura, you are targeted for elimination.

Noctura: Then come and get me!

Nico: Tempting.

Camie: We wen't let you get way with everything you did!

But then Killer Croc, Bane, Black Lance, MetalSeadramon, David Cain, Stratos, Gentleman Ghost, Evil Star, Key, and Madame Masque appeared.

Nico: Killer Croc, Bane, Black Lance, MetalSeadramon, David Cain, Stratos, Gentleman Ghost, Evil Star, Key, and Madame Masque.

Killer Croc: I knew it was only a matter of time before you guys would go after Noctura.

Bane: I hope you break her back!

Black Lance: Or better yet, chop her head off and keep it!

Me: Ew! That's a little too weird.

MetalSeadramon: (To Nick) We heard you went to another planet.

Nico: We sure did.

David Cain: What's it's name?

Nico: It's one we went to before. The Blue Moon.

David Cain: WoW! We haven't seen that one.

Laney: You would love it.

Then the Evil Ninja Storm Rangers appeared for another round!

Nico: The Evil Ninjs Storm Rangers!

Me: Back for another round?

Evil Tori: You bet we are.

Evil Hunter: And we're going to win.

William: So, this is your first battle with Nami?

Evil Shane: Hope you guys don't mind.

Nico: Not at all.

Fullbottles: MetalSeadramon and Pisces Zodiarts

---

MetalSeadramon was next.

MetalSeadramon (to Noah): I heard you guys met a Gene-slammer for Imperion Magnum the Superconductive Battlebot. What's her name?

Noah: Her name is Sonnya Magnetwelle and she is from Germany.

Rarity: And she is an amazing helper for Lisa and she did amazing experiments with her.

Sweetie Belle: Her story is cool too.

---

Sonnya Magnetwelle: (German Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Sonnya, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Sonnya Magnetwelle: (German Accent) That's incredible.

Nico: It sure is. So, Sonnya, what's the story on why you hate Luan with a burning passion?

Sonnya Magnetwelle: (German Accent) You're not going to like it. One day, Lincoln and I were with Lisa at her laboratory, and I was still on the alert in case Lisa's dark side emerges, and from the horror stories I heard from the other Guardian Angels of what Lisa tried to do to Lincoln, I was on guard. We were conducting an experiment in electromagnetism, but then, Lisa's electromagnetic generator suddenly went bonkers and we got squirted with water, hit with pies, and I wound up getting magnetized to a wall of steel and pelted with dirty diapers. There was only one person we all know who'd set up those kinds of dirty pranks: Luan, and we were right as soon as we heard her maniacal cackling. Lincoln was already seeing red as he fired a magnetic blast and got me out of the wall of steel, and he rushed on over to Luan's room, and me and Lisa followed, because when the vampire's unleashed, it's going to get bloody. Luan turned around to see if it was me, but when she saw it was Lincoln and he's gone vampire, she was in big trouble. Luan fired balloons full of blood, but that was a big mistake since Lincoln's a vampire, all thanks to Adriana's vampire blood, and he consumed every drop of blood. I fired a magnetic blast and chained her up with chains Luan had in her closet, and we had her hanging upside down and we put the shame sign around her neck. We then told Mr. and Mrs. Loud of what Luan did, and as soon as I get her down, she was grounded for nine weeks.

We cheered wildly for what Sonnya did to Luan.

Nico: Sheesh, sabotaging one of Lisa's inventions and all for a prank, that's just going way too far, even for Dark Luan.

Me: But, that was a really good way of getting payback: chaining her up with chains, having her hang upside down, and putting the shame sign around her neck, classic.

Lincoln: And Luan should've known that I also feed on blood, thanks to Adriana's blood. Those blood-filled balloons were filled with blood from some world-class bodybuilders, and when I consumed the blood, that may have also given me twenty-times the body strength. It was pretty good, and the diet they have made the blood rich in iron and protein.

Nicholette Torrington: Lincoln's an expert when it came to finding out just what the person ate, by a mere taste of their blood. Plus, the blood of those world-class bodybuilders also bulked up his body even more, along with giving him twenty-times the body strength, and we Guardian Angels almost fainted big time when we saw him, he was even more ripped than ever.

Nicole: That's the result of a combination of training and working out for six and a half years, battling villains, and a constant healthy diet definitely produced those kinds of results, Nicholette.

FLASHBACK ENDS

MetalSeadramon: Wow! That is incredible! At least she and Lincooln stopped Luan back then.

Nico: It's over for you, Noctura, and your schemes to take over Elvendale are done for good.

Lincoln then tied Cronan Darkroot up in a rainbow energy straitjacket and rainbow energy chains, so he can't escape.

Nico: Nice one, Lincoln, but we're not done yet.

Lincoln: Yeah, there's still the matter of that magic-stealing demonic centaur, Tirek, to deal with, and that bastard should be arriving… right now!

?: You will all pay for ruining my plans to get rid of you, Team Loud Phoenix Storm!

Twilight Sparkle: I knew there's no mistaking that bellowing voice from anywhere. You can come out now, Tirek.

We heard thundering footsteps heading our way, and we dodged a blast of energy heading for us, and we saw who it was: it was Tirek.

Scorpan: Hello, "Brother".

Tirek: You! I should've known you'd also show up as well, Scorpan, you simple-minded traitor!

Nico: Don't go blaming your brother for something that's your fault, Tirek. He tried to appeal to you, but your desire for power and destruction drove you past the brink, and now, you're going to pay.

Tirek tried to attack, but Emily Magica fired a purple energy blast, which hits Tirek in the chest, and it burned him badly, because of the Magic of Friendship.

Tirek: Who do you think you are to get in my way?!

Emily Magica: Someone who refuses to stand here and let you hurt my friends, you magic-stealing demonic monster. (Moderate purple energy aura flares up) I am Emily Magica, Champion of Twilight Sparkle, the Alicorn Princess of The Magic of Friendship, and one of the 27 girls chosen by The Elements of Harmony to be The Champion of The Magic of Friendship.

This horrified Tirek badly.

Tirek: Impossible, The Champions of Harmony have returned?!

Suddenly, Emily Magica's moderate violet eyes turned neon moderate violet, and she was surrounded by a violet energy aura with Alicorns, magic, and elemental forces, she unholstered her massive Sword of The Champion of Harmony, and as she approached Tirek, she left violet energy, Alicorns, magic, and elemental forces with every step.

Emily Magica: Tirek, I will never ever forgive you for the crimes you committed against Equestria. You are nothing more than a vile, power-hungry monster who's heart is as black as the night itself, and I will see to it that you receive the ultimate punishment for your crimes: death!

Suddenly, Emily Magica was surrounded by a massive vortex of violet energy with magic and elemental forces surrounding it, there's an Alicorn flying around the vortex, and in the vortex is a purple phoenix. Then, as the vortex faded, Emily Magica emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Emily Magica grew to 6'11" in height, she has the body of a goddess, she has pink highlights in the bangs of her long flowing violet hair, she has neon moderate violet eyes and a violet energy aura with Alicorns, magic, and elemental forces surrounding her, she has an Alicorn along with Twilight Sparkle's cutie mark on its horn emblazoned on her forehead, she has on Alicorn earrings with violet gems for eyes and the Magic and Eternity Kanjis in its hooves, she has on her Crystal Necklace of The Buddha with violet gems on the gold sparkle links and violet crystal links and a violet Alicorn-shaped Element of Harmony and on the bottom of The Element of Harmony is an Alicorn with violet gems for eyes and holding the Friendship and Eternity Kanjis in its horn for the pendant. Emily Magica has on her Ring of the Phoenix with large violet gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger.

Emily Magica has transformed into SUPER ANGEL-ALICORN ETERNITY INFINITY MAGIC FRIENDSHIP ALICORN ANGEL OF DIVINE MAGICAL FRIENDSHIP AND DIVINE ELEMENTAL MAGIC LOVE!

We were amazed by Emily Magica's Super Angel-Alicorn Eternity Infinity transformation, but when Tirek saw it, he tried to open his mouth to try and drain her of her powers and magic, but Lincoln's curse muzzled him, and magic chains were put on his horns, and that allowed Emily Magica to fire a powerful violet energy aura with Alicorns, magic, and elemental forces, which hits Tirek, and he was burned by The Magic of Friendship, but he's not out yet.

Nico: So awesome, Emily Magica's transformed.

Ken Knudson: And now, it's Twilight Sparkle's turn to transform.

Emily Magica: (Divine Echoing Cosmic Voice of The Magical Friendship Alicorn and Divine Elemental Magic Love) **That's right, Ken.**

Me: And that's the other part of your curse, right?

Lincoln: Yep, it muzzled Tirek and chained his horns, so he can't use his powers.

Twilight Sparkle: Very creative, Linky. Now, it's my turn.

Suddenly, Twilight Sparkle's moderate violet eyes turn neon moderate violet, and she was surrounded by a violet energy aura with elemental forces, magic, and Alicorns, she unholstered her massive Elemental Sword of Magical Friendship from her back, and as she approached Tirek, she left violet energy, elemental forces, magic, and Alicorns with every step.

Twilight Sparkle: I will never ever forgive you for what you've done, Tirek. You've caused so much destruction to all of Equestria in your quest to steal Equestrian magic and rule the land, and for this, I will make sure that you receive your just punishment: death, and this time, you will never ever come back from the dead again.

Suddenly, Twilight Sparkle was surrounded by a massive vortex of violet energy with magic and elemental forces surrounding it, there's an Alicorn flying around the vortex, and in the vortex is a pink phoenix. Then, as the vortex faded, Twilight Sparkle emerged, but she was changed forever.

Twilight Sparkle has transformed into SUPER ANGEL-ALICORN ETERNITY INFINITY ELEMENTAL MAGIC ALICORN ANGEL OF DIVINE ELEMENT MAGICAL FRIENDSHIP AND DIVINE MAGIC ELEMENTAL LOVE!

We were amazed by Twilight Sparkle's Super Angel-Alicorn Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding. But, when Tirek saw it, he tried yet again to attack, but Lincoln's curse prevented him from doing so, and that allowed Twilight Sparkle to fire a powerful violet energy blast with elemental forces, magic, and Alicorns, and it hits Tirek on the chest and he was burned badly by The Magic of Friendship, and he's still not out yet.

Thunder Sparkle: Whoa, now Mom's transformed, so awesome.

Nyx Midnight: That magic-stealing centaur's going to pay for what he's done, especially when Dad joins in.

Lincoln: You got that right, girls, and Twilight, you look beautiful. How do you feel?

Twilight Sparkle: (Divine Echoing Cosmic Voice of The Elemental Magic Friendship Alicorn and Divine Elemental Magic of Friendship Love) **I feel incredible, Linky. Now, shall we help Emily Magica destroy that overgrown demonic centaur once and for all?**

Lincoln: (Smiles) With pleasure, my Alicorn Princess of The Magic of Friendship and The Magic Skylanders.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope,

and he joined Twilight Sparkle and Emily Magica.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Time for you to pay for everything that you've done, Tirek, and you're not getting a single shred of mercy from us whatsoever!**

Cronan Darkroot: I hope he destroys you all for killing Noctura, and ruining my plans to take over Elvensdale and Earth, you accursed heroes!

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Can somebody please knock him out?!**

Nico whacks Cronan Darkroot hard on the head and knocks him out.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Thanks for that, but tell that dark elf I'll deal with him later. Right now, we've got a demonic centaur to kill.**

Emily Magica, Twilight Sparkle, and Lincoln went after Tirek, who was still suffering from Lincoln's curse yesterday, and they fired powerful blasts of rainbow energy, violet energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, rainbow super lightning, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, and Angels at Tirek, and they exploded with incredible power as they hit him, and he was being burned badly by The Magic of Friendship. Then, they attacked him with their massive greatswords and they left painful scars on him, and because of the purity of the attacks, it burned him badly, and the wounds he suffered would never heal.

Then, they slashed off Tirek's horns, and he almost screamed in excruciating pain, that is if it weren't for the muzzle due to Lincoln's curse. Then, Lincoln flew at Tirek, and with his vampire fangs now longer and sharper than ever, Lincoln sank his fangs deep and hard into Tirek's neck, and he finally screamed in excruciating pain, but the pain was just beginning. Suddenly, Lincoln began sucking out and draining Tirek dry all of his magic-draining powers, as Lincoln's rainbow energy aura was flaring up extremely and he was gaining a massive power boost, while Tirek was suddenly shrinking in both height, strength, and muscle mass. Finally, Tirek was eventually reduced to his extremely weaker and withered form, as Lincoln unlatched his vampire fangs which were covered in blood from Tirek's neck and he let out an extremely loud and animalistic roar that shook the ground itself.

Me: WHOA!

Nico: HOLY CRUD!

Then, Lincoln grabbed Tirek by the neck, and he tossed him hard into the air with his really immense brute superhuman strength, and that allowed Emily Magica, Twilight Sparkle, and Lincoln to finish Tirek off by firing powerful energy beams and they overwhelmed Tirek, and they exploded with such incredible power, killing him for good. We cheered wildly for what Emily Magica, Twilight Sparkle, and Lincoln did to Tirek as they holstered their massive greatswords on their backs and power down, and the new bodies, clothes, weapons, jewelry, and massive angel wings of Emily Magica and Twilight Sparkle are permanent.

Then, as Tirek's spirit appeared, the cutie marks of The Mane 9 on the massive Celtic Cross cutie mark tattoo on Lincoln's wider and more muscular back glowed, along with the cutie marks of The Mane 12 and the Elements of Harmony on my sword, and Tirek's spirit was surrounded by a magic circle with the cutie marks of The Mane 12 that formed on the ground, and he was chained up by chains of magic and rainbow energy, and the energy images of The Mane 12 appeared from the cutie marks on the circle, and they found him guilty of his crimes, and the energy images of The Mane 12 aimed their horns at Tirek and Lincoln aimed his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds at Tirek.

Lincoln: Tirek, for the multitude of crimes you've committed against Equestria, along with the crimes against the Earth Ponies, Pegasi, Unicorns, and Alicorns of Equestria, you have been found guilty, and the punishment for your crimes is death.

This horrified Tirek greatly, as he soon saw his days of chaos and havoc are about to come to an end.

Lincoln: MANE 12 HARMONIOUS CUTIE MARK FINAL JUDGEMENT!

Lincoln fires a very powerful barrage of rainbow energy beams with Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, rainbow super lightning, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, and Angels from his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds and the energy images of The Mane 12 fired colored magic energy beams from their horns, and as they hit Tirek's spirit, they exploded with incredible power and his evil spirit was condemned to The Black Gates, and he was fading away.

Tirek: NO! CURSE YOU, DAMN YOU ALL, TEAM LOUD PHOENIX STORM! (Fades Away)

Tirek's spirit was erased from existence by the spirits of all those he's hurt, and he'll never return to hurt anyone again. THE MAGIC-DRAINING TERROR OF TIREK WAS FINALLY BROUGHT TO AN END!

Emily Magica: Tirek, you have failed all of Equestria.

Twilight Sparkle: He's been asking for this for a very long time for his crimes. Thank you for helping me and Emily destroy Tirek for good, Linky.

Lincoln: (Smiles Warmly) You're welcome, Twilight Sparkle.

Suddenly, Twilight Sparkle wrapped her arms around Lincoln's thick muscular neck, as her chest pressed against Lincoln's massive and wide muscular pecs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned his face down to Twilight Sparkle's face, they kissed passionately as Twilight Sparkle's left arm was still wrapped around Lincoln's thick muscular neck, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Alicorn, and Angel flying in the air, and a herd of Buffalo running across the field, along with elemental forces and magical forces behind them and we cheered wildly.

Thunder Sparkle and Nyx Midnight: Alright, way to go, Mom and Dad.

Nico: (Smirks) Remind me to never ever get you mad, Linc, and what you did to Tirek in draining him completely dry of all his magic-draining powers and strength and blood, and when you let out that insanely loud and animalistic roar?! I guess that's what happens when some arrogant villain dares to let out the beast inside you.

Lincoln: This hadn't been the first time this had happened, Nico. Lori, Lynn, Lola, Lisa, and Luan did a lot of things to let the vampire out, but this is the first time that a villain had let the beast out, and it ended with Tirek getting completely drained dry of all his magic-draining powers, strength, and blood, and with me letting out that insanely loud and animalistic roar.

Me: But, that was really, really awesome.

Lincoln: Thanks, guys. (Turns to Cronan Darkroot) And as for you, Cronan Darkroot.

Cronan Darkroot: I can't believe this, beaten by you foolish heroes?! If you hadn't shown up, that amulet would've been mine, and all of Elvendale and Earth would be bowing before me!

Then, Lincoln snatched the dark amulet off of Cronan's neck and he threw it into the air and destroys it by firing a rainbow energy blast, and this freed Cronan Darkroot from the darkness that turned him into a jerk.

Nico: Whoa, I almost thought you were going to kill him, Lincoln.

Lincoln: I almost did for his dumb stunts, but I realized that his actions were actually due to the dark amulet he had around his neck and the dark magic that caused him to act like a jerk.

Emily Jones: My grandmother told me that his mother, Quartzine, the Elf of Earth, was imprisoned in her own amulet after she turned evil.

Lincoln: When she found out your grandmother was chosen to guard the portal between realms, Quartzine went mad with jealousy and turned evil. Her hunger for power ultimately led to her undoing: not only did jealousy consume her, but so did darkness, and she raged to destroy everything.

Cronan Darkroot: Yes, but I was so young, I had no idea what was even going on. Now, I remember, I tried to reason with and help my mother, but it was no use, she'd given into darkness completely, and the amulet my mother used for dark power literally sucked her inside it. Being just a child, I had weak powers, and I was unable to stop it, and it wasn't long until the necklace completely consumed her, and it led me down the path of evil, and I'd stop at nothing to free my mother.

Nico: So, the whole reason why you acted like this was because of what you had witnessed when you were a child.

Me: And the same darkness that consumed your mother led you down that same dark path.

Cronan Darkroot was then freed from his bonds by Lincoln, and then, he stood up.

Cronan Darkroot: Team Loud Phoenix Storm, I… I want to apologize for my behavior for what I've done to Elvendale and to those defending it. It was due to the darkness that consumed my mother that it led me down that road to darkness, and it would've led to me suffering the same fate as my mother. I thank you for freeing me and ridding the land of Noctura and Ragana for good.

We saw the remorse in his eyes, and we knew he was telling the truth.

Lincoln: You're welcome. You know, there's a spot in The Redemption Squad that's open for you.

Nico: Lincoln's right, we now know the reason for your behavior was because of the amulet belonging to your mother, Quartzine, and the darkness that tainted it.

Me: But, now that dark amulet is gone for good, along with the darkness surrounding it.

Cronan Darkroot: You would offer me a spot in The Redemption Squad, even after what I've done?

Lincoln: Of course. Despite everything you've done, it's not worth killing you, now that we know why you were acting like this. Consider it a second chance at life and not death.

Cronan Darkroot took a minute to take in Lincoln's words and offer, and considering everything that's happened, he decided to take in the offer.

Cronan Darkroot: Okay. I'll join The Redemption Squad, and I'll not waste this second chance that you've given me.

We cheered wildly.

Nico: Whoa, now that's what I call one elemental battle today, and not only did we get rid of Noctura, but we also got rid of Tirek for good.

Lincoln: Which means, the next member of The Doomsday 23 to take down and destroy tomorrow is The Pony of Shadows.

Me: The dark form that Stygian was turned into when he thought he was betrayed by the Pillars of Equestria.

Stygian: That malevolent monster will be destroyed for good after what happened to me.

Star Swirl the Bearded: And he will, Stygian, and it will be by our hands.

Loreena McKnight: Yes, by me, Star Swirl the Bearded, and Lincoln, and that monster of darkness will be destroyed by the light of good and sorcery.

Nico: This is going to be one awesome magic show to see tomorrow, guys.

Twilight Sparkle: Star Swirl the Bearded, one of my favorite legends and great hero to Equestria, Loreena McKnight, The Champion of Sorcery, and Lincoln Loud, our future husband and master of magic, The Pony of Shadows will be destroyed forever and he'll pay for what happened to Stygian.

Stratos: Noctura's reign of terror is finally at an end.

Gentleman Ghost: Indeed it is.

Me: And Tirek is gone forever too and Cronan's darkness has been removed too.

Qin: Yeah.

Evil Star: Now, Elvendale is finally at peace.

Me: Yep.

Key: How about we celebrate?

Madame Masque: Good idea. I've been wanting to try the food here anyway.

Me: You guys will love it.

Laney: Yeah it's awesome.

Nico: But great job today everyone.

Emily Jones: (To the viewers) Now we've seen the last of Noctura and Cronan was redeemed. But many more of our enemies are still out there.

Me: But we'll be ready for them.

Qin: Yes we will.

Nico: Yep. Lets go home.

We went and ate some of the food of Elvendale and we later went back home. We enjoyed the rest of the day and went to sleep.

Qin: So we're going to Nome?

Lily: Are we visiting Nome for the history?

Nico: Not this time.

Me: We're heading to the Nome Maximum Security Insane Asylum to help Lynn blow off some steam.

Optimus Primal: Lynn must still be under a lot of stress from what happened 2 years ago before the War with The Royal Defenders.

Nico: That's exactly right Optumus.

Me: I invited Optimus to come with to provide additional support.

Nico: Ah.

Camie: Man it sure is cold up here.

Me: It's Nome. It's always cold.

Nico: Thanks for coming with me, Andros.

Andros: Not a problem Nico.

Lynn: I'm sorry I am worrying you guys. It's just that I still haven't gotten over what that evil version of me did.

Eli: I know Lynn.

Nico: Andros, I just want you to know that no one blames you for killing Zordon the first time.

Andros: Thanks Nico.

Me: Also Zordon wanted it that way back then. But I'm glad you saved the world from all those evil villains in that one. That was so awesome.

Andros: It sure was.

Camie: So what was it that caused Lynn to hate this version of Lynn?

Me: It's not what Lynn did to this version of Lynn it's the other way around. We call her Evil Lynn because during the bad luck fiasco in another universe, she blamed her family and Lincoln for ruining her life.

I went over what happened to her during that time and what happened in Chapter 1131. When I was done everyone that hadn't heard about it was shocked and horrified!

Tsuyu: She's insane!

Ibara: How can she be so delusional?

Me: Her mind is just that messed up.

Laney: Yeah.

Lynn: That's why we're heading to the Nome nuthouse. To pound her into pulp.

Camie: Either way she had this coming to her.

Lola: Yep.

Nico: (to Andros) Besides, we managed to resurrect Zordon after we killed Ooze.

Me: And you have me to thank for that.

Andros: Yes that's true. And that is awesome.

Laney: Yeah it sure is. Zordon has been a great mentor to the rangers.

Andros: Just like how Gosei has been a great mentor to the Megaforce Rangers.

Me: Yep and he gave them 38+ Years of rangers and sentai teams.

Laney: That's right.

Twilight Sparkle: But I'm really excited to see what is going to happen in the Cosmic Fury series.

Qin: Me too Twilight.

Nico: Yesterday was another great Lego mission.

Me: Boy it sure was!

Qin: Yeah it was!

Lynn: That was a cool mission! And J.D. Emily and her friends are really awesome.

Me: There was no doubt on that.

Xenia: Yeah you got that right.

Kaina Tsutsumi: But at least they are rid of one of their most dangerous enemies.

Me: Make it 2 dangerous enemies actually. Cronan and Noctura. Cronan is now in the Redemption Squad and Noctura is in the Black Gates.

Maria: I'm gonna be honest. I didn't expect Cronan to be redeemed.

Nico: Me neither.

Me: Turns out that medallion he had was the source of his evil. Emily made the right call to destroy it.

Qin: Boy she sure did.

Lola: Yeah.

We arrived at at the grounds of the insane asylum.

Me: There it is.

Nico: Yep.

Optimus Primal: Lets see.

He scanned the area.

Optimus Primal looked at the Asylum Perimeter and saw that it was a heavily fortified place.

Optimus Primal: Hmm. Getting into that place is not gonna be easy. It's heavily fortified like Fort Knox.

Nico: But the underground isn't. We'll follow J.D.'s example on how he and the shinobi got into the Hidden Grass Insane Asylum in 150,000 years. When we get into the broom closet we'll hold our position until I give the word.

Me: Right. Lets go.

We got to digging.

We dug underground and tunneled and I used my X-Ray Vision and we were under the broom closet.

Me: Okay we're under the broom closet.

Nico: Great.

We went into the closet and waited.

Nico: Considering the last Evil Lynn we dealt with, this shouldn't be too hard.

Me: That's right. Okay the guard makes a walk by Evil Lynn's room every 30 minutes.

Qin: Not very much time. But we've dealt with slim odds before.

Laney: Yes we have.

Nico: Where is Evil Lynn's cell?

Me: 2 floors below us. In the Maximum Security Wing.

Nico: Not gonna be easy.

Fu: But if she is there she is gonna be in a heavily guarded room.

Laney: Yeah.

Optimus Primal: Well that's just prime.

Me: Lets see.

I activated my Byakugan and saw Evil Lynn snap the necks of the 2 guards guarding her room.

Me: She's on the move. She killed the guards by her room.

Nico: (sadly) May they rest in peace.

Me: Yeah.

But then the Patient Escaping Alarm sounded!

ALARM BLARES!

Me: The Patient Escaping Alarm!

Nico: Looks like it's go time!

We got out and into the hallway.

Eli: She's heading this way!

Qin: Perfect!

Nico: Lets get her!

Me: KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into Wolf Moon 🌙!

Nico: Time to kick some Evil Lynn butt!

Optimus Primal: Optimus Primal, MAXIMIZE!

He transformed!

Lynn went Super Angel Infinity!

Nico: PYRI FIRE WINGS BURN!

(CODA THEME OF DARK PHOENIX PLAYS)

Nico turned into FIREWING 🔥!

Then…

CRASH!

She busted through a door! Evil Lynn growled ferociously and her eyes were glowing red with ferocious fury!

Maria: Your buddies aren't here to save you now!

Evil Lynn saw us and she saw Lincoln and roared with INTENSE AND FEROCIOUSLY EVIL FURY!

Evil Lynn: (ROARING INSANELY) STINKOLN! (COMPLETELY OUT OF HER MIND) STTTTTTIIIIIIIIIIIIIIIIIIIIIIIIINNNNNKKKKOOOOOOOOLLLLLLLLNNNNN!

She went at Lincoln in a massive explosion of incredible rage, fury and ballistic rage! Lincoln then punched her in her face and sent her crashing into a wall! Evil Lynn got up and roared ferociously!

Optimus Primal fired his blaster arms at her and pulverized her all over with the blasts!

Nico: Take that!

Me: Try this on! (ACTIVATES PREDACON RHINOX'S RIDEWATCH)

I got his blasters and fired them at Evil Lynn and I was pulverizing her all over with the blasts!

Evil Lynn: I HATE YOU ALL! YOU RUINED EVERYTHING FOR ME STINKOLN! AND THE FOOD HERE TASTES LIKE YOUR FUCKING SHIT!

Me: At least its better than eating raw eggs that make your breath smell like that of a wet dog Sriracha Fucker! (To our Lynn) No offense.

Lynn: (Divine Echoing Voice of Volcanic Power and Athletic Hope) **None taken. But yeah! You give me a bad name!**

Nico: Is the food really that bad?

Me: I have no idea.

Optimus Primal: But she deserves this treatment.

Laney: I agree. This bad luck monster deserves nothing more than death.

Laney fired barbs and poked her all over.

Evil Lynn: I WILL KILL YOU STINKOLN YOU MOTHERFUCKER!

Qin: Come and try it jockass!

She fired a wave of fire and blasted her all over.

Lincoln: Try this voltage!

He fired waves of lightning and electrocuted her all over.

Lincoln: Hope that gave you a good shock treatment!

Me: Try this one. (ACTIVATES EVIL SOLAR MAN'S RIDEWATCH)

(CHILDREN OF THE SUN BY THOMAS BERGERSEN PLAYS)

Me: (SINGS DIVINELY AS SUNS AND FIRE SWIRL AROUND ME)

Fighting and running from turning from who we really are

Cannot suppress so let's find the one we have shaped so far

Flying too close to the sun as if we're invincible

Cannot dictate, dominate the earth that we're living on

We can't defy the laws, cut the loss that we consummate

Around the world, we grow weaker as we exterminate

The only thing that gives, thing that brings air and life to us

Wake up one day and find what we got is so serious
We are
The children of the sun
We are
The children of the sun
The human greed and our creed is all that we have to share
Knee deep in tragical, fabrical issues everywhere
Cannot replace the one, chase the one that we used to be
It isn't how we were, why we're here, what we're meant to be
Fighting and running from turning from who we really are
Cannot suppress so let's find the one we have shaped so far
Flying too close to the sun as if we're invincible
Cannot dictate our faith on this earth that we're living on
We are
The children of the sun
The love for everyone
Always on the run
The fire in our eyes
The passion never dies
We're the chosen ones
The children of the sun
We are

The children of the sun

The love for everyone

Always on the run

The fire in our eyes

The passion never dies

We're the chosen ones

The children of the sun

We are, we are

We are the children of the sun

We are, we are

The children of the sun

We are, we are

We are the children of the sun

Always on the run

I danced and fired waves of fire and burned her all over the place.

Eli then teleported and grabbed her Ponytail and slashed it off!

SLASH!

Lynn: **WHOA! Nice one Eli!**

Evil Lynn: NO! MY PONYTAIL!

Eli teleported back!

Lynn: **Try this on!** (ACTIVATES EVIL STRIKE MAN'S RIDEWATCH)

(STEP INTO THE SUN BY SOLID STATE REVIVAL PLAYS)

Lynn: (SINGING DIVINELY AS LAVA AND FIRE SWIRLS AROUND HER)

**Take one step back from everything**

**We could walk together**

**We could step into the sun**

**Shooting stars are multiplying**

**New worlds have just begun**

**Yeah, we could take forever**

**We could step into the sun**

**And who knows what tomorrow's gonna bring**

**Just soak up every minute**

**And our time will surely come**

**Like fireflies returning**

**To the star we all came from**

**Yeah, we could be forever**

**We could step into the sun**

**We could step into the sun**

**We could step into the sun**

**We could step into the sun**

**We could step into the sun**

**The earth is shining blue below us**

**And two become as one**

**Yeah, we could live forever**

**We could step into the sun**

**And all before ships enter sea. [not positive]**

**A prize so beautiful… [not sure]**

**We could step into the sun**

**We could step into the sun**

**We could step into the sun**

**We could step into the sun**

**We could step into the sun**

**We could step into the sun**

**We could step into the sun**

**We could step into the sun**

**We could step into the sun**

Lynn danced and fired waves of lava and fire and burned Evil Lynn's Hair off!

Kaito: (gets out Decade Ridewatch) Don't forget us!

Zocks: (gets out W Ridewatch) Time to count up your sins!

Philip: YEAH YOU SAID IT!

Zocks got a Prismblade and Kaito got a Decade Sword.

Nico: YEAH!

Camie: Time for you to feel the pain of your crimes! (ACTIVATES NIGHTMARE SHARK'S RIDEWATCH)

(TUBULAR BELLS PLAYS)

Camie fired an illusion and it formed into a TERRIFYING NIGHTMARE SHARK! It went at Evil Lynn and smashed her down and roared!

Sougo: (gets out Ghost Ridewatch) Time for my life to burn bright!

Armor Time! (Upbeat music) Kaigan! Ghost!

Geiz: (gets out Mach Ridewatch) I've had experience using the Drive Ridewatch. Let's see how I do with the Mach one!

Armor Time! (Signal Mach standby music) Mach! Mach!

Sougo got GhostArmor while Geiz got MachArmor.

Nico: YEAH!

Me: And it's time for this shark to BURN! FIRE STYLE NINJA ART: INFERNO OF THE ATOMIC SHARK!

I fired a wave of fire and it formed into a glowing red hot Atomic Shark and it bit Evil Lynn and she BURSTED INTO INTENSE FLAMES! SHE SCREAMED IN EXCRUCIATING PAIN AS SHE WAS BEING BURNED ALIVE!

Andros: My turn! But first I need a vehicle!

Me: Luckily I thought ahead!

I pulled out a scroll and unsealed a Homer Car!

Andros: Perfect! (Activates Overdrive's Ridewatch)

(EVERYONE HATES NED FLANDERS BY HOMER SIMPSON PLAYS)

Andros: (SINGING DIVINELY AND GOOFY BALLOONS AND FACES SWIRL AROUND HIM)

Everybody in the USA hates their stupid neighbor

He's Flanders and he's really really lame

Flanders tried to wreck my song

His views on birth control are wrong

I hate his guts, and Flanders is his name

F-L-A-N-R-D-S he's the man that i hate best

I'd like to see his house go up in flames

F-L-A, his name is Ned

E-R-S, such a stupid name

He's worse than Frankenstein or Dr. No

You can't upset him even slightly

He just smiles and nods politely

Then goes home and worships nightly

His leftorium is an emporium of woe

F-L-A, don't yell at Ned

D-E-R, his wife is dead

Everybody hates that stupid jerk

Springfield rocks with homers joyous loathing

Filling clubs with angry valentinos

You don't have to move your feet

Just hate Flanders to the disco beat

He's your perky, peppy, nightmare neighborino

If you despise polite left-handers

Then I'll doubt you'll like that Flanders

Or his creepy little offsprings Rod and Todd

That's us!

Hooray!

F-L-A, his name is Ned

E-R-S, he is so white bread

The smiling mustache geek who walks with God

He fired waves of energy and blasted Evil Lynn all over and he fired lasers and then Evil Lynn exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

And then…

KRASPLAT!

HER BLOOD AND GUTS WERE SPLATTERED ALL OVER THE PLACE AND EVEN THE GUARDS GOT SATURATED IN HER DISGUSTING BLOOD!

Me: EEEEEWWW!

Nico: This is just gross.

Me: That was gross and that was really funny!

Nico: I love that song! (Season 14 Episode 8)

Eli: But she deserved it too. And that was great Andros.

Me: Homer would be proud.

Qin: Yes he sure will.

But then my geiger counter clicked like mad and then a black version of NRG appeared and it didn't have armor on!

Me: Whoa! Another Prypiatosian-B!

Nico: Wow! This is a radioactive one.

Another NRG: (In a Girls Voice) (Russian Accent) Yes I am a radioactive one.

Me: (Gasp) Galena Kosmodemyanskaya.

Nico: Wow!

Another NRG: It's good to see you again comrade J.D.

Me: You too Galena.

Nico: You know her?

Me: Yep. Her name is Galena Kosmodemyanskaya and she's from Russia. She has the power to use the spirits of Animals.

Fluttershy: Oh wow. Casey and the Jungle Fury Rangers would love having you with them.

Me: So would my granddaughter Isabel.

Another NRG: I'm sure they would comrades.

Albedo turned into Negative NRG.

Negative NRG: Did Swartz promise you anything?

Another NRG: Just to get me back to normal. I'm also a gene-slammer for a Mahi Mahi.

Me: That's a beautiful fish.

Maria: A gene-slammer for a Mahi Mahi. Its been one of my dreams to swim with one of those.

Laney: That is cool Maria.

Rarity: Those are really beautiful fish too.

Another NRG: They sure are.

Me: Lets go outside to have this battle. We don't want to poison this place with gamma radiation.

Nico: Good idea.

We went outside.

Me: That's better.

Another NRG: I saw that battle though with that evil version of Lynn and that was really well done comrades.

Laney: Thanks.

Me: That was cool.

Nico: Yeah.

Me: Galena is a special girl. Like what happened with Multiplex, Galena was exposed to nuclear radiation and caught in the explosion of Tsar Bomba.

Everyone gasped!

Nico: That was the largest Nuclear bomb ever detonated by Russia back in 1961!

Me: That's right. 60 Megatons of TNT on the island of Novaya Zemlya in Siberia. But the radiation mutated her and gave her powers. She has the ability to use animal spirits as well as immortality, super regeneration, invincibility and even fire and spirit powers like those of Yusuke and his team.

Nico: That's incredible!

Another NRG: That's right.

Eli: That is amazing!

Nico: (gets out Radioactive Man's Ridewatch) Let's get radioactive!

Nico activated it and then the Theme Song for Xiaolin Showdown played!

Nico danced and fired waves of energy and blasted Another NRG down!

Qin: YEAH!

Another NRG: Nice dancing comrade!

Nico: Thanks.

Another NRG: You're welcome.

Nico: Guess Swartz didn't include a containment suit.

Me: I wonder why. Prypiatosian-B's are intensely radioactive.

Another NRG: He never told me the reason.

Qin: Weird.

But then a blast of ice energy jot Another NRG and a massive cloud of steam came out and froze her and then she shattered and was knocked out and I caught the ridewatch and purified it.

Me: Whoa! Nice shot Lana!

Lana: I didn't do anything.

Me: If it wasn't you then…

We looked up and we saw a MEGA ARTICUNO!

Nico: Whoa a Mega Articuno!

Me: Wow!

Galena was a girl that was half Mahi Mahi.

Nicole: Okay boys cover your eyes!

I put on my blind glasses and I snapped my fingers and she reverted back and Galena was a girl with black hair and blue eyes and Varie, Leni, Maria and Rarity gave her a new wardrobe and she had red and black clothes on.

Galena got up.

Galena: (Groans) What a headache.

I picked her up.

Me: But at least you're all right.

The Mega Articuno landed.

Mega Articuno: (In a Girls Voice) (Canadian Accent) Thank goodness I got here in time eh.

Nico: Kristina Whendolla? Wow!

She reverted back and Kristina was a girl with blue hair and blue clothes and blue angel wings.

Kristina Whendolla: That was a great battle eh.

Nico: That was a great one.

Kristina Whendolla: But it's great to see you again Nico.

Gwen: And it's awesome to meet a fellow Canada Native.

Kristina Whendolla: Same here eh.

Andros: What's your favorite memory of Nico?

Kristina Whendolla: I have a lot of them eh. But my favorite would be when me and Nico made a massive number of pies of so many awesome flavors. They were for several desserts we made for our class.

Nico: I remember that. It was pie buffet day. Kristina makes some of the best pies ever.

Sakura Valencia: That is really cool.

Me: It sure is.

Nico and Kristina hugged.

Nico: I've missed you.

Kristina Whendolla: Me too Nico.

Nico: Feel better, Lynn?

Lynn: I sure do. Thanks guys.

Applejack: But we're glad you are.

Nico: Yeah what she did to Lynn was unforgivable.

Qin: Yeah no kiddng.

Camie: That version of Lynn was a heartless monster.

Laney: Yeah she sure was.

Varie: I hope she likes the Black Gates.

Nico: Yeah.

We later left the Simulator and told everyone what happened and more.

---

After Nico's rescue, Lincoln, Me, Ken Knudson, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, The Dynasty Warriors, The Samurai Warriors, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, The Demon Slayer Corps, The Saber Kamen Riders, and Tommy Oliver are heading to Canterlot, and not only is Lincoln going to rescue the four girls here, but we're also going to destroy Bloodwolf, the main antagonist of the Dreamworks series, The Adventures of Puss in Boots.

Lincoln: Whoa, we're here in Canterlot and I know what we're going to do here, not only am I going to rescue the four girls here, but we're also going to destroy Bloodwolf.

Nico: Puss told me about this beast: he's a very powerful and evil wolf demon from the Netherworld, who was banished there by the Great Mage, Sino.

Me: And since this is a werewolf-like demon we're dealing with, Linc, you know what that means?

Lincoln: (Smirks) You said it, J.D.

Lincoln let out a growl as chestnut brown fur begin growing on his abnormally massive and powerful muscular body with light brown fur growing on his massive and wide muscular pecs and eight pack abs and wolf muzzle, large brown pointed wolf ears grew on top of his head, his nails grew into claws, his deep sapphire blue eyes turned yellow with slit pupils, and his eleven massive, long, and powerful white werewolf tails with large black wolf heads for the tips sprouted out, and he let out a howl as he transforms into Lincoln the Nocturnal.

Lincoln: (Beastly Voice) There we go, now I'm more than ready for that beast. And thanks for joining us, Tommy.

Tommy Oliver: You're welcome, Lincoln. This is going to be one awesome adventure. I also hope that Princess Celestia and Princess Luna are okay.

Twilight Sparkle: They're okay, Tommy. As soon as word of Bloodwolf's appearance reached, they put Canterlot on high alert.

?: HEEEELLLLLLP!

Suddenly, Lincoln heard the sound of four girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the four girls, but they've been cornered by Bloodwolf, and he's going to kill them.

Lincoln: (Beastly Voice) Let's get over there at once, guys, I found the four girls, but they've been cornered by Bloodwolf, and he's going to kill them.

?: (Girl's voice) (Beastly Voice) That overgrown beast, let's get him.

Suddenly, we saw a female werewolf appear before us, she had a strong and voluptuous physique, long flowing chestnut brown hair, chestnut brown fur covering her body and long chestnut brown wolf's tail with lighter brown fur on her muzzle, chest, and stomach, and she was dressed in a black sports bra and black gym shorts.

Me: Whoa, who's the she-werewolf that came out of nowhere?!

Lincoln: (Beastly Voice) I'd recognize that she-werewolf and that voice from anywhere, I knew it was you, Rudina Adalwulf, but we'll talk later, we got a wolf demon to destroy.

We rushed on over, and Lincoln fired powerful rainbow energy balls and elemental forces at Bloodwolf, and that allowed the four girls to get to safety in a rainbow energy field created by Lincoln to protect them from Bloodwolf. When Bloodwolf saw us, he roared in rage.

Bloodwolf: How dare you get in my way, Team Loud Phoenix Storm?! I will destroy you all along with this pathetic world!

Lincoln: (Beastly Voice) You are not getting that chance ever, Bloodwolf, and now, it's time for you to die once and for all!

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they

unholster their massive swords, The Dynasty Warriors and Samurai Warriors got out their weapons, Lincoln's sisters transformed into their Super Angel Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Greatsword of Elemental Justice and Eternal Bravery from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Tommy Oliver, The Demon Slayer Corps, The Ghostforce, The Louds' Ancestors, The L-ementals, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their weapons, Rayman unholstered his massive Celtic Dream Glade's Greatsword of Celtic Dream Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Celtic Dream Glade Angel of Moonlight Justice and Celtic Dream Hope, and Me, Ken, Nico, Nicole, and Eli unholstered their massive swords and we transformed, and went after Bloodwolf, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, rainbow crystal, rainbow super lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, and mythological animals, and they exploded with incredible power as they hit him.

Then, Lincoln and Rudina slashed at Bloodwolf with razor-sharp claws and he was bleeding like crazy, and then, Lincoln put him in a brutal bear-hug so he couldn't escape, and then, Lincoln bit him on the neck with his fangs, and as he was drinking his blood, he was also absorbing Bloodwolf into his body, and he was also assimilating Bloodwolf's powers. Then, as Lincoln was done feeding on Bloodwolf's blood and absorbing the wolf demon into his body and assimilating his powers, an energy card with Bloodwolf's soul in it appeared in Lincoln's large left hand, and when the kanji appears on Bloodwolf's forehead, he was erased by The Black Gates. We cheered wildly as we holstered our weapons and powered down.

Lincoln: (Beastly Voice) Well, that's it for that beast. (To Rudina Adalwulf) And it's so good to see you again, Rudina Adalwulf.

Rudina Adalwulf: (Beastly Voice) You too, Lincoln, it's been a long time. Oh, you can change back now.

Lincoln: (Beastly Voice) Oh, right.

Lincoln changed back, and so did Rudina Adalwulf, and she was revealed to be a beautiful girl with a strong and voluptuous body, long flowing chestnut brown hair, yellow eyes, fair skin, she was tall at 6'6" in height, she was dressed in a black sports bra with a full moon and wolf howling on it and black sports shorts.

Lincoln then went up to Rudina Adalwulf and they hugged, and Rudina Adalwulf is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she still saw his vampire fangs and his massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his deeper manly voice.

Lincoln: It sure has, I haven't seen you when you were seventeen, and as you can see, I really grew a lot since then.

Rudina Adalwulf: Holy crap, whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and you now have massive white angel wings, that's so awesome. (Seductively and rubs her right hand on Lincoln's massive pecs) And I'm still getting used to seeing you like this, big, tall, muscular, and handsome.

Just then, Rudina Adalwulf slowly kissed Lincoln on the lips with both hands still on his massive pecs, and he returned the kiss as he wrapped his abnormally massive and powerful muscular arms around her waist and her chest pressed against his massive pecs and her body pressed against his massive, hard, and powerful muscular body.

Lincoln: (Growls Seductively) You're still the same seductive and tough as nails Guardian Werewolf Angel who still kicks the crap out of thugs and bullies, Rudina.

Me and Nico: What the?! Linc, you know this seductive bad-ass werewolf?

Lincoln: Indeed I do, Nico, this is Rudina Adalwulf, she's my Guardian Angel from Colorado and she protected me from bullies, especially from the wrath of Chandler, his goons, Pablo, Anderson, and Taylor at school and the demonic, heartless, out-of-control wraths of Lori, Lynn, Lola, Lisa, and Luan at The Loud House. She's a smart and cunning tough as nails street girl who knows how to fight, and she's taken on and gotten into fights with the meanest, nastiest, ugliest, and toughest thugs in Colorado and Michigan. Plus, as you saw, she's a werewolf who has all of the strengths and powers of a werewolf, but none of their weaknesses. She transformed right in front of me one full moon night, but I wasn't even scared in the slightest that she's a werewolf, and she knew I was a vampire, thanks to Adriana's blood, and that I also have powers, thanks to the blood of many of my fellow Guardian Angels. She also hates Lori, Lynn, Lola, Lisa, and Luan with a blazing passion, and it stemmed from one incident where I got stabbed by Lori, and Rudina had to save me by giving me her blood, and it also triggered a very powerful werewolf transformation in me, and we took down Lori, Lynn, Lola, Lisa, and Luan together. We also trained together in combat in both human and werewolf form and she also helped me greatly with his werewolf powers, and to show my thanks to her, we went to the beach at night, and we kissed underneath the full moon.

Me: What?! So, you had a Guardian Angel from Colorado, and who's also a tough as nails bad-ass werewolf?!

Lincoln: Yep. Do you know her?

Me: Oh yeah, and I also know her older sister, Carmen Adalwulf, and like Rudina, she's also taken on some of the meanest, nastiest, ugliest, and toughest thugs in Colorado. We would also team up and take down some of Colorado's dangerous criminals at night, and she's roughed them up numerous times. But, she also knew I was going to leave for Michigan, so she came to see me off and she gave me a kiss, which I also returned as well. (Realizes something) Wait, if you're here, Rudina, does that mean Carmen's also here too?

?: (Seductively) Why don't you turn around and see for yourself, big boy?

Suddenly, I turned around and I got ambushed by a tall girl who's at the same height as Rudina and with the same clothes, hair, and yellow eyes as she wrapped her arms around my thick muscular neck and she slowly kissed me on the lips, which caused my rainbow hair to stand like crazy and an atomic red blush appeared on my face, as I wrapped my abnormally massive and powerful muscular arms around her waist and her chest pressed against my massive pecs and her body pressed against my massive, hard, and powerful muscular body.

Me: Carmen Adalwulf, I always knew it was you all along.

Carmen Adalwulf: Looks like someone is real happy to see me again. Plus, I know that you also got a harem, J.D., and you can consider me in.

Just then, an Elemental Phoenix Necklace of Eternal Love appeared around Carmen Adalwulf's neck with midnight blue gems on the gold flame links and midnight blue crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Elemental Phoenix Necklace of Eternal Love.

Nico: Whoa, talk about a double reunion.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared around Rudina Adalwulf's neck with midnight blue gems on the gold thunderbolt links and midnight blue crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Elemental Thunderbird Necklace of Eternal Love, and her new Elemental Thunderbird Choker of Eternal Love appeared on her

neck.

Rudina Adalwulf: (Surprised) Lincoln, is this…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're part of my harem and one of my many future wives, Rudina.

Rudina Adalwulf had a smile on her face and tears in her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around Rudina Adalwulf's waist and Rudina Adalwulf wrapped her arms around Lincoln's thick muscular neck, and he leaned down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the four girls, and when Lincoln saw them, he recognized them immediately. The four girls are Toriko Nishina, Sorao Kamikoshi, Kozakura, and Seto Akari from Otherside Picnic.

Lincoln: Oh wow, it's Toriko Nishina, Sorao Kamikoshi, Kozakura, and Seto Akari from Otherside Picnic.

Rudina Adalwulf: And from what I heard, the girls in your harem are from video games, anime, and cartoons, so awesome!

Lincoln: Along with the many Guardian Angels, Rudina. Are you girls okay?

Toriko Nishina: Yes, we're okay, thanks to you.

Then, when Toriko Nishina and the other three girls saw who it was that saved them from Bloodwolf, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

He had his massive Hinon's Cosmic Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds holstered on his wider and muscular back, his large orange Crystal Saber, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Elemental Harmony on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac sign on the back of his neck and the Cygnus the Swan constellation and embedded Jewel of Gelel on the back of his massive left hand, large weighted gold bands on his massive biceps and thighs with silver phoenixes on them, large gold cuff Bracelets of The

Toriko Nishina: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made three clones of himself, and he and the three clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Toriko Nishina: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, four Thunderbird Necklaces of Eternal Love appeared on the necks of Toriko Nishina, Sorao Kamikoshi, Kozakura, and Seto Akari with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, and they also have on their new Elemental Thunderbird Chokers of Eternal Love on their necks too. We returned to the World Tree Estate, and they were shocked when they found out the villain we went after was Bloodwolf, an old enemy of Puss in Boots.

But, when Lincoln showed what he and Rudina Adalwulf did to that beast, everyone hugged us for what we did to that beast, and the girls in Lincoln's harem kissed Lincoln. Lincoln and Rudina Adalwulf have a lot of catching up to do, now that she's back in town, and the same goes with me and Carmen Adalwulf.

Maria: Whoa, so your Guardian Angel's a tough as nails bad-ass werewolf and her older sister's also like her?!

Lincoln: Yep, and Carmen Adalwulf also knew J.D. from long ago, and now, she's back again and now, she's in J.D.'s harem.

Varie: Indeed, and it's so good to see you again, Carmen.

Carmen Adalwulf: You too, Varie. Plus, I already know for the fact that you're also the famous J.D. The Nocturnal, it wasn't that hard to put two and two together.

Me: Heh, yeah, I should've known you'd put the two together.

I let out a growl as brown fur begin growing on my abnormally massive and powerful muscular body with light brown fur growing on my massive and wide muscular pecs and eight pack abs and wolf muzzle, large brown pointed wolf ears grew on top of my head, my eyes turned yellow with slit pupils, and my eleven massive, long, and powerful werewolf tails with large wolf heads for the tips sprouted out, and I let out a howl as I transforms into J.D. the Nocturnal. When Carmen Adalwulf saw me in that form, she had an atomic blush on her face and she immediately wrapped her arms around my waist and she nuzzled her head in my massive pecs, and I let out a seductive growl.

Then, I changed back, but she was still wrapped around my waist and her head was still on my chest.

Rudina Adalwulf: I should've guessed she'd be all over him if he transformed into his werewolf form.

Lincoln: This hadn't happened before. I still remembered when Luna and Sam were all over him when he transformed into J.D. The Nocturnal.

Luna: We didn't even help ourselves, dude.

Sam: Yeah, plus, it's still awesome to see you again, Rudina, still the same rocking, kick-butt, tough as nails werewolf chick and Guardian Angel of Lincoln?

Rudina Adalwulf: You guessed it, Sam.

Maria: And we can't wait to hear how you saved Lincoln when he got stabbed by Lori and through your blood, he transformed into a werewolf and you two wrestled down Lori, Lynn, Lola, Lisa, and Luan.

Rudina Adalwulf: Trust me, you're going to like hearing this tale.

* * *

After destroying Bloodwolf, we were training intensely in the gym, this time, doing 500,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Rudina Adalwulf saw Lincoln working out like crazy, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Rudina Adalwulf: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Rudina, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Rudina Adalwulf: That's incredible.

Nico: It sure is. So, Rudina, what's the story on how you and Lincoln took down Lori, Lynn, Lola, Lisa, and Luan when they went berserk?

Rudina Adalwulf: You're going to love seeing this one, instead of hearing it from my mouth.

Rudina Adalwulf put up the video of that incident and we saw it on the big screen TV. We saw she was at a sleepover over at The Loud House, and she and Lincoln were down in the living room watching AAARRRRGH! But, then, they heard the sounds of stampeding footsteps, and we saw who it was that made that stampede: it was Lori, Lynn, Lola, Lisa, and Luan, and they looked pissed as their eyes turned red with hate, and even worse, we saw that Lori had a huge kitchen knife in her hand, and we saw she was about to stab Rudina with it. But, Lincoln pushed her out of the way, and he got stabbed really hard in the stomach, and Lori continued to stab him. Rudina was about to help, but Lynn, Luan, Lisa, and Lola seized her and they forced her to watch as Lori was continuing to stab him and they were laughing demonically, and she was about to deliver the final blow to finally kill him, despite his superhuman regeneration, thanks to Adriana's vampire blood, and those five monsters had demonic grins on their faces. Rudina transformed into my werewolf form, and she grabs Lynn, Lola, Lisa, and Luan and tossed them at Lori, and they crashed into a wall. Knowing what the other Guardian Angels did, she held out her arm and Lincoln bit her arm and he drank her blood, and all the blood spilled by Lori went back into him.

Suddenly, he opened his eyes and his blood red eyes changed to yellow, and he began to change. He suddenly began growing five times taller in height, his already huge upper and lower body muscles grew even more larger and even more muscular than ever, which caused his orange pajama shirt to be shredded leaving him bare chested and his stomach still had eight-pack abs, his orange pajama pants had shredded into an orange pajama pants speedo, large chestnut brown wolf ears grew out of his head, a massive chestnut brown wolf's tail grew out of his backside, his nose changed into a black wolf's nose and he grew a muzzle, and his massive and muscular body was then covered in chestnut brown fur and light brown fur covered his muzzle, massive pecs, and eight-pack abs, his nails grew into claws, his white hair grew longer and even more wilder. He then got up, and he lets out a loud and powerful howl. Lincoln transformed into a werewolf, and Rudina Adalwulf had an atomic red blush on her muzzle when she saw the newly transformed Lincoln.

Me: Whoa!

Nico: Dang!

Rudina Adalwulf: (Smirks) If you thought that was cool, wait until you see the full show, guys.

We looked at the screen, and we saw the show was about to begin.

Lincoln: (Beastly Voice) **Rudina, thank you for what you did. But, we're not done yet, we still got to deal with these five demons.** (Smirks) **You ready?**

Rudina Adalwulf: (Smirks) You bet, Linky.

Lori, Lynn, Lola, Lisa, and Luan got out, and they were really pissed off, and they screamed in pure out-of-control rage, and they went after them, but Rudina and Lincoln began to fight them off. Lincoln grabs Lynn and wrestled her hard onto the ground and knocked her butt out, then, Rudina grabs Lisa and Lola and bashed their foreheads together and knocked them out, and Lincoln headbutts Luan and knocked her down and he body-slammed Lori into the ground. Lincoln tied Lori, Lynn, Lola, Lisa, and Luan with lunar blue energy ropes, and they were unable to move. We then saw Leni, Luna, Laney, Lucy, Lana, Lily, Lynn Sr., and Rita come down, and when they saw Lincoln as a newly transformed werewolf and Rudina in her werewolf form, and Lori, Lynn, Lola, Lisa, and Luan tied up, they knew those five did something bad again to Lincoln.

Luna: Dudes, what did those five do?

In the video, we saw that Lincoln explained what those five did and what Rudina did to save him, and it led to his new werewolf transformation. Needless to say, the others were mad.

Lynn Sr.: Lori, Lynn Jr., Lola, Lisa, and Luan Loud, you five are grounded for ten weeks for what you did! Now, get your butts down in the basement!

Lincoln: (Beastly Voice) **Let me, Dad.**

Lincoln lifted all five of them up with his really immense superhuman strength, and the rest of the family were stunned, and then, he tossed the five demon sisters into the basement.

Lynn Sr.: Wow, champ, we knew you were strong before, but this is on a whole brand-new level.

Luna: Yeah, dude, plus, you now look even more ripped than before.

Lincoln: (Beastly Voice) (Flexes his abnormally massive and powerful muscles) **You're right, Luna, I was ripped before, but now, I look like like a professional heavyweight bodybuilder, like the pros in the bodybuilding competitions.**

Rudina Adalwulf: (Beastly Voice) **You sure do, Linky.**

Lincoln: (Beastly Voice) **And I want to thank you for what you did in saving my life and helping me in taking down Lori, Lynn, Lola, Lisa, and Luan, Rudina. (Smirks) And there's one thing I**

**can think of.**

Lincoln, still in his werewolf form, went to Rudina Adalwulf, and he wrapped his abnormally massive and powerful muscular arms around her waist, and she wrapped her arms around his now wider and muscular fur-covered back and they kissed passionately as the full moon shined down on them, and everyone cheered for them. We saw it on the screen for ourselves, and then, we saw Lincoln change back to human form, but he still remained in the very same height as when he'd transformed into a werewolf, along with his now even more extremely muscular body, and orange pajama pants speedo Rudina also changed back to her normal form and she was in a black sports bra and black shorts as the video ends.

Eli: Now, that's really sweet.

Lincoln: Thanks, Eli. And we also trained together in both human form and werewolf form, and she helped me greatly with my werewolf powers, and to show my thanks to her, we went down to the beach and we kissed under the full moon.

Me: Whoa, so you're both a vampire and werewolf?! That's really awesome.

Nico: You said it, and she really helped you out with your werewolf powers, and when you got turned into Lincoln the Nocturnal, it's like your werewolf form merged with Lincoln the Nocturnal.

Lincoln: Yep, and as a result, my werewolf powers and abilities also gained a massive infinite-fold boost.

Me: Holy guacamole!

Rudina Adalwulf: I knew that would surprise you, J.D. Plus, Luna was right, Lincoln became even more ripped than ever, and to see him again, I know I ain't letting him out of my sights ever.

Girl Jordan: Same goes with all of us, Rudina.

We got a shower afterwards, and then, Lincoln, his harem, and his kids are getting ready to head to Mystery Land in the world of Mario, and they also have their weapons holstered, in case The Pony of

Shadows tries anything.

Lincoln: Alright, everyone, are we ready?

Thunder Sparkle: We're ready, Dad.

Lincoln, his harem, and his kids left The World Tree Estate, and when they arrive in Mystery Land, it's an awesome place with Mario-based parodies of real-life cryptozoological and historical mysteries.

Phoenix Shimmer: Whoa, Dad, what is this place?

Lincoln: This, Phoenix Shimmer, is Mystery Land.

Sunset Shimmer: I've heard about this place, it's an awesome place with Mario-based parodies of the real-life cryptozoological and historical mysteries, so awesome.

Lincoln, his harem, and his kids began exploring the place, and it was really awesome. Plus, they also took photos of the places there as well to show everyone when they got back. They also had lunch there as well, and then, Lincoln made clones of himself, and he and the clones went up to the girls in his harems, and they wrapped the girls in their abnormally massive and powerful muscular arms and the girls wrapped their left arms around the thick muscular necks of Lincoln and his clones, and they place their right hands on the massive wide and muscular left pecs of Lincoln and his clones, and Lincoln and the girls shared a passionate and romantic kiss and the kids cheered. Then, they came back home to The World Tree Estate.

Nico: Hey, Linc, how was your day?

Lincoln: It was so awesome, Nico, we went to Mystery Land in the world of Mario.

Nicole: The place with Mario-based parodies of real-life cryptozoological and historical mysteries?!

Lincoln: The very one.

Lincoln showed the pictures of the places in Mystery Land, and they were indeed based on the real-life cryptozoological and historical mysteries.

Me: Whoa.

Nicole: You said it, Dad. The places here were based on the real-life cryptozoological and historical mysteries in the world, that's really awesome.

Rudina Adalwulf: It was so awesome going on a date with Linky yet again, and we went exploring in a different world.

Nico: Lincoln's planned a lot of dates before, Rudina, and now that you're back in town, you're up for one awesome round of dates with Lincoln, and they're endless, same with J.D. and his harem.

Carmen Adalwulf: I hope the next date we have is down at a beach. (Seductively) 'Cause I got a two-piece bikini I've been dying to wear, and I also got a speedo with your name on it, J.D.

My face turned atomic red and my nose was bleeding.

Me: Carmen, you sneaky werewolf.

Lincoln: Didn't see that one coming.

Rudina Adalwulf: I hope it's a double date, Carmen. (Seductively) 'Cause I also got a two-piece bikini I've been dying to wear, and I also got a speedo with Linky's name on it.

Lincoln's face turned atomic red and his nose was bleeding.

Lincoln: Rudina, you sneaky werewolf.

Carmen and Rudina Adalwulf: Sorry, boys. But, you know how we play when it comes to love.

Me: Even after all this time, Carmen still knows every trick in the book to get me blushing like crazy.

Lincoln: Same with Rudina.

Nicole: Well, can you blame them? You and Dad are among those who are known ladies' men and you know how to charm ladies.

---

At Sweet Apple Acres we were there for some awesome farm work and more.

Misty (Pokémon): Applejack, you and Andy are up for bonding time.

Applejack: YEEHAW! This is gonna be great.

Apple Bloom: It'll be awesome spending time together.

Me: And the next batch of apples is ready for harvesting too.

Big Mac: Eeyup.

Andy Johnson: This is gonna be so awesome!

Laney: Yeah it is!

Rodney: It's gonna be so awesome helping around the orchard.

Andy: Applejack, me and Rodney's lives were pretty boring until we met you.

Applejack: (Laughs) Aw shucks. But I'm glad y'all are happy with me now.

Camie: They are more than just happy.

Nico: Yeah.

Me: They sure are.

POW!

I punched a tree and got all the apples off of it and into some big buckets.

Twilight used her magic and got all the apples off many trees into a bunch of huge buckets.

May: You two still had some exciting adventures even before meeting us.

Andy Johnson: We sure did and those were awesome.

Applejack: Yeah they were.

Lola: Yeah those were cool.

Me: And Hibiki and Uta kicked the crap out of Kyle.

Uta: We sure did.

Andy: I'm not even gonna ask where he got the robot.

Me: Some things are best left unsaid.

Nico: Yeah. I wonder how that buttface is doing?

On Charon, Kyle was with a bunch of kids watching a silly boring kids movie.

Mr. Rogers: It's okay to feel sad.

The kids hated it.

Kyle: AAGGHH TURN THIS CRAP OFF!

Horsea was about to eat an apple.

Maria: Horsea I know you're hungry but we'll eat later.

Horsea: Aw man.

Qin: Besides we'll have plenty pf time to eat soon.

Camie: Also this is fun though.

Poliwag whistled innocently while placing an apple behind his back.

Nico: Poliwag put that apple back. We'll eat later.

Poliwag: Aw man.

Varie: Work first eat later as I say.

Nico: (to Poromon and Manaphy) If you two are hiding any apples, show them right now.

Poromon: Aw man.

They showed lots of apples.

Me: Geez.

We were still working.

Maria: These are a lot of apples.

Nico: Boy there sure are.

Eli: Yeah there are.

Nico: Yep.

William: Let's still keep an eye out for any suspicious activity.

Nico: Right.

Eli: Wait I sense something.

Me: Zodiart attack?

Eli: Yep.

Then a figure came out and we saw that it was a whale Zodiart. It was the Zodiarts for CETUS THE SEA MONSTER!

Me: The Cetus Zodiarts!

Qin: Wow! We haven't done that one yet.

Applejack: This will be interesting.

Cetus Zodiarts: (In a girls voice) Especially with who was turned into this.

Then she reverted back and to our shock and amazement it was really A RAPIDASH CENTAUR! She had fire hair and a horn protruding from the middle of her forehead.

Eli: Whoa! A Rapidash Centaur!

Me: Hanaka Cetus!

Hanaka Cetus: Good to see you again J.D.

Nico: Whoa! A Pokemon Centaur?

Me: She's a Rapidash Gene-slammer gone wrong.

Hanaka Cetus: That's right. I was slammed with a Rapidash but I became a centaur for that Pokemon and I was given amazing powers over fire and my speed of a Rapidash was enhanced 100-fold.

Sakura Valencia: That's incredible!

Qin: Yeah it sure is!

Armada Cyclonus: You know we can cure you, right?

Hanaka Cetus: Actually I don't mind being like this. I've always dreamed of being like a centaur since I was a child. And I love it. I wasn't expecting the Fire Powers though. But it's so awesome being this way.

Laney: I think this is cool though.

Varie: Boy it sure is.

Hanaka Cetus: I like this too. It's just that being the Cetus Zodiarts was not what I had in mind.

Applejack: Well that's all right.

Maria: Now THAT we can cure you of.

Applejack: Let me, Apple Bloom and Andy handle that.

Me: Well since it's your Bonding session we'll let you have a shot.

Applejack: Thank y'all kindly.

Apple Bloom: Lets do it!

Andy Johnson: Yeah!

Hanaka Cetus: Come at me!

She turned into the Cetus Zodiarts!

Applejack: Time for the Vreedle Brothers!

Apple Bloom: And Frozen Fright!

Andy Johnson: And TTG Squirrel and Ooo Squirrel!

They activated said Ridewatches.

Applejack, Apple Bloom and Andy: HONESTY SUPER BURST!

They fired waves of energy and the blasts all hit Cetus Zodiarts and she exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOM

She was still standing but she was dizzy and I caught the switch and purified it and it turned into a Sword of Cetus!

Hanaka Cetus: (Groans) Whoa dizzy. But that was awesome!

Varie: Boy it sure was!

Applejack: YEEHAW!

Powerglide: That was quick.

Me: And all it took was a combo. Great job guys!

Qin: Yeah that was cool.

Camie: It sure was.

Lola: Yeah! And Hanaka you look awesome like this. I agree with J.D.

Nico: I do too.

Hanaka Cetus: Thank you guys. I'm glad too.

Applejack: How would y'all like some pie before we get ready for our big mission today.

Me: Good idea.

Applejack: Me and Kristina made a bunch of pies before y'all came over.

Kristina Whendolla came out with a cart.

Me: Oh boy!

We went and tried some great pies and they were apple and pear pies.

Me: (Eating) Mmm! Man these are delicious!

Nico: I haven't had one of Kristina's pies in a long time.

Applejack: You were not kidding Nico. She makes really great pies.

---

We later arrived back at the estate.

Diamond Tiara: Why couldn't I have come over to your place more often in the past?

William: You really want a list of reasons?

Diamond Tiara: Sure.

William: Well it's got to do with how you were a bully in the past and how you hurt Apple Bloom a lot.

Diamond Tiara: Oh I see your point.

Nico: But anyway it's time for us to get ready for our next mission. I got a call from Mystery Inc. And they told us that they are at a hotel that's haunted.

Me: A Haunted Hotel?

Qin: Wow.

Me: What's the Hotel called?

Nico: The Good Son Inn.

Ariana the Banshee: So we're going to the hotel that was where my archenemy came from.

Nico: Yep.

Laney: I have a feeling this is gonna be good.

Then Killer Croc, Bane, Black Lance, MetalSeadramon, David Cain, Stratos, Gentleman Ghost, Evil Star, Key, and Madame Masque appeared.

Killer Croc: Can me, Bane, Black Lance, MetalSeadramon, David Cain, Stratos, Gentleman Ghost, Evil Star, Key, and Madame Masque go with you guys?

Nico: Yes you all can.

Qin: I have a feeling this one is going to have a culprit that I remember from learning about in our museum.

Nico: Your suspicions may be right on Qin.

Qin: Yeah.

Chris Taylor: My awesome girlfriend is a smart cookie.

Smart Cookie: Like me.

Chris Taylor: Oh metaphorically speaking.

Smart Cookie: (LAUGHS) Sorry about the mixup but yeah.

Discord: By the way Nico which gene-slammer are you hoping to go for next?

Nico: I'm glad you asked Discord. I'm hoping to go for a Mega Zapdos Gene-slammer next. Since we already covered the first of the mega versions of the 3 Legendary Birds we'll go for the 2nd one.

Varie: Awesome!

Black Lance: Let's get going.

Me: The hotel is located in Vermont and it's cold up there so we'll need to get bundled up.

Nico: Good idea.

We went and got our winter coats and jackets.

Nico: Okay now we're ready.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure was: it was none other than The Pony of Shadows, and he's absolutely furious that Bloodwolf has been destroyed forever, and he's now heading here to kill us all and get his revenge. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is The Pony of Shadows on the move?

Lincoln: You guessed it, Nico, and he's furious that Bloodwolf has been destroyed forever, and he's now heading here to kill us all and get his revenge.

Me: Should've known that dark shadow pony would eventually make his move.

Loreena McKnight: You said it. But, now, this'll give us the perfect opportunity for us to put an end to the monster that Stygian turned into when the thoughts of betrayal corrupted him.

Star Swirl the Bearded: Indeed, I'm looking forward to making that monster pay for corrupting my apprentice long ago.

Nico: We'll make sure that monster pays for what he's done, and he'll be destroyed by the light of good. Alright, gang, let's go, we got word Mystery Inc. is there to solve the mystery of The Ghost of Mother Stanley.

Lincoln: Let's give them a hand and solve the mystery of The Ghost of Mother Stanley, and Pony of Shadows, you better be ready, because The Champions of Sorcery will bring a permanent end to your thousand-years of dark terror.

Carmen Adalwulf: If Mystery Inc.'s there, I'm sure I can give Shaggy a good old scare again.

Nico: Carmen, don't even think about it.

Erica Haddock: Yeah, and me, J.D., and Lincoln are the enforcers of Mystery Inc, and we have to make sure that everyone's involved in solving mysteries, especially dragging those two chickens along.

Rudina Adalwulf: Don't worry, I'll keep an eye on my sister to make sure she doesn't do that.

Lincoln: Thanks, Rudina.

We were off to Vermont.

---

THE GOOD SON INN, MONTPELLIER, VERMONT

---

We were over Vermont.

Wave Man: I hope it's not too cold.

Nico: We're here.

We arrived at the Good Son Inn and it was 19˚Fahrenheit.

Me: Not nearly as cold as some places we went to.

Eli: Yeah.

Me: But this hotel looks like a nice place.

We landed and saw the Mystery Machine.

Nico: There's the Mystery Machine.

Qin: Yep. This looks like a job for…

She spun around and donned an awesome green Detective hat and a green trench coat.

Qin: Shadow Komodo.

Rarity: Oh that is a great outfit Qin.

Qin: I based it off of Shadow Spade like what you read Rarity.

Slash Man: Sure Scalebreath approves?

Qin: He said he does. He likes mysteries too.

Nico: Cool.

Qin: And I've been getting into learning about mysteries like Mystery Inc has over the years and it's so fun.

Nico: Awesome. Well lets get to work.

We went in and saw Mystery Inc.

Fred: Glad you guys could make it.

Qin: We wouldn't miss this for anything.

Shaggy: Like love the outfit Qin.

Qin: In this kind of situation I'm known as Shadow Komodo.

Velma: That's a great detective name for you Qin.

Qin: Thanks. Now if we want to get to the bottom of this mystery we need to go over what you guys found out so far.

David Cain: We should invite Black Knight Ghost as well.

Nico: Good idea.

David called him.

Black Knight Ghost: Love a good mystery. Good call.

We went up to the desk and there was a sign by the bell.

Me: " Good Boys Ring the Bell for Service." Oh.

I rang the bell.

Jack Stanley: Yes?

Me: Oh we're sorry to bother you like this.

Jack Stanley: Oh Team Loud Phoenix Storm. That's quite all right. What can I do for you all?

Qin: We would like to ask you a couple of questions about what has been happening here at your hotel today if we could please.

Jack Stanley: Certainly. This hotel was given to me after Mother died.

He told us that the Ghost of Jack's mother was haunting the place and he doesn't know why.

Qin pulled out a notepad on what Mystery Inc. had learned so far.

Cindersaur: We are truly sorry for your loss.

Jack Stanley: Oh I appreciate that thank you.

Me: You're welcome.

Jack Stanley: I've been having a lot of problems with the ghost of mother coming.

He told us that the ghost of Jack's mother has been haunting the hotel and driving guests away that broke the rules and making business terrible. It was strange. Qin wrote down notes on what he told us.

Qin: I see. Thank you for your time on that.

Jack Stanley: You're welcome.

Me: Do you know of anyone that may want to pose as your mother to drive you out of business?

Jack Stanley: I'm sorry. No one I can think of.

Me: Hmm.

Qin: We'll have to look for some clues if that is all right with you.

Jack Stanley: Of course.

Qin: Thank you.

Jack Stanley: The only ones I can think of have already been killed by the Black Gates thanks to you all.

Gentleman Ghost: Don't be TOO comfotable. New villains arrive every day.

Me: And we have a huge war coming up in 13 days.

Nico: Yes we sure do.

Jack Stanley: I see. Well I wish you guys the best of luck in winning that one.

Key: If there are any locks involved here, I can open them.

Nico: Great.

Qin: Lets get to work.

Me: And Trixie, Lincoln it's going to be your time to shine today.

Trixie Lulamoon: Awesome.

Lincoln: Looking forward to this.

Trixie Lulamoon: This is gonna be an awesome mystery for The Great and Powerful Trixie!

Camie: The Great and Powerful Trixie?

Me: Trixie Lulamoon is a magician and she uses that title in everything.

Camie: Cool.

Broccoli Guy: Well, I'm gonna see if there's food. Anyone wanna come with?

Shaggy: Like I do.

Scooby Doo: Me too.

Broccoli Guy: I had a feeling you would.

Me: (Sighs) You 2 chickens are always hungry.

Qin: Yeah.

Madame Masque: The rest of us should split up.

Qin: Agreed.

Windsweeper: Nothing to do except search for more clues.

Qin: Right. Thank you Jack.

We got to work.

We split up and turned on our radios and then some of us went into the cellar and found a big light S and it had something big to it. Me and Eli went into room 455 objecting to the sign that said "Good Boys Don't Go Into Room 455" and we looked around and heard Opera Music.

Me: Opera Music?

Eli: Ultra Humanite would love that.

He turned it off. Then he heard Muffled Yelling and went to a bathroom. He opened a door and found a man tied up and gagged.

Eli: (Gasp) Oh man!

Eli and me untied up.

Me: Sir are you all right?

Reggie (BCSD): Yeah thanks to you. An imposter dressed up like me tied me up.

Me: Oh man.

Eli: I sensed something suspicious about that version of you here.

Me: Hmm.

Buzzerbeak squawked at this in alarm.

Me: My thoughts exactly Buzzerbeak. (To everyone on the radio) J.D. to Nico do you copy?

Nico: (On the radio) Nico here.

Me: Come up to Room 455. We have something here.

Nico: On our way.

Everyone came up and they saw Reggie.

Reggie (BCSD): Thank goodness J.D. and Eli saved me.

He told us everything about the imposter that was impersonating him and how he was tied up and gagged.

Wendy Koopa: And these are?

Me: A bunch of offer letters to Jack. From the Castaways Resort

Hotel.

Nico: (Reading)

"Dear Jack,

We're now pleased to increase our initial offer by 25%, raising the total bid to roughly 200% of the current estimated value of The Good Son Inn. Please contact our manager to discuss the exciting details of our purchase of your fine hotel.

You'll be glad you did.

Sincerely yours,

The Management and Staff of Castaways Resort Hotel."

Eli: Hmm.

Varie: Very interesting.

Camie: But knowing someone like Jack he would never do that.

Qin: That is right because he is truly devoted and loyal to his mother.

Trixie Lulamoon: Very interesting.

Stratos: Things are getting interesting.

Nico: They sure are. But just as a last minute precaution we'll need to get some confirmation.

Sparkstalker: And that would be for what boss?

Nico: To call the M.O.E. and confirm that the Ghost of Mother Stanley that we're dealing with is an imposter.

Ariana the Banshee: Good idea.

Fangry: I'll call them right now.

Fangry did so.

Fangry: Hello Vypra, Fangry here. We're over at the Good Son Inn in Montpellier, Vermont.

Vypra: What's going on?

Fangry explained the situation.

Vypra: That can't be right. The Ghost of Mother is over in an orphanage caring for children there.

Fangry: Oh man. She's over at an orphanage? Okay. Thank you.

Vypra: Go get that fake.

Fangry: With pleasure.

He told us everything.

MetalSeadramon: Well, that confirms it. We're dealing with a fake.

Qin: (Puffing a bubble pipe) Indeed we are.

Nico: Yep. But from the clues we gathered we need to figure this out.

Qin: (Puffing bubbles) Elementary my dear Nicolas, it's simple. To force Jack here to sell the hotel and go out of business.

Nico: Exactly Qin.

Burner Man: Entrance time!

Me: First we got to bring the ghost here. And I know how to do it. Good thing during my leadership days I was sort of a rebel.

I stood in the hall by Room 455 and waited and then I sensed someone behind me and heard tisk tisk tisk noises.

Me: Okay "MOTHER" come and get me.

I went into the room anyway and she came after me and then as she came in the door closed and then the spirits of good mothers appeared and swirled around her and the converged and the area turned into the planet Sangurahua and then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above the ghost of Mother Stanley and then a phoenix cry was heard and we appeared.

Ariana the Banshee: Okay no one impersonates my archenemy and gets away with it!

The Ghost of Mother Stanley roared!

Bane: (Spanish Accent) How would you like your back? Broken in half? Or broken in pieces?

Ghost of Mother Roared.

Me: Looks like we do this the hard way.

Qin: Yep.

Trixie Lulamoon: And this bad mother imposter is going to face the wrath and power of The Great and Powerful Trixie!

Lincoln: And Lincoln!

Starlight Glimmer: And don't forget Trixie's Great and Powerful Assistant!

Me: Yeah!

Then Tala, Ranamon, See More, Cluemaster, Dr. Polaris, Trap Jaw, Tri Klops, Gramma Stuffum, Cheshire, and Pyros appeared.

Nico: Tala, Ranamon, See More, Cluemaster, Dr. Polaris, Trap Jaw, Tri Klops, Gramma Stuffum, Cheshire, and Pyros.

Tala: (to Nico) So, Qin treated you like Holmes treats Watson, eh?

Nico: I don't mind it.

Ranamon: Oh, we're not complaining, sugah.

See More: We actually think it's touching.

Me: I thought it was really inspiring and fitting for this.

Cluemaster: We heard you fought Evil Lynn again.

Nico: Yep.

Dr. Polaris: After what she pulled a couple of years ago, she deserved it.

Me: You got that right.

Lynn: Yeah.

Ruby Dragon then appeared for another round.

Me: Another round Ruby Dragon?

Ruby Dragon: Yep.

Qin: Cool.

William: So, is Dragon War a real card game?

Ruby Dragon: It is. But you're better off asking the Blue Ranger about it.

Ethan James: You guys would love it.

Me: I have a feeling it will be awesome to play.

Nico: Yep.

We got the battles underway.

Stacy Bolton: Yeah that was intense! And Prypiatosian-B's are living beings made of pure atomic energy.

Rainbow Dash: Yeah thank goodness no one was hurt from all that radiation.

Scootaloo: That would not be a good thing.

Whirlwind: It sure wouldn't.

Pipsqueak: (British Accent) It sure was and it was a fun one too.

Sunburn: It was really awesome taking him down too.

Bianca Delhi: Yeah it sure was.

Aang, Rarity, Sweetie Belle, Water Skylanders, Harpie Queen, Flamefeather and Cindersaur VS Arthur Brown A.K.A. Cluemaster - Meeting a Werewolf Guardian Angel

Core Medals: Cluemaster, Evil Desert Man and Skyfire (RID 2001)

Fullbottles: Cluemaster and Evil Desert Man

* * *

Cluemaster was next.

Cluemaster (to Aang): I heard you guys met a Werewolf Guardian Angel. What's her name?

Aang: Her name is Rudina Adalwulf.

Rarity: And she is an amazing werewolf.

Sweetie Belle: Yeah and her story is incredible. Except she showed us with a video of it.

* * *

Rudina Adalwulf: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Rudina, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Rudina Adalwulf: That's incredible.

Nico: It sure is. So, Rudina, what's the story on how you and Lincoln took down Lori, Lynn, Lola, Lisa, and Luan when they went berserk?

Rudina Adalwulf: You're going to love seeing this one, instead of hearing it from my mouth.

Rudina Adalwulf put up the video of that incident and we saw it on the big screen TV. We saw she was at a sleepover over at The Loud House, and she and Lincoln were down in the living room watching AAARRRRGH! But, then, they heard the sounds of stampeding footsteps, and we saw who it was that made that stampede: it was Lori, Lynn, Lola, Lisa, and Luan, and they looked pissed as their eyes turned red with hate, and even worse, we saw that Lori had a huge kitchen knife in her hand, and we saw she was about to stab Rudina with it. But, Lincoln pushed her out of the way, and he got stabbed really hard in the stomach, and Lori continued to stab him. Rudina was about to help, but Lynn, Luan, Lisa, and Lola seized her and they forced her to watch as Lori was continuing to stab him and they were laughing demonically, and she was about to deliver the final blow to finally kill him, despite his superhuman regeneration, thanks to Adriana's vampire blood, and those five monsters had demonic grins on their faces. Rudina transformed into my werewolf form, and she grabs Lynn, Lola, Lisa, and Luan and tossed them at Lori, and they crashed into a wall. Knowing what the other Guardian Angels did, she held out her arm and Lincoln bit her arm and he drank her blood, and all the blood spilled by Lori went back into him.

Suddenly, he opened his eyes and his blood red eyes changed to yellow, and he began to change. He suddenly began growing five times taller in height, his already huge upper and lower body muscles grew even more larger and even more muscular than ever, which caused his orange pajama shirt to be shredded leaving him bare chested and his stomach still had eight-pack abs, his orange pajama pants had shredded into an orange pajama pants speedo, large chestnut brown wolf ears grew out of his head, a massive chestnut brown wolf's tail grew out of his backside, his nose changed into a black wolf's nose and he grew a muzzle, and his massive and muscular body was then covered in chestnut brown fur and light brown fur covered his muzzle, massive pecs, and eight-pack abs, his nails grew into claws, his white hair grew longer and even more wilder. He then got up, and he lets out a loud and powerful howl. Lincoln transformed into a werewolf, and Rudina Adalwulf had an atomic red blush on her muzzle when she saw the newly transformed Lincoln.

Me: Whoa!

Nico: Dang!

Rudina Adalwulf: (Smirks) If you thought that was cool, wait until you see the full show, guys.

We looked at the screen, and we saw the show was about to begin.

Lincoln: (Beastly Voice) Rudina, thank you for what you did. But, we're not done yet, we still got to deal with these five demons. (Smirks) You ready?

Rudina Adalwulf: (Smirks) You bet, Linky.

Lori, Lynn, Lola, Lisa, and Luan got out, and they were really pissed off, and they screamed in pure out-of-control rage, and they went after them, but Rudina and Lincoln began to fight them off. Lincoln grabs Lynn and wrestled her hard onto the ground and knocked her butt out, then, Rudina grabs Lisa and Lola and bashed their foreheads together and knocked them out, and Lincoln headbutts Luan and knocked her down and he body-slammed Lori into the ground. Lincoln tied Lori, Lynn, Lola, Lisa, and Luan with lunar blue energy ropes, and they were unable to move. We then saw Leni, Luna, Laney, Lucy, Lana, Lily, Lynn Sr., and Rita come down, and when they saw Lincoln as a newly transformed werewolf and Rudina in her werewolf form, and Lori, Lynn, Lola, Lisa, and Luan tied up, they knew those five did something bad again to Lincoln.

Luna: Dudes, what did those five do?

In the video, we saw that Lincoln explained what those five did and what Rudina did to save him, and it led to his new werewolf transformation. Needless to say, the others were mad.

Lynn Sr.: Lori, Lynn Jr., Lola, Lisa, and Luan Loud, you five are grounded for ten weeks for what you did! Now, get your butts down in the basement!

Lincoln: (Beastly Voice) Let me, Dad.

Lincoln lifted all five of them up with his really immense superhuman strength, and the rest of the family were stunned, and then, he tossed the five demon sisters into the basement.

Lynn Sr.: Wow, champ, we knew you were strong before, but this is on a whole brand-new level.

Luna: Yeah, dude, plus, you now look even more ripped than before.

Lincoln: (Beastly Voice) (Flexes his abnormally massive and powerful muscles) You're right, Luna, I was ripped before, but now, I look like like a professional heavyweight bodybuilder, like the pros in the bodybuilding competitions.

Rudina Adalwulf: (Beastly Voice) You sure do, Linky.

Lincoln: (Beastly Voice) And I want to thank you for what you did in saving my life and helping me in taking down Lori, Lynn, Lola, Lisa, and Luan, Rudina. (Smirks) And there's one thing I can think of.

Lincoln, still in his werewolf form, went to Rudina Adalwulf, and he wrapped his abnormally massive and powerful muscular arms around her waist, and she wrapped her arms around his now wider and muscular fur-covered back and they kissed passionately as the full moon shined down on them, and everyone cheered for them. We saw it on the screen for ourselves, and then, we saw Lincoln change back to human form, but he still remained in the very same height as when he'd transformed into a werewolf, along with his now even more extremely muscular body, and orange pajama pants speedo Rudina also changed back to her normal form and she was in a black sports bra and black shorts as the video ends.

Eli: Now, that's really sweet.

Lincoln: Thanks, Eli. And we also trained together in both human form and werewolf form, and she helped me greatly with my werewolf powers, and to show my thanks to her, we went down to the beach and we kissed under the full moon.

Me: Whoa, so you're both a vampire and werewolf?! That's really awesome.

Nico: You said it, and she really helped you out with your werewolf powers, and when you got turned into Lincoln the Nocturnal, it's like your werewolf form merged with Lincoln the Nocturnal.

Lincoln: Yep, and as a result, my werewolf powers and abilities also gained a massive infinite-fold boost.

Me: Holy guacamole!

Rudina Adalwulf: I knew that would surprise you, J.D. Plus, Luna was right, Lincoln became even more ripped than ever, and to see him again, I know I ain't letting him out of my sights ever.

Girl Jordan: Same goes with all of us, Rudina.

FLASHBACK ENDS

Cluemaster: Wow! That is amazing! I'm happy for Lincoln to have an amazing werewolf for a guardian angel.

Gill Grunt: Boy no kidding. That is awesome.

Harpie Queen: I'll say. Lincoln knows so many awesome friends and Guardian Angels.

Trap Jaw: That's the end of that mystery.

Tri Klops: And the hotel isn't too badly damaged.

Gramms Stuffum: Thank goodness for that.

Me: That's because we were here on Sangurahua.

Cheshire: Now, one last finishing touch.

Pyros: And that's to find out who this dirtbag is!'

Me: The culprit is really…

I pulled off the mask and it was really Jack's Estranged brother JOSH STANLEY!

Qin: Josh Stanley!

Jack Stanley: Josh!?

Me: Yep. Your estranged brother Josh.

Velma: This whole scheme was a family affair that broke all the rules. When we first arrived at The Good Son Inn, Jack only mentioned his Mother leaving the hotel to him.

Fred: But when I saw Jack upstairs he used the term "we." The truth is, the hotel was left to both Jack and his brother Josh, but the difference between them was that Josh hated Mother's rules and resented Jack for enforcing them after she was gone. So Josh forfeited his half of the business and took off, although contrary to his departure, Josh was still desperate to own The Good Son Inn, but by his rules.

Velma: The stack of offer letters that we found was from The Castaway's Resort Hotel, and that castaway was none other than Josh himself. He'd use his experience to start his own successful hotel business which earned him enough money to buy The Good Son Inn. But loyal to his mother, Jack wouldn't sell. Frustrated, the castaway had to resort…

Scooby Doo: Well played.

Velma: to extreme measures. By infiltrating the hotel disguised as Reggie so he could move freely about the grounds while haunting guests as the ghost of Mother as needed. He held the real Reggie captive in room 455, where he knew Jack would never enter.

Fred: Because good boys don't enter room 455, which I discovered while investigating the strange music and loud noises from behind the door. So as guests arrived and broke the rules, the ghost of Mother would scare them away all just to drive down profits and force Jack to sell.

Shaggy: But like what about the big S we found?

Fred: Ah well that's the biggest clue of all. This was originally The Good SONS Inn. Plural. But when Josh left the hotel, Jack removed the second S to reflect how mother would have felt. There was only one good son left.

Josh Stanley: And I would have gotten away with it if… Well, actually, that's the problem. I've never gotten away with anything.

Jack Stanley: Please, Josh. Good boys don't yell in the house.

Josh Stanley: Aaargh. These meddling rules.

Me: Well now you're looking at a whole new set of rules, while you're spending 30 to 60 years in prison.

Nico: Yeah.

We were back in the hotel.

Me: Get him outta here.

The cops took him away.

Me: Have fun rotting in prison for the rest of your life, you insufferable monster.

Nico: And don't you come back, you bastard! Awesome job, guys, that's another mystery solved and another bad guy's heading for the slammer. But, we're not done yet, there's still The Pony of Shadows to deal with, and that shadow pony should be arriving… right now!

Stygian: I hoped never to hear that dark voice again. You can come out now, Pony of Shadows.

We saw a tornado of darkness suddenly form, and when the tornado of darkness disappeared, in its place stood The Pony of Shadows.

Star Swirl the Bearded: The monster that my apprentice turned into.

Stygian: And the very one who poisoned my mind with thoughts of betrayal. I thought I'd never see you again after we vanquished you.

Pony of Shadows: You have ruined my plan to finally destroy you all, that wolf demon failed when I freed him from The Netherworld, and now, I will make every last one of you suffer!

The Pony of Shadows was about to attack, but Loreena McKnight fired a blast of dark blue energy with light, and it hit and burned The Pony of Shadows.

Pony of Shadows: Who do you think you are to get in my way, foolish mortal?!

Loreena McKnight: Someone who refuses to stand here and let you hurt my friends, you corruptive monster. (Dark blue energy aura flares up) I am Loreena McKnight, Champion of Star Swirl the Bearded, one of the Legendary Pillars of Equestria and Unicorn of Sorcery, and one of the 27 girls chosen by The Elements of Harmony to be The Champion of Sorcery.

This horrified The Pony of Shadows badly.

Pony of Shadows: Impossible, The Champions of Harmony have returned?!

Suddenly, Loreena McKnight's blue eyes turned neon blue, and she was surrounded by a dark blue energy aura with Alicorns, magic, and sorcery, she unholstered her massive Sword of The Champion of Harmony, and as she approached The Pony of Shadows, she left dark blue energy, Alicorns, magic, and sorcery with every step.

Loreena McKnight: Pony of Shadows, I will never forgive you for the crimes you committed against Equestria a thousand years ago. You are nothing more than a vile monster who's heart is as black as the night itself, and what you also did in corrupting Stygian with thoughts of betrayal, I will see to it that you receive the ultimate punishment for your crimes: death!

Suddenly, Loreena McKnight was surrounded by a massive vortex of dark blue energy with magic and sorcery surrounding it, there's an Alicorn flying around the vortex, and in the vortex is a blue phoenix. Then, as the vortex faded, Emily Magica emerged, but she was changed forever.

Suddenly, Loreena McKnight felt a sharp pain on her back, and then, massive dark blue angel wings with blue tips on the dark blue feathers, grew and sprouted out from her back. Loreena McKnight has on her Ring of the Phoenix with large dark blue gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger.

Suddenly, Loreena McKnight's massive Sword of The Champion of Harmony and all of the swords she'd gotten began merging together, and they were surrounded by a kaleidoscope of dark blue energy, sorcery, magic, and Alicorns, and when it emerged, it was transformed into Star Swirl the Bearded's Alicorn Greatsword of Sorcery Friendship and True Sorcery Justice, it's a brand-new massive greatsword with a 7'0" massive, wide, double-edged dark blue blade with the cutie mark of Star Swirl the Bearded etched on the blade, large gold Alicorn heads for the crossguard, large dark blue gem embedded in the rainguard, longer black handle, and large gold Alicorn heads with dark blue gems for eyes and a large dark blue gem on the bottom of the heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with dark blue gems on her wrists, her Belt of Elemental Bravery with an Alicorn for the belt buckle and dark blue gems for the eyes and a large dark blue gem in its collar for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of

We were amazed by Loreena McKnight's Super Angel-Alicorn Eternity Infinity transformation, but when The Pony of Shadows saw it, the dark pony fired a blast of darkness at her, but she deflected it with her Elemental Shield of Harmony and she fired a powerful dark blue energy blast with Alicorns, magic, and sorcery at the dark pony, and it exploded with incredible power as it hit it, but it's not out yet.

Nico: Awesome, Loreena McKnight's transformed.

Ken Knudson: And now, it's Star Swirl the Bearded's turn to transform.

Star Swirl the Bearded has transformed into SUPER ANGEL-ALICORN ETERNITY INFINITY MAGIC SORCERY FRIENDSHIP ALICORN ANGEL OF DIVINE MAGIC SORCERY FRIENDSHIP AND DIVINE SORCERY HOPE!

We were amazed by Star Swirl the Bearded's Super Angel-Alicorn Eternity Infinity transformation, but when The Pony of Shadows saw it, the dark pony fired a blast of darkness at Star Swirl to kill him, but Star Swirl the Bearded deflected it with a magic shield he made with his horn, and he fired a powerful dark blue energy blast with magic, Alicorns, and sorcery from his new mage's staff, and it hits The Pony of Shadows and burned him, but he's not out yet.

Twilight Sparkle: Incredible, Star Swirl the Bearded's transformed!

Nico: That's so awesome! Now, I can't wait to see the rest of The Pillars of Harmony transform as well.

Star Swirl the Bearded: (Divine Echoing Cosmic Voice of The Sorcery Friendship Alicorn and Divine Sorcery Magic Hope) **That'll be in due time, Nico. Now, to take care of the monster that corrupted my student ages ago. Lincoln, Loreena, shall we show this monster what happens when he dares to mess with true masters of magic and sorcery?**

Lincoln: (Smiles) Of course, Star Swirl.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Star Swirl the Bearded and Loreena McKnight.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Pony of Shadows, you've terrorized all of Equestria, Stygian, and all ponies for far too long, now, you shall suffer the consequences for your depraved crimes.**

Loreena McKnight, Star Swirl the Bearded, and Lincoln went after The Pony of Shadow, who continued to fire blasts of darkness at them, but Lincoln absorbed the blasts of darkness and they made him stronger than ever, and they fired powerful blasts of rainbow energy, dark blue energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, rainbow super lightning, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, and Angels at The Pony of Shadows, and they exploded with incredible power as they hit him, and he was being burned badly by The Magic of Friendship. Then, Loreena and Lincoln attacked him with their massive greatswords and they left painful scars on him, and because of the purity of the attacks, it burned him badly, and the wounds he suffered would never heal, and Star Swirl the Bearded blasted him with his new mage's staff.

Then, they made a binding circle and bound The Pony of Shadow to the ground, so he can't escape, as Lincoln took out his orange Wonder Ride Book, Elemental Eternal Thunderbird Angel Warrior.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) The Pony of Shadow's tried to escape to exact revenge on the three heroes of sorcery, but then, the lights of Heaven shined down upon the dark shadow pony, and he screamed with excruciating pain, as his dark powers were being stripped away from him.

Suddenly, everything Lincoln read from his Wonder Ride Book came true as the lights of Heaven shine down upon The Pony of Shadow, and he screamed with such excruciating pain, as his dark powers were being stripped away from him.

This allowed Loreena McKnight, Star Swirl the Bearded, and Lincoln to finish The Pony of Shadow off by firing powerful energy beams and they overwhelmed The Pony of Shadow, and they explode with such incredible power, killing him for good. We cheered wildly for what Loreena McKnight, Star Swirl the Bearded, and Lincoln did to The Pony of Shadow as they holstered their massive greatswords and Mage's Staff on their backs and power down, and the new bodies, clothes, weapons, jewelry, and massive angel wings of Loreena McKnight and Star Swirl the Bearded are permanent.

Then, as The Pony of Shadow's spirit appeared, the cutie marks of The Mane 9 on the massive Celtic Cross cutie mark tattoo on Lincoln's wider and more muscular back glowed, along with the cutie marks of The Mane 12 and the Elements of Harmony on my sword, and The Pony of Shadow's spirit was surrounded by a magic circle with the cutie marks of The Mane 12 that formed on the ground, and he was chained up by chains of magic and rainbow energy, and the energy images of The Mane 12 appeared from the cutie marks on the circle, and they found him guilty of his crimes, and the energy images of The Mane 12 aimed their horns at The Pony of Shadow and Lincoln aimed his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds at The Pony of Shadow.

Lincoln: Pony of Shadow, for the multitude of crimes you've committed against Equestria a thousand years ago, along with what you did in poisoning Stygian with thoughts of betrayal, you have been found guilty, and the punishment for your crimes is death.

This horrified The Pony of Shadow greatly, as he soon saw his days of chaos and havoc are about to come to an end.

Lincoln: MANE 12 HARMONIOUS CUTIE MARK FINAL JUDGEMENT!

Lincoln fires a very powerful barrage of rainbow energy beams with Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, rainbow super lightning, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, and Angels from his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds and the energy images of The Mane 12 fired colored magic energy beams from their horns, and as they hit The Pony of Shadow's spirit, they exploded with incredible power and his evil spirit was condemned to The Black Gates, and he was fading away.

Pony of Shadows: NO! CURSE YOU, DAMN YOU ALL, TEAM LOUD PHOENIX STORM! (Fades Away)

The Pony of Shadow's spirit was erased from existence by the spirits of all those he's hurt, and he'll never return to hurt anyone again. THE DARK TERROR OF THE PONY OF SHADOW WAS FINALLY BROUGHT TO AN END!

Nico: Awesome, we not only solved another mystery and throw Josh Stanley in prison for good, but we also got rid of The Pony of Shadow for good.

Lincoln: Which means, the next member of The Doomsday 23 to take down and destroy tomorrow is The Mane-Iac.

Nefertiti Somnambula: Which means it'll be up to the three of us to destroy her tomorrow.

Somnambula: Yes, you, me, and Lincoln.

Nico: That Joker-Pony's going to pay for trying to shave off the manes of ponies, and for what she did in harming an innocent animal, she's going to get it big time.

Lincoln: Yeah, and I've got a little surprise in store for that Joker-Pony tomorrow when we face her and destroy her, and she's not going to like it one bit.

Spike the Dragon: If it's like how Fluttershy laid the smack-down on her when we went into the Power Pony comic book, this should be a good one.

Nico: Or what if it's also like how Hulk laid the smack-down on that evil version of Loki.

Loki: (British Accent) Then, this should be something to see.

Nico: It sure will. But we can mark this mission…

Qin: Case Closed.

Jack Stanley: Thank you all so much for helping me everyone.

Nico: It was our pleasure Jack.

Me: Sorry your brother did all this. But you know what this reminds me of?

Nico: What's that?

Me: It reminds me of the Magazine comics for Goofus and Gallant.

Nico: Oh yeah. I remember those comics. Goofus was a troublemaker and Gallant was a purehearted boy.

Varie: Yeah.

Nico: Yep. But great job today everyone.

Qin: (Puffs bubble pipe) (To the viewers) Another brilliant case awesomely solved by Shadow Komodo and her awesome friends of Team Loud Phoenix Storm. Josh Stanley is going to prison for a long long time.

Nico: Yes he is.

Me: Yep. And I have a feeling that the next case is gonna be a good one.

Qin: Yep.

Nico: Lets go home.

We went back home and enjoyed the rest of the day and went to sleep.

Josh Stanley was found guilty of False imprisonment, attempted assault and battery and fraud. He was sentenced to 30 to 60 years in prison without the possibility of parole.

Another awesome chapter done.

The episode of Be Cool Scooby Doo called Doo Not Disturb was a great one and that is one of my favorites. That episode aired on November 21st, 2017 and it was awesome.

NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, kolbdog323, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, Hynageneral, EtstheClarenceandTLHfan and ninjakingofhearts gave me the ideas for this and so did the guest reviewer. Thanks guys. Tanya and she is going to make sure she pays for trying to hurt Lincoln and Lori. SHE IS GOING TO UNLEASH THE FIRE OF HELL ON HER AND TRANSFORM TO HER MOST POWERFUL FORM EVER! WATCH OUT TANYA! ANNA IS COMING FOR YOU! Also we're going to face Another Four Arms! And we're going to meet a Mega Zapdos Gene-slammer. Her name is Bianca Whendolla and she is Kristina's little sister. She has the strongest ever lightning powers of all and she HATES the Total Drama Sore Losers with a vengeance. Also she is Nico's science partner and has done all sorts of incredible experiments with lightning. The match-up scene is for Nefertiti Somnambula, Somnambula, and Lincoln, as they're going to destroy the next member of The Doomsday 23, The Mane-Iac. I've also got an idea for Lincoln's rescue tomorrow, and it's one that's both bloody and horrifying. For Lincoln's rescue tomorrow, Lincoln and his group are heading to The Simulator and the location is Barrow, Alaska, in the 2007 movie, 30 Days of Night, and Lincoln and his group are going to prevent the vampires' massacre of the townspeople who are going to remain behind in Barrow when the sun sets for a month by stopping The Stranger who has come to Barrow, Alaska to cut off the remaining townspeople by destroying the cell phones and killing all of John Riis' dogs, then, we're going to meet with Eben Olsen, Stella Olsen, Jake Olsen, and the others, and tell them of why that stranger's here and set up a trap, and then, when the sun sets, we're going to destroy Marlow and the vampires and send every last one of those flesh-eating blood-sucking monsters from Hell to The Black Gates forever. And we're going to meet a Trishula, Dragon of the Ice Barrier Gene-Slammer named Luna Isdrage, who's not only Lincoln's Guardian Angel from Norway, but also, his classmate in Drama. She's a beautiful but tomboyish fashionista, and Luna has made winter coats for the girls in Lincoln's harem as well as winter clothes for Lincoln's kids for the preparation for Winter. Her last name, Isdrage, means ice dragon in Norwegian. Lincoln and Luna would often go have fun together, especially during the winter time, and they even went to a beach together. Luna would also protect Lincoln from bullies, especially Lynn. When Lynn was bullying Lincoln, she beat the crap out of Lynn and left her with broken arms, legs, teeth and nose, and Luna even turned Lynn into a human donut. To show thanks to Luna, Lincoln took her to the beach where he kissed Luna on the lips. She's also the cousin of Princess Frosta and she hates Lynn with a burning passion. Get ready for an awesome non-combat mystery as we go on an awesome train and stop 9 monsters from scaring the living daylights out of people just for trying to get a chip in a flower. And the monsters are all spies from all over the world. Get ready as we solve the Mystery on the Disorient Express in part 2 of the Scooby Doo Saga.

See you all tomorrow

But not only that we were there to also get Anna Anyanova some answers from her evil psychotic sister Tanya.

Nico: Anna are you sure you want to do this after what she did to you?

Anna Anyanova: I'm ready for this Nico. But if she is too far gone then this monster is no longer my sister and she deserves the Black Gates.

Me: Well maybe not that far.

Lincoln: Yeah Anna that's a little extreme for someone like her. And I did say that I would give her the King Midas Golden Vengeance Curse if she goes on another rampage.

Qin: That's right you did say that Lincoln.

Rattrap: And it's good that I'm going with you guys too.

Nico: Yep and it's great to give the Maximals some time to shine too.

Varie: It sure is.

Whenua: I'm really looking forward to this too.

Lori: I am too and I literally can't wait to kick Tanya's butt.

Nico: Thanks for coming with me, Whenua.

Whenua: Anytime Nico. It's going to be so awesome helping you out.

Rattrap: As long as no insane people come after us.

Me: Don't worry Rattrap. We won't let that happen.

Sakura Valencia: Yeah that won't happen because of our powers.

Camie: No it won't.

Nico: Whenua, were you happy to reunite with Gentaro?

Whenua: I sure was. And it was so awesome going on those missions for Fourze.

Gentaro: It was really awesome.

Me: Boy it sure was Gentaro.

Laney: Yeah it sure was.

Lana: I'll say.

Varie: Yeah those missions were the best ever for the year.

Whenua: They sure were.

We heard maniacal laughter at every corner.

Sakura Valencia: Boy these guys are really that dangerous aren't they?

Me: Yeah but that's why we have them out here at 827.67 million miles from Earth.

Camie: Thank goodness.

Anna Anyanova: But it's amazing you built all this out here J.D.

Me: Yeah.

Gentaro: I'm glad that Gamou wanted to form an alliance with us to take Swartz out early. But it was risky with White Wizard, Ryoma, Banno, Adel, Masamune Dan, Evolt, Ark, and Storious still active at the time.

Me: We all are glad for that.

Qin: Yeah that was so awesome.

Twilight Sparkle: And the lessons you learned with friendship are really amazing and inspirational.

Starlight Sparkle: They sure are.

Gentaro: Thank you.

Maria: (laughs) So, "Watson". Did you like the mystery we went on yesterday?

Nico: (LAUGHS) You bet I did.

Qin: That was awesome and it was cool trying out my Shadow Komodo Persona.

Nico: That was awesome.

Whenua: It sure was.

Nico: It was fun.

Camie: I just can't believe that Josh was out for the Good Son Inn like that.

Varie: Man what a jerk.

Me: Yeah and now he's in prison for 30 to 60 years.

Qin: And a great case solved by Shadow Komodo.

We laughed.

Pinkie Pie: (LAUGHS) It was fun!

Nico: (sarcastically) Ha ha. Laugh it up, guys. But I'm not ashamed of the nickname.

Me: I'm not laughing at you Nico. Besides you did have fun.

Nico: True.

Lori: That was a great mission though.

Nico: It sure was. Is there a reason why you wanted to have Lori come with?

Me: She wanted to burn Tanya with her new Lori Volcana form.

Nico: Nice. We haven't seen that one in a while.

Me: Well Tanya is gonna be in for one nasty surprise.

We arrived at Tanya's room.

Me: Here we are.

Lori: My Volcana form isn't really new.

Me: Well to Tanya she never saw it. But that makes it new to her.

Lori: True.

Me: Here we go.

I opened the door and we went in and saw Tanya Anyanova!

Me: Hello Tanya.

Tanya Anyanova: I will kill Anna for ruining my life!

Qin: You are a sick monster Tanya.

Lori: It's time for us to literally have a talk.

Tanya Anyanova: I WILL KILL YOU LORI!

Lori: Not if I kill you first.

She then floated in the air and then she was enveloped in a ball of fire and she turned into LORI VOLCANA!

Tanya gasped!

She saw Lori smile with flames in her red eyes!

Lori Volcana: I am more than just Lori Santiago, I am also Lori Volcana - Master of Fire!

Nico: And you're toast!

Lori Volcana: Burn.

She fired a wave of fire and it hit Tanya and burned her hair in half.

Me: Nice hairdo bitch.

I showed her hair in a mirror and she gasped!

She screamed like a shock and she was enraged!

Anna then faced her sister.

Anna Anyanova: Hello there Tanya.

Tanya Anyanova: YOU LIFEWRECKER! YOU RUINED EVERYTHING FOR ME!

Anna Anyanova: You are just too blind to handle the truth!

Lincoln: Anna has a much better voice than you ever did.

Lana: Yeah! Your voice sounds like monkeys grinding their nails on a chalkboard!

Nico: And now you're bald.

Me: Not entirely.

Anna Anyanova: Like I said Tanya you are nothing but a pretty dumb face!

Tanya then roared in fury and then she busted out of her restraints and jumped over Anna and us!

Me: After her!

We ran after her and I pressed the red alert button and the alarm blared and then we went after her.

We went into the cafeteria!

Nico: Lock the doors!

We went and closed the doors of the cafeteria and blocked her off!

Qin: No where to run!

Anna Anyanova: We're not going to let you get away with everything you did!

Nico: Yep, and Lincoln, you, Lori, and Anna are going to like this: you three are going to send her straight to The Black Gates for all eternity.

Anna Anyanova: Wait, what?! You're seriously not joking?!

Lincoln: He's not kidding, Anna. After that wretched witch's break out and trying to get revenge, I think it's safe to say we've had it up to hear with Tanya.

Lori: She's literally gone off the deep end, and we knew there's no hope for her.

Anna Anyanova: I always knew it all along. Plus, she's going to pay for trying to hurt Linky and you too, Lori. Plus, Mom and Dad have since disowned her forever, making her the state's problem. But, because of what Swartz did, I think the better punishment for her is getting sent to The Black Gates forever. I will never ever forgive her for every last rotten thing that insane bitch has done to me.

Me: Yeah.

Nico: She's a no-talent hack with a voice like nails scratching a chalkboard, who's even worse than trash.

Suddenly, we heard a roar of insane rage, and Lori, Lincoln, and Anna knew who it could belong to.

Anna Anyanova: Tanya!

Lincoln: Looks like she heard your insult all too well, Nico.

Lori: We better get rid of her right now before that bitch really causes some serious damage.

We rushed on over to a another part of the Cafeteria, and Lincoln saw Tanya about to stab a guard to death. He fired a rainbow blast of seven rainbow colored lights and it hit Tanya's hand and made her drop the knife, and when she saw Lincoln, Lori, and Anna, she was beyond pissed off and screamed like an insane lunatic.

Anna Anyanova: Tanya, you evil, insane, psychotic bitch, I should've known you wouldn't stay quiet and in your prison cell for much longer. And you escaped too after Lori burned your hair!

Tanya Anyanova: (Enraged Screaming) SHUT UP, BITCH! THIS IS ALL YOUR FAULT, YOU RUINED EVERYTHING FOR ME! I'M THE FAMOUS ONE, YOU'RE JUST A STUPID NOBODY, AND YOU STUPID LOUDS RUINED EVERYTHING TO THE WORLD! NOW, I

DESPISE ALL OF YOU MORE THAN LIFE ITSELF! NOW, I WILL KILL YOU EVERY LAST FUCKING ONE OF YOU, AND THEN, I WILL HEAD BACK TO EARTH AND KILL EVERY LAST FUCKING LIVING THING IN EXISTENCE! (LAUGHING INSANELY)

SHE'S NOW GONE COMPLETELY FUCKING OFF THE RAILS! AND HER HATRED HAS CAUSED OUR AURAS TO FLARE UP TO THE EXTREME, AND WE GAINED AN EXPONENTIALLY MASSIVE POWER BOOST!

Me: You psychotic bitch!

Lincoln: It's no use, J.D., she's now gone completely off the rails.

Anna Anyanova: Linky's right, she's now completely gone off the rails, but you know what, I've had just about enough of that bitch to last an eternity.

Suddenly, something within Anna Anyanova's mind completely snapped, as the bad memories of what her insane sister, Tanya, has done flooded through her mind, and she can never ever forgive her evil older sister, her purple eyes turned neon purple and she was surrounded by a purple energy aura with darkness, angels, music notes, and dark magic, she unholstered her massive Destiny HERO - Dark Angel greatsword from her back, and as she approached Tanya, she left purple energy, darkness, angels, music notes, and dark magic with every step.

Anna Anyanova: You're still just as insane and evil as ever, Tanya. Back then, I thought we would be sisters forever, but I was eventually proven wrong. You let fame and fortune get in your pea-brained head, and you changed from a good girl to an evil witch from Hell who tormented everyone in Royal Woods High School, and acted like you want everything handed to you on a silver platter. (SUDDENLY GETTING PISSED OFF TO THE EXTREME) But, if there's one thing that I can never forgive you for, it's for turning against me and our own loving parents, and you deserved that trip to the nuthouse after Lori and Lincoln exposed you for the fake you truly are. But, when you got turned into Another G3 by Swartz and broke out to try and kill Lincoln and Lori… , YOU'VE FUCKING CROSSED THE LINE FOR THE LAST TIME, TANYA! NOW, YOU'RE GOING TO SUFFER THE CONSEQUENCES OF YOUR HORRIBLE MISDEEDS INFINITE-FOLD, AND I WILL PERSONALLY SEND YOUR FUCKED-UP HIDE STRAIGHT BACK TO HELL WHERE YOU TRULY BELONG!

We gasped at the massive extent of Anna's rage towards Tanya, along with the rant.

Nico: HOLY CRAP!

Me: OH, DAMN!

Lori: Tanya's literally had this coming for a very very long time, and that fame-crazed monster's going to pay for causing a ton of chaos both at school and at her own home.

Lincoln: And when she got turned into Another G3 by Swartz to get revenge, that's ultimately the very straw that broke the camel's back. HIT THE DECK, SHE'S GOING TO BLOW!

We screamed and ran for cover behind a table, as Anna Anyanova screamed like a madwoman and then…

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

There was a massive exposion and she was surrounded by a massive vortex of purple energy with darkness, music notes, and dark magic surrounding it, there's Destiny HERO - Dark Angel flying around the vortex, and in the vortex is a purple phoenix. Then, as the vortex faded, Anna Anyanova emerged, but she was changed forever.

Anna Anyanova has transformed into SUPER ANGEL ETERNITY INFINITY DARK MELODIOUS DESTINY DARKNESS ANGEL OF DIVINE DARK MAGIC MUSIC JUSTICE AND DIVINE DARK MUSIC ANGEL LOVE!

We were amazed by Anna Anyanova's Super Angel Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding. But, when Tanya Anyanova saw it, she went freaking ballistic!

Tanya Anyanova: DIE, YOU FUCKING BITCH!

Tanya Anyanova tried to stab Anna with a knife, but Anna dodged her knife, and she fired a powerful purple energy blast with darkness, music notes, dark angels, and dark magic at Tanya, and it sent her flying into a wall, she got up, but she wasn't done yet, and she was now even more pissed.

Nico: Whoa, Anna's transformed.

Lori: She now literally looks like a dark angel of true love and melodic justice, and Tanya's still nothing more than a hate-filled demon.

Lincoln: And we know exactly where she's going. And Anna, you look beautiful, how do you feel?

Anna Anyanova: (Divine Echoing Cosmic Voice of The Melodious Dark Angel and Divine Music Dark Angel Love) **I feel incredible, Linky. Now, shall we deal with my ex- and soon-to-be dead older sister?**

Lincoln: (Smiles) With pleasure, Anna.

Lori: I'm also joining too, I still owe that bitch payback for throwing that bowl of soup on my clothes.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Anna Anyanova, and Lori transformed into Super Angel Infinity Hurricane Dragon Firestorm Eagle Fairy Angel of Divine Justice and Love and unholstered her massive Ga'Oh's Hurricane Firestorm Greatsword of Draconic Windstorm Justice and Hurricane Inferno Love from her back.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Time to pay for everything you've done, Tanya.**

Lori: (Divine Echoing Cosmic Voice of The Fiery Hurricane of Justice and Divine Love) **And this time, you are never coming back to hurt anyone ever again.**

Anna Anyanova, Lori, and Lincoln went after Tanya Anyanova, and they fired powerful blasts of rainbow energy, purple energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, Vampires, Buffalo, Panthers, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Dark Angels, and Angels at Tanya, and they exploded with incredible power as they hit her. Then, they attack her with their massive greatswords leaving painful scars on her, leaving tears on her outfit and drawing blood.

Then, Lori grabbed Tanya and twisted her into a human pretzel, Lincoln punched and kicked her hard in the stomach, causing her to belch out massive amounts of blood and he blasted her with rainbow energy and elemental forces, and Anna blasted her with purple energy, darkness, music notes, and dark angels.

Anna Anyanova: (Divine Echoing Cosmic Voice of The Melodious Dark Angel and Divine Music Dark Angel Love) **Linky, let's perform a duet and have her cursed to eternal damnation.**

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **You got it, Anna.**

Suddenly, Anna Anyanova and Lincoln held hands, and the background changed to an infernal place with a demon's castle with demons and creatures of the night rising from Hell and taking to the skies.

(WITHIN TEMPTATION A DEMON'S FATE PLAYS)

Lincoln and Anna Anyanova: (Singing Divinely)

**You'll burn this time**

**Seeing the violence**

**It's feeding my mind**

**No one is saving you**

**How can you find**

**A heaven in this hell?**

**Leave it behind**

**Hearing your silence**

**It screams our goodbye**

**Cannot believe it's an eye for an eye**

Life is gone to waste
Angels have faith
I don't want to be a part of his sin
I don't want to get lost in his world
I'm not playing this game
When the shadows remain in the light of day
On the wings of darkness he'll retaliate
He'll be falling from grace
Till the end of all his days
From the ashes of hate
It's a cruel demon's fate
On the wings of darkness
He's returned to stay
There will be no escape
'Cause he's fallen far from grace
What have you done?
Is this what you wanted?
What have you become?
His soul's not forsaken
You're walking alone
From heaven into hell
Now that you know

Your way in this madness

Your powers are gone

Your chains have been broken

You've suffered so long

You will never change.

Angels have faith

I don't want to be a part of his sin

I don't want to get lost in his world

I'm not playing this game

When the shadows remain in the light of day

On the wings of darkness

He'll retaliate

He'll be falling from grace

Till the end of all his days

From the ashes of hate

It's a cruel demon's fate

On the wings of darkness

He's returned to stay

There will be no escape

'Cause he's fallen far from grace

Angels have faith

They sang divinely and they fired powerful blasts of infernal darkness and sent the demons of Hell at Tanya, and they exploded with incredible power as they hit her, and she was condemned forever to Hell. We cheered wildly as Lori, Anna, and Lincoln holstered their massive greatswords and powered down, and Anna Anyanova's new body, clothes, weapons, jewelry, and massive angel wings are permanent.

Anna Anyanova: You deserved that horrible fate for all the crap you've pulled for a long time, Tanya. And you and Lori deserve my thanks for helping me put that bitch down for good, Linky.

Lincoln: (Smiles Warmly) You're welcome, Anna.

Lori: (Smiles) Yeah, Tanya was a monster, and she deserved it big time.

Suddenly, Anna Anyanova wrapped her arms around Lincoln's thick muscular neck, as her chest pressed against Lincoln's massive and wide muscular pecs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned his face down to Anna Anyanova's face, they kissed passionately as Anna Anyanova's left arm was still wrapped around Lincoln's thick muscular neck, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and right behind them was a Thunderbird, Phoenix, Dragon, and Destiny HERO - Dark Angel flying in the air, and we saw a herd of Buffalo running across the field, along with elemental forces and darkness raging around them, and they came back to us.

Nico: Well, that was a quite a twist, I thought you guys were going to send her to The Black Gates.

Lincoln: Originally, that was the plan, Nico, but we decided to send her straight to Hell, just like what I did to Mia when she broke out. But, if Mia breaks out of Hell, along with Tanya, then, both of them are getting sent to The Black Gates for good. Besides, they're already getting their punishment: eternal torture and torment in Hell.

Me: A good punishment for Tanya.

Laney: Yeah, she's a monster.

Leni: She was totes nothing but trash and a total nightmare to everyone in school, and Lincoln and Lori did an amazing job in exposing her lies to the public, and it drove Tanya mad.

Nico: Think we can use the cafeteria food?

Me: Mmm. No.

Maria: Time to mess her up!

Nico: I think Anna, Lincoln and Lori had that all under control.

Qin: Another Omnitrix Alien should be coming soon.

Eli: She's right. I sense it.

Then a black Tetramand appeared!

Me: Whoa! Another Fourarms!

Nico: A strong one this time.

Qin: Yep.

Another Fourarms: (In a girls voice) And this is awesome that I'm strong now.

Me: Emile Valliance! Awesome to see you again.

Nico: You know her J.D.?

Me: Yep. Her name is Emile Valliance and she is A Police Officer. She and I busted lots of criminals all over the city.

Nico: Cool!

Zipp Storm: That is so awesome.

Albedo turned into Negative Four Arms.

Negative Four Arms: Did Swartz promise you anything?

Another Four Arms: Just to be the greatest and strongest cop ever.

Me: Sheila can easily train you to do that.

Qin: Yeah we can all do that too.

Another Four Arms: I know you all can and I knew that Swartz was lying.

Me: And he's dead too. We killed him.

Qin: Yep.

Laney: Yeah.

Me: Sorry we have to fight like this. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Nico: (takes out Juggernaut's Ridewatch) Let's start things off!

Me: And Lisa invented this one too.

I pulled out a new Grand Zi-O Ridewatch. It had the Overwatch Symbol on it.

Me: HENSHIN!

I had the spirits of the Overwatch heroes appear and I donned awesome armor that looks like that of Reinhardt's armor and I had a sword of Overwatch and it was incredible! I also had all the powers of the Overwatch heroes! I turned into KAMEN RIDER GRAND OVERWATCH ZI-O!

Nico: Whoa!

Me: Say hello to Kamen Rider Grand Overwatch Zi-O!

Nico: That is AWESOME!

Laney: WOW!

Lisa Loud: And it's all part of my latest experiment.

Maria: Time for some backup as well!

Maria pulled out the M.O.E. Cannon.

Maria: (TURNS DIAL) BRAWN GALORE!

She summoned Bane, Juggernaut, Trumbipular, Carmen Dillo, U-Foes and Hammer!

Nico: Time for some buttkicking!

He activated the ridewatch.

Nico then charged and smashed down Another Four Arms.

Me: And this too.

I tapped Reinhardt's symbol and got his hammer and then smashed Another Four Arms down with it.

Another Four Arms and Negative Four Arms charged at each other and punched each other.

POW BLAM SMASH WHAM KRABLAM!

Nico: WHOA!

Qin: They are completely even.

Nico: That is not going to go anyhere.

Laney: Total stalemate.

Aylene C.: What we need is additional strength.

Then a white light appeared and then it landed in her hands and it formed into a crystalline rainbow ridewatch with the Dino Charge Symbol on it.

Aylene C.: My own Grand Zi-O Ridewatch! Now it's my turn!

She activated it!

Aylene C.: HENSHIN!

She had all the spirits of the Dino Charge Rangers and the Dino Chargers all appear and they went into her and formed into an awesome Sakuretsu Armor-Like Crystal Armor of Rainbows and it had all the Dino Charge symbols on it. Aylene turned into KAMEN RIDER GRAND DINO CHARGE ZI-O!

Nico: WHOA!

Me: Wow! Aylene?

Qin: Cool!

Woz: REJOICE! The ultimate Knightess and Defender of the Jurassic who reaches over spacetime and the life of the Mesozoic and reigns over the past and future of Dinosaurs. Her name is Grand Dino Charge Zi-O! We are now entering another new chapter.!

May: That is so awesome Aylene!

Whenua: Wow! Brain Freezer is going to love seeing you like this!

Aylene C.: This is so awesome! Lets see what it can do.

She tapped the symbol of Plesiosaurus and fired an extendo blade and slashed Another Four Arms all over with it!

Qin: WOW!

Varie: That was cool!

Another Four Arms threw Negative Four Arms into a wall.

Negative Four Arms: (gets out of the wall) You're not gonna have those powers after today. So, you get that for free.

Me: Try this on! (ACTIVATES GAS SKUNK'S RIDEWATCH) RIGHT LASER!

I fired a laser blast from my right shoulder and it hit Another Four Arms and blasted her down.

Qin: Awesome!

Nico: One of the 2001 Transformers?

Me: Yep.

Another Four Arms threw numerous things at me and I deflected them all and I had energy bolts swirling around me and then I fired a wave of energy and blasted down Another Four Arms!

Nico: WHOA!

Me: That was something I learned from Beast Machines.

Rattrap: That is amazing! And oh yeah. Rattrap, MAXIMIZE!

He transformed!

Rattrap fired his blaster at Another Four Arms and blasted her all over.

Rattrap: Woohoo! Yeah!

Nico: Take that!

Whenua: My turn!

He activated Goliath's Ridewatch!

Whenua grew as tall as the room and smashed Another Four Arms all over.

Nico: Take that!

Qin: Yeah!

Me: Nico I hope you don't mind me doing this one. (ACTIVATES G1 STARSCREAM'S RIDEWATCH)

I flew into the air and flew fast and blasted Another Four Arms all over with incredible speed.

Me: I hope you liked the speed of Air Commander STARSCREAM! (Clears throat) Sorry.

Nico: Maybe having him in the Masters of Evil won't hurt.

Me: It's worth the risk but man I can't believe Starscream yells like that all the time. I'm amazed his voice unit didn't short out from all that.

Nico: Yeah no kidding.

Me: I hope Blades is all right with his old pal Screamer being with our frenemies.

Qin: Yeah that will be awesome.

Laney: Yep.

Me: But it's like you say Nico, every Megatron needs a Starscream.

Nico: That's true.

Maria: Actually, Screamer is the nickname that most Autobots and Decepticons give him.

Nico: Because he always had a loud and big mouth.

Me: Geez no kidding there. I guess they forgot to put in a volume controller on him.

We laughed.

Nico: Yeah. That was funny. When we get back I'm going to have a little chat with Starscream.

Eli: Okay.

Me: Lets finish this up.

Nico: Good idea.

Then a massive blast of lightning hit Another Four Arms and smashed her down and I caught her Ridewatch and purified it.

I went over to Emile and she was a girl with red hair and had a blue police uniform on.

Nico: Nice shot Lincoln.

Lincoln: That wasn't me.

?: It was me.

We saw a Mega Zapdos appear!

Nico: Whoa a Mega Zapdos!

Mega Zapdos: (In a girls voice) Thank goodness I arrived.

Nico: Bianca Whendolla!

She reverted back and Bianca was a girl with blond hair and yellow clothes.

Bianca Whendolla: Looks like I got here just in time.

Nico: You sure did.

Qin: It's awesome to see you Bianca.

Bianca Whendolla: Same here Qin.

I picked up Emile.

Me: Emile are you all right?

Emile Valliance: (Groans) What a headache.

Me: But you're okay.

Maria: Now we have one last thing to take care of.

Anna Anyanova came back.

Anna Anyanova: Oh no need. Tanya has been sent off to the fires of hell forever remember?

Maria: Oh right.

Bianca Whendolla: Good riddance. I hated that bitch.

Me: Many people did.

Whenua: What's your favorite memory of Nico?

Bianca Whendolla: I have a lot of memories. But many of them were in Science class. Me and Nico were in science class and we invented lightning blasters and they can fire lightning blasts of 500 Quadrillion volts of electricity.

Me: That is awesome.

Sakura Valencia: Yeah it sure is.

Qin: I remember those blasters.

Nico: Yep.

Nico and Bianca hugged.

Nico: I've really missed you.

Bianca Whendolla: Me too Nico. Me too.

Maria: You okay, Emile?

Emile Valliance: Yeah. I'll be fine.

Qin: Good.

Lola: But this was a great rescue though.

Nico: Yeah it sure was.

Me: And Tanya is now a solid gold statue forever.

Nico: Yep. Lets head home. I got some things to talk about with Starscream.

We nodded.

We went back home.

After Nico's rescue, Lincoln, Me, Ken Knudson, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, The Dynasty Warriors, The Samurai Warriors, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, The Demon Slayer Corps, The Saber Kamen Riders, Balto, and Onua are heading to the Simulator, this time the location is Barrow, Alaska, in the 2007 movie, 30 Days of Night, and not only is Lincoln going to rescue the six girls here, but we're also going to prevent the vampires' massacre of the townspeople who are going to remain behind in Barrow when the sun sets for a month by stopping The Stranger who has come to Barrow, Alaska to cut off the remaining townspeople by destroying the cell phones and killing all of John Riis' dogs, then, we're going to meet with Eben Olsen, Stella Olsen, Jake Olsen, and the others, and tell them of why that stranger's here and set up a trap, and then, when the sun sets, we're going to destroy Marlow and the vampires and send every last one of those flesh-eating blood-sucking monsters from Hell to The Black Gates forever. The Simulator activated, and we were in Barrow, Alaska, and in winter clothes.

Lincoln: Whoa, we're here in Barrow, Alaska, and I know what we're going to do here, not only am I rescue the six girls here, but we're also going to prevent the vampires' massacre of the townspeople who are going to remain behind in Barrow when the sun sets for a month by stopping The Stranger who has come to Barrow, Alaska to cut off the remaining townspeople by destroying the cell phones and killing all of John Riis' dogs, then, we're going to meet with Eben Olsen, Stella Olsen, Jake Olsen, and the others, and tell them of why that stranger's here and set up a trap, and then, when the sun sets, we're going to destroy Marlow and the vampires and send every last one of those flesh-eating blood-sucking monsters from Hell to The Black Gates forever.

Nico: That's right, Linc.

Me: I saw the 2007 movie, 30 Days of Night, and it was really scary and bloody. Plus, those vampires were really terrifying.

Lucy Loud: They were just like the vampires of ancient folklore, but complete savages driven only by hunger and destruction.

Balto: And we're not that far from the town, first things first, we should deal with that Stranger and stop him from cutting the remaining townspeople off.

Lincoln: Right, Balto, and I want to thank you and Onua for coming.

Onua: You're welcome, Lincoln. Now, where to find The Stranger?

Lincoln sensed him with the Force, Third Eye of The Buddha, and energy signal tracking, and he finds The Stranger, and he was about to steal the cellphones and kill John Riis' dogs.

Lincoln: Got him, and he's going to steal and burn the cellphones and kill John Riis' dogs. Let's go.

We headed out and we captured The Stranger and tied him up in a rainbow energy straitjacket and rainbow energy chains. Just then, we saw a sheriff car pull up, and two figures came out: they were Sheriff Eben Olsen and his partner, Deputy Billy Kitka.

Eben Olsen: Team Loud Phoenix Storm, what happened here?

As we loaded The Stranger up and headed for the station and met with Stella Olsen, Eben's younger brother, Jake Olsen, John and Allie Riis, and the other remaining townspeople in Barrow, Alaska, Lincoln explained that this Stranger was trying to steal and burn the cellphones from the people.

Billy Kitka: Stealing cellphones from people, that's a minor offense of theft.

Lincoln: I'm afraid it gets a lot worse, Deputy Kitka and Sheriff Olsen.

Lincoln then put his large left hand on The Stranger's head, and The Stranger's eyes glowed, and the beams of blue light shined out of his eyes, and it showed that the vampire leader, Marlow, ordered him to not only steal and destroy all the cellphones of those who are going to remain in Barrow, but also, kill John Riis' dogs, so they'd be cut off from trying to get help, and Lincoln then revealed that Marlow and the group with him are vampires, who are planning to launch an orgy of destruction and feed on the people who are going to remain in Barrow when the sun sets for a month.

This horrified Eben and everyone here.

Stella Olsen: We don't have long before the sun sets, what are we going to do?

Lincoln: First, we need to get everyone to safety at The World Tree Estate, because this is going to be a bloody fight.

Lincoln snapped his fingers and everyone was being transported to The World Tree Estate for safety.

Lincoln: Those vampires sent that Stranger to cut you all off, so that way, you can't go for help, and they also can't stand the sun. So, it's time to lay out my trap.

Lincoln chanted a powerful incantation, which would soon be revealed later. Then, he got out a scroll, and he unloaded shotguns, firearms, ammunition, machetes, axes, and knives.

Eben Olsen: Damn, you guys sure are prepared for anything.

Lincoln: We always have to be prepared for anything, Sheriff Olsen.

Jake Olsen saw that the sun was almost about to set.

Jake Olsen: Guys, the sun's almost about to set.

Lincoln: It's time.

Suddenly, we saw Trishula, Dragon of the Ice Barrier appear before us, and with the dragon was the six girls that were also here.

Nico: Whoa, that's Trishula, Dragon of the Ice Barrier, and there's the six girls that are also here.

Trishula, Dragon of the Ice Barrier: (Norwegian Accent) I managed to get them away before those vampires could try and get them.

Lincoln: That voice, I knew it was you, Luna Isdrage, but we'll have to talk later. It's time to put an end to the vampires.

We headed out, and as we did, the sun set for the month-long darkness in Barrow, Alaska. Then, we heard the sound of inhuman shrieks in the air, and then, we saw our targets: Marlow and his clan of vampires here to feed on the remaining townspeople in Barrow, when the sun sets for a month.

Lincoln: (Speaking the language of the vampires) It's far too late, Marlow, we stopped your mentally insane mole from cutting the people of Barrow off, and we told them all of what you were planning and got them all to safety. Now, we can get rid of you and your clan for good.

This incensed Marlow, and ordered his lover, Iris, to kill him. As Iris charged out, Lincoln snapped his fingers, and then, in the middle of the town, a large globe-sized sun appeared out of nowhere, along with several other suns, and they surrounded the town, and Iris shrieked in pain as she was burned by the suns, and Lincoln sent a cutting wave of sunlight with a swing of his massive greatsword to cut Iris' head off.

Lincoln: Now, then, it's time to put an end to all of you for good.

(30 DAYS OF NIGHT OST: THE BLOODY FRUITS OF BARROW)

Marlow let out a low shriek, and then, all the other vampires let out loud shrieks, and we knew that it was their signal, and they moved to attack us, but we still had our trap out as the suns were shining the light on them and burning them. The six girls were also put in a protective energy field, along with all of Barrow to protect them from Marlow and the vampires.

We were also blasting and cutting off the vampires' heads off and sending every last one of them to The Black Gates. Then, by the time we were done, the bodies of the vampires went down onto the snow-covered ground and their blood stained the snow, and it was just down to us and Marlow.

(30 DAYS OF NIGHT OST: THE ONE WHO FIGHTS)

We then engaged in a brutal fight with Marlow by slashing at him with our weapons, and they left some brutal wounds on him, and we also blasted him with energy blasts and elemental forces, and this really enraged Marlow, as he ran charging at us, and that allowed Lincoln to drive his massive greatsword into Marlow's mouth and head, and as Lincoln removed his massive greatsword from the vampire's mouth and head, Marlow's dead body fell to the floor and his blood spilled onto the snow-covered ground and his spirit was sent to The Black Gates forever. We cheered wildly as we holstered our weapons and powered down.

Lincoln: We did it, we destroyed the vampires once and for all.

Eben Olsen: It's finally over.

Stella Olsen: Now, what's going to happen?

Me: First, we should clean up this mess.

Lincoln: I got it.

Lincoln snapped his fingers and every last one of the dead bodies of the vampires were being burned alive by white flames, and there was nothing left but ashes, and their ashes were then tossed into the sun and incinerated. Then, he brought the town of Barrow, Alaska to our world, and everyone was put under our protection, in case another vampire attack tries to happen, and everyone then headed back home to Barrow, Alaska, and the vampires are finally gone, and we headed back to The World Tree Estate and we got out of our winter clothes.

Lincoln: We did it, the vampires are gone and we prevented the massacre in Barrow, Alaska. (To Luna Isdrage) And it's so good to see you again, Luna Isdrage.

Luna Isdrage reverted back to normal, and she's a beautiful girl with long flowing marine blue hair tied in two pigtails, marine blue eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has massive beautiful marine blue angel wings, and she reigned in the power of Trishula, Dragon of the Ice Barrier, and she's dressed in a sleeveless blue vest, sleeveless dark blue dress top with a snowflake on it, dark blue skirt, dark blue pants, dark blue legwarmers, blue sneakers, and long sleeveless dark blue trenchcoat with snowflakes, ice, and dragons on the coattails, and Trishula, Dragon of the Ice Barrier on the back, and holstered on her back is a large Trishula, Dragon of the Ice Barrier-themed greatsword with Trishula, Dragon of the Ice Barrier etched on the 7'0" massive, wide, double-edged dark blue blade, Trishula, Dragon of the Ice Barrier's wings for the crossguard, large dark blue gem embedded in the rainguard, longer black handle, and a large dark blue gem surrounded by angel wings for the pommel.

Luna Isdrage: (Norwegian Accent) You too, Lincoln, it's been a long time.

Lincoln went up to Luna Isdrage and they hugged, and Luna Isdrage is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and his massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his deeper manly voice.

Lincoln: It sure has, I haven't seen you when you were sixteen, and as you can see, I really grew a lot since then.

Luna Isdrage: (Norwegian Accent) Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and you now have massive white angel wings, that's so awesome.

Nico: Whoa, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Luna Isdrage, who's not only my Guardian Angel from Norway, but also, my classmate in Drama. She's a beautiful but tomboyish fashionista.

Luna Isdrage: (Norwegian Accent) That's right, when I found out about Lincoln having a harem, I've made winter coats for the girls in Lincoln's harem as well as winter clothes for Lincoln's kids for the preparation for Winter.

We saw the winter clothes Luna Isdrage made for the girls in Lincoln's harem and Lincoln's kids and they were really awesome.

Nico: Wow, those are so cool.

Me: And they're perfect for winter that's coming up.

Lincoln: It sure is. Plus, her last name, Isdrage, means Ice Dragon in Norwegian. We would often go have fun together, especially during winter time, and we even went to a beach together. Luna would also protect me from bullies, especially Lynn. When Lynn was bullying me, she beat the crap out of Lynn and left her with broken arms, legs, teeth and nose, and Luna even turned Lynn into a human donut.

Lincoln showed the photo of Lynn getting turned into a human donut.

Nico: Ooh, oh man, I've heard of a human pretzel, but this is really nuts.

Me: You said it, but that's still painful.

Lincoln: It sure is, and to show thanks to Luna, I took her to the beach where I kissed Luna on the lips.

Luna Isdrage: (Norwegian Accent) It was quite the romantic gesture that he made, especially to show his thanks. Plus, I don't know if Lincoln told you this, but I'm also the cousin of Princess Frosta.

My jaw dropped.

Me: Wait, what?

Lincoln: It's true, Luna Isdrage is the cousin of Princess Frosta.

Frosta: Meaning she has the same powers as me, and it's so good to see you again, Luna.

Luna Isdrage: (Norwegian Accent) You too, Frosta, and when I found out you're also part of Lincoln's harem, I was really excited and happy for you.

Lincoln: And after what I told you, Luna Isdrage hates Lynn with a burning passion.

Nico: Getting turned into a human donut was definitely the clue to that.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared around Luna Isdrage's neck with marine blue gems on the gold thunderbolt links and marine blue crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Elemental Thunderbird Necklace of Eternal Love, and her new Elemental Thunderbird Choker of Eternal Love appeared on her neck.

Luna Isdrage: (Norwegian Accent) (Surprised) Lincoln, is this…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means just like your cousin, you're part of my harem and one of my many future wives, Luna.

Luna Isdrage had a smile on her face and tears in her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around Luna Isdrage's waist and Luna Isdrage wrapped her arms around Lincoln's thick muscular neck, and he leaned down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the six girls, and when Lincoln saw them, he recognized them immediately. The six girls are Saki Asamiya from Delinquent Detective, Kiyomi Arai, Mika Katou, Shizuka Nakamoto, Mami Shimura, and Reiko Takagi from Debutante Detective Corps.

Lincoln: Oh wow, it's Saki Asamiya from Delinquent Detective and Kiyomi Arai, Mika Katou, Shizuka Nakamoto, Mami Shimura, and Reiko Takagi from Debutante Detective Corps.

Nico: Awesome.

Lincoln: Are you girls okay?

Saki Asamiya: Yes, we're okay, thanks to you.

Then, when Saki Asamiya and the other five girls saw who it was that saved them and Barrow, Alaska, from Marlow and his vicious clan of vampires, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

Saki Asamiya: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made five clones of himself, and he and the five clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Saki Asamiya: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, six Thunderbird Necklaces of Eternal Love appeared on the necks of Saki Asamiya, Kiyomi Arai, Mika Katou, Shizuka Nakamoto, Mami Shimura, and Reiko Takagi with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, and they also have on their new Elemental Thunderbird Chokers of Eternal Love on their necks too.

Maria: And we already saw the fight in the control room, that was one gory bloodfest, and those vampires you guys faced were monstrous and evil.

Lincoln: Lucy did say they matched the vampires of ancient folklore.

William: Sheesh. But, you guys did it, you stopped The Stranger from cutting off the remaining townspeople of Barrow and warned them of what was coming, and you sent Marlow and the rest of those vampires to The Black Gates for good.

Nico: And in doing so, preventing the vampire massacre. I saw the vampire massacre in the movie and it was really gory and gruesome.

Me: They had no disregard for anyone's life whatsoever.

Lincoln: They were driven by hunger and destruction, and that absolutely disgusts me and it's an absolute disgrace to the vampires that we know.

Lori: And to you and Lucy as well, Lincoln.

Lincoln: That's right.

Nico: Either way, those inhuman monsters got what they deserved.

Eli: That's right.

Lincoln and Luna Isdrage have a lot of catching up to do, now that she's back in town.

---

After destroying the vampires and preventing the vampire massacre at Barrow, Alaska, we were training intensely in the gym, this time, doing 500,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Luna Isdrage saw Lincoln working out like crazy, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Luna Isdrage: (Norwegian Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Luna, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Luna Isdrage: (Norwegian Accent) That's incredible.

Nico: It sure is. So, Luna, what's the story on why you hated Lynn with a burning passion?

Luna Isdrage: (Norwegian Accent) You're not going to like this tale. One day, I was with Lincoln, and I was having him try out and model some new clothes that I designed for young men, everything from suits for weddings, graduation, and fancy social parties to swim trunks and speedos for summer and bodybuilding competitions. I was having him model a large orange speedo, but what he didn't know is that I made the speedo for him, and when he knew it was in his favorite color, he had an atomic red blush upon his face, and so did I, and I began noticing just how much he's changed physically, and he was now a towering and attractive man and he was also extremely muscular. But, then, we heard the sound of stampeding footsteps, and Lincoln also smelled the stench of unwashed feet and smelly gym clothes, and he knew who it was: it was Lynn, and she was extremely pissed again. She was almost about to break down the door in a fit of rage, and Lincoln was ready for her, but I decided to attack first. Lynn broke the door down, and before she could attack Lincoln, I pulverized her badly and I broke her arms, legs, teeth, and nose, and I even turned Lynn into a human donut. We told Mr. and Mrs. Loud, and Lynn was grounded for ten weeks for what she'd tried to do.

We cheered wildly for what Luna Isdrage did to Lynn.

Me: Whoa, you guys were really ready for her.

Lincoln: We sure were. And to show my thanks to her for what she's done to defend me from bullies especially Lynn, we went to a beach, and Luna was dressed in a two-piece marine blue bikini and blue sandals, and I was in the orange speedo she made for me along with orange sandals, and then, I was on top of her and I kissed her on the lips, and she returned it as she wrapped her arms around my back and I wrapped my arms around her body.

Luna Isdrage: (Norwegian Accent) I had no idea of just how good a kisser he really is, and I also felt just how much more muscular Lincoln's gotten, all thanks to all that working out in the gym and all that training the other Guardian Angels gave him, and I was impressed.

Nico: Now, that's really romantic.

Me: You said it, and that's just Lincoln's way of thanking his Guardian Angels for always protecting him not only from bullies, but from Lori, Lynn, Lola, Lisa, and Luan.

Luna Loud: A.K.A. The Heartless Loud Five. It's a name I made up for the five meanest sisters in our family.

Nico: Nice name.

We got a shower afterwards, and then, Lincoln and his harem are heading off to meet Retsu Ichijouji A.K.A. Space Sheriff Gavan and destroy Horror Girl.

Lincoln: This is going to be so awesome meeting Retsu Ichijouji A.K.A. Space Sheriff Gavan.

Rudina Adalwulf: Yeah, and we're also going to destroy Horror Girl.

Frosta: That'll be left to me and Linky, Rudina.

Luna Isdrage: (Norwegian Accent) You said it.

Just then, they saw Retsu Ichijouji battling against Horror Girl, and she's also got an army of Beast-Alien Doublemen with her. Lincoln and his harem went to help and he fired powerful rainbow energy balls and elemental forces at Horror Girl and her army, and they were destroyed.

Retsu Ichijouji: Lincoln Loud of Team Loud Phoenix Storm?

Lincoln: That's right, we were planning on meeting you, but it looks like Horror Girl decided to speed that up.

Frosta: In any case, we're here to help you take her down.

Retsu Ichijouji: I would be honored.

Horror Girl: Then, you will all die here together, and it will break your stupid sisters' hearts when I kill you and every last bitch in your harem!

Lincoln: No one threatens the lives of my harem and my entire family and gets away with it, Bird Brain!

Frosta: Yeah. Today, you will die here and now, along with the entire Makuu Space organization.

Retsu Ichijouji: Jouchaku!

Retsu Ichijouji had transformed into Space Sheriff Gavan.

Lincoln: So awesome. You ready, Frosta.

Frosta: Yeah.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and Frosta transformed into her Super Angel Eternity Infinity form, and they went after Horror Bird, and they fired powerful blasts of rainbow energy, white and marine blue energy, laser blasts, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, rainbow super lightning, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, and Angels at Horror Bird, and they exploded with incredible power as they hit her.

They also attacked her with their massive greatswords and Space Sheriff Gavan attacked her with his Laser Blade, and left painful and nasty scars on her.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) Let's end her with a powerful combo.

Retsu Ichijouji: Understood.

Frosta, Lincoln, and Retsu Ichijouji: SPACE SHERRIF DELTA DYNAMIC ETHERIA ICESTORM BLAST!

Frosta, Lincoln, and Retsu Ichijouji fired massive ice blasts at Horror

Bird, and they exploded with incredible power, killing her for good.

Horror Bird: No, impossible! Don Horror, forgive me!

Horror Bird exploded, and she was dead, and she was given The Black Gates. Lincoln and Frosta holster their massive greatswords on their backs and power down, and Retsu changed back.

Retsu Ichijouji: Thank you very much for what you did in helping me get rid of Horror Bird, Lincoln and Princess Frosta. But, this'll also mean the Makuu Space organization will also be on you as well.

Lincoln: There's no need to worry, Retsu, we'll take them down as well. We've taken down the most dangerous villains from the Power Rangers and Super Sentai series, along with the most dangerous villains from the Kamen Riders series as well, along with many other dangerous villains.

Retsu Ichijouji: That's right, I remembered seeing some explosives in Japan, I knew it was all of you.

Girl Jordan: Wow, you were keeping track of all of our adventures.

Retsu Ichijouji: That's correct, Girl Jordan. And I think because of that explosion, there's no doubt that Nico and J.D. are going to come here at once.

Just then, me and Nico arrived.

Lincoln: You really are good at keeping track of our adventures.

Me: Guys, we just saw a powerful explosion in Japan, are you all okay?

Lincoln: We're okay, J.D., and there's someone that's been wanting to meet you and Nico.

Nico: And who would… that be?

When we saw Retsu Ichijouji, our eyes went wide with surprise and awe.

Nico: Oh, no way, Retsu Ichijouji A.K.A. Space Sheriff Gavan from Uchuu Keiji Gavan?!

Retsu Ichijouji: That's correct, Nico, and it's an honor to meet you and J.D. Knudson.

Me: We've heard so much about you. Wait, so that was one of your villains you, Lincoln, and his harem fought against?!

Lincoln: Not just any villain, J.D., it was Horror Bird, Don Horror's secretary.

Nico: Not that secretary of Don Horror again.

Lincoln: Yep. Now, to take care of the Dimension Conversion Switch, so it can never be used to produce the Makuu Space.

Lincoln fired a powerful rainbow energy blast, and it destroyed the Dimension Conversion Switch.

Lincoln: Now for the grand finale. CRIME ORGANIZATION MAKUU GENOCIDE BLAST!

Lincoln fired a massive barrage of rainbow energy blasts, which hits every single member of The Space Crime Organization Makuu, and every last one of them were obliterated and given The Black Gates for good.

Retsu Ichijouji: Impressive work, Lincoln. And I have something for you to give to Orion.

Retsu Ichijouji handed Lincoln The Gavan Ranger Key.

Lincoln: Orion is really going to be surprised when he gets this, and we also got a surprise for you, Retsu. How would you like to join Team Loud Phoenix Storm? You knew the Gokaigers from long ago, and you'll be intrigued to meet their American counterparts, the Megaforce Power Rangers.

Retsu Ichijouji: I would be honored.

We came back to the World Tree Estate, and Lincoln told everyone what happened, and they were all stunned with awe, and Lincoln gave Orion the Gavan Ranger Key, and Retsu Ichijouji was now a member of the team.

---

We later were in the park for some bonding time.

May: Sunny, you and Musa are up for bonding time.

Musa: Sweet!

Sunny Bridges: Gnarly and rockin!

Qin: Yeah!

Lola: Awesome!

Musa: Sunny, I'll never regret meeting you.

Sunny Bridges: Me neither Musa.

Me: Those were some of the most awesome musical missions ever.

Laney: They sure were.

Lola: Yeah.

Lana: I'll say.

Sunny Bridges: We actually had several exciting adventures before meeting you guys.

Philly Phil: Like the time the government thought I was an alien.

Me: That was crazy.

Qin: Yeah you are not an alien.

Laney: Yeah.

Camie: I can't believe they thought that.

Airazor: Yeah that is really crazy.

Lil D: And not's not forget that a yeti was rumored to be in Atlanta.

Nico: I heard all about that.

Me: Yeah no kidding.

Rhinox: At least there was no yeti there.

Laney: I agree Rhinox.

Eddie: Let's not forget when me and Tamika were in a play for Rapunzel together.

Tamika: Your parents made changes to the script.

Nico: Really?

Eddie: Yep.

Me: Whoa.

Rapunzel: I don't like the sound of that.

Musa: I still won't forget how the Eastley kids tried to soak us.

Nico: Yeah me neither.

Me: Those guys did thousands in property damages.

Camie: Yeah they sure did.

Lola: No kidding there.

Madison: But I really liked how we took Big D down.

Me: Yeah that was so fun.

Camie: It sure was. That was the most musical we've ever done.

Nico: It sure was.

Maria: There won't be any usual battles today.

Me: And good timing too. Because Mystery Inc. has called us again.

Nico: What's going on this time?

Me: 8 monsters are attacking a train while they are on a cross country trip.

Nico: Wonder why?

Eli: Yeah.

Me: That's what we tend to find out.

Nico: Yep and Vinyl, Lincoln it's your turn to shine next.

Vinyl Scratch: Rock on!

Emile: Let me help you guys.

Nico: You're always welcome to help us.

Me: Yeah.

Maria: Yeah. Also Nico which Gene-slammer do you hope to meet next?

Nico: I'm hoping to meet a gene-slammer for Mega Moltres.

Me: The last of the mega versions of the 3 Legendary Birds.

Nico: Yep.

Qin: Yeah.

Emile: This is the least I can do to thank you guys for saving me this morning.

Nico: No problem.

Qin: Awesome.

Nico: All right lets head out.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure was: it was none other than The Mane-Iac, and she's absolutely mad that Tanya Anyanova, Marlow and the vampires, and Horror Bird were destroyed by us, and now, that mad Joker-Pony's heading her to kill us all and get her revenge. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is The Mane-Iac on the move?

Lincoln: Lincoln: You guessed it, Nico, and she's absolutely mad that Tanya Anyanova, Marlow and the vampires, and Horror Bird were destroyed by us, and now, that mad Joker-Pony's heading her to kill us all and get her revenge.

Anna Anyanova: So, that mad Joker-Pony was the one who broke Tanya out of her prison?! I ought to string her up by her insane mane for this!

Nico: That insane pony's going to get it big time for what she's done, Anna, and it'll be at the hands of Nefertiti Somnambula, Somnambula, and Lincoln.

Lincoln: Yeah, and I've got a surprise in store for her.

Me: Which is something we're waiting to see.

Nico: Same here, J.D. Alright, gang, let's go, we've got a mystery on a train to solve.

Lincoln: Whoever's causing trouble there is in for some big trouble. And Mane-Iac, you better be ready, The Champions of Hope are coming for you, and you are going to pay for every last one of your crimes, you insane pony.

We were off.

We saw the train and it was a mystery train.

Nico: Here we are.

Me: Nice train.

Qin: Lets get on board.

We went on board the train.

Lola: Wow nice train.

Right: It's a little like ours.

Me: It does feel like it.

We then saw Fred and the gang.

Fred: Glad you guys could make it.

Me: Wouldn't miss this for anything.

Varie: Yeah.

Vinyl Scratch: So what's going on?

Fred: This is gonna be hard to explain.

We were told that there were 8 monsters running around. There was The Grim Reaper, Mummy, Tengu, Tarasque, Tzitzimitl, Haviner, Manticore and Hemogoblin. Monsters from each continent in 8 different countries.

Stewie: Well, fuck.

Nico: Well fuck is right.

Qin: This is gonna be huge.

Lola: Yeah.

Varie: But we're ready for them.

Maria: What do we know about each of them?

Fred: Well not much yet.

Death the Grim Reaper: But I do know for a fact that the Grim Reaper that you guys face is my archenemy.

Me: That we know.

Qin: Yep.

May: Where are each of them from?

Fred: Well the Mummy is from Egypt, The Tengu is from Japan, The Tarasque is from France, The Tzitzimitl is from Mexico, The Haniver is from America, The Manticore is from Turkey and the Hemogoblin looks like it's from America too.

Me: Hmm. Something is going on and it obviously is a massive international ring.

Maria: We'll need to split up to defeat each one.

Nico: Good idea. J.D. since Death is the archenemy of the Grim Reaper, you and Death will face that one.

Me: Right.

Nico: May, you and me will face the Tengu. Lincoln, you and Vinyl will face the Mummy. Ronnie Anne, you and Twilight Sparkle will face the Tzitzimitl, Qin you and Xenia face the Tarasque, Bloom you and Yost Reed will face the Manticore, Valon, you and Bella Huffington will face the Hemogoblin and Sunset Shimmer you and Ratchet will take down the Haniver.

William: And the rest of us?

Nico: You help Mystery Inc. search for clues and see what those monsters are after.

William: Right!

Nico: All right lets move!

We got to work.

Clank: Ratchet, there should be a clue to the whereabouts of the Haniver.

Ratchet: Hmm.

Sunset Shimmer: There has to be one here.

They heard a roar and then they saw it! THE HANIVER!

Haniver is a large, blue creature that resembles a reptilian ray with two rows of teeth, a long tongue and two legs with white claws.

Sunset Shimmer: It's ugly!

Ratchet: Lets get him!

They fired waves of fire and energy and blasted it down and knocked it out.

Ratchet: That was easy.

They tied it up.

May: The Tengu's here somewhere.

Nico: It's close.

They found it in the kitchen.

Tengu has an appearance of a red bird with a yellow beak and feet, grey feathers wings and wears a green kimono with dual swords.

Nico: Time for a sword battle.

May: Lets get it.

They went at it and clashed with the monster and then Nico kicked the swords out of its hands and May kicked it in its face and they knocked it out and tied it up.

Bloom: Reed, are you wishing that your Susan, Ben, and Johnny are with us right now?

Yost Reed: Yeah I sure am.

Then then saw THE MUMMY!

The Mummy looks like an Egyptian mummy with bandages wrapped over gray-blue skin and glowing, yellow eyes

Bloom: There's the Mummy!

Yost Reed: Ugly. Lets get it!

Bloom fired energy blasts and smashed it all over and then Yost Reed used his super elasticity and tied him up.

Bloom: I hope you don't stretch like that for too long.

Yost Reed: I'll be all right.

Bloom smiled.

Bloom: Just to be sure. (knocks the mummy out)

Yost Reed: Nice one.

Emile: There should be clues here somewhere.

They looked around and found some clues and they found out that they were after a flower of some kind for a chip.

Xenia: You enjoying the mystery so far, Qin?

Qin: I sure am.

Xenia: Cool.

Then they saw the Tarasque!

Tarasque resembled a large turtle with a lion-like head and a dragon's tail.

Qin: The Tarasque!

Xenia: Ugly.

Qin and Xenia fired waves of energy and blasted it down and tied it up.

Vinyl: I get a chance to shine with you today, Lincoln. How cool is that?

Lincoln: It's gnarly and awesome.

Vinyl: Yeah it sure is.

Then the Manticore appeared!

Vinyl: Looks like the target we got switched with the Mummy.

Lincoln: Yep. Lets get him!

They fired waves of lightning and energy and smashed him down and tied him up.

Valon: (Australian Accent) Think we should visit the Brave Little Toaster in the future.

Bella Huffington: (Australian Accent) I agree there mate. Soon we will.

Then they saw the HEMOGOBLIN!

Valon: Ugly bloke!

Bella Huffington: I agree mate!

They fired waves of energy and blasted him down and they tied him up.

Twilight: Our target's here somewhere.

Ronnie Anne: Yeah I feel it.

Then they saw the TZITZIMITL!

Tzitzimitl resembles an old skinny woman, with brown-grey skin, a gaunt body and face as well as short batwings attached to the lower ends of her arms, and short dark brown hair seemingly only growing on the top of her head. She's dressed in a long flowing red Mayan skirt along with a black sleeveless top and a large red collar with golden bones spread over it. She also has a brown Mayan mask in the shape of a spider's face with four orange eyes and a large red and brown headpiece in the shape of a half-circle and decorated with golden lightning bolts and golden skulls. Her accessories consists of six golden wrist bands on both wrists, three golden armbands on both biceps, eight golden rings around her bony neck, a pair of golden triangle-shaped earrings, and a red belt with a golden buckle depicting the face of Kisin (the Mayan god of death).

Ronnie Anne: Ay caramba!

Twilight Sparkle: There she is. Lets get her!

They fired waves of magic and energy and smashed her down and tied her up.

Me: Come on out reaper.

Death: He's close.

Then we saw THE GRIM REAPER!

We clashed with it and smashed it down and tied it up.

We brought them all together.

Me: That's that.

Nico: Lets see who our monster friends are.

Nico pulled off their masks and revealed them.

Nico: (GASP) I know all you guys! Tobor from Belgium, Ichi Lee from Japan, Saleem from Egypt, Aban from Iraq, Francoise from France, Charlotte from England Rosa from Mexico and Rachel from Canada! I was looking for you guys for years long before I joined the team.

Me: You know these clods?

Nico: I sure do. I've been trying to help the CIA and the FBI and INTERPOL catch them. This was all part of a huge International Spy Ring.

Fred: That's right. We guessed that each monster was an International Agent sent by their respected countries to sneak on this train and steal the chip.

Shaggy: So the chip was hidden inside the flower I picked to help Scooby get in disguise.

Nico: That's right Shaggy. It was a special artificial flower with the chip hidden inside it then placed among the crates of flowers.

Daphne Blake: The only thing the agents knew was that they were looking for a flower as their target.

Fred: So naturally sneaking on the train posed as monsters from each of their all thought they could find the flower and scare the passengers enough that the train would be stopped and evacuated.

Velma: The Manifest revealed that there were most passengers than the tickets sold. So if the train had stopped and they checked the manifest it would look like the passengers were off the train and they would make a clean getaway without anyone knowing they were there. There was one problem. They couldn't find the right flower.

Daphne: And once they realized the only flower left was the one in Scooby's hat…

Shaggy: (Chuckles) They were all after my poor mother.

Scooby Doo: Aww thanks son. (Laughs)

I got the flower and took the chip out.

Me: Hmm. All this just for this chip.

Nico: This is not just any ordinary chip J.D. I would share this with you all but I'm afraid this is all classified. I have to get this chip over to the C.I.A. immediately. But we all helped them today.

Laney: Wow. But yeah we did.

Me: You spies are looking at some hard time in the slammer.

Nico: 50-60 years of hard time for trying to put that chip in a flower. Awesome job, gang, but we're not done yet, we still got The Mane-Iac to deal with, and that insane Joker-Pony should be arriving… right now!

?: (INSANE LAUGHTER) You will all pay for ruining my plans to get rid of you, Team Loud Phoenix Storm!

Spike the Dragon: Oh man, I knew there's no mistaking that insane fiendish laugh from anywhere. You can come out now, Mane-Iac.

A tendril came right at us, but Lincoln grabbed it and he slammed it and the figure it was attached to onto the ground, the figure was none other than The Mane-Iac.

Nico: The Mane-Iac, The Power Ponies' most dangerous and insane hair-themed archnemesis.

Rarity: Never thought we'd have to run into that disastrous monster again.

Mane-Iac: (LAUGHING INSANELY) You have ruined my plans to finally destroy you all, that insane lunatic, Tanya, the vampires, and Horror Bird have all failed and now, I will destroy all of you!

The Mane-Iac was about to attack yet again, until Nefertiti Somnambula fired a powerful light scarlet energy blast and it hits The Mane-Iac.

Mane-Iac: (Insane Laughter) And who's this, my next victim?!

Nefertiti Somnambula: Someone who refuses to stand here and let you hurt my friends and who's had enough of you, you insane lunatic. (Light Scarlet energy aura flares up) I am Nefertiti Somnambula, Champion of Somnambula, one of the Legendary

Pillars of Equestria and the Egyptian Pegasus who defeated The Sphinx, and one of the 27 girls chosen by The Elements of Harmony to be The Champion of Sorcery.

This horrified The Mane-Iac badly.

Mane-Iac: Impossible, The Champions of Harmony have returned?!

Suddenly, Nefertiti Somnambula's violet eyes turned neon violet and she was surrounded by a light scarlet energy aura with Alicorns, desert magic, sands of Egypt, and Egyptian hieroglyphs, she unholstered her massive Sword of The Champion of Harmony, and as she approached The Mane-Iac, she left light scarlet energy, Alicorns, desert magic, Egyptian hieroglyphs, and sands of Egypt with every step.

Nefertiti Somnambula: Mane-Iac, I will never ever forgive you for the crimes you committed against Equestria. You are an insane monster who's caused so much terror and destruction for your own self-amusement, and what you've done in the comic book world you came from can never be forgiven, and now, I will meet out the punishment that you rightfully deserve: death.

Suddenly, Nefertiti Somnambula was surrounded by a massive vortex of light scarlet energy with desert magic, sands of Egypt, and Egyptian hieroglyphs surrounding it, there's an Alicorn flying around the vortex, and in the vortex is a dark arctic blue and moderate turquoise phoenix. Then, as the vortex faded, Nefertiti Somnambula emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Nefertiti Somnambula has on her Ring of the Phoenix with large light scarlet gem and heart-shaped gem embedded in it on her right ring finger and Blue Lantern Corps ring on her left ring finger.

Suddenly, Nefertiti Somnambula's massive Sword of The Champion of Harmony and all of the swords she'd gotten began merging together, and they were surrounded by a kaleidoscope of light scarlet energy, desert magic, Egyptian hieroglyphs and Alicorns, and when it emerged, it was transformed into Somnambula's Egyptian Alicorn Greatsword of Egyptian Desert Hope and Desert Magic Justice, it's a brand-new massive greatsword with a 7'0" massive, wide, double-edged light scarlet blade with the cutie mark of Somnambula etched on the blade, large gold Alicorn heads for the crossguard, large dark winter blue and moderate turquoise gem embedded in the rainguard, longer black handle, and large gold Alicorn heads with violet gems for eyes and a large light scarlet gem on the bottom of the heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with light scarlet gems on her wrists, her Belt of Elemental Bravery with an Alicorn for the belt buckle and violet gems for the eyes and a large moderate turquoise gem in its collar for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. Nefertiti Somnambula has transformed into SUPER ANGEL-ALICORN ETERNITY INFINITY EGYPTIAN HOPE FRIENDSHIP ALICORN ANGEL OF DIVINE DESERT HOPE FRIENDSHIP AND DIVINE EGYPTIAN DESERT HOPE!

We were amazed by Nefertiti Somnambula's Super Angel-Alicorn Eternity Infinity transformation, but when The Mane-Iac saw it, the really insane pony tried to send one of her wild tendrils at her, but she deflected it with her Elemental Shield of Harmony and she fired a powerful light scarlet energy blast with Alicorns, desert magic, Egyptian hieroglyphs, and sands of Egypt at the insane pony, and it exploded with incredible power as it hit her and split one of the tendrils off, but she's still not out yet.

Nico: Whoa, Nefertiti Somnambula's transformed, so awesome.

Ken Knudson: And now, it's Somnambula's turn to transform.

Nefertiti Somnambula: (Divine Echoing Cosmic Voice of The Egyptian Hope Friendship Alicorn and Divine Egyptian Desert Hope) **That's right, Ken.**

Somnambula: Yes, and now, it's my turn.

Suddenly, Somnambula's grayish blue violet eyes turned neon grayish blue violet and she was surrounded by a light scarlet energy aura with Alicorns, desert magic, sands of Egypt, and Egyptian hieroglyphs, she unholstered her massive Sword of The Knights of The Friendship Table, and as she approached The Mane-Iac, she left light scarlet energy, Alicorns, desert magic, Egyptian hieroglyphs, and sands of Egypt with every step.

Somnambula has transformed into SUPER ANGEL-ALICORN ETERNITY INFINITY EGYPTIAN HOPE FRIENDSHIP ALICORN ANGEL OF DIVINE DESERT HOPE FRIENDSHIP AND DIVINE EGYPTIAN DESERT HOPE!

We were amazed by Somnambula's Super Angel-Alicorn Eternity Infinity transformation, but when The Mane-Iac saw it, the really insane pony tried to send one of her wild tendrils at her, but she deflected it with her Elemental Shield of Harmony and she fired a powerful light scarlet energy blast with Alicorns, desert magic, Egyptian hieroglyphs, and sands of Egypt at the insane pony, and it exploded with incredible power as it hit her and split one of the tendrils off, but she's still not out yet.

Nico: Whoa, now Somnambula's transformed, that's another Pillar of Harmony who's transformed.

Somnambula: (Divine Echoing Cosmic Voice of The Egyptian Hope Friendship Alicorn and Divine Egyptian Desert Hope) **Yes, that's correct. Now, Lincoln, Nefertiti, shall we show this insane pony what happens when dares to mess with those who bring hope to others in times of great need?**

Lincoln: (Smiles) Of course, Somnambula.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Somnambula and Nefertiti Somnambula.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **You've terrorized the innocent ponies of Equestria for far too long, Mane-Iac. Now, it is time to administer your punishment and you shall suffer the consequences for your depraved crimes.**

Nefertiti Somnambula, Somnambula, and Lincoln went after The Mane-Iac, who continued sending her wild tendrils at them, but they cut them all down with their massive greatswords and made her bald as an egg, and they fired powerful blasts of rainbow energy, light scarlet energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, rainbow super lightning, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, and Angels at The Mane-Iac and they exploded with incredible power as they hit her, and she was being burned badly by The Magic of Friendship. Then, they attacked her with their massive greatswords and they left painful scars on her, and because of the purity of the attacks, it burned her badly, and the wounds she suffered would never heal.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) Now, for my surprise.

Suddenly, Lincoln's skin turned radioactive green, and he suddenly grew both in height and in muscle as his abnormally massive and powerful upper and lower body muscles grew even more bigger and veins protruded on his body, and it also caused his long royal blue pants to rip and turn into shorts, and when the transformation is finally done, he let out a massive roar and he flexed his now even more bigger abnormally massive and powerful muscular arms. Lincoln had transformed into HULK LINCOLN.

CLANG!

Our jaws dropped to the floor when we saw that, and when Lincoln's harem saw him in his new Hulk Lincoln form, they had atomic red blushes on their faces, hearts in their eyes, and noses bleeding.

Nico: HOLY CRUD!

Me: Now, that I wasn't even expecting, but wow!

Hulk Lincoln glared at The Mane-Iac who was now really scared and tried to run away, but he grabbed her by her leg and he began smacking her down side to side like Hulk did to Evil Loki, and then, he'd punched the ground really hard and sent her flying into the air, and that allows Nefertiti Somnambula, Somnambula, and Hulk Lincoln to finish The Mane-Iac off by firing powerful energy beams at her and they overwhelmed The Mane-Iac, and they explode with such incredible power, killing her for good. We cheered wildly for what Nefertiti Somnambula, Somnambula, and Hulk Lincoln did to The Mane-Iac as they holstered their massive greatswords on their backs and power down and Lincoln changed back to normal and he shrunk back to 7'5" and his royal blue pants repaired themselves, and the new bodies, clothes, weapons, jewelry, and massive angel wings of Nefertiti Somnambula and Somnambula are permanent.

Then, as The Mane-Iac's spirit appeared, the cutie marks of The Mane 9 on the massive Celtic Cross cutie mark tattoo on Lincoln's wider and more muscular back glowed, along with the cutie marks of The Mane 12 and the Elements of Harmony on my sword, and The Mane-Iac's spirit was surrounded by a magic circle with the cutie marks of The Mane 12 that formed on the ground, and she was chained up by chains of magic and rainbow energy, and the energy images of The Mane 12 appeared from the cutie marks on the circle, and they found her guilty of his crimes, and the energy images of The Mane 12 aimed their horns at The Pony of Shadow and Lincoln aimed his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds at The Mane-Iac.

Lincoln: Mane-Iac, for the multitude of crimes you've committed against Equestria, along with what you've done in the comic book world, you have been found guilty, and the punishment for your crimes is death.

This horrified The Mane-Iac greatly, as she soon saw her days of chaos and havoc are about to come to an end.

Lincoln: MANE 12 HARMONIOUS CUTIE MARK FINAL JUDGEMENT!

Lincoln fires a very powerful barrage of rainbow energy beams with Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, rainbow super lightning, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, and Angels from his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds and the energy images of The Mane 12 fired colored magic energy beams from their horns, and as they hit The Mane-Iac's spirit, they exploded with incredible power and her evil spirit was condemned to The Black Gates, and she was fading away.

Mane-Iac: NO! CURSE YOU, DAMN YOU ALL, TEAM LOUD PHOENIX STORM! (INSANE LAUGHTER)(Fades Away)

The Mane-Iac's spirit was erased from existence by the spirits of all those she's hurt, and she'll never return to hurt anyone again. THE INSANE TERROR OF THE MANE-IAC IS FINALLY OVER!

Eli: Whoa, Lincoln, so that was your big surprise?!

Lincoln: (Smiles) Yep, I've unlocked a brand-new hero form that I call Hulk Lincoln, and this was due to when we first stopped Ross when he came back and I sucked out and absorbed all of that gamma radiation.

Nico: That's right. (Laughs) But, that was one awesome Hulk-sized surprise, Linc, and you smacked down The Mane-Iac in the same manner that Hulk did to Evil Loki, so awesome!

Lincoln: Thanks, Nico.

Fluttershy: And you knew of what happened when that meanie swatted that little firefly, right?

Lincoln: Yep, I channeled the anger and that's exactly what happened.

Rarity: And your pants repaired themselves after you changed right back, that was amazing.

Lincoln: That's right.

Nico: Awesome job, gang, not only solved another mystery and throw those in prison for good, but we also got rid of The Mane-Iac for good.

Lincoln: Which means, the next member of The Doomsday 23 to take down and destroy tomorrow is the malevolent tyrant of the Crystal Empire, King Sombra the Evil.

Me: Yeah, tomorrow, Judgement Day is coming for that demonic unicorn, and he will pay for every last one of his crimes in blood!

Nico: Yeah, and that'll be left to Merida McLogan, Rockhoof, and Lincoln to meet out that monster's punishment.

Lincoln: That's right, Nico, and what he's also done to Princess Amore can never be forgotten nor ever forgiven, and to us, that's a serious line he's crossed, and now, he's going to pay with his life.

Rudina Adalwulf: Oh, Linky.

Nico: Uh, Linc, I also have to tell you this, but…

Suddenly, Lincoln was ambushed by all of the girls in his harem and he was covered in lipstick marks all over his face and abnormally massive and powerful muscular body, and he had a goofy smile on his face, hearts in his eyes, nose bleeding, and steam whistling out of his ears.

Lincoln: (Dreamy Voice) I'm… in… Heaven!

We had a laugh, and at the same time, we were very proud of Lincoln.

Nico: Lets get these 8 carted off to the Slammer and head home.

We nodded.

French Spy: (Speaking in French) Les enfants se mêlent. (Meddling kids)

Other spies: Huh?

Nico: He said Meddling Kids in French.

Spies: Oh.

We got them arrested and sent to prison. Nico brought the chip over to the CIA and reported how we all caught the spies and got the chip and we were given S-Rank Mission credit for it.

The spies all got sentences of Life Without Parole in the Neptune Prison for Traitors and they were all placed in the Solitary confinement Supermax Section.

Me: I hope this planet is gonna be just as awesome as so many others we went to.

Camie: I have a feeling it will be cool.

Tsuyu: Yeah it sure will be.

Pohatu: I'm really looking forward to this one.

Eiji: Yeah me too!

Nico: Thanks for coming with me, Pohatu.

Pohatu: Anytime Nico. It's gonna be awesome.

Eli: I have a feeling this planet is gonna be cool.

Nico: Pohatu, you must've really loved helping to kill Evolt.

Pohatu: Oh you bet I did. He had it coming for a long long time.

Me: I agree there. Evolt has caused so much damage to the world of the Build Kamen Riders because of the Skywall and his inhumane experiments and destroyed so many planets.

Sento: He sure has.

Rainbow Dash: Yeah what he did was terrible beyond all words.

Varie: That is a massive understatement.

Qin: Countless people died because of him.

Gentoku: You are not kidding there Qin.

Xenia: Yeah what he did was completely unforgivable.

Nico: He was by far probably the most powerful of Dai Shocker.

Me: No kidding there.

Camie: Yeah but he was no match for the power J.D. had.

Me: In the end the power of a god triumphed.

Rhinox: That it did. It's hard to imagine that Evolt was that dangerous to the entire universe.

Qin: Yeah no kidding there.

Pohatu: But we destroyed everything he worked to do and made sure that he paid for his crimes times ∞ with the Black Gates.

Varie: That s for sure.

Xenia: Yeah thank goodness.

Toru: No kidding.

Maria: Boy those ten years that Sento and the people of Japan went through were a living nightmare.

Me: Yeah they sure were.

Maria: Nico, what was that chip for anyway?

Nico: (sighs) Okay, I guess sharing with you guys won't kill me.

Me: Nico please don't say stuff like that.

Nico: Sorry. But that chip was for a special military cloaking system to make our tanks, fighter jets, submarines, battleships and military transport vehicles completely invisible to radar.

Me: I've heard of this kind of technology and it was in the development stages.

Eli: Yeah.

Nico: That's right.

May: That actually is pretty useful.

Me: Yeah it sure is. It would give us complete control over the element of surprise.

Leni: The surprise is what?

Lisa: Leni it means that it would provide us with a winning advantage in not seeing us come for them.

Nico: That's right.

Qin: Yeah it sure would.

Maria: But it still hasn't been developed, right?

Me: We're still working on the technology to put into our Military.

Qin: Yeah. But that was awesome that we stopped a massive international spy ring.

Nico: Yeah it sure was cool. You guys helped me out in completing a massive mission that I was on since before I joined the team. I'm sorry I had to keep this a secret.

Me: No worries Nico. It's because you were sworn to secrecy from the C.I.A.

Nico: Good.

Rainbow Dash: But that was awesome.

Nico: Yeah.

Gaon: So, J.D. That Sonic Rainboom. When did you first see it? In 2020 or 2021?

Me: It was in 2020. It was during the week Nico gave me to help recruit new members for the Knights of The Friendship Table.

Eli: Right! I heard about that week.

Nico: Yep. I gave him a week vacation to help recruit new members for the team for that branch of the team.

Me: Yep. But the Sonic Rainboom was awesome.

---

Somewhere just outside the Everfree forest, Rainbow was apparently coaching Fluttershy. The yellow Pegasus looked rather focused as the blue Pegasus was instructing her.

Rainbow Dash: Now, what have we learned?

Fluttershy: Lots of control.

Rainbow Dash: Good.

Fluttershy: Screaming and hollering.

Rainbow Dash: Yes, and most importantly?

Fluttershy: Passion!

Rainbow Dash: Right! So now that you know the elements of a good cheer, let's hear one.

Fluttershy: [inhales] Yay.

Rainbow Dash:… Ugh. You're gonna cheer for me like that? Louder.

Fluttershy: Yay.

Rainbow Dash: Louder!

Fluttershy: Yay.

Rainbow Dash: LOUDER!

Fluttershy: [deep breath] [quietly] Yaaay.

Rainbow Dash: Ugh…

[thud]

Fluttershy: Too loud?

Rainbow began to stand upon a nearby cloud. Fluttershy watched her from the ground below.

Fluttershy: Yay.

Rainbow Dash: [deep breath] And now, phase one of my routine.

Rainbow as she flew down and began to maneuver between a series of green trees and zoomed past Fluttershy from above.

Fluttershy: Wooo.

Rainbow Dash: Phase two.

Rainbow aloud as she flew up to some clouds and began to fly about them at high speed, making them spin in place without deteriorating.

Fluttershy: Way to go.

Rainbow Dash: Here we go. Phase three. The sonic rainboom.

Rainbow then flew as high as she felt necessary. She then began to fly downward at high speed, leaning one hoof forward as she attempted to rapidly increase her speed.

Rainbow Dash: C'mon! [grunt]

Rainbow grunted as her slipstream began to change shape into a sharp V as she poured everything she could to make herself go faster. But suddenly…

Rainbow Dash: Uh-oh. [scream]

Rainbow screamed as she sent flying out of control.

Twilight had just finished placing a book back on the shelf in her castle library.

Twilight Sparkle: [sigh] Last one. Thank you so much for helping me clean up all these books, guys. It was a crazy week of studying.

Me: Whew! You're not kidding. But we learned so much about magic and the history of Equestria too.

Rainbow Dash: [screams]

Me: INCOMING!

The four ponies and me grunted as Rainbow came barreling through the window and made a crash landing inside of the library, knocking all the books off the shelves and onto the floor. Fluttershy flew in from the window a few seconds later.

Me: Ouch.

Twilight Sparkle: [grunt]

Pinkie Pie: [grunt]

Applejack: [grunt]

Fluttershy: Rainbow Dash, you rock! Woohoo. [gasp] Did my cheering do that?

Me: Ow! No Fluttershy it didn't.

Rainbow Dash: Hehe. Sorry about that J.D. and ladies. That was a truly feeble performance.

Fluttershy: Actually, it wasn't all bad. I particularly liked it when you made the clouds spin.

Rainbow Dash: Ugh. I'm not talking about my performance, I'm talking about yours. That feeble cheering!

Twilight Sparkle: What are you two arguing about?

Fluttershy: Were we arguing? I'm sorry.

Me: No you weren't arguing.

Rainbow Dash: [grunt] I wish you guys could come to Cloudsdale to see me compete in the Best Young Flyer Competition.

Twilight Sparkle: What's that?

Pinkie Pie: It's where all the greatest Pegasus flyers get together and show off their different flying styles! Some are fast! [makes car sounds] And some are graceful. Whoa, whoa, whoa!

Me: I would love to see that R.D.

Applejack: Golly. I'd love to see you strut yer stuff in that competition.

Me: Me too.

Rainbow Dash: Yeah. I wish you guys could be there. Fluttershy's a great support, but her cheering isn't exactly inspirational.

Me: Well you know how quiet she usually is R.D.

Pinkie Pie: Ooh! I'd love to see you make a sonic rainboom! It's like, the most coolest thing ever! Even though I've never actually seen it, but I mean come on! It's a sonic rainboom! How not cool could it possibly not be?!

Twilight Sparkle: What's a sonic rainboom?

Pinkie Pie: You really need to get out more. The sonic rainboom is legendary! When a Pegasus like Rainbow Dash gets going sooo fast… Boom! A sonic boom and a rainbow can happen all at once!

Me: Like a Rainbow Sonic Shockwave.

Applejack: And Rainbow Dash here's the only pony to ever pull it off!

Rainbow Dash: It was a long time ago… I was just a filly.

Me: I've never seen one before so this will be awesome.

Pinkie Pie: Yeah, but you're gonna do it again, right?

Rainbow Dash: Are… you kidding? I'm the greatest flyer to ever come out of Cloudsdale! I could do sonic rainbooms in my sleep.

Twilight Sparkle: Wow. If you pull that off, you'll win the crown for sure!

Me: You sure will.

Rainbow Dash: The grand prize is an entire day with the Wonderbolts. A whole day of flying with my lifelong heroes… It'll be a dream come true!

Fluttershy: Yay.

Me: You are a definite shoo-in to win that crown R.D. You definitely have what it takes and you are already in the Wonderbolts.

Rainbow Dash: I'm gonna go rest up. Don't wanna over prepare myself, y'know. Hehe. You, on the other hand, better keep practicing. I need a cheering section to match my spectacular performance.

Rainbow Dash left.

Fluttershy: She's practiced that move a hundred times, and she's never even come close to doing it. I don't know if I can cheer loud enough to help her.

Me: You can do it Fluttershy. Rainbow Dash needs all the support she can get.

Fluttershy: Thank you J.D.

Then Fluttershy left.

Twilight Sparkle: Well, guess we better get this cleaned up… again.

Me: Yeah.

Rarity: Go on, go on.

Twilight Sparkle: Go on what?

Rarity: Find a spell that will get us wingless ponies into Cloudsdale. Didn't you see how nervous she was?

Applejack: Nervous? Have you spit yer bit or somethin'? She was tootin' her own horn louder than the brass section of a marching band!

Rarity: Oh, puh-lease. I have put on enough fashion shows to recognize stage fright when I see it.

Me: Rarity is right. I've actually picked up on how nervous she was too. I was able to pick that up on her body language.

Rarity: We've got to find a way to be there for her. Now go on!

Twilight Sparkle: Owaa! (CRASH) Ugh. How am I supposed to find a flight spell in this mess?

Pinkie Pie: A flight spell? One sec. Page twenty-seven.

She picked up a book and threw it and it landed in front of Twilight.

Applejack: How'd you do that?

Pinkie Pie: It landed on my face when Rainbow Dash knocked me into the bookcase.

Me: Wow.

Twilight Sparkle: Here it is! A spell that will allow Earth ponies to fly for three days. Ooh, it looks really difficult… I'm not sure I can do it.

Me: Lets see.

I looked at the spell and it was complex.

Me: Wow this one looks tough.

Rarity: You've got to try!

Me: We got to at least give it a shot.

Twilight Sparkle: Okay… But who's gonna volunteer to be the test subject?

Rarity: I will! For Rainbow Dash, I will go first.

Me: Wow you are sure brave Rarity.

Twilight Sparkle: Here goes.

Me: (Cracks Knuckles) Here we go.

Twilight and me began to concentrate and made Twilight's horn and my hands glow. A band of magic that resembled a piece of silk lifted Rarity into the air. As Twilight and me increased our concentration, the magic wrapped around Rarity until she was completely wrapped up into it. The pony and me began to sweat as the magic became more intense. A small ball of light was created between Rarity and us before it suddenly burst. Me and Twilight screamed as they were sent flying backwards.

I crashed onto the ground.

Me: OOF! Whoa! That was intense!

Applejack: That was amazing!

Pinkie Pie: I didn't know you could use Magic now J.D.

Me: I learned a lot about the magic here when I was helping Twilight rekindle her friendship with her friends over in Canterlot.

The three ponies and me all gasped as we looked at Rarity, who was now shining multicolored prisms against the walls.

Applejack: [gasp]

Twilight Sparkle: I think it worked!

Me: Wow it sure did! But that is gonna be tough doing all that 2 more times. Luckily I have a plan B.

Twilight and the others looked at me curiously as he searched the scattered books.

Me: "I know we had shelved it around here… Hey Pinkie would you…"

Pinkie Pie: "Page 64!"

Pinkie called out as she tossed the book towards me so it opened on the exact page.

Me: "Hmm… let's see… that's it, and its much easier to perform and lasts indefinitely until we decide to reverse it!

Twilight Sparkle: "What is?"

Twilight asked puzzled until I presented her the book. Twilight read the page and smiled.

Twilight Sparkle: "J.D., I like the way you think."

Twilight answered and the others agreed.

We were going to Cloudsdale!

Meanwhile, Rainbow Dash and Fluttershy were flying to Cloudsdale.

Rainbow Dash: You've got to learn to be assertive, Fluttershy. Don't be afraid to speak up.

They landed just before a series of three Pegasi who worked nearby. It was three jerk bullies that Rainbow Dash knew named Dumb-Bell, Hoops and Score!

Dumb-Bell: Well, well, well. What do we have here?

Hoops: It's our old friend Rainbow Crash!

Dumb-Bell: Get kicked outta any flight schools lately?

Dumb-Bell, Hoops, and Score: [laughs]

Rainbow Dash: I didn't get kicked out.

Dumb-Bell: Face it, Rainbow Crash. Flight school had too many rules, and not enough naptimes for you.

Hoops: Huh, ask her about the sonic rainboom.

Dumb-Bell: That's nothing but an old mare's tale. You don't have the skills to try something like that.

Fluttershy: Now wait just a minute! Oh, I'm sorry. I'm trying to be more assertive. Anyhow… She is going to do a sonic rainboom!

Dumb-Bell: No she's not, 'cause there's no such thing!

Fluttershy: Then show up at the Cloudeseum and see for yourself!… If you're free.

Dumb-Bell, Hoops, and Score: [laughs]

Hoops: [within laughter] Yeah, I'll be free.

Dumb-Bell: Oh, don't worry. We'll be there!

Hoops: See you then, Rainbow Crash!

WHAT A BUNCH OF JERKS!

Fluttershy: Did you see that? I was so assertive!

Rainbow Dash: [sigh] Those guys are right. I'll never be able to do it.

Fluttershy: But Rainbow Dash, just because you've failed the sonic rainboom a hundred thousand times in practice doesn't mean you won't be able to do it in front of an entire stadium, full of impatient, super-critical sportsfan ponies.

Rainbow Dash: Aaaaaah! What do I do?! Everypony's gonna see me fail! The Wonderbolts will never let a loser like me join. Princess Celestia will probably banish me to the Everfree Forest! My life is ruined!

Fluttershy: Rare…

Rainbow Dash: Rare?! The sonic rainboom is way more than rare!

Fluttershy: Rarity?

Rainbow Dash: Rarity! Are you… flying?!

They saw Rarity flying and she had the most beautiful butterfly wings ever. Stunned at the sight. Rainbow turned around and saw Rarity flying above them with a pair of beautiful butterfly wings.

Rarity: I most certainly am! Aren't my wings smashing?! Twilight made them for me. I just adore them! Why so shocked? We couldn't leave our favorite flyer without a big cheering section!

Rainbow Dash: "We"?

Me, Pinkie Pie, Twilight Sparkle and Applejack came in a hot air balloon.

Me: Looks like we got here for the fun.

Rainbow Dash: I… I can't believe it!

Fluttershy: It's incredible!

Rainbow Dash: This is so cool! You guys made it!

Pinkie Pie: Sure did!

Rainbow Dash: Wait!

We got out and Pinkie was walking on the clouds. And I was walking on the clouds too because of my wings.

Rainbow Dash: How'd you do that? Only Pegasus ponies can walk on clouds.

Pinkie Pie: Haha. Pretty cool, huh?

Twilight Sparkle: "I found a spell that makes temporary wings,"

Twilight explained as she hopped out of the balloon.

Twilight Sparkle: But it was too difficult to do more than once. So J.D. found an easier spell that lets the rest of us walk on clouds."

Me: And because of my powers and my angel wings I can walk on the clouds with no need for the spell myself.

Rainbow Dash: That is awesome!

Applejack: And we came to cheer you to victory!

Rainbow Dash: To be honest, I was starting to get just the teeniest, tiniest bit nervous. But I feel a lot better now that you guys are here. Hey, we've got some time before the competition. Why don't Fluttershy and I show you around Cloudsdale?

Rarity, Applejack, Twilight Sparkle and Pinkie Pie: Yes!

Me: Sure!

We got to seeing Cloudsdale.

Rainbow Dash: Here it is: the greatest city in the sky!

Group: Oooh! Aaah!

Me: It's magnificent.

Rarity was looking at her wings.

Rarity: [in mirror] Oooh! Aaah!

Rainbow Dash: Uhh… Some of the greatest Pegasi in history came from Cloudsdale!

Me: This is amazing R.D. Your home is amazing up here.

Rarity: Oh, wait for me!

Three Pegasi were working.

[jackhammer sounds]

Steam Roller: Those wings are gorgeous!

Rarity: Why, thank you!

I flew and grabbed the jackhammer and gave it back to Steam Roller.

Me: Rarity's wings are gorgeous and beautiful. But be careful with this.

Steam Roller: Oh thanks J.D.

Me: Anytime.

Twilight Sparkle: Be careful with those wings, Rarity. They're made from gossamer and morning dew, and they're incredibly delicate.

Me: That's right. They are very fragile.

Rarity: Don't worry, Twilight and J.D.. I'm sure they can't get worn out from too much attention.

Applejack: Since we're up here, I'd sure like to get a look at where the weather's made.

Me: We can do that next we're here later on. I promised Nico and the team that all of us would see it next time we come up here.

Applejack: That's fair. When is Nico and all the team coming back?

Me: They should be back in a couple of hours. I got a text from Nico that he and the team are on their way.

Applejack: Wow.

Dumb-Bell: "Whoa! where'd you get those amazing wings? I want a pair!"

Rarity: "Hmm… yeah, I guess I could see that.

Dumb-Bell: "Oh, hey look, it's Rainbow Crash again!"

I glared at them.

Hoops: "Heheheyeah! Rainbow… Umm… Eyah… *Crash!* "

Me: (Whispering to Fluttershy) I take it Rainbow Dash knows these jerks.

Fluttershy: Yes they were bullies that were rivals of hers back in Summer Flight Camp and they would tease me and Rainbow Dash.

Me: What a trio of neanderthals.

Hoops: And who are you?

Me: Don't you know? I'm the leader of Team Loud Phoenix Storm. J.D. Knudson.

Score: Really!? Wow! You are a legend.

Me: So I've heard.

Later the competition was underway.

Cloudsdale gathered at the Cloudeseum to watch the competition.

Me: Wow! Everyone turned out for this.

Twilight Sparkle: It sure is amazing.

The crowds cheered as small groups of three to five sat on one of two rows of clouds. Inside a small area was a waiting and dressing room where the other competitors had registered and were ready to go, except for Rarity. A green colored pony went over to the dressing room to knocked three times on the door.

Rarity: I'm going to be a while!

Meanwhile, Rainbow was already registered and waiting for her turn. But her nerves hadn't settled one bit since arriving. She decided to peak out of the waiting area and looked around the stadium. There on one of clouds was her friends. Pinkie had even found herself a #1 hand glove and was waving it about as she giggled to herself. Right beneath them were the three colts, Dumb-Bell, Hoops, and Score, laughing to themselves. Rainbow knew they were gonna waste no time poking fun at her when she failed. Rainbow gulped. Just then, a colt named Madden appeared in the center stage riding a small cloud, which was actually nothing since the Cloudeseum had no floor.

Me: This is gonna be so cool! I've never seen something like this before.

Twilight Sparkle: Yeah it is.

Pinkie Pie: [giggles]

Dumb-Bell, Hoops, and Score: [laughs]

Rainbow Dash: [gulp]

Madden: Fillies and gentlecolts! Please rise and join me in welcoming our beloved Princess Celestia!

[fanfare and applause]

The Princess flew in and waved to everyone and me and Twilight waved.

Me: Wow the Princess is here too. This is gonna be so awesome.

Madden: Please welcome our celebrity judges for the Best Young Flyer Competition: the Wonderbolts!

[crowd cheering]

More cheers and applause were made as six ponies donning blue and yellow uniforms zoomed overhead. They did a quick flying formation before settling down on their own cloud. Rainbow smiled as she saw them.

Me: Wow! So they are the Wonderbolts.

Twilight Sparkle: That's right. Spitfire is the captain of the Wonderbolts and with her are Soarin, Misty Fly and many Pegasi.

Me: Wow! They will make awesome additions to the Knights of the Friendship Table.

Madden: And now, let's find out who will take the prize as this year's best young flyer!

Me: Here we go.

Rarity: Well, Rainbow Dash? Shall we?"

I went over to Rainbow Dash:

Me: "You can do this R.D., I know you can do this. Just go out there and do your best. Remember, you are awesome! Girl, you are awesome!"

With much hesitation, Rainbow finally found her ability to fly as she and Rarity exited the waiting area.

Madden: "And now, our final competitor of the day, contestant number fifteen… and apparently contestant number four…

The crowds began to cheer as Rainbow was still unsure about what to do.

Rarity: "Good luck, Rainbow Dash, Just do your best. I hope you don't mind, but I took the liberty of changing our music. That "rock and roll" doesn't really match my wings."

I was standing just outside the stage as I hopped back to my cloud, gave Rainbow a confident wink before flying away back to their friends. The classical music began to play and Rarity began to actually perform in front of everypony. Rainbow was shocked, Rarity had come up with a dance routine as well, but then quickly remembered what I had said and shook her nerves off with a gulp.

Me: Wow.

Rainbow Dash: "C'mon, Rainbow Dash, You can do this. Just remember the routine. Phase one."

Some cloud hedges had been placed just like the planted ones Rainbow had practiced flying between with Fluttershy. Rainbow was doing well maneuvering between each hedge as the crowds were cheering, but then she bumped the side of one hedge and went crashing into the bottom edge of the Cloudeseum.

Me: Wow!

Hoops: "Nice work, Rainbow Crash!"

Hoops sneered as he, Dumb-Bell, and Score laughed at her.

Me: "That does it!"

Having enough of their teasing as I jumped into the air above them.

Twilight Sparkle: "J.D.!"

Me: "POINT OF IMPACT!"

My left fist began to glow.

KRAWHAM!

I smashed them into dust! The impact left Twilight, Pinkie, Applejack, and Fluttershy shaken up as the three colts were left dazed as I performed a splashdown attack from above them. It wasn't much longer before I bounced himself back up to the group, who had just recovered from the shake up.

Me: Sorry about that. But you know how I feel about bullies. I can't stand them as much as my daughter Nicole.

Rarity: Well, Rainbow Dash? Shall we?

Rainbow Dash: Time for phase two.

The ponies and me continued to cheer. Rarity was just doing her own routine and had completely missed Rainbow's mess up and my's splashdown. Rainbow just flew over toward some clouds and began to make them spin about.

Me: Wow!

Fluttershy: Look! Phase two is working.

Me: COME ON R.D! YOU GOT THIS!

Rainbow suddenly lost her control of one cloud as it spun away from her. The cloud, still spinning, was sent barreling towards Princess Celestia.

Me: HIT THE DECK!

She gasped as she ducked away to avoid the cloud from crashing above her head. All the while Rarity was continuing her dance routine and the ponies were still paying more attention to her than the blue Pegasus.

Rarity: "And now for my grand finale, I will fly right up to the sun and beam my beautiful wings over the whole city of Cloudsdale!" (Squeals) "They'll be talking about it for years!"

Rarity began to ascend higher into the sky. Rainbow had recovered from her cloud control loss.

Rainbow Dash: "Looks like this is my last chance to turn things around, Phase three. The sonic… [gulp]… rainboom. Wings, don't fail me now!"

Together on opposite ends of the Cloudeseum, they ascended high into the sky. The crowd gasped in awe before Rainbow grunted as she began her flight upward at high speed. Rarity positioned herself so she was right behind the sun, she could feel the heat starting to make her sweat.

Rarity: [panting] Look upon me, Equestria, for I… am… Rarity!

The marshmallow pony announced proudly as she opened her wings, created the prism effect on a much grander scale. The crowd oohed in amazement…

Me: Whoa! What a prismatic effect!

Until her wings became heated… and burnt into ashes in just two seconds flat.

I gasped!

Rarity: Uh-oh. [screams]

She was falling!

Twilight Sparkle: "Oh no! Her wings evaporated into thin air!

Me: Like how Icarus flew too close to the sun and he fell into the Ocean and drowned!

I was about to hop onto my cloud to try and catch her when I saw three Wonderbolts had already taken off to rescue her. Rarity continued to scream and waved her hooves wildly in panic. Because of her panicky hoof waving…

Misty Fly: "Ooh!"

Soarin: "Aah!"

Spitfire: "Uuh!"

Misty Fly, Soarin, and Spitfire groaned as Rarity knocked them all out and Rarity was continuing to scream as the ground below drew near. That was when Rainbow saw that Rarity and the three Wonderbolts were in trouble.

Rainbow Dash: "Hold on, Rarity! I'm coming!"

Me: GO R.D. GO!

Rainbow then began to descend to try and catch up to Rarity and the others. The rest of her friends and me watched with worry as Rarity just continued to scream as Rainbow increased her speed to try and catch up with her.

Fluttershy: "Oh, I can't look!"

She covered her eyes with her fore-hooves before peeking from them later. Rarity then gasped as she saw Rainbow coming for her. Rainbow continued to poor on as much speed as she could, feeling another slip stream surround the front of her body. Pinkie, Applejack, Twilight, me, and Fluttershy gasped excitedly as the slip stream once again began to shift into a V shape as Rainbow continued to push her speed to the limit. Then suddenly…

BOOOOOOOOOOOOOOOOOOOOOOOOM!

A large rainbow fire ring appeared behind her as she zoomed forward faster than ever before. Pinkie Pie, Applejack, and Twilight's and my jaws dropped as the other spectators were in awe.

Me: HOLY MACKEREL!

Fluttershy: " *A sonic rainboom! She did it! She did it! Wooo!"*

Fluttershy screamed loudly as she hopped up and down excitedly… or the fact Fluttershy went fan girl over the accomplishment, which many would agree looked absolutely adorable.

Me: WHOA! She's going faster than a bullet fired from a gun!

Rainbow didn't even realize she had done the sonic rainboom until after she grabbed Rarity and secured the three unconscious Wonderbolts on her back as they flew just a few yards above the ground.

Rainbow Dash: "Whoa!"

I pulled out my radar gun and got her speed.

She flew up toward the Cloudeseum just beyond Mach 1, creating a beautiful rainbow in the sky

It clocked in at 1,232 Miles Per Hour!

Me: WHOA! 1,232 miles per hour! That's incredible! That's close to mach 2!

As she made her way back towards the center of the stage. A few Pegasi were standing by to help carry the still unconscious Wonderbolts to safety and two Pegasi helped hold Rarity secure above the clouds for the time being. Everyone was cheering for Rainbow's amazing performance and rescue as Fluttershy was still in full fan girl mode.

Me: WAY TO GO R.D! WOO!

Fluttershy: " *A sonic rainboom! Wooo! Yeah!* "

Fluttershy screamed, still hopping up and down. Rainbow couldn't resist a smile.

Rainbow Dash: "I did it, "I did it!"

Rarity: "You sure did, On thank you, Rainbow Dash. You saved my life."

Rainbow Dash: "Oh yeah, I did that too, Ha, *best day ever!* "

Once the crowds had died down and the competition was finished, Nico and everyone came.

Nico: Whoa! That was awesome!

Me: Hey you guys made it!

Nico: We saw Rainbow save those three Pegasi and Rarity! That was awesomely well done!

Qin: We've never seen Rainbow Dash fly that fast!

Eli: That was so epic!

Varie: Yeah it was!

Me: You wouldn't believe it guys. And I have quite a story to tell you all.

Nico: We'll have to hear about it.

Rarity was now sitting securely inside of their balloon while the others were on the clouds with Rainbow. Rarity didn't wait long after they had finished congratulating Rainbow on her performance to speak.

Rarity: I want to apologize to all of you for getting so carried away with my… beautiful wings. I guess I just lost my head.

Fluttershy: It's okay.

Applejack: Oh, don't worry about it, kiddo.

Pinkie Pie: We still love you.

Me: Yeah.

Nico: It's not your fault Rarity.

Rarity: And I'm especially sorry that I was so thoughtless as to jump into the contest at the last minute after you had worked so hard to win it. Can you ever ever forgive me?

Rainbow Dash: Aw, it's okay. Everything turned out all right, right? I just wish I could have met the Wonderbolts when they were awake.

Then someone tapped Rainbow's shoulder.

POINK POINK.

Rainbow turned and gasped when she saw Soarin, Spitfire, and Misty Fly.

Rainbow Dash: [gasp] Ohmygoshohmygoshohmygoshohmygoshohmygosh!

Spitfire: So you're the little pony who saved our lives. We really wanted to meet you, and say thanks.

Rainbow Dash: Ohmygoshohmygoshohmygoshohmygoshohmygosh!

Me: Rainbow Dash really did awesome at that.

The princess came.

Twilight Sparkle: Princess.

Princess Celestia: "Hello, Twilight Sparkle and J.D., and hello to your friends too."

Me: (Kneels) Hello Princess.

Nico: (Bows) It's great to see you.

Rarity: "Princess Celestia, I am sorry I ruined the competition. Rainbow Dash here really is the best flyer in Equestria."

Rainbow just smiled modestly.

Princess Celestia: "I know she is, my dear, That's why, for her incredible act of bravery and her spectacular sonic rainboom, I'm presenting the grand prize for Best Young Flyer to this year's winner, Miss Rainbow Dash.

The crowd cheered as Princess Celestia placed a golden leaf crown on Rainbow's head.

We cheered for her.

Rainbow Dash: "Ohmygosh ohmygosh ohmygosh ohmygosh

ohmygosh ohmygosh ohmygosh ohmygosh *ohmygosh ohmygosh ohmygosh* !

Princess Celestia: So Twilight Sparkle, J.D., did you learn anything about friendship from this experience? I'm certain that J.D. learned to control his temper in public?

Celestia gave me a sly look, telling me that she had seen my little splashdown attack on the three colts.

I blushed and chuckled sheepishly as the others snickered to each other.

Me: I'm sorry about that Princess. I was so fed up with 3 bullies pestering and picking on Rainbow Dash. I was trying to stand up for her.

Princess Celestia: That's all right J.D. But that shows that you have good devotion to standing up for your friends.

Twilight Sparkle: "And I did learn something Princess, so did J.D. in more ways than one, but I think Rarity learned even more than both of us."

Rarity: I certainly did. I learned how important it is to keep your hooves on the ground, and be there for your friends.

Princess Celestia: Excellent. Well done, Rarity.

Me: And we're really proud of her too Princess.

Nico: We sure are.

Eli: Rainbow Dash was awesome doing all that.

Rainbow Dash: This really is the best day ever!

Dumb-Bell: Uhh, hey, Rainbow Crash.

Hoops: Dash!

Dumb-Bell: Oh! Uhh… Sorry. Rainbow Dash. Uhh, we just wanted to congratulate you on winning the competition.

Hoops: That sonic rainboom was awesome!

Rainbow Dash: Heh, thanks, guys.

Dumb-Bell: Uhh, we're really sorry we gave you such a hard time before.

Rainbow Dash: Aww, that's okay. Don't worry about it.

Me: Coming from you guys that means a lot. You have what it takes to be part of the redemption squad after that big act of contrition.

Hoops: Thanks J.D.

Nico: Can you tell us everything J.D.?

Me: Sure.

I told everyone everything that happened to me over the week while they were gone and it was incredible.

Nico: Wow!

Eli: That's so awesome bro.

Varie: Yeah it sure is!

FLASHBACK ENDS

Camie: Wow! That is incredible!

Eli: It sure was.

Juran: Was that before or after you met Ruby and her friends?

Me: It was after we recruited Ruby and her friends and when Eli and Nunnally joined the team and my immortal caveman self merged with my head.

Qin: I remember that.

Nico: And we also saw the Vok Standing Stones.

Me: Yep. That happened 6 days after we saw the Vok Standing Stones.

Nico: Yep I remember that. And me and the team went out on a huge week long mission during that time.

Me: Nico gave me a week off to recruit members for the Knights of The Friendship Table.

Eli: I remember that. That was awesome

Maria: The Sonic Rainboom is very awesome. And deadly.

Me: It sure is deadly. And Rainbow Dash also did a more powerful variant called the Double Rainboom. She drank a potion that enhanced her speed and in doing so when she made a Double Rainboom she defied the laws of physics and went so fast that she punched a hole in the fabric of time and space that she wound up in the Powerpuff Girls universe.

Nico: That is incredible!

Qin: Yeah it sure was!

Laney: No kidding there.

Maria: We're at our destination.

We arrived at a red planet and it looked like Mars was before it was terraformed. But there were red rivers on it.

Nico: Wow this planet looks interesting.

Me: I have a feeling this is gonna be a good one.

Rhinox: Yep. It sure will be.

Nico: Lets head down.

We went down to the planet and we landed and then we saw an incredible sight! We saw that the planet was made of chili peppers and had piles and piles and piles of chili peppers as far as the eye can see! And the rivers and streams, ponds and lakes were all lakes of hot sauce!

Me: WHOA! It's a chili pepper and hot sauce planet!

Nico: This might be one of my favorites!

Me: Me too! But not all of us love nuclear hot spicy food.

Rainbow Dash: Hey Applejack can you handle the heat?

Applejack: We'll see.

Me: Lets see.

I picked up a pepper and it was a Carolina Reaper pepper and I ate it whole and chewed and swallowed and then…

EXTREMELY MASSIVE AND INCREDIBLE FIERY EXPLOSION!

I bursted into a massive and incredible fiery burst of flames and got a massive and powerful power boost.

Me: WHOA! That was intense!

Qin: Wow!

Maria: Let me try one!

Maria took one and ate it and then the same thing happened to her and she was more powerful than ever.

Maria: WHOA! That was awesome!

Qin: Wow! Maria you are one tough girl.

Maria: Thanks.

Me: Hey Nico, I dare you to eat 100 peppers in 1 bite.

Nico: Dare accepted!

Nico took 100 peppers and shoved them all into his mouth and bit them and swallowed.

Nico: Ahh. That wasn't too…

EXTREMELY MASSIVE AND INCREDIBLY UNBELIEVABLE FIERY EXPLOSION OF UNIMAGINABLE POWER!

(KI EXPLOSION THEME DBZ PLAYS)

The explosion was so powerful, so strong, so devastating and so massive that it shook the planet and all of the area all over with incredible force and engulfed massive amounts of the area around us in a huge inferno! When the smoke cleared Nico was enveloped in a massive and incredible fiery aura of intense power and Nico was more powerful than ever!

Me: WHOA! What power!

Nico: You know what they say. What doesn't kill me makes me stronger!

May: Like that awesome song by Kelly Clarkson.

Me: Yep. But Nico you did it.

I patted his back and then I burned myself!

Me: YEOWCH! Wow! Nico you are tough and awesome.

Qin: Wow!

We laughed.

Nico: As I was saying, that wasn't too bad.

Me: No it wasn't.

Laney: Yeah. It was tasty.

Camie: The hot sauce is really good too.

Varie: But this planet is awesome though.

Tsuyu: It sure was.

May: Let's dig in!

We got to eating and ate lots of awesome peppers and we got a massive and incredible power boost and we were enveloped in auras of intense fire and it was awesome!

Qin: Wow! This is amazing!

Rhinox: You guys are one bunch of tough people.

Eli: Yeah we get that a lot.

Camie: That is so awesome.

Sakura Valencia: Yeah it sure is.

Kaito: I'll try one!

Kaito did so and he exploded into flames and got a power boost!

Qin: Whoa!

Touma: That was intense!

Toru ate one and she bursted into intense flames and it was incredible!

We all tried one.

Maria: Should I pack some for Horsea and the other mascots?

Nico: Go for it.

Maria did so.

Camie: This was a nuclear hot spicy planet.

Eli: But it's not over yet. I sense 2 figures coming.

Me: I see them!

We saw that one looked like M.O.D.O.K. and the other looked like that of a rabbit. It was a black Version of Ultimate Grey Matter and the Lepus Zodiarts!

Me: Whoa! Another Grey Matter and the Lepus Zodiarts!

Nico: Wow!

Another Ultimate Grey Matter: It's good to see you again J.D.

Me: (Gasp) Valerie 818! I did not expect you to be turned into Another Ultimate Grey Matter.

Maria: You know her?

Me: I sure do and she is also an android.

Android 818: That is correct and I was programmed to be J.D.'s helper and friend and act like a normal person. I didn't have any emotions before and J.D. gave me a heart and emotions.

Me: It's true.

Aruto: Wow! That is like a Humagear.

Me: Yeah it sure is.

The Lepus Zodiarts revealed itself and it was a girl with neon pink hair and red clothes and she had the symbol for Lepus the Hare on her right arm.

Me: (GASP) Lindsey Lepus!

Lindsey Lepus: Been a long time J.D.

Me: It sure has been a while.

Nico: You know her too?

Me: Yep. Lindsey was in my Brazilian Jiujitsu classes and she and I studied under the same master and we were awesome partners in the art.

Nico: That is cool!

Albedo turned into Negative Ultimate Grey Matter.

Negative Ultimate Grey Matter: I consider this my most powerful form.

Me: Because he is an Evolved Galvan.

Nico: Yeah.

Me: Did Swartz promise you anything Valerie?

Another Ultimate Grey Matter: Just to make me fully human.

Me: He didn't have that kind of power. But we all do.

Laney: We sure do.

Another Ultimate Grey Matter: My sensors knew he was lying and I knew he couldn't do it.

Me: That's good. Sorry we have to fight like this. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Nico: (gets out Kyd Wykkyd's Ridewatch) Domo Arigato, Mrs. Roboto!

Nico activated it.

(FUNKY COLD MEDINA BY TONE LOC PLAYS)

Nico: (SINGING DIVINELY AS DARKNESS SWIRLS AROUND HIM)

Cold coolin' at a bar, and I'm lookin' for some action

Feel like Mike Jagger said, I can't get no satisfaction

The girls are all around, but none of them wanna get with me

My threads are fresh and I'm lookin' def', yo, what's up with L-O-C?

The girls is all jockin' at the other end of the bar

Havin' drinks with some no name chump

When they know that I'm the star

So I got up and strolled over to the other side of the cantina

I asked the guy, "Why you so fly?" he said, "Funky Cold Medina"

You know I'm saying

Funky Cold Medina

This brother told me a secret on how to get more chicks

Put a little Medina in your glass, and the girls'll come real quick

It's better than any alcohol or aphrodisiac

A couple of sips of this love potion, and she'll be on your lap

So I gave some to my dog when he began to beg

Then he licked his bowl and he looked at me

And did the wild thing on my leg

He used to scratch and bite me, before he was much, much meaner

But now all the poodles run to my house for the Funky Cold Medina

Oh, my goodness gracious, break it down for 'em

Uh-huh, Funky Cold Medina

I went up to this girl, she said, "Hi, my name is Sheena"

I thought she'd be good to go with a little Funky Cold Medina

She said, "I'd like a drink, " I said, "Ehm, okay, I'll go get it"

Then a couple sips she cold licked her lips

And I knew that she was with it

So I took her to my crib, and everything went well as planned

But when she got undressed, it was a big old mess, Sheena was a man

So I threw him out, I don't mess around with no Oscar Meyer wiener

You must be sure that your girl is pure for the Funky Cold Medina

You know what I'msaying, y'all? Ain't no plans with a man

Oh, yeah, Funky Cold Medina

Oh, it's too late, break it down

Back in the saddle, lookin' for a little affection

I took a shot as a contestant on, the Love Connection

The audience voted, and you know they picked a winner

I took my date to the Hilton for a Medina and some dinner

We had a few drinks, I'm thinkin' soon what I'll be gettin'

Instead she started talkin' 'bout plans for our weddin'

I said, "Wait, slow down, love, not so fast says, I'll be seein' ya"

That's why I found you don't play around with the Funky Cold Medina

Funky Cold Medina

Nico danced and fired waves of darkness and smashed them both down.

Me: YEAH BABY!

Rhinox: Better get into the fray myself. Rhinox, MAXIMIZE! (ROARS)

He transformed and he was ready!

He fired waves of bullets from his guns and blasted them both all over the place.

Nico: YEAH!

Kaito: (Gets out Timeranger gear) Time for our turn!

Zocks: (Gets out GoGoV gear) Count me in as well!

Kaito got a Chrono Saber and Zocks got the Titanium Ranger's Axe Blaster.

Qin: Yeah!

Nico: Time for some buttkicking!

Me: You know I've been wanting to try this one. (ACTIVATES BEAST WARS MEGATRON'S RIDEWATCH) This is gonna be so much fun. Yes.

(WALK THE DINOSAUR BY WAS (NOT WAS) PLAYS)

Me: (SINGING DIVINELY AS METEORS AND DINOSAURS SWIRL AROUND ME)

Boom boom acka-lacka lacka boom

Boom boom acka-lacka boom boom

It was a night like this forty million years ago

I lit a cigarette, picked up a monkey skull to go

The sun was spitting fire, the sky was blue as ice

I felt a little tired, so I watched Miami Vice

And walked the dinosaur, I walked the dinosaur

Open the door, get on the floor

Everybody walk the dinosaur

Open the door, get on the floor

Everybody walk the dinosaur

Open the door, get on the floor

Everybody walk the dinosaur

Open the door, get on the floor

Everybody walk the dinosaur

I met you in a cave, you were painting buffalo

I said I'd be your slave, follow wherever you go

That night we split a rattlesnake and danced beneath the stars

You fell asleep, I stayed awake and watched the passing cars

And walked the dinosaur, I walked the dinosaur

Open the door, get on the floor

Everybody walk the dinosaur

Open the door, get on the floor

Everybody walk the dinosaur

Open the door, get on the floor

Everybody walk the dinosaur

Open the door, get on the floor

Everybody walk the dinosaur

One night I dreamed of New York

You and I roasting blue pork

In the Statue of Liberty's torch

Elvis landed in a rocket ship

Healed a couple of leapers and disappeared

But where was his beard?

A shadow from the sky much too big to be a bird

A screaming crashing noise louder than I've ever heard

It looked like two big silver trees that somehow learned to soar

Suddenly a summer breeze and a mighty lion's roar

I killed the dinosaur, I killed the dinosaur

Open the door, get on the floor

Everybody kill the dinosaur

Open the door, get on the floor

Everybody kill the dinosaur

Open the door, get on the floor

Everybody kill the dinosaur

Open the door, get on the floor

Everybody kill the dinosaur

Repeat chorus 2 one time

Boom boom acka-lacka lacka boom

Boom boom acka-lacka boom boom

I fired purple energy laser blasts and fired waves of dinosaurs and meteors and smashed them both down.

Sougo: (gets out Revice Ridewatch) Our turn now!

Geiz: (gets out Blades Ridewatch) No need to tell me twice!

Sougo got ReviceArmor while Geiz got BladesArmor.

Qin: YEAH!

Nico: This is gonna be awesome.

Me: It sure is.

Pohatu: My turn!

He activated Avalanche's Ridewatch.

(BEDS ARE BURNING BY MIDNIGHT OIL PLAYS)

Pohatu: (SINGING AND DANCING DIVINELY AS FIRE SWIRLS AROUND HIM)

Out where the river broke

The bloodwood and the desert oak

Holden wrecks and boilin' diesels

Steam in forty-five degrees

The time has come to say fair's fair

To pay the rent, to pay our share

The time has come, a fact's a fact

It belongs to them, let's give it back

How can we dance when our earth is turnin'?

How do we sleep while our beds are burnin'?

How can we dance when our earth is turnin'?

How do we sleep while our beds are burnin'?

The time has come to say fair's fair

To pay the rent now, to pay our share

Four wheels scare the cockatoos

From Kintore, east to Yuendemu

The Western Desert lives and breathes

In forty-five degrees

The time has come to say fair's fair

To pay the rent, to pay our share

The time has come, a fact's a fact

It belongs to them, let's give it back

How can we dance when our earth is turnin'?

How do we sleep while our beds are burnin'?

How can we dance when our earth is turnin'?

How do we sleep while our beds are burnin'?

The time has come to say fair's fair

To pay the rent now, to pay our share

The time has come, a fact's a fact

It belongs to them, we're gonna give it back

How can we dance when our earth is turnin'?

How do we sleep while our beds are burnin'?

He fired waves of fire and blasted them both all over.

Nico: YEAH BABY!

Qin: WOOHOO!

Maria: Let's keep it up!

Nico: YEAH!

But then a powerful blast of fire blasted them both from out of nowhere and the Lepus Zodiarts exploded and I caught the switch and purified it and it turned into a Sword of Lepus and I also caught the Ridewatch and purified it.

Nico: Yeah!

Valerie 818 was a girl with black hair and blue clothes and she was standing.

Me: Valerie are you all right?

Valerie 818: Yes. I am unaffected by the dizziness.

Me: Good.

I picked up Lindsey.

Lindsey Lepus: (Groans) What a headache.

Me: You'll be okay.

Nico: Nice job Lola.

Lola: That wasn't me.

We then saw a MEGA MOLTRES!

Nico: Whoa a Mega Moltres!

Mega Moltres: (In a girls voice) Looks like I got here to finish things up.

Nico: Nadine Phoenix! Wow!

She reverted back and Nadine was a girl with red hair and red athlete clothes and she had amazing fire angel wings.

Nadine Phoenix: That was so awesome and it's great to see you again Nico.

Nico: You too Nadine.

Qin: Wow! That was amazing!

Nadine Phoenix: It sure was Qin.

Pohatu: What's your favorite memory of Nico?

Nadine Phoenix: I have so many of them but my favorite would have to be where me and Nico made the most awesome Louisiana Creole food buffet for everyone in our school and everyone loved it so much that we were given a great job at an awesome Louisiana style restaurant. It was really good money. And we even made our super awesome and tasty hot sauces.

Nico: Yep.

Qin: I remember going to eat there and it was so awesome and delicious.

Varie: I'll have to try it someday.

Nico: You guys will love it.

Nico and Nadine hugged.

Nico: I've really missed you.

Nadine Phoenix: Me too Nico. Me too.

Maria: Now let's grant Swartz's promise.

Me: You got it. Valerie, you're going to love this. (SNAPS FINGERS)

I snapped my fingers and then Valerie became a full fledge human!

She could smell and feel and everything!

Valerie 818: (GASP) Hey! I can feel and smell and everything! Wow!

Me: Do you feel this?

I put my hand on her face and she felt what another person's touch was like and it was amazing.

Valerie 818: I can feel you J.D.

Me: You are now fully human Valerie.

She then hugged me and it was a normal hug instead of a bonecrushing robot hug.

I smiled.

Nico: You still have your android abilities.

Me: But now you have the power to control them.

Valerie 818: Thank you guys. Thank you,

Me: You're welcome Valerie.

Lola: But this was so awesome that we came to this planet.

Camie: And spicy too.

Nico: Yeah. At least Valerie wasn't built by a madman like Dr. Gero.

Pohatu: That's true.

Nico: Yeah. Lets head home.

Maria: Let's bring some chili peppers for the mascots.

Nico: I was just about to suggest that.

We did so and we packed lots and lots of them and we then went back home.

This was a spicy planet adventure.

After Nico's rescue, Lincoln, Me, Ken Knudson, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, The Dynasty Warriors, The Samurai Warriors, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, The Demon Slayer Corps, The Saber Kamen Riders, Jared Knudson, and Onewa are heading to Fillydelphia, and not only is Lincoln going to rescue the three girls here, but we got word that The Dark Louds from the time Jared babysat six and a half years ago have returned from the dead, and they want bloody and cruel revenge on Laney for what she and Jared did in destroying them, and there's only one demonic unicorn responsible for bringing them back from the dead: King Sombra the Evil.

Lincoln: Cool, we're here in Fillydelphia and I know what we're going to do here, not only am I going to rescue the three girls here, but we got word that The Dark Louds from the time Jared babysat six and a half years ago have returned from the dead, and they want bloody and cruel revenge on Laney for what she and Jared did in destroying them.

Laney: I never thought we'd see those monsters ever again, we already had to deal with Dark Lincoln when he came back from the dead last year, and that's when you transformed into your Super Angel Eternity Infinity form, Lincoln.

Lincoln: Yeah, and we know what they also look like: they look like from when J.D. met us six and a half years ago, but they have black hair, and red eyes filled with demonic undeniable hatred.

Suddenly, Lincoln's massive white angel wings turned into the same color as Rockhoof's mane, except for the orange and aurora-colored tips.

Applejack: And your angel wings changed to the same color as Rockhoof's mane, Lincoln.

Lincoln: You're right, A.J., and there's only one demonic unicorn responsible for bringing them back from the dead: King Sombra the Evil.

Jared: That heartless, dishonorable monster, I should've known he was behind this.

Lincoln: We'll get him later on, Jared, and I want to thank you and Onewa for joining us.

Onewa: You're welcome, Lincoln.

Fillydelphia Pony: We saw it for ourselves, King Sombra the Evil brought them back, but they double-crossed him and drove him off, and I heard them say that once they get rid of Team Loud Phoenix Storm, he's next, and then, they're going to turn the entire world into their little playground of chaos and destruction, and kill every last living thing on Earth.

Laney: Those psychotic, out-of-control, demonic fiends!

Crash Bandicoot: We'll make sure they'll die here and now. Right now, all of you should get to safety and quickly.

Fillydelphia Pony: Yes, of course.

All the ponies in Fillydelphia got to safety inside their homes.

Spyro: Now, to take care of The Dark Louds.

?: HEEELLLLLP!

Suddenly, Lincoln heard the sound of three girls calling for help, along with the sounds of heartless and evil laughter. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the three girls, but they've been cornered by The Dark Louds from Jared's babysitting adventure, and they're going to kill

them.

Lincoln: Let's get over there at once, guys, I found the three girls, but they've been cornered by The Dark Louds from Jared's babysitting adventure, and they're going to kill them.

?: (Girl's voice) (French Accent) Those heartless, psychotic harbingers of chaos, let's get them!

Suddenly, we saw the Duel Monster, Ruddy Rose Dragon, appear before us.

Nico: Whoa, that's Ruddy Rose Dragon.

Lincoln: And I'd recognize that French Accent, I knew it was you, Selene Rosesanglante, but we'll talk later, time to put an end to those Dark Louds for good.

We rushed on over, and Lincoln fired powerful rainbow energy balls and elemental forces at The Dark Louds and that allowed the three girls to get to safety and inside an energy field created by Lincoln to protect them from the Dark Louds. When the Dark Louds saw us, especially Laney and Jared, they were pissed off to the extreme.

Dark Lori: YOU MISERABLE LITTLE TWERPS!

Dark Lincoln: You pathetic little worms are going to pay for killing us and ruining our fun!

Lincoln: You still call in what you did to your world's Lincoln fun: turning everyone against him and plunging your world's Royal Woods into World War III?! No, what you did was unleash a nightmare of chaotic proportions, Dark Lincoln.

Laney: And you and the rest of the dark she-demons deserved to die for everything you've done, and now, King Sombra the Evil had the nerve to bring all of you back?!

Lori: Easy, Laney, we'll make sure that demonic unicorn gets his punishment, but first things first.

Lincoln: Yeah, let's turn those Dark Loud freaks into human donuts!

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, The Dynasty Warriors and Samurai Warriors got out their weapons, Lincoln's sisters transformed into their Super Angel Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Greatsword of Elemental Justice and Eternal Bravery from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Onewa, Jared, The Demon Slayer Corps, The Ghostforce, The Louds' Ancestors, The L-ementals, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their weapons, Rayman unholstered his massive Celtic Dream Glade's Greatsword of Celtic Dream Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Celtic Dream Glade Angel of Moonlight Justice and Celtic Dream Hope, and Me, Ken, Nico, Nicole, and Eli unholstered their massive swords and we transformed, and we went after The Dark Louds, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, rainbow crystal, rainbow super lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, and mythological animals, and they exploded with incredible power as they hit them.

Then, Lincoln and the Loud Sisters unleashed Hell on the Dark Louds: Lori, Lynn, Lola, Lisa, and Luan pulverized Dark Leni, Dark Luna, Dark Lucy, Dark Lana, and Dark Lily into the dirt and they were all mangled in pain, Lincoln, Leni, Luna, Laney, Lucy, Lana, Lily, and the Guardian Angels badly pummel Dark Lori, Dark Lynn, Dark Lola, Dark Lisa, and Dark Luan and left them with black eyes, broken arms, broken legs, and broken and bloody noses.

Then, Lincoln turned to Dark Lincoln, and he unleashed Hell upon him, as he brutally beat him up and left him with black eyes, a bloody nose, broken arms and legs, and he smashed his teeth out. Then, Lincoln and the Loud Sisters grab the Dark Louds by their necks, and they began sucking out and absorbing the tons of negative energy from them, and their rainbow energy auras with elemental forces and mythological animals flared up and they were gaining an extremely astronomical power boost. When they were done, the Dark Louds were reduced to desiccated corpses, and their souls are then sent to The Black Gates forever. We cheered wildly as we holster our weapons and power down, and the desiccated corpses of the Dark Louds were then incinerated to ashes for good.

Lincoln: And this time, don't you even dare come back, Dark Louds. (To Selene Rosesanglante) And it's so good to see you again, Selene Rosesanglante.

Selene Rosesanglante reverted back to normal, and she's a beautiful girl with long flowing rose red hair, rose red eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has massive beautiful rose red angel wings with sweet smelling roses on them, and she reigned in the power of Ruddy Rose Dragon, and she's dressed in a short-sleeved rose red blouse, red tank top with a star on it, rose red shorts, red stockings, red sneakers, and long sleeveless rose red trenchcoat with roses and dragons on the coattails, and Ruddy Rose Dragon on the back, and holstered on her back is a large Ruddy Rose Dragon-themed greatsword with Ruddy Rose Dragon etched on the 7'0" massive, wide, double-edged rose red blade, Ruddy Rose Dragon's wings for the crossguard, large rose red gem embedded in the rainguard, longer black handle, and a large rose red gem surrounded by angel wings for the pommel.

Selene Rosesanglante: (French Accent) You too, Lincoln, it's been a long time.

Lincoln went up to Selene Rosesanglante and they hugged, and Selene Rosesanglante is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and his massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his deeper manly voice.

Lincoln: It sure has, I haven't seen you when you were ten, and as you can see, I really grew a lot since then.

Selene Rosesanglante: (French Accent) Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the cute 10-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and you now have massive white angel wings, that's so awesome.

Nico: Whoa, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Selene Rosesanglante, she's not only my Guardian Angel from France, but also, my classmate in Cooking. She's also a beautiful model and capable gardener.

Nico: Wait, I remembered hearing her name, she's known as one of the top models in all of Europe and America, and she has a lot of modeling contracts with some of the top modeling agencies in Europe and America.

Lincoln: You heard right, Nico. And her last name, Rosesanglante, means Bloody Rose in French. It was Selene who introduced me to gardening when we were 10, and have since then made a beautiful garden filled with beautiful flowers and succulent crops, and we even once made a watermelon that weighted up to 400 pounds.

Lincoln showed us the photo, and when we saw it, my jaw dropped.

Me: That's one huge melon.

Lincoln: It took a lot of hard work and gardening, and in the end, the results were amazing. Plus, Selene made me a beautiful bouquet of flowers of my favorite colors. To show my thanks, I took Selene to a garden of roses, where I kissed Selene on the lips.

Nicole: Kissing in a garden of roses, that sounds like something out of a romance novel.

Lincoln: When you say it like that, it does, Nicole.

Selene Rosesanglante: (French Accent) And while we were kissing, I felt a sharp pain on Lincoln's wider and muscular back, and then before we guessed it, massive white angel wings just grew and sprouted out from his wider and muscular back, and it also tore apart his shirt as a result.

Me: Just like what happened to me, wow.

Nicole: You did tell us how you got your wings in the first place, Dad, and the same thing happened when Lincoln and Selene kissed.

Selene Rosesanglante: (French Accent) I was really entranced by those massive white angel wings of Lincoln, it's like he became a true angel, and that he's become a very tall, handsome, and extremely muscular man.

Lincoln: I also found out that she's also the cousin of Princess Perfuma.

Nico: That explains her love for gardening and talent for plants.

Perfuma: That's correct, and it's so good to see you again, Selene.

Selene Rosesanglante: (French Accent) You too, Perfuma.

Lincoln: And in addition to all those talents I told you all about, she also hates Lola with a burning passion.

Nico: Oh boy, what did Lola do to earn her rage?

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared around Selene Rosesanglante's neck with rose red gems on the gold thunderbolt links and marine blue crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Elemental Thunderbird Necklace of Eternal Love, and her new Elemental Thunderbird Choker of Eternal Love appeared on her neck.

Selene Rosesanglante: (French Accent) (Surprised) Lincoln, is this…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means just like your cousin, you're part of my harem and one of my many future wives, Selene.

Selene Rosesanglante had a smile on her face and tears in her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around Selene Rosesanglante's waist and Selene Rosesanglante wrapped her arms around Lincoln's thick muscular neck, and he leaned down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the three girls, and when Lincoln saw them, he recognized them immediately. The three girls are Exelica, Crueltear, and Faintear from Triggerheart Exelica.

Lincoln: Oh wow, it's Exelica, Crueltear, and Faintear from Triggerheart Exelica.

Nico: Awesome.

Lincoln: Are you girls okay?

Exelica: Yes, we're okay, thanks to you.

Then, when Exelica and the other two girls saw who it was that saved them from the murderous Dark Louds who were resurrected by King Sombra the Evil, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold

Exelica: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made two clones of himself, and he and the two clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Exelica: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, three Thunderbird Necklaces of Eternal Love appeared on the necks of Exelica, Crueltear, and Faintear with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, and they also have on their new Elemental Thunderbird Chokers of Eternal Love on their necks too. We returned home to the World Tree Estate, and we told everyone of what happened, and they were shocked when they found out the villains we went after were the Dark Louds from the time Jared babysat, and they were out for bloody and cruel revenge on Laney and Jared for killing them, and even worse, they were brought back by that demonic unicorn, King Sombra the Evil.

But, when Lincoln showed what we all did to them, everyone cheered wildly and they hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and Selene Rosesanglante have a lot of catching up to do, now that she's back in town.

Maria: I can't believe that black-hearted demonic unicorn was the one who brought The Dark Louds from the time Jared babysat back from the dead.

William: It was bad enough when we saw Dark Lincoln return from the dead last year, now we had to deal with him again, along with the dark versions of Lori, Leni, Luna, Luan, Lynn, Lucy, Lana, Lola, Lisa, and Lily.

Lincoln: Yeah, but this time, they're gone for good. But, King

Sombra the Evil has gone too far and he crossed another line bringing them back, and now, he's going to pay big time.

Me: Yeah!

Nico: That black-hearted monster deserves to die a horrible death for what he's done, Linc, and you, Merida McLogan, and Rockhoof are going to be the ones to administer his death sentence for his evil deeds.

Princess Cadence: What he's done can never be forgiven: terrorizing The Crystal Empire and all of Equestria and murdering my mother in cold blood, he must pay for his vile misdeeds.

Lincoln: And he will, Princess Cadence.

---

After finally getting rid of The Dark Louds from Jared's babysitting adventure and this time for good, we were training intensely in the gym, this time, doing 500,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Selene Rosesanglante saw Lincoln working out like crazy, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Selene Rosesanglante: (French Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Selene, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Selene Rosesanglante: (French Accent) That's incredible.

Nico: It sure is. So, Selene, what's the story on why you hate Lola with a burning passion?

Selene Rosesanglante: (French Accent) You're not going to like this one. It was at a fashion show in Gotham Royal York, and I was on stage modeling some of the dresses that were created by some of the top fashion designers in Michigan. Lincoln was there to support me and cheer me on, and he had to bring the rest of the family along. Then, I came out onto the walkway dressed in a beautiful rose red satin dress, rose red high heels, and rose red jewelry, but what Lincoln didn't know was that the dress was created by Leni, and she also picked out the high heels and rose red jewelry, and Leni was going to be the one to tell him later. But, this caused nothing but jealousy and hatred from Lola, she thought she should be the one onstage wowing the crowd, in any case, her hair turned to living fire, her face turned red, and she had rage and hatred in her eyes, and she let out a rampaging scream of rage and attacked me for "upstaging" her. She tore at the dress, leaving her claw marks on it, and she also broke the heels on the high heels, and I was about to fall, and this really made Lincoln mad, he flew up to the stage and caught me in a bridal hold before I fell, and this really made Lola even madder than ever, and she was about to attack Lincoln for getting in her way, but Lincoln fired a blast of rose red energy from his massive white angel wings and trapped her inside a rose red orb.

Nico: Whoa!

Me: Yeah, I was there the night Selene had her modeling show in Gotham Royal York, and Lincoln saved her from Lola's wrath.

Selene Rosesanglante: (French Accent) He sure did. After what happened, Lola was then dragged to Vanzilla and when they got home, she was grounded for twelve weeks for her attack. Lincoln stayed with me and helped repair the dress using his powers. And when he found out that the one who made the dress, along with the shoes and jewelry was Leni, this surprised him greatly. I then explained that Leni made the dress for me, and I showed him something on the dress, it was a special stitching on the back that said, "To the boy who has helped so many of his Guardian Angels", and it was dedicated to him.

We were really stunned.

Nicole: That was a really thoughtful thing Leni did.

Lincoln: It sure is, and that still stunned me to this day.

Me: Still, that was a really nice thing they did, and you did awesome in saving Selene from Lola's out-of-control jealous rage and wrath.

Lincoln: What Lola did crossed a big line, and I heard Lori say that if Lola doesn't get her temper under control, she'll be banned from pageants for life.

Nico: Oof, I'm sure that got Lola to behave herself.

Lori: The fear of getting banned from pageants for life really got to her, and it worked.

We got a shower afterwards, and then, Lincoln and his harem are heading off to meet Naoto Tamura A.K.A. Mobile Cop Jiban and destroy Marsha and Karsha.

Lincoln: This is going to be so awesome meeting Naoto Tamura A.K.A. Mobile Cop Jiban.

Rudina Adalwulf: Yeah, and we're also going to destroy Marsha and Karsha.

Just then, they saw Naoto Tamura battling against Marsha and Karsha, and she's also got an army of Bionoids with them. Lincoln and his harem went to help and he fired powerful rainbow energy balls and elemental forces at Marsha and Karsha and her army, and the Bionoids were destroyed.

Naoto Tamura: Lincoln Loud of Team Loud Phoenix Storm?

Lincoln: That's right, we were planning on meeting you, but it looks like Marsha and Karsha decided to speed that up.

Perfuma: In any case, we're here to help you take them down.

Naoto Tamura: And you all came at just the right time.

Marsha: Then, you will all die here together!

Karsha: And it will break your stupid sisters' hearts when we kill you and every last bitch in your harem!

Lincoln: No one threatens the lives of my harem and my entire family and gets away with it, you two heartless witches!

Perfuma: Yes, and now, you will both die here and now, along with the entire Bioron Criminal Syndicate.

Naoto Tamura transforms into Giban.

Lincoln: So awesome. You ready, Perfuma?

Perfuma: Of course.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and Perfuma transformed into her Super Angel Eternity Infinity form, and they went after Marsha and Karsha, and they fired powerful blasts of rainbow energy, pink and mint green energy, laser blasts, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, rainbow super lightning, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, and Angels at Marsha and Karsha, and they exploded with incredible power as they hit them.

They also attacked them with their massive greatswords and Jiban attacked them with his gun, and left painful and nasty scars on them.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) Let's end them with a powerful combo.

Naoto Tamura: Understood.

Perfuma, Lincoln, and Naoto Tamura: JIBAN END ETHERIA FLORAL STORM BLAST!

Perfuma, Lincoln, and Naoto Tamura fired massive blasts of energy and flowers at Marsha and Karsha, and they exploded with incredible power, killing them for good.

Marsha: No, impossible!

Karsha: Doctor Giba, forgive us!

Marsha and Karsha exploded, and they were dead, and were given The Black Gates. Lincoln and Perfuma holster their massive greatswords on their backs and power down, and Naoto changed back.

Naoto Tamura: Thank you very much for what you did in helping me get rid of Marsha and Karsha, Lincoln and Princess Perfuma. But, this'll also mean the Bioron Criminal Syndicate will also be on you as well.

Lincoln: There's no need to worry, Naoto, we're going to take care of them, just like what happened with the Makuu Space Organization yesterday.

Naoto Tamura: I remembered Retsu telling me about that. This should be interesting to see, and you also killed the Kamen Riders' most dangerous enemies as well.

Girl Jordan: Wow, you were keeping track of all of our adventures.

Naoto Tamura: That's correct, Girl Jordan. And I think because of that explosion, Nico and J.D. are going to come here at once.

Just then, me and Nico arrived.

Lincoln: You really are good at keeping track of our adventures.

Me: Guys, we just saw a powerful explosion in Japan, are you all okay?

Lincoln: We're okay, J.D., and there's someone that's been wanting to meet you and Nico.

Nico: And who would… that be?

When we saw Naoto Tamura, our eyes went wide with surprise and awe.

Nico: Oh, no way, Naoto Tamura A.K.A. Mobile Cop Jiban from Kidou Keiji Jiban?!

Naoto Tamura: That's correct, Nico, and it's an honor to meet you and J.D. Knudson.

Me: We've heard so much about you. Wait, so that was one of your villains you, Lincoln, and his harem fought against?!

Lincoln: Not just any villain, J.D., they were Marsha and Karsha, Doctor Giba's secretary.

Nico: Not the secretaries of Doctor Giba again.

Lincoln: Yep. Now, for the grand finale to put an end to the Bioron Crime Syndicate for good. CRIME SYNDICATE BIORON GENOCIDE BLAST!

Lincoln fired a massive barrage of rainbow energy blasts, which hit every single member of The Crime Syndicate Bioron, including Doctor Giba, and every last one of them have been obliterated and given The Black Gates for good.

Naoto Tamura: Impressive work, Lincoln. And I have something for you to give to Orion.

Naoto Tamura handed Lincoln The Gavan Ranger Key.

Lincoln: Orion is really going to be surprised when he gets this, and we also got a surprise for you, Retsu. How would you like to join Team Loud Phoenix Storm? You knew the Kyurangers from long ago, and you'll be intrigued to know they're also part of the team since we met them last year.

Naoto Tamura: I would be honored, and it'll be great to see them again.

We came back to the World Tree Estate, and Lincoln told everyone what happened, and they were all stunned with awe, and Lincoln gave Orion the Jiban Ranger Key, and Naoto Tamura was now a member of the team.

Maria: This is really awesome, first you guys met Retsu Ichijouji A.K.A. Space Sheriff Gavan and you destroyed The Space Organization Makuu yesterday, now you met Naoto Tamura A.K.A. Mobile Cop Jiban and you destroyed the Crime Syndicate Bioran today, wow!

Nico: Yeah, this is really awesome. But, how did you know about them, Lincoln?

Lincoln: I should probably tell you. I got into watching the Tokusatsu shows starting with Space Sheriff Gavan, thanks to my Guardian Angel, Kushina Hikatokage, and she's a big time Tokusatsu fan.

Me: Wow.

Nico: You said it, that's really awesome that one of your Guardian Angels introduced you to Tokusatsu long ago, Linc.

Lincoln: You said it, Nico, and I've got the feeling we're going to run into her on my rescue tomorrow.

Nico: And when she meets Retsu Ichijouji A.K.A. Space Sheriff Gavan and Naoto Tamura A.K.A. Mobile Cop Jiban, she's going to faint, especially when you tell her of how you met them.

Lincoln: You bet.

---

We were flying over the beautiful suburbs of Birmingham, Alabama. Nico was shaking as it was something he fears, meeting the parents of one of his future wives.

Me: Nico it's gonna be all right.

Catarina Henrickson: Yeah Nico it's going to be all right. You remember my mom and dad. They love you.

Nico: It's not that Catarina.

Me: He's worried that your mom and dad are gonna blow his brains out with a gun.

Catarina Henrickson: Oh don't worry about that Nico. We don't own ANY weapons at all.

Nico: Really? (Sighs in relief) Good.

Hinata: Sunset, you and Ratchet are up for bonding next.

Sunset Shimmer: Awesome! I'm looking forward to this one!

Ratchet: Me too Sunset1

We arrived at her house.

Catarina Henrickson: Here we are.

We saw that she lived in an amazing and incredible multi-billion dollar mansion and it was amazing!

Me: Wow! Catarina your house is incredible.

Eli: Wow! It's amazing!

Me: It's just as beautiful and amazing as Daphne's mansion.

Catarina Henrickson: Yeah my mom and dad are multibillion dollar candy bar tycoons and they got all their money from making different kinds of candy bars made from different cookies.

Me: That's awesome.

Rarity: Oh it sure is darlings.

We went up to the door and Catarina knocked on it and answering it was her butler Jeeves Alfred.

Jeeves Alfred: Yes?

Catarina Henrickson: Hello Jeeves?

Jeeves Alfred: Why Ms. Catarina thank goodness you're all right.

Catarina Henrickson: It's good to be home. Is mom and dad here?

Jeeves Alfred: Of course right this way.

We went in.

Nico: Wow.

Me: Catarina your house is incredible.

Catarina Henrickson: Yes it is.

We went into the main living room.

Jeeves Alfred; Madam and sir you have visitors.

Isaribi: Hey, Catarina's mommy and daddy!

Catarina Henrickson: Hello mom and dad.

Callie Henrickson: Why hello there sweetheart.

Frank Henrickson: Welcome home princess.

They hugged her.

Catarina Henrickson: I'm sorry if I worried you in any way. I have a long story to tell you all.

Frank Henrickson: Why Team Loud Phoenix Storm it's an honor to meet you all. And my goodness Nico it's good to see you again chap.

Nico: Hello Frank and Callie. It's good to see you again.

Callie Henrickson: My goodness you've grown into an amazing young man.

Nico: I have come a long way since we last saw each other.

We sat down for some talking time and we had awesome tea.

Me: Mmm. Mint Jasmine Oolong Tea. Very good flavor.

Callie Henrickson: Why thank you J.D.

Cybertron Ransack: So, you two got any weapons to kill Nico with?

Nico: Ransack, you're not helping my situation!

Cybertron Ransack: Just want to be sure they don't have any!

Callie Henrickson: Oh goodness no we don't.

Me: Nico is worried you're going to hurt him because he has Catarina as one of his future wives.

Frank Henrickson: Oh goodness no. We would never hurt someone that we love as a son.

Nico: Oh thank goodness.

Me: Good.

Beachcomber: Your daughter's been through a lot lately.

Catarina Henrickson: It's true mom and dad. I've been turned into a gene-slammer for a Faerie Dragon.

She spread her blue butterfly wings and she showed her nature powers.

Catarina Henrickson: I was made into that because of Team Rocket. They turned me into a Faerie Dragon and I got nature powers and these beautiful butterfly wings to go with them. As well as the ability to turn into a Faerie Dragon.

Frank Henrickson: Wow! Your wings are absolutely beautiful.

Callie Henrickson: They are the wings of a blue tiger swallowtail butterfly. That's one of the rarest kinds of butterflies ever.

Nico: Wow. I didn't know that.

Me: Boy me neither. I never even knew butterflies like that even existed.

Catarina Henrickson: Yeah. But this is totally different. I was made this way because of Team Rocket.

I told them everything about the people that got slammed by Team Rocket and many enemies we have faced over the years and it was shocking to them but they were glad that Catarina is safe.

Ratchet: Also, have you seen anything weird here recently?

Callie Henrickson: Just a strange centaur. It's over in the courtyard.

Me: I'll go check it out. Please excuse me.

I went to go check it out.

Sunset Shimmer: But this is an amazing mansion you have Catarina.

Catarina Henrickson: Yeah it's home.

May: Just like some of Nico's old friends.

Nico: Yeah it's awesome.

Catarina Henrickson: It's home and I loved living the high life and I didn't let it go to my head like some evil Queen Bees that we know and hate.

Camie: Yeah that's true.

Missy: I have a mansion like this one.

Callie Henrickson: That's right Missy I remember hearing about that.

Nico: Yeah her mansion is awesome.

Eli: It sure is. I wonder if bro needs help.

I then came in and with me was a Centaur!

Nico: Whoa a Centaur!

Me: Oh guys this is Zinnia Cavvenaugh and she is became the Zodiarts for Centaurus the Centaur.

Zinnia Cavvenaugh: (Dizzy) Hello everyone.

Me: I defeated her 3 minutes ago. She'll be all right.

Nico: Wow. How do you know her?

Me: I went into a mystical forest called the Vennictum Forest in Luxembourg and she and I became awesome friends after I saved her from evil poachers.

Eli: Wow that's amazing.

Twilight Sparkle: It sure is.

Maria; How did the battle go?

Me: She just stood there and let me defeat her with a fire blast from my scythe.

Qin: Wow.

Nico: That was quick.

Me: It was.

Sunset Shimmer: But at least she's okay.

Qin: Yeah.

Ratchet: That was awesome though.

Sunset Shimmer: Boy it sure was. And Ratchet I will never regret meeting you.

Ratchet: Sane here. I'm glad I met you after you changed your ways.

Sunset Shimmer: Me too.

Me: Not only that but Sunset sings all sorts of really awesome songs when she is with the Rainbooms. Listen.

I pulled out my IPod and played some of their songs. I played Shining Rainbows, Good Vibes and so many more.

Callie Henrickson: Wow those were great.

Me: They are very inspirational and filled with lessons all about Friendship.

Qin: They sure are.

Nico: Yep.

Sunset Shimmer: Those were so awesome.

Ratchet: And I'm glad Nefarious is scrap metal now.

Sunset Shimmer: And he is now in the Black Gates.

Me: That's for sure.

Qin: It sure is.

Zinnia Cavvenaugh: (Groans) What a headache.

Varie: I got some aspirin.

Zinnia Cavvenaugh: Oh thank you.

She got some aspirin and gave it to Zinnia and she took it.

Sunset Shimmer: You may be the last of your kind. But you still have us.

Ratchet: That's true. And I'm so honored you guys are now my family.

Nico: Yeah we all are too.

Laney: We sure are.

Catarina Henrickson: That's right and that was an awesome and amazing mission to close out the Mane 10's big missions.

Sunset Shimmer: Yes it sure was.

Catarina Henrickson: And coincidentally it was after that that they met me as a faerie dragon.

Callie Henrickson: Did they really?

Catarina Henrickson: They sure did mom. They were battling Another Grey Matter and it was amazing.

Clank: Do not forget me.

Sunset Shimmer: We would never Clank.

Me: You were a massively huge help in all of Ratchet's adventures across the universe.

Nico: You sure were.

Varie: Yeah.

Xenia: So many awesome planets.

Nico: Yep.

We had a great chat and bonding session.

* * *

Later, Back at the estate it was almost night time and we were getting ready for our next mission.

Catarina Henrickson: That was so fun.

Pharaoh Man: You glad you saw your parents?

Catarina Henrickson: You bet I am Pharaoh Man.

Nico: That was awesome though.

Me: Yeah it sure was.

Nico: Yep. Now it's time for our next mission. We're going down to New Orleans, Louisiana and we're going to an awesome restaurant called Bayou Pierres.

Laney: That's supposed to have really awesome and delicious food.

Qin: It sure is.

Nadine Phoenix: They make really awesome Creole food at that restaurant.

Me: And good timing too because I haven't gotten anything ready for dinner yet. So we'll gladly go down there.

Nico: Yep.

Me: Also Mystery Inc. called us down there too for it.

Nico: I hope we have a great mystery to solve down there too.

Eli: I have a feeling we will.

Then Tala, Ranamon, See More, Cluemaster, Dr. Polaris, Trap Jaw, Tri Klops, Gramma Stuffum, Cheshire, and Pyros appeared.

See More: Can me, Tala, Ranamon, Cluemaster, Dr. Polaris, Trap Jaw, Tri Klops, Gramma Stuffum, Cheshire, and Pyros go with you guys?

Nico: You all sure can.

Qin: I can't wait to go down to New Orleans for some awesome food and grub. And an awesome mystery to solve too.

Varie: Yeah me too.

Laney: This is gonna be an awesome mystery.

Lola: I wonder what it will be.

Nico: We'll find out later on.

Kapri: Nico, which Gene Slammer do you think you'll meet next time?

Nico: I'm glad you asked Kapri. J.D. and I both have gene-slammers to go for next.

Me: For me I'm going to try and hope for a Mega Arceus.

Everyone gasped.

Eli: Whoa! A Mega version of the God Pokemon next! That's incredible!

Me: Yep.

Nico: And for me I'm gonna go for a Mega version of Entei next.

Me: Wow! A Mega Entei next.

Nico: Yep.

Tala: Let's get going.

Nico: Lets.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure was: it was none other than the malevolent tyrant and demonic unicorn who'd terrorized The Crystal Empire, King Sombra the Evil, and he's absolutely furious that the murderous double-crossing Dark Louds from Jared's babysitting adventure and Marsha and Karsha were destroyed by us, and now, that black-hearted demonic unicorn is heading here to kill us and get his revenge. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is King Sombra the Evil on the move?

Lincoln: You guessed it, Nico, and he's absolutely furious that the murderous double-crossing Dark Louds from Jared's babysitting adventure and Marsha and Karsha were destroyed by us, and now, that black-hearted demonic unicorn is heading here to kill us and get his revenge.

Me: So, that black-hearted monster's finally on the move. Now, he's finally going to be destroyed for good.

Merida McLogan: (Scottish Accent) Aye, lad, and it'll be by our hand.

Rockhoof: (Scottish Accent) Indeed, that monster has terrorized all of Equestria for the last time.

Nico: And now, Judgement Day has finally come for that despicable monster. Alright, gang, let's go, we got word the gang's at New Orleans, Louisiana.

Lincoln: And not only are we going down to eat some awesome spicy creole foods and Louisiana hot sauces, but we also got word that a Monster's causing trouble there. But, we'll bring him to justice, and you better be ready for later on, King Sombra the Evil, the Champions of Determination and protectors of Scotland's history are coming for you, and you will face judgement for all of your foul and evil misdeeds, you demonic, black-hearted unicorn!

We were off to New Orleans, Louisiana.

---

We arrived at Bayou Pierre's restaurant and Swamp Tours.

Nico: Here we are.

Me: Just as awesome as I have read.

Camie: Wow.

Fred: Hey guys!

Me: Hey guys.

We saw them sitting at a table.

Nico: Boy you picked a really awesome restaurant to have some grub.

Shaggy: Like yeah we sure did.

Xion: I wonder what's here.

Shaggy: It has Po'Boys, Gumbo, Crawfish étouffée, Jambalaya, Muffuletta. Beignets, Kalas, Andouille, Shrimp Creole…

Scooby Doo: And best of all…

Scooby and Shaggy: Hot sauce!

Me: Now you're talking!

Dwayne: Your selection of Bayou Pierre's math dynamite in order from hotness to pick from.

Me: Awesome selection.

Velma: Not for me Dwayne. My body tolerates spicy even less than someone ending a sentence with a preposition.

Dwayne: Then avoid this here last one it's called the Grim Reapepper.

He put a bottle of glowing neon orange hot sauce on the table with some tongs.

Shaggy and Scooby: The Grim Reapepper.

Homer: They also have more than that. I put the Grim Reapepper sauce on the po'boys and Tagine, Lamb Sausage and crawfish and more and ate it and man was it good and delicious.

Dr. Polaris: Do they have Regret hot sauce too?

Me: That is one of the hottest hot sauces ever.

Nico: Yeah. 12 Million Scoville units.

Qin: Geez!

I had an intense fire aura around me.

Me: But that sauce was nowhere near as hot as what we saw on that planet made of chili peppers and hot sauce.

Shaggy: Like you guys are lucky to see that.

Himiko: We sure were. And it was so awesome.

Brawl: Now, this is hot!

Nico: Yeah it is!

Dr. Polaris: Did you guys really see a planet made of chili peppers and hot sauce?

Me: We sure did Neal. This planet had piles and piles of chili peppers as far as the eye can see and it had rivers made of hot sauce.

Nico: It was amazing.

Varie: And a spicy one too.

Dr. Polaris: Wow that is amazing.

Tri Klops: Nico, did you really eat 100 of them in one go?!

Nico: You better believe I did.

Fred: Geez Nico you are one tough guy!

May: That's Nico for you.

Qin: He sure is.

Erica Haddock: Yeah he sure is.

Shaggy: Like you are awesome Nico.

Tri-Klops: He sure is.

Nadine Phoenix: Yeah. I saw the explosion as I was flying and man it was amazing.

Horsea: Boy from what we heard it was awesome.

Manaphy: It sure was. And the peppers we all got were delicious.

Varie: They sure were.

Swindle: Now, let's talk about the clues you guys found before calling us.

Nico: Okay. But first what's the sitch?

Fred: Oh right. There's a Swamp Monster that's terrorizing the area.

Qin: A swamp monster? Weird.

Fred: Yeah it was scaring off Bayou Pierre's tourists. It doesn't want anyone in the swamp.

Nico: How freaky. But I wonder why.

Cheshire: Maybe it doesn't want anyone on its' property.

Fuzzy: I can relate!

Me: I don't think so. I think it runs deeper than that. Its like it wants to get something and makes sure that no one else wants it.

Eli: Yeah. Wait that alligator there has something on its tooth.

Fluttershy: Oh I'll get it.

Fluttershy went over to the gator.

Fluttershy: Oh that must have gotten on your tooth by mistake. Can we have it please?

The gator opened its mouth and Fluttershy grabbed it and got it off.

Fluttershy: Oh thank you.

She came back with it.

Nico: What you got Fluttershy.

Fluttershy: It looks like a ring.

She gave it to me and I looked at it. It was an 18K Gold Ring with rubies and the letter K on it.

Me: Hmm. It's a ring from Kingston University. That's one of the most prestigious colleges in the country.

Gantu: We should pay that place a visit.

Nico: Gantu, Kingston University is all the way over on the other side of the country.

Eli: Yeah. But I also think I know what the Swamp Monster is after.

Fred: What is it Eli?

Eli then held out his hand and then used the Force and to our shock and amazement he lifted up a huge Armored Car from a local bank right out of the swamp!

Qin: Whoa! An Armored Car!

Varie: Wow! I wonder how that got in there!

Eli brought it over to us.

Me: Whoa!

Pyros: How'd that get there?

Nico: Wait a second. That's the missing armored car that disappeared in the New Orleans Bayou 6 months ago.

Laney: Really?

Nico: Yeah! It was stolen by the notorious Gentleman Bandit.

Qin: Whoa!

We opened it and in it was hundreds of sacks containing millions of dollars in money!

Laney: Look at all that money!

Camie: At least we know now what that monster was after.

Rabeeder: So the Gentleman Bandit is one of the suspects.

Nico: Yeah. But we don't know who he is.

Me: Hmm. Not yet we do.

Velma: And this wraps up the mystery. Now we just have to capture the Swamp Monster.

Nico: You read my mind Velma. And great job Eli.

Eli: Thanks Nico.

Gramma Stuffum: (to Shaggy and Scooby) (German Accent) If you two don't chicken out right now, I'll give some Scooby Snax I've been working on.

Shaggy: Like, me and Scooby were just gonna say that the Gentleman Bandit might not be the one we're looking for. Geez!

Nico: She's serious guys.

Shaggy: Oh. Well then what is the new Scooby Snax?

Gramma Stuffum: Oh it's this.

She pulled out a platter of GRIM REAPEPPER CREOLE SCOOBY SNAX!

Gramma Stuffum: Grim Reapepper Creole Scooby Snax.

Scooby Doo: Roh boy!

Shaggy: Like oh boy!

Me: Now those look awesome.

Shaggy: Like we'll help you guys!

Nico: Awesome.

They got to eating and they swallowed and then they screamed as fire exploded out of their mouths and Maria fired waves of water and cooled them off.

RD Sam Sharp: That's probably more hot than me!

Me: It is but they love it.

Shaggy: Like yeah. Delicious!

Nico: Yeah they do. All right guys! We got a swamp monster to capture!

Eli: Lets get ready.

Trap Jaw: Shaggy has a point though. The Gentleman Bandit might not be the culprit.

Nico: I agree though.

Me: We don't even know who he is though.

Camie: I have a feeling Velma will reveal it soon.

Velma: Yes we will.

Nico: Yep.

Lincoln: Thanks guys.

Apple Bloom: This is gonna be awesome!

Sweetie Belle: Yeah it is!

Scootaloo: I'm ready guys!

Laney: Yeah!

Grounder: I hope they have fun with that monster.

CLANG!

Scratch hit Grounder on his head!

Grounder: OUCH!

Scratch: They are trying to capture that monster you dumbbot!

Cluemaster: Let me call Kingston University while you guys are luring it here.

Nico: Go for it.

He got on his phone and called them.

Nico: So far it was scaring away tourists from the swamp.

Laney: And all just to find the Armored Car.

Cluemaster then came.

Cluemaster: Turns out the Kingston University Ring he had was stolen.

Me: So this ring was stolen. That explains why it's blank and doesn't have a name.

Qin: Hmm.

June: All we can do now is find out when we defeat the monster.

Me: That's what Nico has planned.

Nico: Yeah we don't want to spoil it too early before getting the usual battles and the entrance done.

June: True.

Velma: Yeah.

Me: And Rarity I think you would be very fitting for this ring. Because you are definitely the kind of girl of high society that is best suited for it.

Rarity: Do you really think so J.D.?

Lincoln: He sure does Rarity. And you are perfect for it.

She took it and put it on and it was perfect for her.

Rarity: Oh it's beautiful and fitting for me darlings.

Ranamon: Let's get ready.

Me: This is gonna be good.

Ranamon: Well smack my ass and call me Sally! It's time for some buttkicking!

Qin: Yeah!

Applejack: YEEHAW! It's going to be good!

Camie: All right lets get ready!

We heard growling.

Me: Here he comes.

Sunny Tennyson: Entrance time!

We hid and got ready and then out came the SWAMP MONSTER! It roared and walked to the Armored Car. Then the spirits of Hot Sauce came and the swirled around him and then the area turned into the Chili Pepper Planet and then the spirits converged and then…

KRABBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above him and Cajun Music was heard with the phoenix cry and we came out.

Me: Now this is gonna be a cajun battle!

Nico: Yeah it sure is!

Nico: Good.

King Hiss: But we'll find out when this is over.

Me: Yep.

Mammoth: (to Nico) Heard you went to a chili planet.

Nico: Yep we sure did.

Vulkanus: How hot was it?

Me: See for yourselves. We're on it.

Jackal Monster: I didn't get to have a full fight with you before you contained me.

Cruger: I truly am sorry. But I was in a hurry to get to Mora.

Nico: That Mora was nothing but trouble!

Varie: But she will make a great future candidate for the M.O.E.

Camie: Just got to find out who.

Rainbow Dash: She is a really awesome and amazing dragon gene-slammer guardian angel for Lincoln.

Scootaloo: Yeah and her story is really cool

---

Selene Rosesanglante: (French Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Selene, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Selene Rosesanglante: (French Accent) That's incredible.

Nico: It sure is. So, Selene, what's the story on why you hate Lola with a burning passion?

Selene Rosesanglante: (French Accent) You're not going to like this one. It was at a fashion show in Gotham Royal York, and I was on stage modeling some of the dresses that were created by some of the top fashion designers in Michigan. Lincoln was there to support me and cheer me on, and he had to bring the rest of the family along. Then, I came out onto the walkway dressed in a beautiful rose red satin dress, rose red high heels, and rose red jewelry, but what Lincoln didn't know was that the dress was created by Leni, and she also picked out the high heels and rose red jewelry, and Leni was going to be the one to tell him later. But, this caused nothing but jealousy and hatred from Lola, she thought she should be the one onstage wowing the crowd, in any case, her hair turned to living fire, her face turned red, and she had rage and hatred in her eyes, and she let out a rampaging scream of rage and attacked me for "upstaging" her. She tore at the dress, leaving her claw marks on it, and she also broke the heels on the high heels, and I was about to fall, and this really made Lincoln mad, he flew up to the stage and caught me in a bridal hold before I fell, and this really made Lola even madder than ever, and she was about to attack Lincoln for getting in her way, but Lincoln fired a blast of rose red energy from his massive white angel wings and trapped her inside a rose red orb.

Nico: Whoa!

Me: Yeah, I was there the night Selene had her modeling show in Gotham Royal York, and Lincoln saved her from Lola's wrath.

Selene Rosesanglante: (French Accent) He sure did. After what happened, Lola was then dragged to Vanzilla and when they got home, she was grounded for twelve weeks for her attack. Lincoln stayed with me and helped repair the dress using his powers. And when he found out that the one who made the dress, along with the shoes and jewelry was Leni, this surprised him greatly. I then explained that Leni made the dress for me, and I showed him something on the dress, it was a special stitching on the back that said, "To the boy who has helped so many of his Guardian Angels", and it was dedicated to him.

We were really stunned.

Nicole: That was a really thoughtful thing Leni did.

Lincoln: It sure is, and that still stunned me to this day.

Me: Still, that was a really nice thing they did, and you did awesome in saving Selene from Lola's out-of-control jealous rage and wrath.

Lincoln: What Lola did crossed a big line, and I heard Lori say that if Lola doesn't get her temper under control, she'll be banned from pageants for life.

Nico: Oof, I'm sure that got Lola to behave herself.

Lori: The fear of getting banned from pageants for life really got to her, and it worked.

FLASHBACK ENDS

Mammoth: Wow! Looks like Dark Lola was going to do that to Lola no matter what but that was really cool for Leni to make that awesome stitching for that dress.

Top: This was a very hot battle.

Ice Demon: Just like the good old days in solving mysteries.

Me: It sure feels like it.

Dayu: And now, we're back in the swamp.

Doctor Octopus: At least the monster's beaten.

Chalmers: And now, to see who he is.

I pulled off the mask and it was DWAYNE!

All of us: DWAYNE!

Me: Just as we suspected.

Nico: But he is REALLY The Gentleman Bandit!

All of us: THE GENTLEMAN BANDIT!

Velma: Dwayne wanted to scare everyone out of the swamp. Why? because he was after the armored car he stole as the Gentlemen Bandit. When Chomps foiled Dwayne's getaway the armored car loaded with money became submerged in the swamp. Dwayne A.K.A. The Gentleman Bandit, needed time to recover the money but he could only work at night, the only problem was that's when Bayou Pierre ran his swamp tours, so the Swamp Monster was born. Dwayne had come to town and got a job working with Bayou Pierre as the perfect cover while he planned his bank robbery. I realized Dwayne wasn't what he seemed when Pierre thought the Kingston University ring belonged to Dwayne, the same ring he lost at the night of the robbery. Dwayne wasn't Kingston material, but the Gentlemen Bandit was exactly the kind of high society type that would be a Kingston alumnus.

Gentleman Bandit: And I would have gotten away with it too if it wasn't for you meddling kids.

Me: Meddling is a good thing.

Nico: And now you are looking at spending the rest of your worthless life in prison.

They took him away.

Me: Have fun inside a Louisiana prison, you dirty crook.

Nico: You got that right, J.D. Awesome job, gang, but we're not done yet, there's still the matter of King Sombra the Evil to deal with, and that demonic, black-hearted unicorn should be arriving… right now!

?: You will all pay for ruining my plans to get rid of you, Team Loud Phoenix Storm!

Princess Cadence: I knew there was no mistaking that demonic voice from anywhere.

Princess Amore: Indeed. You can come out now, King Sombra the Evil.

A black shadow flew towards us in a fit of rage, and when it descended, the shadow disappeared and in its place was the malevolent tyrant and demonic, black-hearted unicorn who terrorized The Crystal Empire, King Sombra the Evil.

Me: So, the despotic tyrant who terrorized The Crystal Empire and murdered Princess Amore finally shows his face once again.

Nico: But, this is about to be the last time.

King Sombra: You have ruined my plan to finally destroy you all, those Dark Louds from Jared's past babysitting double-crossed me, and those two fools Martha and Karsha were also destroyed as well?! Now, I will kill every last one of you and reduce The Crystal Empire to ruin!

King Sombra was about to fire a blast of dark magic from his horn, but Merida McLogan blocked it with her gold Elemental Shield of Harmony and she and Princess Amore fired two blasts of energy at him and they hit him. When King Sombra saw Princess Amore, he looked like he'd seen a ghost.

King Sombra: Impossible, I killed you!

Princess Amore: Yes, you did, but I've been brought back by J.D., and I can never ever forget what you did in killing me all those years ago.

King Sombra: Then, enjoy your newfound life while it lasts, because I'm going to kill you again and your entire family will join you as well. And you, who do you think you are to get in my way?!

Merida McLogan: (Scottish Accent) Someone who refuses to let you hurt my friends and who's had just about enough of you for the last time, you demonic, black-hearted unicorn. (Orange energy aura flares up) I am Merida McLogan, Champion of Rockhoof the Strong, one of the Legendary Pillars of Harmony, Earth Pony of Determination and Leader of The Mighty Helm, and one of the 27 girls chosen by The Elements of Harmony to be The Champion of Determination.

This really horrified King Sombra badly.

King Sombra: Impossible, The Champions of Harmony have returned?!

Suddenly, Merida McLogan's pale light grayish cyan eyes turned neon pale light grayish cyan and she was surrounded by an orange energy aura with Alicorns, magic, earth, and Celtic symbols, she unholstered her massive Sword of The Champion of Harmony, and as she approached King Sombra the Evil, she left orange energy, Alicorns, magic, earth, and Celtic symbols with every step.

Merida McLogan: (Scottish Accent) King Sombra the Evil, I will never ever forgive you for the crimes you committed against Equestria and The Crystal Empire, you are nothing but a selfish, murderous, evil, black-hearted, demonic monster who has no remorse for the crimes you've committed, and for what you also did in killing Princess Amore in cold blood, you have crossed one line too many, and now, it is time for me to administer the punishment you rightfully deserve: death.

Suddenly, Merida McLogan was surrounded by a massive vortex of orange energy with magic, Celtic symbols, and earth surrounding it, there's an Alicorn flying around the vortex, and in the vortex is a cyan blue phoenix. Then, as the vortex faded, Merida McLogan emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Merida McLogan grew to 6'11" in height, she has the body of a goddess, she has cyan blue highlights in the bangs of her long flowing light orange hair with single braid, she has neon pale light grayish cyan eyes and an orange energy aura with Alicorns, magic, earth, and Celtic symbols surrounding her, she has an Alicorn along with Rockhoof's cutie mark on its horn emblazoned on her forehead, she has on Alicorn earrings with cyan gems for eyes and the Determination and Eternity Kanjis in its hooves, she has on her Crystal Necklace of The Buddha with cyan gems on the gold crescent links and orange crystal links and a cyan Alicorn-shaped Element of Harmony and on the bottom of The Element of Harmony is an Alicorn with cyan gems for eyes and holding the Determination and Eternity Kanjis in its horn for the pendant. Suddenly, Merida McLogan felt a sharp pain on her back, and then, massive light orange angel wings with cyan tips on the light orange feathers, grew and sprouted out from her back. Merida McLogan has on her Ring of the Phoenix with large light orange gem and heart-shaped gem embedded in it on her right ring finger and Green Lantern Corps ring on her left ring finger.

Suddenly, Merida McLogan's massive Sword of The Champion of Harmony and all of the swords she'd gotten began merging together, and they were surrounded by a kaleidoscope of light orange energy, magic, earth, Celtic symbols and Alicorns, and when it emerged, it was transformed into Rockhoof's Celtic Strength Alicorn Greatsword of Celtic Determination and Celtic Earth Justice, it's a brand-new massive greatsword with a 7'0" massive, wide, double-edged light orange blade with the cutie mark of Rockhoof etched on the blade, large gold Alicorn heads for the crossguard, large cyan gem embedded in the rainguard, longer black handle, and large gold Alicorn heads with cyan gems for eyes and a large light orange gem on the bottom of the heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with light orange gems on her wrists, her Belt of Elemental Bravery with an Alicorn for the belt buckle and cyan gems for the eyes and a large light orange gem in its collar for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. Merida McLogan has transformed into SUPER ANGEL-ALICORN ETERNITY INFINITY CELTIC STRENGTH EARTH FRIENDSHIP ALICORN ANGEL OF DIVINE CELTIC EARTH JUSTICE AND DIVINE EARTH CELTIC DETERMINATION!

We were amazed by Merida McLogan's Super Angel-Alicorn Eternity Infinity transformation, but when King Sombra the Evil saw it, he went berserk with rage, and with a sadistic grin on his face, he fired a blast of dark magic from his horn to kill her, but Merida blocked it with her gold Elemental Shield of Harmony, and she fired a powerful orange energy blast with Celtic symbols, magic, Alicorns, and earth at the demonic black-hearted tyrant and it exploded with incredible power as it hit him, but he's not out yet.

Nico: Whoa, Merida McLogan's transformed, so awesome!

Ken Knudson: Yes, and now, it's Rockhoof's turn to transform.

Merida McLogan: (Divine Echoing Cosmic Voice of The Determined Celtic Earth Alicorn and Divine Celtic Earth Justice) (Scottish Accent) **That's right, Ken.**

Me: This should be good.

Rockhoof: (Scottish Accent) Aye, and it will be lad.

Suddenly, Rockhoof's grayish blue turned neon grayish blue and he was surrounded by a moderate gamboge and pale light grayish cyan energy aura with light gold accents with Alicorns, earth, rocks, magic, and Celtic symbols, he unholstered his massive Sword of The Knights of The Friendship Table, and as he approached King Sombra the Evil, he left moderate gamboge and pale light grayish cyan energy, Alicorns, earth, rocks, magic, and Celtic symbols with every step.

Rockhoof: (Scottish Accent) King Sombra, I will never ever forgive you for the cold-blooded and black hearted crimes that you've committed against Equestria and The Crystal Empire, you are nothing but a vile, sadistic, cruel, black-hearted, remorseless monster with a penchant for blood, and what you did to Princess Amore has crossed one line too many, and now, we shall administer the sentence that fits your crimes: death.

Suddenly, Rockhoof was surrounded by a massive vortex of moderate gamboge and pale light grayish cyan energy with light gold accents with earth, rocks, magic, and Celtic symbols surrounding it, there's an Alicorn flying around the vortex, and in the vortex is an orange phoenix. Then, as the vortex faded, Rockhoof emerged, but he was changed forever.

Rockhoof grew to 7'5" in height, he has abnormally massive and powerful upper and lower body muscles and eight-pack abs, he has cyan highlights in the bangs of his long moderate gamboge with light gold stripe and single braid, he has neon grayish blue eyes and a moderate gamboge and pale light grayish cyan energy aura with light gold accents with Alicorns, earth, rocks, magic, and Celtic symbols surrounding him, he has an Alicorn along with a Nordic Valknut on its horn emblazoned on his forehead, he has on Alicorn earrings with grayish blue gems for eyes and the Determination and Eternity Kanjis in its hooves, he has on his Crystal Necklace of The Buddha with grayish blue gems on the gold rock links and grayish blue crystal links and a grayish blue Alicorn-shaped Element of Harmony and on the bottom of The Element of Harmony is an Alicorn with grayish blue gems for eyes and holding the Determination and Eternity Kanjis in its horn for the pendant. Rockhoof has on a sleeveless brown tunic, black pants, brown boots, and long brown sleeveless trenchcoat with earth and Celtic symbols on the coattails, and an Alicorn on the back surrounded by earth and on top of its horn is a Valknut. Suddenly, Rockhoof felt a sharp pain on his back, and then, massive pale light grayish cyan angel wings with moderate gamboge tips on the pale light grayish cyan feathers, grew and sprouted out from his now wider and more muscular back. Rockhoof has on his Ring of the Phoenix with large moderate gamboge gem and heart-shaped gem embedded in it on his right ring finger and Green Lantern Corps ring on his left ring finger.

Suddenly, Rockhoof's Sword of The Champion of Harmony and all of the swords he'd gotten began merging together, and they're surrounded by a kaleidoscope of moderate gamboge and pale light grayish cyan energy, Alicorns, earth, rocks, magic, and Celtic symbols, and when it emerged, it was transformed into Rockhoof's Celtic Strength Alicorn Greatsword of Celtic Earth Determination and Celtic Earth Justice, it's a massive brand-new greatsword with his cutie mark and Celtic symbols etched on the 7'0" massive, wide, double-edged moderate gamboge blade, large gold Alicorn heads for the crossguard, large cyan gem embedded in the rainguard, longer black handle, and large gold Alicorn heads with cyan gems for eyes and a large moderate gamboge gem on the bottom of the heads for the pommel, he has on his large gold cuff Bracelets of The Champions of The Universe with cyan gems on his wrists, his gold Belt of Elemental Bravery with an Alicorn for the belt buckle and cyan gems for the eyes and a large moderate gamboge gem in its collar for the belt buckle on his waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on his right hip and Eater of Sins revolver holstered on his left hip. Rockhoof has transformed into SUPER ANGEL-ALICORN ETERNITY INFINITY CELTIC STRENGTH EARTH FRIENDSHIP ALICORN ANGEL OF DIVINE CELTIC EARTH JUSTICE AND DIVINE EARTH CELTIC DETERMINATION!

We were amazed by Rockhoof's Super Angel-Alicorn Eternity Infinity transformation, but when King Sombra the Evil saw it, he went berserk with rage, and with a sadistic grin on his face, he fired a blast of dark magic from his horn to kill him, but Rockhoof blocked it with his gold Elemental Shield of Harmony, and he fired a powerful moderate gamboge and pale light grayish cyan energy blast with Celtic symbols, magic, Alicorns, and earth at the demonic black-hearted tyrant and it exploded with incredible power as it hit him, but he's not out yet.

Nico: Whoa, now Rockhoof's transformed, so awesome!

Me: Now, the battle to protect The Crystal Empire from King Sombra's evil has finally begun.

Rockhoof: (Divine Echoing Cosmic Voice of The Determined Celtic Earth Alicorn and Divine Celtic Earth Justice) (Scottish Accent) **Aye,**

**that's right, lad. Lincoln, Merida, shall we show this black-hearted tyrant what happens when he dares to terrorize and murder innocent people?**

Lincoln: (Smiles) Of course, Rockhoof.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Rockhoof and Merida McLogan.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **You've terrorized the innocent ponies of Equestria and The Crystal Empire for far too long, King Sombra the Evil, and now, we will finish you off once more, and this time, stay dead!**

Me: Your reign of terror is over forever! Your hatred, tyranny and malevolence dies with you!

Merida McLogan, Rockhoof, and Lincoln went after King Sombra the Evil, who continued firing blasts of dark magic at them, but they've blocked and deflected them all, and they fired powerful blasts of rainbow energy, orange energy, moderate gamboge energy, Celtic symbols, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, rainbow super lightning, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, and Angels at King Sombra, and they exploded with incredible power as they hit him, and he was being burned by The Magic of Friendship. Then, they attacked him with their massive greatswords and they left painful scars on him, and because of the purity of the attacks, it burned him badly, and the wounds he suffered would never heal.

Then, Lincoln made a Celtic binding circle which bound King Sombra's hooves to the ground and he couldn't move nor escape, and then, Lincoln grabbed King Sombra by his horn and he began sucking out and absorbing King Sombra's dark magic, powers, and really immense hatred, and he made the dark unicorn's powers his own and he was gaining a massive power boost from his hatred, and when Lincoln was done, King Sombra was weakened to such an extent that he couldn't even move, and Lincoln did the most painful thing ever to King Sombra: he ripped King Sombra's horn right off of his head, and he screamed in so much excruciating pain and agony.

Nico: Ooh, that's got to hurt!

Me: That's just as brutal as ripping a villain's arms off or his organs and bones, nice one, Linc!

King Sombra glared at Lincoln with so much hatred and fury, but Lincoln grabs the demonic unicorn by the neck with his large left hand and he tossed him into the air with his really immense and brute superhuman strength, and that allowed Merida McLogan, Rockhoof, and Lincoln to finish King Sombra the Evil off by firing powerful energy beams and as they hit King Sombra the Evil, they exploded with incredible power, killing him for good as he screamed in pure rage. We cheered wildly for what Merida McLogan, Rockhoof, and Lincoln did to King Sombra, as they holstered their massive greatswords on their backs and powered down, and the new bodies, clothes, weapons, jewelry, and massive angel wings of Merida McLogan and Rockhoof are permanent.

Then, as King Sombra the Evil's spirit appeared, the cutie marks of The Mane 9 on the massive Celtic Cross cutie mark tattoo on Lincoln's wider and more muscular back glowed, along with the cutie marks of The Mane 12 and the Elements of Harmony on my sword, and King Sombra the Evil's spirit as surrounded by a magic circle with the cutie marks of The Mane 12 that formed on the ground, and the demonic unicorn was chained up by chains of magic and rainbow energy, and the energy images of The Mane 12 appeared from the cutie marks on the circle, and they found him guilty of his crimes, and the energy images of The Mane 12 aimed their horns at King Sombra the Evil and Lincoln aimed his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds at King Sombra the Evil.

Lincoln: King Sombra the Evil, for the multitude of crimes you've committed against Equestria and The Crystal Empire, along with the cold-blooded murder of Princess Amore, you have been found guilty, and the punishment for your crimes is death.

This horrified King Sombra the Evil as he soon saw his days of chaos and havoc are about to come to an end.

Lincoln: MANE 12 HARMONIOUS CUTIE MARK FINAL JUDGEMENT!

Lincoln fires a very powerful barrage of rainbow energy beams with Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, rainbow super lightning, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, and Angels from his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds and the energy images of The Mane 12 fired colored magic energy beams from their horns, and as they hit King Sombra the Evil's spirit, they exploded with incredible power and his evil spirit was condemned to The Black Gates, and he was fading away.

King Sombra the Evil: NO! CURSE YOU, DAMN YOU ALL, TEAM LOUD PHOENIX STORM! (Fades Away)

King Sombra the Evil's spirit was erased from existence by the spirits of all those he's hurt and killed, and he'll never return to hurt anyone again. THE DEMONIC TYRANNICAL TERROR OF KING SOMBRA THE EVIL HAS FINALLY BEEN BROUGHT TO AN END!

Nico: Whoo! Now, that's what I call an awesome Celtic battle against that black-hearted tyrant and a fitting end to that monster.

Me: You said it, nice job, guys.

Lincoln: Thanks, J.D.

Nico: And not only did we have fun eating tons of awesome spicy creole foods and Louisiana Hot Sauces, but we also solved the mystery of The Swamp Monster and put the culprit behind bars, and we got rid of King Sombra the Evil.

Lincoln: Which means, the next member of The Doomsday 23 to take down and destroy tomorrow is Midnight Sparkle and purge the darkness from Twilight Sparkle forever.

Nico: The evil version of Twilight Sparkle, I should've known she'd be the next one to face tomorrow, and you're right, Linc, the darkness is going to be purged from Twilight Sparkle forever.

Rarity: Indeed, darling, and that'll be left to Yumi Yamaguchi, Mistmane, and Linky.

Lincoln: That's right, Rarity, and you're going to see just how I'm going to purge that darkness from Twilight Sparkle forever tomorrow. In addition to learning from the Princesses of Equestria, I've also been learning from The Legendary Pillars of Harmony, and I've learned a lot about healing magic from Mistmane, along with some healing spells from the spellbooks in our library and in my spellbook.

Me: So, there should be a spell for tomorrow to purge the darkness from Twilight forever.

Nico: And get rid of Midnight Sparkle forever.

Lincoln: Yep.

Suddenly, Lincoln sensed something.

Me: Lincoln, is something wrong?

Lincoln: There's someone else who's here, but it's an energy of pure good, but it's from a parallel universe.

?: Looks like I've missed out on the chance to help destroy my parallel self.

Suddenly, we saw a figure come out, he looked just like King Sombra the Evil, but his black hair has dark blue streaks, he has green eyes, and he's dressed in aristocrat clothes.

Lincoln: Wait a second, you're King Sombra the Good.

Juliana Giagōremu: (Japanese Accent) The parallel version of King Sombra the Evil, the one we just killed.

King Sombra the Good: Yes, that I am. Looks like I was too late to help you destroy my parallel self.

Me: Sorry about that.

Nico: Yeah, but we were hoping to meet with you, since we've been dealing with the evil versions of the princesses.

King Sombra the Good: Yes, I've heard about what you did to Evil Celestia and Evil Luna from my world, and I want to join you.

Lincoln: Of course.

Nico: Yeah, we heard of what you did in taking down the evil versions of the Mane 6 in your world, along with the princesses.

Me: And you said yourself, you're nothing like the King Sombra we know and hate. So, consider yourself in. Welcome to The Knights of The Friendship Table.

King Sombra the Good: Thank you.

Me: You're welcome.

Nico: But great job today everyone. This turned out to be one awesome and spicy adventure.

Me: It sure did. And the Armored Car can be returned to the bank.

Eli: Yep.

Nico: But Eli deserves some of the credit for using the Force to bring the Armored Car out of the swamp.

Eli: It was nothing.

Me: But it was awesome. We can now call this CASE CLOSED.

Sunset Shimmer: (To the viewers) This was an awesome and spicy adventure and it was a great mystery.

Nico: It sure was. Lets head home.

We went back home and enjoyed the rest of the day and went to sleep.

THE END

Another awesome and great chapter done.

Saga of The Swamp Monster is one of my favorite episodes of Be Cool Scooby Doo and I loved it because of the hot sauces. The episode aired on February 27, 2016.

# THE CASE OF THE GHOST OF PRISON

In the early morning hours at 2:53 AM, Lincoln had a dream, and he saw three figures who was hiding out and living in the streets of Tokyo, Japan. But, they were no ordinary three figures, their were Patch, adopted daughter of Lincoln Loud. along with Clover Bloom, and Sweet Note. Lincoln woke up from the dream, but he wasn't the only one, Nyx Midnight, Starburst, Bright Eyes, Lancer, Melody, Sweetheart, Half Note, Ace, Lori Loud, Nico, and I also had the same dream.

Lincoln: Don't tell me, let me guess, you guys have that same dream as me?

Lori: We sure did, bro.

Nyx Midnight: And it also means that we found out where my adopted sister is at, along with two girls.

Starburst: Although one of them is a twin sister of a certain someone.

Bright Eyes: But the question is, Where?

Me: they're at Tokyo, Japan.

Nico: Oh man, that's not good. It's the same place when we found Jasmine the Cat, Stephanie the Anglerfish, Katrina Roberts, and Sharksharper, And it is not a safe place for little kids like them.

Lincoln: That's right, Nico. Come on, we're going to rescue them, and bring them to the Estate.

Lori: You got that right, bro.

Lincoln, Lori Loud, Nyx Midnight, Starburst, Bright Eyes, Lancer, Melody, Sweetheart, Half Note, Ace, Me, and Nico were heading to Tokyo, Japan. Then, Lincoln saw a 10-year-old girl who has magenta skin, short yellow hair with pink streaks and Light blue eyes. She wore a long brown sweater, dark brown vest, black pants, brown boots, and a brown cap. A 10-year-old girl who has sand colored skin, ruby hair with pink streaks and amber eyes. She wore a white shirt with mango long sleeves, brown pants, and orange sneakers. and a 10-year-old girl who has lavender purple skin, pink hair with light pink streaks and pink eyes. She wore a blue sweater, pink shorts, green striped socks, white sneakers, and a beanie with cat ears and a four leaf clover design. Lincoln saw who they was, it was Sweet Note, Patch, and Clover Bloom.

Lincoln: Excuse me, are you Sweet Note?

Sweet Note: Yes, And who are you?

Lincoln: I'm Lincoln Loud of Team Loud Phoenix Storm, and this is my older sister, Lori Loud, my older brother and leader of Team Loud Phoenix Storm, J.D. Knudson, and my second brother and second leader of Team Loud Phoenix Storm, Nico Chan.

Sweet Note, Patch, and Clover Bloom were stunned.

Clover Bloom: The Legendary team themselves?

Lincoln: Yes.

Sweet Note, Patch, and Clover Bloom ran up to Lincoln, and they hugged, and they cried tears of happiness, and we looked on at the scene. Then, Nyx Midnight, Starburst, me, Nico, and Lori joined in on the hug.

Lincoln: And there's something you three should know, I adopted not only just you three, I'm also adopting Bright Eyes, Half Note, Ace, Melody and Sweetheart.

Bright Eyes, Half Note, Ace, Melody, and Sweetheart: Adopted?!

Sweetheart: But, Why?

Lincoln: I've seen you guys not also being there for Nyx, but you guys are like siblings to Nyx. so, I decided to adopt you five as part of my family.

Bright Eyes: Are you saying that because… you're our father now?

Lincoln: (smiled) What else I won't I be?

That filled Bright Eyes, Half Note, Sweet Note, Ace, Patch, Melody, and Sweetheart with joy, as he picked them up and they hugged, and we had a smile on our faces and tears in our eyes. and Lancer join the hug as well.

Lincoln: Alright, everyone, let's go home. I can't wait until we tell everyone in the morning about this.

We went back home to the Estate, and Lincoln told everyone what happened, and he then introduced Sweet Note, Patch and Clover Bloom to the rest of his siblings, who are now their aunts. We were proud of what Lincoln did, and Bright Eyes, Half Note, Sweet Note, Ace, Patch, and Melody, and Sweetheart now has a loving, strong, brave, and caring father in their life.

Camie: I hate that wizard monster.

Tsuyu: Me too.

Varie: All of us have. He is a genocidal racist to the Nth Power.

Thetis: Yeah he sure is.

Nico: Thanks for coming, Thetis.

Thetis: Anytime Nico.

Camie: Thetis I never got to ask, what kind of creature are you?

Thetis: I'm what's called an Undinian and my kind comes from the planet Undine III.

Me: Undinians are a race of water elementals from the planet Undine III. The planet is a world completely covered in water and the Undinians live in underwater castles and cities. They are a peaceful race and they only fight when absolutely necessary. The planet was originally located 13,000 light-years away from Earth. They have tremendous power over water and they are very deadly and formidable warriors in battle.

Nico: Wow!

Qin: That is incredible.

Camie: Boy it sure is.

Nico: Thetis, remember when you joined us?

Thetis: I sure do. It was during the adventures with Shanan and Sailor Moon.

She went over what happened in chapter 220 and it was awesome.

FLASHBACK - Chapter 220

Disturbances were being found in a computer club in Sailor Moon's school and Shanan, The Sailors, Lincoln, Fu, Lilly, Lucy, Laney, Lana, Lola and Penny were on their way to find out what is causing it.

They arrived at the door to the computer club and found a woman instructor and the students were looking tired and drained.

Lilly: This is bad guys. Beryl is behind this.

Shanan: Yeah. I feel it too Lilly.

Lincoln: I got this.

Lincoln fired a blast of lightning at all the computers and they all shorted out and exploded.

BOOM!

Lucy: This whole computer seminar is a ploy. Run. Now!

The students ran.

The woman became a nasty monster. It was Garoben.

Shanan: Garoben. An Axenonan was behind all this.

Garoben: That's right Shanan. I'm impressed you know all about my kind.

Shanan: I know all sorts of creatures from all of the galaxy and beyond.

Lincoln: What's an Axenonan?

Shanan: Axenonans are one of the most dangerous warrior races in the galaxy. They come from the planet Axnos. It's a primitive city planet that is completely wartorn and the system is 49,000 light-years away from Earth. They have been at war with their sister planet Uminon Prime for centuries. The war is still going on to this day. They have axes for their right arms that they use as their weapon of choice.

Lana: That is absolutely crazy!

Garoben: That's right Shanan. My race has always been at war with Uminon Prime for as long as I can remember. It's a nightmare unlike any other.

Lincoln: I'd like to face you and test myself against you. You have more fighting experience than I do and I want to see how I measure up.

Garoben: Lets go outside and do it Lincoln.

Shanan: Good thinking.

Out on the track Lincoln and Garoben stood ready.

Lincoln had his sword of lightning ready.

Garoben: This is just like home Lincoln.

Lincoln: Glad I could help you reminisce about it.

They then clashed and it was a savage and fierce sword and axe battle. Blasts of blue and black lightning were flying everywhere. Lincoln was getting an intense workout and he and Garoben were working up an intense sweat. When they stopped 45 minutes later they were panting and sweating hard.

Lincoln: You definitely live up to your race Garoben. You are a skilled and fierce warrior.

Garoben: Thank you Lincoln. You are a truly worthy adversary.

Lincoln: If I may ask why do you serve a monster like Queen Beryl?

Garoben: I wanted to find a way to stop our planets from fighting for so long. I was fed up with both our planets fighting for too long that it tore my mind apart. Queen Beryl recruited me to do her bidding because she promised me that she would help me stop the fighting.

Lincoln: And you believed her?

Garoben: Yes. Now I see that all this time she was using me after all these years. You fighting with me made me realize that and I am forever in your debt Lincoln Loud.

Lincoln: I'm glad I could help you Garoben. Would you like to help us take down Queen Beryl?

Garoben: I would be honored Lincoln.

Garoben became a rune on Lincoln's sword and this meant that Lincoln would call on her when the time is right.

Lola: Great job Linky.

Sailor Venus: Yeah. That was amazing.

Lincoln: Thanks girls.

Shanan: All that training under my sister Nicole really helped you buddy.

Laney: It sure did.

?: Soon it won't matter when you all die.

They saw Jadeite.

Sailor Moon: Jadeite.

Shanan: Jadeite. So you are the one that's been trying to steal all the energy of these innocent people for Queen Beryl.

Jadeite: That's right.

Lucy: Your heart is as black as the Darkness.

Laney: You are evil in its purest form.

Shanan: We will fight you when you are ready Jadeite. I have message for Queen Beryl.

Jadeite: Very well. What do you have to say for her majesty?

Shanan: Tell her this. When the time comes for us to fight, we are coming for her and we will make sure that she pays for everything she has done to the galaxy in its entirety and avenge Queen Serenity and the entire Moon Kingdom that she destroyed 1,000 years ago.

Jadeite: I will tell her this and you will get no more mercy from me when we fight.

Lana: We have that to look forward to.

Sailor Moon: Count on it.

Jadeite vanished.

Shanan: You hear that Beryl? We are coming for you and you will pay for everything you've done.

The scene transits to the Dark Kingdom in all its malevolent glory.

Jadeite: And so your Majesty, Shanan told me to deliver her message to you from her.

Queen Beryl: Her message has been received. I will be ready for her when the time comes and she will die like The Moon Kingdom did. Increase your chances of getting energy for the Negaforce Jadeite. Don't disappoint me.

Jadeite: Yes your Majesty.

He vanishes.

Back in Tokyo in the clubhouse, Shanan sensed something weird.

Shanan: Guys, something is going on. Numerous people have been buying lots of clocks from a clock store at a good price and they have been acting strange.

Sailor Mercury: Yes. Sailor Moon's dad has been getting up and going to work at 2 hours earlier than normal.

Sailor Venus: That is really strange.

Sailor Uranus: Without a doubt it's Beryl's doing.

Lincoln: Well if it's coming from a clock shop then we need someone that can use time powers.

Lincoln used his lightning powers and opened a window.

In Clyde's room at the McBride Residence, he was playing video games when the viewing window appeared.

Lincoln: Clyde are you there?

Clyde: Hey Lincoln. What's up?

Lincoln: We have a situation here in Tokyo and we need your help.

Clyde: Sure thing. I'm on my way.

Clyde jumped through the viewing window and he arrived in the Clubhouse.

Lana: Hey Clyde.

Clyde: Hey Lana. Wow! What a clubhouse.

Laney: It's our base of operations for our battle with the forces of the Negaverse.

Shanan: Good to have you here Clyde. Now we have a situation where your Time Powers are needed.

Lilly: We'll explain it when we get there.

Clyde: Okay. I wanted to test out my time powers anyway and see what I am capable of. I've been training and getting stronger to win Lori's heart.

Shanan: Lets go.

They walked over to the Clock Shop called Clock Look and they saw that it was closed. They explained the situation to Clyde and he was more than willing to help out.

Shanan: All right guys.

Shanan fired an energy blast and blew a hole into the door.

BOOM!

Shanan: Lets go.

They ran in and saw the store owner.

?: So you all came.

Shanan: That's right.

Clyde: You've done enough damage to the people of Tokyo.

Clyde released a time field and the Clocks all exploded. The energy that was stolen from everyone that bought the clocks was returned. The store owner revealed her true form: Ramua.

Shanan: Ramua. A Chrononite was causing all this.

Ramua: That's right Shanan. Your little friend has impressive time powers like I do.

Clyde: That's right. You are abusing the power of time for dark pleasures and I can't allow that to happen.

Lincoln: What's a Chronoite?

Shanan: Chronoites come from the distant planet Kronos II. It's located at the distant edge of the galaxy 125,000 light-years away from Earth. They have a strong power and control over time. Their powers aren't as omnipotent as the power of time in its entirety. They get their power from a powerful pocket dimension of their own creation. Kronos II was destroyed when a comet the size of Jupiter crashed into it and completely obliterated it. I would consider it as an act of karma because Chronoites are an evil race that was doomed to extinction.

Ramua: That's right Shanan. My race was completely destroyed by that comet and I am now the last of my kind.

Lana: That's awful.

Laney: Yeah.

Ramua: To tell you the truth everyone. I never wanted to work for Queen Beryl in the first place. My race was brainwashed into becoming an evil race by Beryl and she poisoned my mind with lies. She destroyed my race.

Lilly: Oh man. That's awful!

Clyde: Why don't we team up? We can help take down Queen Beryl together.

Ramua: I would like that.

Clyde: My name is Clyde McBride.

Ramua became a mark on Clyde's arm.

Lincoln: Great work Clyde.

Clyde: Thanks buddy.

Shanan: Our work is not done yet.

The next day they got a disturbance over at Sendai Hill.

They ran to the sight and saw a bus lifting up and being pulled into a black hole.

They flew after it and went in and saw that the bus was in a pocket dimension created by Kigaan.

Shanan: Kigaan. A Repnomite was behind all this.

Kigaan: That's right Shanan. Their energy is now mine thanks to me.

Lincoln: What's a Repnomite?

Shanan: Repnomites are a race of vicious, ruthless reptilian warriors that rule over everything with pure fear. They come from the destroyed planet of Xexni XII located 28,000 light-years away from Earth. The planet was completely enslaved by the Repnomites centuries ago and they were destroyed when the planet was sucked into a black hole and it exploded.

Lincoln: That serves them right.

Sailor Mars: Yeah. I agree. They deserved to be destroyed for everything they did.

Kigaan: That's right. Now you all are gonna die.

Clyde fired a time ray and it hit her arm and it disintegrated into dust.

Lincoln fired a blast of lightning and electrocuted her.

Sailor Uranus: URANUS GROUND SHAKING!

Sailor Uranus fired a yellow ringed orb and it obliterated Kigaan instantly.

Shanan: Great shots guys.

Lincoln: Thanks Shanan.

Kigaan, the last of the Repnomites was killed and the Repnomites were now extinct.

They returned the stolen buses to the streats and they left.

The next day they were at a fairy tale land and they saw a princess stealing energy through her apple.

Shanan: Not on our watch.

Shanan fired an energy beam and it blew the apple out of her hand and shattered it.

The stolen energy was returned and they saw the girl change. She became a living doll called Murid.

Shanan: Murid. A Dretrovite was behind all this.

Murid: That's right Shanan.

Lincoln: What's a Dretrovite?

Shanan: Dretrovites are a race of Dream Aliens that have total control over dreams. They come from the distant planet of Drevo V. They can assume any form they choose from fantasy and look like a princess or anything from your favorite storybook. But their true form makes them look like a puppet doll. The Drevo System is located 76,000 light-years from Earth and it has a sister system 20 light-years away from it. That is the system of Nightmares and is the Antepode of the Drevo System.

Sailor Neptune: So Murid is from the nightmare system?

Shanan: No. She is from Drevo V but she was poisoned with evil that turned her into a creature from the Nightmare System.

Murid: That's right Shanan and you've ruined everything for her majesty.

Lola: You give princesses everywhere a bad name!

Lola fired a blast of fire at her and incinerated her.

Lincoln: Nice shot Lola.

Lola: Thank you Linky. She was ruining the good nature of princesses everywhere and she had to be destroyed.

Sailor Mars: Yeah. Well done Lola.

Later the next day they were on a cruise ship and they saw a girl with dark teal hair stealing energy through a necklace. Lincoln fired a blast of lightning at her and revealed her true form. It was Thetis.

Shanan: Thetis. An Undinian was behind all of this.

Thetis: That's right Shanan. How did you know my race?

Shanan: I have my sources.

Lincoln: What's an Undinian?

Shanan: Undinians are a race of water elementals from the planet Undine III. The planet is a world completely covered in water and the Undinians live in underwater castles and cities. They are a peaceful race and they only fight when absolutely necessary. The planet is located 13,000 light-years away from Earth. They have tremendous power over water and they are very deadly and formidable warriors in battle. For some reason Undine III was frozen over in ice.

Thetis: Yes Shanan. That's right. My planet was frozen over when our systems star went nova.

Shanan: That's awful. But why are you serving Queen Beryl?

Thetis: I was promised to have my planet restored to what it was before it froze.

A jet of glowing blue water erupted out of the sea and out on top of it arose Lily.

Lincoln: Lily. How did you get here?

Lily: The water tells me all big brother.

Lily landed on the boat.

Thetis: Your water powers are impressive Lily.

Lily: Thank you Thetis. The water told me what was going on and what you're doing is wrong Thetis. Queen Beryl is using you for her own selfish vendetta against the Moon Kingdom.

Thetis: Yes. I've realized that now. I was nothing but a pawn in her schemes. I knew she wasn't gonna help my planet or my people.

Shanan: That's why we're going to kill her when the time comes. She is going to pay for her crimes against the entire galaxy.

Thetis: I will gladly help you Shanan. Lily. Thank you for helping me realize my crimes.

Thetis became her human girl form and she ripped off her necklace and crushed it.

Shanan: I have a good gift for you.

Shanan snapped her fingers and gave Thetis the ability to fly with wings made of pure water and her water powers have been enhanced 1,000-fold.

Thetis: Thank you Shanan.

Shanan: I have another gift too.

She opened a viewing window and in our dimension was the planet Undine III as a 3rd Moon in Earth's Orbit and it came back to life when the Sun gave it new life.

Thetis was overjoyed.

Thetis: My home! It's restored! (Crying in joy)

Shanan: You're welcome Thetis. Now we have to take the fight to Jadeite and make him pay for everything he has done.

Sailor Earth: Yeah.

Shanan: Get ready Jadeite. Your time has come. Lily would you like to help us?

Lily: I would be honored Shanan.

Later at Tokyo airport they were on the runway and they saw Jadeite waiting for them.

Jadeite: Well you've all come.

Shanan: That's right Jadeite. Prepare to die.

Shanan went Super Angel 2 and Laney and Lincoln Went Super Angel 2. Everyone else spread their wings.

Shanan: It's over Jadeite. Your time has come.

Shanan fired an energy blast and Jadeite jumped away as it exploded.

KABOOM!

Jadeite formed a sword and Shanan they clashed and sparks were flying everywhere. Setting the whole airport on fire. Planes exploded into tremendous fireballs and more. The raging inferno from the fight was incredible. Massive fiery explosions destroyed much of the airport. Sailor Earth slashed Jadeite in the back and he was oozing green blood and bleeding profusely. Then Shanan and Sailor Moon stabbed Jadeite right through his black heart and killed him in an instant.

Shanan: Enjoy your time in the darkness of the Netherworld.

Lucy: That's right. People like you deserve to be forever damned for all eternity.

Lincoln: Well said Lucy.

Shanan: Great job all of you. That's one of Queen Beryl's Generals down and three more to go.

Sailor Earth: That's right.

In the Dark Kingdom Queen Beryl got the news of Jadeite's demise and Thetis's betrayal and she was enraged.

Queen Beryl: Blast! Shanan you will pay for this! We'll worry about that later. You Neflite are my new commander in getting energy.

Neflite: Jadeite was a fool.

With Jadeite gone Shanan and team relaxed for a bit.

FLASHBACK ENDS

When she was done everyone that hadn't heard about it was amazed.

Nico: Whoa! That's right I wasn't with the team when all that happeened.

Camie: Yeah but that is so cool.

Laney: It was awesome.

Varie: It sure was.

Maria: It's good Shanan and Serena got through to you.

Lily: It was actually me that did it Maria.

Maria: Oh right.

Carol: But that was so awesome.

Thetis: Yeah and Shanan resurrected my planet and gave me back my home.

Rin Nohara: That was so awesome though.

Nico: It sure was.

Kaito: Is it true that Fuzzy Lumpkins hates when people trespass on his property?

Me: Well before we met him he was what we call a totally isolated villain. He lived far away in the forest near Townsville all by himself and he hated visitors. He hated anyone and anything that trespassed on his land and property.

Kaito: He didn't have any friends at all?

Me: No.

Nico: I don't know what happened. Can you tell me?

Me: I sure can Nico. It went from a camping trip to a mission.

I went over what happened in chapter 331.

FLASHBACK 2 - Chapter 331

It starts with all of us having a camping trip in the woods outside of New York City.

Me: Nothing like going on a camping trip to unwind and bond with nature.

Lincoln: You said it buddy.

Linka: This is the life.

Rita II was crying.

Lily: Oh what's wrong little sis? Are you afraid of the stuff out here?

The fire went out.

Me: Uh oh. The fire went out.

Rachel: I got this.

Rachel fired a sound beam and relit the fire.

Leni: That's totes better.

Lori: It literally is.

Blossom: I can't quite put my finger on it but I think we've been here before.

Varie: How so Blossom?

Blossom: I don't know.

Bubbles: Me neither.

Me: Well you'll think of it eventually.

The next morning we woke up in our tents and got up and got some fresh air.

Me: What a great night. I love the beauty of nature.

Lily: Me too.

Lana: I love camping outside.

Lola: It's beautiful isn't it?

Suddenly we heard a gunshot.

BANG!

Me: Sounds like someone is out hunting.

Buttercup: I don't think that was a hunter J.D.

Blossom: (Gasp) I remember now. This is the land of our old enemy Fuzzy Lumpkins.

Me: What did he do to you girls?

Bubbles: He's a hillbilly pink fur villain that lives here in the woods outside of New York. He lives in total isolation away from the city and he hates visitors.

Laney: He doesn't have any friends?

Blossom: No he doesn't.

Lucy: That is sad. If I had a heart it would be sad for him. But I already am sad inside.

Lynn: No one should ever be alone their whole life.

Luan: I agree.

Luna: Me too dudes.

Me: We have to help him. Can you lead us to him Blossom?

Blossom: Sure.

The Powerpuff Girls lead us to the property of Fuzzy Lumpkins. It was a small cabin and we saw Fuzzy Lumpkins sitting in a rockin chair.

Fuzzy saw us.

Fuzzy: Hey you! Get offa my property! Now!

BANG!

He shot at us but we hid behind the trees.

Me: Fuzzy Lumpkins I presume?

Fuzzy: That's right! Now get offa my property!

BANG!

He fired at us again.

Blossom: Fuzzy Lumpkins. You haven't changed a bit.

Fuzzy: The Powerpuff Girls? Haven't seen y'all in years. You've grown the last time I saw ya.

Bubbles: Last time we saw you, you and Professor were pulverizing eachother because you cut down a tree he knew since he was a kid.

Fuzzy: Yeah. That was'n wrong of me to do. But that's in the past. I apoligized for it and swore'n to never bother him again. Now get offa my property!

BANG!

He shot at us again.

Fuzzy (angry): Ya got some nerve showing your faces here after all these years! I told ya'll before to stay offa my property!

Buttercup: Yeah, kinda knew you were gonna say that.

Fuzzy: I'm not in a good mood right now, Powerpuff Girls. So ya better leave right now while ya still can! Or are you here to fight? (chuckles) I'm not gonna go easy on ya'll.

Blossom: C'mon, Fuzzy. Let's just talk this out.

Varie: Yeah.

Fuzzy (takes out shotgun): Oh, I'm all done talkin!

Eddy fired a laser blast at Fuzzy, hitting him in the shoulder. But that only made him angrier.

Eddy: Fuzzy, one of us is gonna get hurt if this keeps up. Most likely me.

Fuzzy (angry): GET OFFA MY PROPERTY!

Me: I agree Eddy. Fuzzy what is your problem? Why do you not want to socialize with people and have friends?

Fuzzy: Because I don't want any friends! Now I'ma gonna teach ya'll a lesson!

He fired at us and Blossom fired a laser vision blast that melted his gun.

Me: Fuzzy listen to yourself. You may not have any friends but deep down you're just lonely and you are in need of a friend. No one should ever have to spend their entire lives alone forever.

Something was affecting Fuzzy in a warm way. It was an emotion that he never felt even once in his whole life: Love. Fuzzy's eyes welled up with tears and he started crying.

Fuzzy (crying): I just don't get it! Why does everything convieniently work out for ya, the great Powerpuff Girls?! Ya shrug through everything free of consequence and ya'll get rewards like money, fame, appreciation, and stuff! But me? I'm punished for being myself.

Buttercup then does something that suprises everyone. She hugs Fuzzy!

Buttercup: I think all you need is a friend.

We walk to him and I reach out my hand to him and the chorus of Heaven was singing as I glowed in the golden light of good.

Me: We just want to be your friends. Everyone needs a friend. We love and care for eachother and are always there for everyone. We would never abandon you and neither will God. We just want to be your friend.

Fuzzy's heart was so full of love that it grew 4 sizes that day and Fuzzy returned the gesture by taking my hand and for the first time ever he was happy and filled with love.

Fuzzy: J.D. thank y'all for this. Thank y'all.

Me: You're welcome Fuzzy. No one should ever be alone forever.

Later Fuzzy decided to move his cabin into the forest of Royal York. He was right at home. A can phone system was set up between the Knudson-Loud-Anderson-Weather estate and Fuzzy Lumpkins.

FLASHBACK 2 ENDS

Nico: Whoa.

Kaito: Wow! So you guys got through to Fuzzy and had him join up.

Me: Yep. Fuzzy is one of the villains I felt sorry for like Mr. Freeze.

Qin: Wow.

Nico: And now, Mojo's with us as well.

Me: Yep. But in our frenemies.

Qin: Yeah.

But then…

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOMMMMMMM!

We heard an explosion!

Me: Whoa!

We went to a hill and we saw Hogwarts Castle in Ruins and on fire!

Nico: Looks like the battle has started!

Dinobot: I have a feeling this is gonna be a big battle.

Nico: Just like what we saw 73 days after the Battle with Thanos.

Qin: Yep.

Nico: The Powerpuff Girls Z versions of Mojo and Fuzzy will be perfect for our frenemies as well.

Lincoln: Powerpuff Girls Z versions?

Nico: (chuckles) That's a story for another time. For now, let's go help in the battle. Starting by helping Neville, Dean, and Seamus blow up the wooden bridge to Hogwarts so more Death Eaters can't get in.

Lincolns: (sighs) Fine. But we're not done with this conversation.

Nico: Okay. Lets go!

We went to help out and then we saw the bridge.

Nico: J.D. blast that bridge!

I fired an energy blast and it hit the bridge and exploded with incredible power in a fiery explosion!

KRABBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The bridge was destroyed in a powerful fiery explosion!

Nico: That did it!

Dinobot: I will engage! Dinobot, MAXIMIZE!

He transformed and was ready.

Dinobot: Get ready to be destroyed with honor!

He fired a great laser blast from his eyes and blew many Death Eaters apart!

Nico: Nice shooting!

Maria: We should take care of those giants as well!

Eli: They are mine!

Eli lifted his hand and then we heard a familiar roar!

Out of the water came GODZILLA!

(GODZILLA THEME SONG PLAYS)

Godzilla roared.

Godzilla: (ROARS)

Eli: Lets get them!

Godzilla saw the giants and knew they posed a threat.

Then his spines glowed and then he fired a powerful Atomic Ray blast and they exploded with incredible fiery power!

MASSIVE FIERY AND INCREDIBLE EXPLOSIONS!

Qin: Take that!

More Death Eaters came!

Carol: I got these clods!

Carol fired rainbow lasers, missiles and energy rays and blasted them into dust as massive fiery explosions were blasting out all over!

The area was turning into a massive and raging inferno!

Qin: YEAH!

Maria: That's the way!

Neville came.

Neville: (British Accent) Thank you all so much.

Me: No problem Neville.

Nico: Neville, do you know where Harry, Ron, and Hermione are?

Neville: They told me they were heading to the Room of Requirement!

Nico: Then lets get over there!

Neville: Lets go!

We went to the castle.

Nico: Maria we're going to need lots of backup!

Maria: You got it!

Maria pulled out the M.O.E. Cannon!

Maria: (TURNS DIAL) FIRESTORM FURY BRIGADE!

She summoned Axel, Firefly, Firebrand, Pyros, Evil Nuova Shenron, Reika Hanehara, Sunstreak, Evil Fire Man, Evil Flame Man and all the Fire Users of the M.O.E.

Reika Hanehara: Whoa! Is this what it was like during the Battle of Hogwarts?

Me: Yep it sure was.

Nico: We haven't got a moment to lose!

Me: Riders lets transform!

Hitoshi: You got it!

Heisei Kamen Rider: HENSHIN!

THEY ALL TRANSFORMED AND WERE READY!

Me: YEAH!

We entered the Room of Requirement.

Firefly: Harry! You there?

We saw Harry in battle with Voldemort!

Me: There he is! Rin you and me will go after him. (Eyes glow red) I've had enough of this motherfucking racist fuckwad to last an infinite number of eternities!

Rin Nohara: With pleasure. And I'm going to transform myself too.

Nico: Go get him guys.

Qin: Yeah!

Me: With pleasure and Nico eat Draco Malfoy's heart for me.

Nico: With pleasure.

Me and Rin went after Lord Voldemort.

Maria saw Bellatrix LeStrange fighting Molly Weasley.

Maria: I got Bellatrix!

Maria went after her.

Molly Weasley: (British Accent) Not my daughter you bitch!

She was laughing like an insane lunatic and then Maria teleported and kicked her in the face and smashed her down!

Maria: You fucked around with your last victim you asshole shitfucker!

Maria then transformed into her Super Angel Infinity Form!

Maria kicked her in her face and kneed her in the stomach and kicked her in the face and Bellatrix belched up a huge amount of blood!

May went and punched Crabbe and Goyle and picked their wands out of their hands and caught them.

May: (to Goyle and Crabbe) Malfoy's a lost cause. But it's not too late for you two. C'mon. Please do the right thing.

Vincent Crabbe: (British Accent) I knew that Malfoy was lost.

Gregory Goyle: (British Accent) Malfoy may be lost but there is one thing Voldemort will never destroy and that is our honor!

May gave them back their wands and they fired blasts at Lucius Malfoy and they hit him in the back!

Lucius Malfoy was in a lot of pain!

He saw who fired the blasts and he was shocked!

Lucius Malfoy: (British Accent) You traitors!

Maria kicked LeStrange in the face and kicked her in the nose and then she punched her in the stomach and kicked her wand out of her hands and caught it. Then the wand glowed and then it formed into an incredible magic water sword!

Maria: (Divine Echoing Water Voice of Cosmic Hope, Love And Redemption) **Wow! What a sword!**

Bellatrix LeStrange laughed like a total homicidal maniac!

She then slashed LeStrange all over!

The Riders saw Nagini, Voldemort's pet snake.

Kaito: (gets out Gaim gear) Me and my team got Nagini!

Zocks: (gets out Wizard gear) We know how much she scared Nico in the past.

Nico: She scared me when I watched the movies. But NOT ANYMORE! The only thing that scared me worse was Slappy.

Nico fired waves of energy and blasted the Death Eaters all over in fiery explosions and Kaito got a Gaim Sword and Zocks got a sword for Wizard!

Zarya fired energy arrows at Fenrir Greyback and skewered him all over!

Suddenly massive explosions and jets of fire exploded out of the floor and walls and engulfed everything in a massive conflagration of raging fire. Many of the evil Slytherin kids were killed as a result. Satanic music played as Voldemort was looking for a way out and he saw a figure in the fire. Rin came out of the fire and she was like the devil himself.

Voldemort: The Devil Himself!

Rin: Wrong! I'm a shinobi and you're going to pay for your crimes Voldemort.

Voldemort: (Evil Laughter) You can't win you stupid girl!

Rin threw a fireball and it hit Voldemort in the face and burned him.

He dropped his wand and Rin grabbed it and it glowed and suddenly turned into a sword. It was a fire blade sword and the hilt was red gold and had flame jewels and the blade had fire around the blade.

Rin: What a cool Sword. It's over Voldemort. You're finished.

Voldemort: I will never be finished! I will continue Salazar Slytherin's work.

I kicked him in the face and knocked him down.

Me: A work filled with genocide, murder, racism and evil!? I don't think so!

I then went Super Angel Eternal Celestial Xelnaga!

Me: (Divine Echoing Cosmic Elemental Voice of Hope, Justice, Love, Valor and Friendship) **You will pay for your crimes Voldemort!**

Rin: Alright, that's it, I've had it up to hear with you and your twisted followers to last an eternity, Voldemort.

Suddenly, something inside Rin Nohara's mind snapped as memories of all the dark things Voldemort and The Death Eaters have done came back to her and her brown eyes turned neon brown, and she was surrounded by an orange energy aura with powerful flames, Fire Chakra, magic, and phoenixes, she unholstered her Sword of The Firebird from her back, and as she approached Voldemort and The Death Eaters, she left orange energy, Fire Chakra, magic, and phoenixes with every step.

Rin: You and every last one of your xenophobic followers absolutely make me sick, Voldemort, I will never ever forgive any of you for all of your twisted and dark crimes that you all committed against humans and wizards for many years, along with murdering so many innocent people. (SUDDENLY GETTING EXTREMELY PISSED OFF) But, what you were all trying to do to fulfill the twisted work of Salazar Slytherin and his twisted racist ways by killing the entire human race… , YOU'VE CROSSED ONE LINE TOO MANY FOR THE LAST TIME, VOLDEMORT, AND NOW, YOU AND EVERY LAST DEATH EATER WHO'S FOLLOWED YOU WILL DIE A HORRIBLE PAINFUL DEATH, AND YOU WILL NEVER EVER COME BACK, YOU RACIST FREAK FROM HELL!

We gasped at the sudden and extremely ferocious anger coming from Rin Nohara.

Nico: (Stunned) Holy Crap!

Lincoln: Rin harbored that much anger against Voldemort and his Death Eaters, because of what they have done when she went after them six and a half years ago, and it's just like what happened when she found out that Obito was the one leading The Akatsuki and he became evil and corrupt, just like the rest of the other Evil Uchiha.

Me: And now, that rage is about to be unleashed. HIT THE DECK, SHE'S GOING TO BLOW!

We ran for cover, and Rin Nohara screamed like a madwoman and then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

There was a massive explosion of fire as she was surrounded by a massive vortex of orange energy with flames, magic, and Fire Chakra surrounding it, there's a phoenix flying around the vortex, and in the vortex is a purple phoenix. Then, as the vortex faded, Rin emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Rin Nohara grew to 7'5" in height, she had the body of a goddess, she has orange highlights in the bangs of her long flowing black hair, she has neon brown eyes and an orange energy aura with powerful flames, Fire Chakra, magic, and phoenixes surrounding her, she has a phoenix with the Fire Kanji in its claws emblazoned on her forehead, she has on phoenix earrings with orange gems for eyes and the Fire and Eternity Kanjis in its claws and her Crystal Necklace of The Buddha with orange gems embedded in the gold fire links and orange crystal links and an orange phoenix-shaped Element of Harmony and on the bottom of the Element of Harmony is a phoenix with orange gems for eyes and The Fire and Eternity Kanjis in its claws for the pendant, she has on a short-sleeved black blouse with a flame-colored phoenix, black long sleeved sweater, red skirt, black pants with orange flames on the legs, black leather knee-high combat boots, and long long-sleeved black coat with flames on the long sleeves and on the coattails, and on the back is a phoenix with the symbol of The Hidden Leaf Village in its claws. Suddenly, Rin Nohara felt a sharp pain on her back, and then, massive black angel wings with flame tips on the large black feathers, grew and sprouted out from her back, she has on a Ring of The Phoenix with a large purple gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger.

Suddenly, Rin's Sword of The Firebird and all the other swords she'd gotten in the treasure battles began to merge together and they were surrounded by a kaleidoscope of orange energy, flames, Fire Chakra, magic, and phoenixes, and when it finally emerged, it was then transformed into Konoha's Firestorm Phoenix Inferno Greatsword of Firestorm Justice and Infernostorm Love, it's a brand-new massive greatsword with a fire-colored phoenix and the symbol of The Hidden Leaf etched on the 7'0" massive, wide, double-edged black blade, large phoenix heads for the crossguard, large fire-colored gem embedded in the rainguard, longer black handle, four large phoenix heads with orange gems for eyes and a large fire-colored gem on the bottom of the phoenix heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with fire-colored gems, large gold Belt of Elemental Bravery with gold phoenix head with fire-colored gems for eyes and fire-colored gem in its beak for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's an orange kanji below the phoenix that said, "Rin Nohara, Immortal Phoenix Angel of The Hidden Leaf Village, Loving Future Wife of Naruto Uzumaki Namikaze, Student of Minato Namikaze the Fourth Hokage, Veteran of the Third Great Shinobi War, Member of The Knights of The New Fire, Emissary of The Phoenix, Destroyer of Obito Uchiha, The Akatsuki, and The Hidden Leaf Village, Destroyer of Voldemort and The Death Eaters, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Fire, Fire Chakra, and Phoenixes"

野原凛、木ノ葉隠れの里の不滅の鳳凰天使、波風うずまきナルトの愛する未来の妻、波風四代目火影ミナトの教え子、第三次忍界大戦のベテラン、新火の騎士団員、鳳凰の使者、うちはオビト、アカツキ、そして隠れた葉の村の破壊者、ヴォルデモートと死喰い人たちの破壊者、悪のスレイヤー、混乱した、殺人的で、冷酷で、サディスティックなろくでなし、驚くほど強力な教師の驚くべき強力な学生、そして火の達人、火のチャクラ、フェニックス

Rin Nohara's transformed into SUPER ANGEL XELNAGA ETERNITY INFINITY HIDDEN LEAF FIRESTORM INFERNO

# PHOENIX ANGEL OF DIVINE HIDDEN LEAF FIRESTORM JUSTICE AND DIVINE SHINOBI FIRE LOVE!

We were amazed by Rin's Super Angel Xelnaga Eternity Infinity transformation, but when Voldemort and the Death Eaters saw it, the dark wizard fell into a rage and fired a Killing Curse at her to kill her, but she deflected it with her Elemental Shield of Harmony and it hits Alecto Carrow and he was killed, then Rin fired powerful orange energy blasts with flames, magic, Fire Chakra, and Phoenixes, and the energy blasts also had the traces of the Killing Curse, and they hit the remaining Death Eaters except for Snape, who defected, and many of the Death Eaters were killed. This angered Voldemort greatly.

Voldemort: Who do you think you are to get in my way, you filthy human?!

Rin Nohara: (Divine Echoing Cosmic Voice of The Inferno Phoenix and Divine Firestorm Ninja Love) **Someone who refuses to let you continue on living any longer, you black-hearted bastard from Hell!**

Sougo: (gets out Ultimate Revice Ridewatch) Me and Geiz will fight Bellatrix!

Geiz: (gets out Blades Ridewatch) She doesn't stand a chance against us.

Sougo got Ultimate Revice Armor while Geiz got Blades Armor.

They went at her and punched and kicked and smashed her all over.

Nico then saw Malfoy and he was about to attack Hermione!

Nico: Not this time! (GOES SUPER SAIYAN 7)

Nico teleported in front of Malfoy!

Nico then punched him in the stomach with devastating force and kneed him in the face and knocked him down!

Harry: (British Accent) I need to help against Voldemort.

Haruto: And you will. But inside you is a Horcrux. Don't worry. I can use my own magic to get it out.

Harry Potter: You know magic?

Haruto: I sure do. Hold on.

He put a ring on Harry Potter's finger and chanted an incantation and then a soul fragment came out of Harry.

Haruto: That did it!

Harry Potter: Wow. What was that?

Haruto: Soul fragment removal spell.

Shinnosuke: We should probably check on the casualties. No telling how many people have died today.

Varie: Good idea. But J.D. can bring them all back to life.

Nico was punching Malfoy all over.

Nico: You are nothing more than a racist Malfoy!

Me and Rin slashed and kicked and blasted Voldemort all over the place.

Me: **Try this on! FIRE STYLE NINJA ART: INFERNO HEAVEN!**

I formed a huge ball of fire and it looked like I was holding the sun in my hands and then I threw it and it slammed into Voldemort and exploded with incredible power!

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION!

The explosion incinerated numerous Death Eaters in an instant!

Then Nico punched Malfoy and then plunged his hand into his chest and then…

SQUELCH!

He ripped out his beating heart!

He saw Crabbe and Goyle as he was seconds from death.

Draco Malfoy: (British Accent) (Gasping) You two would dare turn on me.

Crabbe: Sorry, Draco. But you and your dad are finished. Avada Kedavra!

The last thing Malfoy saw was a green light.

He was obliterated in an instant!

Nico: Take that you shitstain!

Nico then ate his heart!

Nico: (Licks fingers) Tastes like chicken.

Lucius Malfoy: DRACO!

Unfortunately, Lucius was too distracted he didn't even see Kouta behind him until it was too late.

He slashed stabbed him through his back and through his black heart and then Nico teleported and snapped Lucius's neck and killed him!

With me and Rin as we were fighting Voldemort, Rin fired a blade of pure fire went at him and sliced off his left arm and he screamed in excruciating pain.

Voldemort: You wretched girl! I will kill you, resurrect you and then kill you again 1,000 times over!

Rin: **I don't think so. You are an absolute disgrace to the world of wizardry and magic. People like you belong in only one place and that is the Netherworld for all eternity.**

Me: **Make that the newest form of punishment ever.**

Voldemort then formed a green energy sword in his right hand and regenerated his left arm.

Rin: **Now we end this.**

Me: **Lets get him!**

Rin, me and Voldemort got into a savage and ferocious swordfight. Sparks were flying everywhere and massive explosions and blasts of fire devastated the whole landscape. We were firing fire and magic blasts at each other and it was a devastating battle. The whole area was now a massive conflagration of hellfire. The entire area of Hogwarts was now a massive raging inferno on an epic scale. The battle was so intense and ferocious that it was shaking the entirety of the world to the very core.

MASSIVE FIERY AND EPIC EXPLOSIONS!

But then…

MASSIVE SONIC BLASTS BLASTED NUMEROUS DEATH EATERS ALL OVER!

?: (Techno Voice) Looks like I got here just in time.

Everyone saw a Black Evolved Sonorosian!

Nico: Whoa an Another Sonorosian!

Another Sonorosian: (In a girls voice) Looks like the fun started.

She fired sonic blasts and blasted them all over.

Nico: Wow!

Another Sonorosian: Sorry my name is Catherine Nuttenberg and I'm the band leader of the Darkness Girls.

Nico: Awesome!

She reverted back and was a girl with blue hair and blue eyes and had black and blue clothes.

Catherine Nuttenberg: I became Another Omnitrix Alien on purpose by stealing the ridewatch for it and I made this watch band for it to change into that form at will.

Nico: Wow! That's unexpected.

Catherine Nuttenberg: It sure is. And you guys have your hands full with all these douchebags so fighting me is not needed.

Nico: Nope but meeting the gene-slammers is later part of the frey.

Catherine Nuttenberg: I saw 2 of them heading this way so they will be here shortly.

Albedo turned into Negative Ultimate Echo Echo.

Negative Ultimate Echo Echo: (Techno Voice) I doubt Swartz promised you anything. But let's show Voldemort what 2 Sonic Doom attacks can do.

Catherine Nuttenberg: No he never did because I took the Another Ultimate Echo Echo Ridewatch and turned into this form on purpose.

Nico: Very crafty.

She fired waves of sonic energy and so did Negative Ultimate Echo Echo and blasted the rest of the Death Eaters all over.

Laney: Yeah!

Nico: That's the last of them. Now lets take care of Voldemort.

Qin: Right!

They went to help me and Rin.

We were still clashing with him.

I fired waves of energy and blasted him all over.

Nico: (takes out Killer Shrike's Ridewatch) Don't leave us out!

Nico activated it and fired waves of sonic energy and blasted Lord Voldemort all over.

Nico: Take that!

Then blasts of light and fire hit Lord Voldemort and then he disintegrated into dust!

Then, as the spirits of Voldemort and the Death Eaters appeared, we drew a kanji on each of their foreheads, and when Rin drew a kanji on Voldemort's forehead, all of them were found guilty by all those they've killed, and they were all being erased by The Black Gates.

Voldemort: NO! CURSE YOU ALL! DAMN YOU ALL, TEAM LOUD PHOENIX STORM! (Fades Away)

The spirits of Voldemort and The Death Eaters faded away, and they would never return to torment anyone ever again. THE TERROR OF VOLDEMORT AND THE DEATH EATERS ARE NO MORE!

Nico: That's it for them.

Then we saw a Mega Arceus and Mega Entei!

Me: **Whoa! A Mega Arceus and Mega Entei!**

Mega Arceus: (In a girls voice) And we got here just in time.

Mega Entei: (In a girls voice) We sure did.

Me: Whoa! Celine Westova!

Nico: And Valeria McConnell!

They reverted back and Celine was a blond hair girl with yellow clothes and had the kanji for Divine on her forehead and Valeria was a red hair girl with red eyes and red clothes.

Valeria McConnell: It's awesome to see you Nico.

Celine Westova: And you too J.D.

Me: Yeah it sure is and Catherine wow it's awesome to see you.

Catherine Nuttenberg: Same here J.D.

Me: Man this was a really epic battle.

Nico: Yep.

Thetis: What's your favorite memory of Nico?

Valeria McConnell: I have a lot of them. But my favorite is when me and Nico made a lot of awesome and amazing Blue Rings and Necklaces and we sold them and made lots of money for them.

Me: Also Celine is a special girl and she was born with Omnipotent Powers.

Everyone: Wow!

Eli: That's amazing!

Qin: Wow it sure is.

Celine Westova: And I can do this.

She snapped her fingers and resurrected all those killed by Voldemort.

Camie: Wow!

I hugged Celine and Catherine.

Me: I missed you girls.

Celine and Catherine: We missed you too.

Nico hugged Valeria.

Nico: I missed you too Valeria.

Valeria: Me too Nico.

Maria: The Ministry of Magic's gonna have a field day.

Me: They sure are.

Qin: Yeah no kidding.

Xenia: But at least Voldemort is gone forever.

Aylene C.: Yeah.

We were happy about about that.

---

After Nico's rescue, Lincoln, Me, Ken Knudson, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, The Dynasty Warriors, The Samurai Warriors, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, The Demon Slayer Corps, The Saber Kamen Riders, Zarya, and Ripster are heading to Denver, Colorado, and not only is Lincoln going to rescue the four girls here, but we got word that Creepy Apple, Fluttermad, Crazy Gem, Pinkie Dark, Black Rainbow, Solar Shimmer, Evil Vignette Valencia, and Gaia Everfree are back from the dead, and they want revenge on me and Zarya for destroying them.

Lincoln: Wow, we're here in Denver, Colorado, and I know what we're going to do here, not only am I going to rescue the four girls here, but we'd also got word that Creepy Apple, Fluttermad, Crazy Gem, Pinkie Dark, Black Rainbow, Solar Shimmer, Evil Vignette Valencia, and Gaia Everfree are back from the dead, and they want revenge on J.D. and Zarya for destroying them.

Nico: I can't believe that some of the members of The Midnight 13 are back from the dead.

Lincoln: Don't forget The Evil Dazzlings, Nightmare Moon, Demon Shimme, and Daybreaker, who were also among the members of The Midnight 13, but Nightmare Moon and Demon Shimmer have been sent to The Black Gates for good. But, we've still got to deal with Creepy Apple, Fluttermad, Crazy Gem, Pinkie Dark, Black Rainbow, Solar Shimmer, Evil Vignette Valencia, and Gaia Everfree, but we're going to condemn Black Rainbow, Creepy Apple, Fluttermad, Crazy Gem, Pinkie Dark, and Solar Shimmer to Eternal Servitude in The Masters of Evil, while the rest of them are getting The Black Gates.

Me: Good plan, Linc.

Suddenly, Lincoln's massive white angel wings turned into the color of Mistmane, except for the orange and aurora-colored tips on the feathers.

Rarity: My word, your angel wings have changed into the colors of Mistmane.

Lincoln: That must mean that the one who brought them back was Evil Midnight Sparkle, and whom we're going after later on today.

Me: And she's also a member of The Midnight 13 as well, so I should've known she was behind this.

Lincoln: Yep, but we've got our plan set in place for later on today. And thanks for joining us, John.

Ripster: You're welcome, Lincoln, this is going to be awesome taking those Midnight 13 monsters down again.

?: HEEELLLLLP!

Suddenly, Lincoln heard the sound of four girls calling for help, along with the sounds of heartless and evil laughter. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the four girls, but they've been cornered by Creepy Apple, Fluttermad, Crazy Gem, Pinkie Dark, Black Rainbow, Solar Shimmer, Evil Vignette Valencia, and Gaia Everfree, and they're going to kill them.

Lincoln: Let's get over there at once, guys, I found the four girls, but they've been cornered by Creepy Apple, Fluttermad, Crazy Gem, Pinkie Dark, Black Rainbow, Solar Shimmer, Evil Vignette Valencia, and Gaia Everfree, and they're going to kill them.

?: (Girl's voice) (Japanese Accent) Those demonic monsters of darkness, let's get them.

Suddenly, we saw the Duel Monster, Contrast HERO Chaos, appear before us.

Nico: Whoa, that's the Duel Monster, Contrast HERO Chaos, so awesome.

Lincoln: And I'd recognize that Japanese accent, I knew it was you, Kushina Hikatokage, but we'll talk later, time to put a stop to Creepy Apple, Fluttermad, Crazy Gem, Pinkie Dark, Black Rainbow, Solar Shimmer, Evil Vignette Valencia, and Gaia Everfree once and for all.

We rushed on over, and Lincoln fired powerful rainbow energy balls and elemental forces at Creepy Apple, Fluttermad, Crazy Gem, Pinkie Dark, Black Rainbow, Solar Shimmer, Evil Vignette Valencia, and Gaia Everfree and that allowed the four girls to get to safety and inside an energy field created by Lincoln to protect them from Creepy Apple, Fluttermad, Crazy Gem, Pinkie Dark, Black Rainbow, Solar Shimmer, Evil Vignette Valencia, and Gaia Everfree. And when Creepy Apple, Fluttermad, Crazy Gem, Pinkie Dark, Black Rainbow, Solar Shimmer, Evil Vignette Valencia, and Gaia Everfree saw us, specifically me and Zarya, they were pissed big time.

Solar Shimmer: You! You will both pay for what you did in destroying us.

Lincoln: Not going to happen, Solar Shimmer, and now, we're about to cut your returns from the dead painfully short, because we're going to make sure that none of you ever return to threaten our world again.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and

Lincoln walked up to Kushina Hikatokage and they hugged, and Selene Rosesanglante is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and his massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his deeper manly voice.

Lincoln: It sure has, I haven't seen you when you were sixteen, and as you can see, I really grew a lot since then.

Kushina Hikatokage: (Japanese Accent) Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and you now have massive white angel wings, that's so awesome.

Nico: Whoa, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Kushina Hikatokage, she's my Guardian Angel from Japan and his classmate in Science, and she's also a big time Tokusatsu fan. Her last name, Hikatokage, means Light and Shadow in Japanese.

Nico: Whoa, I knew we were going to run into her.

Lincoln: That's right, and Kushina was the one who introduced me to the Tokusatsu shows, starting with Space Sheriff Gavan, which believe it or not, is one of the Metal Heroes shows from Tokusatsu, and Kushina actually made me an outfit resembling Space Sheriff Gavan, and we even cosplayed as Metal Heroes. We went to a beach one day, and Kushina kissed me on the lips while swimming.

Me: That's so cool.

Lincoln: And Kushina, there's also something I also got to tell you.

Kushina Hikatokage: (Japanese Accent) This is really incredible that Lincoln and his harem met you both and helped take care of your enemies.

Retsu Ichijouji: We were indeed honored that Lincoln and his harem helped us both.

Naoto Tamura: Indeed, and we knew of many of their adventures, especially when they dealt with the enemies of The Kamen Riders.

Lincoln: That was really awesome, and Kushina is also the cousin of Saya Takagi.

Me: Wait, what?
